PART III.

Legislative Measures and Rules thereunder.

No. J. 1782—*Police Mis. 65, dated 26th December 1905.*

In exercise of the powers conferred by the Mysore Arms Regulation, VI of 1890, and in supersession of previous notifications, the Government of His Highness the Maharaja are pleased to make the following rules, directions and exemptions in respect of arms, ammunition and military stores in Mysore:—

1. The undermentioned persons are exempted from the operation of all prohibitions and directions contained in Sections 8, 9, 10 and 11 of the Mysore Arms Regulation, 1890, save in respect of cannon, articles designed for torpedo service, war-rockets, and machinery for the manufacture of arms and ammunition; provided that, except where otherwise expressly stated, the arms or ammunition carried or possessed by such persons shall be for their own personal use, and shall not exceed such quantities (if any) as the Government may, from time to time, declare to be reasonable for them to carry or possess:—

Persons exempted from the provisions of Sections 8 to 11 of Regulation.

- (1) All Maharajas, Rajas, Nawabs, Members of any Order of Knighthood; all persons to whom the Kaiser-i-Hind medal has been awarded; all persons bearing a title conferred by the Government of India or by or in the name of His Highness the Maharaja of Mysore; all persons who have been granted a sword in public Durbar; all persons who received certificates on the 1st January 1877; all persons who are exempted from personal attendance at the Civil Courts.
- (2) All Members and ex-Members of the Councils of the British Indian Administrations, and of the Council of His Highness the Maharaja of Mysore.
- (3) All Military and Naval Officers, all Soldiers, Sailors, Volunteers, Police Officers, Forest Officers, Jail Officers, and Excise Officers in the service of the Government of India or the Government of His Highness the Maharaja of Mysore.
- (4) All Magistrates, Justices of the Peace, Honorary Magistrates, and Judicial Officers of and above the rank of Munsiff.
- (5) All European and East Indian subjects of His Majesty the King-Emperor, all Armenians, and all Americans and Europeans not British-born subjects of His Majesty who are temporarily residing or travelling in Mysore.
- (6) All pensioned Officers of the Military and Civil Departments who would be exempt if in service.
- (7) *Arsus* and relatives of His Highness the Maharaja, and their retainers, subject to such orders as the Government may issue regarding the number of such personages and the number of weapons and retainers to be included under this head.

- (8) Members of the Representative Assembly and of District Boards so long as they continue to be such.
- (9) Land-holders and members of Municipal and Local Boards of approved loyalty and of good position, according to lists that may from time to time be issued by the Government.
- (10) All Village Patels, including Mande Patels, Nad Patels, Mokhtesar Patels and Bagetana Patels, Talavars and other Rural Police, subject to such restrictions as the Government may from time to time prescribe in respect of the arms necessary for the discharge of their police duties.
- (11) All persons of Coorg race residing or travelling in Mysore.
- (12) All postal runners and village postmen in frontier or wild districts where the superior Departmental Officers direct them to carry arms on duty, and Superintendents and Inspectors of Post Offices and Mail Overseers and such other officers of the Postal Department as the Government of His Highness the Maharaja may by general or special order, from time to time direct.
- (13) All Officers of the Mysore Public Works Department of and above the rank of Overseer.
- (14) All Officers of the Geological Department of and above the rank of Apprentice Geologist.
- (15) All Revenue Officers of and above the rank of Taluk Sheristadar.
- (16) All Medical Officers of and above the rank of Sub-Assistant Surgeon.
- (17) All Heads of Departments, and all Secretaries to Government, including Deputy, Under and Assistant Secretaries.
- (18) The Superintendent of the Amrut Mahal Department, all Amrut Mahal Darogas, Sarvegars and Mundals, and the Head Clerk of the Amrut Mahal Department, as also the Sarvegars or cowherds of the Palace Amrut Mahal Department in charge of Palace cattle.
- (19) Inspectors, Deputy Inspectors, and Assistant Deputy Inspectors of the Education Department.
- (20) All persons to whom fire-arms may be presented by the Government of His Highness the Maharaja.

Weapons excluded from operation of Regulation.

2. The following descriptions of weapons are excluded from the operation of any prohibition and direction contained in the Mysore Arms Regulation :—

- (1) Spears of all kinds.
- (2) Bows and arrows.
- (3) Uniform swords and dirks of recognised Military or official patterns, when possessed by or intended to be supplied to, persons entitled to wear them as part of their uniforms.
- (4) Ornamental arms of an obsolete pattern possessing only antiquarian value, masonic swords and theatrical and fancy dress swords, provided they are virtually useless for offensive and defensive purposes.
- (5) Hunting knives.

3. All sections of the Mysore Arms Regulation are extended to sulphur in quantities exceeding ten seers.

Regulation extended to sulphur above ten seers.

4. Leaden bird-shot and bullets, when possessed in quantities exceeding 1 cwt. at any one time, shall be deemed to be military stores within the meaning of the Mysore Arms Regulation.

Transport.

5. No arms or ammunition or military stores shall be transported in any part of Mysore without a license in Form I appended to these Rules. The

License required for transport of arms, etc.

license will be granted by the Magistrate of the district. If the articles are to be consigned to a place beyond the jurisdiction of the officer granting the license, the consent of the Magistrate of the district to which

the consignment is made must be obtained before the license is issued. Such consent may be obtained by the person applying for the license, or the District Magistrate, to whom application for the license is made may forward the proposed license to the officer whose consent is required, and on receiving a reply should either issue the license to the applicant, or inform him that his application for a license to transport arms, etc., has been refused. The fee payable in respect of every such license shall be ten rupees.

6. Every consignment of arms or ammunition or military stores transported in any part of Mysore by railway on lines within the jurisdiction of His Highness the Maharaja of Mysore shall be consigned to be marked.

Consignments to be marked.

marked with the words "Arms," "Ammunition" or "Military Stores," as the case may be, in such a manner as to be readily recognizable by the Railway authorities. A copy of the license to transport the articles shall be attached to the way bill when the consignment is booked as a parcel, and to the invoice when booked as goods, and no consignment shall leave the railway premises without the contents being verified and compared with the license by the Railway Police at the place of delivery. Telegraphic advice of every such consignment shall be sent to the receiving station by the Railway authorities at the forwarding station.

7. Persons lawfully entitled to possess arms, or to go armed, are permitted to transport, in any part of Mysore, arms or ammunition in reasonable quantities for their own use. Any person abusing this exemption and transporting such articles otherwise than in reasonable quantities for his own use, will be held to have contravened this rule, and will, on conviction, become liable to the penalties under sections 13 and 14.

Transport by persons entitled to possess arms.

Note.—A cooly or servant carrying a packet properly secured and addressed to an exempted person so long as he travels with it on the direct route from the licensed dealer's premises or a railway station to the residence of such exempted person will be held to require no license provided that the exempted person is responsible for the conduct of the cooly or servant he employs and that the cooly or servant himself does not deviate from the direct route.

8. A person licensed to possess arms, ammunition or military stores, or who is exempted from the liability to take out such a license, is entitled to transport to his residence, from the premises of a licensed dealer, arms, ammunition or military stores without a separate transport license, so long as the articles purchased are in reasonable quantity and for his own use. A licensed dealer in arms, ammunition and military stores may supply the order of any such person, and may, without a separate transport license, send or despatch, in any way desired, to the residence of the purchaser, the articles ordered by any such person, so long as they fulfil the requirements of Rule 7, and are legibly addressed to the person for whom they are intended.

9. A license to transport arms or ammunition or military stores is void, if the consignment breaks bulk at any place short of the district for which it may be granted. A license to transport shall ordinarily not be made valid for more than twice the period actually required for the conveyance of the articles to their destination by the intended route.

Restrictions to which transport license is subject.

10. Persons desirous of transporting arms, ammunition or military stores must apply in writing to the officer authorized to grant transport licenses from the place of despatch. The application must specify—

Application for transport-license.

(a) the place to which the articles are to be transported, the route of transport, and the probable time that will be occupied in the journey;

(b) the quantity, description, average price, and the purpose of each kind of arms or ammunition;

(c) whether the applicant desires that the officer to whom he applies should obtain the consent of the Magistrate of the place of consignment; (if the applicant has obtained such consent, the evidence of such consent must be produced);

(d) in the case of breech-loading rifles and balled rifle ammunition, whether the previous sanction of the Government has been obtained.

11. Persons transporting arms, ammunition or military stores under a license must write legibly on the cases or packages containing such articles an account of their contents.

Contents of packages to be marked.

12. Within six days of the articles reaching their destination, the consignee must deliver the transport license to the Magistrate of the district, who must satisfy himself that the articles transported to his district correspond with the entries in the license, and that any deficiency is properly accounted for.

Procedure on arrival of articles at destination.

Manufacture and sale.

13. Licenses to manufacture, convert, keep and sell arms or ammunition or military stores may be granted by the Magistrate of the district or by the Magistrate of a sub-division of the district. They shall be in Forms II and III appended to these Rules. The fee, payable in stamps, shall be twenty rupees in respect of licenses to manufacture, convert and sell, and ten rupees in respect of licenses to keep and sell. Every license-holder under this rule shall keep, in such form as the Government may from time to time direct, registers of all arms manufactured or converted, of all ammunition and military stores manufactured, of all stock in hand, and of all sales. He shall exhibit his stock and his registers on demand by any Magistrate, or by any Police officer not below the rank of Inspector. Magistrates and all Police officers not below the rank of Inspector are hereby empowered to enter and inspect any premises within their several jurisdictions in which arms or ammunition or sulphur are manufactured, or kept, and to examine the stock and accounts of receipts and sales of arms, ammunition and military stores. Every person licensed to sell arms and ammunition shall affix a signboard on a

conspicuous part of his shop or usual place of business, and shall cause to be painted thereon in large letters in English, or in Kannada, his name and the words "licensed to manufacture," or "licensed to deal in arms, ammunition and military stores," as the case may be. He shall also post up in his shop a copy of section 23 of the Mysore Arms Regulation in Kannada or in English.

Notwithstanding anything contained in this Rule, a person holding a license under the Mysore Explosives Regulation, II of 1888, endorsed in accordance with Rule 42 of the Rules thereunder, to manufacture, possess and sell, or to possess and sell, explosives, may be granted *free of all charge* a license for the same period in Form II or Form III, respectively, in regard to ammunition or military stores which are not explosives.

14. Licenses to manufacture, convert, keep and sell arms or ammunition issued under Rule 13 shall exclude by specific and express condition, (1) the manufacture and conversion of breech-loaders and (2) the use of parts of British Military weapons (whether condemned or not) in any process of manufacture and conversion.

Possession of arms and going armed.

15. Licenses to possess arms and ammunition in reasonable quantities and to go armed for purposes of sport or protection, or of display, may be granted by the Magistrate of the district or by the Magistrate of a sub-division of the district in Form IV. Such a license

Licenses to possess arms and go armed sport, etc.

shall be liable to a fee of four annas for each weapon; and will authorize the holder to carry the arms described in it on occasions when they may be reasonably required for the purposes named in the license. But the holder, unless specially authorized by the Magistrate, must not go armed in railway carriages, or to fairs, religious processions, or other public assemblages. Licenses granted under this rule shall, on countersignature by the Secretary to Government in the General Department, or other officer authorized in this regard by the Government, be valid for such districts as may be specified by the countersigning officer.

16. The Magistrate of the district or the Magistrate of a sub-division of the district may

grant a license in Form V for a journey, specifying the direction of the journey, and the period it will occupy. Such license will be valid in other jurisdictions only for such journey and for such period, and will be liable to a fee of four annas for each weapon. Holders of licenses under this rule, unless specially authorized by the officer granting the licenses, must not go armed in railway carriages, or to fairs, religious processions, or other public assemblages.

When such Magistrate receives an application for a license in Form V from a person who is not resident within his jurisdiction, or is not personally known to him, he shall, before granting the license, ascertain from the Magistrate of the district or sub-division of the district in which the applicant resides, whether there is any objection to the grant of the license, unless for reasons to be recorded, he considers this precaution to be clearly unnecessary.

17. Licenses to possess fire-arms or ammunition or military stores may be granted by the

Licenses to possess arms.

Magistrate of the district or sub-division of the district in Form VI without fee, and shall be valid for five years. Such licenses will not authorize the holders to go armed or to carry arms. Licenses to possess and carry arms (Form IV) will be liable to fees as stated in Rule 15.

18. Licenses to possess and carry arms and ammunition may be granted by the Magistrate of the district or sub-division of the district in Form VII

Licenses to possess and carry arms for destroying wild animals.

without fee, and for a term of five years, to persons who require arms for the destruction of wild animals which do injury to human beings, cattle, or crops. Such a license will be valid only in or on the immediate confines of the district for which it is granted. It will be subject to the conditions that the license and the weapon it covers are shown once a year, between the 15th November and the 31st December, to the nearest Magistrate; that the weapon becomes confiscated to Government directly it is sold or seized in execution of any debt; and that such weapon is carried only on occasions when it is to be used *bonâ fide* for the destruction of wild animals. Holders of licenses under this rule must not go armed in railway carriages, or to fairs, religious processions, or other public assemblages. If a gun covered by such license is lost or stolen, the license-holder shall at once give notice of the fact at the nearest Police Station.

19. Licenses in Forms I, IV, V, VI and VII shall not, in the case of breech-loading rifle

Restriction as regards breech-loading rifles and ballad rifle ammunition.

and ballad rifle ammunition, be granted without the previous sanction of the Government.

20. Licenses for the possession or transport of sulphur, proved to the satisfaction of Government to be intended only for *bonâ fide* medicinal,

Licenses for possession or transport of sulphur.

manufacturing or agricultural purposes, may be granted without payment of any fee. This concession does not extend to sulphur intended for the manufacture of gunpowder or of ammunition generally, as defined in Section 4 of the Mysore Arms Regulation.

General.

21. The fees leviable under these rules shall be taken in the shape of "impressed stamps."

Fees how levied.

Ordinarily the applications for licenses or renewals of licenses shall be written on "impressed stamps" of value equal to the

amount of fee leviable in respect of such licenses or renewals, and the licenses will be issued on plain paper. But when the licenses themselves are written or printed on "impressed stamps," the applications may be on paper of the value hereinafter mentioned. When an application for a license is written on an "impressed stamp," and the license is refused, the value of the stamp will be refunded to the applicant.

22. Applications for licenses in respect of which no fee is leviable, or regarding licenses printed on impressed stamps on which the full fee has been paid, shall be considered to be applications within the meaning of Schedule II, Article I, Clause (a), of the Mysore Court Fees Regulation, 1900, and shall bear a Court-fee stamp of one anna.

23. All licenses under Rules 13 and 15 shall expire on the 31st December of the year for which they may be issued; licenses under Rule 18 shall expire on the 31st December of the fifth year of their currency. But the currency of a license may be renewed,—previous to its expiration, and on payment of a second fee,—by the same authority that granted it; provided always that, where a renewal of license is applied for as aforesaid, the period of its currency shall, whether the application is eventually granted or refused, be deemed to include the interval during which the application was pending disposal.

24. When a license granted in accordance with these rules is lost or accidentally destroyed, a duplicate may be granted to the licensee on payment of the same fee as he paid on the original license, if not in excess of one rupee; and, in any other case, on payment of a fee of one rupee. Cultivators or other persons to whom licenses may have been granted without payment of any fee may obtain duplicates of such licenses, if lost or destroyed, free of all fee.

25. All licenses shall be given and held subject to the conditions endorsed on the reverse, and subject to these rules and to the provisions of the Arms Regulation. Where arms are intended to be employed in the pursuit of game, a separate license under the Mysore Game Regulation and Rules is necessary. Licenses under Rules 15 and 18 may also be granted subject to the observance of a close season in the pursuit of animals and birds that do not injure either men, or cattle, or crops and are not otherwise provided for. The limits of the close season will be decided by the Government, and the condition regarding such close season, if imposed, shall be endorsed on the reverse of the license.

26. Any person holding a license, or acting under a license, granted in accordance with these rules, shall be bound to produce the same, when called upon to do so by any Magistrate or by any Police Officer in charge of a Police Station, or by any Police Officer of higher rank.

27. Licenses granted for use within a district shall be written or printed in Kannada. Licenses for use beyond the district where they may be granted shall be in English and may be in Kannada as well.

28. A license granted under these rules will cover only the weapons or other articles and the person named therein, unless the officer granting a license under Rule 15 or 16 deems it expedient to include the retainers of any person named in the license; in such case, the entry on the face of the license shall declare how many and whose retainers are covered by the license. Joint licenses in the names of more than one person cannot be issued; every person seeking to possess or carry arms must take out a separate license.

29. Any officer empowered to grant a license under these rules may, at his discretion, refuse to grant, to renew, or to consent to the issue of, a license, or may refer any application for the orders of the Government.

30. All persons exempted under Section 22 of the Regulation or Rule 1 of these rules are entitled on application to the Magistrate of the district to be furnished with certificates of such exemption.

31. All Magistrates and other authorities acting under these rules will perform their duties subject to the control of their executive superiors and of the Government.

This license is subject to all the provisions of the "Mysore Arms Regulation, 1890," and of the Rules framed thereunder.

This license is void after the expiration of the period named, or if bulk is broken before reaching the place of destination, or if the articles are taken by any route other than is specified on the license.

The contents of each package covered by this license must be described in legible letters on the outside of such package.

The articles covered by this license will be delivered only to persons lawfully entitled to possess the same.

This license must be delivered to the Magistrate of the district to which the articles are consigned, and the articles must be available for exhibition to such Magistrate within six days of the consignment reaching his district.

The officer granting this license must send a copy thereof on the day of issue to the Magistrate of the district as above described.

When the license is granted for transport within the limits of the same district, the license must be given up to the local Magistrate (if any) having jurisdiction in the place to which the articles are consigned, who will satisfy himself that the conditions have been complied with, and return the license to the District Magistrate. The District Magistrate will send copies of any license granted by him for transport within the district to the local Magistrate having jurisdiction. Where there is no local Magistrate, the license must be returned to the Magistrate of the district.

Form of renewing the License.

[illegible]

1. This license is given subject to the provisions of "The Mysore Arms Regulation, 1890" and the rules framed thereunder. The attention of the holder is drawn to the sections of the Regulations quoted separately below.

2. He shall keep registers of all arms manufactured or converted, of all ammunition and military stores manufactured, of all stock in hand, and of all sales, in such forms as the Government may direct.

3. He shall exhibit his stock and his registers on demand by any Magistrate or by any Police officer not below the rank of Inspector.

4. If any arms or ammunition covered by this license are lost or stolen, he shall at once give notice at the nearest Police Station.

N.B.—This condition may be omitted at the discretion of the Government.

5. He shall affix on a conspicuous part of his shop, or usual place of business, a signboard, on which shall be painted in large letters in English and in Kannada his name and the words "Licensed to manufacture (or "Licensed to deal in) arms, ammunition, and military stores," as the case may be. He shall also post up in his shop a copy of section 23 of the Regulation either in Kannada or in English.

6. He shall at the time of purchase endorse upon the license of every purchaser holding a license under Form IV or V—(1) the name and address of the person who takes delivery of the articles sold, (2) the nature and amount of the articles sold, (3) the date of sale, and shall sign the endorsement.

7. This license only covers sales of arms, ammunition, or military stores effected upon the premises shown on the face of the license.

8. The licensee shall not sell arms to a soldier of the Native Indian Army or of the Military Forces of the Maharaja, unless he produces a written pass or permit signed by the Commanding Officer, and then only to the extent and on the conditions specified in such pass.

9. This license expires on the 31st December of the year in which it is issued, but the licensee can have it renewed by filing an application for its renewal on stamped paper of the prescribed value.

10. The license-holder shall not sell arms or ammunition to any person without the permission in writing of the Magistrate of the district in which the person requiring such arms or ammunition is for the time being residing. But this prohibition does not apply to persons exempted from the operation of sections 8-11 of the Arms Regulation by Rule 1 of the Arms Rules and who declare that they purchase for their own use.

11. This license does not authorize the licensee to manufacture or convert breech-loaders or to use parts of British Military weapons (whether condemned or not) in any process of manufacture or conversion.

Sections of the Mysore Arms Regulation, 1890, referred to in Condition No. 1.

5. No person shall manufacture, convert, or sell, or keep, offer, or expose for sale any arms, ammunition, or military stores, except under a license and in the manner and to the extent permitted thereby.

Nothing herein contained shall prevent any person from selling any arms or ammunition which he lawfully possesses for his own private use to any person who is not by any enactment for the time being in force prohibited from possessing the same; but every person so selling arms or ammunition to any person other than a person entitled to possess the same by reason of an exemption under Section 22 of this Regulation shall, without unnecessary delay, give to the Magistrate of the district, or to the officer in charge of the nearest police station, notice of the sale and of the purchaser's name and address.

11. Any person possessing arms, ammunition, or military stores, the possession whereof by him has, in consequence of the cancellation or expiry of a license, * * * become unlawful, shall deposit the same without unnecessary delay with the officer in charge of the nearest police station.

If the owner of anything deposited under this section does not, within three years from the date on which such thing is so deposited, produce a license authorizing him to possess the same and apply for delivery of the same, such thing shall be forfeited to His Highness the Maharaja of Mysore.

14. Whoever commits any of the following offences (namely):—

(a) manufactures, converts, or sells, or keeps, offers, or exposes for sale, any arms, ammunition, or military stores in contravention of the provisions of section 5;

(b) fails to give notice as required by the same section;

* * * * *

(f) intentionally makes any false entry in a record or account which, by a rule, *
he is required to keep;

(g) intentionally fails to exhibit anything which, by a rule, * * * he is required to exhibit; or

(h) fails to deposit arms, ammunition, or military stores, as required by Section 11 shall be punished with imprisonment for a term which may extend to three years, or with fine or with both.

15. Whoever does any act mentioned in clause (a) * * * of Section 14 in such manner as to indicate an intention that such act may not be known to any public servant as defined in the Indian Penal Code or to any person employed upon a railway, or to the servant of any public carrier,

and whoever, on any search being made under Section 20, conceals or attempts to conceal any arms, ammunition, or military stores,

shall be punished with imprisonment for a term which may extend to seven years, or with fine, or with both.

16. Whoever, in violation of a condition subject to which a license has been granted, does or omits to do any act shall, when the doing or omitting to do such act is not punishable under Section 14 or Section 15, be punished with imprisonment for a term, which may extend to six months, or with fine, which may extend to five hundred rupees, or with both.

17. Whoever knowingly purchases any arms, ammunition, or military stores from any person not licensed or authorized under the proviso to Section 5 to sell the same, or

delivers any arms or ammunition or military stores into the possession of any person without previously ascertaining that such person is legally authorized to possess the same,

shall be punished with imprisonment for a term which may extend to six months, or with fine which may extend to five hundred rupees, or with both.

18. Any person violating any rule made under this Regulation, and for the violation of which no penalty is provided by this Regulation, shall be punished with imprisonment for a term which may extend to one month, or with fine which may extend to two hundred rupees, or with both.

19. When any person is convicted of an offence punishable under this Regulation, committed by him in respect of any arms, ammunition, or military stores, it shall be in the discretion of the convicting Court or Magistrate further to direct that the whole or any portion of such arms, ammunition, or military stores, and any cart, or baggage animal used to convey the same, and any box, package, or bale in which the same may have been concealed, together with the other contents of such box, package or bale, shall be confiscated.

(h) fails to deposit arms, ammunition, or military stores, as required by Section 11, shall be punished with imprisonment for a term which may extend to three years or with fine, or with both.

15. Whoever does any act mentioned in clause (a), * * * of Section 14 in such manner as to indicate an intention that such act may not be known to any public servant as defined in the Indian Penal Code, or to any person employed upon a railway, or to the servant of any public carrier,

and whoever, on any search being made under Section 20, conceals or attempts to conceal any arms, ammunition, or military stores,

shall be punished with imprisonment for a term which may extend to seven years, or with fine or with both.

16. Whoever, in violation of a condition subject to which a license has been granted, does or omits to do any act shall, when the doing or omitting to do such act is not punishable under Section 14 or Section 15, be punished with imprisonment for a term which may extend to six months, or with fine which may extend to five hundred rupees, or with both.

17. Whoever knowingly purchases any arms, ammunition, or military stores from any person not licensed or authorized under the proviso to Section 5 to sell the same, or

delivers any arms, ammunition, or military stores into the possession of any person without previously ascertaining that such person is legally authorized to possess the same,

shall be punished with imprisonment for a term which may extend to six months, or with fine which may extend to five hundred rupees, or with both.

18. Any person violating any rule made under this Regulation, and for the violation of which no penalty is provided by this Regulation, shall be punished with imprisonment for a term which may extend to one month, or with fine which may extend to two hundred rupees, or with both.

19. When any person is convicted of an offence punishable under this Regulation, committed by him in respect of any arms, ammunition, or military stores, it shall be in the discretion of the convicting Court or Magistrate further to direct that the whole or any portion of such arms, ammunition, or military stores, and any cart, or baggage animal used to convey the same and any box, package, or bale in which the same may have been concealed, together with the other contents of such box, package, or bale, shall be confiscated.

Form of renewing the License.

[illegible]

1. This license is granted subject to the provisions of "The Mysore Arms Regulation 1890," and the Rules framed thereunder.

2. It covers only the persons and the arms named therein, unless it is certified to cover retainers of the holder.

3. It extends only to the place or district named therein, unless countersigned for other districts or the whole of the Mysore State by the Secretary to Government, General Department, or other officer authorized to countersign.

4. It authorizes the holder or persons acting under it to go armed within the place or district named for *bona fide* prosecution of the purpose named on the license; but, unless specially authorised by the Magistrate, it does not permit the holder or persons aforesaid to go armed in railway carriages, or to fairs, religious processions, or other public assemblages.

5. The license-holder, when purchasing any new arms or ammunition, shall have the following particulars endorsed upon his license under the vendor's signature:—

- (1) the name and address of the person who takes delivery of the articles purchased;
- (2) the nature and amount of the articles purchased;
- (3) the date of purchase.

6. If any weapon covered by this license is lost or stolen, the license-holder shall at once give notice of the fact to the nearest Police Station.

N. B.—This condition may be omitted at the discretion of the Government.

7. The special attention of the license-holder is drawn to the following sections of the Regulation:—

Section 8.—No persons shall go armed with any arms, except under a license and to the extent and in the manner permitted thereby.

Any person so going armed without a license, or in contravention of its provisions, may be disarmed by any Magistrate, Police officer or other person empowered by the Government of Mysore in this behalf by name or by virtue of his office.

Section 14.—Whoever commits any of the following offences (namely) —

* * * * *

(d) goes armed in contravention of the provisions of Section 8;

(e) has in his possession or under his control any arms, ammunition or military stores in contravention of the provisions of Section 9 or Section 10;

* * * * *

(b) fails to deposit arms, ammunition or military stores, as required by Section 11,

shall be punished with imprisonment for a term which may extend to ~~three~~ years, or with fine, or with both.

8. This license expires on the 31st December of the year in which it is issued. The license-holder can have it renewed by filing an application for its renewal on stamped paper of the prescribed value.

9. This license does not empower the holder to employ fire arms in the pursuit of game, for which a separate license under the Mysore Game Regulation and Rules is necessary. In addition to conforming to the said Regulation and Rules, the license holder is also bound to observe a close season, as prescribed by the Government, in respect of the undermentioned animals and birds, which do no injury to men, cattle, or crops:—

PART III.

Legislative Measures and Rules thereunder.

No. J. 1782—Police Mis. 65, dated 26th December 1905.

In exercise of the powers conferred by the Mysore Arms Regulation, VI of 1890, and in supersession of previous notifications, the Government of His Highness the Maharaja are pleased to make the following rules, directions and exemptions in respect of arms, ammunition and military stores in Mysore :—

1. The undermentioned persons are exempted from the operation of all prohibitions and directions contained in Sections 8, 9, 10 and 11 of the Mysore Arms Regulation, 1890, save in respect of cannon, articles designed for torpedo service, war-rockets, and machinery for the manufacture of arms and ammunition; provided that, except where otherwise expressly stated, the arms or ammunition carried or possessed by such persons shall be for their own personal use, and shall not exceed such quantities (if any) as the Government may, from time to time, declare to be reasonable for them to carry or possess :—

Persons exempted from the provisions of Sections 8 to 11 of Regulation.

- (1) All Maharajas, Rajas, Nawabs, Members of any Order of Knighthood; all persons to whom the Kaiser-i-Hind medal has been awarded; all persons bearing a title conferred by the Government of India or by or in the name of His Highness the Maharaja of Mysore; all persons who have been granted a sword in public Durbar; all persons who received certificates on the 1st January 1877; all persons who are exempted from personal attendance at the Civil Courts.
- (2) All Members and ex-Members of the Councils of the British Indian Administrations, and of the Council of His Highness the Maharaja of Mysore.
- (3) All Military and Naval Officers, all Soldiers, Sailors, Volunteers, Police Officers, Forest Officers, Jail Officers, and Excise Officers in the service of the Government of India or the Government of His Highness the Maharaja of Mysore.
- (4) All Magistrates, Justices of the Peace, Honorary Magistrates, and Judicial Officers of and above the rank of Munsiff.
- (5) All European and East Indian subjects of His Majesty the King-Emperor, all Armenians, and all Americans and Europeans not British-born subjects of His Majesty who are temporarily residing or travelling in Mysore.
- (6) All pensioned Officers of the Military and Civil Departments who would be exempt if in service.
- (7) *Arms* and relatives of His Highness the Maharaja, and their retainers, subject to such orders as the Government may issue regarding the number of such personages and the number of weapons and retainers to be included under this head.

- (8) Members of the Representative Assembly and of District Boards so long as they continue to be such.
- (9) Land-holders and members of Municipal and Local Boards of approved loyalty and of good position, according to lists that may from time to time be issued by the Government.
- (10) All Village Patels, including Mande Patels, Nad Patels, Mokhtesar Patels and Bagetana Patels, Talavars and other Rural Police, subject to such restrictions as the Government may from time to time prescribe in respect of the arms necessary for the discharge of their police duties.
- (11) All persons of Coorg race residing or travelling in Mysore.
- (12) All postal runners and village postmen in frontier or wild districts where the superior Departmental Officers direct them to carry arms on duty, and Superintendents and Inspectors of Post Offices and Mail Overseers and such other officers of the Postal Department as the Government of His Highness the Maharaja may by general or special order, from time to time direct.
- (13) All Officers of the Mysore Public Works Department of and above the rank of Overseer.
- (14) All Officers of the Geological Department of and above the rank of Apprentice Geologist.
- (15) All Revenue Officers of and above the rank of Taluk Sheristadar.
- (16) All Medical Officers of and above the rank of Sub-Assistant Surgeon.
- (17) All Heads of Departments, and all Secretaries to Government, including Deputy, Under and Assistant Secretaries.
- (18) The Superintendent of the Amrut Mahal Department, all Amrut Mahal Darogas, Sarvegars and Mundals, and the Head Clerk of the Amrut Mahal Department, as also the Sarvegars or cowherds of the Palace Amrut Mahal Department in charge of Palace cattle.
- (19) Inspectors, Deputy Inspectors, and Assistant Deputy Inspectors of the Education Department.
- (20) All persons to whom fire-arms may be presented by the Government of His Highness the Maharaja.

Weapons excluded from operation of Regulation.

2. The following descriptions of weapons are excluded from the operation of any prohibition and direction contained in the Mysore Arms Regulation :—

- (1) Spears of all kinds.
- (2) Bows and arrows.
- (3) Uniform swords and dirks of recognised Military or official patterns, when possessed by or intended to be supplied to, persons entitled to wear them as part of their uniforms.
- (4) Ornamental arms of an obsolete pattern possessing only antiquarian value, masonic swords and theatrical and fancy dress swords, provided they are virtually useless for offensive and defensive purposes.
- (5) Hunting knives.

3. All sections of the Mysore Arms Regulation are extended to sulphur in quantities exceeding ten seers.

Regulation extended to sulphur above ten seers.

4. Lead bird-shot and bullets, when possessed in quantities exceeding 1 cwt. at any one time, shall be deemed to be military stores within the meaning of the Mysore Arms Regulation.

Lead bird-shot and bullets when military stores.

Transport.

5. No arms or ammunition or military stores shall be transported in any part of Mysore without a license in Form I appended to these Rules. The

License required for transport of arms, etc.

license will be granted by the Magistrate of the district. If the articles are to be consigned to a place beyond the jurisdiction of the officer granting the license, the consent of the Magistrate of the district to which the consignment is made must be obtained before the license is issued. Such consent may be obtained by the person applying for the license, or the District Magistrate to whom application for the license is made may forward the proposed license to the officer whose consent is required, and on receiving a reply should either issue the license to the applicant, or inform him that his application for a license to transport arms, etc., has been refused. The fee payable in respect of every such license shall be ten rupees.

6. Every consignment of arms or ammunition or military stores transported in any part of Mysore by railway on lines within the jurisdiction of His Highness the Maharaja of Mysore shall be conspicuous.

Consignments to be marked.

marked with the words "Arms," "Ammunition" or "Military Stores," as the case may be, in such a manner as to be readily recognizable by the Railway authorities. A copy of the license to transport the articles shall be attached to the way bill when the consignment is booked as a parcel, and to the invoice when booked as goods, and no consignment shall leave the railway premises without the contents being verified and compared with the license by the Railway Police at the place of delivery. Telegraphic advice of every such consignment shall be sent to the receiving station by the Railway authorities at the forwarding station.

7. Persons lawfully entitled to possess arms, or to go armed, are permitted to transport, in any part of Mysore, arms or ammunition in reasonable quantities for their own use. Any person abusing this exemption and transporting such articles otherwise than in reasonable quantities for his own use, will be held to have contravened this rule, and will, on conviction, become liable to the penalties under sections 13 and 14.

Note.—A cooly or servant carrying a packet properly secured and addressed to an exempted person so long as he travels with it on the direct route from the licensed dealer's premises or a railway station to the residence of such exempted person will be held to require no license provided that the exempted person is responsible for the conduct of the cooly or servant he employs and that the cooly or servant himself does not deviate from the direct route.

8. A person licensed to possess arms, ammunition or military stores, or who is exempted from the liability to take out such a license, is entitled to transport to his residence, from the premises of a licensed dealer, arms, ammunition or military stores without a separate transport license, so long as the articles purchased are in reasonable quantity and for his own use. A licensed dealer in arms, ammunition and military stores may supply the order of any such person, and may, without a separate transport license, send or despatch, in any way desired, to the residence of the purchaser, the articles ordered by any such person, so long as they fulfil the requirements of Rule 7, and are legibly addressed to the person for whom they are intended.

9. A license to transport arms or ammunition or military stores is void, if the consignment breaks bulk at any place short of the district for which it may be granted. A license to transport shall ordinarily not be made valid for more than twice the period actually required for the conveyance of the articles to their destination by the intended route.

10. Persons desirous of transporting arms, ammunition or military stores must apply in writing to the officer authorized to grant transport licenses from the place of despatch. The application must specify—

- (a) the place to which the articles are to be transported, the route of transport, and the probable time that will be occupied in the journey;
- (b) the quantity, description, average price, and the purpose of each kind of arms or ammunition;
- (c) whether the applicant desires that the officer to whom he applies should obtain the consent of the Magistrate of the place of consignment; (if the applicant has obtained such consent, the evidence of such consent must be produced);
- (d) in the case of breech-loading rifles and ball rifle ammunition, whether the previous sanction of the Government has been obtained.

11. Persons transporting arms, ammunition or military stores under a license must write legibly on the cases or packages containing such articles, an account of their contents.

12. Within six days of the articles reaching their destination, the consignee must deliver the transport license to the Magistrate of the district, who must satisfy himself that the articles transported to his district correspond with the entries in the license, and that any deficiency is properly accounted for.

Manufacture and sale.

13. Licenses to manufacture, convert, keep and sell arms or ammunition or military stores may be granted by the Magistrate of the district or by the Magistrate of a sub-division of the district. They shall be in Forms II and III appended to these Rules. The fee, payable in stamps, shall be twenty rupees in respect of licenses to manufacture, convert and sell, and ten rupees in respect of licenses to keep and sell. Every license-holder under this rule shall keep, in such form as the Government may from time to time direct, registers of all arms manufactured or converted, of all ammunition and military stores manufactured, of all stock in hand, and of all sales. He shall exhibit his stock and his registers on demand by any Magistrate, or by any Police officer not below the rank of Inspector. Magistrates and all Police officers not below the rank of Inspector are hereby empowered to enter and inspect any premises within their several jurisdictions in which arms or ammunition or sulphur are manufactured, or kept, and to examine the stock and accounts of receipts and sales of arms, ammunition and military stores. Every person licensed to sell arms and ammunition shall affix a signboard on a

conspicuous part of his shop or usual place of business, and shall cause to be painted thereon in large letters in English, or in Kannada, his name and the words "licensed to manufacture," or "licensed to deal in arms, ammunition and military stores," as the case may be. He shall also post up in his shop a copy of section 23 of the Mysore Arms Regulation in Kannada or in English.

Notwithstanding anything contained in this Rule, a person holding a license under the Mysore Explosives Regulation, II of 1888, endorsed in accordance with Rule 42 of the Rules thereunder, to manufacture, possess and sell, or to possess and sell, explosives, may be granted free of all charge a license for the same period in Form II or Form III, respectively, in regard to ammunition or military stores which are not explosives.

14. Licenses to manufacture, convert, keep and sell arms or ammunition issued under Rule 13 shall exclude by specific and express condition, (1) the manufacture and conversion of breech-loaders and (2) the use of parts of British Military weapons (whether condemned or not) in any process of manufacture and conversion.

Possession of arms and going armed.

15. Licenses to possess arms and ammunition in reasonable quantities and to go armed for purposes of sport of protection, or of display, may be granted by the Magistrate of the district or by the Magistrate of a sub-division of the district in Form IV. Such a license shall be liable to a fee of four annas for each weapon; and will authorize the holder to carry the arms described in it on occasions when they may be reasonably required for the purposes named in the license. But the holder, unless specially authorized by the Magistrate, must not go armed in railway carriages, or to fairs, religious processions, or other public assemblages. Licenses granted under this rule shall, on countersignature by the Secretary to Government in the General Department, or other officer authorized in this regard by the Government, be valid for such districts as may be specified by the countersigning officer.

16. The Magistrate of the district or the Magistrate of a sub-division of the district may grant a license in Form V for a journey, specifying the direction of the journey, and the period it will occupy. Such license will be valid in other jurisdictions only for such journey and for such period, and will be liable to a fee of four annas for each weapon. Holders of licenses under this rule, unless specially authorized by the officer granting the licenses, must not go armed in railway carriages, or to fairs, religious processions, or other public assemblages.

When such Magistrate receives an application for a license in Form V from a person who is not resident within his jurisdiction, or is not personally known to him, he shall, before granting the license, ascertain from the Magistrate of the district or sub-division of the district in which the applicant resides, whether there is any objection to the grant of the license, unless for reasons to be recorded, he considers this precaution to be clearly unnecessary.

17. Licenses to possess fire-arms or ammunition or military stores may be granted by the Magistrate of the district or sub-division of the district in Form VI without fee, and shall be valid for five years. Such licenses will not authorize the holders to go armed or to carry arms. Licenses to possess and carry arms (Form IV) will be liable to fees as stated in Rule 15.

18. Licenses to possess and carry arms and ammunition may be granted by the Magistrate of the district or sub-division of the district in Form VII without fee, and for a term of five years, to persons who require arms for the destruction of wild animals which do injury to human beings, cattle, or crops. Such a license will be valid only in or on the immediate confines of the district for which it is granted. It will be subject to the conditions that the license and the weapon it covers are shown once a year, between the 15th November and the 31st December, to the nearest Magistrate; that the weapon becomes confiscated to Government directly it is sold or seized in execution of any debt; and that such weapon is carried only on occasions when it is to be used *bond fide* for the destruction of wild animals. Holders of licenses under this rule must not go armed in railway carriages, or to fairs, religious processions, or other public assemblages. If a gun covered by such license is lost or stolen, the license-holder shall at once give notice of the fact at the nearest Police Station.

19. Licenses in Forms I, IV, V, VI and VII shall not, in the case of breech-loading rifles and baller rifle ammunition, be granted without the previous sanction of the Government.

20. Licenses for the possession or transport of sulphur, proved to the satisfaction of Government to be intended only for *bond fide* medicinal, manufacturing or agricultural purposes, may be granted without payment of any fee. This concession does not extend to sulphur intended for the manufacture of gunpowder or of ammunition generally, as defined in Section 4 of the Mysore Arms Regulation.

General.

21. The fees leviable under these rules shall be taken in the shape of "impressed stamps." Ordinarily the applications for licenses or renewals of licenses shall be written on "impressed stamps" of value equal to the

Fees how levied.

amount of fee leviable in respect of such licenses or renewals, and the licenses will be issued on plain paper. But when the licenses themselves are written or printed on "impressed stamps," the applications may be on paper of the value hereinafter mentioned. When an application for a license is written on an "impressed stamp," and the license is refused, the value of the stamp will be refunded to the applicant.

22. Applications for licenses in respect of which no fee is leviable, or regarding licenses printed on impressed stamps on which the full fee has been paid, shall be considered to be applications within the meaning of Schedule II, Article I, Clause (a), of the Mysore Court Fees Regulation, 1900, and shall bear a Court-fee stamp of one anna.

23. All licenses under Rules 13 and 15 shall expire on the 31st December of the year for which they may be issued; licenses under Rule 18 shall expire on the 31st December of the fifth year of their currency. But the currency of a license may be renewed,—previous to its expiration, and on payment of a second fee,—by the same authority that granted it; provided always that, where a renewal of license is applied for as aforesaid, the period of its currency shall, whether the application is eventually granted or refused, be deemed to include the interval during which the application was pending disposal.

24. When a license granted in accordance with these rules is lost or accidentally destroyed, a duplicate may be granted to the licensee on payment of the same fee as he paid on the original license, if not in excess of one rupee; and, in any other case, on payment of a fee of one rupee. Cultivators or other persons to whom licenses may have been granted without payment of any fee may obtain duplicates of such licenses, if lost or destroyed, free of all fee.

25. All licenses shall be given and held subject to the conditions endorsed on the reverse, and subject to these rules and to the provisions of the Arms Regulation. Where arms are intended to be employed in the pursuit of game, a separate license under the Mysore Game Regulation and Rules is necessary. Licenses under Rules 15 and 18 may also be granted subject to the observance of a close season in the pursuit of animals and birds that do not injure either men, or cattle, or crops and are not otherwise provided for. The limits of the close season will be decided by the Government, and the condition regarding such close season, if imposed, shall be endorsed on the reverse of the license.

26. Any person holding a license, or acting under a license, granted in accordance with these rules, shall be bound to produce the same, when called upon to do so by any Magistrate or by any Police Officer in charge of a Police Station, or by any Police Officer of higher rank.

27. Licenses granted for use within a district shall be written or printed in Kannada. Licenses for use beyond the district where they may be granted shall be in English and may be in Kannada as well.

28. A license granted under these rules will cover only the weapons or other articles and the person named therein, unless the officer granting a license under Rule 15 or 16 deems it expedient to include the retainers of any person named in the license; in such case, the entry on the face of the license shall declare how many and whose retainers are covered by the license. Joint licenses in the names of more than one person cannot be issued; every person seeking to possess or carry arms must take out a separate license.

29. Any officer empowered to grant a license under these rules may, at his discretion, refuse to grant, to renew, or to consent to the issue of, a license, or may refer any application for the orders of the Government.

30. All persons exempted under Section 22 of the Regulation, or Rule 1 of these rules are entitled on application to the Magistrate of the district to be furnished with certificates of such exemption.

31. All Magistrates and other authorities acting under these rules will perform their duties subject to the control of their executive superiors and of the Government.

This license is subject to all the provisions of the "Mysore Arms Regulation, 1890," and of the Rules framed thereunder.

This license is void after the expiration of the period named, or if bulk is broken before reaching the place of destination, or if the articles are taken by any route other than is specified on the license.

The contents of each package covered by this license must be described in legible letters on the outside of such package.

The articles covered by this license will be delivered only to persons lawfully entitled to possess the same.

This license must be delivered to the Magistrate of the district to which the articles are consigned, and the articles must be available for exhibition to such Magistrate within six days of the consignment reaching his district.

The officer granting this license must send a copy thereof on the day of issue to the Magistrate of the district as above described.

When the license is granted for transport within the limits of the same district, the license must be given up to the local Magistrate (if any) having jurisdiction in the place to which the articles are consigned, who will satisfy himself that the conditions have been complied with, and return the license to the District Magistrate. The District Magistrate will send copies of any license granted by him for transport within the district to the local Magistrate having jurisdiction. Where there is no local Magistrate, the license must be returned to the Magistrate of the district.

1. This license is given subject to the provisions of "The Mysore Arms Regulation, 1890" and the rules framed thereunder. The attention of the holder is drawn to the sections of the Regulations quoted separately below.

2. He shall keep registers of all arms manufactured or converted, of all ammunition and military stores manufactured, of all stock in hand, and of all sales, in such forms as the Government may direct.

3. He shall exhibit his stock and his registers on demand by any Magistrate or by any Police officer not below the rank of Inspector.

4. If any arms or ammunition covered by this license are lost or stolen, he shall at once give notice at the nearest Police Station.

N.B.—This condition may be omitted at the discretion of the Government.

5. He shall affix on a conspicuous part of his shop, or usual place of business, a signboard, on which shall be painted in large letters in English and in Kannada his name and the words "Licensed to manufacture (or "Licensed to deal in) arms, ammunition, and military stores," as the case may be. He shall also post up in his shop a copy of section 23 of the Regulation either in Kannada or in English.

6. He shall at the time of purchase endorse upon the license of every purchaser holding a license under Form IV or V—(1) the name and address of the person who takes delivery of the articles sold, (2) the nature and amount of the articles sold, (3) the date of sale, and shall sign the endorsement.

7. This license only covers sales of arms, ammunition, or military stores effected upon the premises shown on the face of the license.

8. The licensee shall not sell arms to a soldier of the Native Indian Army or of the Military Forces of the Maharaja, unless he produces a written pass or permit signed by the Commanding Officer, and then only to the extent and on the conditions specified in such pass.

9. This license expires on the 31st December of the year in which it is issued, but the licensee can have it renewed by filing an application for its renewal on stamped paper of the prescribed value.

10. The license-holder shall not sell arms or ammunition to any person without the permission in writing of the Magistrate of the district in which the person requiring such arms or ammunition is for the time being residing. But this prohibition does not apply to persons exempted from the operation of sections 8-11 of the Arms Regulation by Rule 1 of the Arms Rules and who declare that they purchase for their own use.

11. This license does not authorize the licensee to manufacture or convert breech-loaders or to use parts of British Military weapons (whether condemned or not) in any process of manufacture or conversion.

Sections of the Mysore Arms Regulation, 1890, referred to in Condition No. 1.

5. No person shall manufacture, convert, or sell, or keep, offer, or expose for sale any arms, ammunition, or military stores, except under a license and in the manner and to the extent permitted thereby.

Nothing herein contained shall prevent any person from selling any arms or ammunition which he lawfully possesses for his own private use to any person who is not by any enactment for the time being in force prohibited from possessing the same; but every person so selling arms or ammunition to any person other than a person entitled to possess the same by reason of an exemption under Section 22 of this Regulation shall, without unnecessary delay, give to the Magistrate of the district, or to the officer in charge of the nearest police station, notice of the sale and of the purchaser's name and address.

11. Any person possessing arms, ammunition, or military stores, the possession whereof by him has, in consequence of the cancellation or expiry of a license, * * * become unlawful, shall deposit the same without unnecessary delay with the officer in charge of the nearest police station.

If the owner of anything deposited under this section does not, within three years from the date on which such thing is so deposited, produce a license authorizing him to possess the same and apply for delivery of the same, such thing shall be forfeited to His Highness the Maharaja of Mysore.

14. Whoever commits any of the following offences (namely) :—

(a) manufactures, converts, or sells, or keeps, offers, or exposes for sale, any arms, ammunition, or military stores in contravention of the provisions of section 5;

(b) fails to give notice as required by the same section;

* * * * *

(f) intentionally makes any false entry in a record or account which, by a rule, he is required to keep;

(g) intentionally fails to exhibit anything which, by a rule, * * * he is required to exhibit ; or

(h) fails to deposit arms, ammunition, or military stores, as required by Section 11 shall be punished with imprisonment for a term which may extend to three years, or with fine or with both.

15. Whoever does any act mentioned in clause (a) * * * of Section 14 in such manner as to indicate an intention that such act may not be known to any public servant as defined in the Indian Penal Code or to any person employed upon a railway, or to the servant of any public carrier,

and whoever, on any search being made under Section 20, conceals or attempts to conceal any arms, ammunition, or military stores,

shall be punished with imprisonment for a term which may extend to seven years, or with fine, or with both.

16. Whoever, in violation of a condition subject to which a license has been granted, does or omits to do any act shall, when the doing or omitting to do such act is not punishable under Section 14 or Section 15, be punished with imprisonment for a term, which may extend to six months, or with fine, which may extend to five hundred rupees, or with both.

17. Whoever knowingly purchases any arms, ammunition, or military stores from any person not licensed or authorized under the proviso to Section 5 to sell the same, or

delivers any arms or ammunition or military stores into the possession of any person without previously ascertaining that such person is legally authorized to possess the same,

shall be punished with imprisonment for a term which may extend to six months, or with fine which may extend to five hundred rupees, or with both.

18. Any person violating any rule made under this Regulation, and for the violation of which no penalty is provided by this Regulation, shall be punished with imprisonment for a term which may extend to one month, or with fine which may extend to two hundred rupees, or with both.

19. When any person is convicted of an offence punishable under this Regulation, committed by him in respect of any arms, ammunition, or military stores, it shall be in the discretion of the convicting Court or Magistrate further to direct that the whole or any portion of such arms, ammunition, or military stores, and any cart, or baggage animal used to convey the same, and any box, package, or bale in which the same may have been concealed, together with the other contents of such box, package or bale, shall be confiscated.

(g) intentionally fails to exhibit anything which, by a rule, * * * he is required to exhibit; or

(h) fails to deposit arms, ammunition, or military stores, as required by Section 11, shall be punished with imprisonment for a term which may extend to three years or with fine, or with both.

15. Whoever does any act mentioned in clause (a) * * * of Section 14 in such manner as to indicate an intention that such act may not be known to any public servant as defined in the Indian Penal Code, or to any person employed upon a railway, or to the servant of any public carrier,

and whoever, on any search being made under Section 20, conceals or attempts to conceal any arms, ammunition, or military stores,

shall be punished with imprisonment for a term which may extend to seven years, or with fine or with both.

16. Whoever, in violation of a condition subject to which a license has been granted, does or omits to do any act shall, when the doing or omitting to do such act is not punishable under Section 14 or Section 15, be punished with imprisonment for a term which may extend to six months, or with fine which may extend to five hundred rupees, or with both.

17. Whoever knowingly purchases any arms, ammunition, or military stores from any person not licensed or authorized under the proviso to Section 5 to sell the same, or

delivers any arms, ammunition, or military stores into the possession of any person without previously ascertaining that such person is legally authorized to possess the same,

shall be punished with imprisonment for a term which may extend to six months, or with fine which may extend to five hundred rupees, or with both.

18. Any person violating any rule made under this Regulation, and for the violation of which no penalty is provided by this Regulation, shall be punished with imprisonment for a term which may extend to one month, or with fine which may extend to two hundred rupees, or with both.

19. When any person is convicted of an offence punishable under this Regulation, committed by him in respect of any arms, ammunition, or military stores, it shall be in the discretion of the convicting Court or Magistrate further to direct that the whole or any portion of such arms, ammunition, or military stores, and any cart, or baggage animal used to convey the same and any box, package, or bale in which the same may have been concealed, together with the other contents of such box, package, or bale, shall be confiscated.

Form of renewing the License.

[illegible]

1. This license is granted subject to the provisions of "The Mysore Arms Regulation 1890," and the Rules framed thereunder.
2. It covers only the persons and the arms named therein, unless it is certified to cover retainers of the holder.
3. It extends only to the place or district named therein, unless countersigned for other districts or the whole of the Mysore State by the Secretary to Government, General Department, or other officer authorized to countersign.
4. It authorizes the holder or persons acting under it to go armed within the place or district named for *bonâ fide* prosecution of the purpose named on the license; but, unless specially authorised by the Magistrate, it does not permit the holder or persons aforesaid to go armed in railway carriages, or to fairs, religious processions, or other public assemblages.
5. The license-holder, when purchasing any new arms or ammunition, shall have the following particulars endorsed upon his license under the vendor's signature:—
 - (1) the name and address of the person who takes delivery of the articles purchased;
 - (2) the nature and amount of the articles purchased;
 - (3) the date of purchase.

6. If any weapon covered by this license is lost or stolen, the license-holder shall at once give notice of the fact to the nearest Police Station.

N. B.—This condition may be omitted at the discretion of the Government.

7. The special attention of the license-holder is drawn to the following sections of the Regulation:—

Section 8.—No persons shall go armed with any arms, except under a license and to the extent and in the manner permitted thereby.

Any person so going armed without a license, or in contravention of its provisions, may be disarmed by any Magistrate, Police officer or other person empowered by the Government of Mysore in this behalf by name or by virtue of his office.

Section 14.—Whoever commits any of the following offences (namely)—

* * * * *

- (d) goes armed in contravention of the provisions of Section 8;
- (e) has in his possession or under his control any arms, ammunition or military stores in contravention of the provisions of Section 9 or Section 10;

* * * * *

(b) fails to deposit arms, ammunition or military stores, as required by Section 11,

shall be punished with imprisonment for a term which may extend to three years, or with fine, or with both.

8. This license expires on the 31st December of the year in which it is issued. The license-holder can have it renewed by filing an application for its renewal on stamped paper of the prescribed value.

9. This license does not empower the holder to employ fire arms in the pursuit of game, for which a separate license under the Mysore Game Regulation and Rules is necessary. In addition to conforming to the said Regulation and Rules, the license holder is also bound to observe a close season, as prescribed by the Government, in respect of the undermentioned animals and birds, which do no injury to men, cattle, or crops:—

PART III.

Legislative Measures and Rules thereunder.

No. J. 1782—Police Mis. 65, dated 26th December 1905.

In exercise of the powers conferred by the Mysore Arms Regulation, VI of 1890, and in supersession of previous notifications, the Government of His Highness the Maharaja are pleased to make the following rules, directions and exemptions in respect of arms, ammunition and military stores in Mysore :—

1. The undermentioned persons are exempted from the operation of all prohibitions and directions contained in Sections 8, 9, 10 and 11 of the Mysore Arms Regulation, 1890, save in respect of cannon, articles designed for torpedo service, war-rockets, and machinery for the manufacture of arms and ammunition; provided that, except where otherwise expressly stated, the arms or ammunition carried or possessed by such persons shall be for their own personal use, and shall not exceed such quantities (if any) as the Government may, from time to time, declare to be reasonable for them to carry or possess :—
Persons exempted from the provisions of Sections 8 to 11 of Regulation.
- (1) All Maharajas, Rajas, Nawabs, Members of any Order of Knighthood; all persons to whom the Kaiser-i-Hind medal has been awarded; all persons bearing a title conferred by the Government of India or by or in the name of His Highness the Maharaja of Mysore; all persons who have been granted a sword in public Durbar; all persons who received certificates on the 1st January 1877; all persons who are exempted from personal attendance at the Civil Courts.
- (2) All Members and ex-Members of the Councils of the British Indian Administrations, and of the Council of His Highness the Maharaja of Mysore.
- (3) All Military and Naval Officers, all Soldiers, Sailors, Volunteers, Police Officers, Forest Officers, Jail Officers, and Excise Officers in the service of the Government of India or the Government of His Highness the Maharaja of Mysore.
- (4) All Magistrates, Justices of the Peace, Honorary Magistrates, and Judicial Officers of and above the rank of Munsiff.
- (5) All European and East Indian subjects of His Majesty the King-Emperor, all Armenians, and all Americans and Europeans not British-born subjects of His Majesty who are temporarily residing or travelling in Mysore.
- (6) All pensioned Officers of the Military and Civil Departments who would be exempt if in service.
- (7) *Arsus* and relatives of His Highness the Maharaja, and their retainers, subject to such orders as the Government may issue regarding the number of such personages and the number of weapons and retainers to be included under this head.

34

- (8) Members of the Representative Assembly and of District Boards so long as they continue to be such.
- (9) Land-holders and members of Municipal and Local Boards of approved loyalty and of good position, according to lists that may from time to time be issued by the Government.
- (10) All Village Patels, including Mande Patels, Nad Patels, Mokhtesar Patels and Bagetana Patels, Talavars and other Rural Police, subject to such restrictions as the Government may from time to time prescribe in respect of the arms necessary for the discharge of their police duties.
- (11) All persons of Coorg race residing or travelling in Mysore.
- (12) All postal runners and village postmen in frontier or wild districts where the superior Departmental Officers direct them to carry arms on duty, and Superintendents and Inspectors of Post Offices and Mail Overseers and such other officers of the Postal Department as the Government of His Highness the Maharaja may by general or special order, from time to time direct.
- (13) All Officers of the Mysore Public Works Department of and above the rank of Overseer.
- (14) All Officers of the Geological Department of and above the rank of Apprentice Geologist.
- (15) All Revenue Officers of and above the rank of Taluk Sheristadar.
- (16) All Medical Officers of and above the rank of Sub-Assistant Surgeon.
- (17) All Heads of Departments, and all Secretaries to Government, including Deputy, Under and Assistant Secretaries.
- (18) The Superintendent of the Amrut Mahal Department, all Amrut Mahal Darogas, Sarvegars and Mundals, and the Head Clerk of the Amrut Mahal Department, as also the Sarvegars or cowherds of the Palace Amrut Mahal Department in charge of Palace cattle.
- (19) Inspectors, Deputy Inspectors, and Assistant Deputy Inspectors of the Education Department.
- (20) All persons to whom fire-arms may be presented by the Government of His Highness the Maharaja.

Weapons excluded from operation of Regulation.

2. The following descriptions of weapons are excluded from the operation of any prohibition and direction contained in the Mysore Arms Regulation:—

- (1) Spears of all kinds.
- (2) Bows and arrows.
- (3) Uniform swords and dirks of recognised Military or official patterns, when possessed by or intended to be supplied to, persons entitled to wear them as part of their uniforms.
- (4) Ornamental arms of an obsolete pattern possessing only antiquarian value, masonic swords and theatrical and fancy dress swords, provided they are virtually useless for offensive and defensive purposes.
- (5) Hunting knives.

3. All sections of the Mysore Arms Regulation are extended to sulphur in quantities exceeding ten seers.

Regulation extended to sulphur above ten seers.

4. Leaden bird-shot and bullets, when possessed in quantities exceeding 1 cwt. at any one time, shall be deemed to be military stores within the meaning of the Mysore Arms Regulation.

Leaden bird-shot and bullets when military stores.

Transport.

5. No arms or ammunition or military stores shall be transported in any part of Mysore without a license in Form I appended to these Rules. The license will be granted by the Magistrate of the district. If the articles are to be consigned to a place beyond the jurisdiction of the officer granting the license, the consent of the Magistrate of the district to which the consignment is made must be obtained before the license is issued. Such consent may be obtained by the person applying for the license, or the District Magistrate to whom application for the license is made may forward the proposed license to the officer whose consent is required, and on receiving a reply should either issue the license to the applicant, or inform him that his application for a license to transport arms, etc., has been refused. The fee payable in respect of every such license shall be ten rupees.

License required for transport of arms, etc.

6. Every consignment of arms or ammunition or military stores transported in any part of Mysore by railway on lines within the jurisdiction of His Highness the Maharaja of Mysore shall be conspicuously

Consignments to be marked.

marked with the words "Arms," "Ammunition" or "Military Stores," as the case may be, in such a manner as to be readily recognizable by the Railway authorities. A copy of the license to transport the articles shall be attached to the way bill when the consignment is booked as a parcel, and to the invoice when booked as goods, and no consignment shall leave the railway premises without the contents being verified and compared with the license by the Railway Police at the place of delivery. Telegraphic advice of every such consignment shall be sent to the receiving station by the Railway authorities at the forwarding station.

7. Persons lawfully entitled to possess arms, or to go armed, are permitted to transport, in any part of Mysore, arms or ammunition in reasonable quantities for their own use. Any person abusing this exemption and transporting such articles otherwise than in reasonable quantities for his own use, will be held to have contravened this rule, and will, on conviction, become liable to the penalties under sections 13 and 14.

Note.—A cooly or servant carrying a packet properly secured and addressed to an exempted person so long as he travels with it on the direct route from the licensed dealer's premises or a railway station to the residence of such exempted person will be held to require no license provided that the exempted person is responsible for the conduct of the cooly or servant he employs and that the cooly or servant himself does not deviate from the direct route.

8. A person licensed to possess arms, ammunition or military stores, or who is exempted from the liability to take out such a license, is entitled to transport to his residence, from the premises of a licensed dealer, arms, ammunition or military stores without a separate transport license, so long as the articles purchased are in reasonable quantity and for his own use. A licensed dealer in arms, ammunition and military stores may supply the order of any such person, and may, without a separate transport license, send or despatch, in any way desired, to the residence of the purchaser, the articles ordered by any such person, so long as they fulfil the requirements of Rule 7, and are legibly addressed to the person for whom they are intended.

9. A license to transport arms or ammunition or military stores is void, if the consignment breaks bulk at any place short of the district for which it may be granted. A license to transport shall ordinarily not be made valid for more than twice the period actually required for the conveyance of the articles to their destination by the intended route.

10. Persons desirous of transporting arms, ammunition or military stores must apply in writing to the officer authorized to grant transport licenses from the place of despatch. The application must specify—

(a) the place to which the articles are to be transported, the route of transport, and the probable time that will be occupied in the journey;

(b) the quantity, description, average price, and the purpose of each kind of arms or ammunition;

(c) whether the applicant desires that the officer to whom he applies should obtain the consent of the Magistrate of the place of consignment; (if the applicant has obtained such consent, the evidence of such consent must be produced);

(d) in the case of breech-loading rifles and ball rifle ammunition, whether the previous sanction of the Government has been obtained.

11. Persons transporting arms, ammunition or military stores under a license must write legibly on the cases or packages containing such articles an account of their contents.

12. Within six days of the articles reaching their destination, the consignee must deliver the transport license to the Magistrate of the district, who must satisfy himself that the articles transported to his district correspond with the entries in the license, and that any deficiency is properly accounted for.

Manufacture and sale.

13. Licenses to manufacture, convert, keep and sell arms or ammunition or military stores may be granted by the Magistrate of the district or by the Magistrate of a sub-division of the district. They shall be in Forms II and III appended to these Rules. The fee, payable in stamps, shall be twenty rupees in respect of licenses to manufacture, convert and sell, and ten rupees in respect of licenses to keep and sell. Every license-holder under this rule shall keep, in such form as the Government may from time to time direct, registers of all arms manufactured or converted, of all ammunition and military stores manufactured, of all stock in hand, and of all sales. He shall exhibit his stock and his registers on demand by any Magistrate, or any Police officer not below the rank of Inspector. Magistrates and all Police officers not below the rank of Inspector are hereby empowered to enter and inspect any premises within their several jurisdictions in which arms or ammunition or sulphur are manufactured, or kept, and to examine the stock and accounts of receipts and sales of arms, ammunition and military stores. Every person licensed to sell arms and ammunition shall affix a signboard on a

conspicuous part of his shop or usual place of business, and shall cause to be painted thereon in large letters in English, or in Kannada, his name and the words "licensed to manufacture," or "licensed to deal in arms, ammunition and military stores," as the case may be. He shall also post up in his shop a copy of section 23 of the Mysore Arms Regulation in Kannada or in English.

Notwithstanding anything contained in this Rule, a person holding a license under the Mysore Explosives Regulation, II of 1888, endorsed in accordance with Rule 42 of the Rules thereunder, to manufacture, possess and sell, or to possess and sell, explosives, may be granted *free of all charge* a license for the same period in Form II or Form III, respectively, in regard to ammunition or military stores which are not explosives.

14. Licenses to manufacture, convert, keep and sell arms or ammunition issued under Rule 13 shall exclude by specific and express condition, (1) the manufacture and conversion of breech-loaders and (2) the use of parts of British Military weapons (whether condemned or not) in any process of manufacture and conversion.

Possession of arms and going armed.

15. Licenses to possess arms and ammunition in reasonable quantities and to go armed for purposes of sport of protection, or of display, may be granted by the Magistrate of the district or by the Magistrate of a sub-division of the district in Form IV. Such a license shall be liable to a fee of four annas for each weapon; and will authorize the holder to carry the arms described in it on occasions when they may be reasonably required for the purposes named in the license. But the holder, unless specially authorized by the Magistrate, must not go armed in railway carriages, or to fairs, religious processions, or other public assemblages. Licenses granted under this rule shall, on countersignature by the Secretary to Government in the General Department, or other officer authorized in this regard by the Government, be valid for such districts as may be specified by the countersigning officer.

Licenses to go armed on a journey.

16. The Magistrate of the district or the Magistrate of a sub-division of the district may grant a license in Form V for a journey, specifying the direction of the journey, and the period it will occupy. Such license will be valid in other jurisdictions only for such journey and for such period, and will be liable to a fee of four annas for each weapon. Holders of licenses under this rule, unless specially authorized by the officer granting the licenses, must not go armed in railway carriages, or to fairs, religious processions, or other public assemblages.

When such Magistrate receives an application for a license in Form V from a person who is not resident within his jurisdiction, or is not personally known to him, he shall, before granting the license, ascertain from the Magistrate of the district or sub-division of the district in which the applicant resides, whether there is any objection to the grant of the license, unless for reasons to be recorded, he considers this precaution to be clearly unnecessary.

Licenses to possess arms.

17. Licenses to possess fire-arms or ammunition or military stores may be granted by the Magistrate of the district or sub-division of the district in Form VI without fee, and shall be valid for five years. Such licenses will not authorize the holders to go armed or to carry arms. Licenses to possess and carry arms (Form IV) will be liable to fees as stated in Rule 15.

Licenses to possess and carry arms for destroying wild animals.

18. Licenses to possess and carry arms and ammunition may be granted by the Magistrate of the district or sub-division of the district in Form VII without fee, and for a term of five years, to persons who require arms for the destruction of wild animals which do injury to human beings, cattle, or crops. Such a license will be valid only in or on the immediate confines of the district for which it is granted. It will be subject to the conditions that the license and the weapon it covers are shown once a year, between the 15th November and the 31st December, to the nearest Magistrate; that the weapon becomes confiscated to Government directly it is sold or seized in execution of any debt; and that such weapon is carried only on occasions when it is to be used *bonâ fide* for the destruction of wild animals. Holders of licenses under this rule must not go armed in railway carriages, or to fairs, religious processions, or other public assemblages. If a gun covered by such license is lost or stolen, the license-holder shall at once give notice of the fact at the nearest Police Station.

Restriction as regards breech-loading rifles and baller rifle ammunition.

19. Licenses in Forms I, IV, V, VI and VII shall not, in the case of breech-loading rifles and baller rifle ammunition, be granted without the previous sanction of the Government.

Licenses for possession or transport of sulphur.

20. Licenses for the possession or transport of sulphur, proved to the satisfaction of Government to be intended only for *bonâ fide* medicinal, manufacturing or agricultural purposes, may be granted without payment of any fee. This concession does not extend to sulphur intended for the manufacture of gunpowder or of ammunition generally, as defined in Section 4 of the Mysore Arms Regulation.

General.

Fees how levied.

21. The fees leviable under these rules shall be taken in the shape of "impressed stamps." Ordinarily the applications for licenses or renewals of licenses shall be written on "impressed stamps" of value equal to the

This license is subject to all the provisions of the "Mysore Arms Regulation, 1890," and of the Rules framed thereunder.

This license is void after the expiration of the period named, or if bulk is broken before reaching the place of destination, or if the articles are taken by any route other than is specified on the license.

The contents of each package covered by this license must be described in legible letters on the outside of such package.

The articles covered by this license will be delivered only to persons lawfully entitled to possess the same.

This license must be delivered to the Magistrate of the district to which the articles are consigned, and the articles must be available for exhibition to such Magistrate within six days of the consignment reaching his district.

The officer granting this license must send a copy thereof on the day of issue to the Magistrate of the district as above described.

When the license is granted for transport within the limits of the same district, the license must be given up to the local Magistrate (if any) having jurisdiction in the place to which the articles are consigned, who will satisfy himself that the conditions have been complied with and return the license to the District Magistrate. The District Magistrate will send copies of any license granted by him for transport within the district to the local Magistrate having jurisdiction. Where there is no local Magistrate, the license must be returned to the Magistrate of the district.

Form of renewing the License.

[illegible]

1. This license is given subject to the provisions of "The Mysore Arms Regulation, 1890" and the rules framed thereunder. The attention of the holder is drawn to the sections of the Regulations quoted separately below.

2. He shall keep registers of all arms manufactured or converted, of all ammunition and military stores manufactured, of all stock in hand, and of all sales, in such forms as the Government may direct.

3. He shall exhibit his stock and his registers on demand by any Magistrate or by any Police officer not below the rank of Inspector.

4. If any arms or ammunition covered by this license are lost or stolen, he shall at once give notice at the nearest Police Station.

N.B.—This condition may be omitted at the discretion of the Government.

5. He shall affix on a conspicuous part of his shop, or usual place of business, a signboard, on which shall be painted in large letters in English and in Kannada his name and the words "Licensed to manufacture (or "Licensed to deal in) arms, ammunition, and military stores," as the case may be. He shall also post up in his shop a copy of section 23 of the Regulation either in Kannada or in English.

6. He shall at the time of purchase endorse upon the license of every purchaser holding a license under Form IV or V—(1) the name and address of the person who takes delivery of the articles sold, (2) the nature and amount of the articles sold, (3) the date of sale, and shall sign the endorsement.

7. This license only covers sales of arms, ammunition, or military stores effected upon the premises shown on the face of the license.

8. The licensee shall not sell arms to a soldier of the Native Indian Army or of the Military Forces of the Maharaja, unless he produces a written pass or permit signed by the Commanding Officer, and then only to the extent and on the conditions specified in such pass.

9. This license expires on the 31st December of the year in which it is issued, but the licensee can have it renewed by filing an application for its renewal on stamped paper of the prescribed value.

10. The license-holder shall not sell arms or ammunition to any person without the permission in writing of the Magistrate of the district in which the person requiring such arms or ammunition is for the time being residing. But this prohibition does not apply to persons exempted from the operation of sections 8-11 of the Arms Regulation by Rule 1 of the Arms Rules and who declare that they purchase for their own use.

11. This license does not authorize the licensee to manufacture or convert breech-loaders or to use parts of British Military weapons (whether condemned or not) in any process of manufacture or conversion.

Sections of the Mysore Arms Regulation, 1890, referred to in Condition No. 1.

5. No person shall manufacture, convert, or sell, or keep, offer, or expose for sale any arms, ammunition, or military stores, except under a license and in the manner and to the extent permitted thereby.

Nothing herein contained shall prevent any person from selling any arms or ammunition which he lawfully possesses for his own private use to any person who is not by any enactment for the time being in force prohibited from possessing the same; but every person so selling arms or ammunition to any person other than a person entitled to possess the same by reason of an exemption under Section 22 of this Regulation shall, without unnecessary delay, give to the Magistrate of the district, or to the officer in charge of the nearest police station, notice of the sale and of the purchaser's name and address.

11. Any person possessing arms, ammunition, or military stores, the possession whereof by him has, in consequence of the cancellation or expiry of a license, * * * become unlawful, shall deposit the same without unnecessary delay with the officer in charge of the nearest police station.

If the owner of anything deposited under this section does not, within three years from the date on which such thing is so deposited, produce a license authorizing him to possess the same and apply for delivery of the same, such thing shall be forfeited to His Highness the Maharaja of Mysore.

14. Whoever commits any of the following offences (namely) :—

(a) manufactures, converts, or sells, or keeps, offers, or exposes for sale, any arms, ammunition, or military stores in contravention of the provisions of section 5;

(b) fails to give notice as required by the same section;

* * * * *

(f) intentionally makes any false entry in a record or account which, by a rule, he is required to keep; *

(g) intentionally fails to exhibit anything which, by a rule, * * * he is required to exhibit; or

(h) fails to deposit arms, ammunition, or military stores, as required by Section 11 shall be punished with imprisonment for a term which may extend to three years, or with fine or with both.

15. Whoever does any act mentioned in clause (a) * * * of Section 14 in such manner as to indicate an intention that such act may not be known to any public servant as defined in the Indian Penal Code or to any person employed upon a railway, or to the servant of any public carrier,

and whoever, on any search being made under Section 20, conceals or attempts to conceal any arms, ammunition, or military stores,

shall be punished with imprisonment for a term which may extend to seven years, or with fine, or with both.

16. Whoever, in violation of a condition subject to which a license has been granted, does or omits to do any act shall, when the doing or omitting to do such act is not punishable under Section 14 or Section 15, be punished with imprisonment for a term, which may extend to six months, or with fine, which may extend to five hundred rupees, or with both.

17. Whoever knowingly purchases any arms, ammunition, or military stores from any person not licensed or authorized under the proviso to Section 5 to sell the same, or

delivers any arms or ammunition or military stores into the possession of any person without previously ascertaining that such person is legally authorized to possess the same,

shall be punished with imprisonment for a term which may extend to six months, or with fine which may extend to five hundred rupees, or with both.

18. Any person violating any rule made under this Regulation, and for the violation of which no penalty is provided by this Regulation, shall be punished with imprisonment for a term which may extend to one month, or with fine which may extend to two hundred rupees, or with both.

19. When any person is convicted of an offence punishable under this Regulation, committed by him in respect of any arms, ammunition, or military stores, it shall be in the discretion of the convicting Court or Magistrate further to direct that the whole or any portion of such arms, ammunition, or military stores, and any cart, or baggage animal used to convey the same, and any box, package, or bale in which the same may have been concealed, together with the other contents of such box, package or bale, shall be confiscated.

1. This license is granted subject to the provisions of "The Mysore Arms Regulation 1890," and the Rules framed thereunder.

2. It covers only the persons and the arms named therein, unless it is certified to cover retainers of the holder.

3. It extends only to the place or district named therein, unless countersigned for other districts or the whole of the Mysore State by the Secretary to Government, General Department, or other officer authorized to countersign.

4. It authorizes the holder or persons acting under it to go armed within the place or district named for *bonâ fide* prosecution of the purpose named on the license; but, unless specially authorised by the Magistrate, it does not permit the holder or persons aforesaid to go armed in railway carriages, or to fairs, religious processions, or other public assemblages.

5. The license-holder, when purchasing any new arms or ammunition, shall have the following particulars endorsed upon his license under the vendor's signature:—

- (1) the name and address of the person who takes delivery of the articles purchased;
- (2) the nature and amount of the articles purchased;
- (3) the date of purchase.

6. If any weapon covered by this license is lost or stolen, the license-holder shall at once give notice of the fact to the nearest Police Station.

N. B.—This condition may be omitted at the discretion of the Government.

7. The special attention of the license-holder is drawn to the following sections of the Regulation:—

Section 8.—No persons shall go armed with any arms, except under a license and to the extent and in the manner permitted thereby.

Any person so going armed without a license, or in contravention of its provisions, may be disarmed by any Magistrate, Police officer or other person empowered by the Government of Mysore in this behalf by name or by virtue of his office.

Section 14.—Whoever commits any of the following offences (namely)—

* * * * *

(d) goes armed in contravention of the provisions of Section 8;

(e) has in his possession or under his control any arms, ammunition or military stores in contravention of the provisions of Section 9 or Section 10;

* * * * *

(b) fails to deposit arms, ammunition or military stores, as required by Section 11,

shall be punished with imprisonment for a term which may extend to three years, or with fine, or with both.

8. This license expires on the 31st December of the year in which it is issued. The license-holder can have it renewed by filing an application for its renewal on stamped paper of the prescribed value.

9. This license does not empower the holder to employ fire arms in the pursuit of game, for which a separate license under the Mysore Game Regulation and Rules is necessary. In addition to conforming to the said Regulation and Rules, the license holder is also bound to observe a close season, as prescribed by the Government, in respect of the undermentioned animals and birds, which do no injury to men, cattle, or crops:—

PART III.

Legislative Measures and Rules thereunder.

REGULATION No. I of 1906.

(PASSED ON THE 16TH DAY OF MARCH 1906.)

A REGULATION TO MAKE PROVISION FOR COMPULSORY VACCINATION IN MYSORE.

Preamble. Whereas it is expedient to make provision for compulsory vaccination in Mysore; His Highness the Maharaja is pleased to enact as follows:—

Short title.

1. (1) This Regulation may be called "The Mysore Vaccination Regulation, 1906."

Extent.

(2) And it extends to the whole of Mysore.

Government may declare vaccination compulsory in any local area.

2. (1) The Government may, by notification in the official Gazette, declare that vaccination shall be compulsory in any local area from and after a date and during a period to be fixed in such notification, and under such rules as may from time to time be made by Government, or under such by-laws as may, with the approval of Government, be made from time to time by a local authority empowered by Government in this behalf.

Penalty.

(2) The Government may, in like manner, cancel or modify any such declaration.

(3) For every breach of a rule or by-law under Sub-Section (1) the offender shall be liable to a fine not exceeding fifty rupees.

Provided that no penalty shall be imposed on any person by reason of non-vaccination if he has already had small-pox.

REGULATION No. II OF 1906.

(PASSED ON THE 7TH DAY OF JULY 1906.)

A Regulation to facilitate the construction and to regulate the working of Tramways in Mysore.

WHEREAS it is expedient to facilitate the construction and to regulate the working of tramways in Mysore; His Highness the Maharaja is pleased to enact as follows:—

Preliminary.

1. (1) This Regulation may be called the Mysore Tramways Regulation, 1906; and
Short title and commencement.
- (2) It shall come into force at once.
2. It extends to the whole of Mysore.
Local extent.
3. In this Regulation, unless there is something repugnant in the subject or context,—
Definitions.
 - (1) "local authority" means a municipal committee, district board, or other authority legally entitled to, or entrusted by the Government with, the control or management of a municipal or local fund;
 - (2) "road" means the way of a road, street, thoroughfare, passage or place along or across which a tramway authorised under this Regulation is, or is intended to be, laid, and includes the surface-soil and sub-soil of a road, and the footway, bermes, drains and ditches of a road, and any bridge, culvert or causeway forming part of a road;
 - (3) "road-authority," in relation to a road, means—
 - (a) if a local authority maintains and repairs the road, then that authority;
 - (b) if a local authority does not maintain and repair the road, and the road is neither vested in nor maintained and repaired by the Government, then the person in whom the road is vested; and
 - (c) if a local authority does not maintain and repair the road, and the road is vested in or maintained and repaired by the Government, then the Government;
 - (4) "circle," in relation to a local authority or road-authority, means the area within the control of that authority;
 - (5) "tramway" means a tramway, or any part of a tramway, or any siding, turnout, connection, line or track belonging to a tramway;
 - (6) "order" means an order authorising the construction of a tramway under this Regulation, and includes a further order substituted for, or amending, extending or varying, that order;
 - (7) "promoter" means a local authority or person in whose favour an order has been made, and includes a local authority or person on whom the rights and liabilities conferred and imposed on the promoter by this Regulation and by the order and any rules made under this Regulation as to the construction, maintenance and use of the tramway, have devolved;
 - (8) "undertaking" includes all moveable and immoveable property of the promoter suitable to and used by him for the purposes of the tramway;
 - (9) "carriage," in the case of a tramway on which steam-power or any other mechanical power is used, includes an engine worked on the tramway for the purpose of producing that power;
 - (10) "toll" includes any charge leviable in respect of the use of a tramway;
 - (11) "lessee" means a person to whom a lease has been granted of right of user of a tramway and of demanding and taking the authorised tolls;
 - (12) "District Magistrate" includes an officer empowered by the Government by name or by virtue of his office to discharge within any local area all or any of the functions of a District Magistrate under this Regulation;
 - (13) "District Court" means a principal Civil Court of original jurisdiction;
 - (14) "Deputy Commissioner" means the chief officer in charge of the revenue-administration of a district, and includes an officer empowered by the Government by name or by virtue of his office to discharge within any local area the functions of a Deputy Commissioner under this Regulation; and

(15) "prescribed" means prescribed by rules made by the Government under this Regulation.

Orders authorising the Construction of Tramways.

4. (1) The Government may make an order authorising the construction of a tramway in a circle on application made—

Application for and consent necessary to making of order.

- (a) by the local authority of the circle with the consent of the road-authority of any road or part of a road which is to be traversed by the tramway and of which the local authority is not itself the road-authority; or
- (b) by any person with the consent of the local authority of the circle, and of the road-authority of any road or part of a road which is to be traversed by the tramway and of which the local authority is not the road-authority:

(2) A local authority shall not make an application for an order, or be deemed to consent to an application being made by any person for an order, unless the making of the application or the giving of the consent has been approved by the local authority in manner prescribed.

5. When it is proposed to lay a tramway in two or more circles, and a local authority or road-authority having control in either or any of the circles does not consent thereto, or attaches conditions to its consent, the Government may, nevertheless, make an order authorising the construction of the tramway in the circle, or by the order impose on the promoter any conditions which it deems fit, if, after considering the reasons of the authority for withholding its consent or attaching the conditions thereto, it is satisfied that the construction of the tramway in the circle is expedient, or, as the case may be, that the conditions attached by the authority to its consent ought not to be imposed.

6. (1) The Government on receiving an application shall consider it, and, if satisfied as to the propriety of proceeding thereon, publish in the official Gazette, and in such other manner as it deems sufficient for giving information to persons interested, a draft of a proposed order authorising the construction of the tramway.

Procedure for making order.

(2) A notice shall be published with the draft stating that any objection or suggestion which any person may desire to make with respect to the proposed order will, if submitted to the Government on or before a date to be specified in the notice, be received and considered.

(3) If, after considering any objections or suggestions which may have been made with respect to the draft on or before the date so specified, the Government is of opinion that the application should be granted, with or without addition or modification, or subject or not to any restriction or condition, it may make an order accordingly.

(4) Every order authorising the construction of a tramway shall be published in the official Gazette in English, and in Kannada; and that publication shall be conclusive proof that the order has been made as required by this section.

7. (1) An order made under Section 6 shall empower the promoter therein specified to construct and maintain the tramway therein described in the manner therein provided, and shall specify the time within which the tramway shall be commenced and the time within which it shall be completed and opened for public traffic.

Contents of order.

(2) The order may also provide, in manner consistent with this Regulation, for all or any of the following among other matters, that is to say:—

- (a) a period before the expiration of which the tramway shall not be commenced, and the conditions subject to which the local authority, when it is not itself the promoter, may, within that period, elect to be substituted in the place of the promoter in respect of the undertaking or of so much thereof as is within its circle; and the limits of time within which, and the terms upon which, the local authority may, after the tramway has been constructed, require the promoter to sell to it the undertaking or so much thereof as is within its circle;
- (b) the acquisition by the promoter of land for the purposes of the tramway, and the disposal by him of land which has been acquired but is no longer required for those purposes;
- (c) the conditions subject to which roads may be opened and broken up for the purposes of the construction or maintenance of the tramway or any part thereof, and the method of, and materials to be used in, the re-instating of the roads, and the approval of the method and materials by the Government or the road-authority before the commencement of the work;

- (d) the conditions on which the tramway may be constructed over a bridge or across a railway or tramway when the carriageway over the bridge is to form part of the tramway or when the tramway is to cross a railway or another tramway on the level;
- (e) the space which shall ordinarily intervene between the outside of the carriageway on either side of a road whereon the tramway is to be constructed and the nearest rail of the tramway, and the conditions on which a smaller space may be permitted;
- (f) the gauge of the tramway; the rails to be used, and the mode in which and the level at which they shall be laid and maintained; and the adoption and application by the promoter of such improvements in the rails, and in their situation, and in the sub-structure upon which they rest, as the Government may from time to time require;
- (g) the portion of the road or roads traversed by the tramway to be kept in repair by the promoter; the maintenance by the promoter to the satisfaction of the Government or the road authority, or both, of that portion of the road or roads; and the liability of the promoter, on the requisition of the Government, from time to time to adopt and apply such improvements in the tramway as the Government may consider necessary or desirable for the safety or convenience of the public; and to alter the position or level of the tramway to suit future alterations in the road or roads;
- (h) the application of material excavated by the promoter in the construction or maintenance of the tramway;
- (i) the provision of such crossings, passing-places, sidings, junctions and other works, in addition to those specified in or authorised by the order, as may from time to time be necessary or convenient to the efficient working of the tramway;
- (j) the powers which may from time to time be exercised by the Government, the local authority, the road authority, or any person in respect of sewers, drains, telegraph-lines, gas-pipes, water-pipes or other things in or on land occupied by the tramway; the notice (if any) to be given of the intended exercise of those powers; the manner in which the powers shall be exercised; and the extent to which the tramway and the traffic thereon may be interfered with in the exercise thereof;
- (k) the conditions subject to which the promoter may from time to time interfere with, or alter or require the alteration of the position of, drains (not being sewers or main drains), telegraph-lines, gas-pipes, water-pipes or other thing as aforesaid;
- (l) the provision of a temporary tramway in place of a part of a tramway which has been removed, or of which the use has been discontinued, by reason of the execution of any work affecting a road along which the part of the tramway was laid, or by reason of the use of the road being interrupted by floods or other cause;
- (m) the motive power to be used on the tramway, and the conditions on which steam-power or any other mechanical power may be used;
- (n) the nature, dimensions, fittings, appliances and apparatus of the carriages to be used on the tramway, and the inspection and examination thereof by officers of the Government or the local authority, and the liability of the promoter or lessee, on the requisition of the Government, from time to time, to adopt and apply such improvements in the carriages, and in the fittings, appliances and apparatus, as the Government may consider necessary or desirable for the safety or convenience of the public;
- (o) the traffic which may be carried on the tramway, the traffic which the promoter or lessee shall be bound to carry, and the traffic which he may refuse to carry; the tolls to be leviable by the promoter or lessee, and the periodical revision thereof by the Government; and the regulation of the traffic and of the levy of the tolls;
- (p) the use of the tramway free of toll by the local authority, with its own carriages, for specified purposes, during specified hours, with power to the local authority to make such sidings, and other works as may be necessary for communication between its premises and the tramway;
- (q) the conditions subject to which the promoter may transfer the undertaking, or any part thereof, by sale, mortgage, lease, exchange or otherwise; and the conditions subject to which the local authority may be the transferee;
- (r) the performance by the Government or by the local authority or road authority of any work required by the Regulation or the order to be done by the promoter; and

- s) the penalty to be incurred by the promoter or lessee for failure to observe any condition or direction contained in the order, and the application of the penalty when recovered.

(3) The Government may, in providing in the order for the acquisition of land for the purposes of a tramway of which the promoter is not a company, direct that land may be acquired for the promoter under the provisions of the Mysore Land Acquisition Regulation, VII of 1894, in the same manner and on the same conditions as it might be acquired for the purposes of the tramway if a company were the promoter.

(4) The order shall imply the condition—

- (a) in the case of a tramway of which a local authority is the promoter, that a lease thereof shall be granted only in manner by this Regulation provided ; and
- (b) in the case of a tramway of which a local authority is not the promoter, that a lease thereof shall be only of the right of user and of demanding and taking the authorised tolls, and shall not confer or impose on the lessee any of the powers or duties of the promoter in respect of the construction or maintenance of the tramway.

8. (1) The Government may, on the application of the promoter, revoke, amend, extend or vary the order by a further order.

(2) An application for a further order shall be made in the same manner and subject to the same conditions as an application for an order.

(3) The Government may, in its discretion, either grant or reject the application.

(4) If it grants the application, it shall make the further order in the same manner as an order, except that no addition to, or modification of, the rights, powers and authorities asked for in the application, or restriction or condition with respect thereto, shall be made or imposed by the further order without the consent in writing of the promoter.

9. (1) Subject to, and in accordance with, the provisions of this Regulation, the Government may, on a joint application, or on two or more separate applications, make an order empowering two or more local authorities, respectively, jointly to construct the whole, or separately to construct parts, of a tramway, and jointly or separately to own the whole or parts thereof.

(2) All the provisions of this Regulation which relate to the construction of tramways shall extend and apply to the construction of the whole and the separate parts of the tramway, and the form of the order may be adapted to the circumstances of the case.

10. (1) If a promoter authorised by an order to construct a tramway—

- (a) does not within the time specified in the order substantially commence the construction of the tramway, or
- (b) having commenced the construction, suspends it without a reason sufficient in the opinion of the Government to warrant the suspension, or
- (c) does not within the time specified in the order complete the tramway and open it for public traffic,

the following consequences shall ensue :—

- (i) the powers given by the order to the promoter for constructing the tramway and otherwise in relation thereto, shall, unless the Government, by special direction in writing, prolongs the time or condones the suspension, cease to be exercised except as to so much of the tramway as is then completed ;
- (ii) as to so much of the tramway as is then completed, the Government may either permit, or refuse to permit, the powers given by the order to continue ;
- (iii) if the Government refuses to permit the powers to continue, then so much of the tramway as is then completed may be dealt with, under the provisions of this Regulation relating to the discontinuance of tramways, as a tramway of the working whereof the discontinuance has been proved to the satisfaction of the Government.

(2) A notification published by the Government in the official Gazette to the effect that on a date specified in the notification the construction of a tramway had not been substantially commenced or a tramway had not been completed and opened for public traffic, or that the construction of a tramway had been suspended without sufficient reason, shall, for the purposes of this section, be conclusive proof of the matter stated therein.

Construction and Maintenance of Tramways.

Mode of formation of tramway.

11. A tramway shall be constructed and maintained in the manner provided by the order.

12. A tramway, or portion or extension of, or addition to, a tramway, shall not be opened for public traffic until an engineer appointed in this behalf by the Government has inspected it and certified it to be fit for such traffic.

Inspection of tramway before opening.

13. Subject to the provisions of any order for the time being in force with respect to the matters mentioned in section 7, sub-section (2), clause (g), the road-authority and the promoter may from time to time enter into agreements as to the keeping in repair of the whole or a part of a road traversed by a tramway, and as to the proportion to be paid by either of them of the expense of keeping the road or part in repair.

Agreement between road-authority and promoter as to repair of roadway.

Traffic on Tramways.

14. (1) The promoter of a tramway shall, subject to the provisions of sub-section (2) and to the other provisions of this Regulation and of the order, have the exclusive use of the tramway for carriages with flange-wheels or other wheels suitable to run on the rail described in the order as the rail to be used on the tramway:

Rights of promoters and the public over tramways.

Provided that nothing in this Regulation or in the order or any rule made under this Regulation shall affect the right of any person authorised to use a tramway or railway to pass across a tramway constructed under this Regulation with carriages having wheels suitable to run on the rail thereof.

(2) The public shall have a right to pass along or across any part of a road along or across which a tramway is constructed, whether on or off the tramway, with carriages not having flange-wheels or other wheels suitable to run on the rail of the tramway: Provided—

(a) that this sub-section shall not apply where the tramway is constructed on land the right to the exclusive possession of which has been acquired by the promoter; and

(b) that the Government may by an order authorise the construction of a tramway on any part of a road with rails raised above the surface of the road, if it is satisfied that the convenience of the public will not be injuriously affected thereby.

15. (1) The promoter or lessee may demand and take, in respect of the tramway, tolls not exceeding the limits specified in or determinable under the order, or, if the order contains no provision in this behalf, then such sums as may from time to time be fixed by the promoter or lessee with the previous sanction of the Government.

Tolls leviable by promoter or lessee.

(2) A list of all the tolls authorised to be levied shall be exhibited, in such languages as the District Magistrate may direct, in a conspicuous place inside and outside each of the carriages used upon the tramway.

16. (1) A person shall not be entitled to carry or to require to be carried, on a tramway constructed under this Regulation, any goods of a dangerous or offensive nature.

Carriage of dangerous or offensive goods.

(2) A person taking such goods with him on the tramway shall, before entering the carriage, give notice of their nature to the servant of the promoter or lessee in charge of the carriage.

(3) A person sending such goods by the tramway shall distinctly mark their nature on the outside of the package containing them, or otherwise give notice thereof in writing to the servant of the promoter or lessee with whom he leaves them for the purpose of their being sent by the tramway.

(4) Any servant of the promoter or lessee may refuse to carry upon the tramway a parcel which he suspects to contain goods of a dangerous or offensive nature, and, if any such parcel has been received for the purpose of being carried upon the tramway, may stop the transit thereof until he is satisfied as to the nature of its contents.

(5) Where a servant of the promoter or lessee refuses under sub-section (4) to carry a parcel which has been received for the purpose of being carried upon the tramway, he shall, as soon as may be, give notice of his refusal to the consignor or consignee if he refuses at a time when neither of them is present.

Licenses to use tramways.

17. If, at any time after a tramway or part of a tramway has been for three years opened for public traffic in a circle, the local authority of the circle represents in writing to the Government that the public is deprived of the full benefit of the tramway or of the part thereof, the Government may, if after considering any statement which the promoter or lessee or both may desire to make, and after such further enquiry as it deems necessary, it is satisfied as to the truth of the representation, grant a license to any person to use the tramway conformably to this Regulation and to the order and the rules made under this Regulation, subject to the following provisions, namely :—

Grants to third parties of licenses to use tramway in certain events.

- (a) the license shall be for a period not less than one year or more than three years from the date of the license, but the Government may in its discretion renew it;
- (b) the license shall be to use the whole of the tramway for the time being opened for public traffic, or such part or parts of the tramway as the Government, having regard to the cause for granting the license, thinks fit.
- (c) the license shall specify the number of carriages which the licensee shall run upon the tramway, the mode in which, and times at which, the carriages shall be run, the tolls to be paid to the promoter or lessee by the licensee for the use of the tramway, and the tolls, being those for the time being leviable by the promoter or lessee, which the licensee may demand and take for the use of his carriages;
- (d) the licensee and his officers and servants shall permit one person, duly authorised for that purpose by the promoter or lessee, to travel free of toll in or upon each carriage of the licensee run upon the tramway for the whole or any part of a journey;
- (e) any provision of this Regulation or of the order or rules made under this Regulation, relating to the functions of a servant of a promoter or lessee shall be construed, so far as may be, as referring to a servant of the licensee; and
- (f) the Government may revoke, alter or modify the license for any cause sufficient in its opinion to warrant the revocation, alteration or modification thereof.

18. A licensee shall, on demand, give to an officer or servant authorised in that behalf by the promoter or lessee an exact account in writing, signed by the licensee, of the number of passengers, or number or quantity of goods, conveyed by any and every carriage used by him on the tramway.

Licensee to give to promoter or lessee an account of traffic.

Discontinuance of Tramways.

19. If it is proved to the satisfaction of the Government, at any time after the opening of a tramway for public traffic, that the working of the tramway, or any part thereof, has been practically discontinued, for the space of three months, without a reason sufficient, in the opinion of the Government, to warrant the discontinuance, the Government, if it thinks fit, may, by notification in the official Gazette, declare that the powers of the promoter and of the lessee, if any, in respect of the tramway or the part thereof of which the working has been so discontinued, shall, from the date of the notification, be at an end; and thereupon the said powers shall cease and determine, except in so far as they may be purchased by a local authority in manner by this Regulation provided.

Cessation of powers of promoter and lessee, on discontinuance of tramway.

20. (1) Where a notification has been published under Section 19, the road-authority may, at any time after the expiration of two months from the date of the notification, remove the tramway or part of the tramway of which the working has been so discontinued, and use the materials thereof in re-instating the road

Powers of road-authority on cessation of powers of promoter.

(2) The promoter shall pay to the road-authority the cost incurred by that authority in removing the tramway or the part thereof and in re-instating the road.

(3) The cost shall be certified by an officer of the road-authority, and his certificate, countersigned by the District Magistrate, shall be conclusive proof as to the cost incurred.

(4) If the promoter does not pay the amount so certified within one month after the delivery to him of the certificate or of a copy thereof, the road-authority may, without any previous notice to the promoter and without prejudice to any other remedy which it may have for the recovery of the amount, sell and dispose of such materials of the tramway or part thereof.

removed as it has not used in re-instating the road, either by public auction or by private sale, and for such sum or sums, and to such person or persons, as it thinks fit, and may, out of the proceeds of the sale, pay and reimburse itself the amount of the cost aforesaid and of the expenses of the sale, and shall pay over the residue (if any) of the proceeds of the sale to the promoter.

Insolvency of Promoter.

21. (1) If, at any time after the opening of a tramway in a circle for public traffic, it appears to the road-authority or local authority of the circle that the promoter of the tramway is insolvent, so that he is unable to maintain the tramway, or to work it with advantage to the public, and either of those authorities makes a representation to that effect to the Government, the Government may, if after considering any statement which the promoter may desire to make, and after such further enquiry as it deems necessary, it is satisfied as to the truth of the representation, declare, by notification in the official Gazette, that the powers of the promoter shall, at the expiration of six months from the publication of the notification, be at an end; and the powers of the promoter shall cease and determine at the expiration of that period, except in so far as they may be purchased by a local authority in manner by this Regulation provided.

(2) Where a notification has been published under sub-section (1), the road-authority may, at any time after the expiration of six months from the date thereof, remove the tramway in the same manner, and subject to the same provisions as to the payment of the cost of the removal and to the same remedy for recovery of the cost, in every respect as in cases of removal under section 20.

Purchase of Tramways.

22. (1) Where the promoter of a tramway in a circle is not the local authority, the local authority, with the previous sanction of the Government, may--

- (a) within such limits of time as may be specified in this behalf in the order, or
- (b) if a time was not specified in the order, then within six months after the expiration of a period of twenty-one years from the date of the order, and within six months after the expiration of every subsequent period of seven years, or
- (c) within two months after the publication of a notification under section 19 or within six months after the publication of a notification under section 21,

by notice in writing, require the promoter to sell to the local authority his undertaking or the part thereof which is within the circle of the local authority; and thereupon the promoter shall sell the same upon the terms specified in the order, or if the terms were not specified in the order, then upon the terms of paying the then value of the undertaking or of the part thereof, exclusive of any allowance for past or future profits of the undertaking or any compensation for compulsory sale or other consideration whatsoever.

(2) A requisition shall not be made under sub-section (1) unless the making thereof has been approved by the local authority in manner prescribed.

(3) When a sale has been made under this section, all the rights, powers and authorities of the promoter in respect of the undertaking or part thereof sold or, where a notification has been published under section 19 or section 21, all the rights, powers and authorities of the promoter previous to the publication of the notification in respect of the undertaking or part thereof sold, shall be transferred to the authority to whom the undertaking or part has been sold, and shall vest in, and may be exercised by, that authority in the same manner as if the tramway had been constructed by it under an order made under this Regulation.

(4) Subject to, and in accordance with, the preceding provisions of this section, two or more local authorities may jointly purchase an undertaking or so much thereof as is within their circles.

Working of Tramways owned by Local Authorities.

23. (1) When a local authority has under the authority of an order completed a tramway, or has under the provisions of this Regulation or of an order acquired possession of a tramway, it may, by a lease to be approved by the Government, let to any person the right of user of the tramway and of demanding and taking the authorised tolls.

(2) On the determination of a lease the local authority may from time to time let the right for such further term and on such conditions as the Government may approve.

(3) Every lease made under this section shall imply a condition of re-entry if at any time after the making thereof it is proved to the satisfaction of the Government that the lessee has practically discontinued the working of the tramway leased, or of any part thereof, for the space of one month without a reason sufficient, in the opinion of the Government, to warrant the discontinuance.

(4) Notice of the intention of the local authority to make a lease shall be given in manner prescribed.

(4) If the local authority cannot by means of a lease obtain what it deems to be a fair rent for the tramway, it may itself, with the previous sanction of the Government and for such term as the Government directs, place and run carriages upon the tramway, and demand and take the authorised tolls in respect of the use of the carriages.

Rules.

24. (1) In addition to any other power to make rules expressly or by implication conferred by this Regulation, the Government may make rules consistent with this Regulation—

Power to make rules.

- (a) as to the form in which an application for an order shall be made ;
- (b) as to the costs to be paid by an applicant in respect of an order and the time when, and the place where, those costs shall be paid ;
- (c) as to the payment of money or lodgment of securities, by way of deposit, by the applicant for an order before the order is published under section 6, sub-section (4), or a further order is made under section 8 ; the investment of money so paid ; the disposal of interest or dividends from time to time accruing due on money or securities so paid, lodged or invested ; the application of the money or securities or the produce thereof to the discharge of any liability incurred by the promoter ; and the forfeiture, repayment or return of the money or securities ;
- (d) as to the plans and sections of any works to be deposited by applicants for orders or by promoters ;
- (e) for regulating the use of steam-power or any other mechanical power on a tramway ;
- (f) as to any matter specified in section 7, sub-section (2), clauses (c), (d), (e), (j) and (k), as a matter which may be provided for in an order, when that matter has not been so provided for, or has not, in the opinion of the Government, been effectually so provided for ;
- (g) as to the periodical submission, by promoters, lessees and licensees, of accounts of traffic and receipts to the Government or as the Government directs, and as to the forms in which those accounts are to be submitted ;
- (h) as to the accidents of which report is to be made to the Government or as the Government directs ;
- (i) as to any matter respecting which rules may be made under this section by a local authority or a promoter or lessee ; and,
- (j) generally, as to any other matter or thing in respect of which it may seem to the Government to be expedient to make rules for carrying out the purposes of this Regulation.

(2) A local authority may, from time to time, with the previous sanction of the Government, make rules consistent with this Regulation and with the order and any rules made by the Government under this Regulation for regulating—

- (a) the rate of speed to be observed in travelling upon a tramway within the circle of the local authority ;
- (b) the use of animal power on the tramway ;
- (c) the distances at which carriages using the tramway are to be allowed to follow one after the other ;
- (d) the stopping of carriages using the tramway and the notice to be given to the public of their approach ;
- (e) the manner in which carriages using the tramway after sunset and before sunrise are to be lighted ;
- (f) the traffic on roads along or across which the tramway is laid ;
- (g) the number of passengers which may be carried in any carriage ;

- (h) the licensing and control of drivers, conductors and other persons having charge of the carriages of the promoter or lessee or a licensee; and,
- (i) generally, the mode of use of the tramway.
- (3) The promoter or lessee of a tramway may, from time to time, with the previous sanction of the Government, make rules consistent with this Regulation and with the order and any rules made under this Regulation—
- (a) for preventing the commission of any nuisance in or upon any carriage, or in or against any premises, belonging to him; and
- (b) for regulating the travelling in any carriage belonging to him.
- (4) The Government may cancel any rule made by a local authority or by a promoter or lessee under this section.

25. The authority making any rule under section 24 may direct that a breach of it shall be punishable with fine which may extend—

- (a) if the authority making the rule is the Government, to two hundred rupees, and
- (b) if that authority is a local authority or a promoter or lessee, to twenty rupees; and when the breach is a continuing breach, with a further fine which may extend—
- (c) if the authority making the rule is the Government, to fifty rupees, and,
- (d) if that authority is a local authority or a promoter or lessee, to five rupees, for every day after the first during which the breach continues.

26. (1) Every authority having power to make rules under any section of this Regulation shall, before making the rules, publish a draft of the proposed rules for the information of persons likely to be affected thereby.

Procedure for making, and publication of, rules.

(2) The publication shall be made, in the case of rules made by the Government, in such manner as may in its opinion be sufficient for giving information to persons interested, and, in the case of rules made by a local authority or by a promoter or lessee, in manner prescribed.

(3) There shall be published with the draft a notice specifying a date, not earlier than the expiration of one month after the date of publication, at or after which the draft will be taken into consideration.

(4) The authority shall receive and consider any objection or suggestion which may be made by any person with respect to the draft before the date so specified.

(5) The publication in the official Gazette of a rule purporting to be made under this Regulation shall be conclusive proof that it has been duly made.

Offences.

27. If a promoter—

Penalty for failure of promoter, lessee or licensee to comply with Regulation or order.

- (a) constructs or maintains a tramway otherwise than in accordance with the order, or
- (b) opens the tramway for traffic, or permits it to be so opened, before it has been inspected and certified in manner required by section 12, or
- (c) fails to observe any requirement or condition of the order for neglect or breach whereof no penalty has been expressly provided in the order.

or if a promoter, lessee or licensee runs a carriage on a tramway otherwise than in accordance with the order,

he shall (without prejudice to the enforcement of specific performance of the requirements of this Regulation or of the order, or to any other remedy which may be obtained against him in a Court of Civil Judicature), on complaint made by the Government or by the local authority or road-authority or by the District Magistrate or, with the previous sanction of the District Magistrate, by any person injuriously affected by the act or omission, be punished with fine which may extend to two hundred rupees, and in the case of a continuing offence to a further fine which may extend to fifty rupees for every day after the first during which the offence continues to be committed.

28. If any person without lawful excuse, the burden of proving which shall lie upon him,

Penalty for obstructing promoter in exercise of his powers.

wilfully obstructs any person acting under the authority of the promoter in the lawful exercise of his powers in constructing or maintaining a tramway, or injures or destroys any mark

made for the purpose of setting out the line of the tramway, he shall be punished with fine which may extend to fifty rupees.

29. If any person without lawful excuse, the burden of proving which shall lie upon him, wilfully does any of the following things, namely :—
Penalty for interfering with tramway.

- (a) interferes with, removes or alters any part of a tramway constructed under this Regulation, or of the works connected therewith, or
- (b) places or throws upon or across any such tramway any wood, stone, refuse or other thing, or
- (c) does anything in such a manner as to obstruct any carriage using any such tramway, or
- (d) abets within the meaning of the Indian Penal Code the doing of, or attempts to do, anything mentioned in clause (a), clause (b), or clause (c),

he shall (without prejudice to any other remedy which may be obtained against him in a Court of Civil Judicature) be punished with fine which may extend to one hundred rupees.

30. If any person, except under a lease from, or by agreement with, the promoter, or under license from the Government granted under this Regulation uses on a tramway, otherwise than as permitted by section 14, a carriage having flange-wheels or other wheels suitable to run on the rail of the tramway, he shall be punished with fine which may extend to two hundred rupees.
Penalty for using tramway with carriage having flange-wheels.

31. (1) If any person travelling or having travelled in a carriage of the promoter or lessee or of a licensee evades or attempts to evade payment of toll, or if any person having paid toll for a certain distance wilfully proceeds in any such carriage beyond that distance and does not pay the additional toll for the additional distance or attempts to evade payment thereof, or if any person wilfully refuses or neglects on arriving at the point to which he has paid toll to quit the carriage, he shall be punished with fine which may extend to ten rupees.
Penalty for evading payment of proper toll.

(2) When a person commits an offence under this section and refuses on demand of a servant of the promoter, lessee or licensee to give his name and residence, or gives a name or residence which the servant has reason to believe to be false, he may be arrested and taken to the nearest police-station by the servant or any person whom the servant may call to his aid.

(3) When the person is taken to the police-station he shall with the least possible delay be forwarded to the nearest Magistrate, unless his true name and residence are ascertained, in which case he shall be released on his executing a bond for his appearance before a Magistrate if so required.

32. If any person takes or sends by a tramway any goods of a dangerous or offensive nature without giving the notice required by section 16, he shall be punished with fine which may extend to fifty rupees.
Penalty for taking or sending dangerous or offensive goods without giving notice.

33. (1) If a licensee fails on demand to give the account mentioned in section 18, or with intent to evade the payment of tolls, gives a false account when he is called upon to give an account under that section, he shall be punished with fine which may extend to fifty rupees.
Penalty for licensee not giving to promoter or lessee an account of traffic or giving false account.

(2) The fine shall be in addition to any tolls payable by the licensee to the promoter or lessee in respect of the passengers or goods conveyed by the carriage or carriages used by the licensee on the tramway.

34. Nothing in this Regulation shall prevent a person from being prosecuted under any other law for an act or omission which constitutes an offence against this Regulation or the rules made under it, or from being liable under that other law to any other or higher punishment or penalty than that provided by this Regulation or the rules made under it: Provided that a person shall not be punished twice for the same offence.
Saving of prosecutions under other laws.

Settlement of Differences.

35. (1) If any difference arises between the promoter or lessee on the one hand and the Government or the local authority, or the road-authority, or a person having the charge of any sewers, drains, telegraph-lines, gas-pipes, water-pipes, or other things in or on land occupied by the tramway, on the other hand, with respect to any interference or control exercised or claimed to be exercised by, or on behalf of, either party by virtue of this or any other
Differences between promoters or lessees and authorities.

78
Regulation, or of the order or the rules made under this Regulation, or with respect to the propriety of, or the mode of, the execution of any work, or with respect to any compensation to be made by or to the promoter or lessee, or on the question whether any work is such as ought reasonably to satisfy the Government or the road-authority or both, or with respect to any other subject or thing regulated by, or comprised in, this Regulation or the order or the rules made under this Regulation, and not otherwise expressly provided for therein, the matter in difference shall, except where the parties elect to proceed under section 523 of the Code of Civil Procedure, be settled, on the application of either party, by a referee.

(2) Where the difference is—

- (a) between the promoter or lessee on the one hand and the Government, either as such or as the road-authority, on the other, or
- (b) between the promoter on the one hand and the local authority on the other, with respect to the sum to be paid by the local authority for an undertaking or part of an undertaking which that authority has required the promoter to sell under section 22,

the referee shall be the District Court within the jurisdiction of which the tramway is situate, or, where the tramway is within the jurisdiction of more than one District Court, the District Court within the jurisdiction of which the greater part of the tramway is situate.

(3) In other cases the referee shall be appointed by the Government.

(4) Except where the referee is the District Court, the powers and procedure of the referee may be prescribed.

(5) In the case of a difference between a promoter on the one hand and a local authority on the other, with respect to the sum to be paid by the local authority for an undertaking or part of an undertaking which that authority has required the promoter to sell under section 22, an appeal shall lie to the Chief Court from the award of the referee as from an original decree of the District Court.

(6) In the case of every other difference the award of the referee shall be final.

Recovery of Tolls.

36. Any of the following moneys, namely, any rent due to a local authority from a lessee, any penalty recoverable from a promoter or lessee under an order, any sum payable by a promoter or lessee under an award of a referee, the cost of the performance under this Regulation by the Government or by a local authority or road-authority of any work required by this Regulation or by an order to be done by a promoter, and the cost incurred by a road-authority in removing a tramway and re-instating a road under this Regulation may, without prejudice to any other remedy that the authority to which the money is due may have by suit or otherwise, be recovered by that authority, on application made in this behalf to the Deputy Commissioner, as if the sum due were an arrear of land-revenue due by the promoter or lessee or his surety (if any):

Recovery of moneys due from promoters and, in certain cases, from lessees.
Provided that nothing in this section shall authorise the arrest of the promoter or lessee or his surety in execution of any process issued by the Deputy Commissioner.

37. (1) If a licensee fails to pay on demand the tolls due for the use of a tramway, the promoter or lessee to whom the tolls are due may, without prejudice to the remedy which he may have by suit, apply to a Magistrate to recover the amount of the tolls, and the Magistrate may, after giving notice to the licensee if possible and allowing him an opportunity of being heard, proceed to recover the amount by distress and sale of any carriages or other moveable property of the licensee which may be found on the tramway or on premises connected therewith.

Recovery of tolls from licensees
(2) When a licensee has failed to pay on demand the tolls due from him, the promoter or lessee to whom the tolls are due may seize any carriage or other moveable property of the licensee on the tramway or on premises connected therewith, and detain the same for forty-eight hours unless the tolls are sooner paid.

(3) When application is made to a Magistrate under sub-section (1), he may make an interim order of distraint pending his final decision.

38. Any toll due to a promoter, lessee or licensee from a passenger may be recovered either by suit or, on application to a Magistrate having jurisdiction within any local area in which any part of the tramway is laid, by distress and sale of any moveable property belonging to the passenger within the local limits of the jurisdiction of the Magistrate.

Recovery of tolls from passengers.

Savings.

39. (1) Notwithstanding anything contained in this Regulation, or in an order or any rule made under this Regulation, a promoter shall not acquire any right other than that of user only over a road along or across which he lays a tramway, nor shall anything contained in this Regulation, or in an order or any rule made under this Regulation, exempt the promoter of a tramway, or any other person using the tramway, from the payment of such charges as may lawfully be levied in respect of the use of a road or bridge along or across which the tramway is laid.

(2) The Government may, if it thinks fit, fix rates at which a promoter, lessee or licensee may compound for the charges payable in respect of the use of a road or bridge.

40. (1) Nothing in this Regulation, or in an order or any rule made under this Regulation, shall take away or abridge any power which a road-authority, local authority or other person has by law to break up, widen, alter, divert or improve a road, railroad or tramway along or across which a tramway is laid.

(2) The road-authority, local authority or other person executing any work referred to in sub-section (1) shall not be liable to pay to a promoter, lessee or licensee any compensation for injury done to a tramway by the execution of the work or for loss of traffic occasioned by the reasonable use of any power lawfully exercised for the execution thereof.

41. Nothing in this Regulation, or in an order or any rule made under this Regulation, shall affect the powers of a local authority or of a Magistrate or police officer to regulate the passage of traffic along or across a road along or across which a tramway is laid; and the authority, Magistrate or officer aforesaid may exercise its or his powers as well on as off the tramway and with respect as well to the traffic of a promoter, lessee or licensee as to the traffic of other persons.

Supplemental Provisions.

42. A promoter, lessee or licensee shall be answerable for all injuries happening through his act or default, or through the act or default of any person in his employment, by reason or in consequence of any of his carriages or works, and shall save harmless all authorities and persons collectively and individually, and their officers and servants, from all damages and costs in respect of injuries so happening.

43. For the purposes of this Regulation want of funds shall not be deemed to be a sufficient reason for the suspension of the construction, or the discontinuance of the working, of a tramway by a promoter or lessee.

44. When a tramway is constructed under this Regulation within the limits of a municipality, the Government may exempt the animals, plant, rolling-stock, yards, workshops, engine-sheds and depots of the promoter, lessee or licensee, for such period as it thinks fit, from all or any municipal taxes leviable within those limits.

45. (1) The fund to or with the control or management of which the local authority of a municipality or district is entitled or entrusted shall, notwithstanding anything in any enactment respecting the purposes to which that fund may be applied, be applicable, subject to the control of the Government, to the payment of expenses incidental to the exercise of the powers and functions which may be vested in or exercised by a local authority under this Regulation.

(2) The fund shall also be applicable, with the previous sanction of the Government, to a guarantee of the payment of interest on money to be applied, with the concurrence in writing of the local authority, within the limits of the local area under its control, to any of the purposes to which the fund might be applied by the local authority under sub-section (1).

46. (1) No tramway shall be constructed for public traffic except in pursuance of an order made under this Regulation.

(2) A person constructing a tramway in contravention of sub-section (1) of this section,

or maintaining or using for public traffic a tramway otherwise than in pursuance of an order made under this Regulation,

shall be liable, on the complaint of the Government or local authority, to double the penalty to which a promoter acting otherwise than in accordance with an order is liable under section 27.

47. If at any time a local area comprising a tramway to which this Regulation or any part thereof or any rule thereunder applies ceases to be included in the circle of a local authority, the functions of that authority under this Regulation or the part thereof or the rule thereunder and under the order (if any), shall, in respect of that local area, devolve on the Government or, if the Government so directs, on the local authority of the circle in which the tramway has been included.

Powers of Government exercisable from time to time.

48. All powers conferred by this Regulation on the Government may be exercised from time to time as occasion requires.

REGULATION No. II of 1906.

(PASSED ON THE 7TH DAY OF JULY 1906.)

A Regulation to facilitate the construction and to regulate the working of Tramways in Mysore.

WHEREAS it is expedient to facilitate the construction and to regulate the working of tramways in Mysore; His Highness the Maharaja is pleased to enact as follows:—

Preliminary.

1. (1) This Regulation may be called the Mysore Tramways Regulation, 1906; and
Short title and commencement.

(2) It shall come into force at once.

2. It extends to the whole of Mysore.
Local extent.

3. In this Regulation, unless there is something repugnant in the subject or context,—
Definitions.

(1) "local authority" means a municipal committee, district board, or other authority legally entitled to, or entrusted by the Government with, the control or management of a municipal or local fund:

(2) "road" means the way of a road, street, thoroughfare, passage or place along or across which a tramway authorised under this Regulation is, or is intended to be, laid, and includes the surface-soil and sub-soil of a road, and the footway, berms, drains and ditches of a road, and any bridge, culvert or causeway forming part of a road:

(3) "road-authority," in relation to a road, means—

(a) if a local authority maintains and repairs the road, then that authority;

(b) if a local authority does not maintain and repair the road, and the road is neither vested in nor maintained and repaired by the Government, then the person in whom the road is vested; and

(c) if a local authority does not maintain and repair the road, and the road is vested in or maintained and repaired by the Government, then the Government:

(4) "circle," in relation to a local authority or road-authority, means the area within the control of that authority:

(5) "tramway" means a tramway, or any part of a tramway, or any siding, turnout, connection, line or track belonging to a tramway:

(6) "order" means an order authorising the construction of a tramway under this Regulation, and includes a further order substituted for, or amending, extending or varying, that order:

(7) "promoter" means a local authority or person in whose favour an order has been made, and includes a local authority or person on whom the rights and liabilities conferred and imposed on the promoter by this Regulation and by the order and any rules made under this Regulation as to the construction, maintenance and use of the tramway, have devolved:

(8) "undertaking" includes all moveable and immoveable property of the promoter suitable to and used by him for the purposes of the tramway:

(9) "carriage," in the case of a tramway on which steam-power or any other mechanical power is used, includes an engine worked on the tramway for the purpose of producing that power:

(10) "toll" includes any charge leviable in respect of the use of a tramway:

(11) "lessee" means a person to whom a lease has been granted of right of user of a tramway and of demanding and taking the authorised tolls:

(12) "District Magistrate" includes an officer empowered by the Government by name or by virtue of his office to discharge within any local area all or any of the functions of a District Magistrate under this Regulation:

(13) "District Court" means a principal Civil Court of original jurisdiction:

(14) "Deputy Commissioner" means the chief officer in charge of the revenue-administration of a district, and includes an officer empowered by the Government by name or by virtue of his office to discharge within any local area the functions of a Deputy Commissioner under this Regulation: and

(15) "prescribed" means prescribed by rules made by the Government under this Regulation.

Orders authorising the Construction of Tramways.

4. (1) The Government may make an order authorising the construction of a tramway in a circle on application made—

Application for and consent necessary to making of order.

- (a) by the local authority of the circle with the consent of the road-authority of any road or part of a road which is to be traversed by the tramway and of which the local authority is not itself the road-authority; or
- (b) by any person with the consent of the local authority of the circle, and of the road-authority of any road or part of a road which is to be traversed by the tramway and of which the local authority is not the road-authority:

(2) A local authority shall not make an application for an order, or be deemed to consent to an application being made by any person for an order, unless the making of the application or the giving of the consent has been approved by the local authority in manner prescribed.

5. When it is proposed to lay a tramway in two or more circles, and a local authority or

Consent of local or road-authority not necessary in certain cases.

road-authority having control in either or any of the circles does not consent thereto, or attaches conditions to its consent, the Government may, nevertheless, make an order authorising the construction of the tramway in the circle, or by the order impose on the promoter any conditions which it deems fit, if, after considering the reasons of the authority for withholding its consent or attaching the conditions thereto, it is satisfied that the construction of the tramway in the circle is expedient, or, as the case may be, that the conditions attached by the authority to its consent ought not to be imposed.

6. (1) The Government on receiving an application shall consider it, and, if satisfied as to the propriety of proceeding thereon, publish in the official

Procedure for making order.

Gazette, and in such other manner as it deems sufficient for giving information to persons interested, a draft of a proposed order authorising the construction of the tramway.

(2) A notice shall be published with the draft stating that any objection or suggestion which any person may desire to make with respect to the proposed order will, if submitted to the Government on or before a date to be specified in the notice, be received and considered.

(3) If, after considering any objections or suggestions which may have been made with respect to the draft on or before the date so specified, the Government is of opinion that the application should be granted, with or without addition or modification, or subject or not to any restriction or condition, it may make an order accordingly.

(4) Every order authorising the construction of a tramway shall be published in the official Gazette in English, and in Kannada; and that publication shall be conclusive proof that the order has been made as required by this section.

7. (1) An order made under section 6 shall empower the promoter therein specified to

Contents of order.

construct and maintain the tramway therein described in the manner therein provided, and shall specify the time within which the tramway shall be commenced and the time within which it shall be completed and opened for public traffic.

(2) The order may also provide, in manner consistent with this Regulation, for all or any of the following among other matters, that is to say:—

- (a) a period before the expiration of which the tramway shall not be commenced, and the conditions subject to which the local authority, when it is not itself the promoter, may, within that period, elect to be substituted in the place of the promoter in respect of the undertaking or of so much thereof as is within its circle; and the limits of time within which, and the terms upon which, the local authority may, after the tramway has been constructed, require the promoter to sell to it the undertaking or so much thereof as is within its circle;
- (b) the acquisition by the promoter of land for the purposes of the tramway, and the disposal by him of land which has been acquired but is no longer required for those purposes;
- (c) the conditions subject to which roads may be opened and broken up for the purposes of the construction or maintenance of the tramway or any part thereof, and the method of, and materials to be used in, the re-instating of the roads, and the approval of the method and materials by the Government or the road-authority before the commencement of the work;

- (d) the conditions on which the tramway may be constructed over a bridge or across a railway or tramway when the carriageway over the bridge is to form part of the tramway or when the tramway is to cross a railway or another tramway on the level;
- (e) the space which shall ordinarily intervene between the outside of the carriageway on either side of a road whereon the tramway is to be constructed and the nearest rail of the tramway, and the conditions on which a smaller space may be permitted;
- (f) the gauge of the tramway; the rails to be used, and the mode in which and the level at which they shall be laid and maintained; and the adoption and application by the promoter of such improvements in the rails, and in their situation, and in the sub-structure upon which they rest, as the Government may from time to time require;
- (g) the portion of the road or roads traversed by the tramway to be kept in repair by the promoter; the maintenance by the promoter to the satisfaction of the Government or the road-authority, or both, of that portion of the road or roads; and the liability of the promoter, on the requisition of the Government, from time to time to adopt and apply such improvements in the tramway as the Government may consider necessary or desirable for the safety or convenience of the public, and to alter the position or level of the tramway to suit future alterations in the road or roads;
- (h) the application of material excavated by the promoter in the construction or maintenance of the tramway;
- (i) the provision of such crossings, passing-places, sidings, junctions and other works, in addition to those specified in or authorised by the order, as may from time to time be necessary or convenient to the efficient working of the tramway;
- (j) the powers which may from time to time be exercised by the Government, the local authority, the road-authority or any person in respect of sewers, drains, telegraph-lines, gas-pipes, water-pipes or other things in or on land occupied by the tramway; the notice (if any) to be given of the intended exercise of those powers; the manner in which the powers shall be exercised; and the extent to which the tramway and the traffic thereon may be interfered with in the exercise thereof;
- (k) the conditions subject to which the promoter may from time to time interfere with, or alter or require the alteration of the position of, drains (not being sewers or main drains), telegraph-lines, gas-pipes, water-pipes or other thing as aforesaid;
- (l) the provision of a temporary tramway in place of a part of a tramway which has been removed, or of which the use has been discontinued, by reason of the execution of any work affecting a road along which the part of the tramway was laid, or by reason of the use of the road being interrupted by floods or other cause;
- (m) the motive power to be used on the tramway, and the conditions on which steam-power or any other mechanical power may be used;
- (n) the nature, dimensions, fittings, appliances and apparatus of the carriages to be used on the tramway, and the inspection and examination thereof by officers of the Government or the local authority, and the liability of the promoter or lessee, on the requisition of the Government, from time to time, to adopt and apply such improvements in the carriages, and in the fittings, appliances and apparatus, as the Government may consider necessary or desirable for the safety or convenience of the public;
- (o) the traffic which may be carried on the tramway, the traffic which the promoter or lessee shall be bound to carry, and the traffic which he may refuse to carry; the tolls to be leviable by the promoter or lessee, and the periodical revision thereof by the Government; and the regulation of the traffic and of the levy of the tolls;
- (p) the use of the tramway free of toll by the local authority, with its own carriages, for specified purposes, during specified hours, with power to the local authority to make such sidings, and other works as may be necessary for communication between its premises and the tramway;
- (q) the conditions subject to which the promoter may transfer the undertaking, or any part thereof, by sale, mortgage, lease, exchange or otherwise; and the conditions subject to which the local authority may be the transferee;
- (r) the performance by the Government or by the local authority or road-authority of any work required by the Regulation or the order to be done by the promoter; and

(s) the penalty to be incurred by the promoter or lessee for failure to observe any condition or direction contained in the order, and the application of the penalty when recovered.

(3) The Government may, in providing in the order for the acquisition of land for the purposes of a tramway of which the promoter is not a company, direct that land may be acquired for the promoter under the provisions of the Mysore Land Acquisition Regulation, VII of 1894, in the same manner and on the same conditions as it might be acquired for the purposes of the tramway if a company were the promoter.

(4) The order shall imply the condition—

- (a) in the case of a tramway of which a local authority is the promoter, that a lease thereof shall be granted only in manner by this Regulation provided; and
- (b) in the case of a tramway of which a local authority is not the promoter, that a lease thereof shall be only of the right of user and of demanding and taking the authorised tolls, and shall not confer or impose on the lessee any of the powers or duties of the promoter in respect of the construction or maintenance of the tramway.

8. (1) The Government may, on the application of the promoter, revoke, amend, extend or vary the order by a further order.

(2) An application for a further order shall be made in the same manner and subject to the same conditions as an application for an order.

(3) The Government may, in its discretion, either grant or reject the application.

(4) If it grants the application, it shall make the further order in the same manner as an order, except that no addition to, or modification of, the rights, powers and authorities asked for in the application, or restriction or condition with respect thereto, shall be made or imposed by the further order without the consent in writing of the promoter.

9. (1) Subject to, and in accordance with, the provisions of this Regulation, the Government may, on a joint application, or on two or more separate applications, make an order empowering two or more local authorities, respectively, jointly to construct the whole, or separately to construct parts, of a tramway, and jointly or separately to own the whole or parts thereof.

(2) All the provisions of this Regulation which relate to the construction of tramways shall extend and apply to the construction of the whole and the separate parts of the tramway, and the form of the order may be adapted to the circumstances of the case.

10. (1) If a promoter authorised by an order to construct a tramway—

- (a) does not within the time specified in the order substantially commence the construction of the tramway, or
- (b) having commenced the construction, suspends it without a reason sufficient in the opinion of the Government to warrant the suspension, or
- (c) does not within the time specified in the order complete the tramway and open it for public traffic,

the following consequences shall ensue :—

- (i) the powers given by the order to the promoter for constructing the tramway and otherwise in relation thereto, shall, unless the Government, by special direction in writing, prolongs the time or condones the suspension, cease to be exercised except as to so much of the tramway as is then completed;
- (ii) as to so much of the tramway as is then completed, the Government may either permit, or refuse to permit, the powers given by the order to continue;
- (iii) if the Government refuses to permit the powers to continue, then so much of the tramway as is then completed may be dealt with, under the provisions of this Regulation relating to the discontinuance of tramways, as a tramway of the working whereof the discontinuance has been proved to the satisfaction of the Government.

(2) A notification published by the Government in the official Gazette to the effect that on a date specified in the notification the construction of a tramway had not been substantially commenced or a tramway had not been completed and opened for public traffic, or that the construction of a tramway had been suspended without sufficient reason, shall, for the purposes of this section, be conclusive proof of the matter stated therein.

Construction and Maintenance of Tramways.

Mode of formation of tramway.

11. A tramway shall be constructed and maintained in the manner provided by the order.

12. A tramway, or portion or extension of, or addition to, a tramway, shall not be opened for public traffic until an engineer appointed in this behalf by the Government has inspected it and certified it to be fit for such traffic.

Inspection of tramway before opening.

13. Subject to the provisions of any order for the time being in force with respect to the matters mentioned in section 7, sub-section (2), clause (g), the road-authority and the promoter may from time to time enter into agreements as to the keeping in repair of the whole or a part of a road traversed by a tramway, and as to the proportion to be paid by either of them of the expense of keeping the road or part in repair.

Agreement between road-authority and promoter as to repair of roadway.

Traffic on Tramways.

14. (1) The promoter of a tramway shall, subject to the provisions of sub-section (2) and to the other provisions of this Regulation and of the order, have the exclusive use of the tramway for carriages with flange-wheels or other wheels suitable to run on the rail described in the order as the rail to be used on the tramway :

Rights of promoters and the public over tramways.

Provided that nothing in this Regulation or in the order or any rule made under this Regulation shall affect the right of any person authorised to use a tramway or railway to pass across a tramway constructed under this Regulation with carriages having wheels suitable to run on the rail thereof.

(2) The public shall have a right to pass along or across any part of a road along or across which a tramway is constructed, whether on or off the tramway, with carriages not having flange-wheels or other wheels suitable to run on the rail of the tramway : Provided—

(a) that this sub-section shall not apply where the tramway is constructed on land the right to the exclusive possession of which has been acquired by the promoter ; and

(b) that the Government may by an order authorise the construction of a tramway on any part of a road with rails raised above the surface of the road, if it is satisfied that the convenience of the public will not be injuriously affected thereby.

15. (1) The promoter or lessee may demand and take, in respect of the tramway, tolls not exceeding the limits specified in or determinable under the order, or, if the order contains no provision in this behalf, then such sums as may from time to time be fixed by the promoter or lessee with the previous sanction of the Government.

Tolls leviable by promoter or lessee.

(2) A list of all the tolls authorised to be levied shall be exhibited, in such languages as the District Magistrate may direct, in a conspicuous place inside and outside each of the carriages used upon the tramway.

16. (1) A person shall not be entitled to carry or to require to be carried, on a tramway constructed under this Regulation, any goods of a dangerous or offensive nature.

Carriage of dangerous or offensive goods.

(2) A person taking such goods with him on the tramway shall, before entering the carriage, give notice of their nature to the servant of the promoter or lessee in charge of the carriage.

(3) A person sending such goods by the tramway shall distinctly mark their nature on the outside of the package containing them, or otherwise give notice thereof in writing to the servant of the promoter or lessee with whom he leaves them for the purpose of their being sent by the tramway.

(4) Any servant of the promoter or lessee may refuse to carry upon the tramway a parcel which he suspects to contain goods of a dangerous or offensive nature, and, if any such parcel has been received for the purpose of being carried upon the tramway, may stop the transit thereof until he is satisfied as to the nature of its contents.

(5) Where a servant of the promoter or lessee refuses under sub-section (4) to carry a parcel which has been received for the purpose of being carried upon the tramway, he shall, as soon as may be, give notice of his refusal to the consignor or consignee if he refuses at a time when neither of them is present.

Licenses to use tramways.

17. If, at any time after a tramway or part of a tramway has been for three years opened for public traffic in a circle, the local authority of the circle represents in writing to the Government that the public is deprived of the full benefit of the tramway or of the part thereof, the Government may, if after considering any statement which the promoter or lessee or both may desire to make, and after such further enquiry as it deems necessary, it is satisfied as to the truth of the representation, grant a license to any person to use the tramway conformably to this Regulation and to the order and the rules made under this Regulation, subject to the following provisions, namely :—

Grants to third parties of licenses to use tramway in certain events.

- (a) the license shall be for a period not less than one year or more than three years from the date of the license, but the Government may in its discretion renew it;
- (b) the license shall be to use the whole of the tramway for the time being opened for public traffic, or such part or parts of the tramway as the Government, having regard to the cause for granting the license, thinks fit.
- (c) the license shall specify the number of carriages which the licensee shall run upon the tramway, the mode in which, and times at which, the carriages shall be run, the tolls to be paid to the promoter or lessee by the licensee for the use of the tramway, and the tolls, being those for the time being leviable by the promoter or lessee, which the licensee may demand and take for the use of his carriages;
- (d) the licensee and his officers and servants shall permit one person, duly authorised for that purpose by the promoter or lessee, to travel free of toll in or upon each carriage of the licensee run upon the tramway for the whole or any part of a journey;
- (e) any provision of this Regulation or of the order or rules made under this Regulation, relating to the functions of a servant of a promoter or lessee shall be construed, so far as may be, as referring to a servant of the licensee; and
- (f) the Government may revoke, alter or modify the license for any cause sufficient in its opinion to warrant the revocation, alteration or modification thereof.

18. A licensee shall, on demand, give to an officer or servant authorised in that behalf by the promoter or lessee an exact account in writing, signed by the licensee, of the number of passengers, or number or quantity of goods, conveyed by any and every carriage used by him on the tramway.

Licensee to give to promoter or lessee an account of traffic.

Discontinuance of Tramways.

19. If it is proved to the satisfaction of the Government, at any time after the opening of a tramway for public traffic, that the working of the tramway, or any part thereof, has been practically discontinued, for the space of three months, without a reason sufficient, in the opinion of the Government, to warrant the discontinuance, the Government, if it thinks fit, may, by notification in the official Gazette, declare that the powers of the promoter and of the lessee, if any, in respect of the tramway or the part thereof of which the working has been so discontinued, shall, from the date of the notification, be at an end; and thereupon the said powers shall cease and determine, except in so far as they may be purchased by a local authority in manner by this Regulation provided.

Cessation of powers of promoter and lessee, on discontinuance of tramway.

20. (1) Where a notification has been published under Section 19, the road-authority may, at any time after the expiration of two months from the date of the notification, remove the tramway or part of the tramway of which the working has been so discontinued, and use the materials thereof in re-instating the road.

Powers of road-authority on cessation of powers of promoter.

(2) The promoter shall pay to the road-authority the cost incurred by that authority in removing the tramway or the part thereof and in re-instating the road.

(3) The cost shall be certified by an officer of the road-authority, and his certificate, countersigned by the District Magistrate, shall be conclusive proof as to the cost incurred.

(4) If the promoter does not pay the amount so certified within one month after the delivery to him of the certificate or of a copy thereof, the road-authority may, without any previous notice to the promoter and without prejudice to any other remedy which it may have for the recovery of the amount, sell and dispose of such materials of the tramway or part thereof

removed as it has not used in re-instating the road, either by public auction or by private sale, and for such sum or sums, and to such person or persons, as it thinks fit, and may, out of the proceeds of the sale, pay and reimburse itself the amount of the cost aforesaid and of the expenses of the sale, and shall pay over the residue (if any) of the proceeds of the sale to the promoter.

Insolvency of Promoter.

21. (1) If, at any time after the opening of a tramway in a circle for public traffic, it appears to the road-authority or local authority of the circle that the promoter of the tramway is insolvent, so that he is unable to maintain the tramway, or to work it with advantage to the public, and either of those authorities makes a representation to that effect to the Government, the Government may, if after considering any statement which the promoter may desire to make, and after such further enquiry as it deems necessary, it is satisfied as to the truth of the representation, declare, by notification in the official Gazette, that the powers of the promoter shall, at the expiration of six months from the publication of the notification, be at an end; and the powers of the promoter shall cease and determine at the expiration of that period, except in so far as they may be purchased by a local authority in manner by this Regulation provided.

(2) Where a notification has been published under sub-section (1), the road-authority may, at any time after the expiration of six months from the date thereof, remove the tramway in the same manner, and subject to the same provisions as to the payment of the cost of the removal and to the same remedy for recovery of the cost, in every respect as in cases of removal under section 20.

Purchase of Tramways.

22. (1) Where the promoter of a tramway in a circle is not the local authority, the local authority, with the previous sanction of the Government, may—

- (a) within such limits of time as may be specified in this behalf in the order, or
- (b) if a time was not specified in the order, then within six months after the expiration of a period of twenty-one years from the date of the order, and within six months after the expiration of every subsequent period of seven years, or
- (c) within two months after the publication of a notification under section 19 or within six months after the publication of a notification under section 21,

by notice in writing, require the promoter to sell to the local authority his undertaking or the part thereof which is within the circle of the local authority; and thereupon the promoter shall sell the same upon the terms specified in the order, or if the terms were not specified in the order, then upon the terms of paying the then value of the undertaking or of the part thereof, exclusive of any allowance for past or future profits of the undertaking or any compensation for compulsory sale or other consideration whatsoever.

(2) A requisition shall not be made under sub-section (1) unless the making thereof has been approved by the local authority in manner prescribed.

(3) When a sale has been made under this section, all the rights, powers and authorities of the promoter in respect of the undertaking or part thereof sold or, where a notification has been published under section 19 or section 21, all the rights, powers and authorities of the promoter previous to the publication of the notification in respect of the undertaking or part thereof sold, shall be transferred to the authority to whom the undertaking or part has been sold, and shall vest in, and may be exercised by, that authority in the same manner as if the tramway had been constructed by it under an order made under this Regulation.

(4) Subject to, and in accordance with, the preceding provisions of this section, two or more local authorities may jointly purchase an undertaking or so much thereof as is within their circles.

Working of Tramways owned by Local Authorities.

23. (1) When a local authority has under the authority of an order completed a tramway, or has under the provisions of this Regulation or of an order acquired possession of a tramway, it may, by a lease to be approved by the Government, let to any person the right of user of the tramway and of demanding and taking the authorised tolls.

(2) On the determination of a lease the local authority may from time to time let the right for such further term and on such conditions as the Government may approve.

(3) Every lease made under this section shall imply a condition of re-entry if at any time after the making thereof it is proved to the satisfaction of the Government that the lessee has practically discontinued the working of the tramway leased, or of any part thereof, for the space of one month without a reason sufficient, in the opinion of the Government, to warrant the discontinuance.

(4) Notice of the intention of the local authority to make a lease shall be given in manner prescribed.

(4) If the local authority cannot by means of a lease obtain what it deems to be a fair rent for the tramway, it may itself, with the previous sanction of the Government and for such term as the Government directs, place and run carriages upon the tramway, and demand and take the authorised tolls in respect of the use of the carriages.

Rules.

24. (1) In addition to any other power to make rules expressly or by implication conferred by this Regulation, the Government may make rules
Power to make rules. consistent with this Regulation—

- (a) as to the form in which an application for an order shall be made ;
- (b) as to the costs to be paid by an applicant in respect of an order and the time when, and the place where, those costs shall be paid ;
- (c) as to the payment of money or lodgment of securities, by way of deposit, by the applicant for an order before the order is published under section 6, sub-section (4), or a further order is made under section 8 ; the investment of money so paid ; the disposal of interest or dividends from time to time accruing due on money or securities so paid, lodged or invested ; the application of the money or securities or the produce thereof to the discharge of any liability incurred by the promoter ; and the forfeiture, repayment or return of the money or securities ;
- (d) as to the plans and sections of any works to be deposited by applicants for orders or by promoters ;
- (e) for regulating the use of steam-power or any other mechanical power on a tramway ;
- (f) as to any matter specified in section 7, sub-section (2), clauses (c), (d), (e), (j) and (k), as a matter which may be provided for in an order, when that matter has not been so provided for, or has not, in the opinion of the Government, been effectually so provided for ;
- (g) as to the periodical submission, by promoters, lessees and licensees, of accounts of traffic and receipts to the Government or as the Government directs, and as to the forms in which those accounts are to be submitted ;
- (h) as to the accidents of which report is to be made to the Government or as the Government directs ;
- (i) as to any matter respecting which rules may be made under this section by a local authority or a promoter or lessee ; and,
- (j) generally, as to any other matter or thing in respect of which it may seem to the Government to be expedient to make rules for carrying out the purposes of this Regulation.

(2) A local authority may, from time to time, with the previous sanction of the Government, make rules consistent with this Regulation and with the order and any rules made by the Government under this Regulation for regulating—

- (a) the rate of speed to be observed in travelling upon a tramway within the circle of the local authority ;
- (b) the use of animal power on the tramway ;
- (c) the distances at which carriages using the tramway are to be allowed to follow one after the other ;
- (d) the stopping of carriages using the tramway and the notice to be given to the public of their approach ;
- (e) the manner in which carriages using the tramway after sunset and before sunrise are to be lighted ;
- (f) the traffic on roads along or across which the tramway is laid ;
- (g) the number of passengers which may be carried in any carriage ;

- (h) the licensing and control of drivers, conductors and other persons having charge of the carriages of the promoter or lessee or a licensee; and,
- (i) generally, the mode of use of the tramway.
- (3) The promoter or lessee of a tramway may, from time to time, with the previous sanction of the Government, make rules consistent with this Regulation and with the order and any rules made under this Regulation—
- (a) for preventing the commission of any nuisance in or upon any carriage, or in or against any premises, belonging to him; and
- (b) for regulating the travelling in any carriage belonging to him.
- (4) The Government may cancel any rule made by a local authority or by a promoter or lessee under this section.

25. The authority making any rule under section 24 may direct that a breach of it shall be punishable with fine which may extend—

Power to impose penalty by rule.

- (a) if the authority making the rule is the Government, to two hundred rupees, and
- (b) if that authority is a local authority or a promoter or lessee, to twenty rupees; and when the breach is a continuing breach, with a further fine which may extend—
- (c) if the authority making the rule is the Government, to fifty rupees, and,
- (d) if that authority is a local authority or a promoter or lessee, to five rupees, for every day after the first during which the breach continues.

26. (1) Every authority having power to make rules under any section of this Regulation shall, before making the rules, publish a draft of the proposed rules for the information of persons likely to be affected thereby.

Procedure for making, and publication of, rules.

(2) The publication shall be made, in the case of rules made by the Government, in such manner as may in its opinion be sufficient for giving information to persons interested, and, in the case of rules made by a local authority or by a promoter or lessee, in manner prescribed.

(3) There shall be published with the draft a notice specifying a date, not earlier than the expiration of one month after the date of publication, at or after which the draft will be taken into consideration.

(4) The authority shall receive and consider any objection or suggestion which may be made by any person with respect to the draft before the date so specified.

(5) The publication in the official Gazette of a rule purporting to be made under this Regulation shall be conclusive proof that it has been duly made.

Offences.

27. If a promoter—

Penalty for failure of promoter, lessee or licensee to comply with Regulation or order.

- (a) constructs or maintains a tramway otherwise than in accordance with the order, or
- (b) opens the tramway for traffic, or permits it to be so opened, before it has been inspected and certified in manner required by section 12, or
- (c) fails to observe any requirement or condition of the order for neglect or breach whereof no penalty has been expressly provided in the order,
- or if a promoter, lessee or licensee runs a carriage on a tramway otherwise than in accordance with the order,

he shall (without prejudice to the enforcement of specific performance of the requirements of this Regulation or of the order, or to any other remedy which may be obtained against him in a Court of Civil Judicature), on complaint made by the Government or by the local authority or road-authority or by the District Magistrate or, with the previous sanction of the District Magistrate, by any person injuriously affected by the act or omission, be punished with fine which may extend to two hundred rupees, and in the case of a continuing offence to a further fine which may extend to fifty rupees for every day after the first during which the offence continues to be committed.

28. If any person without lawful excuse, the burden of proving which shall lie upon him, wilfully obstructs any person acting under the authority of the promoter in the lawful exercise of his powers in constructing or maintaining a tramway, or injures or destroys any mark

Penalty for obstructing promoter in exercise of his powers.

made for the purpose of setting out the line of the tramway, he shall be punished with fine which may extend to fifty rupees.

29. If any person without lawful excuse, the burden of proving which shall lie upon him, wilfully does any of the following things, namely :—
 Penalty for interfering with tramway.

- (a) interferes with, removes or alters any part of a tramway constructed under this Regulation, or of the works connected therewith, or
- (b) places or throws upon or across any such tramway any wood, stone, refuse or other thing, or
- (c) does anything in such a manner as to obstruct any carriage using any such tramway, or
- (d) abets within the meaning of the Indian Penal Code the doing of, or attempts to do, anything mentioned in clause (a), clause (b), or clause (c),

he shall (without prejudice to any other remedy which may be obtained against him in a Court of Civil Judicature) be punished with fine which may extend to one hundred rupees.

30. If any person, except under a lease from, or by agreement with, the promoter, or under license from the Government granted under this Regulation uses on a tramway, otherwise than as permitted by section 14, a carriage having flange-wheels or other wheels suitable to run on the rail of the tramway, he shall be punished with fine which may extend to two hundred rupees.
 Penalty for using tramway with carriage having flange-wheels.

31. (1) If any person travelling or having travelled in a carriage of the promoter or lessee or of a licensee evades or attempts to evade payment of toll, or if any person having paid toll for a certain distance wilfully proceeds in any such carriage beyond that distance and does not pay the additional toll for the additional distance or attempts to evade payment thereof, or if any person wilfully refuses or neglects on arriving at the point to which he has paid toll to quit the carriage, he shall be punished with fine which may extend to ten rupees.
 Penalty for evading payment of proper toll.

(2) When a person commits an offence under this section and refuses on demand of a servant of the promoter, lessee or licensee to give his name and residence, or gives a name or residence which the servant has reason to believe to be false, he may be arrested and taken to the nearest police-station by the servant or any person whom the servant may call to his aid.

(3) When the person is taken to the police-station he shall with the least possible delay be forwarded to the nearest Magistrate, unless his true name and residence are ascertained, in which case he shall be released on his executing a bond for his appearance before a Magistrate if so required.

32. If any person takes or sends by a trainway any goods of a dangerous or offensive nature without giving the notice required by section 16, he shall be punished with fine which may extend to fifty rupees.
 Penalty for taking or sending dangerous or offensive goods without giving notice.

33. (1) If a licensee fails on demand to give the account mentioned in section 18, or, with intent to evade the payment of tolls, gives a false account when he is called upon to give an account under that section, he shall be punished with fine which may extend to fifty rupees.
 Penalty for licensee not giving to promoter or lessee an account of traffic or giving false account.

(2) The fine shall be in addition to any tolls payable by the licensee to the promoter or lessee in respect of the passengers or goods conveyed by the carriage or carriages used by the licensee on the tramway.

34. Nothing in this Regulation shall prevent a person from being prosecuted under any other law for an act or omission which constitutes an offence against this Regulation or the rules made under it, or from being liable under that other law to any other or higher punishment or penalty than that provided by this Regulation or the rules made under it: Provided that a person shall not be punished twice for the same offence.
 Saving of prosecutions under other laws.

Settlement of Differences.

35. (1) If any difference arises between the promoter or lessee on the one hand and the Government or the local authority, or the road-authority, or a person having the charge of any sewers, drains, telegraph-lines, gas-pipes, water-pipes, or other things in or on land occupied by the tramway, on the other hand, with respect to any interference or control exercised or claimed to be exercised by, or on behalf of, either party by virtue of this or any other
 Differences between promoters or lessees and authorities.

Regulation, or of the order or the rules made under this Regulation, or with respect to the propriety of, or the mode of, the execution of any work, or with respect to any compensation to be made by or to the promoter or lessee, or on the question whether any work is such as ought reasonably to satisfy the Government or the road-authority or both, or with respect to any other subject or thing regulated by, or comprised in, this Regulation or the order or the rules made under this Regulation, and not otherwise expressly provided for therein, the matter in difference shall, except where the parties elect to proceed under section 523 of the Code of Civil Procedure, be settled, on the application of either party, by a referee.

(2) Where the difference is—

- (a) between the promoter or lessee on the one hand and the Government, either as such or as the road-authority, on the other, or
- (b) between the promoter on the one hand and the local authority on the other, with respect to the sum to be paid by the local authority for an undertaking or part of an undertaking which that authority has required the promoter to sell under section 22,

the referee shall be the District Court within the jurisdiction of which the tramway is situate, or, where the tramway is within the jurisdiction of more than one District Court, the District Court within the jurisdiction of which the greater part of the tramway is situate.

(3) In other cases the referee shall be appointed by the Government.

(4) Except where the referee is the District Court, the powers and procedure of the referee may be prescribed.

(5) In the case of a difference between a promoter on the one hand and a local authority on the other, with respect to the sum to be paid by the local authority for an undertaking or part of an undertaking which that authority has required the promoter to sell under section 22, an appeal shall lie to the Chief Court from the award of the referee as from an original decree of the District Court.

(6) In the case of every other difference the award of the referee shall be final.

Recovery of Tolls.

36. Any of the following moneys, namely, any rent due to a local authority from a lessee, any penalty recoverable from a promoter or lessee under an order, any sum payable by a promoter or lessee under an award of a referee, the cost of the performance under this Regulation by the Government or by a local authority or road-authority of any work required by this Regulation or by an order to be done by a promoter, and the cost incurred by a road-authority in removing a tramway and re-instating a road under this Regulation may, without prejudice to any other remedy that the authority to which the money is due may have by suit or otherwise, be recovered by that authority, on application made in this behalf to the Deputy Commissioner, as if the sum due were an arrear of land revenue due by the promoter or lessee or his surety (if any):

Provided that nothing in this section shall authorise the arrest of the promoter or lessee or his surety in execution of any process issued by the Deputy Commissioner.

37. (1) If a licensee fails to pay on demand the tolls due for the use of a tramway, the promoter or lessee to whom the tolls are due may, without prejudice to the remedy which he may have by suit, apply to a Magistrate to recover the amount of the tolls, and the Magistrate may, after giving notice to the licensee if possible and allowing him an opportunity of being heard, proceed to recover the amount by distress and sale of any carriages or other moveable property of the licensee which may be found on the tramway or on premises connected therewith.

(2) When a licensee has failed to pay on demand the tolls due from him, the promoter or lessee to whom the tolls are due may seize any carriage or other moveable property of the licensee on the tramway or on premises connected therewith, and detain the same for forty-eight hours unless the tolls are sooner paid.

(3) When application is made to a Magistrate under sub-section (1), he may make an interim order of distraint pending his final decision.

38. Any toll due to a promoter, lessee or licensee from a passenger may be recovered either by suit or, on application to a Magistrate having jurisdiction within any local area in which any part of the tramway is laid, by distress and sale of any moveable property belonging to the passenger within the local limits of the jurisdiction of the Magistrate.

Savings.

39. (1) Notwithstanding anything contained in this Regulation, or in an order or any rule made under this Regulation, a promoter shall not acquire any right other than that of user only over a road along or across which he lays a tramway, nor shall anything contained in this Regulation, or in an order or any rule made under this Regulation, exempt the promoter of a tramway, or any other person using the tramway, from the payment of such charges as may lawfully be levied in respect of the use of a road or bridge along or across which the tramway is laid.

(2) The Government may, if it thinks fit, fix rates at which a promoter, lessee or licensee may compound for the charges payable in respect of the use of a road or bridge.

40. (1) Nothing in this Regulation, or in an order or any rule made under this Regulation, shall take away or abridge any power which a road-authority, local authority or other person has by law to break up, widen, alter, divert or improve a road, railroad or tramway along or across which a tramway is laid.

(2) The road-authority, local authority or other person executing any work referred to in sub-section (1) shall not be liable to pay to a promoter, lessee or licensee any compensation for injury done to a tramway by the execution of the work or for loss of traffic occasioned by the reasonable use of any power lawfully exercised for the execution thereof.

41. Nothing in this Regulation, or in an order or any rule made under this Regulation, shall affect the powers of a local authority or of a Magistrate or police-officer to regulate the passage of traffic along or across a road along or across which a tramway is laid; and the authority, Magistrate or officer aforesaid may exercise its or his powers as well on as off the tramway and with respect as well to the traffic of a promoter, lessee or licensee as to the traffic of other persons.

Supplemental Provisions.

42. A promoter, lessee or licensee shall be answerable for all injuries happening through his act or default, or through the act or default of any person in his employment, by reason or in consequence of any of his carriages or works, and shall save harmless all authorities and persons collectively and individually, and their officers and servants, from all damages and costs in respect of injuries so happening.

43. For the purposes of this Regulation want of funds shall not be deemed to be a sufficient reason for the suspension of the construction, or the discontinuance of the working, of a tramway by a promoter or lessee.

44. When a tramway is constructed under this Regulation within the limits of a municipality, the Government may exempt the animals, plant, rolling-stock, yards, workshops, engine-sheds and depots of the promoter, lessee or licensee, for such period as it thinks fit, from all or any municipal taxes leviable within those limits.

45. (1) The fund to or with the control or management of which the local authority of a municipality or district is entitled or entrusted shall, notwithstanding anything in any enactment respecting the purposes to which that fund may be applied, be applicable, subject to the control of the Government, to the payment of expenses incidental to the exercise of the powers and functions which may be vested in or exercised by a local authority under this Regulation.

(2) The fund shall also be applicable, with the previous sanction of the Government, to a guarantee of the payment of interest on money to be applied, with the concurrence in writing of the local authority, within the limits of the local area under its control, to any of the purposes to which the fund might be applied by the local authority under sub-section (1).

46. (1) No tramway shall be constructed for public traffic except in pursuance of an order made under this Regulation.

(2) A person constructing a tramway in contravention of sub-section (1) of this section,

or maintaining or using for public traffic a tramway otherwise than in pursuance of an order made under this Regulation,

shall be liable, on the complaint of the Government or local authority, to double the penalty to which a promoter acting otherwise than in accordance with an order is liable under section 27.

47. If at any time a local area comprising a tramway to which this Regulation or any part thereof or any rule thereunder applies ceases to be included in the circle of a local authority, the functions of that authority under this Regulation or the part thereof or the rule thereunder and under the order (if any), shall, in respect of that local area, devolve on the Government or, if the Government so directs, on the local authority of the circle in which the tramway has been included.

Powers of Government exercisable from time to time.

48. All powers conferred by this Regulation on the Government may be exercised from time to time as occasion requires.

V. P. MADHAVA RAO,
Dewan of Mysore.

REGULATION No. III OF 1906.

(PASSED ON THE 12TH DAY OF JULY 1906.)

A Regulation further to amend the Code of Civil Procedure as in force in Mysore.

Whereas it is expedient further to amend the Code of Civil Procedure, 1882, as in force in Mysore; His Highness the Maharaja is pleased to enact as follows:—

Preamble.

1. For section 253 of the Code of Civil Procedure, 1882, as introduced by Regulation II of 1884, and amended by Regulations, II of 1887, VII of 1892, VI of 1901 and VI of 1904, the following shall be substituted, namely:—

Substitution of new section for section 253 of the Civil Procedure Code.

“253. Where any person has become liable as surety for the performance of any decree, or for the restitution of any property taken in execution of a decree, or for the payment of any money, or for the fulfilment of any condition imposed on any person under an order of the Court in any suit or in any proceeding consequent thereon, or of any part thereof, the decree or order may be executed against him, to the extent to which he has rendered himself liable, in the manner herein provided for the execution of decrees:

Enforcement of liability of surety.

Proviso.

Provided that such notice in writing as the Court may in each case think sufficient has been given to the surety.”

Addition of new section after Section 310.

2. The following section shall be inserted after section 310, namely:—

“310 A (1). Where immovable property has been sold under this Chapter in execution of a decree of any kind, including a decree in a suit for sale for the enforcement of a mortgage or charge, any person, either owning such property or holding an interest therein by virtue of a title acquired—

Application to set aside sale on deposit of judgment debt.

(a) where the property has been attached in execution of the decree, before such attachment, or

(b) where the property is sold in pursuance of a decree declaring its liability to sale in satisfaction of a mortgage or charge, before such decree,

may, at any time within thirty days from the date of the sale, apply to have the sale set aside on his depositing in Court—

(i) for payment to the purchaser, a sum equal to five per centum of the purchase money, and,

(ii) for payment to the decree-holder, a sum equal to the purchase money, together with the costs of the attachment and sale;

Provided that, if a person applies under section 311 to set aside the sale of his immovable property, he shall not, unless he withdraws his application, be entitled to make or prosecute an application under this section.

(2) Where immovable property has been sold under this Chapter by separate lots in execution of a decree, an application with regard to one or more of such lots may be made under this section.

(3) Any person making an application under this section shall be bound to implead the purchaser and the decree-holder as parties thereto; and, where the purchaser and the decree-holder are not so impleaded, the application shall be dismissed.

(4) Where any sale is set aside by an order made under this section, the property sold shall not be liable to be again attached in execution of the same decree unless such order is set aside in appeal or otherwise.”

Amendment of section 315 of the Code.

3. In section 315 of the said Code, the figures and letter “310 A” shall be inserted after the word “section” and before the figures “312.”

Addition of new section after section 582 of the Code.

4. After section 582 of the said Code, the following section shall be added, namely:—

“582 A. If a memorandum of appeal or application for a review of judgment has been presented within the proper period of limitation, but is written upon paper insufficiently stamped and the insufficiency of the stamp was caused by a mistake on the part of the appellant or applicant as to the amount of the requisite stamp, the memorandum of appeal or application shall have the same effect and be as valid as if it had been properly stamped: Provided that such appeal or application shall be rejected unless the appellant or applicant supplies the requisite stamp within a reasonable time after the discovery of the mistake, to be fixed by the Court.”

Validation of certain memoranda of appeals or applications for review of judgment.

REGULATION No. II OF 1906.

(PASSED ON THE 7TH DAY OF JULY 1906.)

A Regulation to facilitate the construction and to regulate the working of Tramways in Mysore.

WHEREAS it is expedient to facilitate the construction and to regulate the working of tramways in Mysore; His Highness the Maharaja is pleased to enact as follows:—

Preliminary.

1. (1) This Regulation may be called the Mysore Tramways Regulation, 1906; and
Short title and commencement.

(2) It shall come into force at once.

2. It extends to the whole of Mysore.
Local extent.

3. In this Regulation, unless there is something repugnant in the subject or context,—
Definitions.

(1) "local authority" means a municipal committee, district board, or other authority legally entitled to, or entrusted by the Government with, the control or management of a municipal or local fund:

(2) "road" means the way of a road, street, thoroughfare, passage or place along or across which a tramway authorised under this Regulation is, or is intended to be, laid, and includes the surface-soil and sub-soil of a road, and the footway, bermes, drains and ditches of a road, and any bridge, culvert or causeway forming part of a road:

(3) "road-authority," in relation to a road, means—

(a) if a local authority maintains and repairs the road, then that authority;

(b) if a local authority does not maintain and repair the road, and the road is neither vested in nor maintained and repaired by the Government, then the person in whom the road is vested;

(c) if a local authority does not maintain and repair the road, and the road is vested in or maintained and repaired by the Government, then the Government:

(4) "circle," in relation to a local authority or road-authority, means the area within the control of that authority:

(5) "tramway" means a tramway, or any part of a tramway, or any siding, turnout, connection, line or track belonging to a tramway:

(6) "order" means an order authorising the construction of a tramway under this Regulation, and includes a further order substituted for, or amending, extending or varying, that order:

(7) "promoter" means a local authority or person in whose favour an order has been made, and includes a local authority or person on whom the rights and liabilities conferred and imposed on the promoter by this Regulation and by the order and any rules made under this Regulation as to the construction, maintenance and use of the tramway, have devolved:

(8) "undertaking" includes all moveable and immoveable property of the promoter suitable to and used by him for the purposes of the tramway:

(9) "carriage," in the case of a tramway on which steam-power or any other mechanical power is used, includes an engine worked on the tramway for the purpose of producing that power:

(10) "toll" includes any charge leviable in respect of the use of a tramway:

(11) "lessee" means a person to whom a lease has been granted of right of user of a tramway and of demanding and taking the authorised tolls:

(12) "District Magistrate" includes an officer empowered by the Government by name or by virtue of his office to discharge within any local area all or any of the functions of a District Magistrate under this Regulation:

(13) "District Court" means a principal Civil Court of original jurisdiction:

(14) "Deputy Commissioner" means the chief officer in charge of the revenue-administration of a district, and includes an officer empowered by the Government by name or by virtue of his office to discharge within any local area the functions of a Deputy Commissioner under this Regulation: and

(15) "prescribed" means prescribed by rules made by the Government under this Regulation.

Orders authorising the Construction of Tramways.

4. (1) The Government may make an order authorising the construction of a tramway in a circle on application made—

Application for and consent necessary to making of order.

- (a) by the local authority of the circle with the consent of the road-authority of any road or part of a road which is to be traversed by the tramway and of which the local authority is not itself the road-authority; or
- (b) by any person with the consent of the local authority of the circle, and of the road-authority of any road or part of a road which is to be traversed by the tramway and of which the local authority is not the road-authority:

(2) A local authority shall not make an application for an order, or be deemed to consent to an application being made by any person for an order, unless the making of the application or the giving of the consent has been approved by the local authority in manner prescribed.

5. When it is proposed to lay a tramway in two or more circles, and a local authority or

Consent of local or road-authority not necessary in certain cases.

road-authority having control in either or any of the circles does not consent thereto, or attaches conditions to its consent, the Government may, nevertheless, make an order authorising the construction of the tramway in the circle, or by the order impose on the promoter any conditions which it deems fit, if, after considering the reasons of the authority for withholding its consent or attaching the conditions thereto, it is satisfied that the construction of the tramway in the circle is expedient, or, as the case may be, that the conditions attached by the authority to its consent ought not to be imposed.

6. (1) The Government on receiving an application shall consider it, and, if satisfied as to

Procedure for making order.

the propriety of proceeding thereon, publish in the official Gazette, and in such other manner as it deems sufficient for giving information to persons interested, a draft of a proposed order authorising the construction of the tramway.

(2) A notice shall be published with the draft stating that any objection or suggestion which any person may desire to make with respect to the proposed order will, if submitted to the Government on or before a date to be specified in the notice, be received and considered.

(3) If, after considering any objections or suggestions which may have been made with respect to the draft on or before the date so specified, the Government is of opinion that the application should be granted, with or without addition or modification, or subject or not to any restriction or condition, it may make an order accordingly.

(4) Every order authorising the construction of a tramway shall be published in the official Gazette in English, and in Kannada; and that publication shall be conclusive proof that the order has been made as required by this section.

7. (1) An order made under section 6 shall empower the promoter therein specified to

Contents of order.

construct and maintain the tramway therein described in the manner therein provided, and shall specify the time within which the tramway shall be commenced and the time within which it shall be completed and opened for public traffic.

(2) The order may also provide, in manner consistent with this Regulation, for all or any of the following among other matters, that is to say:—

- (a) a period before the expiration of which the tramway shall not be commenced, and the conditions subject to which the local authority, when it is not itself the promoter, may, within that period, elect to be substituted in the place of the promoter in respect of the undertaking or of so much thereof as is within its circle; and the limits of time within which, and the terms upon which, the local authority may, after the tramway has been constructed, require the promoter to sell to it the undertaking or so much thereof as is within its circle;
- (b) the acquisition by the promoter of land for the purposes of the tramway, and the disposal by him of land which has been acquired but is no longer required for those purposes;
- (c) the conditions subject to which roads may be opened and broken up for the purposes of the construction or maintenance of the tramway or any part thereof, and the method of, and materials to be used in, the re-instating of the roads, and the approval of the method and materials by the Government or the road-authority before the commencement of the work;

- (d) the conditions on which the tramway may be constructed over a bridge or across a railway or tramway when the carriageway over the bridge is to form part of the tramway or when the tramway is to cross a railway or another tramway on the level;
- (e) the space which shall ordinarily intervene between the outside of the carriageway on either side of a road whereon the tramway is to be constructed and the nearest rail of the tramway, and the conditions on which a smaller space may be permitted;
- (f) the gauge of the tramway; the rails to be used, and the mode in which and the level at which they shall be laid and maintained; and the adoption and application by the promoter of such improvements in the rails, and in their situation, and in the sub-structure upon which they rest, as the Government may from time to time require;
- (g) the portion of the road or roads traversed by the tramway to be kept in repair by the promoter; the maintenance by the promoter to the satisfaction of the Government or the road-authority, or both, of that portion of the road or roads; and the liability of the promoter, on the requisition of the Government, from time to time to adopt and apply such improvements in the tramway as the Government may consider necessary or desirable for the safety or convenience of the public, and to alter the position or level of the tramway to suit future alterations in the road or roads;
- (h) the application of material excavated by the promoter in the construction or maintenance of the tramway;
- (i) the provision of such crossings, passing-places, sidings, junctions and other works, in addition to those specified in or authorised by the order, as may from time to time be necessary or convenient to the efficient working of the tramway;
- (j) the powers which may from time to time be exercised by the Government, the local authority, the road-authority or any person in respect of sewers, drains, telegraph-lines, gas-pipes, water-pipes or other things in or on land occupied by the tramway; the notice (if any) to be given of the intended exercise of those powers; the manner in which the powers shall be exercised; and the extent to which the tramway and the traffic thereon may be interfered with in the exercise thereof;
- (k) the conditions subject to which the promoter may from time to time interfere with, or alter or require the alteration of the position of, drains (not being sewers or main drains), telegraph-lines, gas-pipes, water-pipes or other things as aforesaid;
- (l) the provision of a temporary tramway in place of a part of a tramway which has been removed, or of which the use has been discontinued, by reason of the execution of any work affecting a road along which the part of the tramway was laid, or by reason of the use of the road being interrupted by floods or other cause;
- (m) the motive power to be used on the tramway, and the conditions on which steam-power or any other mechanical power may be used;
- (n) the nature, dimensions, fittings, appliances and apparatus of the carriages to be used on the tramway, and the inspection and examination thereof by officers of the Government or the local authority, and the liability of the promoter or lessee, on the requisition of the Government, from time to time, to adopt and apply such improvements in the carriages, and in the fittings, appliances and apparatus, as the Government may consider necessary or desirable for the safety or convenience of the public;
- (o) the traffic which may be carried on the tramway, the traffic which the promoter or lessee shall be bound to carry; and the traffic which he may refuse to carry; the tolls to be leviable by the promoter or lessee, and the periodical revision thereof by the Government; and the regulation of the traffic and of the levy of the tolls;
- (p) the use of the tramway free of toll by the local authority, with its own carriages, for specified purposes, during specified hours, with power to the local authority to make such sidings, and other works as may be necessary for communication between its premises and the tramway;
- (q) the conditions subject to which the promoter may transfer the undertaking, or any part thereof, by sale, mortgage, lease, exchange or otherwise; and the conditions subject to which the local authority may be the transferee;
- (r) the performance by the Government or by the local authority or road-authority of any work required by the Regulation or the order to be done by the promoter; and

- (s) the penalty to be incurred by the promoter or lessee for failure to observe any condition or direction contained in the order, and the application of the penalty when recovered.

(3) The Government may, in providing in the order for the acquisition of land for the purposes of a tramway of which the promoter is not a company, direct that land may be acquired for the promoter under the provisions of the Mysore Land Acquisition Regulation, VII of 1894, in the same manner and on the same conditions as it might be acquired for the purposes of the tramway if a company were the promoter.

(4) The order shall imply the condition—

- (a) in the case of a tramway of which a local authority is the promoter, that a lease thereof shall be granted only in manner by this Regulation provided; and
(b) in the case of a tramway of which a local authority is not the promoter, that a lease thereof shall be only of the right of user and of demanding and taking the authorised tolls, and shall not confer or impose on the lessee any of the powers or duties of the promoter in respect of the construction or maintenance of the tramway.

8. (1) The Government may, on the application of the promoter, revoke, amend, extend or vary the order by a further order.
Further order.

(2) An application for a further order shall be made in the same manner and subject to the same conditions as an application for an order.

(3) The Government may, in its discretion, either grant or reject the application.

(4) If it grants the application, it shall make the further order in the same manner as an order, except that no addition to, or modification of, the rights, powers and authorities asked for in the application, or restriction or condition with respect thereto, shall be made or imposed by the further order without the consent in writing of the promoter.

9. (1) Subject to, and in accordance with, the provisions of this Regulation, the Government may, on a joint application, or on two or more separate applications, make an order empowering two or more local authorities, respectively, jointly to construct the whole, or separately to construct parts, of a tramway, and jointly or separately to own the whole or parts thereof.
Power to authorise joint work by local authorities.

(2) All the provisions of this Regulation which relate to the construction of tramways shall extend and apply to the construction of the whole and the separate parts of the tramway, and the form of the order may be adapted to the circumstances of the case.

10. (1) If a promoter authorised by an order to construct a tramway—
Cessation of powers given by an order.

- (a) does not within the time specified in the order substantially commence the construction of the tramway, or
(b) having commenced the construction, suspends it without a reason sufficient in the opinion of the Government to warrant the suspension, or
(c) does not within the time specified in the order complete the tramway and open it for public traffic,

the following consequences shall ensue :—

- (i) the powers given by the order to the promoter for constructing the tramway and otherwise in relation thereto, shall, unless the Government, by special direction in writing, prolongs the time or condones the suspension, cease to be exercised except as to so much of the tramway as is then completed;
(ii) as to so much of the tramway as is then completed, the Government may either permit, or refuse to permit, the powers given by the order to continue;
(iii) if the Government refuses to permit the powers to continue, then so much of the tramway as is then completed may be dealt with, under the provisions of this Regulation relating to the discontinuance of tramways, as a tramway of the working whereof the discontinuance has been proved to the satisfaction of the Government.

(2) A notification published by the Government in the official Gazette to the effect that on a date specified in the notification the construction of a tramway had not been substantially commenced or a tramway had not been completed and opened for public traffic, or that the construction of a tramway had been suspended without sufficient reason, shall, for the purposes of this section, be conclusive proof of the matter stated therein.

Construction and Maintenance of Tramways.

Mode of formation of tramway.

11. A tramway shall be constructed and maintained in the manner provided by the order.

Inspection of tramway before opening.

12. A tramway, or portion or extension of, or addition to, a tramway, shall not be opened for public traffic until an engineer appointed in this behalf by the Government has inspected it and certified it to be fit for such traffic.

Agreement between road-authority and promoter as to repair of roadway.

13. Subject to the provisions of any order for the time being in force with respect to the matters mentioned in section 7, sub-section (2), clause (g), the road-authority and the promoter may from time to time enter into agreements as to the keeping in repair of the whole or a part of a road traversed by a tramway, and as to the proportion to be paid by either of them of the expense of keeping the road or part in repair.

Traffic on Tramways.

14. (1) The promoter of a tramway shall, subject to the provisions of sub-section (2) and to the other provisions of this Regulation and of the order, have the exclusive use of the tramway for carriages with flange-wheels or other wheels suitable to run on the rail described in the order as the rail to be used on the tramway:

Provided that nothing in this Regulation or in the order or any rule made under this Regulation shall affect the right of any person authorised to use a tramway or railway to pass across a tramway constructed under this Regulation with carriages having wheels suitable to run on the rail thereof.

(2) The public shall have a right to pass along or across any part of a road along or across which a tramway is constructed, whether on or off the tramway, with carriages not having flange-wheels or other wheels suitable to run on the rail of the tramway: Provided—

(a) that this sub-section shall not apply where the tramway is constructed on land the right to the exclusive possession of which has been acquired by the promoter; and

(b) that the Government may by an order authorise the construction of a tramway on any part of a road with rails raised above the surface of the road, if it is satisfied that the convenience of the public will not be injuriously affected thereby.

Tolls leviable by promoter or lessee.

15. (1) The promoter or lessee may demand and take, in respect of the tramway, tolls not exceeding the limits specified in or determinable under the order, or, if the order contains no provision in this behalf, then such sums as may from time to time be fixed by the promoter or lessee with the previous sanction of the Government.

(2) A list of all the tolls authorised to be levied shall be exhibited, in such languages as the District Magistrate may direct, in a conspicuous place inside and outside each of the carriages used upon the tramway.

Carriage of dangerous or offensive goods.

16. (1) A person shall not be entitled to carry or to require to be carried, on a tramway constructed under this Regulation, any goods of a dangerous or offensive nature.

(2) A person taking such goods with him on the tramway shall, before entering the carriage, give notice of their nature to the servant of the promoter or lessee in charge of the carriage.

(3) A person sending such goods by the tramway shall distinctly mark their nature on the outside of the package containing them, or otherwise give notice thereof in writing to the servant of the promoter or lessee with whom he leaves them for the purpose of their being sent by the tramway.

(4) Any servant of the promoter or lessee may refuse to carry upon the tramway a parcel which he suspects to contain goods of a dangerous or offensive nature, and, if any such parcel has been received for the purpose of being carried upon the tramway, may stop the transit thereof until he is satisfied as to the nature of its contents.

(5) Where a servant of the promoter or lessee refuses under sub-section (4) to carry a parcel which has been received for the purpose of being carried upon the tramway, he shall, as soon as may be, give notice of his refusal to the consignor or consignee if he refuses at a time when neither of them is present.

Licenses to use tramways.

17. If, at any time after a tramway or part of a tramway has been for three years opened for public traffic in a circle, the local authority of the circle represents in writing to the Government that the public is deprived of the full benefit of the tramway or of the part thereof, the Government may, if after considering any statement which the promoter or lessee or both may desire to make, and after such further enquiry as it deems necessary, it is satisfied as to the truth of the representation, grant a license to any person to use the tramway conformably to this Regulation and to the order and the rules made under this Regulation, subject to the following provisions, namely:—

Grants to third parties of licenses to use tramway in certain events.

- (a) the license shall be for a period not less than one year or more than three years from the date of the license, but the Government may in its discretion renew it;
- (b) the license shall be to use the whole of the tramway for the time being opened for public traffic, or such part or parts of the tramway as the Government, having regard to the cause for granting the license, thinks fit.
- (c) the license shall specify the number of carriages which the licensee shall run upon the tramway, the mode in which, and times at which, the carriages shall be run, the tolls to be paid to the promoter or lessee by the licensee for the use of the tramway, and the tolls, being those for the time being leviable by the promoter or lessee, which the licensee may demand and take for the use of his carriages;
- (d) the licensee and his officers and servants shall permit one person, duly authorised for that purpose by the promoter or lessee, to travel free of toll in or upon each carriage of the licensee run upon the tramway for the whole or any part of a journey;
- (e) any provision of this Regulation or of the order or rules made under this Regulation, relating to the functions of a servant of a promoter or lessee shall be construed, so far as may be, as referring to a servant of the licensee; and
- (f) the Government may revoke, alter or modify the license for any cause sufficient in its opinion to warrant the revocation, alteration or modification thereof.

18. A licensee shall, on demand, give to an officer or servant authorised in that behalf by the promoter or lessee an exact account in writing, signed by the licensee, of the number of passengers, or number or quantity of goods, conveyed by any and every carriage used by him on the tramway.

Licensee to give to promoter or lessee an account of traffic.

Discontinuance of Tramways.

19. If it is proved to the satisfaction of the Government, at any time after the opening of a tramway for public traffic, that the working of the tramway, or any part thereof, has been practically discontinued, for the space of three months, without a reason sufficient, in the opinion of the Government, to warrant the discontinuance, the Government, if it thinks fit, may, by notification in the official Gazette, declare that the powers of the promoter and of the lessee, if any, in respect of the tramway or the part thereof of which the working has been so discontinued, shall, from the date of the notification, be at an end; and thereupon the said powers shall cease and determine, except in so far as they may be purchased by a local authority in manner by this Regulation provided.

Cessation of powers of promoter and lessee, on discontinuance of tramway.

20. (1) Where a notification has been published under Section 19, the road-authority may, at any time after the expiration of two months from the date of the notification, remove the tramway or part of the tramway of which the working has been so discontinued, and use the materials thereof in re-instating the road.

Powers of road-authority on cessation of powers of promoter.

(2) The promoter shall pay to the road-authority the cost incurred by that authority in removing the tramway or the part thereof and in re-instating the road.

(3) The cost shall be certified by an officer of the road-authority, and his certificate, countersigned by the District Magistrate, shall be conclusive proof as to the cost incurred.

(4) If the promoter does not pay the amount so certified within one month after the delivery to him of the certificate or of a copy thereof, the road-authority may, without any previous notice to the promoter and without prejudice to any other remedy which it may have for the recovery of the amount, sell and dispose of such materials of the tramway or part thereof

removed as it has not used in re-instating the road, either by public auction or by private sale, and for such sum or sums, and to such person or persons, as it thinks fit, and may, out of the proceeds of the sale, pay and reimburse itself the amount of the cost aforesaid and of the expenses of the sale, and shall pay over the residue (if any) of the proceeds of the sale to the promoter.

Insolvency of Promoter.

21. (1) If, at any time after the opening of a tramway in a circle for public traffic, it appears to the road-authority or local authority of the circle that the promoter of the tramway is insolvent, so that he is unable to maintain the tramway, or to work it with advantage to the public, and either of those authorities makes a representation to that effect to the Government, the Government may, if after considering any statement which the promoter may desire to make, and after such further enquiry as it deems necessary, it is satisfied as to the truth of the representation, declare, by notification in the official Gazette, that the powers of the promoter shall, at the expiration of six months from the publication of the notification, be at an end; and the powers of the promoter shall cease and determine at the expiration of that period, except in so far as they may be purchased by a local authority in manner by this Regulation provided.

(2) Where a notification has been published under sub-section (1), the road-authority may, at any time after the expiration of six months from the date thereof, remove the tramway in the same manner, and subject to the same provisions as to the payment of the cost of the removal and to the same remedy for recovery of the cost, in every respect as in cases of removal under section 20.

Purchase of Tramways.

22. (1) Where the promoter of a tramway in a circle is not the local authority, the local authority, with the previous sanction of the Government, may—

- (a) within such limits of time as may be specified in this behalf in the order, or
- (b) if a time was not specified in the order, then within six months after the expiration of a period of twenty-one years from the date of the order, and within six months after the expiration of every subsequent period of seven years, or
- (c) within two months after the publication of a notification under section 19 or within six months after the publication of a notification under section 21,

by notice in writing, require the promoter to sell to the local authority his undertaking or the part thereof which is within the circle of the local authority; and thereupon the promoter shall sell the same upon the terms specified in the order, or if the terms were not specified in the order, then upon the terms of paying the then value of the undertaking or of the part thereof, exclusive of any allowance for past or future profits of the undertaking or any compensation for compulsory sale or other consideration whatsoever.

(2) A requisition shall not be made under sub-section (1) unless the making thereof has been approved by the local authority in manner prescribed.

(3) When a sale has been made under this section, all the rights, powers and authorities of the promoter in respect of the undertaking or part thereof sold or, where a notification has been published under section 19 or section 21, all the rights, powers and authorities of the promoter previous to the publication of the notification in respect of the undertaking or part thereof sold, shall be transferred to the authority to whom the undertaking or part has been sold, and shall vest in, and may be exercised by, that authority in the same manner as if the tramway had been constructed by it under an order made under this Regulation.

(4) Subject to, and in accordance with, the preceding provisions of this section, two or more local authorities may jointly purchase an undertaking or so much thereof as is within their circles.

Working of Tramways owned by Local Authorities.

23. (1) When a local authority has under the authority of an order completed a tramway, or has under the provisions of this Regulation or of an order acquired possession of a tramway, it may, by a lease to be approved by the Government, let to any person the right of user of the tramway and of demanding and taking the authorised tolls.

(2) On the determination of a lease the local authority may from time to time let the right for such further term and on such conditions as the Government may approve.

(3) Every lease made under this section shall imply a condition of re-entry if at any time after the making thereof it is proved to the satisfaction of the Government that the lessee has practically discontinued the working of the tramway leased, or of any part thereof, for the space of one month without a reason sufficient, in the opinion of the Government, to warrant the discontinuance.

(4) Notice of the intention of the local authority to make a lease shall be given in manner prescribed.

(4) If the local authority cannot by means of a lease obtain what it deems to be a fair rent for the tramway, it may itself, with the previous sanction of the Government and for such term as the Government directs, place and run carriages upon the tramway, and demand and take the authorised tolls in respect of the use of the carriages.

Rules.

24. (1) In addition to any other power to make rules expressly or by implication conferred by this Regulation, the Government may make rules consistent with this Regulation—
Power to make rules.

- (a) as to the form in which an application for an order shall be made ;
- (b) as to the costs to be paid by an applicant in respect of an order and the time when, and the place where, those costs shall be paid ;
- (c) as to the payment of money or lodgment of securities, by way of deposit, by the applicant for an order before the order is published under section 6, sub-section (4), or a further order is made under section 8 ; the investment of money so paid ; the disposal of interest or dividends from time to time accruing due on money or securities so paid, lodged or invested ; the application of the money or securities or the produce thereof to the discharge of any liability incurred by the promoter ; and the forfeiture, repayment or return of the money or securities ;
- (d) as to the plans and sections of any works to be deposited by applicants for orders or by promoters ;
- (e) for regulating the use of steam-power or any other mechanical power on a tramway ;
- (f) as to any matter specified in section 7, sub-section (2), clauses (c), (d), (e), (j) and (k), as a matter which may be provided for in an order, when that matter has not been so provided for, or has not, in the opinion of the Government, been effectually so provided for ;
- (g) as to the periodical submission, by promoters, lessees and licensees, of accounts of traffic and receipts to the Government or as the Government directs, and as to the forms in which those accounts are to be submitted ;
- (h) as to the accidents of which report is to be made to the Government or as the Government directs ;
- (i) as to any matter respecting which rules may be made under this section by a local authority or a promoter or lessee ; and,
- (j) generally, as to any other matter or thing in respect of which it may seem to the Government to be expedient to make rules for carrying out the purposes of this Regulation.

(2) A local authority may, from time to time, with the previous sanction of the Government, make rules consistent with this Regulation and with the order and any rules made by the Government under this Regulation for regulating—

- (a) the rate of speed to be observed in travelling upon a tramway within the circle of the local authority ;
- (b) the use of animal power on the tramway ;
- (c) the distances at which carriages using the tramway are to be allowed to follow one after the other ;
- (d) the stopping of carriages using the tramway and the notice to be given to the public of their approach ;
- (e) the manner in which carriages using the tramway after sunset and before sunrise are to be lighted ;
- (f) the traffic on roads along or across which the tramway is laid ;
- (g) the number of passengers which may be carried in any carriage ;

- (h) the licensing and control of drivers, conductors and other persons having charge of the carriages of the promoter or lessee or a licensee; and,
- (i) generally, the mode of use of the tramway.

(3) The promoter or lessee of a tramway may, from time to time, with the previous sanction of the Government, make rules consistent with this Regulation and with the order and any rules made under this Regulation—

- (a) for preventing the commission of any nuisance in or upon any carriage, or in or against any premises, belonging to him; and
- (b) for regulating the travelling in any carriage belonging to him.

(4) The Government may cancel any rule made by a local authority or by a promoter or lessee under this section.

25. The authority making any rule under section 24 may direct that a breach of it shall be punishable with fine which may extend—

Power to impose penalty by rule.

- (a) if the authority making the rule is the Government, to two hundred rupees, and
- (b) if that authority is a local authority or a promoter or lessee, to twenty rupees; and when the breach is a continuing breach, with a further fine which may extend—
- (c) if the authority making the rule is the Government, to fifty rupees, and,
- (d) if that authority is a local authority or a promoter or lessee, to five rupees, for every day after the first during which the breach continues.

26. (1) Every authority having power to make rules under any section of this Regulation shall, before making the rules, publish a draft of the proposed rules for the information of persons likely to be affected thereby.

Procedure for making, and publication of, rules.

(2) The publication shall be made, in the case of rules made by the Government, in such manner as may in its opinion be sufficient for giving information to persons interested, and, in the case of rules made by a local authority or by a promoter or lessee, in manner prescribed.

(3) There shall be published with the draft a notice specifying a date, not earlier than the expiration of one month after the date of publication, at or after which the draft will be taken into consideration.

(4) The authority shall receive and consider any objection or suggestion which may be made by any person with respect to the draft before the date so specified.

(5) The publication in the official Gazette of a rule purporting to be made under this Regulation shall be conclusive proof that it has been duly made.

Offences.

27. If a promoter—

Penalty for failure of promoter, lessee or licensee to comply with Regulation or order.

- (a) constructs or maintains a tramway otherwise than in accordance with the order, or
- (b) opens the tramway for traffic, or permits it to be so opened, before it has been inspected and certified in manner required by section 12, or
- (c) fails to observe any requirement or condition of the order for neglect or breach whereof no penalty has been expressly provided in the order,

or if a promoter, lessee or licensee runs a carriage on a tramway otherwise than in accordance with the order,

he shall (without prejudice to the enforcement of specific performance of the requirements of this Regulation or of the order, or to any other remedy which may be obtained against him in a Court of Civil Judicature), on complaint made by the Government or by the local authority or road-authority or by the District Magistrate or, with the previous sanction of the District Magistrate, by any person injuriously affected by the act or omission, be punished with fine which may extend to two hundred rupees, and in the case of a continuing offence to a further fine which may extend to fifty rupees for every day after the first during which the offence continues to be committed.

28. If any person without lawful excuse, the burden of proving which shall lie upon him, wilfully obstructs any person acting under the authority of the promoter in the lawful exercise of his powers in constructing or maintaining a tramway, or injures or destroys any mark

Penalty for obstructing promoter in exercise of his powers.

made for the purpose of setting out the line of the tramway, he shall be punished with fine which may extend to fifty rupees.

29. If any person without lawful excuse, the burden of proving which shall lie upon him, wilfully does any of the following things, namely :—
Penalty for interfering with tramway.

- (a) interferes with, removes or alters any part of a tramway constructed under this Regulation, or of the works connected therewith, or
- (b) places or throws upon or across any such tramway any wood, stone, refuse or other thing, or
- (c) does anything in such a manner as to obstruct any carriage using any such tramway, or
- (d) abets within the meaning of the Indian Penal Code the doing of, or attempts to do, anything mentioned in clause (a), clause (b), or clause (c),

he shall (without prejudice to any other remedy which may be obtained against him in a Court of Civil Judicature) be punished with fine which may extend to one hundred rupees.

30. If any person, except under a lease from, or by agreement with, the promoter, or under license from the Government granted under this Regulation uses on a tramway, otherwise than as permitted by section 14, a carriage having flange-wheels or other wheels suitable to run on the rail of the tramway, he shall be punished with fine which may extend to two hundred rupees.
Penalty for using tramway with carriage having flange-wheels.

31. (1) If any person travelling or having travelled in a carriage of the promoter or lessee or of a licensee evades or attempts to evade payment of toll, or if any person having paid toll for a certain distance wilfully proceeds in any such carriage beyond that distance and does not pay the additional toll for the additional distance or attempts to evade payment thereof, or if any person wilfully refuses or neglects on arriving at the point to which he has paid toll to quit the carriage, he shall be punished with fine which may extend to ten rupees.
Penalty for evading payment of proper toll.

(2) When a person commits an offence under this section and refuses on demand of a servant of the promoter, lessee or licensee to give his name and residence, or gives a name or residence which the servant has reason to believe to be false, he may be arrested and taken to the nearest police-station by the servant or any person whom the servant may call to his aid.

(3) When the person is taken to the police-station he shall with the least possible delay be forwarded to the nearest Magistrate, unless his true name and residence are ascertained, in which case he shall be released on his executing a bond for his appearance before a Magistrate if so required.

32. If any person takes or sends by a tramway any goods of a dangerous or offensive nature without giving the notice required by section 16, he shall be punished with fine which may extend to fifty rupees.
Penalty for taking or sending dangerous or offensive goods without giving notice.

33. (1) If a licensee fails on demand to give the account mentioned in section 18, or, with intent to evade the payment of tolls, gives a false account when he is called upon to give an account under that section, he shall be punished with fine which may extend to fifty rupees.
Penalty for licensee not giving to promoter or lessee an account of traffic or giving false account.

(2) The fine shall be in addition to any tolls payable by the licensee to the promoter or lessee in respect of the passengers or goods conveyed by the carriage or carriages used by the licensee on the tramway.

34. Nothing in this Regulation shall prevent a person from being prosecuted under any other law for an act or omission which constitutes an offence against this Regulation or the rules made under it, or from being liable under that other law to any other or higher punishment or penalty than that provided by this Regulation or the rules made under it: Provided that a person shall not be punished twice for the same offence.
Saving of prosecutions under other laws.

Settlement of Differences.

35. (1) If any difference arises between the promoter or lessee on the one hand and the Government or the local authority, or the road-authority, or a person having the charge of any sewers, drains, telegraph-lines, gas-pipes, water-pipes, or other things in or on land occupied by the tramway, on the other hand, with respect to any interference or control exercised or claimed to be exercised by, or on behalf of, either party by virtue of this or any other
Differences between promoters or lessees and authorities.

Regulation, or of the order or the rules made under this Regulation, or with respect to the propriety of, or the mode of, the execution of any work, or with respect to any compensation to be made by or to the promoter or lessee, or on the question whether any work is such as ought reasonably to satisfy the Government or the road-authority or both, or with respect to any other subject or thing regulated by, or comprised in, this Regulation or the order or the rules made under this Regulation, and not otherwise expressly provided for therein, the matter in difference shall, except where the parties elect to proceed under section 523 of the Code of Civil Procedure, be settled, on the application of either party, by a referee.

(2) Where the difference is—

- (a) between the promoter or lessee on the one hand and the Government, either as such or as the road-authority, on the other, or
- (b) between the promoter on the one hand and the local authority on the other, with respect to the sum to be paid by the local authority for an undertaking or part of an undertaking which that authority has required the promoter to sell under section 22,

the referee shall be the District Court within the jurisdiction of which the tramway is situate, or, where the tramway is within the jurisdiction of more than one District Court, the District Court within the jurisdiction of which the greater part of the tramway is situate.

(3) In other cases the referee shall be appointed by the Government.

(4) Except where the referee is the District Court, the powers and procedure of the referee may be prescribed.

(5) In the case of a difference between a promoter on the one hand and a local authority on the other, with respect to the sum to be paid by the local authority for an undertaking or part of an undertaking which that authority has required the promoter to sell under section 22, an appeal shall lie to the Chief Court from the award of the referee as from an original decree of the District Court.

(6) In the case of every other difference the award of the referee shall be final.

Recovery of Tolls.

36. Any of the following moneys, namely, any rent due to a local authority from a lessee, any penalty recoverable from a promoter or lessee under an order, any sum payable by a promoter or lessee under an award of a referee, the cost of the performance under this Regulation by the Government or by a local authority or road-authority of any work required by this Regulation or by an order to be done by a promoter, and the cost incurred by a road-authority in removing a tramway and re-instating a road under this Regulation may, without prejudice to any other remedy that the authority to which the money is due may have by suit or otherwise, be recovered by that authority, on application made in this behalf to the Deputy Commissioner, as if the sum due were an arrear of land revenue due by the promoter or lessee or his surety (if any):

Provided that nothing in this section shall authorise the arrest of the promoter or lessee or his surety in execution of any process issued by the Deputy Commissioner.

37. (1) If a licensee fails to pay on demand the tolls due for the use of a tramway, the promoter or lessee to whom the tolls are due may, without prejudice to the remedy which he may have by suit, apply to a Magistrate to recover the amount of the tolls, and the Magistrate may, after giving notice to the licensee if possible and allowing him an opportunity of being heard, proceed to recover the amount by distress and sale of any carriages or other moveable property of the licensee which may be found on the tramway or on premises connected therewith.

(2) When a licensee has failed to pay on demand the tolls due from him, the promoter or lessee to whom the tolls are due may seize any carriage or other moveable property of the licensee on the tramway or on premises connected therewith, and detain the same for forty-eight hours unless the tolls are sooner paid.

(3) When application is made to a Magistrate under sub-section (1), he may make an interim order of distraint pending his final decision.

38. Any toll due to a promoter, lessee or licensee from a passenger may be recovered either by suit or, on application to a Magistrate having jurisdiction within any local area in which any part of the tramway is laid, by distress and sale of any moveable property belonging to the passenger within the local limits of the jurisdiction of the Magistrate.

Savings.

39. (1) Notwithstanding anything contained in this Regulation, or in an order or any rule made under this Regulation, a promoter shall not acquire any right other than that of user only over a road along or across which he lays a tramway, nor shall anything contained in this Regulation, or in an order or any rule made under this Regulation, exempt the promoter of a tramway, or any other person using the tramway, from the payment of such charges as may lawfully be levied in respect of the use of a road or bridge along or across which the tramway is laid.

(2) The Government may, if it thinks fit, fix rates at which a promoter, lessee or licensee may compound for the charges payable in respect of the use of a road or bridge.

40. (1) Nothing in this Regulation, or in an order or any rule made under this Regulation, shall take away or abridge any power which a road-authority, local authority or other person has by law to break up, widen, alter, divert or improve a road, railroad or tramway along or across which a tramway is laid.

(2) The road-authority, local authority or other person executing any work referred to in sub-section (1) shall not be liable to pay to a promoter, lessee or licensee any compensation for injury done to a tramway by the execution of the work or for loss of traffic occasioned by the reasonable use of any power lawfully exercised for the execution thereof.

41. Nothing in this Regulation, or in an order or any rule made under this Regulation, shall affect the powers of a local authority or of a Magistrate or police-officer to regulate the passage of traffic along or across a road along or across which a tramway is laid; and the authority, Magistrate or officer aforesaid may exercise its or his powers as well on as off the tramway and with respect as well to the traffic of a promoter, lessee or licensee as to the traffic of other persons.

Supplemental Provisions.

42. A promoter, lessee or licensee shall be answerable for all injuries happening through his act or default, or through the act or default of any person in his employment, by reason or in consequence of any of his carriages or works, and shall save harmless all authorities and persons collectively and individually, and their officers and servants, from all damages and costs in respect of injuries so happening.

43. For the purposes of this Regulation want of funds shall not be deemed to be a sufficient reason for the suspension of the construction, or the discontinuance of the working, of a tramway by a promoter or lessee.

44. When a tramway is constructed under this Regulation within the limits of a municipality, the Government may exempt the animals, plant, rolling-stock, yards, workshops, engine-sheds and depots of the promoter, lessee or licensee, for such period as it thinks fit, from all or any municipal taxes leviable within those limits.

45. (1) The fund to or with the control or management of which the local authority of a municipality or district is entitled or entrusted shall, notwithstanding anything in any enactment respecting the purposes to which that fund may be applied, be applicable, subject to the control of the Government, to the payment of expenses incidental to the exercise of the powers and functions which may be vested in or exercised by a local authority under this Regulation.

(2) The fund shall also be applicable, with the previous sanction of the Government, to a guarantee of the payment of interest on money to be applied, with the concurrence in writing of the local authority, within the limits of the local area under its control, to any of the purposes to which the fund might be applied by the local authority under sub-section (1).

Prohibition of construction of tramways except under this Regulation.

46. (1) No tramway shall be constructed for public traffic except in pursuance of an order made under this Regulation.

(2) A person constructing a tramway in contravention of sub-section (1) of this section,

or maintaining or using for public traffic a tramway otherwise than in pursuance of an order made under this Regulation,

shall be liable, on the complaint of the Government or local authority, to double the penalty to which a promoter acting otherwise than in accordance with an order is liable under section 27.

47. If at any time a local area comprising a tramway to which this Regulation or any part thereof or any rule thereunder applies ceases to be included in the circle of a local authority, the functions of that authority under this Regulation or the part thereof or the rule thereunder and under the order (if any), shall, in respect of that local area, devolve on the Government or, if the Government so directs, on the local authority of the circle in which the tramway has been included.

Powers of Government exercisable from time to time.

48. All powers conferred by this Regulation on the Government may be exercised from time to time as occasion requires.

Dewan of Mysore.

Notification No. J. 225—Cts. 202-05-6, dated 25th July 1906.

The following alteration proposed by the Chief Court, in the rules relating to the custody of attached movables, published with Government Notification No. 4671—399, dated the 12th October 1899, is sanctioned :—

For Rule 8 of the said rules the following shall be substituted, namely :—

“If the property attached consists of cash, Government or other securities, jewels or other valuable articles of small bulk, the Nazir or Deputy Nazir may put the same together with a descriptive list in a box (other than the ordinary cash chest of the Court) under his lock and seal and send it for safe custody to the nearest Government Treasury. In other cases, attached property brought to the Court shall be retained by the Nazir in the Court-house, if it can be conveniently stored or kept there.”

BANGALORE, THURSDAY, AUGUST 9, 1906.

PART III.

Legislative Measures and Rules thereunder.

REGULATION No. III OF 1906.

(PASSED ON THE 12TH DAY OF JULY 1906.)

A Regulation further to amend the Code of Civil Procedure as in force in Mysore.

Whereas it is expedient further to amend the Code of Civil Procedure, 1882, as in force in Mysore; His Highness the Maharaja is pleased to enact as follows:—

Preamble.

1. For section 253 of the Code of Civil Procedure, 1882, as introduced by Regulation II of 1884, and amended by Regulations, II of 1887, VII of 1892, VI of 1901 and VI of 1904 the following shall be substituted, namely:—

Substitution of new section for section 253 of the Civil Procedure Code.

“253. Where any person has become liable as surety for the performance of any decree or for the restitution of any property taken in execution of a decree, or for the payment of any money, or for the fulfilment of any condition imposed on any person under an order of the Court in any suit or in any proceeding consequent thereon, or of any part thereof, the decree or order may be executed against him, to the extent to which he has rendered himself liable, in the manner herein provided for the execution of decrees:

Enforcement of liability of surety.

Proviso.

Provided that such notice in writing as the Court may in each case think sufficient has been given to the surety.”

Addition of new section after section 310.

2. The following section shall be inserted after section 310, namely:—

Application to set aside sale on deposit of judgment debt.

“310 A (1). Where immovable property has been sold under this Chapter in execution of a decree of any kind, including a decree in a suit for sale for the enforcement of a mortgage or charge, any person, either owning such property or holding an interest therein by virtue of a title acquired—

- (a) where the property has been attached in execution of the decree, before such attachment, or

(b) where the property is sold in pursuance of a decree declaring its liability to sale in satisfaction of a mortgage or charge, before such decree,

may, at any time within thirty days from the date of the sale, apply to have the sale set aside on his depositing in Court—

(i) for payment to the purchaser, a sum equal to five per centum of the purchase money, and,

(ii) for payment to the decree-holder, a sum equal to the purchase money, together with the costs of the attachment and sale;

Provided that, if a person applies under section 311 to set aside the sale of his immovable property, he shall not, unless he withdraws his application, be entitled to make or prosecute an application under this section.

(2) Where immovable property has been sold under this Chapter by separate lots in execution of a decree, an application with regard to one or more of such lots may be made under this section.

(3) Any person making an application under this section shall be bound to implead the purchaser and the decree-holder as parties thereto; and, where the purchaser and the decree-holder are not so impleaded, the application shall be dismissed.

(4) Where any sale is set aside by an order made under this section, the property sold shall not be liable to be again attached in execution of the same decree unless such order is set aside in appeal or otherwise."

Amendment of section 315 of the Code.

3. In section 315 of the said Code, the figures and letter "310 A" shall be inserted after the word "section" and before the figures "312."

Addition of new section after section 582 of the Code.

4. After section 582 of the said Code, the following section shall be added, namely:—

582 A. If a memorandum

Validation of certain memoranda of appeals or applications for review of judgment.

of appeal or application for a review of judgment has been presented within the proper period of limitation, but is written upon paper insufficiently stamped and the insufficiency of the stamp was caused by a mistake on the part of the appellant or applicant as to the amount of the requisite stamp, the memorandum of appeal or application shall have the same effect and be as valid as if it had been properly stamped: Provided that such appeal or application shall be rejected unless the appellant or applicant supplies the requisite stamp within a reasonable time after the discovery of the mistake, to be fixed by the Court."

REGULATION NO. IV OF 1906.

(Passed on the 24th day of July 1906.)

A Regulation to Consolidate and amend the Law Relating to Mines in Mysore.

WHEREAS it is expedient to consolidate and amend the law relating to Mines in Mysore; His Highness the Maharaja is pleased to enact as follows:—

Preamble.

PRELIMINARY.

Short title.

1. This Regulation may be called "The Mysore Mines Regulation, 1906."

Local extent and commencement.

It extends to the whole of Mysore, and shall come into force on the first day of September 1906.

Repeal.

2. The Mysore Mines Regulation, 1897, and Regulations I and VI of 1900 are hereby repealed.

Interpretation.

3. In this Regulation, unless there be something repugnant in the subject or context,

Mining operation.

(1) "Mining operation" includes—

- (a) the carrying on of any underground or surface work in connection with the prospecting for, or the mining, winning, dressing, milling and treatment of ores, minerals and mineral products of every description;
- (b) the erecting, making and using of, and otherwise dealing with, for purposes of such work, any railway, tramway, road, building machinery and other plant; and
- (c) the manufacture, carriage, storage and use of all explosives, chemicals and other materials to be employed in such work.

Mining Block.

(2) "Mining Block" means any block or area of land in and upon which the right to carry on mining operations is held by a Mining Proprietor under a Mining Lease granted by the Government.

Mine.

(3) "Mine" means any place above or below ground where any mining operation is carried on, and includes all such portions of the surface of any mining block whereon the right of entry has been acquired by purchase or otherwise by a Mining Proprietor.

Mining Proprietor.

(4) "Mining Proprietor" or "Proprietor" means any person or persons or company on whose behalf any mining operations are carried on.

Mining Superintendent.

(5) "Mining Superintendent" or "Superintendent" means the person who is the local representative of a Mining Proprietor, and includes an Agent or Manager in charge of any mine on behalf of a Mining Proprietor.

(6) "Mining material" includes—

- (a) alluvial gold, gold ores, native gold, precious stones and other rocks and minerals of value;
- (b) gold amalgam, sponge gold, zinc precipitates, slags, concentrates, tailings, residues and other valuable mineral products of mines in any stage of treatment or extraction; and mercury, potassium cyanide and other chemicals, apparatus, tools marked with the distinguishing mark of the mine, and materials used in such treatment and extraction;

- (c) dynamite, nitro-glycerine, blasting gelatine, gelatine dynamite, fuse, detonators and other explosives used or intended to be used in mining operations ;
- (d) stearine candles distinguished by the wax being of a light pink colour ; and
- (e) such other materials and things used or intended to be used in mining operations as may be, declared by the Government from time to time, by notification published in the official Gazette, to be mining materials
- (7) "Unwrought gold" includes bar gold, gold bullion and any alloy containing gold in any form whatever which though smelted is not made up into articles of jewellery, vessels, coins, or other articles of use or commerce.
- Unwrought gold.
- (8) "Gold dealer" means any person who buys or sells unwrought gold, or receives unwrought gold by way of barter or pledge.
- Gold dealer.
- (9) "Goldsmith", means any person who, by profession, melts, refines, or works in unwrought gold or silver, or engages in the melting or manufacture of articles made of gold or silver or of alloys containing gold or silver, and includes a silversmith.
- Goldsmith.
- (10) "Inspector of Mines" includes any officer to whom all or some of the duties of an Inspector of Mines under this Regulation shall have been delegated, by a general or special order of the Government, so far as the performance of such duties is concerned.
- Inspector of Mines.

PROTECTION OF MINING PROPERTY.

4. (1) The provisions of sections 5 to 20, inclusive, shall not apply to any local area unless extended thereto by the Government by a notification published in the official Gazette.

Sections 5 to 20 may be applied to specified areas.

(2) The Government may, by a like notification, cancel or modify any notification issued under sub-section (1).

5. No person shall purchase or take in barter or exchange any mining material belonging to a Mining Proprietor without the written permission of such Mining Proprietor or his Superintendent, nor shall any person, without such written permission, receive, convey, or, except in such places as may be specially authorized, keep, any such mining material otherwise than for use for mining purposes on behalf of such Mining Proprietor or his Superintendent.

Mining materials not to be purchased, conveyed or kept without written permission.

6. Any person found to be in possession of any mining material without the written permission of a Mining Proprietor or Superintendent, and unable to prove that his possession of the same was obtained in a lawful manner, shall, on conviction before a Magistrate, be liable to the penalty provided in section 13.

Penalty for unlawful possession of mining materials.

7. It shall not be lawful for any person to buy or sell unwrought gold or to receive unwrought gold by way of barter or pledge without a gold dealer's license, nor to carry on the profession of a goldsmith without a goldsmith's license as hereinafter provided.

Licenses required for gold dealers and goldsmiths.

Provided that it shall not be necessary for a Mining Proprietor to take out a goldsmith's license on account of the smelting, refining or other preparation of any gold obtained from his mine by any persons acting on his behalf.

8. (1) The licenses referred to in section 7 may be issued by a Magistrate of the First Class on payment of such fees as the Government may by rule prescribe in that behalf, and every license shall terminate on the 31st day of December of the year in which it is issued.

Power to grant a license.

(2) Every gold dealer's and every goldsmith's license and every application for a license, shall, respectively, be in such forms as may be prescribed by Government.

9. No license shall be issued to any applicant unless the Magistrate is satisfied that he is a person of good character and reputation, and it shall be in the absolute discretion of the Magistrate to grant or withhold such license as he may think fit. Any license may be cancelled by a First Class Magistrate on the licensee being convicted of any offence—such conviction not being reversed on appeal or in revision—which in the opinion of the Magistrate renders him unfit to hold a license. Provided that any decision under this section by a Magistrate other than the District Magistrate shall be appealable to the District Magistrate, whose order shall be final.

10. (1) Every licensed gold dealer shall keep at his place of business a book (hereinafter called a gold dealer's register) in which the receipt or disposal of all unwrought gold shall be immediately entered in such form as may be prescribed by Government.

(2) Every licensed goldsmith shall keep at his place of business a book (hereinafter called a goldsmith's register) in which the receipt or disposal of all gold, silver, gold or silver jewellery, unwrought gold or other gold stuff, received, treated, or disposed of, by him shall be immediately entered in such form as may be prescribed by Government.

(3) Every gold dealer's register and every goldsmith's register together with any article or items of gold referred to therein and in the possession of the licensee shall be open to inspection at any time by any police officer not below the rank of Chief Constable, or any police officer specially authorized in this behalf by the Superintendent of Police or by a First Class Magistrate; provided that the person making such inspection shall not divulge the result thereof to any person other than a police officer or Magistrate or by order of a court, under a penalty on conviction not exceeding one hundred rupees.

11. No licensed goldsmith shall smelt, work, use or deal with any of the articles directed to be entered in his register under section 10 until after the expiry of three clear days from the time when such article is received by him. Provided that this section shall not apply to the repairing of articles of jewellery by a goldsmith in any way which does not change or destroy the identity of such articles.

12. It shall not be lawful for any person to have in his possession any unwrought gold unless he holds a gold dealer's license or a goldsmith's license or unless he is a Mining Proprietor or duly accredited person acting on behalf of a Mining Proprietor.

13. Any person committing an offence under section 5, 6, 7, 11 or 12 shall, except in the case mentioned in the proviso to sub-section (3) of section 10, be liable on conviction to fine not exceeding five hundred rupees, or imprisonment of either description for a term which may extend to one year, or both.

14. It shall be in the discretion of the Magistrate, in the case of any person, not being a female or other person exempted under section 393 of the Code of Criminal Procedure, who shall be convicted of a second offence under section 5, 6, 7 or 12, to award whipping under the provisions of the Mysore Whipping Regulation V of 1903, either in substitution of, or in addition to, the penalty provided in section 13.

15. Any police officer, not below the rank of an officer in charge of a police station may search any person or any house, building or place for the discovery of any mining material, unwrought gold or other thing with, or in respect of, which an offence under this Regulation is reasonably suspected to have been committed.

16. Any person being the tenant or occupier or reputed tenant or occupier of any premises, at the time when any unwrought gold or mining material reasonably suspected of being stolen or unlawfully obtained is found thereon and seized by any police officer, shall be deemed to have been in possession of such unwrought gold or mining material within the meaning of section 12 or 6, as the case may be, until he proves the contrary.

17. Any person not employed in a mine who shall have been directed to quit such mine by an order in writing signed by the Superintendent of the Mine, and who subsequently to such order remains at or re-enters upon the mine without the permission of the Superintendent, and any person not employed at any mine who shall have been directed to vacate a Government cooly colony by an order in writing signed by the Superintendent of Police, and who subsequently to such order remains in or returns to such Government cooly colony without the permission of the Superintendent of Police, shall be liable on conviction before a Magistrate to the penalty provided in section 19.

18. No hawker or pedlar shall carry on his business without a license in writing obtained for that purpose from a Magistrate of the First Class. Licenses shall be issued subject to such conditions and the levy of such fees as Government may prescribe. Any person carrying on such business without a license as aforesaid, or acting in contravention of any of the conditions of such license, shall be liable on conviction before a Magistrate to the penalty provided in section 19.

19. Any person committing an offence under section 17 or 18 shall be liable on conviction to fine not exceeding one hundred rupees or imprisonment of either description for a term not exceeding three months, or both.

20. All offences under sections 5, 6, 7, 10, 11, 12, 16, 17 and 18 of this Regulation shall be cognizable by the police.

SAFETY AND DISCIPLINE OF MINING EMPLOYEES AND INSPECTION OF MINES.

21. All mining operations carried on in Mysore shall be conducted in accordance with such general or special rules for the prevention of danger to human life or safety, and for the reporting and investigation of accidents and other matters connected with such mining operations, as may from time to time be prescribed in that behalf by the Government.

22. (1) Each Mining Proprietor may, either directly or through his Superintendent, prescribe, with the previous sanction of the Government, such further rules, not being inconsistent with this Regulation or the rules issued under the last preceding section, for the conduct and guidance of persons who have the management of his mine, and of those who are employed in or about the said mine, as may be considered necessary to meet the particular circumstances of the said mine, and calculated to prevent accidents likely to cause danger to human life or safety, and to provide for the safety and proper discipline of the persons employed in or about the said mine.

(2) The Government may at any time cancel or vary any sanction granted under this section.

23. Every Mining Proprietor and his Superintendent shall publish the rules prescribed under sections 21 and 22 of this Regulation in such manner that all persons engaged in or about the mine shall have an opportunity of knowing adequately such rules as may relate to the work they are employed upon.

24. Every person who contravenes, or does not comply with, any rule duly prescribed under section 21 shall, for every such offence, be liable to a fine not exceeding one hundred rupees ;

and in the case of any contravention of, or non-compliance with, any such rule by any person whatsoever being proved, the Superintendent of the Mine shall be liable to a like penalty, unless he proves that he had taken all reasonable means by publishing and to the best of his power, enforcing the said rule in the working of the mine to prevent such contravention or non-compliance.

25. The Government may appoint an officer to be called the Inspector of Mines, whose duty it shall be to inspect and examine the mines periodically for the purpose of satisfying himself that the provisions of this Regulation and the rules prescribed under sections 21 and 22 thereof are strictly enforced, and for enquiring generally into the mode of carrying on mining operations.

Powers of Inspector.

26. The Inspector of Mines shall have power to do all or any of the following things, namely :—

- (i) to make such examination and inquiry as may be necessary to ascertain whether the provisions of this Regulation and the rules framed thereunder are complied within the case of any mine ;
- (ii) to enter, inspect and examine any mine and every part thereof, at all reasonable times by day and night, but so as not to impede or obstruct unreasonably the working of the mine ;
- (iii) to examine into, and make enquiry respecting, the state and condition of any mine or any part thereof and the ventilation of the mine, and the sufficiency of the special rules for the time being in force in the mine, and all matters and things connected with or relating to the safety of the persons employed in or about the mine ; and
- (iv) to exercise such other powers as may be necessary for the due discharge of his duties under this Regulation.

The examination and enquiry referred to in this section may be carried on by any officer to whom the Inspector of Mines may, in accordance with a general or special order of the Government, delegate the same.

27. Every Mining Proprietor or Superintendent shall furnish the Inspector of Mines, on requisition, with the means necessary for making any entry, inspection, examination or inquiry under this Regulation, and in case of non-compliance with such requisition, shall be liable to a fine not exceeding one hundred rupees.

28. If the Inspector of Mines finds that in any mining operation, the provisions of this Regulation or of the rules thereunder are not duly observed, or that any mine or part thereof or any matter, thing or practice in or connected with such mine, or with the control, management or direction thereof, is dangerous to human life or safety, or defective so as to threaten or tend to the bodily injury of any person, he may give notice in writing to the Mining Proprietor or his Superintendent, stating the particulars in which he considers the provisions of this Regulation or the rules aforesaid are not observed, or the mine or any part thereof or any matter, thing or practice is dangerous or defective, and require the same to be remedied within a specified time.

29. The Inspector of Mines shall forthwith forward to the Magistrate of the District, and to any other Magistrate specially empowered by the Government, a copy of every notice under section 28 which requires anything to be done or remedied so as to prevent danger to human life or safety, and he shall also report to such Magistrate as aforesaid the compliance or non-compliance with every such notice as aforesaid.

The Inspector of Mines shall report to the Government every non-compliance with a notice issued under section 28.

30. If the Mining Proprietor or his Superintendent objects to comply with any requisition in a notice under section 28, he may, within ten days after receipt of the notice, send his objection in writing, stating the grounds thereof, to the Government, and thereupon the matter shall be determined by arbitration in the manner provided by this Regulation.

Provided that nothing in this section shall affect the powers of a Magistrate under section 144 of the Code of Criminal Procedure.

31. Arbitrations under this Regulation shall be conducted in accordance with Rules for Arbitrations. the following provisions:—

- (a) Within fourteen days after the lodging of an objection under the last preceding section, the Mining Proprietor or Superintendent, and the Inspector of Mines on behalf of the Government, who shall both be deemed to be parties to the arbitration, shall each nominate an arbitrator.
- (b) The arbitrators, before entering upon their duties shall nominate another person as umpire.
- (c) No person who has no knowledge of mining work shall be an arbitrator, and no person who is not a Justice of the Peace or a District Judge or a Magistrate of the First Class shall be an umpire; nor shall any person act as arbitrator or umpire who is employed or interested in the management of the mine to which the arbitration relates. Every objection to the qualification of an arbitrator shall be preferred in writing at the earliest opportunity to the Magistrate of the District, whose decision thereon shall be final:

Provided that no such objection shall be taken after the award has been made.

- (d) If the arbitrator appointed by either party fails to proceed with the arbitration for seven days consecutively, or if he cannot proceed with it owing to death, sickness or other cause, the other party may, by notice in writing, require the appointment of another person in his place.
- (e) If the umpire similarly fails to act in the matter of arbitration, either party may call on the arbitrators to appoint another person in his place.
- (f) If, within seven days after the receipt of a notice under clause (d) or (e), no new arbitrator or umpire has been appointed, or where the arbitrators do not agree to appoint an umpire, the District Magistrate shall, on the application of any of the parties, appoint a proper person as arbitrator or umpire, as the case may be.
- (g) The arbitrators or the umpire, as the case may be, may examine the parties and their witnesses on oath; and for this purpose, any Magistrate having local jurisdiction shall, on their requisition in writing, summon the witnesses to appear before them or produce documents in their possession.
- (h) When both the arbitrators are agreed on the matters referred to them; their decision shall be final; but whenever there is a difference on all or any of such matters, the matters in difference shall be submitted to the umpire, whose decision thereon shall be final.
- (i) The payment (if any) to be made to an arbitrator or umpire for his services shall be fixed by the Government; and, together with the costs of the arbitration or award (to be taxed as in a proceeding in a Civil Court), shall be paid by the parties or one of them as the award may direct.
- (j) Every proceeding held by the arbitrators or umpire under this section shall be deemed to be a judicial proceeding within the meaning of sections 193, 219 and 228 of the Indian Penal Code.

- (k) The Government may, from time to time, make such additional rules as it may deem necessary for the conduct of arbitrations under this Regulation, but not so as to be inconsistent with any of its provisions.

32. Any person who intentionally or negligently omits to comply with a notice under section 28 except when an objection has been duly lodged under section 30 or with the terms of an award made under section 31, shall, for every such omission, be liable to a fine not exceeding one thousand rupees; and in case the omission has been intentional, to a further fine not exceeding one hundred rupees for each day the omission continues:

Provided that the Court, if satisfied that the Mining Proprietor or Superintendent has taken active measures for complying with the notice or award, but has not with reasonable diligence been able to complete the works, may adjourn the proceedings taken before it for punishing the offence, and if the works are completed within a reasonable time, no penalty shall be inflicted.

33. Where any person is guilty of any offence under this Regulation which, in the opinion of the Magistrate who tries the case, is one which was reasonably calculated to endanger the safety of any person or cause serious personal injury to any person or to cause a dangerous accident, and was committed by the personal act, personal default, or personal negligence of the person accused, such person shall be liable, if the Court is of opinion that a pecuniary penalty will not meet the circumstances of the case, to imprisonment of either description for a period not exceeding three months.

SANITATION.

34. (1) The Government may, from time to time, make rules for the special Power of Government to sanitation and sanitary administration of any local make rules for sanitation and area within which mining operations may be carried on. sanitary administration.

(2) In particular, and without prejudice to the generality of the foregoing provision, such rules may provide—

- (a) for regulating the disposal of kitchen and stable refuse, animal refuse of all kinds, and night-soil or other such offensive matter;
- (b) for conserving and guarding against pollution all sources of water-supply;
- (c) for preventing overcrowding in bazaars, in cooly lines, and in streets or houses for work-people or others;
- (d) for the proper cleansing of drains, sewers, latrines and urinals;
- (e) for regulating the keeping of cattle and other animals, the location of sheds for them, and the fixing or licensing of slaughter-houses; and authorizing the levy of rent or fees for the use of the same or a fee on each animal slaughtered therein at such rates as may be prescribed from time to time; and
- (f) for the proper and timely treatment of persons affected with cholera or other epidemic disease, and for preventing the spread of such disease by temporarily prohibiting persons affected or suspected to be affected with it from moving to or from particular specified places or travelling on particular specified routes.

(3) The local area for which the rules under this section are made shall be described in a notification published in the official Gazette.

35. (1) For the purpose of carrying out the rules made under the last preceding section, the Government may appoint any persons, official or non-official or both, residing within or in the vicinity of such area, to constitute a Sanitary Board, and invest such Board with powers for the enforcement of the said rules, and prescribe the mode in which such Board shall conduct its business for carrying out the said rules.

(2) The powers with which the Sanitary Board may be invested under this section include—

(a) power to prescribe bye-laws, with the previous sanction of Government, for the special sanitation of the area under its authority and for the conduct of its business ;

(b) power to levy, with the like sanction, such tax, rate or cess within the said area as a Municipal Council would be competent to levy under the law in force relating to Municipalities.

36. For every breach of a rule made under section 34 or of a bye-law made under section 35 the offender shall be liable to a fine not exceeding rupees one hundred.

GENERAL.

37. The Government may frame rules requiring the delivery of periodical returns of work done, workmen employed, the outturn from the mine of minerals and mineral ores, and such other information as the Government may think fit to demand ; and for the furnishing of samples of quartz and other rocks and minerals mined or met with in the course thereof, and prescribe a fine not exceeding one hundred rupees for every breach of such rules.

38. The abetting (within the meaning of the Indian Penal Code) of any offence under this Regulation shall be punishable in the same manner as the offence itself.

39. All offences punishable under this Regulation and all breaches of any rules or bye-laws made thereunder shall be cognizable by the District Magistrate or a Magistrate of the First or Second Class.

Provisions of the Code of Criminal Procedure to apply to searches.

40. The provisions of the Code of Criminal Procedure relating to searches shall, so far as may be, apply to all searches made or instituted under this Regulation.

41. All rules and bye-laws made under this Regulation shall be published in the official Gazette, and shall thereupon have the force of law.

PART III.

Legislative Measures and Rules thereunder.

REGULATION No. III OF 1906.

(PASSED ON THE 12TH DAY OF JULY 1906.)

A Regulation further to amend the Code of Civil Procedure as in force in Mysore.

Whereas it is expedient further to amend the Code of Civil Procedure, 1882, as in force in Mysore; His Highness the Maharaja is pleased to enact as follows :—

Preamble.

1. For section 253 of the Code of Civil Procedure, 1882, as introduced by Regulation II of 1884, and amended by Regulations, II of 1887, VII of 1892, VI of 1901 and VI of 1904 the following shall be substituted, namely :—

“253. Where any person has become liable as surety for the performance of any decree or for the restitution of any property taken in execution of a decree, or for the payment of any money, or for the fulfilment of any condition imposed on any person under an order of the Court in any suit or in any proceeding consequent thereon, or of any part thereof, the decree or order may be executed against him, to the extent to which he has rendered himself liable, in the manner herein provided for the execution of decrees :

Enforcement of liability of surety.

Proviso.

Provided that such notice in writing as the Court may in each case think sufficient has been given to the surety.”

Addition of new section after section 310.

2. The following section shall be inserted after section 310, namely :—

“310 A (1). Where immovable property has been sold under this Chapter in execution of a decree of any kind, including a decree in a suit for sale for the enforcement of a mortgage or charge, any person, either owning such property or holding an interest therein by virtue of a title acquired—

Application to set aside sale on deposit of judgment debt.

(a) where the property has been attached in execution of the decree, before such attachment, or

(b) where the property is sold in pursuance of a decree declaring its liability to sale in satisfaction of a mortgage or charge, before such decree, may, at any time within thirty days from the date of the sale, apply to have the sale set aside on his depositing in Court—

- (i) for payment to the purchaser, a sum equal to five per centum of the purchase money, and,
- (ii) for payment to the decree-holder, a sum equal to the purchase money, together with the costs of the attachment and sale;

Provided that, if a person applies under section 311 to set aside the sale of his immovable property, he shall not, unless he withdraws his application, be entitled to make or prosecute an application under this section.

(2) Where immovable property has been sold under this Chapter by separate lots in execution of a decree, an application with regard to one or more of such lots may be made under this section.

(3) Any person making an application under this section shall be bound to implead the purchaser and the decree-holder as parties thereto; and where the purchaser and the decree-holder are not so impleaded, the application shall be dismissed.

(4) Where any sale is set aside by an order made under this section, the property sold shall not be liable to be again attached in execution of the same decree unless such order is set aside in appeal or otherwise."

Amendment of section 315 of the Code.

3. In section 315 of the said Code, the figures and letter "310 A" shall be inserted after the word "section" and before the figures "312."

Addition of new section after section 382 of the Code.

4. After section 382 of the said Code, the following section shall be added, namely:—

582 A. If a memorandum

of appeal or application for a review of judgment has been presented within the proper period of limitation, but is written upon paper insufficiently stamped and the insufficiency of the stamp was caused by a mistake on the part of the appellant or applicant as to the amount of the requisite stamp, the effect and be as valid as if it had been properly stamped: Provided that such appeal or application shall have the same effect and be as valid as if it had been properly stamped: Provided that such appeal or application shall be rejected unless the appellant or applicant supplies the requisite stamp within a reasonable time after the discovery of the mistake, to be fixed by the Court."

Validation of certain memoranda of appeals or applications for review of judgment.

memorandum of appeal or application shall have the same effect and be as valid as if it had been properly stamped: Provided that such appeal or application shall be rejected unless the appellant or applicant supplies the requisite stamp within a reasonable time after the discovery of the mistake, to be fixed by the Court."

V. P. MADHAVA RAO,
Dewan of Mysore.

Notification No. J. 225—Cts. 202-05-6, dated 25th July 1906.

The following alteration proposed by the Chief Court, in the rules relating to the custody of attached movables, published with Government Notification No. 4671—399, dated the 12th October 1899, is sanctioned:—

For Rule 8 of the said rules the following shall be substituted, namely:—

"If the property attached consists of cash, Government or other securities, jewels or other valuable articles of small bulk, the Nazir or Deputy Nazir may put the same together with a descriptive list in a box (other than the ordinary cash chest of the Court) under his lock and seal and send it for safe custody to the nearest Government Treasury. In other cases, attached property brought to the Court shall be retained by the Nazir in the Court-house, if it can be conveniently stored or kept there."

By Order,

K. S. CHANDRASEKHARA AIYAR,

REGULATION NO. IV OF 1906.

(Passed on the 24th day of July 1906.)

***A Regulation to Consolidate and amend the Law Relating to
Mines in Mysore.***

WHEREAS it is expedient to consolidate and amend the law relating to Mines in
Mysore; His Highness the Maharaja is pleased to enact
Preamble. as follows :—

PRELIMINARY.

Short title.

1. This Regulation may be called " The Mysore
Mines Regulation, 1906."Local extent and commence-
ment.It extends to the whole of Mysore, and shall come
into force on the first day of September 1906.

Repeal.

2. The Mysore Mines Regulation, 1897, and Regu-
lations I and VI of 1900 are hereby repealed.

Interpretation.

3. In this Regulation, unless there be something
repugnant in the subject or context,

Mining operation.

(1) " Mining operation " includes—

- (a) the carrying on of any underground or surface work in connection with the prospecting for, or the mining, winning, dressing, milling and treatment of ores, minerals and mineral products of every description ;
- (b) the erecting, making and using of, and otherwise dealing with, for purposes of such work, any railway, tramway, road, building machinery and other plant ; and
- (c) the manufacture, carriage, storage and use of all explosives, chemicals and other materials to be employed in such work.

Mining Block.

(2) " Mining Block " means any block or area of land in and upon which the right to carry on mining operations is held by a Mining Proprietor under a Mining Lease granted by the Government.

Mine.

(3) " Mine " means any place above or below ground where any mining operation is carried on, and includes all such portions of the surface of any mining block whereon the right of entry has been acquired by purchase or otherwise by a Mining Proprietor.

Mining Proprietor.

(4) " Mining Proprietor " or " Proprietor " means any person or persons or company on whose behalf any mining operations are carried on.

Mining Superintendent.

(5) " Mining Superintendent " or " Superintendent " means the person who is the local representative of a Mining Proprietor, and includes an Agent or Manager in charge of any mine on behalf of a Mining Proprietor.

(6) " Mining material " includes—

- (a) alluvial gold, gold ores, native gold, precious stones and other rocks and minerals of value ;
- (b) gold amalgam, sponge gold, zinc precipitates, slags, concentrates, tailings, residues and other valuable mineral products of mines in any stage of treatment or extraction ; and mercury, potassium cyanide and other chemicals, apparatus, tools marked with the distinguishing mark of the mine, and materials used in such treatment and extraction ;

- (c) dynamite, nitro-glycerine, blasting gelatins, gelatine dynamite, fuse, detonators and other explosives used or intended to be used in mining operations;
- (d) stearine candles distinguished by the wax being of a light pink colour; and
- (e) such other materials and things used or intended to be used in mining operations as may be declared by the Government from time to time, by notification published in the official Gazette, to be mining materials.
- (7) "Unwrought gold" includes bar gold, gold bullion and any alloy containing gold in any form whatever which though smelted is not made up into articles of jewellery, vessels, coins, or other articles of use or commerce.
Unwrought gold.
- (8) "Gold dealer" means any person who buys or sells unwrought gold, or receives unwrought gold by way of barter or pledge.
Gold dealer.
- (9) "Goldsmith" means any person who, by profession, melts, refines, or works in unwrought gold or silver, or engages in the melting or manufacture of articles made of gold or silver or of alloys containing gold or silver, and includes a silversmith.
Goldsmith.
- (10) "Inspector of Mines" includes any officer to whom all or some of the duties of an Inspector of Mines under this Regulation shall have been delegated, by a general or special order of the Government, so far as the performance of such duties is concerned.
Inspector of Mines.

PROTECTION OF MINING PROPERTY.

4. (1) The provisions of sections 5 to 20, inclusive, shall not apply to any local area unless extended thereto by the Government by a notification published in the official Gazette.
Sections 5 to 20 may be applied to specified areas.

(2) The Government may, by a like notification, cancel or modify any notification issued under sub-section (1).

5. No person shall purchase or take in barter or exchange any mining material belonging to a Mining Proprietor without the written permission of such Mining Proprietor or his Superintendent, nor shall any person, without such written permission, receive, convey, or, except in such places as may be specially authorized, keep, any such mining material otherwise than for use for mining purposes on behalf of such Mining Proprietor or his Superintendent.
Mining materials, not to be purchased, conveyed or kept without written permission.

6. Any person found to be in possession of any mining material without the written permission of a Mining Proprietor or Superintendent, and unable to prove that his possession of the same was obtained in a lawful manner, shall, on conviction before a Magistrate, be liable to the penalty provided in section 13.
Penalty for unlawful possession of mining materials.

7. It shall not be lawful for any person to buy or sell unwrought gold or to receive unwrought gold by way of barter or pledge without a gold dealer's license, nor to carry on the profession of a goldsmith without a goldsmith's license as hereinafter provided.
Licenses required for gold dealers and goldsmiths.

Provided that it shall not be necessary for a Mining Proprietor to take out a goldsmith's license on account of the smelting, refining, or other preparation of any gold obtained from his mine by any persons acting on his behalf.

8. (1) The licenses referred to in section 7 may be issued by a Magistrate of the First Class on payment of such fees as the Government may by rule prescribe in that behalf, and every license shall terminate on the 31st day of December of the year in which it is issued.
Power to grant a license.

(2) Every gold dealer's and every goldsmith's license and every application for a license, shall, respectively, be in such forms as may be prescribed by Government.

9. No license shall be issued to any applicant unless the Magistrate is satisfied that he is a person of good character and reputation, and it shall be in the absolute discretion of the Magistrate to grant or withhold such license as he may think fit. Any license may be cancelled by a First Class Magistrate on the licensee being convicted of any offence—such conviction not being reversed on appeal or in revision—which in the opinion of the Magistrate renders him unfit to hold a license. Provided that any decision under this section by a Magistrate other than the District Magistrate shall be appealable to the District Magistrate, whose order shall be final.

10. (1) Every licensed gold dealer shall keep at his place of business a book (hereinafter called a gold dealer's register) in which the receipt or disposal of all unwrought gold shall be immediately entered in such form as may be prescribed by Government.

(2) Every licensed goldsmith shall keep at his place of business a book (hereinafter called a goldsmith's register) in which the receipt or disposal of all gold, silver, gold or silver jewellery, unwrought gold or other gold stuff, received, treated, or disposed of, by him shall be immediately entered in such form as may be prescribed by Government.

(3) Every gold dealer's register and every goldsmith's register together with any article or items of gold referred to therein and in the possession of the licensee shall be open to inspection at any time by any police officer not below the rank of Chief Constable, or any police officer specially authorized in this behalf by the Superintendent of Police or by a First Class Magistrate; provided that the person making such inspection shall not divulge the result thereof to any person other than a police officer or Magistrate or by order of a court, under a penalty on conviction not exceeding one hundred rupees.

11. No licensed goldsmith shall smelt, work, use or deal with any of the articles directed to be entered in his register under section 10 until after the expiry of three clear days from the time when such article is received by him. Provided that this section shall not apply to the repairing of articles of jewellery by a goldsmith in any way which does not change or destroy the identity of such articles.

12. It shall not be lawful for any person to have in his possession any unwrought gold unless he holds a gold dealer's license or a goldsmith's license or unless he is a Mining Proprietor or duly accredited person acting on behalf of a Mining Proprietor.

13. Any person committing an offence under section 5, 6, 7, 11 or 12 shall, except in the case mentioned in the proviso to subsection (3) of section 10, be liable on conviction to fine not exceeding five hundred rupees, or imprisonment of either description for a term which may extend to one year, or both.

14. It shall be in the discretion of the Magistrate, in the case of any person, not being a female or other person exempted under section 393 of the Code of Criminal Procedure, who shall be convicted of a second offence under section 5, 6, 7 or 12, to award whipping under the provisions of the Mysore Whipping Regulation V of 1903, either in substitution of, or in addition to, the penalty provided in section 13.

15. Any police officer, not below the rank of an officer in charge of a police station may search any person or any house, building or place for the discovery of any mining material, unwrought gold or other thing with, or in respect of, which an offence under this Regulation is reasonably suspected to have been committed.

16. Any person being the tenant or occupier or reputed tenant or occupier of any premises, at the time when any unwrought gold or mining material reasonably suspected of being stolen or unlawfully obtained is found thereon and seized by any police officer, shall be deemed to have been in possession of such unwrought gold or mining material within the meaning of section 12 or 6, as the case may be, until he proves the contrary.

17. Any person not employed in a mine who shall have been directed to quit such mine by an order in writing signed by the Superintendent of the Mine, and who subsequently to such order remains at or re-enters upon the mine without the permission of the Superintendent, and any person not employed at any mine who shall have been directed to vacate a Government cooly colony by an order in writing signed by the Superintendent of Police, and who subsequently to such order remains in or returns to such Government cooly colony without the permission of the Superintendent of Police, shall be liable on conviction before a Magistrate to the penalty provided in section 19.

18. No hawker or pedlar shall carry on his business without a license in writing obtained for that purpose from a Magistrate of the First Class. Licenses shall be issued subject to such conditions and the levy of such fees as Government may prescribe. Any person carrying on such business without a license as aforesaid, or acting in contravention of any of the conditions of such license, shall be liable on conviction before a Magistrate to the penalty provided in section 19.

19. Any person committing an offence under section 17 or 18 shall be liable on conviction to fine not exceeding one hundred rupees or imprisonment of either description for a term not exceeding three months, or both.

20. All offences under sections 5, 6, 7, 10, 11, 12, 16, 17 and 18 of this Regulation shall be cognizable by the police.

SAFETY AND DISCIPLINE OF MINING EMPLOYEES AND INSPECTION OF MINES.

21. All mining operations carried on in Mysore shall be conducted in accordance with such general or special rules for the prevention of danger to human life or safety, and for the reporting and investigation of accidents and other matters connected with such mining operations, as may from time to time be prescribed in that behalf by the Government.

22. (1) Each Mining Proprietor may, either directly or through his Superintendent, prescribe, with the previous sanction of the Government, such further rules, not being inconsistent with this Regulation or the rules issued under the last preceding section, for the conduct and guidance of persons who have the management of his mine, and of those who are employed in or about the said mine, as may be considered necessary to meet the particular circumstances of the said mine, and calculated to prevent accidents likely to cause danger to human life or safety, and to provide for the safety and proper discipline of the persons employed in or about the said mine.

(2) The Government may at any time cancel or vary any sanction granted under this section.

23. Every Mining Proprietor and his Superintendent shall publish the rules prescribed under sections 21 and 22 of this Regulation in such manner that all persons engaged in or about the mine shall have an opportunity of knowing adequately such rules as may relate to the work they are employed upon.

24. Every person who contravenes, or does not comply with, any rule duly prescribed under section 21 shall, for every such offence, be liable to a fine not exceeding one hundred rupees ;

Penalty for breach of rules. and in the case of any contravention of, or non-compliance with, any such rule by any person whatsoever being proved, the Superintendent of the Mine shall be liable to a like penalty, unless he proves that he had taken all reasonable means by publishing and to the best of his power, enforcing the said rule in the working of the mine to prevent such contravention or non-compliance.

25. The Government may appoint an officer to be called the Inspector of Mines, whose duty it shall be to inspect and examine the mines periodically for the purpose of satisfying himself that the provisions of this Regulation and the rules prescribed under sections 21 and 22 thereof are strictly enforced, and for enquiring generally into the mode of carrying on mining operations

Powers of Inspector.

26. The Inspector of Mines shall have power to do all or any of the following things, namely :—

- (i) to make such examination and inquiry as may be necessary to ascertain whether the provisions of this Regulation and the rules framed thereunder are complied within the case of any mine ;
- (ii) to enter, inspect and examine any mine and every part thereof, at all reasonable times by day and night, but so as not to impede or obstruct unreasonably the working of the mine ;
- (iii) to examine into, and make enquiry respecting, the state and condition of any mine or any part thereof and the ventilation of the mine, and the sufficiency of the special rules for the time being in force in the mine, and all matters and things connected with or relating to the safety of the persons employed in or about the mine ; and
- (iv) to exercise such other powers as may be necessary for the due discharge of his duties under this Regulation.

The examination and enquiry referred to in this section may be carried on by any officer to whom the Inspector of Mines may, in accordance with a general or special order of the Government, delegate the same.

27. Every Mining Proprietor or Superintendent shall furnish the Inspector of Mines, on requisition, with the means necessary for making any entry, inspection, examination or inquiry under this Regulation, and in case of non-compliance with such requisition, shall be liable to a fine not exceeding one hundred rupees.

28. If the Inspector of Mines finds that in any mining operation, the provisions of this Regulation or of the rules thereunder are not duly observed, or that any mine or part thereof or any matter, thing or practice in or connected with such mine, or with the control, management or direction thereof, is dangerous to human life or safety, or defective so as to threaten or tend to the bodily injury of any person, he may give notice in writing to the Mining Proprietor or his Superintendent, stating the particulars in which he considers the provisions of this Regulation or the rules aforesaid are not observed, or the mine or any part thereof or any matter, thing or practice is dangerous or defective, and require the same to be remedied within a specified time.

29. The Inspector of Mines shall forthwith forward to the Magistrate of the District, and to any other Magistrate specially empowered by the Government, a copy of every notice under section 28 which requires anything to be done or remedied so as to prevent danger to human life or safety, and he shall also report to such Magistrate as aforesaid the compliance or non-compliance with every such notice as aforesaid.

Report to Magistrate and Government.

The Inspector of Mines shall report to the Government every non-compliance with a notice issued under section 28.

30. If the Mining Proprietor or his Superintendent objects to comply with any requisition in a notice under section 28, he may, within ten days after receipt of the notice, send his objection in writing, stating the grounds thereof, to the Government, and thereupon the matter shall be determined by arbitration in the manner provided by this Regulation.

Provided that nothing in this section shall affect the powers of a Magistrate under section 144 of the Code of Criminal Procedure.

31. Arbitrations under this Regulation shall be conducted in accordance with the following provisions:—

(a) Within fourteen days after the lodging of an objection under the last preceding section, the Mining Proprietor or Superintendent, and the Inspector of Mines on behalf of the Government, who shall both be deemed to be parties to the arbitration, shall each nominate an arbitrator.

(b) The arbitrators, before entering upon their duties shall nominate another person as umpire.

(c) No person who has no knowledge of mining work shall be an arbitrator, and no person who is not a Justice of the Peace or a District Judge or a Magistrate of the First Class shall be an umpire; nor shall any person act as arbitrator or umpire who is employed or interested in the management of the mine to which the arbitration relates. Every objection to the qualification of an arbitrator shall be preferred in writing at the earliest opportunity to the Magistrate of the District, whose decision thereon shall be final:

Provided that no such objection shall be taken after the award has been made.

(d) If the arbitrator appointed by either party fails to proceed with the arbitration for seven days consecutively, or if he cannot proceed with it owing to death, sickness or other cause, the other party may, by notice in writing, require the appointment of another person in his place.

(e) If the umpire similarly fails to act in the matter of arbitration, either party may call on the arbitrators to appoint another person in his place.

(f) If, within seven days after the receipt of a notice under clause (d) or (e), no new arbitrator or umpire has been appointed, or where the arbitrators do not agree to appoint an umpire, the District Magistrate shall, on the application of any of the parties, appoint a proper person as arbitrator or umpire, as the case may be.

(g) The arbitrators or the umpire, as the case may be, may examine the parties and their witnesses on oath; and for this purpose, any Magistrate having local jurisdiction shall, on their requisition in writing, summon the witnesses to appear before them or produce documents in their possession.

(h) When both the arbitrators are agreed on the matters referred to them, their decision shall be final; but whenever there is a difference on all or any of such matters, the matters in difference shall be submitted to the umpire, whose decision thereon shall be final.

(i) The payment (if any) to be made to an arbitrator or umpire for his services shall be fixed by the Government; and, together with the costs of the arbitration or award (to be taxed as in a proceeding in a Civil Court), shall be paid by the parties or one of them as the award may direct.

(j) Every proceeding held by the arbitrators or umpire under this section shall be deemed to be a judicial proceeding within the meaning of sections 193, 219 and 228 of the Indian Penal Code.

- (k) The Government may, from time to time, make such additional rules as it may deem necessary for the conduct of arbitrations under this Regulation, but not so as to be inconsistent with any of its provisions.

32. Any person who intentionally or negligently omits to comply with a notice under section 28 except when an objection has been duly lodged under section 30 or with the terms of an award made under section 31, shall, for every such omission, be liable to a fine not exceeding one thousand rupees; and in case the omission has been intentional, to a further fine not exceeding one hundred rupees for each day the omission continues :

Penalty for non-compliance with Inspector's order or award of arbitrators.

Provided that the Court, if satisfied that the Mining Proprietor or Superintendent has taken active measures for complying with the notice or award, but has not with reasonable diligence been able to complete the works, may adjourn the proceedings taken before it for punishing the offence, and if the works are completed within a reasonable time, no penalty shall be inflicted.

33. Where any person is guilty of any offence under this Regulation which, in the opinion of the Magistrate who tries the case, is one which was reasonably calculated to endanger the safety of any person or cause serious personal injury to any person or to cause a dangerous accident, and was committed by the personal act, personal default, or personal negligence of the person accused, such person shall be liable, if the Court is of opinion that a pecuniary penalty will not meet the circumstances of the case, to imprisonment of either description for a period not exceeding three months.

Imprisonment for offences calculated to endanger the safety of persons.

SANITATION.

34. (1) The Government may, from time to time, make rules for the special Power of Government to make rules for sanitation and sanitary administration. sanitation and sanitary administration of any local area within which mining operations may be carried on.

(2) In particular, and without prejudice to the generality of the foregoing provision, such rules may provide—

- (a) for regulating the disposal of kitchen and stable refuse, animal refuse of all kinds, and night-soil or other such offensive matter ;
- (b) for conserving and guarding against pollution all sources of water-supply ;
- (c) for preventing overcrowding in bazaars, in cooly lines, and in streets or houses for work-people or others ;
- (d) for the proper cleansing of drains, sewers, latrines and urinals ;
- (e) for regulating the keeping of cattle and other animals, the location of sheds for them, and the fixing or licensing of slaughter-houses ; and authorizing the levy of rent or fees for the use of the same or a fee on each animal slaughtered therein at such rates as may be prescribed from time to time ; and
- (f) for the proper and timely treatment of persons affected with cholera or other epidemic disease, and for preventing the spread of such disease by temporarily prohibiting persons affected or suspected to be affected with it from moving to or from particular specified places or travelling on particular specified routes.

(3) The local area for which the rules under this section are made shall be described in a notification published in the official Gazette.

35. (1) For the purpose of carrying out the rules made under the last preceding section, the Government may appoint any persons, official or non-official or both, residing within or in the vicinity of such area, to constitute a Sanitary Board, and invest such Board with powers for the enforcement of the said rules, and prescribe the mode in which such Board shall conduct its business for carrying out the said rules.

Constitution of a Sanitary Board.

(2) The powers with which the Sanitary Board may be invested under this section include—

(a) power to prescribe bye-laws, with the previous sanction of Government, for the special sanitation of the area under its authority and for the conduct of its business;

(b) power to levy, with the like sanction, such tax, rate or cess within the said area as a Municipal Council would be competent to levy under the law in force relating to Municipalities.

36. For every breach of a rule made under section 34 or of a bye-law made under section 35 the offender shall be liable to a fine not exceeding rupees one hundred.

GENERAL.

37. The Government may frame rules requiring the delivery of periodical returns of work done, workmen employed, the outturn from the mine of minerals and mineral ores, and such other information as the Government may think fit to demand; and for the furnishing of samples of quartz and other rocks and minerals mined or met with in the course thereof, and prescribe a fine not exceeding one hundred rupees for every breach of such rules.

38. The abetting (within the meaning of the Indian Penal Code) of any offence under this Regulation shall be punishable in the same manner as the offence itself.

39. All offences punishable under this Regulation and all breaches of any rules or bye-laws made thereunder shall be cognizable by the District Magistrate or a Magistrate of the First or Second Class.

Provisions of the Code of Criminal Procedure to apply to searches.

40. The provisions of the Code of Criminal Procedure relating to searches shall, so far as may be, apply to all searches made or instituted under this Regulation.

41. All rules and bye-laws made under this Regulation shall be published in the official Gazette, and shall thereupon have the force of law.

REGULATION NO. IV OF 1906.

*(Passed on the 24th day of July 1906.)****A Regulation to Consolidate and amend the Law Relating to Mines in Mysore.***

WHEREAS it is expedient to consolidate and amend the law relating to Mines in Mysore; His Highness the Maharaja is pleased to enact as follows:—

Preamble.

PRELIMINARY.

Short title. 1. This Regulation may be called "The Mysore Mines Regulation, 1906."

Local extent and commencement. It extends to the whole of Mysore, and shall come into force on the first day of September 1906.

Repeal. 2. The Mysore Mines Regulation, 1897, and Regulations I and VI of 1900 are hereby repealed.

Interpretation. 3. In this Regulation, unless there be something repugnant in the subject or context,

Mining operation. (1) "Mining operation" includes—

(a) the carrying on of any underground or surface work in connection with the prospecting for, or the mining, winning, dressing, milling and treatment of ores, minerals and mineral products of every description;

(b) the erecting, making and using of, and otherwise dealing with, for purposes of such work, any railway, tramway, road, building machinery and other plant; and

(c) the manufacture, carriage, storage and use of all explosives, chemicals and other materials to be employed in such work.

Mining Block. (2) "Mining Block" means any block or area of land in and upon which the right to carry on mining operations is held by a Mining Proprietor under a Mining Lease granted by the Government.

Mine. (3) "Mine" means any place above or below ground where any mining operation is carried on, and includes all such portions of the surface of any mining block whereon the right of entry has been acquired by purchase or otherwise by a Mining Proprietor.

Mining Proprietor. (4) "Mining Proprietor" or "Proprietor" means any person or persons or company on whose behalf any mining operations are carried on.

Mining Superintendent. (5) "Mining Superintendent" or "Superintendent" means the person who is the local representative of a Mining Proprietor, and includes an Agent or Manager in charge of any mine on behalf of a Mining Proprietor.

(6) "Mining material" includes—

(a) alluvial gold, gold ores, native gold, precious stones and other rocks and minerals of value;

Mining material.

(b) gold amalgam, sponge gold, zinc precipitates, slags, concentrates, tailings, residues and other valuable mineral products of mines in any stage of treatment or extraction; and mercury, potassium cyanide and other chemicals, apparatus, tools marked with the distinguishing mark of the mine, and materials used in such treatment and extraction.

(c) dynamite, nitro-glycerine, blasting gelatins, gelatine dynamite, fuse, detonators and other explosives used or intended to be used in mining operations;

(d) stearine candles distinguished by the wax being of a light pink colour; and

(e) such other materials and things used or intended to be used in mining operations as may be declared by the Government from time to time, by notification published in the official Gazette, to be mining materials.

(7) "Unwrought gold" includes bar gold, gold bullion and any alloy containing gold in any form whatever which though smelted is not made up into articles of jewellery, vessels, coins, or other articles of use or commerce.

(8) "Gold dealer" means any person who buys or sells unwrought gold, or receives unwrought gold by way of barter or pledge.

(9) "Goldsmith" means any person who, by profession, melts, refines, or works in unwrought gold or silver, or engages in the melting or manufacture of articles made of gold or silver or of alloys containing gold or silver, and includes a silversmith.

(10) "Inspector of Mines" includes any officer to whom all or some of the duties of an Inspector of Mines under this Regulation shall have been delegated, by a general or special order of the Government, so far as the performance of such duties is concerned.

PROTECTION OF MINING PROPERTY.

(1) The provisions of sections 5 to 20, inclusive, shall not apply to any local area unless extended thereto by the Government by a notification published in the official Gazette.

The Government may, by a like notification, cancel or modify any notification issued under sub-section (1).

No person shall purchase or take in barter or exchange any mining material belonging to a Mining Proprietor without the written permission of such Mining Proprietor or his Superintendent, nor shall any person, without such written permission, receive, convey, or, except in such places as are specially authorized, keep, any such mining material otherwise than for use for purposes on behalf of such Mining Proprietor or his Superintendent.

Any person found to be in possession of any mining material without the written permission of a Mining Proprietor or Superintendent, and unable to prove that his possession of the same was obtained in a lawful manner, shall, on conviction before a Magistrate, be liable to the penalty provided in section 13.

It shall not be lawful for any person to buy or sell unwrought gold or to receive unwrought gold by way of barter or pledge without a gold dealer's license, nor to carry on the profession of a goldsmith without a goldsmith's license as hereinafter provided.

It shall not be necessary for a Mining Proprietor to take out a license on account of the smelting, refining or other preparation of any material from his mine by any persons acting on his behalf.

The licenses referred to in section 7 may be issued by a Magistrate of the First Class on payment of such fees as the Government may by rule prescribe in that behalf, and every license shall terminate on the 31st day of December of the year in which it is issued.

Every gold dealer's and every goldsmith's license and every application for a license, shall, respectively, be in such forms as may be prescribed by Govern-

9. No license shall be issued to any applicant unless the Magistrate is satisfied that he is a person of good character and reputation, and it shall be in the absolute discretion of the Magistrate to grant or withhold such license as he may think fit. Any license may be cancelled by a First Class Magistrate on the licensee being convicted of any offence—such conviction not being reversed on appeal or in revision—which in the opinion of the Magistrate renders him unfit to hold a license. Provided that any decision under this section by a Magistrate other than the District Magistrate shall be appealable to the District Magistrate, whose order shall be final.

10. (1) Every licensed gold dealer shall keep at his place of business a book (hereinafter called a gold dealer's register) in which the receipt or disposal of all unwrought gold shall be immediately entered in such form as may be prescribed by Government.

(2) Every licensed goldsmith shall keep at his place of business a book (hereinafter called a goldsmith's register) in which the receipt or disposal of all gold, silver, gold or silver jewellery, unwrought gold or other gold stuff, received, treated, or disposed of, by him shall be immediately entered in such form as may be prescribed by Government.

(3) Every gold dealer's register and every goldsmith's register together with any article or items of gold referred to therein and in the possession of the licensee shall be open to inspection at any time by any police officer not below the rank of Chief Constable, or any police officer specially authorized in this behalf by the Superintendent of Police or by a First Class Magistrate; provided that the person making such inspection shall not divulge the result thereof to any person other than a police officer or Magistrate or by order of a court, under a penalty on conviction not exceeding one hundred rupees.

11. No licensed goldsmith shall smelt, work, use or deal with any of the articles directed to be entered in his register under section 10 until after the expiry of three clear days from the time when such article is received by him. Provided that this section shall not apply to the articles of jewellery by a goldsmith in any way which does not change the identity of such articles.

12. It shall not be lawful for any person to have in his possession or control any unwrought gold unless he holds a goldsmith's license or unless he is a duly accredited person acting as Proprietor.

13. Any person committing an offence under section 5, 6, 7, 10, 11 or 12, except in the case mentioned in section (3) of section 10, shall be liable on conviction to fine not exceeding five hundred rupees, or imprisonment of either description for a term which may extend to one year, or both.

14. It shall be in the discretion of the Magistrate, in the case of any person, not being a female or other person exempted under section 393 of the Code of Criminal Procedure, who shall be convicted of a second offence under section 5, 6, 7 or 12, to award whipping under the provisions of the Mysore Whipping Regulation V of 1903, either in substitution of, or in addition to, the penalty provided in section 13.

15. Any police officer, not below the rank of an officer in charge of a police station, may search any person or any house, building or place for the discovery of any mining material, unwrought gold or other thing with, or in respect of, which an offence under this Regulation is reasonably suspected to have been committed.

16. Any person being the tenant or occupier or reputed tenant or occupier of any premises, at the time when any unwrought gold or mining material reasonably suspected of being stolen or unlawfully obtained is found thereon and seized by any police officer, shall be deemed to have been in possession of such unwrought gold or mining material within the meaning of section 12 or 6, as the case may be, until he proves the contrary.

17. Any person not employed in a mine who shall have been directed to quit such mine by an order in writing signed by the Superintendent of the Mine, and who subsequently to such order remains at or re-enters upon the mine without the permission of the Superintendent, and any person not employed at any mine who shall have been directed to vacate a Government cooly colony by an order in writing signed by the Superintendent of Police, and who subsequently to such order remains in or returns to such Government cooly colony without the permission of the Superintendent of Police, shall be liable on conviction before a Magistrate to the penalty provided in section 19.

18. No hawker or pedlar shall carry on his business without a license in writing obtained for that purpose from a Magistrate of the First Class. Licenses shall be issued subject to such conditions and the levy of such fees as Government may prescribe. Any person carrying on such business without a license as aforesaid, or acting in contravention of any of the conditions of such license, shall be liable on conviction before a Magistrate to the penalty provided in section 19.

19. Any person committing an offence under section 17 or 18 shall be liable on conviction to fine not exceeding one hundred rupees or imprisonment of either description for a term not exceeding three months, or both.

20. All offences under sections 5, 6, 7, 10, 11, 12, 16, 17 and 18 of this Regulation shall be cognizable by the police.

DISCIPLINE OF MINING EMPLOYEES AND INSPECTION OF MINES.

Operations carried on in Mysore shall be conducted in accordance with such general or special rules for the prevention of danger to human life or safety, and for the reporting and investigation of accidents and other matters connected with such mining operations, as may from time to time be prescribed by the Government.

Every Mining Proprietor may, either directly or through his Superintendent, prescribe, with the previous sanction of the Government, such further rules, not being inconsistent with this Regulation or the rules issued under the last preceding section, for the conduct and guidance of persons who have the management of his mine, and of those who are employed in or about the said mine, as may be considered necessary to meet the particular circumstances of the said mine, and to prevent accidents likely to cause danger to human life or safety, and to provide for the safety and proper discipline of the persons employed in or about the said mine.

(2) The Government may at any time cancel or vary any sanction granted under this section.

23. Every Mining Proprietor and his Superintendent shall publish the rules prescribed under sections 21 and 22 of this Regulation in such manner that all persons engaged in or about the mine shall have an opportunity of knowing and observing such rules as may relate to the work they are employed upon.

24. Every person who contravenes, or does not comply with, any rule prescribed under section 21, shall, for every such offence, be liable to a fine not exceeding one hundred rupees; and in the case of any contravention of, or non-compliance with, any such rule by any person whatsoever, being proved, the Superintendent of the Mine shall be liable to a like penalty, unless he proves that he had taken all reasonable means, by publishing, and to the best of his power, enforcing the said rule in the working of the mine to prevent such contravention or non-compliance.

25. The Government may appoint an officer to be called the Inspector of Mines, whose duty it shall be to inspect and examine the mines periodically for the purpose of satisfying himself that the provisions of this Regulation and the rules prescribed under sections 21 and 22 thereof are strictly enforced, and for enquiring generally into the mode of carrying on mining operations.

26. The Inspector of Mines shall have power to do all or any of the following things, namely:—

- Powers of Inspector.
- (i) to make such examination and inquiry as may be necessary to ascertain whether the provisions of this Regulation and the rules framed thereunder are complied with in the case of any mine;
 - (ii) to enter, inspect and examine any mine and every part thereof, at all reasonable times by day and night, but so as not to impede or obstruct unreasonably the working of the mine;
 - (iii) to examine into, and make enquiry respecting, the state and condition of any mine or any part thereof and the ventilation of the mine, and the sufficiency of the special rules for the time being in force in the mine, and all matters and things connected with or relating to the safety of the persons employed in or about the mine; and
 - (iv) to exercise such other powers as may be necessary for the due discharge of his duties under this Regulation.

The examination and enquiry referred to in this section may be carried on by any officer to whom the Inspector of Mines may, in accordance with a general or special order of the Government, delegate the same.

27. Every Mining Proprietor or Superintendent shall furnish the Inspector of Mines, on requisition, with the means necessary for making any entry, inspection, examination or inquiry under this Regulation, and in case of non-compliance with such requisition, shall be liable to a fine not exceeding one hundred rupees.

28. If the Inspector of Mines finds that in any mining operation, the provisions of this Regulation or of the rules thereunder are not duly observed, or that any mine, or part thereof or any matter, thing or practice, in or connected with such mine, or with the control, management or direction thereof, is dangerous to human life or safety, or defective so as to threaten or tend to the bodily injury of any person, he may give notice in writing to the Mining Proprietor, or his Superintendent, stating the particulars in which he considers the provisions of this Regulation or the rules aforesaid are not observed, or the mine or any part thereof or any matter, thing or practice is dangerous or defective, and require the same to be remedied within a specified time.

29. The Inspector of Mines shall forthwith forward to the Magistrate of the District, and to any other Magistrate empowered by the Government, a copy of the report made under section 28 which requires any matter, thing or practice to be remedied so as to prevent danger to human life or safety, and the Magistrate as aforesaid shall cause the compliance or non-compliance with the provisions of this Regulation or the rules aforesaid to be ascertained.

The Inspector of Mines shall report to the Government every non-compliance with a notice issued under section 28.

30. If the Mining Proprietor or his Superintendent objects to comply with any requisition in a notice under section 28, he may, within ten days after receipt of the notice, send his objection in writing, stating the grounds thereof, to the Government, and thereupon the matter shall be determined by arbitration in the manner provided by this Regulation.

Provided that nothing in this section shall affect the powers of a Magistrate under section 144 of the Code of Criminal Procedure.

31. Arbitrations under this Regulation shall be conducted in accordance with the following provisions:—

- (a) Within fourteen days after the lodging of an objection under the last preceding section, the Mining Proprietor or Superintendent, and the Inspector of Mines on behalf of the Government, who shall both be deemed to be parties to the arbitration, shall each nominate an arbitrator.
- (b) The arbitrators, before entering upon their duties shall nominate another person as umpire.
- (c) No person who has no knowledge of mining work shall be an arbitrator, and no person who is not a Justice of the Peace or a District Judge or a Magistrate of the First Class shall be an umpire; nor shall any person act as arbitrator or umpire who is employed or interested in the management of the mine to which the arbitration relates. Every objection to the qualification of an arbitrator shall be preferred in writing at the earliest opportunity to the Magistrate of the District whose decision thereon shall be final:

Provided that no such objection shall be taken after the award has been made.

- (d) If the arbitrator appointed by either party fails to proceed with the arbitration for seven days consecutively, or if he cannot proceed with it owing to death, sickness or other cause, the other party may, by notice in writing, require the appointment of another person in his place.
- (e) If the umpire similarly fails to act in the matter of arbitration, either party may call on the arbitrators to appoint another person in his place.
- (f) If, within seven days after the receipt of a notice under clause (d) or (e), no new arbitrator or umpire has been appointed, or where the arbitrators do not agree to appoint an umpire, the District Magistrate shall, on the application of any of the parties, appoint a proper person as arbitrator or umpire, as the case may be.
- (g) The arbitrators or the umpire, as the case may be, may examine the parties and their witnesses on oath; and for this purpose, any Magistrate having local jurisdiction shall, on their requisition in writing, summon the witnesses to appear before them or produce documents in their possession.
- (h) When both the arbitrators are agreed on the matters referred to them, their decision shall be final; but whenever there is a difference on all or any of such matters, the matters in difference shall be submitted to the umpire, whose decision thereon shall be final.
- (i) The payment (if any) to be made to an arbitrator or umpire for his services shall be fixed by the Government; and, together with the costs of arbitration or award (to be taxed as in a proceeding in a Civil Court) shall be paid by the parties or one of them as the award may

being held by the arbitrators or umpire under this section shall be deemed to be a judicial proceeding within the meaning of sections 193, 219 and 228 of the Indian Penal Code.

(k) The Government may, from time to time, make such additional rules as it may deem necessary for the conduct of arbitrations under this Regulation, but not so as to be inconsistent with any of its provisions.

32. Any person who intentionally or negligently omits to comply with a notice under section 28 except when an objection has been duly lodged under section 30 or with the terms of an award made under section 31, shall, for every such omission, be liable to a fine not exceeding one thousand rupees; and in case the omission has been intentional, to a further fine not exceeding one hundred rupees for each day the omission continues:

Provided that the Court, if satisfied that the Mining Proprietor or Superintendent has taken active measures for complying with the notice or award, but has not with reasonable diligence been able to complete the works, may adjourn the proceedings taken before it for punishing the offence, and if the works are completed within a reasonable time, no penalty shall be inflicted.

33. Where any person is guilty of any offence under this Regulation which, in the opinion of the Magistrate who tries the case, is one which was reasonably calculated to endanger the safety of any person or cause serious personal injury to any person or to cause a dangerous accident, and was committed by the personal act, personal default, or personal negligence of the person accused, such person shall be liable, if the Court is of opinion that a pecuniary penalty will not meet the circumstances of the case, to imprisonment of either description for a period not exceeding three months.

SANITATION.

34. (1) The Government may, from time to time, make rules for the special Power of Government to make rules for sanitation and sanitary administration. sanitation and sanitary administration of any local area within which mining operations may be carried on.

(2) In particular, and without prejudice to the generality of the foregoing provision, such rules may provide—

- (a) for regulating the disposal of kitchen and stable refuse, animal refuse of all kinds, and night-soil or other such offensive matter;
- (b) for conserving and guarding against pollution all sources of water-supply;
- (c) for preventing overcrowding in bazaars, in cooly lines, and in streets or houses for work-people or others;
- (d) for the proper cleansing of drains, sewers, latrines and urinals;
- (e) for regulating the keeping of cattle and other animals, the location of sheds for them, and the fixing or licensing of slaughter-houses; and authorizing the levy of rent or fees for the use of the same or a fee on each animal slaughtered therein at such rates as may be prescribed from time to time; and
- (f) for the proper and timely treatment of persons affected with cholera or other epidemic disease, and for preventing the spread of such disease by temporarily prohibiting persons affected or suspected to be affected with it from moving to or from particular specified places or travelling on particular specified routes.

(3) The local area for which the rules under this section are made shall be described in a notification published in the official Gazette.

35. (1) For the purpose of carrying out the rules made under the last preceding section, the Government may appoint any persons, official or non-official or both, residing within or in the vicinity of such area, to constitute a Sanitary Board, and invest such Board with powers for the enforcement of the said rules, and prescribe the mode in which such Board shall conduct its business for carrying out the said rules.

(2) The powers with which the Sanitary Board may be invested under this section include—

- (a) power to prescribe bye-laws, with the previous sanction of Government, for the special sanitation of the area under its authority and for the conduct of its business;
- (b) power to levy, with the like sanction, such tax, rate or cess within the said area as a Municipal Council would be competent to levy under the law in force relating to Municipalities.

36. For every breach of a rule made under section 34 or of a bye-law made under section 35 the offender shall be liable to a fine not exceeding rupees one hundred.

GENERAL

37. The Government may frame rules requiring the delivery of periodical returns of work done, workmen employed, the output from the mine of minerals and mineral ores, and such other information as the Government may think fit to demand; and for the furnishing of samples of quartz and other rocks and minerals mined or met with in the course thereof, and prescribe a fine not exceeding one hundred rupees for every breach of such rules.

38. The abetting (within the meaning of the Indian Penal Code) of any offence under this Regulation shall be punishable in the same manner as the offence itself.

39. All offences punishable under this Regulation and all breaches of any rules or bye-laws made thereunder shall be cognizable by the District Magistrate or a Magistrate of the First or Second Class.

40. The provisions of the Code of Criminal Procedure relating to searches shall, so far as may be, apply to all searches made or instituted under this Regulation.

41. All rules and bye-laws made under this Regulation shall be published in the official Gazette, and shall thereupon have the force of law.

PART III.

Legislative Measures and Rules thereunder.

No. Fl. 3124—S. R. 166-05-4, dated 31st October—3rd November 1906.

In exercise of the powers conferred by Section 29 of the Mysore Excise Regulation, V of 1901, and of all other powers enabling them in this behalf, the Government of His Highness the Maharaja of Mysore hereby make the following amendment in the Arrack Rules published under Notification No. 11387—Ex. Fl. 3-01, dated the 8th January 1902, as amended by Notification No. Fl. 541A—S. R. 6-02, dated the 27th July 1904:—

- I. In Appendix D, "License for retail sale of arrack" in condition 4, line 2, between the words "of" and "arrack," add the word "molasses," and in line 3 between the words "of" and "arrack" insert the words "Jaggory arrack of the strength of 20° under-proof and molasses," and in condition 34 in the last line between the words "than" and "arrack" add the word "molasses."
2. The following shall be the form of the License for retail sale exclusively of Jaggory arrack.

APPENDIX D. I.

LICENSE FOR RETAIL SALE OF JAGGORY ARRACK.

Retail Jaggory Arrack License to Independent Separate Shop or Group of Shops.

Register No.

Name of License-holder

Names of Vendors and Shopmen

Locality

I, ...
Deputy Commissioner, ... District, do hereby grant a license for the
Retail Vend of Jaggory Arrack manufactured in the Mysore State, to
..... at
in the on the following conditions:—

1. The amount for which the privilege has been purchased shall, if it exceeds Rs. 12 per annum, be payable into the local Taluk Treasury in equal monthly instalments commencing from July 190 . But where it does not exceed Rs. 12 per annum, it shall be paid in not more than three equal quarterly instalments. Each instalment shall be regarded as the rent for the

month or quarter in respect of which it is payable. The licensee is not required to make any additional payment on account of local cess. Each month's or quarter's rent shall be payable on or before the 20th of the same month, or before the end of the quarter for which the instalment is due. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, suspend, or declare by record in writing that the license is forfeited, and proceed to re-sell or otherwise dispose of the shop or group of shops as soon after the last day of the month or quarter as may be possible with effect from the date of issue of license to the new purchaser or from the date of other disposal. The officer who has power to suspend license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

NOTE.—The licensee of a Jatra shop shall pay the rent thereof in full before the Jatra begins.

2. The deposit made by the licensee shall be taken as security for the due performance of the conditions of the license and, if not forfeited, credited or otherwise disposed of, shall be credited in payment of the instalments due in the last two months of the period of the lease. Provided, however, that where the shop or group of shops is re-sold or otherwise disposed of, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the re-sale or other disposal of the shop or group of shops. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force or the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

3. Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

4. The privilege conferred by the license extends only to the sale of Jaggory arrack ordinarily of the strength of 20° under-proof and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of Jaggory arrack of 30° under-proof. In places where there are no shops for the vend of foreign liquors or where the foreign liquor shop-keepers do not undertake to sell double-distilled or rectified country spirits and special liquors such as Brandy, Whisky, Gin, etc., of such strength as may be fixed by the Excise Commissioner, manufactured at the Government Central Distillery, Bangalore, the holder of Jaggory arrack shop license of approved character may, with the sanction of the Excise Commissioner, be permitted to sell the same in duly corked sealed bottles not to be drunk on the premises, at such prices, as may be fixed by the Excise Commissioner.

5. The lease shall not be transferable by sale, gift or otherwise or be sub-rented except with the permission of the Excise Commissioner, nor if the Deputy Commissioner so orders may any agent be appointed for the management of any privilege without his previous approval. All engagements entered into by the Agent shall be deposited with the Deputy Commissioner within one month from the date of execution.

6. The resignation of shop or group of shops will be summarily rejected by the Deputy Commissioner.

7. The manufacturers of arrack or double-distilled or rectified country spirits or other special liquors as well as the licensees of arrack Bonded Depôts are prohibited from holding any interest in the retail vend of the abovementioned spirits or from employing any person who has such interest.

8. The sale or transport of Jaggory arrack by persons suffering from leprosy or any contagious disease and the employment of such persons in the shop are prohibited.

9. The license-holder shall purchase from the Bonded Depôts established Jaggory arrack in duly corked sealed bottles at Rs. 1-6-6, and also special liquors referred to above, at such prices as may be fixed by the manufacturers.

10. The licensee shall sell to the public Jaggory arrack of 20° under-proof at Rs. 1-3-10 per reputed quart bottle and at proportionate rates for lower strengths.

11. The licensee of every shop in the Cities of Bangalore and Mysore shall pay a registration fee under the Municipal Regulations at the rate of Rs. (180) one hundred and eighty per annum in advance for the period of the license for his shop, and he shall pay a surcharge of (4) four annas per gallon on all arrack sold by him in excess of 55 gallons a month in each such shop.

12. The above rates to be charged for Jaggory arrack, double distilled or rectified country spirits or other special liquors by the manufacturers and the above fees are in addition to excise duty, which shall be prepaid at the prescribed rate of Rs. 4-12-0 (including local cess) per gallon of 20° under-proof and proportionately for higher or lower strengths, before the removal of the liquor from a Bonded Depôt established under the sanction of Government.

13. The licensee shall pay the above duty and price into a Taluk Treasury or to a special shroff, if any, appointed on this behalf at the cost of Government, and located at the Taluk Cutcherry to receive such duty and price daily including Sundays and holidays or to such other officer as may be appointed by the Deputy Commissioner, and shall obtain a receipt in the prescribed printed form. On production of such receipt, and an indent for the supply of the liquor covered by the receipt, the Bonded Depôt-keeper shall issue the quantity of liquor equal to the amount of duty and price shown in the said receipt which will be forwarded to

the Excise Commissioner's office under the endorsement of the Bonded Depôt-keeper aforesaid, as to the date and hour when the liquor was issued. The Depôt-keeper aforesaid shall issue a pass in the prescribed form for the transport of liquor from the Bonded Depôt. He shall also issue sample bottles with the consignments in such manner as may be ordered by the Excise Commissioner.

14. The licensee shall be bound to take over any liquor which may remain as stock in hand belonging to the out-going licensee on 1st July 190 , in the shop, paying him such compensation for the same as may be fixed by the Excise Commissioner.

15. The licensee shall possess or use on any licensed premises only such standard measure as may, from time to time, be prescribed by the Excise Commissioner. The officers authorized to inspect licensed shops are empowered to enter and examine the premises, to test the measures in use and the liquor under sale and to call for and check the accounts kept in the shops.

16. The licensee shall be bound by the provisions of the Excise Laws and Rules in force and by any additional rules which may, from time to time, be prescribed under the Excise Laws, and if so required, deliver up his license for amendment or issue of a fresh one.

17. The Deputy Commissioner may, whenever he thinks fit, direct shops to be closed, or permit transfer of shops from one place to another, provided the distance is not more than 200 yards, or direct new shops to be opened with the previous sanction of the Excise Commissioner.

18. Persons who purchase group of shops may, with the special permission of the Excise Commissioner, who is at liberty to refuse it, and under a license by a competent authority open a depôt and remove thereto liquor purchased from the Bonded Depôt and issue therefrom the requisite supply to their shops.

19. The licensee of shop or group of shops shall not, during the term of the license, have any interest in the exclusive privilege of vending molasses arrack or toddy within five miles from it, nor permit any person having interest in the exclusive privilege of vending molasses arrack or toddy within the said area, to hold any share or interest in his exclusive privilege of selling Jaggory arrack ; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any arrack farm in any districts of the Madras or Bombay Presidency under the British Government or any other Foreign State or Territory, or Civil and Military Station, Bangalore.

20. An Inspection note book with the pages numbered consecutively for inspecting officers to enter their remarks shall be maintained and be handed over to the Excise Inspector in charge of the Range or any officer authorized by him to receive it on a receipt being given therefor.

21. If the licensee shall be convicted on prosecution before a Magistrate of any offence against the Excise Regulation, or Opium Act or other law for the time being in force, which in the Deputy Commissioner's opinion renders him unfit to hold the license, it shall be lawful for the Deputy Commissioner to declare his license forfeited and sell or otherwise dispose of the privilege at the risk of the licensee.

22. All sums payable by the licensee may be deducted from the amount of his deposit or recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue.

23. The license-holder or vendor or vendors shall not sell nor give any Jaggory arrack exceeding one reputed quart to any individual to convey out of any licensed shops or premises without a valid permit.

24. The shop-keepers shall not sell or give any Jaggory arrack to any European non-commissioned officer, private soldier, or to any European or Eurasian camp follower, or to any member of the families of any of the aforesaid persons, without the permission in writing of the Commanding Officer or of some person duly authorized by him in that behalf ; nor to any European sailor, nor to any sepoy, member of the Police force or Excise staff or servant of a Railway Company, whilst on duty ; nor to any European vagrant under escort of Police ; nor to any child under 14 years of age ; nor to any insane person for consumption on the premises ; nor shall they sell any Jaggory arrack on credit.

25. They (license-holder or vendor or vendors) shall not receive any article whatsoever in barter or pledge. Payment for Jaggory arrack shall be received by them in ready money only, and they shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. They shall have no pecuniary dealings with any Excise Officer.

26. The Jaggory arrack kept in his shop offered for sale and sold, shall be unadulterated and undiluted ; and it shall be of the same quality and strength as issued from the Bonded Depot. It will be sold in corked sealed bottles as received from the Bonded Depot.

27. No consignments of Jaggory arrack received at the shop, and which have been transported through British Territory, shall be opened before they have been verified by authorized officers.

28. No water or other beverage, or liquor other than Jaggory arrack of any quantity whatever shall be kept or sold in the shop in which Jaggory arrack is sold, or on the person or in possession of the license-holder or vendor or any of his employees in the shop. No ingredients noxious to health shall be added to it either to increase its intoxicating power or for any other purpose. All officers authorized to inspect shops and depots are empowered to detain any liquor found unfit for consumption or use and the Excise Commissioner all Deputy Commissioners, Deputy Excise Commissioner and Excise Assistant Commissioners are authorized to destroy such.

29. No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in the shop, and gaming, disorderly conduct, etc., therein shall be prevented, and information of their resort shall be given to the Magistrate or Police Officer. No person shall be harboured during night in any shop.

30. The license-holder shall fix in a conspicuous place outside of his shop a board on which shall be legibly printed in local vernacular his name and the number of his license and the articles he is licensed to deal in and the current rate of sale; the license must be hung up in a conspicuous place within.

31. True account of receipts and issues of liquor shall be maintained from day to day in ink in the prescribed form. The accounts and permits shall be in printed books which may be obtained from local Excise Officers on payment of cost price. Permits for liquor received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved and delivered to the local Excise Officer immediately after the close of the lease. They shall be produced when asked for by the Deputy Commissioner or any Officer appointed by him or by an Excise Officer not below the rank of Excise Assistant Inspector. The licensee shall be bound to furnish such returns and information as may, from time to time, be required by the Deputy Commissioner or Excise Officer not below the rank of Excise Assistant Inspector.

32. The amount of fees payable for the shops under Condition 11 above; shall, in the Towns of Bangalore and Mysore, be paid to the Officers appointed by the President, Municipal Commission, to receive the same.

33. The following stock or such stock as the Excise Divisional Officer, may consider sufficient to meet local requirements shall always remain on hand and not be trencched upon:—

	Jaggory arrack	Remarks
I. At all District Head-quarters ...	2 Gallons	
II. At all Taluk and Depot Kasbas ...	1 Gallon	
III. Village shops within five miles from Depot ...	$\frac{1}{2}$ Gallon	
IV. Village shops more than five miles distant from Depot ...	Stock equal to one day's sale for every ten miles from Depot and not less than the stock fixed for shops within five miles of the Depot.	

The shop shall be kept open during the authorized hours unless its temporary or permanent closure is authorized by the Deputy Commissioner.

34. The shop shall be closed by *9 P.M. and not be opened before sunrise except on special permit in cases of festivals, etc. The Deputy Commissioner or Assistant Commissioner in charge of the taluk may direct that all shops for the sale of Jaggory arrack on or adjacent to the line of march shall be closed whilst a detachment of European or Native soldiers is passing or encamped in the vicinity. The Government reserves the power to terminate the lease on public grounds on giving the licensee fifteen days' notice and awarding a reasonable compensation to the licensee. The licensee will have no claim to compensation or remission on account of any arrangements which may be made by Government in regard to Country Beer or other description of liquor than Jaggory arrack.

35. The sales should be conducted in a suitable building which shall have only one door, and no windows shall be allowed to the rear or ends of the building. The bar where the liquor is sold shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be allowed to or be kept open for customers.

36. The right is reserved to the Deputy Commissioner to grant occasional licenses for the sale of liquor on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

* 9-30 P.M. in the Bangalore City.

37. If it comes to the licensee's knowledge that any person employed by him in the carriage or sale of Jaggory arrack, commits any breach of the Excise Laws or of the engagements entered into by him, it shall be his duty to report the matter to the Deputy Commissioner, and comply with the directions of the Deputy Commissioner respecting the continued employment of such person.

38. No person who has been convicted of a heinous offence under the Indian Penal Code shall be employed in the carriage or sale of liquor without the Deputy Commissioner's previous permission.

39. In case of any breach of the above conditions either by the licensee or, with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shop, or to carry on the business of his shop with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 50, for every such breach or for such neglect, or, at the option of the Deputy Commissioner, to declare the money deposited with him forfeited and to cancel the license and re-sell the shop or to otherwise dispose of it at the risk of the licensee, or to place the shop under the management of Government; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business with due care and attention and by opening his shop on 1st July 190 , shall be made good by him. When a shop is cancelled, the rent for the whole period of the shop shall become due at once. All such amounts of penalties and losses shall be recovered in the same manner as if they were arrears of land revenue.

40. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding para, shall not be held to prevent the prosecution of the licensee or his agents or employees for any offence punishable under the Excise Laws or other law for the time being in force.

Note.—For continuing breaches of a license, continuing fines may be imposed.

SCHEDULES.

THE MYSORE MUNICIPAL REGULATION.

NO. VII OF 1906.

PASSED ON THE 16TH DAY OF OCTOBER 1906

A Regulation for the better management of Municipal affairs in Mysore.

WHEREAS it is expedient to make better provision for the management of municipal affairs in cities and towns in Mysore: His Highness the Maharaja is pleased to enact as follows:—

CHAPTER I.—PRELIMINARY.

Short title. 1. (1) This Regulation may be cited as the Mysore Municipal Regulation, 1906.

Local extent. (2) It extends to the whole of Mysore.

Commencement. (3) It shall come into force on the first day of January 1907.

2. The Bangalore Municipal Regulations of 1871 and Regulations III of 1888, I of 1890, VII of 1899 and VIII of 1900 are hereby repealed.

Provided that—

(a) the said repeal shall not affect the validity or invalidity of anything already done under any of the said enactments;

(b) all municipalities constituted, municipal commissioners appointed or elected, committees established, limits defined, appointments, rules, orders and by-laws made, notifications and notices issued, taxes and rates imposed, contracts entered into, and suits and other proceedings instituted, under the said Regulations or under any enactments thereby repealed, shall, so far as may be, be deemed to have been respectively constituted, appointed, elected, established, defined, made, issued, imposed, entered into and instituted under this Regulation; and

(c) any enactment in force in Mysore, or document referring to any such repealed enactment, shall, so far as may be, be construed to refer to this Regulation or to the corresponding portion thereof.

3. In this Regulation and in the schedules, unless there be something repugnant in the subject or context—

(1) "City Municipal Council" shall mean

(a) either the City Municipal Council of Bangalore or Mysore, as the case may be, or

(b) one which has been declared under sub-section (1) of section 181 a City Municipal Council,

and which has not ceased, under sub-section (2) of section 181, to be a City Municipal Council.

(2) "Councillor" shall mean any person legally a member of a Municipal Council constituted under this Regulation.

(3) "Judge" shall mean District Judge, Judge of a Court of Small Causes, Subordinate Judge, or Munsiff.

(4) "Municipality" shall mean any local area which is at present a municipality under the enactments repealed by section 2 of this Regulation, and any local area which may hereafter be constituted a municipality under section 4, if such municipality has not ceased to exist under the provisions of the said section.

(5) "Land" shall include land which is built upon or covered with water.

(6) "Building" shall include any hut, shed, or other enclosure, whether used as a human dwelling or otherwise, and shall include also walls, verandahs, fixed platforms, plinths, door-steps, and the like.

(7) "Owner" shall include the person for the time being receiving the rent of lands and buildings, or either of them, whether on his own account, or as agent or trustee for any other person or for any society, or for any religious or charitable purposes, or who would so receive the rent if such land or building were let to a tenant : Provided that no person receiving the rent of any land or building as agent or trustee for another person, shall be liable to do anything by this Regulation required to be done by the owner of such land or building which may involve expenditure on the part of such owner, unless he have funds of, or due to, the owner sufficient to pay for the same ; nor shall he be subject to any penalty for omitting to do such act, if he can prove that the default was occasioned by reason of his not having funds of, or due to, the owner sufficient to defray the expense of doing the act required.

(8) "Salaried servant of Government" shall not include a retired servant of Government in receipt of a pension, or a person in receipt of a salary from Government who is not a full-time servant of Government.

(9) "Official year" shall mean the year commencing on the first day of July.

(10) "Annual letting value" shall mean the annual rent for which any building or land, exclusive of furniture or machinery contained or situated therein or thereon, might reasonably be expected to let from year to year.

(11) "Street" shall mean any road, footway, square, court, alley or passage, accessible whether permanently or temporarily to the public, whether a thoroughfare or not ; and shall include every vacant space, notwithstanding that it may be private property, and partly or wholly obstructed by any gate, post, chain or other barrier, if houses, shops or other buildings abut thereon, and if it is used by any persons as a means of access to or from any public place or thoroughfare, whether such persons be occupiers of such buildings or not, but shall not include any part of such space which the occupier of any such building has a right at all hours to prevent all other persons from using as aforesaid.

(12) "Public street" shall mean any street—

(a) over which the public have a right of way, or

(b) heretofore levelled, paved, metalled, channelled, sewered or repaired, out of municipal or other public funds, or

(c) which under the provisions of section 90 is declared by the Municipal Council to be, or under any other provisions of this Regulation becomes, a public street.

(13) "Tax" shall include any toll, rate, cess, fee or other impost leviable under this Regulation.

(14) "Nuisance" shall include any act, omission, place or thing which causes or is likely to cause injury, danger, annoyance or offence to the sense of sight, smelling or hearing, or which is or may be dangerous to life or injurious to health or property.

(15) "Dangerous disease" shall mean cholera, plague, small-pox, and any epidemic, epidemic, or infectious disease by which the life of man is endangered.

(16) "Vehicle" shall include bicycles, tricycles and automotor cars, and every wheeled conveyance which is used or capable of being used on a public street.

(17) "Public securities" shall mean—

(a) securities of the Government of India,

(b) securities of the Government of Mysore,

(c) debentures or other securities for money issued by or on behalf of any local authority in exercise of powers conferred by a law in force in Mysore, or

(d) a security expressly authorised by any order which the Government makes in this behalf.

CHAPTER II—CONSTITUTION OF MUNICIPAL COUNCILS.

(1) *Municipalities.*

4. (1) Subject to the provisions of sections 6, 7 and 8, the Government may from time to time, by notification in the Official Gazette, declare any local area to be a municipality, and may from time to time, by a like notification, extend, contract or otherwise alter the limits of any municipality, or declare that any local area shall, from a date to be specified in the notification, cease to be a municipality.

Delimitation of municipalities.

(2) Every such notification constituting a new municipality, or altering the limits of an existing municipality, shall clearly set forth the local limits of the area to be included in or excluded from such municipality, as the case may be.

Limits to be specified in notification.

(3) It shall be the duty of the Municipal Council in every municipality already existing and of every Municipal Council newly constituted under this Regulation, and of every Municipal Council whose local limits are altered as aforesaid, to cause, at their own cost, to be erected or set up, if and when so required by the Deputy Commissioner, and thereafter to maintain, at their own cost, substantial boundary marks of such description and in such positions as shall be approved by the Deputy Commissioner, defining the limits or the altered limits of the municipality subject to their authority, as set forth in the notification.

Erection and maintenance of boundary marks.

(4) When any local area ceases to be a municipality, the Municipal Council constituted therein shall cease to exist, and the property and rights vested in any such Municipal Council shall, subject to all charges and liabilities affecting the same, vest in the Government, and the proceeds thereof, if any, shall be expended under the orders of the Government for the benefit of the local area in which such Municipal Council had jurisdiction.

Property and rights of Municipal Council which has ceased to exist to vest in Government.

5. Municipalities constituted under section 4 may be either periodical or permanent.

Municipalities to be periodical or permanent.

6. Any local area in which a periodical fair is held or which is visited periodically by pilgrims, together with any neighbouring local area to which the people attending such fair or the pilgrims resort whilst such fair or pilgrimage lasts, may be declared a periodical municipality at and throughout certain specified recurring seasons.

What local areas may be declared to be periodical municipalities.

What local areas may be declared to be permanent municipalities.

7. (1) Any local area which comprises:—

(a) a city, town or station or two or more neighbouring cities, towns and stations, with or without any village, suburb, or land adjoining thereto, or

(b) a village or suburb or two or more neighbouring villages and suburbs, may be declared a permanent municipality:

Provided that, except for exceptional reasons, which shall be clearly set forth in the proclamation under section 8 and in the notification issued under section 4, it shall not be lawful—

(i) to include any city, town, station or suburb in a permanent municipality with any other city, town, station or suburb from which it is separated by an extent of more than one mile of land unoccupied by houses; or

(ii) to constitute any municipality in any area of which the population is less than two thousand.

(2) When two or more places bearing different names or formed into one municipality, the name of the municipality shall be determined by the Government.

Naming of municipalities comprising two or more places.

8. (1) Not less than two months before the publication of any notification declaring any local area a permanent municipality, or altering the limits of any such municipality, or declaring that any local area shall cease to be a municipality, the Government shall cause to be published in the Official Gazette, in English and Kanarese, and to be posted up in conspicuous spots in the said local area in Kanarese, a proclamation announcing that it is proposed to constitute

Permanent municipalities.

such local area a municipality, or to alter the limits of the municipality in a certain manner, or to declare that such local area shall cease to be a municipality, as the case may be, and requiring all persons who entertain any objection to the said proposal to submit the same, with the reasons therefor, in writing to the Deputy Commissioner within two months from the date of the said proclamation, and whenever it is proposed to add to or exclude from a municipality any inhabited area, it shall be the duty of the Municipal Council also to cause a copy of such proclamation to be posted up in conspicuous places in such area.

(2) The Deputy Commissioner shall, with all reasonable despatch, forward every objection so submitted to Government.

(3) No such notification as aforesaid shall be issued by the Government unless the objections, if any, so submitted are, in its opinion, insufficient or invalid.

(2) *Municipal Councils.*

9. In every municipality there shall be a Municipal Council, and every such Municipal Council shall be a body corporate by the name of "The Municipal Council of—", and shall have perpetual succession and a common seal, and may sue and be sued in their corporate name.

Constitution and incorporation of Municipal Councils.

Municipal Councils to consist of elected and nominated councillors.

10. (1) Except as is hereinafter otherwise provided, every such Municipal Council shall consist of—

- (a) elected councillors;
- (b) nominated councillors, if any, that is to say, such persons as from time to time—
 - (i) are by name appointed in this behalf, or
 - (ii) are executing the functions of any office from time to time notified in this behalf, by the Government.

Provided that the number of elected councillors shall be not less than one-third of the whole number, inclusive of the president, and that not more than one-half of the nominated councillors shall be salaried servants of Government.

In specified proportions.

(2) Any vacancies due to failure to elect the full number of elected councillors which under this section might be elected, may, notwithstanding anything in this Regulation contained, be filled up by nomination by the Government.

Government may determine the number of councillors; fix proportion of elected and nominated councillors; and make rules for regulating elections.

11. The Government shall from time to time, generally or specially for each Municipal Council—

- (a) determine the number of councillors;
- (b) fix, subject to the provisions of the last preceding section, the proportion of the councillors, if any, who shall be nominated;
- (c) make rules consistent with this Regulation, for—
 - (i) fixing the dates and the time and manner of holding elections, general or casual, of councillors to be elected;
 - (ii) prescribing the number to be elected by the rate-payers, or by sections of the inhabitants, or by public bodies or associations, if any, and the qualifications of candidates and of voters other than as hereinafter provided;
 - (iii) preparing and revising the lists of voters from time to time, fixing the date after which no application for enrolment in any such list under preparation or revision shall be received, declaring the manner in which the right to vote of any undivided family, or any company or firm, or any other association or body of individuals, or any trustees of any building or land, being two or more in number, entered in such list, may be recorded and exercised, and prescribing the restrictions, if any, on the number of votes which a voter may give;
 - (iv) determining the manner in which and the authority by whom any objection to such lists in regard to the names entered therein or omitted therefrom may be heard and decided, and to what authority the appeals as to such entries and omissions shall lie;
 - (v) prescribing the date, subject to the provisions of sub-section (1) of section 13 for the publication of the Municipal Election Roll;
 - (vi) regulating generally such elections.

12. Subject to the provisions of section 13 and to the disqualifications mentioned in section 15 and sub-sections (3) and (6) of section 22 as regards candidates, and in section 21 as regards voters,

Proviso as to admission of certain qualifications.

(a) every Graduate of any University, and

(b) every Advocate of the Chief Court,

who, for a period of not less than six months next preceding the date on which by the said rules a list of voters is required to be prepared or revised in a municipality for election purposes, has been resident in that municipality, and,

(c) every person who, for the like period, has been paying taxes, other than octroi or toll, imposed in that municipality, of an amount not less than such minimum as shall for the time being be fixed for that municipality by the Government,

shall be qualified to be a candidate, and to be entered in the list of voters for the said municipality.

13. (1) When, in accordance with rules framed under sub-clauses (iii) and (iv) of clause

Operation of lists.

(c) of section 11, a list of voters has been prepared or, upon a general revision, completed, a copy thereof signed by such person as may be designated in this behalf in the rules aforesaid, shall be the Municipal Election Roll. A new Election Roll shall be published in each year on such date as may be prescribed by the Rules, and shall continue in operation for a period of twelve months from that day.

Provided that if a new Election Roll is not published in any year before the date prescribed, the Roll then in operation shall continue in operation until the new Roll is published.

(2) At every election of councillors every person enrolled in the Municipal Election Roll

Right to vote to depend on entry in roll.

as for the time being in operation under sub-section (1), shall be deemed to be entitled to vote, and every person not so enrolled shall be deemed to be not entitled to vote.

14. (1) (a) Nothing in the four sections last preceding shall apply to any permanent

Constitution of Municipal Council, in exceptional cases.

municipality to which, owing to the smallness of such municipality, or to the backward state or indifference of its inhabitants, or for other such exceptional reason, the Government shall, in a notification setting forth such reasons and published in the Official Gazette, at any time declare the provisions of the said sections to be unsuitable.

(b) In any such municipality the Municipal Council shall consist either entirely of nominated councillors, or partly of nominated and partly of elected councillors, in such proportions, and appointed or elected by such persons, in such manner, and subject to such conditions, as the Government in the notification published under clause (a), or in any subsequent notification published as aforesaid, shall think fit to prescribe.

(c) It shall be competent to the Government at any time to alter or rescind any notification issued by it under this section; and in the event of any notification under clause (a) being rescinded, the Municipal Council affected thereby shall, from a date to be fixed in this behalf by the Government, be constituted in accordance with the four sections last preceding.

(2) The powers and duties conferred and imposed by this Regulation on Municipal

Periodical Municipal Councils.

Councils shall, in a periodical municipality, be respectively exercised and discharged by a neighbouring Municipal Council nominated in this behalf by Government, or by a Municipal Council specially constituted for the time being and consisting of such councillors nominated in such manner as the Government directs.

(3) If in any periodical municipality, any tax has been or shall have been imposed, or

Taxes, rules and by-laws in periodical municipalities.

any rule or by-law has been or shall have been made, under the provisions of this Regulation, such tax, unless and until it has been modified, suspended or abolished, shall be leviable, and such rule or by-law, unless and until it has been altered or rescinded, shall have effect, in such municipality throughout each recurring season during which the municipality is, by virtue of a declaration under Section 6, a periodical municipality.

(3) *Municipal Councillors.*

General disqualifications for becoming a councillor.

15. (1) No person may be a councillor,—

(a) who,

(i) having been sentenced by a Criminal Court to imprisonment or whipping for an offence punishable with imprisonment for a term exceeding six months, or to transportation, such sentence not having been subsequently reversed or quashed, or

(ii) having been dismissed from Government service, such dismissal having been notified as debarring him from re-employment, or
 (iii) being a legal practitioner whose sannad has been withdrawn by the Chief Court, or
 (iv) having been removed from office under section 16,
 has not, by an order which the Government is hereby empowered to make, if it shall think fit, in this behalf, been relieved from disqualification arising on account of such sentence or dismissal, or withdrawal of sannad or removal from office, or

(b) who has been declared an insolvent, or

(c) who is less than twenty-one years of age, or who is of the female sex, or

(d) who is a Judge;

and no person,

(e) who is a subordinate officer or servant of a Municipal Council, or

(f) who, save as hereinafter provided, has directly or indirectly, by himself or his partner, any share or interest in any work done by order of a Municipal Council, or in any contract or employment with, or under, or by, or on behalf of a Municipal Council,

may be a member of such Municipal Council.

Provided that—

a person shall not be deemed to have incurred such disqualification or to have any share or interest in any such work or in any such contract or employment, by reason only of his—

- (i) having any share or interest in any lease, sale or purchase of any immovable property or in any agreement for the same,
- (ii) having a share in any joint-stock company which shall contract with, or be employed by, or on behalf of, the Municipal Council, or
- (iii) having a share or interest in any newspaper in which any advertisement relating to the affairs of the Municipal Council may be inserted, or
- (iv) holding a debenture or being otherwise interested in any loan raised by or on behalf of the Municipal Council, or
- (v) being professionally engaged on behalf of the Municipal Council as a legal practitioner, or
- (vi) having a share or interest in the occasional sale of any article in which he regularly trades, to the Municipal Council, to a value not exceeding, in any one official year, such amount as the Municipal Council, with the sanction of Government, may fix in this behalf, or
- (vii) being a party to any agreement made with the Municipal Council under the provisions of section 71 or of proviso (a) to sub-section (1) of section 156.

Disabilities from continuing a councillor.
 10r.

(2) If any councillor during the term for which he has been elected or appointed—

(a) becomes disqualified under sub-section (1), or

(b) acts as a councillor in any matter—

(i) in which he has directly or indirectly, by himself or his partner, any such share or interest as is described in clauses (i), (ii), (iii), (vi) and (vii) of the proviso to sub-section (1), or

(ii) in which he is professionally interested on behalf of a client, principal or other person, or

(c) departs beyond the limits of Mysore with the declared or known intention of absenting himself continuously for a period exceeding six months, or

(d) by becoming a salaried servant of Government, causes the number of nominated councillors who are salaried servants of Government to exceed the proportion prescribed in the proviso of sub-section (1) of section 10, or

(e) not being a president or vice-president or a salaried servant of Government, fails, without leave from the Municipal Council on that behalf, to attend any meeting of the Municipal Council for a period of four months, provided that there shall have been not less than three such meetings within such period,
 he shall be disabled from continuing to be a councillor, and his office shall become vacant.

(3) If any question or dispute arises whether a vacancy has occurred under this section, the orders of the Government shall be final for the purpose of deciding such question or dispute.

Power of Government to decide whether vacancy has occurred.

16. The Government, if it thinks fit, on the recommendation of the Municipal Council, may remove any councillor elected or appointed under this Regulation, if such councillor has been guilty of misconduct in the discharge of his duties, or of any disgraceful conduct, or has become incapable of performing his duties as a councillor.

17. Councillors nominated or elected at a general election under this Regulation shall, save as provided in the next following section, or unless they become in the meantime disabled, or are removed from office under section 16, or section 179, hold office for a term of three years, extensible by order of the Government to a term not exceeding in the aggregate four years, if on any occasion the Government shall think fit, for reasons which shall be notified together with the order in the Official Gazette, so to extend the same.

18. In the event of the death, resignation, disqualification, disability or removal of a councillor previous to the expiry of his term of office, the vacancy shall be filled up, as soon as it conveniently may be, by the election or appointment, as the case may be, of a person thereto, who shall hold office so long only as the councillor in whose place he is elected or appointed would have held it if the vacancy had not occurred.

19. A person who has already been elected or appointed a councillor on one or more occasions shall, if otherwise duly qualified, be eligible at any time for re-election or re-appointment.

20. The names of all councillors finally elected to any Municipal Council as well as the names of the nominated councillors, if any, appointed thereto, shall be published, as soon as conveniently may be, in the Official Gazette.

(4) *Municipal Elections.*

21. No person who is less than twenty-one years of age shall be entitled to vote at any municipal election.

22. (1) If the validity of any election of a councillor is brought in question by any person qualified either to be elected or to vote at the election to which such question refers, such person may, at any time within ten days after the date of the declaration of the result of the election, apply to the District Judge of the district within which the election has been or should have been held.

(2) The District Judge or such other Judge as may be appointed by the Government in this behalf may, after such inquiry as he deems necessary, and subject to the provisions of sub-section (3), pass an order confirming or amending the declared result of the election, or setting the election aside. For the purposes of the said inquiry the said Judge may summon and enforce the attendance of witnesses, and compel them to give evidence as if he were a Civil Court, and he may also direct by whom the whole or any part of the costs of any such inquiry shall be paid; and such costs shall be recoverable as if they had been awarded in a suit under the Code of Civil Procedure. The decision or order shall be conclusive. If he sets aside an election, a date shall forthwith be fixed and the necessary steps taken for holding a fresh one.

(3) (a) The Judge, if satisfied that a candidate has, within the meaning of sub-section (4), committed any corrupt practice for the purpose of the election, shall declare the candidate disqualified both for the purpose of that election, and of such fresh election as may be held under sub-section (2), and shall set aside the election of such candidate if he has been elected.

(b) If in any case to which clause (a) does not apply, the validity of an election is in dispute between two or more candidates, the Judge shall, after a scrutiny and computation of the votes recorded in favor of each such candidate, declare the candidate who is found to have the greatest number of valid votes in his favor, to have been duly elected.

Provided that for the purpose of such computation no vote shall be reckoned as valid if the Judge finds that any corrupt practice was committed by any person, known or unknown, in giving or obtaining it.

(4) A person shall be deemed to have committed a corrupt practice within the meaning of the last preceding sub-section,—

(i) who with a view to inducing any voter to give or to refrain from giving his vote in favor of any candidate, offers or gives any money or valuable consideration

or holds out any promise of individual profit, or holds out any threat of injury, to any person, or,

- (ii) who gives, procures, or abets the giving of a vote in the name of a voter who is not the person giving such vote.

And a corrupt practice shall be deemed to have been committed by a candidate, if it has been committed with his knowledge and consent, or by a person who is acting under the general or special authority of such candidate with reference to the election.

Candidate when deemed to have committed corrupt practice.

EXPLANATION.—A “promise of individual profit” includes a promise for the benefit of the person himself, or of any one in whom he is interested. It does not include a promise to vote for or against any particular municipal measure.

Promise of individual profit.

Mere irregularities and informalities not to invalidate election.

the election.

(5) If the validity of the election is brought in question only on the ground of an error by the officer or officers charged with carrying out the rules made under clause (c) of section 11, or of an irregularity or informality not corruptly caused, the Judge shall not set aside the election.

(6) If the Judge sets aside an election under clause (a) of sub-section (3), he may, if he thinks fit, declare any person by whom any corrupt practice has been committed within the meaning of this section, to be disqualified from being a candidate in that or any other municipality for a term of years not exceeding seven, and the Judge's decision shall be conclusive: provided, however, that such person may, by an order which the Government is hereby empowered to make, if it shall think fit, in that behalf, be at any time relieved from such disqualification.

Disqualification of candidate for corrupt practice.

Presidents and Vice-Presidents.

23. (1) For every Municipal Council there shall be a president and, if and whenever Government so directs, one or more than one vice-president. Where there are more vice-presidents than one, the Government may direct which of them is the senior for the purpose of this Regulation.

Every Municipal Council to have a president and, if Government so directs, one or more vice-presidents.

(2) The president and the vice-president or vice-presidents shall be selected from among the councillors; and for this purpose may be either—

(a) appointed by the Government by name; or

(b) appointed by the Government ex-officio, that is to say, as executing the functions of any office which the Government from time to time notifies in this behalf; or

(c) if the Government so directs, elected by the Municipal Council.

(3) When an office has been notified under clause (b) of sub-section (2), the person from time to time executing the functions of that office shall be and shall continue to be president or vice-president as the case may be, unless and until such notification is altered or rescinded by the Government.

Effect of notification of ex-officio president or vice-president.

(4) Except in the case of an ex-officio president or vice-president, every president or vice-president who, for a period exceeding three months, shall absent himself from the municipality in such manner as to be unable to perform his duties as such president or vice-president, shall cease to be president or vice-president unless leave so to absent himself has been granted—

Consequences of absence of president or vice-president without leave.

(a) by the Government in the case of a president or vice-president appointed under clause (a) of sub-section (2),

(b) by the Municipal Council, in the case of an elected president or vice-president.

(5) Leave under the last preceding sub-section shall not be granted for a period exceeding six months, and whenever leave is granted to a president or vice-president under that sub-section a councillor shall be appointed or elected, as the case may be, to perform the duties and exercise all the powers of a president or vice-president during the period for which leave is granted.

Power to grant of leave, and arrangements pending absence of president or vice-president.

Every president and every vice-president shall be removable from his office as such president or vice-president by the Government for misconduct, or neglect of or incapacity to perform his duty, and the term of office of every president, and of every vice-president,

Every president and every vice-president shall be removable from his office as such president or vice-president by the Government for misconduct, or neglect of or incapacity to perform his duty, and the term of office of every president, and of every vice-president,

shall cease on the expiry of his term of office as councillor, unless the term for which he shall have been appointed president or vice-president expires sooner.

(7) In the event of the death, resignation or removal from office of a president or vice-president other than an ex-officio president or vice-president, or of his becoming incapable of acting in such office or having ceased to be a councillor under sub-section (2) of section 15, previous to the expiry of his term of office as president or vice-president, the vacancy shall be filled up by the appointment or election, as the case may be, of some other councillor thereto.

Functions of presidents.

24. (1) It shall be the duty of the president of a Municipal Council to—

(a) preside, unless prevented by reasonable cause, at all meetings of the Municipal Council, and, subject to the provisions of the rules for the time being in force under clause (a) of section 46, to regulate the conduct of business at such meetings;

(b) watch over the financial and executive administration of the Municipal Council, and, subject to the rules of the Municipal Council at the time being in force, to perform such executive functions as may be performed by or on behalf of the Municipal Council over which he presides;

(c) exercise supervision and control over the acts and proceedings of all officers and servants of the Municipal Council in matters of executive administration and in matters concerning the accounts and records of the Municipal Council; and, subject to the rules of the Municipal Council at the time being in force, to dispose of all questions relating to the service of the said officers and servants, and their pay, privileges and allowances;

(d) furnish to the Deputy Commissioner, or to such other officer as the Deputy Commissioner shall from time to time nominate in this behalf, a copy of every resolution passed at any meeting of the Municipal Council and any extract from the minutes of the proceedings of the Municipal Council or of any committee or other document or thing which the Deputy Commissioner from time to time calls for under section 173.

(2) When there is an equality of votes of the councillors present for and against any proposition under consideration, the president shall have a second or casting vote.

President in what cases to have a casting vote.

25. (1) It shall be the duty of a vice-president of a Municipal Council to exercise such of the powers and perform such of the duties of the president as the president from time to time deposes to him.

Functions of vice-presidents.

(2) It shall be the duty of the vice-president, or, if there are more vice-presidents than one, of the senior vice-president present,—

(a) in the absence of the president and unless prevented by reasonable cause, to preside at the meetings of the Municipal Council, and he shall when so presiding exercise the same authority as is vested in the president under clause (a) of sub-section (1) of section 24; and

(b) pending the succession, appointment, or election of a president, or during the absence of a president on leave, to exercise the powers and perform the duties of the president.

CHAPTER III.—CONDUCT OF BUSINESS.

Municipal Meetings.

Provisions in regard to meetings of a Municipal Council.

26. The following provisions shall be observed with respect to the meetings of a Municipal Council:—

(1) Except in the case of periodical Municipal Councils, there shall be held an ordinary general meeting in each month for the disposal of general business. In the case of every periodical Municipal Council there shall be such and so many ordinary general meetings, as the president thereof shall from time to time determine. It shall be the duty of the president to fix the dates for all ordinary general meetings.

Ordinary general meetings.

(2) The president may, whenever he thinks fit, and shall, upon the written request of not less than one-third of the councillors, call a special general meeting.

Special general meetings.

(3) Seven clear days' notice of an ordinary general meeting, and three clear days' notice of a special general meeting, specifying the time and place at which such meeting is to be held and the business to be transacted thereat, shall be circulated to the councillors, and posted up at the municipal office or some other public building in the municipality. The said notice shall include any motion or proposition which a councillor shall have given written notice, not less than ten days previous to the meeting, of his intention to bring forward thereat, and, in the case of a

Notice to be given of meetings.

special general meeting, any motion or proposition mentioned in any written request made for such meeting.

(4) Every meeting of a Municipal Council shall, except for reasons to be specified in the notice convening the meeting, be held in the building used as a municipal office by such Municipal Council.

(5) Every meeting shall, if there be no president or vice-president present, be presided over by such one of the councillors present as may be chosen by the meeting to be chairman for the occasion, and such chairman shall exercise thereat the powers vested in the president by clause (a) of sub-section (1) of section 24.

(6) Every meeting shall be open to the public unless the presiding authority deems the public must ordinarily be open to any inquiry or deliberation pending before the Municipal Council such as should be held in private, and provided that the said authority may at any time cause any person to be removed who interrupts the proceedings.

(7) If, in the case of a City Municipal Council less than one-third, and in the case of any other Municipal Council less than one-half, of the whole number of councillors required to form a quorum, be present at a meeting at any time from the beginning to the end thereof, the presiding authority shall adjourn the meeting to such hour on the following or some other future day as he may reasonably fix, and a notice of such adjournment shall be fixed up in the municipal office, and the business which would have been brought before the original meeting, had there been a quorum thereat, shall be brought before the adjourned meeting and may be disposed of at such meeting or at any subsequent adjournment thereof whether there be a quorum present or not.

(8) Except with the permission of the presiding authority, which permission shall not be given in the case of a motion or proposition to modify or cancel any resolution within three months after the passing thereof, no business shall be transacted and no proposition shall be discussed at any general meeting unless it has been mentioned in the notice convening such meeting, or, in the case of a special general meeting, in the written request for such meeting. The order in which any business that may be transacted or any proposition that may be discussed at any meeting in accordance with this sub-section, shall be brought forward at such meeting; shall be determined by the presiding authority, who in case it is proposed by any member to give priority to any particular item of such business, or to any particular proposition, shall put the proposal to the meeting and be guided by the majority of votes given for or against the proposal.

(9) In the case of every City Municipal Council there shall be kept in English, and, in the case of every other Municipal Council there shall be kept in Kanarese, and if the Municipal Council so resolve, in English, either in lieu of or in addition to Kanarese, minutes of the names of the councillors and of the Government officers, if any, present under the provisions of sub-section (14), and of the proceedings at each general meeting, in a book to be provided for this purpose, which shall be signed, as soon as practicable, by the presiding authority of such meeting, and shall at all reasonable times be open to inspection by any inhabitant of the municipality.

(10) All questions shall be decided by a majority of votes of the councillors present and voting, the presiding authority having a second or casting vote in all cases of equality of votes. Votes shall be taken and results recorded in such manner as may be prescribed by rules in that behalf for the time being in force under clause (a) of section 46.

(11) Any general meeting may, with the consent of a majority of the councillors present, be adjourned from time to time; but no business shall be transacted at any adjourned meeting other than that left undisposed of at the meeting from which the adjournment took place.

(12) No resolution of a Municipal Council shall be modified or cancelled within three months after the passing thereof, except by a resolution supported by not less than one-half of the whole number of councillors, and passed at a general meeting whereof notice shall have been given, fulfilling the requirements of sub-section (3) and setting forth fully the resolution which it is proposed to modify or cancel at such meeting, and the motion or proposition for the modification or cancellation of such resolution.

(13) Except for reasons which the presiding authority deems emergent, no business relating to any work which is being executed for the Municipal Council by a Government Executive Engineer, or to any educational matter, shall be transacted at any meeting of a Municipal Council unless, at least fifteen days previous to

such meeting, a letter has been addressed to the said Executive Engineer or to the Educational Inspector of the district, informing him of the intention to transact such business thereat, and of the motions or propositions to be brought forward concerning such business.

(14) (a) The Executive Engineer, Educational Inspector and the Civil Surgeon in a district when charged with any of the duties of a health-officer therein, if not members of a Municipal Council within the district, shall have the right of being present at any meeting of such Municipal Council, and, with the consent of the Municipal Council, each of them may take part at such meeting in the discussion or consideration of any question, on which, in virtue of the duties of his office, he considers his opinion or the information which he can supply, will be useful to such Municipal Council.

Provided that the said officers shall not, unless they are members of the Municipal Council, be entitled to vote upon any such question:

(b) If it shall appear to a Municipal Council that the presence of the Executive Engineer, Educational Inspector, or Civil Surgeon of or in the district, is desirable for the purpose aforesaid at any future meeting of such Municipal Council, it shall be competent to such Municipal Council, by letter addressed to such officer not less than fifteen days previous to the intended meeting, to require his presence, thereat; and the said officer, unless prevented by sickness, or other reasonable cause, shall be bound to attend such meeting.

Provided that such officer on receipt of such letter may, if unable to be present himself, instruct a Deputy or Assistant or other competent subordinate as to his views, and may send him to the meeting as his representative, instead of appearing thereat in person.

EXPLANATION.—The terms "Executive Engineer," "Educational Inspector" and "Civil Surgeon" in sub-sections (13) and (14) of this section include the principal Engineering, Educational and Medical officer, respectively, in or for the district.

(2) Committees.

27. (1) For every Municipal Council there shall be a committee called the managing committee, consisting of such number of councillors not exceeding nine or less than three as may have been elected for a period not exceeding one year, in accordance with rules under clause (a) of section 46.

Managing committees.

(2) The managing committee shall, subject,

(i) to any limitations prescribed by the Municipal Council specially in this behalf and generally by rules made under clause (a) of section 46, and

(ii) to the provisions of Chapter XIII, exercise all the powers of the Municipal Council.

Provided that no managing committee shall exercise—

(a) any powers in connection with any school or educational institution in respect of which a committee is appointed under section 28, or

(b) any powers with which any committee appointed under section 29 is vested.

28. The Municipal Council may appoint, subject to such limitations as are prescribed by the rules for the time being in force under section 46 and subject also to the proviso contained in section 58, a committee consisting of such councillors as they think fit, for managing all or any primary or other schools vested in or maintained by the Municipal Council or for conducting the business of the Municipal Council in respect of any educational institutions aided by the Municipal Council.

School committees.

29. Subject to the limitations prescribed by the rules aforesaid, the Municipal Council may appoint, for a period not exceeding one year, any such committee or such or so many committees consisting of such councillors as they think fit for any purpose or respectively for any of the purposes, other than those specified in section 28, for which a managing committee may, under section 27, exercise the powers of a Municipal Council, and may invest each committee so appointed with such of the said powers as may be necessary or expedient for the fulfilment of the purpose for which it is appointed.

Other executive committees.

30. The Municipal Council may from time to time appoint such or so many other committees consisting of such councillors as they think fit, and may refer to such committees for enquiry and report, or for opinion, such special subjects relating to the purposes of this Regulation as the Municipal Council shall think fit, and may at any time discontinue, or alter the constitution of, any such committee. The Municipal Council may direct that the report of any such committee shall be made to the managing committee, instead of to the Municipal Council.

Consultative committees.

31. Notwithstanding anything contained in this Regulation, it shall be lawful for the Municipal Council from time to time, by a resolution supported by not less than one-half of the whole number of councillors, to appoint, as members of any committee under section 28, 29 or 30, any persons of either sex, who are not councillors, but who may in the opinion of such Municipal Council possess special qualifications for serving on such committee; provided that the number of persons so appointed on any committee shall not exceed one-third of the total number of the members of such committee.

All the provisions of this Regulation relating to the duties, powers, liabilities, disqualifications and disabilities of councillors shall, save as regards the disqualification on the ground of sex, be applicable so far as may be to such persons.

32. A vacancy occurring in a managing committee shall, as soon as possible, and a vacancy occurring in any other committee may, be filled up by the election of a member from among the general body of councillors, subject to the same provisions as those under which the member whose place is to be filled up was elected. A councillor shall be eligible at any time for re-election as a member of any such committee notwithstanding that he has previously been a member of that committee.

When chairman to be ex-officio.

33. (1) The president or a vice-president, if appointed a member of any committee, shall be ex-officio chairman thereof.

When no ex-officio chairman, Municipal Council may appoint chairman.

(2) The Municipal Council may appoint a chairman for every committee of which there is no ex-officio chairman.

(3) Every committee, of which there is an ex-officio chairman or a chairman appointed by the Municipal Council, shall, at each meeting which such chairman does not attend as chairman, appoint from its members a chairman for such meeting.

When ex-officio or appointed chairman does not attend meeting, committee may appoint chairman of meeting.

(4) Every committee, of which there is no ex-officio chairman or chairman appointed by the Municipal Council, shall appoint from time to time its own chairman from among its own members.

If there is no chairman, ex-officio or appointed by the Municipal Council.

34. (1) The provisions of sub-sections (4), (9), (10) and (14) of section 26 shall be complied with in all proceedings of committees as if meetings of committees were included in all references to meetings of a Municipal Council contained in those provisions, and as if for the words "Municipal Council" where they occur in the proviso to clause (a) of sub-section (14) of section 26, there were substituted the word "committee."

Procedure at meetings.

(2) Committees may meet and adjourn as they think proper, but the chairman of the committee may, whenever he thinks fit, and shall, upon the written request of the president of the Municipal Council or of not less than two members of a committee, call a special meeting of such committee.

Committee shall meet when they think proper.

(3) No business shall be transacted at any committee meeting unless more than one-half of the members of the committee be present thereat.

Number of members required to form quorum at committee meetings.

35. (1) Notwithstanding anything contained in the preceding section, the chairman of the committee, whenever it appears to him unnecessary to convene a meeting, may, instead of so doing, circulate a written proposition of his own, or of any other member of the committee, or of any executive officer of the Municipal Council, for the observation and votes of the members of the committee.

Procedure by circular.

(2) Previous to circulating any such proposition as aforesaid, the chairman may, if he thinks fit, and, if the business to which it relates is of the nature described in sub-section (13) of section 26, shall, obtain thereupon the remarks, if any, which any Government officer, not a councillor, whose presence the Municipal Council would be entitled to require under the provisions of clause (b) of sub-section (14) of section 26, desires to record.

Propositions when to be sent to Government officers for remarks.

(3) The decision on any proposition so circulated shall be in accordance with the majority of votes of the members of the committee who vote upon it, unless a special meeting is convened to consider the said proposition.

Decisions how to be taken on propositions circulated;

and how to be recorded.

(4) Every decision arrived at by the committee under this section shall be recorded in the minute-book kept under sub-section (9) of section 26.

(5) Notwithstanding anything in this Regulation contained, the Government may by notification authorize the adoption by any Municipal Council specified in such notification not being a City Municipal Council, of the procedure prescribed by this section, for the disposal of any business, whenever the president of such Municipal Council may deem it unnecessary to convene a general meeting for the purpose of such business.

36. (1) Every committee shall conform to any instructions that may from time to time be given to them by the Municipal Council; the Municipal Council may, at any time, call for any extract from any proceedings of any committee, and for any return, statement or account or report concerning or connected with any matter with which any committee has been authorized or directed to deal, and every such requisition shall, without unreasonable delay, be complied with by the committee so called upon.

(2) Every order passed by a managing committee or by a committee appointed under section 28 or 29, other than orders under sub-section (3) of section 65, shall be subject to such revision, and open to such appeal, as may be required or allowed in respect thereof by any rules of the Municipal Council for the time being in force under section 46.

(3) *Delegation of powers to individuals.*

37. Any powers or duties or executive functions which may be exercised or performed by or on behalf of the Municipal Council may be delegated, in accordance with rules to be made by the Municipal Council in this behalf, to the president or to the vice-president, or to the chairman of the managing, school or other committee, or to one or more stipendiary or honorary officers, but without prejudice to any powers that may have been conferred on a Chief Officer of a City Municipal Council under Chapter XIII or on any committee by or under section 27, 28 or 29; and each person, who exercises any power or performs any duty or function so delegated, may be paid all expenses necessarily incurred by him therein.

(4) *Validity of Proceedings.*

38. (1) No disqualification of, or defect in the election or appointment of, any person acting as councillor, or as the president or presiding authority of a general meeting or as chairman of a committee appointed under this Regulation, shall be deemed to vitiate any act or proceeding of the Municipal Council or of any such committee, as the case may be, in which such person has taken part, whenever, the majority of persons, parties to such act or proceeding, were entitled to act.

(2) Until the contrary is proved, every meeting of the Municipal Council or of a committee appointed under this Regulation, in respect of the proceedings whereof a minute has been made and signed in accordance with this Regulation, shall be deemed to have been duly convened and held, and all the members of the meeting shall be deemed to have been duly qualified; and where the proceedings are the proceedings of a committee, such committee shall be deemed to have been duly constituted and to have had the power to deal with the matters referred to in the minute.

(3) During any vacancy in a Municipal Council or committee the continuing councillors or members may act as if no vacancy had occurred.

(5) *Joint transactions with other Bodies.*

39. A Municipal Council may from time to time—

(a) join with any other Municipal Council or with any District Board, or with more than one such Municipal Council or Board,

(i) in appointing out of their respective bodies a joint committee for any purpose in which they are jointly interested, and in appointing a chairman of such committee; and

(ii) in delegating to any such committee power to frame terms binding on each such body as to the construction and future maintenance of any joint work, and any power which might be exercised by either or any of such bodies; and

(iii) in framing and modifying rules for regulating the proceedings of any such committee relating to the purpose for which the committee is appointed; and

(b) enter, subject to the sanction of the Government, into an agreement with a Municipal Council, regarding the levy of octroi duty, whereby the octroi duties respectively leviable by the bodies so contracting,

Agreement for joint levy of octroi.

may be levied together instead of separately within the limits of the area subject to the control of the said bodies.

If any difference of opinion arises between local bodies acting under this section, the decision thereupon of the Government, or of such officer as it appoints in this behalf, shall be final.

(6) *Contracts.*

40. (1) Every Municipal Council shall be competent, subject to the restrictions contained in sub-section (2), to lease, sell or otherwise transfer any movable or immovable property which may, for the purposes of this Regulation, have become vested in or been acquired by them, and, so far as is not inconsistent with the provisions and purposes of this Regulation, to enter into and perform all such contracts as they may consider necessary or expedient in order to carry into effect the said provisions and purposes.

(2) In the case of every lease of immovable property for a term exceeding seven years, and of every sale or other transfer of any such property, the previous sanction of the Government is required.

(3) In the case—

(a) of a lease for a period exceeding one year, or of a sale or other transfer, or contract for the purchase of any immovable property,

(b) of every contract which will involve expenditure not covered by a budget grant,

(c) of every contract the performance of which cannot be completed within the official year current at the date of the contract,

the sanction of the Municipal Council by a resolution passed at a general meeting is required.

(4) In the case of a contract for the purchase of movable property, or for the sale of any movable property belonging to a Municipal Council, if the expenditure which the purchase would involve, or the value of the property to be sold as estimated in the Municipal accounts, exceeds

(a) in the case of a City Municipal Council, Rs. 500,

(b) in the case of any other Municipal Council, Rs. 100,

the sanction of the Municipal Council is required.

(5) In the case of every contract not otherwise provided for in the preceding sub-sections of this section, the sanction of the managing committee, or of such other committee, or of such individual as under the provisions of this Regulation or of the rules for the time being in force thereunder, is empowered in this behalf, is required.

(6) Every contract entered into by or on behalf of a Municipal Council, other than a contract to which sub-section (5) applies, shall be in writing, and shall be signed by the president or vice-president and two other councillors, and shall be sealed with the common seal of the Municipal Council. Every contract to which sub-section (5) applies shall be executed by the chairman of the managing committee, or by the chairman of such other committee, or by such other individual, as is empowered in that behalf, in such manner and form as, according to the law for the time being in force, would bind such chairman or individual if such contract were executed by him on his own behalf.

(7) No contract shall be binding on a Municipal Council in any case referred to in this section, unless all such requirements as are specified in sub-section (2), (3), (4) or (5) in respect of such case are fulfilled, and unless it is executed in accordance with the provisions of sub-section (6) applicable thereto.

(7) *Compulsory acquisition of land.*

41. When there is any hindrance to the permanent or temporary acquisition, upon payment, of any land or building required for the purposes of this Regulation, the Government may, after obtaining possession of the same for Government under the Mysore Land Acquisition Regulation, 1894, or other existing law, vest such land or building in the Municipal Council on their paying the compensation awarded, and on their repaying to Government all costs incurred by Government on account of the acquisition.

(8) *Liabilities of councillors, officers and servants.*

42. Every councillor shall be personally liable for the misapplication of any fund to which he shall have been a party, or which shall have happened through, or been facilitated by, gross neglect of his duty

as a councillor, and may be sued for recovery of the moneys so misapplied as if such moneys had been the property of Government.

Provided that no councillor shall be personally liable in respect of any contract or agreement made, or for any expense incurred, by, or on behalf of, the Municipal Council; the funds at the disposal of each Municipal Council shall be liable for, and be charged with, all costs in respect of any such contract or agreement and all such expenses.

43. (1) Any person who has, directly or indirectly, by himself or his partner, any share or interest in any contract with, by, or on behalf of, a Municipal Council, or in any employment with, under, by, or on behalf of, a Municipal Council, other than as a municipal officer or servant, shall be disqualified for being an officer or servant of such Municipal Council.

(2) Any municipal officer or servant who shall acquire, directly or indirectly, by himself or his partner, any share or interest in any such contract or employment as aforesaid, shall cease to be a municipal officer or servant, and his office shall become vacant.

(3) Nothing in this section shall apply to any such share or interest in any contract or employment with, under, by, or on behalf of, a Municipal Council as, under clauses (ii) and (iv) of the proviso to sub-section (1) of section 15, it is permissible for a person to have without his being thereby disqualified for being a councillor.

44. (a) Any councillor who knowingly acquires, directly or indirectly, any share or interest in any contract or employment with, under, by, or on behalf of, a Municipal Council of which he is a member, not being a share or interest such as, under section 15, it is permissible for a person to have, without being thereby disqualified for being a councillor, and,

(b) any municipal officer or servant who knowingly acquires, directly or indirectly, any share or interest in any contract, or except in so far as concerns his own employment as municipal officer or servant, in any employment with, under, by, or on behalf of, a Municipal Council of which he is an officer or servant, not being a share or interest such as under clauses (ii) and (iv) of the proviso to sub-section (1) of Section 15, it is permissible for a person to have without being thereby disqualified for being a councillor,

shall be liable, on conviction before a criminal court, to a fine which may extend to five hundred rupees.

45. (a) Every person holding the post of councillor or of an officer or servant of a Municipal Council, and every person authorised by the Municipal Council to collect or recover on behalf of the Municipal Council any tax, who

(i) accepts or obtains, or agrees to accept, or attempts to obtain, for himself or for any other person, any gratification whatever, other than legal remuneration, as a reward for doing, or forbearing to do, any official act, or for showing, or forbearing to show, in the exercise of his official functions, favour or disfavour to any person, or for rendering, or attempting to render, any service or disservice to any person, with the Municipal Council or with any public servant, or with any municipal committee, officer or servant, as such, or with Government, or

(ii) does any act for which, or omits to do any act for the omission of which, if he were a public servant within the meaning of the Indian Penal Code, he would be liable to punishment, or to an enhanced punishment, under that Code; and

(b) every person who

(i) falsely pretends that he holds such post or is so authorised as aforesaid, and in such assumed character, does or attempts to do any act under colour of the character so assumed, or

(ii) does any such act, or is guilty of any such omission, to or in relation to any person holding such post or authorised as aforesaid with such intention or knowledge or in such circumstances as would, if the person holding such post or authorised as aforesaid were a public servant within the meaning of the Indian Penal Code, render the person so doing that act or so omitting as aforesaid, liable to punishment or enhanced punishment under that Code,

shall, if no punishment is, in such behalf, provided elsewhere in this Regulation, be liable to the punishment to which for the like offence he would, if every person holding such post or authorised as aforesaid were a public servant within the meaning of the Indian Penal Code, be liable under that Code.

CHAPTER IV.—RULES AND BY-LAWS.

46. Every Municipal Council shall, as soon as conveniently may be after the constitution thereof, make and may from time to time alter or rescind rules, but not so as to render them inconsistent with this Regulation,

(a) regulating the conduct of their business and the delegation of any of their powers, or duties and, subject to the provisions of section 27, the appointment and constitution of committees;

fixing the functions of the president and the establishment; (b) determining;

(i) the executive functions to be performed by the president, vice-president, the chairman of any committee, and, subject to the provisions of Chapter XIII, in City Municipal Councils by the Chief Officer, and the delegation of any of their powers or duties to such persons;

(ii) the staff of officers and servants to be employed by the Municipal Council and the respective designations, duties, salaries, fees and absentee or other allowances of such officers and servants, and the powers and duties delegated to them under section 37;

for general guidance of municipal servants; (c) generally for the guidance of their officers and servants in all matters relating to the municipal administration;

(d) fixing the amount and nature of the security to be furnished by any officer or servant from whom it may be deemed expedient to require security;

determining mode of appointing, etc., municipal servants; delegating power to appoint, etc.; (e) subject to the provisions of section 184, determining the mode and conditions of appointing, punishing or dismissing any officer or servant, and delegating to officers designated in the rules the power to appoint, fine, reduce, suspend or dismiss any officer or servant;

granting leave to municipal servants; (f) regulating the grant of leave to officers or servants, and fixing the remuneration to be paid to the persons, if any, appointed to act for them whilst on leave;

fixing pensions, etc. (g) subject to the provisions of the Mysore Service Regulations and to the special orders of Government, if any, regulating the period of service of all officers and servants, and determining the conditions under which such officers and servants, or any of them, shall receive pensions, gratuities, or compassionate allowances on retirement, or on their becoming disabled through the execution of their duty, and the amount of such pensions, gratuities, or compassionate allowances; and prescribing the conditions under which any gratuities, or compassionate allowances may be paid to the surviving relations of any such officers or servants whose death has been caused through the execution of their duty;

contributing to provident funds; (h) authorising the payment of contributions, at such rates and subject to such conditions as may be prescribed in such rules, to any pension or provident fund which may be established by the Municipal Council or with the approval of the Municipal Council by the said officers and servants;

prescribing the taxes, etc., to be levied for municipal purposes. (i) prescribing, subject to the provisions of Chapter VII, the taxes to be levied in the municipality for municipal purposes, the grounds on which exemptions are to be recognised, the conditions on which and the extent to which remissions may be granted, and the system on which refunds are to be allowed and paid, in respect of such taxes, and the limits of the charges or payments to be fixed in lieu of any tax under section 71, and the fees to be charged for licenses or permissions granted under section 70, and the times at which and the mode in which the same shall be levied or recovered or shall be payable, and prescribing the fees for notices demanding payments due on account of any tax, and for the execution of warrants of distress, and the rates to be charged for maintaining any livestock distrained, and designating the persons authorised to receive payment of any sums so leviable;

(u) determining the information and plans to be required by the Municipal Council under sections 91 and 96;

(v) prohibiting the transit of any vehicles of such form, construction, weight or size, or laden with such machinery or other unwieldy objects as may be deemed likely to cause injury to the roadway, or to any construction thereon, or risk or obstruction to other vehicles or to pedestrians, along or over any street, except under such conditions as to time, mode of traction or locomotion, use of appliances for protection of the roadway, number of lights and assistants, and other general precautions as may be prescribed, either generally in such by-laws, or in special licenses to be granted in each case upon such terms as to time of application and payment of fees therefor as may be prescribed in such by-laws;

for controlling unwieldy traffic.

provided that no such by-law relating only to any particular street or portion of a street shall be deemed to be in force, until and until notices of such prohibition shall have been

posted up by the Municipal Council in conspicuous places at or near both ends of such street or portion of a street;

regulating municipal administration.

(w) generally for the regulation of all matters relating to municipal administration.

Fine may be imposed for infringement of by-laws.

And every Municipal Council may, with the like sanction, prescribe a fine not exceeding five hundred rupees for the infringement of any such by-law.

(2) Every Municipal Council shall, before making any by-law under this section, publish in such manner as shall, in their opinion be sufficient, for the information of the persons likely to be affected thereby, a draft of the proposed by-law, together with a notice specifying a date on or after which the draft will be taken into consideration, and shall, before making the by-law, receive and consider any objection or suggestion with respect to the draft which may be made in writing by any person before the date so specified.

(3) When any by-law made by a Municipal Council is submitted to the Government for sanction, a copy of the notice published as aforesaid and of every objection or suggestion so made, shall be submitted for the information of the Government along with the said by-law.

49. The rules and by-laws for the time being in force shall be kept open for public inspection at the municipal office at all reasonable times, and printed copies thereof and of this Regulation in Kanarese and in the case of City Municipalities in English as well as in Kanarese, shall be kept on sale at cost price.

CHAPTER V.—MUNICIPAL PROPERTY AND FUND.

50. (1) Every Municipal Council may acquire and hold property both movable and immovable, whether within or without the limits of the municipality.

(2) All property of the nature hereinafter in this section specified, and not being specially reserved by the Government, shall be vested in and belong to the Municipal Council and shall, together with all other property, of what nature or kind soever, not being specially reserved by the Government, which may become vested in the Municipal Council, be under their direction, management and control, and shall be held and applied by them as trustees, subject to the provisions and for the purposes of this Regulation; that is to say—

(a) All public town-walls, gates, markets, slaughter-houses, manure and night-soil depots, and public buildings of every description.

(b) All public streams, tanks, reservoirs, cisterns, wells, springs, aqueducts, conduits, tunnels, pipes, pumps and other water-works, and all bridges, buildings, engines, works, materials and things connected therewith or appertaining thereto, and also any adjacent land (not being private property) appertaining to any public tank or well.

(c) All public sewers and drains, and all sewers, drains, tunnels, culverts, gutters and water-courses in, alongside, or under any street, and all works, materials and things appertaining thereto, as also all dust, dirt, dung, ashes, refuse, animal matter, or filth, or rubbish of any kind collected by the Municipal Council from the streets, houses, privies, sewers, cess-pools, or elsewhere.

(d) All public lamps, lamp-posts and apparatus connected therewith, or appertaining thereto.

(e) All lands transferred to them by the Government, or by gift or otherwise, for local public purposes.

(f) All public streets and the pavements, stones and other materials thereof, and also all trees, erections, materials, implements and things provided for such streets.

(3) It shall be competent to the Government from time to time, by notification, to resume any property vested or vesting in the Municipal Council under this section on such terms as the Government may determine.

51. All moneys received by or on behalf of the Municipal Council by virtue of this or any other Regulation; all taxes, tolls and other imposts, fines, fees, penalties paid to or levied by them under this Regulation; all proceeds of land or other property sold by the Municipal Council, and all rents accruing from their land or property; as also all interest, profits and other moneys accruing by gifts or transfers from the Government or private individuals or otherwise, shall constitute the Municipal Fund, and shall be held and dealt with in a similar manner to the property mentioned in the last preceding section:

Provided that—

(a) Nothing in this section, or in the last preceding section, shall in any way affect any obligations accepted by or imposed upon any Municipal Council by any declarations of trust executed by or on behalf of such Municipal Council, or by any scheme settled by order of Government for the administration of any trust:

(b) A Municipal Council may, subject to the condition that reasonable provision shall be made for the performance of all obligations imposed or that may be imposed on them by sections 54, 55, or by or under section 61, or Chapter XII, credit to a separate heading in the municipal accounts any portion of the municipal fund received by them specially for, or devoted by them to, the purposes of schools or dispensaries or of water-works or fire-brigades, or other such purposes as the Government in this behalf approves, and, provided that there shall be credited to such special heading such sums only as expressly relate to the object for which the fund designated by such heading was created, the Municipal Council may apply the sums so credited exclusively to the respective objects to which they are so credited.

52. All property vested in the Municipal Council under this Regulation, and all funds received by them in accordance with the provisions of this Regulation, and all sums accruing to them under the provisions of any law for the time being in force, shall be applied, subject to the provisions and for the purposes of this Regulation, within the limits of the municipality:

Provided always that it shall be lawful for the Municipal Council, with the sanction of the Government or any officer duly authorised by Government in this behalf,—

(a) to incur expenditure beyond the said limits,—

(i) in the acquisition of land, or

(ii) in the construction, maintenance or repair of works,

for the purpose of obtaining a supply of water required for the inhabitants of the municipality, or of establishing slaughter-houses or places for the disposal of night-soil or of sewage or of carcasses of animals beyond the said limits, or for drainage-works, or for any other purpose calculated to promote the health, safety or convenience of the inhabitants of the said municipality; or

(b) to make a contribution towards expenditure incurred by any other Municipal Council, or in any area subject to the authority of a local board or incurred out of any public funds for measures affecting the health, instruction, or convenience of the public and calculated to benefit the residents within the limits of the contributing Municipal Council; or

(c) to create scholarships tenable outside the limits of the municipality.

Provided further that nothing in this section, or in any other provision of this Regulation, shall be deemed to make it unlawful for a Municipal Council, when with such sanction as aforesaid they have constructed works beyond the limits of the said municipality for the supply of water or for drainage as aforesaid—

(a) to supply, or extend to, or for the benefit of, any person or buildings or lands in any place, whether such place is or is not within the limits of the said municipality, any quantity of water not required for the purpose of this Regulation within the said municipality, or the advantages afforded by the system of such drainage-works, on such terms and conditions, with regard to payment and to the continuance of such supply or advantages, as shall be settled by agreement between the Municipal Council and such person or the occupier or owner of such buildings or lands, or

(b) to incur any expenditure, on such terms with regard to payment as may be settled as aforesaid, for the construction, maintenance, repair or alteration of any connection pipes, or other works necessary for the purpose of such supply or for the extension of such advantages.

53. (1) It shall be lawful for the Municipal Council to deposit at interest with the Government Savings Bank, or with the sanction of the Government in any other bank in or outside of Mysore, any surplus funds in their hands which may not be required for current charges, and, with the like sanction to invest such funds in public securities in the name of the Municipal Council, and from time to time to dispose of such securities as may be necessary.

(2) All surplus funds over and above what may be required for current expenses shall, unless deposited or invested as provided for in sub-section (1), be deposited in the local Government Treasury, or such other place of security as may be sanctioned by Government.

CHAPTER VI.—OBLIGATORY AND DISCRETIONAL FUNCTIONS

OF MUNICIPAL COUNCILS.

54. It shall be the duty of every Municipal Council to make reasonable provision for the following matters within the municipality under their authority, namely:—

- Duties of Municipal Councils.*
- (a) lighting public streets, places and buildings;

 - (h) acquiring and maintaining, changing and regulating places for the disposal of the dead;
 - (i) constructing, altering and maintaining public streets, culverts, municipal boundary marks, markets, slaughter-houses, latrines, privies, urinals, drains, sewers, drainage-works, sewerage works, baths, washing places, drinking fountains, tanks, wells, dams, and the like;
 - (j) obtaining a supply or an additional supply of water, proper and sufficient for preventing danger to the health of the inhabitants from the insufficiency or unwholesomeness of the existing supply, when such supply or additional supply can be obtained at a reasonable cost;
 - (k) naming streets and numbering houses;
 - (l) registering births and deaths;
 - (m) public vaccination;
 - (n) suitable accommodation for any calves, cows, or buffaloes required within the municipality for the supply of animal lymph;
 - (o) establishing and maintaining public hospitals and dispensaries, and providing public medical relief;
 - (p) establishing and maintaining primary schools;
 - (q) housing and maintaining destitute orphans and destitute cripples;
 - (r) printing such annual reports on the municipal administration of the municipality as the Government by general or special orders require the Municipal Council to submit;
 - (s) paying the salary and the contingent expenditure on account of such police or guards as may be required by the Municipal Council for the purposes of this Regulation or for the protection of any municipal property, and providing such accommodation as may be required by Government under the law in force relating to Police.

55. Subject to such reasonable provision as is mentioned in section 54, every Municipal Council shall make reasonable provision for the following special matters, namely:

- Special duties.*
- (a) providing special medical aid and accommodation for the sick in time of dangerous disease, and taking such measures as may be required to prevent the outbreak, or to suppress, and prevent the recurrence, of the disease;
 - (b) giving relief and establishing and maintaining relief works in time of famine or scarcity to or for destitute persons within the limits of the municipality.

Discretionary powers of expenditure of Municipal Council.

56. Municipal Councils may, at their discretion, provide out of the said property and fund, either wholly or partly, for

- (a) laying out, whether in areas previously built upon or not, new public streets, and acquiring the land for that purpose, including the land requisite for the construction of buildings or curtilages thereof, to abut on such streets;
- (b) constructing, establishing, or maintaining public parks, gardens, libraries, museums, lunatic asylums, halls, offices, dharmasalas, rest-houses and other public buildings;
- (c) furthering educational objects other than those set forth in sub-clause (p) of section 54;

- (d) planting and maintaining roadside and other trees ;
- (e) taking a census ; and granting rewards for information which may tend to secure the correct registration of vital statistics ;
- (f) making a survey ;
- (g) arrangements for the destruction or the detention and preservation of such dogs within the municipality as may be dealt with under the law in force relating to Police ;
- (h) securing or assisting to secure suitable places for the carrying on of the offensive trades mentioned in section 151 ;
- (i) supplying, constructing and maintaining receptacles, fittings, pipes and other appliances whatsoever, on or for the use of private premises, for receiving and conducting the sewage thereof into sewers under the control of the Municipal Council ;
- (j) establishing and maintaining a farm or factory for the disposal of sewage ;
- (k) any other measure not specified in sections 54 and 55, likely to promote the public safety, health, convenience, or education ; and
- (l) with the previous concurrence, in the case of City Municipal Councils of the Government, or, in other cases, of the Deputy Commissioner, any public reception, ceremony, entertainment, or exhibition within the Municipality.

57. When a Municipal Council have entered into any arrangement, or made any promise, purporting to be binding permanently or for a term of years. *Arrangements purporting to be binding permanently or for a term of years.* *promise, purporting to bind themselves or their successors for a term of years or for an unlimited period, to continue to any educational or charitable institution a yearly contribution from the municipal property or fund, it shall be lawful for the Municipal Council or their successors, with the sanction of the Government, to cancel such arrangement or promise, or to discontinue or to diminish such yearly contribution, provided that they shall have given at least twelve months' notice of their intention so to do to the manager or managers of such institution.*

58. The management, control and administration of every public institution exclusively maintained out of municipal property and funds shall vest in the Municipal Council by which it is maintained : *Management of public institutions maintained by Municipal Councils to vest in them.*

Provided that the extent of the independent authority of any Municipal Council in respect of public education, and their relations with the Government Educational Department, shall from time to time be prescribed by the Government.

CHAPTER VII—MUNICIPAL TAXATION.

(1) *Imposition of taxes.*

Taxes which may be imposed.

59. Any Municipal Council—

- (a) after observing the preliminary procedure required by section 60, and
- (b) with the sanction of the Government, and subject to such modifications or conditions as under section 61 the Government in according such sanction deems fit, may impose, for the purposes of this Regulation, any one or more of the following taxes : that is to say,
 - (i) a rate on buildings, or lands, or both, situate within the municipality, not exceeding in any case,
 - (1) six per centum on the annual letting value in City Municipalities, and, in other Municipalities, eight annas for every hundred rupees or portion of hundred rupees of the market value up to Rs. 2,000, with four annas for every hundred rupees or portion of hundred rupees for the balance of such value in excess of Rs. 2,000 ; and
 - (2) in respect of lands not occupied by buildings and not appurtenant to any building or attached thereto for use therewith as a garden or pleasure ground or for the pasturage of animals kept for private use, two annas for every eighty square yards ;
 - (ii) a tax on all or any vehicles, boats, or animals used for riding, draught or burden, kept for use within the said municipality, at rates not exceeding in any case those specified in Schedule I ;
 - (iii) a toll on vehicles and animals used as aforesaid, entering the said municipality, but not liable to taxation under the clause last preceding, at rates not exceeding in any case those specified in Schedule II ;

- (iv) an octroi on animals or goods, or both, brought within the octroi limit for consumption or use therein;
- (v) a tax on dogs kept within the said municipality, not exceeding one rupee in one case; 137
- (vi) a special sanitary cess upon private latrines, premises or compounds cleansed by municipal agency, after notice given as hereinafter required;
- (vii) a general sanitary cess for the construction or maintenance, or both construction and maintenance, of public latrines, and for the removal and disposal of refuse;
- (viii) a water-rate or water-rates for water supplied by the Municipal Council, which may be imposed in the form of a rate assessed on buildings and lands, or in any other form, including that of charges for such supply, fixed in such mode or modes as shall be best adapted to the varying circumstances of any class of cases or of any individual case:

Provided that the total net proceeds of the rate, with the estimated income from payments for water-supply from the works under special contracts, shall not exceed the amount required for the annual maintenance of the water-supply works and for the repayment with interest of the capital outlay thereon in such number of years as may be fixed by Government;

- (ix) a lighting tax, not exceeding in amount one-third of the rate leviable under clause (i);
- (x) a tax on arts, professions, trades and callings, and on offices and appointments, at rates not exceeding those specified in Schedule III;
- (xi) any other tax to the nature and object of which the approval of the Government shall have been obtained prior to the selection contemplated in sub-clause (i) of clause (a) of section 60.

Provided that

(a) no tax imposed as aforesaid, other than a special sanitary cess or a water-rate, shall, without the express consent of Government, be leviable in respect of any building or part of any building, or of any vehicle, animal or other property, belonging to Government and used solely for public purposes, and not used or intended to be used for purposes of profit, or in respect of any building or part of a building ordinarily used as a place of public worship or used for charitable but not residential purposes, or set apart for the occupation of His Highness the Maharaja, or in respect of any vehicle, animal or other property belonging to His Highness the Maharaja; and no toll shall be leviable for the passage of troops or the conveyance of Government stores or of any other Government property or property of His Highness the Maharaja, or for the passage of Military or Police Officers on duty, or the passage or conveyance of any person or property in their custody;

(b) no special sanitary cess shall be leviable in respect of any private latrines, premises, or compounds, unless and until the Municipal Council have

- (i) made provision for the cleansing thereof by manual labour, or for conducting or receiving the sewage thereof into municipal sewers, and
- (ii) issued either severally to the persons to be charged, or generally to the inhabitants of the municipality or part of the municipality to be charged with such cess, one month's notice of the intention of the Municipal Council to perform such cleansing and to levy such cess;

(c) the Municipal Council, in lieu of imposing separately any two or more of the taxes described in clauses (i), (vii), (viii), and (ix), may impose a consolidated tax assessed as a rate on buildings or lands, or both, situated within the municipality.

Procedure of Municipal Council preliminary to imposing tax.

60. Every Municipal Council before imposing a tax shall observe the following preliminary procedure:—

- (a) they shall, by resolution passed at a general meeting,
 - (i) select for the purpose one or more of the taxes specified in section 59;
 - (ii) prepare rules for the purposes of clause (i) of section 59 describing the tax or taxes selected;
 and shall by such resolution and in such rules specify
 - (iii) the class or classes of persons or of property to which the Council desire to make liable, and any other persons or property to which they may desire to make liable;
 - (iv) the amount for which, or the rate at which, the tax is to be levied;

When such resolution has been passed, the Municipal Council shall publish the rules so prepared with a notice in the form of Schedule IV prefixed thereto.

(c) Any inhabitant of the municipality objecting to the imposition of the said tax or the amount or rate proposed, or to the class of persons or property to be made liable thereto, or to any exemptions proposed, may, within one month from the publication of the said notice, send his objection in writing to the Municipal Council; and the Municipal Council shall take all such objections into consideration, or shall authorise a committee to consider the same and report thereon, and, unless they decide to abandon or to modify the proposed tax in accordance with such objections, shall submit the same with their opinion thereon, together with the notice and rules aforesaid, to the Government.

61. The Government may either refuse to sanction the rules submitted, or may return them to the Municipal Council for further consideration, or if no objection, or no objection which is in its opinion sufficient, was made to the proposed tax within one month from the publication of the said notice, may sanction the said rules either—

(a) without modification, or

(b) subject

(i) to such modifications not involving an increase of the amount to be imposed, or

(ii) to such conditions as to the application within the municipality to any purpose or purposes of this Regulation specified in such conditions, of the whole or any part of the proceeds of such tax, as it deems fit.

62. All rules sanctioned under section 61 with all modifications subject to which the sanction is given, shall be published by the Municipal Council in the municipality for which they are prescribed, together with a notice reciting the sanction and the date and serial number thereof, and the tax as prescribed by the rules so published shall, from a date which shall be specified in such notice and which shall not be less than one month from the publication of such notice, be imposed accordingly, and the proceeds thereof shall be applied by the Municipal Council in accordance with all conditions, if any, subject to which under section 61 the sanction was given:

Provided that

(a) a tax leviable by the year

(i) shall not come into force except on one of the following dates, viz., the first day of July—the first day of October—the first day of January—the first day of April—in the official year in which such notice is published, and

(ii) if it comes into force on any day other than the first of July it shall be leviable by the quarter, till the first day of July then next ensuing;

(b) on or before the day on which a notice is issued under this section, the Municipal Council shall publish such further detailed rules as may be required, and as may have been approved by the Government under clause (a) of the proviso to section 46, prescribing the mode of levying and recovering the tax therein specified, and the dates on which it or the instalments, if any, thereof, shall be payable;

(c) if the levy of a tax, or of a special portion of a tax, has been sanctioned for a fixed period only, the levy shall cease at the conclusion of that period, except so far as regards unpaid arrears which may have become due during that period.

(2)—Assessment of and liability to rates.

63. (1) When a rate on buildings or lands or both is imposed, the Municipal Council shall cause an assessment list of all buildings, or lands, or buildings and lands in the municipality to be prepared, containing

(a) the name of the street or division in which the property is situated;

(b) the designation of the property, either by name or by number, sufficient for identification;

(c) the name of the owner and occupier, if known;

the value or other valuation on which the property is assessed;

the amount assessed thereon.

For each assessment on property as aforesaid, the Municipal Council may from time to time appoint any person, or persons, with or without councillors or not, and whether remunerated or not, for such purpose make an inspection

(3) On the requisition of the Municipal Council or of such person, the owner or occupier of any such building or land shall, within such reasonable period as shall be specified in the requisition, be bound to furnish a true return to the best of his knowledge or belief and subscribed with his signature—

(a) as to the name and place of abode of the owner or occupier or of both;

(b) as to the dimensions of such building or land and the annual letting value or other valuation thereof.

64. When the assessment-list has been completed the Municipal Council shall give public notice thereof, and of the place where the list or a copy thereof may be inspected; and every person claiming to be either owner or occupier of property included in the list, and any agent of such person, shall be at liberty to inspect the list and to make extracts therefrom without charge.

65. (1) The Municipal Council shall, at the time of the publication of such assessment-list, give public notice of a time, not less than one month thereafter, when they will proceed to revise the valuation and assessment; and, in all cases in which any property is for the first time assessed or the assessment is increased, they shall also give notice thereof to the owner or occupier of the property, if known.

(2) All objections to the valuation and assessment shall be made to the Municipal Council before the time fixed in the notice, by application in writing, stating the grounds on which the valuation and assessment are disputed, and all applications so made shall be registered in a book to be kept by the Municipal Council for the purpose.

(3) The managing committee, or any committee or committees to which the Municipal Council delegate the powers and functions of the managing committee in this behalf, or any officer of Government to whom, with the permission of the Government, the Municipal Council delegate, and they are hereby empowered so to delegate, the powers and functions of the managing committee in this behalf, shall, after allowing the applicant an opportunity of being heard in person or by agent,

(a) investigate and dispose of the objections,

(b) cause the result thereof to be noted in the book kept under sub-section (2), and

(c) cause any amendment necessary in accordance with such result to be made in the assessment-list.

(4) When all objections made under this section have been disposed of, and all amendments required by sub-section (3) have been made in the assessment-list, the said list shall be authenticated by the signatures of the Chairman and at least one other member of the managing committee or, if the Municipal Council have delegated the powers and functions of the managing committee in this behalf to any other committee or to an officer of Government, by the signatures of not less than two members of such committee or of the officer aforesaid, and the person or persons so authenticating the list shall certify that no valid objection has been made to the valuation and assessment contained in the list except in the cases in which amendments have been made therein.

(5) The list so authenticated shall be deposited in the municipal office, and shall there be open for inspection during office hours to all owners and occupiers of property specified therein, or to the agents of such persons, and a notice that it is so open shall be forthwith published.

(6) Subject—

(a) to such alterations as may thereafter be made therein, under the provisions of the next following section, and

(b) to the result of any appeal made under section 86, the entries in the list so authenticated and deposited shall be accepted as conclusive evidence—

(i) for the purposes of all municipal taxes, of the annual letting value or other valuation of all buildings and lands to which such entries respectively refer; and

(ii) for the purposes of any tax imposed on buildings or lands, of the amount of each such tax leviable thereon throughout the official year to which such list relates.

66. (1) The Municipal Council may at any time alter the said list by inserting the name of any person whose name ought to have been inserted, or by inserting any property which ought to have been inserted, or by altering the valuation of or assessment on any property which has been erroneously valued or assessed through fraud, accident or mistake, after giving notice to any person interested in the alteration, of a time, not less than one month from the date of service of such notice, at which the alteration is to be made.

(2) Every objection made by any persons interested in any such alteration, before the time fixed in the notice, and in the manner provided by sub-section (2) of the last preceding section, shall be dealt with in all respects as if it were an application under the said section.

(3) Every alteration made under this section shall, subject to the result of an appeal under section 86, have the same effect as if it had been made on the earliest day in the current official year in which the circumstances justifying the alteration existed.

67. (1) It shall not be necessary to prepare a new assessment-list every year. Subject to the condition that every part of the assessment-list shall be completely revised not less than once in every four years, the Municipal Council may adopt the valuation and assessment contained in the list for any year, with such alterations as may be deemed necessary, for the year immediately following.

(2) But the provisions of sections 64, 65 and 66 shall be applicable every year as if a new assessment-list had been completed at the commencement of the official year.

68. Every tax imposed in the form of a rate on buildings or lands or on both shall be leviable primarily from the actual occupier of the property upon which the said taxes are assessed, if he is the owner of the buildings or lands, or holds them on a building or other lease from the Government or from the Municipal Council, or on a building lease from any person. Otherwise the said tax shall be primarily leviable as follows, namely:

- (a) if the property is let, from the lessor;
- (b) if the property is sublet, from the superior lessor;
- (c) if the property is unlet, from the person in whom the right to let the same vests:

Provided that on failure to recover any sum due on account of such tax from the person primarily liable, such portion of the sum may be recovered from the occupier of any part of the buildings or lands in respect of which it is due, as bears to the whole amount due the same ratio, which the rent annually payable by such occupier bears to the aggregate amount of rent so payable in respect of the whole of the said buildings or lands, or to the aggregate amount of the letting value thereof, if any, stated in the authenticated assessment-list, whichever of those two amounts is the greater.

Provided further, that for any sum paid by, or recovered from, any occupier who is not primarily liable under this section, he shall be entitled to credit in account with the person primarily liable for the payment of that sum.

69. (1) When any building or land assessed to a rate, or in respect of which a special sanitary cess is payable, has remained vacant and unproductive of rent throughout the year, or the period in respect of which any instalment is payable, the Municipal Council shall remit or refund not less than one-half of the amount of such rate or cess or instalment, as the case may be:

Provided that no such remission shall be granted unless notice in writing of the fact of the building or land being vacant and unproductive of rent has been given to the Municipal Council, and that no remission or refund shall take effect for any period previous to the day of the delivery of such notice.

When discretionary.

- (2) When any such building or land as aforesaid—
 - (a) has been vacant and unproductive of rent for any period of not less than sixty consecutive days;
 - (b) consists of separate elements one or more of which has or have been vacant and unproductive of rent for any such period as aforesaid, or
 - (c) is wholly or in great part demolished or destroyed by fire or otherwise deprived of value,
 the Municipal Council may remit or refund such portion, if any, of the rate or cess or instalment as they may think equitable.

Burden of proof on claimant.

(3) The burden of proving the facts entitling any person to claim relief under this section shall be upon him.

Explanatory clause.

(4) For the purposes of this section a building or land shall be deemed to be productive of rent if let to a tenant who has a continuing right of occupation thereof, whether it is actually occupied by such tenant or not.

(3) *Power to charge Fees.*

70. (1) When any license is granted by the Municipal Council under this Regulation, or when permission is given by them for making any temporary erection or for putting up any projection, or for the temporary occupation of any public street or other land vested in the Municipal Council, the Municipal Council may charge a fee for such license or permission.

Municipal Council may charge fees for certain licenses.

Market and other fees.

(2) The Municipal Council may also charge such fees as may be fixed by by-laws under clause (a) of sub-section (1) of section 48 for the use of any such places mentioned in that sub-section, as belong to the Municipal Council.

(4) *Special Provisions relating to certain Taxes.*

71. (1) The Municipal Council may, instead of imposing a water-rate, or in individual cases, of levying a rate imposed in respect of the supply of water belonging to the Municipal Council to, or for use in connection with, any private lands or buildings,

Fixed charges and agreements for payment in lieu of taxes for water supplied.

(a) fix, at rates not exceeding such as shall be specified in the rules in force under section 46, charges for such supply according to the quantity used, as ascertained by measurement,

(b) arrange with any person, on his application, to supply on payment, periodical or otherwise, water belonging to the Municipal Council in such quantities or for such purposes, whether domestic, ornamental, or irrigational, or for trade, manufacture or otherwise, on such terms and subject to such conditions as they shall fix by agreement with such person.

Provided that—

(a) the meters, connection pipes and all other works necessary for and incidental to such supplies, and all future repairs, extensions and alterations of such works shall be under the control of the Municipal Council, and the expense thereof shall, so far as is not inconsistent with the rules or by-laws of the Municipal Council, be defrayed by the persons liable in respect of such supplies, and

(b) all such supplies of water shall be, and shall be deemed to have been granted, subject to all such conditions as to the limit or stoppage thereof, and as to the prevention of waste or misuse, as are prescribed in the by-laws for the time being in force under section 48.

(2) When the Municipal Council have made provision for the cleansing of any factory, hotel, club or group of buildings or lands used for any one purpose and under one management, they may, instead of levying in respect thereof any special sanitary cess imposed under this chapter, fix a special rate, and the dates and other conditions for periodical payments thereof, which shall be determined either,

Power to fix a special rate in lieu of special sanitary cess.

(i) in accordance with the rules for the time being in force under section 46, or

(ii) by written agreement with the person who would have been otherwise liable for the cess, provided that, in fixing the amount, proper regard be had to the probable cost to the Municipal Council of the service to be rendered.

(3) When the Municipal Council have imposed a tax on vehicles or animals kept for use within the municipality, they may compound with the keeper of any livery-stable or of horses or vehicles kept for sale and hire, for the payment of a lump sum, for any period not exceeding one year at a time, in lieu of any amount which such keeper would otherwise have been liable to pay on account of the tax imposed as aforesaid.

Power to compound tax on vehicles or animals.

(4) Every sum claimed by the Municipal Council as due under sub-section (1) as a charge fixed by agreement or otherwise on account of water-supply, or as expenses to be defrayed such as are referred to in that sub-section, or as a special rate under sub-section (2) or as a lump sum payable under sub-section (3), shall for the purposes of Chapter VIII be deemed to be, and shall be recoverable in the same manner as, an amount claimed on account of any tax recoverable under the said chapter.

Recovery of sums claimed under this section.

72. Nothing contained in section 71 shall affect the right or powers of the Municipal Council to contract with any person to supply for use beyond the limits of the municipality, at such rates and on such conditions as the Municipal Council may think fit, any quantity of water belonging to the Municipal Council but not required for the purposes of this Regulation.

73. If it shall at any time appear to the Government, on complaint made or otherwise that any tax, leviable by a Municipal Council, is unfair in its incidence, or that the levy thereof, or of any part thereof, is obnoxious to the interests of the general public, the Government may require the said Municipal Council, within such period as it shall fix in this behalf, to take measures for removing any objection which appears to it to exist to the said tax, and if, within the period so fixed, such requirements shall not be carried into effect to the satisfaction of the Government, it may, by notification in the Official Gazette, suspend the levy of such tax, or of such part thereof, until such time as the objection thereto shall be removed.

The Government may at any time, by a like notification, rescind any such suspension.

74. Whenever it appears to the Government that the balance of the municipal fund of any Municipal Council is insufficient for meeting the expenditure incurred under section 175 or under section 176 or for the performance of any duties in respect of which they shall have been declared under section 178 to have committed default, the Government may by notification require the Municipal Council to impose, within the municipality, any such tax specified in the notification as may be imposed under section 59 if no such tax is at the time imposed therein, or to enhance any existing tax in such manner or to such extent as the Government consider fit, and the Municipal Council shall forthwith proceed to impose or enhance in accordance with the requisition such tax under the provisions of this chapter, as if a resolution of the Municipal Council had been passed for the purpose under section 60:

Provided that—

(a) the Government shall take into consideration any objection which the Municipal Council or any inhabitant of the municipality may make against the imposition or enhancement of such tax,

(b) it shall not be lawful for the Municipal Council to abandon or modify or to abolish such tax when imposed, and

(c) the Government may at any time cancel or modify any requisition made by it under this sub-section, and the levy of the tax or the enhancement, except as to arrears thereof accrued due, shall thereupon cease or be modified accordingly.

(5) Octroi and Tolls.

75. Every Municipal Council when submitting for sanction a proposal for the imposition of octroi, shall submit therewith for sanction a draft of by-laws for the purposes of clause (k) of sub-section (1) of section 48, after observing the requirements of sub-sections (2) and (3) of that section.

76. (1) Every person bringing into, or receiving from beyond, the octroi limits of a municipality any article on which octroi is payable shall, when required by an officer authorised in this behalf by the Municipal Council, and so far as may be necessary for ascertaining the amount of tax chargeable,

(a) permit that officer to inspect examine and weigh and otherwise deal with the article; and

(b) communicate to that officer any information, and exhibit to him by any bill, invoice or document of a like nature, which he may possess relating to the article.

(2) If any person bringing into, or receiving from beyond, the octroi limits of a municipality in which octroi is leviable, any conveyance or package, shall refuse on the demand of an officer authorised by the Municipal Council in this behalf, to permit the officer to inspect the contents of the conveyance or package for the purpose of ascertaining whether it contains any articles in respect of which octroi is payable, the officer may cause the conveyance or package to be taken without unnecessary delay before a Magistrate or such officer of the Municipal Council as the Government appoints in this behalf by name or office, who shall cause the inspection to be made in his presence.

77. (1) Every officer demanding octroi by the authority of the Municipal Council shall tender to every person introducing or receiving any article on which the tax is claimed, a bill specifying the article taxable, the amount claimed, and the rate at which the tax is calculated.

(2) If goods passing into a Municipality are liable to the payment of octroi, then every person who, with the intention to defraud the Municipal Council, causes or abets the introduction of, or himself introduces or attempts to introduce within the octroi limits of the said municipality, any such goods upon which payment of the octroi due on such introduction has neither been made nor tendered, shall be punishable with fine which may extend to ten times the value of such octroi or to fifty rupees, whichever may be greater.

78. Every Municipal Council imposing any toll under this Regulation shall cause to be kept at each place where such toll is to be collected a table in Kanarese, showing the amounts leviable in all cases provided for in the rules, including the terms, if any, on which the liability to pay such tolls may be compounded by periodical payments, and it shall be the duty of every person authorised to demand payment of a toll, to show such table, on the request of any person on whom such demand is made.

79. (1) In the case of non-payment on demand of any octroi or of any toll leviable by a Municipal Council, the person appointed to collect such octroi or toll may seize any article on which the octroi is chargeable or any vehicle or animal on which the toll is chargeable, or any part of its burden, which is of sufficient value to satisfy the demand, and may detain the same. He shall thereupon give the person in possession of the vehicle, animal, or article seized a list of the property together with a written notice in the form of Schedule VII, that the said property will be sold as shall be specified in such notice.

(2) When any article seized is subject to speedy and natural decay, or when the expense of keeping it together with the amount of the octroi or toll chargeable is likely to exceed its value, the person seizing such article may inform the person in whose possession it was that it will be sold at once, and shall sell it or cause it to be sold accordingly unless the amount of octroi or toll demanded be forthwith paid.

(3) If at any time before the sale has begun, the person whose property has been so seized tenders at the municipal office the amount of all expenses incurred, and of the octroi or toll payable, the Municipal Council shall forthwith release the property seized.

(4) If no such tender is made, the property may be sold, and the proceeds of such sale shall be applied in payment of such octroi or toll and the expenses incidental to the seizure, detention and sale.

(5) The surplus, if any, of the sale proceeds shall be credited to the municipal fund, and may, on application made to the Municipal Council in writing within six months next after the sale, be paid to the person in whose possession the property was when seized, and, if no such application is made, shall be the property of the Municipal Council.

80. The Municipal Council, if they think fit, instead of requiring payment of octroi, due from any mercantile firm or public body, to be made at the time when the articles in respect of which it is leviable are introduced within the octroi limits of the municipality, may at any time direct that an account current shall be kept on behalf of the Municipal Council of the octroi so due from any such firm or body as the Municipal Council specify in this behalf. Every such account shall be settled at intervals not exceeding one month, and such firm or public body shall make such deposit or furnish such security as the Municipal Council or any committee or officer authorised by them in this behalf, shall consider sufficient to cover the amount which may at any time be due from such firm or body in respect of such dues. Every amount so due at the expiry of any such interval shall, for the purposes of Chapter VIII, be deemed to be, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under the said chapter.

81. When any agreement such as is referred to in clause (b) of section 39 has been entered into, such one of the bodies entering into the agreement as by the terms thereof shall be specified in this behalf, shall have the same power to establish such octroi limits and octroi stations as that body may deem necessary, for the entire area in which the octroi is to be collected, and shall have the same power of collecting octroi on animals or goods or both brought within the limits so established, and the provisions of this Regulation relating to octroi shall apply in the same way, as

if the limits so established were wholly comprised within the area subject to the control of the body by which they are so established, and the collections made and the costs thereby incurred shall, subject to the provisions of section 39, be divided between the funds respectively subject to the control of the bodies so entering into the agreement, in such proportions as shall have been determined in the said agreement.

CHAPTER VIII.—RECOVERY OF MUNICIPAL CLAIMS.

Presentation of bill for taxes.

82. (1) When any amount—

(a) which, by or under any provisions of this Regulation, is declared to be recoverable in the manner provided by this chapter, or

(b) which, not being leviable under sub-section (1) of section 79, or payable on demand on account of an octroi or a toll, is claimable as an amount or instalment on account of any other tax which now is imposed or hereafter may be imposed in any municipality,

shall have become due, the Municipal Council shall, with the least practicable delay, cause to be presented to the person liable for the payment thereof, a bill for the sum claimed as due.

Contents of bill.

(2) Every such bill shall specify—

(a) the period for which, and

(b) the property, occupation or thing in respect of which, the sum is claimed, and shall also give notice of—

(i) the liability incurred in default of payment, and of

(ii) the time within which an appeal may be preferred as hereinafter provided against such claim.

(3) If the sum for which any bill has been presented as aforesaid is not paid into the municipal office, or to a person authorised by any rule in that behalf to receive such payments, within fifteen days from the presentation thereof, the Municipal Council may cause to be served upon the person liable for the payment of the said sum a notice of demand in the form of Schedule V, or to the like effect.

83. (1) If the person liable for the payment of the said sum does not, within fifteen days from the service of such notice of demand, either—

In what cases warrant may issue.

(a) pay the sum demanded in the notice, or

(b) show cause to the satisfaction of the Municipal Council, or of such officer as the Municipal Council by rule may appoint in this behalf, or in a City Municipal Council of the Chief Officer, if any, why he should not pay the same, or

(c) prefer an appeal in accordance with the provisions of section 86 against the demand, such sum with all costs of the recovery may be levied under a warrant caused to be issued by the Municipal Council in the form of Schedule VI or to the like effect, by distress and sale of the movable property of the defaulter.

(2) Every warrant issued under this section shall be signed by the president of the

Warrant by whom to be signed.

Municipal Council causing the same to be issued, or in the case of a City Municipal Council by the chairman of the managing committee, or by an officer to whom the Municipal Council have delegated their powers under section 37 or by the Chief Officer, if any.

(3) It shall be lawful for any municipal officer to whom a warrant issued under sub-

Power of entry under special order.

section (2) is addressed, if the warrant contains a special order authorising him in this behalf, but not otherwise, to break open, at any time between sunrise and sunset, any outer or inner door or window of a building, in order to make the distress directed in the warrant, if he has reasonable grounds for believing that such building contains property which is liable to seizure under the warrant, and if after notifying his authority and purpose and duly demanding admittance, he cannot otherwise obtain admittance. Provided that such officer shall not enter or break open the door of any apartment appropriated for women, until he has given three hours' notice of his intention, and has given such women an opportunity to remove.

(4) It shall also be lawful for such officer to distrain, wherever it may be found, any

Warrant how to be executed.

movable property of the person therein named as defaulter, subject to the following conditions, exceptions and exemptions, namely:—

(a) The following property shall not be distrained:—

(i) the necessary wearing apparel and bedding of the defaulter, his wife and children,

(ii) the tools of artisans,

(iii) when the defaulter is an agriculturist, his implements of husbandry, seed grain, and such cattle as may be necessary to enable the defaulter to earn his livelihood.

(b) The distress shall not be excessive, that is to say, the property distrained shall be as nearly as possible proportionate in value to the amount recoverable under the warrant, and if any articles have been distrained which, in the opinion of a person authorised by or under sub-section (2) to sign a warrant, should not have been so distrained, they shall forthwith be returned.

(c) The officer shall on seizing the property forthwith make an inventory thereof, and shall before removing the same give to the person in possession thereof at the time of seizure, a written notice in the form of Schedule VII that the said property will be sold as shall be specified in such notice.

84. (1) When the property seized is subject to speedy and natural decay, or when the expense of keeping it in custody together with the amount to be levied is likely to exceed its value, the president or chairman or officer by whom the warrant was signed, shall at once give notice to the person in whose possession the property was when seized, to the effect that it will be sold at once, and shall sell it accordingly unless the amount named in the warrant be forthwith paid.

(2) If not sold at once under sub-section (1), the property seized or a sufficient portion thereof may, unless the warrant is suspended by the person who signed it, or the sum due by the defaulter together with all costs incidental to the notice, warrant, and distress and detention of the property, is paid, be, on the expiry of the time specified in the notice served by the officer executing the warrant, sold by public auction under the orders of the Municipal Council, and the proceeds, or such part thereof as shall be requisite, shall be applied in discharge of the sum due and of all such incidental costs as aforesaid.

(3) The surplus, if any, shall be forthwith credited to the municipal fund, notice of such credit being given at the same time to the person from whose possession the property was taken, but if the same be claimed by written application to the Municipal Council within one year from the date of the notice, a refund thereof shall be made to such person. Any sum not claimed within one year from the date of such notice shall be the property of the Municipal Council.

Fees and costs chargeable.

85. Fees for—

(a) every notice issued under sub-section (3) of section 82,

(b) every distress made, and

(c) the costs of maintaining any livestock seized under this section,

shall be chargeable at the rates respectively specified in such behalf in the rules of the Municipal Council, and shall be included in the costs of recovery to be levied under section 84.

86. Appeals against any notice of demand issued under sub-section (3) of section 82, may be made to any Magistrate or Bench of Magistrates by whom, under the directions of the Government or of the District Magistrate, such class of cases is to be tried.

But no such appeal shall be heard and determined unless—

(a) the appeal is brought within fifteen days next after service of the notice of demand complained of; and

(b) an application in writing, stating the grounds on which the claim of the Municipal Council is disputed, has been made to the Municipal Council as follows, that is to say:

(i) in the case of a rate on buildings or lands, within the time fixed in the notice given under section 65 or 66 of the assessment or alteration thereof, according to which the bill is prepared,

(ii) in the case of any other claim for which a bill has been presented under sub-section (1) of section 82, within fifteen days next after the presentation of such bill; and

(c) the amount claimed from the appellant has been deposited by him in the municipal office.

87. All sums due on account of any tax imposed in the form of a rate on lands, buildings, or on both, mentioned in section 68, prior payment of land revenue, if any, due thereupon, be a first charge upon the building or land, in respect of which

Liability of land, buildings, etc., for rates.

and upon the movable property, if any, found within or upon such building or land, and belonging to the person liable for such tax or taxes.

Provided that no arrears of any such tax shall be recovered from any occupier who is not the owner, if it has been due for more than one year or for a period during which such occupier was not in occupation.

88. The Government may at any time by notification suspend the operation of sections 83 and 84 in any municipality, in which there is not a City Municipal Council, and from such date as shall be fixed in this behalf in the notification, every amount due on account of any tax theretofore recoverable under the said sections, shall be recoverable on application to a Magistrate, in the manner provided in sub-section (2) of section 161 for the recovery of such fines as are therein referred to, and not otherwise.

89. For all sums paid on account of any tax under this Regulation, a receipt stating the amount, and the tax on account of which it has been paid, shall be tendered by the person receiving the same.

CHAPTER IX.—MUNICIPAL POWERS AND OFFENCES.

(1) Powers in respect of Streets.

90. (1) It shall be lawful for the Municipal Council to lay out and make new public streets, and to construct tunnels and other works subsidiary to the same, and to widen, open, enlarge, or otherwise improve any such streets, and to turn, divert, discontinue, or stop up any such streets, and, subject to the provisions of sub-section (2) of section 40, to sell any such land, theretofore used or acquired by the Municipal Council for the purposes of such streets, as may not be required for any public street or for any other purposes of this Regulation.

(2) In laying out or making, or in turning, diverting, widening, opening, enlarging, or otherwise improving any public street, in addition to the land required for the carriage-way and foot-ways and drains thereof, the Municipal Council may purchase the land necessary for the houses and buildings to form the said street, and, subject to the provision contained in sub-section (2) of section 40, may sell and dispose of the same in perpetuity or on lease for a term of years, with such stipulations as to the class and description of houses or buildings to be erected thereon as they may think fit.

(3) When the Municipal Council consider that in any street, not being a public street, or in any part of such street, within the municipality, it is necessary for the public health, convenience or safety that any work should be done for the levelling, paving, metalling, flagging, channelling, draining, lighting or cleaning thereof, the Municipal Council may by written notice require the respective owners of the lands or buildings fronting, adjoining or abutting upon such street or part thereof, to carry out such work in a manner and within a time to be specified in such notice.

(4) After such work has been carried out by such owners or, as provided in section 156, by the Municipal Council at the expense of such owners, the street or part thereof in which such work has been done shall on the joint requisition of a majority of the said owners, be declared by a public notice, put up therein by the Municipal Council, to be a public street.

(5) A Municipal Council may, at any time, by notice fixed up in any street or part of a street not maintainable by the Municipal Council, give intimation of their intention to declare the same a public street, and unless within one month next after such notice has been so put up, the owner or the majority of several owners of such street or such part of a street lodges or lodge objections thereto at the municipal office, the Municipal Council may, by notice in writing put up in such street, or such part, declare the same to be a public street.

91. (1) Every person intending to lay out or make any new street, shall give notice in writing thereof to the Municipal Council, and shall furnish plans and sections showing the intended level, means of drainage, direction, and width of such street, if required by the Municipal Council to do so, and the level, means of drainage, direction, and width of every such street shall be fixed or approved by the Municipal Council.

(2) Before passing orders under sub-section (1), the Municipal Council may either issue, (a) a provisional order directing that, for a period therein specified, which shall not be longer than one month from the date of such order, the intended work shall not be proceeded with, or demand for further particulars.

month from the receipt of the notice given under sub-section (1) the Municipal Council have neither

(i) passed orders and served notice thereof either fixing or disapproving the proposals submitted under sub-section (1) with regard to level, means of drainage, direction and width of the street, nor

(ii) under sub-section (2), issued any provisional order or demand for further particulars, or if

(b) the Municipal Council, having issued such demand for, and having received, in accordance with the demand and with the by-laws in force in this behalf, such further particulars, have issued no further orders within one month from the receipt of such particulars, then the street may be laid out and made, in such manner as may have been specified in the notice, and as is not inconsistent with any provision of this Regulation or of any by-law for the time being in force thereunder.

(4) Whoever lays out, makes or builds upon any such street, either without giving the notice required by sub-section (1), or, except in accordance with the provisions of sub-section (3), without awaiting, or otherwise than in accordance with, the instructions issued by the Municipal Council, or in any manner contrary to the provisions of this Regulation or of any by-law in force thereunder, shall be punished with fine which may extend to two hundred rupees, and the Municipal Council may cause any street so laid out or made to be altered, and any building erected in such street contrary to their directions to be altered, or removed, and the expense thereby incurred shall be paid to them by the offender, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

(2) *Powers to regulate buildings, etc.*

92. (1) If any part of a building projects beyond the regular line of a public street either as existing or as determined upon for the future, or beyond the front of the building on either side thereof, the Municipal Council may,

(a) if the projecting part thereof is a verandah, step or some other structure external to the main building, then at any time, or

(b) if the projecting part is not such external structure as aforesaid, then, whenever the greater portion of such building or whenever any material portion of such projecting part has been taken down or burned down or has fallen down,

require by written notice either that the part, or some portion of the part, projecting beyond the said regular line or beyond the said front of the adjoining building on either side thereof, shall be removed, or that such building when being rebuilt shall be set back to or towards the said regular line or the front of such building. And the portion of land added to the street by such setting back or removal shall thenceforth be deemed part of the public street and be vested in the Municipal Council.

(2) If any land, not vested in the Municipal Council, whether open or enclosed, lies within the regular line of a public street, and is not occupied by a building other than a platform, verandah, step or other such external structure, the Municipal Council, after giving the owner of the land not less than fifteen clear days' written notice of their intention, or if the land is vested in Government, then with the permission in writing of the Deputy Commissioner, may take possession of the said land with its enclosing wall, hedge or fence, if any, and, if necessary, clear the same; and the land so acquired shall thenceforward be deemed a part of the public street, and be vested in the Municipal Council.

(3) Compensation, the amount of which shall in case of dispute be ascertained and determined in the manner provided in section 160, shall be paid by the Municipal Council to the owner of any land added to a street under sub-section (1) or acquired under sub-section (2), for the value of the said land, and to the owner of any building for any loss, damage or expense incurred by such owner in consequence of any action taken by the Municipal Council under either of the said sub-sections, provided that no such compensation shall be payable in cases to which section 119 applies.

93. The Municipal Council may, upon such terms as they think fit, allow any building to be set forward for improving the line of any public street in which such building is situated.

94. (1) The external roofs and walls of buildings erected or renewed after the coming into force of this Regulation shall not be made of grass, wood, cloth, canvas, leaves, mats or other inflammable materials, except with the written consent of the Municipal Council, which may be given either specially in individual cases, or generally in respect of any area specified therein.

(2) The Municipal Council may at any time, by written notice, require the owner of any building which has an external roof or wall made of any such material as aforesaid, to remove such roof or wall within such reasonable time as shall be specified in the notice, whether such roof or wall was or was not made before the time at which this Regulation came into force, and whether it was made with or without the consent of the Municipal Council.

(3) Whoever without such consent as is required by sub-section (1) makes, or causes to be made, or in disobedience to the requirements of a notice given under sub-section (2) suffers to remain, any roof or wall of such material as aforesaid, shall be punished with a fine which may extend to twenty-five rupees, and with a further fine which may extend to ten rupees for every day on which the offence is continued after the date of the first conviction.

95. No building shall hereafter be built upon a lower level than will allow of the drainage thereof being led into some public sewer or drain either then existing or projected by the Municipal Council, or into some stream or river, or some cesspool, or other suitable place which may be approved of by the Municipal Council.

96. (1) Before beginning to erect any building, or to alter externally or add to any existing building, or to reconstruct any projecting portion of a building in respect of which the Municipal Council is empowered by section 92 to enforce a removal or set-back, the person intending so to build, alter, or add shall give to the Municipal Council notice thereof in writing, and shall furnish to them, at the same time, if required by a by-law or by a special order to do so, a plan showing the levels at which the foundation and lowest floor of such building are proposed to be laid, by reference to some level known to the Municipal Council, and all information they may require regarding the limits, design, ventilation and materials of the proposed building, and the intended situation and construction of the drains, sewers, privies, water-closets and cesspools, if any, to be used in connection therewith, and the location of the building with reference to any existing or projected streets.

(2) The Municipal Council may issue such orders not inconsistent with this Regulation as they think proper with reference to the work proposed in such notice, and may either give permission to erect or alter or add to the building according to the plan and information furnished, or may impose in writing such conditions as to level, drainage, sanitation or ventilation, or with reference to the location of the building in relation to any street existing or projected, or, where the Municipal Council have been specially empowered by Government in this behalf, such conditions as to design or materials or to the dimensions or the cubical contents of the rooms, as they think proper.

(3) Before issuing any orders under sub-section (2), the Municipal Council may, within one month from the receipt of such notice, either issue, or to suspend the work or to require further particulars.

(a) a provisional order directing that for a period, which shall not be longer than three months from the date of such order, the intended work shall not be proceeded with, or

(b) may demand further particulars.

(4) A building proposed in a notice given under sub-section (1) may be proceeded with in such manner, as may have been specified in such notice, as is not inconsistent with any provision of this Regulation or of any by-law for the time being in force thereunder in the following cases, that is to say:—

(a) in case the Municipal Council, within one month from the receipt of the notice given under sub-section (1), have neither

(i) passed orders under sub-section (2) and served notice thereof in respect of the intended work;

nor

(ii) issued under sub-section (3) any provisional order or any demand for further particulars:

(b) in case the Municipal Council having issued such demand for, and having received in accordance with the by-laws in force in this behalf, such further particulars, have issued no further orders within one month from the receipt of such particulars.

Provided that no person, who becomes entitled under this sub-section to proceed with any intended work of which notice is required by sub-section (1), shall commence such work after the expiry of the period of one year from the date on which he first becomes entitled so to proceed therewith.

(5) Whoever begins or makes any building or alteration or addition without giving the notice required by sub-section (1), or without furnishing the plan or affording the information above prescribed, or except as provided in sub-section (4), without awaiting, or in any manner contrary to, such legal orders of the Municipal Council as may be issued under this section, or in any other respect contrary to the provisions of this Regulation or of any by-law in force thereunder, shall be punished with fine which may extend to two hundred rupees, and the Municipal Council may—

- (a) direct that the building, alteration, or addition be stopped, and
- (b) by written notice, require such building, alteration or addition to be altered or demolished, as they may deem necessary.

(6) The Municipal Council or any officer deputed by them may at any time inspect the erection of any building without giving notice of their or his intention to do so, and at any time during the erection of a building or the execution of any such work as aforesaid, or at any time not later than one month after being informed in writing by the person responsible for giving a notice under sub-section (1) that the erection of the building, or the execution of any such work as aforesaid has been completed, may by written notice specify any matter in respect of which the erection of such building, or the execution of such work, may be in contravention of any provision of this Regulation or of any by-law made under this Regulation at the time in force, and require the person erecting or executing, or who has erected or executed, such building or work, or, if the person who has erected or executed such building or work is not at the time of notice the owner thereof, then the owner of such building or work, to cause anything done contrary to any such provision or by-law to be amended, or to do anything which by any such provision or by-law he may be required to do but which has been omitted.

EXPLANATION.—The expression “to erect a building” throughout this chapter includes

- (a) any material alteration, enlargement or re-construction of any building;
- (b) the conversion into a place for human habitation of any building not originally constructed for human habitation,
- (c) the conversion into more than one place for human habitation of a building originally constructed as one such place,
- (d) the conversion of two or more places of human habitation into a greater number of such places,
- (e) such alterations of the internal arrangements of a building as affect its drainage, ventilation or other sanitary arrangements, or its security or stability, and
- (f) the addition of any rooms, buildings or other structures to any building.

And a building so altered, enlarged, reconstructed, converted, or added to, shall, for the purpose of this chapter, be deemed to be a new building.

97. It shall not be lawful for any person to erect any hut or shed or range or block of huts or sheds, or to add any hut or shed to any range or block of huts or sheds already existing when this Regulation comes into operation, without giving previous notice to the Municipal Council; and the Municipal Council may require such huts or sheds to be built so that they may stand in regular lines, with a free passage or way in front of and between every two lines of such width as the Municipal Council may think proper for ventilation and to facilitate scavenging, and at such a level as will admit of sufficient drainage, and may require such huts to be provided with such number of privies and such means of drainage as to them may seem necessary. If any hut or shed or range or block be built without giving such notice to the Municipal Council, or otherwise than as required by the Municipal Council, the Municipal Council may give written notice to the owner or builder thereof or to the owner or occupier of the land on which the same is erected or is being erected, requiring him within such reasonable time as shall be specified in the notice to take down and remove the same, or to make such alterations therein or additions thereto as having regard to sanitary considerations the Municipal Council may think fit.

98. (1) Whenever the Municipal Council are of opinion that any huts or sheds whether used as dwellings or stables or for any other purposes, and whether existing at the time when this Regulation comes into operation or subsequently erected, are by reason

- (a) of insufficient ventilation or of the manner in which such huts or sheds are crowded together, or
- (b) of the want of a plinth or of a sufficient plinth or of sufficient drainage, or
- (c) of the impracticability of scavenging,

attended with risk of disease to the inhabitants or the neighbourhood, they shall cause a notice to be affixed to some conspicuous part of each such hut or shed, requiring the owner or occupier thereof, or the owner of the land on which such hut or shed is built, within such reasonable time as may be fixed by the Municipal Council for that purpose, to take down and remove such hut or shed, or to execute such operations as the Municipal Council may deem necessary for the avoidance of such risk.

(2) In case any such owner or occupier shall refuse or neglect to take down and remove such huts or sheds, or to execute such operations within the time appointed, the Municipal Council may cause the said huts or sheds to be taken down, or such operations to be performed in respect of such huts or sheds as they may deem necessary to prevent such risk.

(3) If such huts or sheds be pulled down by the Municipal Council, the Municipal Council shall cause the materials of each hut or shed to be sold separately, if such sale can be effected, and the proceeds, after deducting all expenses, shall be paid to the owner of the hut or shed, or if the owner be unknown or the title disputed, shall be held in deposit by the Municipal Council until the person interested therein shall obtain the order of a competent Court for the payment of the same.

Provided always that in case any huts or sheds, existing at the time when the land on which they are situate first became part of a municipality, should be pulled down under this section by order of the Municipal Council or in pursuance of their notice, compensation shall further be made to the owner or owners thereof, and the amount thereof, in case of dispute, shall be ascertained and determined in the manner provided in section 160.

(3) *Powers connected with Drainage, etc.*

Municipal control over drains, etc. 99. (1) All sewers, drains, privies, water-closets, house-gullies and cesspools within the municipality shall be under the survey and control of the Municipal Council.

(2) All covered sewers and drains, and all cesspools, whether public or private, shall be provided by the Municipal Council or other persons to whom they severally belong, with proper traps, or other coverings or means of ventilation, and the Municipal Council may by written notice call upon the owner of any such covered sewers, drains, or cesspools to make provision accordingly.

100. (1) In order to carry out any drainage scheme, it shall be lawful for a Municipal Council to carry any drain, sewer, conduit, tunnel, culvert, pipe or water-course through, across or under any street, or any place laid out as or intended for a street, or under any cellar or vault which may be under any street, and, after giving reasonable notice in writing to the owner or occupier, into, through or under any land whatsoever within the municipality.

(2) The Municipal Council, or any officer appointed by them for such purpose, may enter upon and construct any new drain in the place of an existing drain in any land wherein any drain vested in the Municipal Council has been already constructed, or may repair or alter any drain vested in the Municipal Council.

(3) In the exercise of any power under this section no unnecessary damage shall be done, and compensation, which shall, in case of dispute, be ascertained and determined in the manner provided in section 160, shall be paid by the Municipal Council to any person who sustains damage by the exercise of such power.

101. (1) If any building or land be at any time undrained, or not drained to the satisfaction of the Municipal Council, the Municipal Council may by written notice call upon the owner to construct or lay from such building or land a drain or pipe of such size and materials, at such level, and with such fall as they think necessary for the drainage of such building or land into—

(a) some drain or sewer, if there be a suitable drain or sewer within fifty feet of any part of such building or land, or

(b) a covered cesspool to be provided by such owner.

(2) It shall not be lawful newly to erect any building, or to re-build any building, or to occupy any building newly erected or re-built, unless and until—

(a) a drain be constructed, of such size, materials and description, at such level, and with such fall, as shall appear to the Municipal Council to be necessary for the effectual drainage of such building;

(b) there have been provided for and set up in such building and in the land appurtenant thereto, all such appliances and fittings as may appear to the Municipal Council to

be necessary for the purposes of gathering and receiving the drainage from, and conveying the same off, the said building and the said land and of effectually flushing the drain of the said building and every fixture connected therewith.

(3) The drain to be constructed as aforesaid, shall empty into a municipal drain, or into some place legally set apart for the discharge of drainage, situated at a distance not exceeding fifty feet from such building; but if there is no such drain or place within that distance, then such drain shall empty into such cesspool as the Municipal Council direct.

102. The owner or occupier of any building or land within the municipality shall be entitled to cause his drains to empty into the sewers of the Municipal Council, provided that he first obtains the written permission of the Municipal Council, and that he complies with such conditions as the Municipal Council prescribe as to the mode in which and the superintendence under which the communications are to be made between drains not vested in the Municipal Council and drains which are so vested.

Power of owners and occupiers of buildings or lands to drain into municipal drains.

103. (1) If the owner or occupier of any building or land proves to the satisfaction of the Municipal Council that he cannot connect the same with any municipal drain otherwise than by means of a drain to be constructed through land, or to be connected with a drain, belonging to or occupied by or in the use of some other person, the Municipal Council, after giving to such other person a reasonable opportunity of stating any objection to such application, may, if no objection is raised or if any objection which is raised is in their opinion insufficient, by an order in writing authorise the owner or occupier first mentioned to carry his drain into, through or under the said land, or into the said drain as the case may be, in such manner and on such conditions as to the payment of rent or compensation, and as to the respective responsibilities of the parties for maintaining, repairing, flushing, cleaning and emptying the said drains, as may appear to them to be adequate and equitable.

Right to carry drain through land or into drain belonging to other persons how and on what conditions to be authorised by Municipal Council.

(2) Every such order shall be a complete authority to the person in whose favor it is made, or to any agent or other person employed by him for this purpose, after giving or tendering to the owner or occupier of the said land or drain the compensation or rent, if any, specified in the said order, and otherwise fulfilling as far as possible the conditions of the said order, and after giving to the said owner or occupier reasonable notice in writing, to enter upon the land specified in the said order with assistants and workmen at any time between sunrise and sunset, and, subject to all the provisions of this Regulation, to do all such work as may be necessary—

Written order of Municipal Council authority for execution of necessary work.

(a) for the construction or connection of the drain, as may be authorised by the said order, or

(b) for discharging any responsibility attaching to him under the terms of the order as to maintaining, repairing, flushing, cleaning or emptying the said drain or any part thereof.

104. In executing any work under section 103, as little damage as possible shall be done, and the owner or occupier of the buildings or lands for the benefit of which the work is done, shall

Work how to be carried out.

(a) cause the work to be executed with the least practicable delay;

(b) fill in, reinstate and make good at his own cost and with the least practicable delay the ground or any portion of any building or other construction opened, broken up or removed for the purpose of executing the said work; and

(c) pay compensation to any person who sustains damage by the execution of the said work.

105. If the owner of any land into, through or under which a drain has been carried under section 103 whilst such land was unbuilt upon, shall at any subsequent time desire to erect a building thereon, the Municipal Council may, if they sanction the erection of such building, by written notice require the owner or occupier of the building or the person for the benefit of which such drain was constructed to close, remove or divert the drain, and to reinstate and make good the land in such manner as they may deem to be necessary, in order to admit of the construction or safe enjoyment of the proposed building, and to fill in, by written notice, require the person desiring to erect the building to be necessary, in order to the location of the building with reference to the drain, or in the details of the construction of the building, and on such terms, as the Municipal Council may deem necessary, in order to the maintenance of the drainage connection.

Rights of owner of land through which drain is carried, in regard to subsequent building thereon.

106. (1) In case the Municipal Council shall be of opinion that any privy, or cesspool, or additional privies, or cesspools, should be provided in or on any building or land, or, in any municipality in which a water-closet system has been introduced, that water-closets should be substituted for the existing privies in or on any building or land, or that additional water-closets should be provided therein or thereon, the Municipal Council may by written notice call upon the owner of such building or land to provide such privies, cesspools or water-closets as the Municipal Council may deem proper.

(2) The Municipal Council may by written notice require any person or persons employing workmen or labourers exceeding twenty in number, or owning or managing any market, school or theatre or other place of public resort, to provide such latrines and urinals as the Municipal Council may direct, and to cause the same to be kept in proper order, and to be daily cleaned.

(3) The Municipal Council may by written notice require the owner or occupier of any land upon which there is a privy, to have such privy shut out, by a sufficient roof and a wall or fence, from the view of persons passing by or resident in the neighbourhood, or to alter as they may direct any privy door or trap door which opens on to any street, and which they deem to be a nuisance.

107. (1) All sewers, drains, privies, water-closets, house-gullies and cesspools within the municipality shall, unless constructed at the cost of the Municipal Council, be altered, repaired, and kept in proper order at the cost and charges of the owners of the land and buildings to which the same belong, or for the use of which they are constructed or continued, and the Municipal Council may by written notice require such owner to alter, repair, and put the same in good order in such manner as they think fit.

(2) The Municipal Council may by written notice demolish or close any privy or cesspool, whether constructed before or after the coming into operation of this Regulation, which in the opinion of the Municipal Council is a nuisance, or is so constructed as to be inaccessible for the purpose of scavenging or incapable of being properly cleaned or kept in good order.

108. When any building or land within the municipality has a drain communicating with any cesspool or sewer, the Municipal Council, if they consider that such drain, though it may be sufficient for the drainage of such building or land, and though it may be otherwise unobjectionable, is not adapted to the general sewerage of the municipality, may close such drain, and such cesspool or sewer, whether it is or is not on land vested in the Municipal Council, on providing a drain or drains equally effectual for the drainage of such building or land, and the Municipal Council may do any work necessary for the purpose.

Power in respect of sewers, etc., unauthorisedly constructed, re-built or unstopped.

109. The Municipal Council may by written notice require that any sewer, drain, privy, water-closet, house-gully or cesspool on any land within municipal limits, constructed, re-built or unstopped—

(a) after such land became part of a municipality, and

(b) either without the consent or contrary to the orders, directions or general regulations or by-laws of the Municipal Council, or contrary to the provisions of any enactment in force at the time when it was so constructed, rebuilt or unstopped.

shall be demolished, amended or altered, as they may deem fit, by the person by whom it was so constructed, re-built or unstopped, and every person so constructing, re-building or unstopping any such sewer, drain, privy, water-closet, house-gully or cesspool, whether he does or does not receive such notice, or does or does not comply therewith, shall, in addition to any penalty to which he may be liable on account of such non-compliance, be punished with fine which may extend to twenty-five rupees.

110. (1) Whoever, without the written consent of the Municipal Council first obtained, makes or causes to be made any drain into or out from any of the sewers or drains vested in the Municipal Council, shall be punished with fine which may extend to twenty-five rupees, and the Municipal Council may require such person to demolish, alter, re-make or otherwise deal with such drain as they may think fit.

(2) No building shall be newly erected or re-built over any sewer, drain, culvert or gutter vested in the Municipal Council without the written consent of the Municipal Council, and the Municipal Council may require the person who may have erected or re-built such building to pull it down or otherwise deal with the same as they may think fit.

111. (1) The Municipal Council or any officer appointed by them for such purposes may, subject to the restrictions of this Regulation, inspect any sewer, drain, privy, water-closet, house-gully or cesspool, and for that purpose, at any time between sunrise and sunset, may enter upon any lands or buildings with assistants and workmen, and cause the ground to be opened where he or they may think fit, doing as little damage as may be.

(2) The expense of such inspection, and of causing the ground to be closed and made good as before, shall be borne by the Municipal Council unless the sewer, drain, privy, water-closet, house-gully or cesspool is found to be in bad order or condition, or was constructed in contravention of the provisions of any enactment, or of any by-laws of the Municipal Council in force at the time, in which case such expenses shall be paid by the owner of such sewer, drain, privy, water-closet, house-gully or cesspool, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

112. (1) The Municipal Council may, if they think fit, cause any work of the nature to which this sub-chapter applies, to be executed by municipal or other agency under their own orders, without first of all giving the person by whom the same would otherwise have to be executed the option of doing the same.

(2) The expenses of any work so done shall be paid by the person aforesaid, unless the Municipal Council shall, by a general or special order or resolution, sanction, as they are hereby empowered to sanction, the execution of such work at the charge of the municipal fund.

(3) Any pipes, fittings, receptacles, or other appliances for or connected with the drainage of private buildings or lands shall, if supplied, constructed or erected at the expense of the Municipal Council, be deemed to be municipal property, unless the Municipal Council shall have transferred their interest therein to the owner of such buildings or lands.

(4) *Powers regarding external structures, etc.*

113. (1) The Municipal Council may give written permission to the owners or occupiers of buildings in public streets to put up open verandahs, balconies, or rooms, to project from any upper storey thereof, at such height from the surface of the street as the Municipal Council may fix by by-laws from time to time, and to an extent not exceeding four feet beyond the line of the plinth or basement wall, and may prescribe the extent to which, and the conditions under which roofs, eaves, weather-boards, shop-boards and the like may be allowed to project over such streets.

(2) Any such owner or occupier putting up any such projections as aforesaid without such permission or in contravention of such orders, shall be punished with fine which may extend to twenty-five rupees, and if any such owner or occupier fails to remove any such projection as aforesaid in respect of which he has been convicted under this section, he shall be punished with further fine which may extend to five rupees for each day on which such failure or neglect continues.

(3) The Municipal Council may by written notice require the owner or occupier of any building to remove or alter any projection, encroachment or obstruction which, whether erected before or after the site of such building became part of a municipality, shall have been erected or placed against or in front of such building, and which

(a) overhangs or juts into, or in any way projects or encroaches upon, any public street, so as to be an obstruction to safe and convenient passage along such street, or which

(b) projects and encroaches into or upon any uncovered aqueduct, drain or sewer in such street, so as to obstruct or interfere with such aqueduct, drain or sewer, or the proper working thereof :

Provided always that the Municipal Council shall, if such projection, encroachment or obstruction shall have been made in any place before the date on which such place became part of a municipality, or after such date with the written permission of the Municipal Council, make reasonable compensation to every person who suffers damage by such removal or alteration ; and if any dispute shall arise touching the amount of such compensation, the same shall be ascertained and determined in the manner provided in section 160.

114. The Municipal Council may by written notice require the owner of every building in any street to put up and keep in good condition proper troughs and pipes for catching and carrying the water from

the roof and other parts of such building, and for discharging the same, in such manner as they may think fit, so that it shall not fall upon the persons passing along the street.

115. The Municipal Council may erect or fix to the outside of any building, brackets for lamps to be lighted with oil or gas, or, subject to the provisions of the law in force relating to electricity, for lamps to be lighted with electricity or otherwise, or subject to the provisions of the law in force relating to telegraphs, for telegraph wires or telephonic wires, or for the conduct of electricity for locomotive purposes, or such pipes as they may deem necessary for the proper ventilation of sewers and water-works, and such brackets and pipes shall be erected so as not to occasion any inconvenience or nuisance to the said building or any others in the neighbourhood.

116. (1) The Municipal Council may from time to time cause to be put up or painted on a conspicuous part of any building at or near each end, corner, or entrance to every street, the name by which such street is to be known and may from time to time fix a number in a conspicuous place on the outer side of any building, or at the entrance of the enclosure thereof fronting the street.

(2) Any person who destroys, pulls down or defaces any such name or number, or puts any name or number different from that put up by the Municipal Council, and any owner or occupier of any building who shall not at his own expense keep such number in good order after it has been put up thereon, shall be punished with fine which may extend to twenty-five rupees.

117. Any person

(a) who, without the consent of the owner or occupier, affixes any posting bill, placard or other paper or means of advertisement against or upon any building, wall, board, fence or pale, or

(b) who, without such consent as aforesaid writes upon, soils, defaces or marks any such building, wall, board, fence or pale with chalk or paint or in any other way whatsoever,

shall be punished with fine which may extend to twenty rupees.

118. The Municipal Council may by written notice require the owner or occupier of any land so to trim or prune the hedges thereof bordering any public street that the said hedges may not exceed the height of four feet from the level of the street, and width of four feet, and to cut down, lop or trim all trees or shrubs which in any way overhang, endanger, or obstruct, or which they deem likely to overhang, endanger, or obstruct any public street or to cause damage thereto, or which so overhang any public tank, well, or other provision for water-supply as to pollute or be likely to pollute the water thereof.

(5) Powers for promotion of Public Health, Safety and Convenience.

119. (1) If any building, or anything affixed thereon, be deemed by the Municipal Council to be in a ruinous state or likely to fall, or in any other way dangerous to any inhabitant of such building, or of any neighbouring building, or to any occupier thereof, or to passengers, the Municipal Council shall immediately, if it appears to them to be necessary, cause a proper hoard or fence to be put up for the protection of passengers; all expenses incurred by the Municipal Council under this sub-section shall be paid by the owner or occupier of such building, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

(2) The Municipal Council shall also cause notice in writing to be given to the owner or occupier, requiring such owner or occupier forthwith to take down, secure, or repair such building or thing affixed thereon, as the case shall require, and if such owner or occupier do not begin to repair, take down, or secure such building or thing within three days after the service of such notice, and complete such work with due diligence, the Municipal Council shall cause all or so much of such building or thing, as they shall think necessary, to be taken down, repaired, or otherwise secured.

Provided always that if the danger be not of hourly imminence, it shall be at the discretion of the Municipal Council, instead of themselves causing a hoard or fence to be put up, to issue in the first instance a notice in writing to the owner or occupier to put up a proper hoard or fence, and in the event of the owner or occupier failing to put up within two days from the service of such notice a hoard or fence which the Municipal Council consider sufficient in the circumstances of the case, the Municipal Council shall at once cause such hoard or fence to be put up and thereafter proceed as provided in sub-sections (1) and (2).

120. (1) The Municipal Council may at any time by written notice require that the owner of, or any person who has the control over, any well, stream, channel, tank or other source of water-supply, shall, whether it is private property or not,

Powers and duties with regard to dangerous, stagnant or insanitary sources of water-supply.

(a) keep and maintain any such source of water-supply, other than a stream, in good repair, or

(b) within a reasonable time to be specified in the notice, cleanse any such source of water-supply from silt, refuse and decaying vegetation, or

(c) in such manner as the Municipal Council prescribe, protect any such source of water-supply from pollution by surface drainage, or

(d) within twenty-four hours of such notice, repair, protect or enclose in such manner as the Municipal Council approve, any such source of water-supply other than a stream in its natural flow; if for want of sufficient repair, protection or inclosure, such source of water-supply is in the opinion of the Municipal Council dangerous to the health or safety of the public or of any persons having occasion to use or to pass or approach the same, or shall

(e) desist from using and from permitting others to use for drinking purposes any such source of water supply which, not being a stream in its natural flow, is proved to the satisfaction of the Municipal Council to be unfit for drinking; or

(f) if notwithstanding any such notice under clause (e) such use continues and cannot in the opinion of the Municipal Council be otherwise prevented, close, either temporarily or permanently, or fill up or enclose or fence in such manner as the Municipal Council consider sufficient to prevent such use, such source of water-supply as aforesaid; or

(g) drain off or otherwise remove from any such source of water-supply, or from any land or premises or receptacle or reservoir attached or adjacent thereto, any stagnant water which the Municipal Council consider is injurious to health or offensive to the neighbourhood.

(2) If the owner or person having control as aforesaid fails or neglects to comply with any such requisition within the time required by or under the provisions of sub-section (1), the Municipal Council may, and if in their opinion immediate action is necessary to protect the health or safety of any person shall, at once proceed to execute the work required by such notice, and all the expenses incurred therein by the Municipal Council shall be paid by the owner of, or person having control over, such water-supply, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

Remedy on non-compliance with directions issued.

Provided that in the case of any well or private stream or of any private channel, tank or other source of water-supply, the water of which is used by the public or by any section of the public as of right, the expenses incurred by the Municipal Council or necessarily incurred by such owner or person having such control, may, if the Municipal Council so direct, be paid from the municipal fund.

121. (1) Whoever displaces, takes up, or makes any alteration in the pavement, gutter, flags, or other materials, of any public street, or the fences, walls, or posts thereof, or any municipal lamp, lamp-post, bracket, water-post, hydrant, or other such municipal property therein, without the written consent of the Municipal Council or other lawful authority, shall be punished with fine which may extend to one hundred rupees.

Displacing pavements, etc.

(2) Any person who, having displaced, taken up or made alteration in any such pavement, gutter, flags, or other materials, or in the fences, walls, posts, municipal lamps, lamp-posts, brackets, water-posts, hydrants, or other municipal property of any public street, shall fail to replace or restore the same to the satisfaction of the Municipal Council after notice to do so, shall be punished with fine which may extend to fifty rupees, and shall pay any expense which may be incurred in restoring the street, and such expense shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

Penalty for failure to replace after notice.

122. (1) Whoever in any place after it has become a municipality shall have built or set up, or shall build or set up, any wall or any fence, rail, post, stall, verandah, platform, plinth, step, or any projecting structure or thing, or other encroachment or obstruction, in any public street, or shall deposit or cause to be placed or deposited any box, bale, package or merchandise, or any other thing in such street, or in or over or upon, any open drain, gutter, sewer, or aqueduct in such street, shall be punished with fine which may extend to twenty-five rupees.

Obstructions and encroachments upon public streets and open spaces.

(2) The Municipal Council shall have power to remove any such obstruction or encroachment, and shall have the like power to remove any unauthorised obstruction or encroachment.

of the like nature in any open space not being private property, whether such space is vested in the Municipal Council or not, provided that if the space be vested in Government the permission of the Deputy Commissioner shall have first been obtained, and the expense of such removal shall be paid by the person who has caused the said obstruction or encroachment, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

(3) Whoever, not being duly authorised in that behalf, removes earth, sand or other material from, or makes any encroachment in or upon, any open space which is not private property, shall be punished with fine which may extend to fifty rupees, and in the case of an encroachment, with further fine which may extend to ten rupees for every day on which the encroachment continues after the date of first conviction for such offence.

(4) Nothing contained in this section shall prevent the Municipal Council from allowing any temporary occupation of or erections in any public street on occasions of festivals and ceremonies, or the piling of fuel in by-streets and spaces for not more than four days, and in such manner as not to inconvenience the public or any individual.

(5) Nothing contained in this section shall apply to any projection duly authorised under sub-section (1) of section 113, or in any case where permission has been given under sub-section (4) of this section.

123. (1) Every person intending to build or take down any building, or to alter or repair the outward part of any building, in such a position or in such circumstances as that the work is likely to cause or may cause obstruction, danger or inconvenience in any street, shall before beginning such work,

(a) first obtain a license in writing from the Municipal Council so to do, and

(b) cause sufficient hoards or fences to be put up in order to separate the building where such works are being carried on from the street, and shall maintain such hoard or fence standing and in good condition to the satisfaction of the Municipal Council during such time as the public safety or convenience requires, and shall cause the same to be sufficiently lighted during the night, and shall remove the same when directed by the Municipal Council.

(2) Whoever contravenes any of the provisions of this section shall be punished with fine which may extend to fifty rupees, and with further fine which may extend to ten rupees, for every day or night, as the case may be, on which such contravention continues, after the date of the first conviction.

124. (1) The Municipal Council shall, during the construction or repair of any of the streets, sewers, drains or other premises vested in them, take proper precaution for guarding against accident, by shoring up and protecting the adjoining buildings, and shall cause such bars, chains, or posts to be fixed across or in any of the streets to prevent the passage of carriages, carts, or other vehicles, or of cattle or horses, while such works are carried on, as to them shall seem proper; and the Municipal Council shall cause any sewer or drain or other works in streets, during the construction or repair thereof, to be lighted with a sufficient light and guarded during the night.

(2) Whoever takes down, alters or removes any of the said bars, chains or posts, or removes or extinguishes any such light, without the authority or consent of the Municipal Council, shall be punished with fine which may extend to fifty rupees.

125. (1) No person shall, without the written permission of the Municipal Council or otherwise than in accordance with such conditions as may therein be prescribed, make a hole in any street, or erect or deposit thereon any timber, stone, brick, earth or other material that has been, or is intended to be, used for building; and such permission shall be terminable at the discretion of the Municipal Council; and when such permission is granted to any person, he shall, at his own expense, cause such materials or such hole to be sufficiently fenced and enclosed until the materials are removed, or the hole is filled up or otherwise made secure, to the satisfaction of the Municipal Council, and shall cause the same to be sufficiently lighted during the night.

(2) Whoever contravenes any of the provisions of sub-section (1) shall be punished with fine which may extend to twenty-five rupees, and with further fine which may extend to ten rupees for every day or night, as the case may be, on which such contravention continues, after the date of the first conviction.

126. If in the opinion of the Municipal Council the working of any quarry, or the removal of stone, earth or other material from the soil in any place, is dangerous to persons residing in or having legal access to the neighbourhood thereof, or creates or is likely to create a nuisance, the Municipal

Council may, by written notice, require the owner of the said quarry or place, or the person responsible for such working or removal, not to continue or permit the working of such quarry or the removing of such material, or to take such order with such quarry or place as the Municipal Council shall direct for the purpose of preventing danger or of abating the nuisance arising or likely to arise therefrom.

Provided that if such quarry or place is vested in Government, or if such working thereof or removal therefrom as aforesaid is being carried on by or on behalf of Government, or any person acting with the permission or under the authority of Government or of any officer of Government acting as such, the Municipal Council shall not take such action unless and until the Deputy Commissioner has consented to their so doing.

Provided further that the Municipal Council shall immediately cause a proper hoard or fence to be put up for the protection of passengers near such quarry or place, if in any case referred to in this section it appears to them to be necessary in order to prevent imminent danger, and any expense incurred by the Municipal Council in taking action under this section shall be paid by such owner or other person as aforesaid, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

(6) *Powers for the Prevention of Nuisances.*

127. (1) Whoever deposits, or causes or suffers any member of his family or household to deposit, any dust, dirt, dung, ashes, garden, kitchen or stable refuse, or filth of any kind, or any animal matter, or any broken glass or earthen-ware or other rubbish, or any other thing that is or may be a nuisance, in any street or in any arch under a street, or in any drain beside a street or on any open space or on the bank of any river, water-course or nullah, except at such places, in such manner, and at such hours as shall be fixed by the Municipal Council, and whoever commits, or suffers any member of his family to commit, nuisance in any such place as aforesaid, shall be punished with fine which may extend to twenty-five rupees.

(2) Whoever throws or puts, or causes or suffers any member of his family or household to throw or put, any of the matter above described, or, except with the permission of the Municipal Council, any night-soil into any sewer, drain, culvert, tunnel, gutter or water-course, and whoever commits nuisance, or suffers any member of his family to commit nuisance, in any such drain, culvert, tunnel or water-course, or in such close proximity thereto as to pollute the same, shall be punished with fine which may extend to twenty-five rupees.

128. Whoever causes or allows the water of any sink or sewer, or any other liquid or other matter which is or which is likely to become offensive, from any building or land under his control, to run, drain, or be thrown or put upon any street or open space, or to soak through any external wall, or causes or allows any offensive matter from any sewer or privy to run, drain or be thrown into a surface drain in any street, without the permission in writing of the Municipal Council, or who fails to comply with any condition prescribed in such permission, shall be punished with fine which may extend to twenty-five rupees.

129. Whoever, being the owner or occupier of any building or land, keeps or allows to be kept for more than twenty-four hours, or otherwise than in some proper receptacle, any dirt, dung, bones, ashes, night-soil, filth or any noxious or offensive matter, in or upon such building or land, or suffers such receptacle to be in a filthy or noxious state, or neglects to employ proper means to remove the filth from, and to cleanse and purify, such receptacle, or keeps or allows to be kept in or upon such building or land any animal in such a way as to cause a nuisance, shall be punished with fine which may extend to twenty-five rupees, and with further fine which may extend to five rupees, for every day on which such offence is continued after the date of the first conviction.

130. (1) The Municipal Council may from time to time fix the hours within which only it shall be lawful to remove any night-soil or other such offensive matter.

(2) Whoever,

(a) when the Municipal Council have fixed such hours, and given public notice thereof by beat of drum, removes, or causes to be removed, along any street any such offensive matter at any time except within the hours so fixed, or

(b) at any time, whether such hours have been fixed by the Municipal Council or not,

(i) uses for any such purpose any cart, carriage, receptacle or vessel not having a covering proper for preventing the escape of the contents thereof and of the stench therefrom, or

- (ii) wilfully or negligently slops or spills any such offensive matter in the removal thereof, or
- (iii) does not carefully sweep and clean every place in which any such offensive matter has been sloped or spilled, or
- (iv) places or sets down in any public place any vessel containing such offensive matter, or
- (v) drives or takes or causes to be driven or taken any cart, carriage, receptacle or vessel used for any such purpose as aforesaid, through any street or by any route, other than such as shall from time to time be appointed for that purpose by the Municipal Council by public notice,

shall be punished with fine which may extend to twenty-five rupees.

131. (1) Whoever, being the owner or occupier of any building or land, whether tenantable or otherwise, suffers the same to be in a filthy and unwholesome state, or in the opinion of the Municipal Council a nuisance to persons residing in the neighbourhood, or overgrown with prickly-pear or rank and noisome vegetation, and who shall not, within a reasonable time after notice in writing by the Municipal Council to cleanse, clear or otherwise put the same in a proper state, have complied with the requisition contained in such notice, shall be punished with fine which may extend to twenty-five rupees, and with further fine which may extend to five rupees for every day on which the failure to comply with the said notice is continued, after the date of the first conviction.

(2) Should the state of the building be such as in the judgment of the Municipal Council to render it unfit for human habitation, they may further by written notice prohibit the using thereof for that purpose until it is so rendered fit.

(3) If any building, by reason of dilapidation, neglect, abandonment, disuse or disputed ownership, or of its remaining untenanted and thereby

- (a) becoming a resort of idle and disorderly persons, or of persons who have no ostensible means of subsistence, or who cannot give a satisfactory account of themselves, or
- (b) coming into use for any insanitary or immoral purpose, or
- (c) affording a shelter to snakes, rats or other dangerous or offensive animals,

is open to the objection that it is a nuisance, or so unwholesome or unsightly as to be a source of discomfort, inconvenience or annoyance to the neighbourhood or to persons passing by such building, the Municipal Council, if they consider such objection cannot under any other provision of this Regulation be otherwise removed, may, if there is any person known or resident within the municipality who claims to be the owner of such building, by written notice directed to such person, require such person, or in any other case by written notice fixed on the door or any other conspicuous part of the building, require all persons claiming to be interested in such building, within a period which shall be specified in the notice and shall not be less than seven days from the date of such notice, to cause such building to be taken down and the materials thereof to be removed; and in the event of non-compliance with such requirement, the Municipal Council, on the expiration of the period specified as aforesaid, may forthwith cause the building to be taken down and the materials to be removed, and may sell such materials and apply the proceeds to defray any expenses incurred by them in so doing, and all such expenses not thereby defrayed shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

132. It shall be lawful for the president, vice-president, or any councillor or officer authorised by the Municipal Council in this behalf, at any time between sunrise and sunset, on giving such notice as hereinafter provided, to enter into and inspect all buildings and lands, and by written notice to direct all or any part thereof to be forthwith internally and externally limewashed or otherwise cleansed for sanitary reasons.

133. (1) The Municipal Council may set apart sufficient public places for the purpose of being used as bathing places, and may also provide or set apart a sufficient number of convenient tanks or runs of water for the inhabitants to bathe in, and may also set apart tanks or reservoirs or runs of water for washing animals or clothes, and for all purposes connected with the health, cleanliness and comfort of the inhabitants, and may prohibit the use, for any purpose mentioned in this section of any or all other public places within the municipality.

(2) Copies of all orders passed and notices issued by the Municipal Council and for the time being in force under this section, shall be kept at the municipal office and shall be open for inspection by the public at all reasonable times.

134. (a) Whoever, in disobedience of any order of the Municipal Council under section 133, or of any by-law, bathes in any stream, pool, tank, reservoir, well, cistern, conduit or aqueduct belonging to the Municipal Council, or washes, or causes to be washed, therein any animal or any thing whatever, or throws, puts or casts or causes to enter therein any animal or any thing, or causes or suffers to run, drain or be brought thereinto any thing that is, or may become, a nuisance, or does anything whatsoever whereby any water therein shall be in any degree fouled or corrupted, and

(b) whoever, without permission of the Municipal Council, steeps in any tank, stream, or ditch within, or on the boundary of, the municipality any animal, vegetable or mineral matter likely to render the water of such tank, stream or ditch offensive or a nuisance, shall be punished with fine which may extend to fifty rupees.

135. When any pool, ditch, tank, pond, well, hole, or any waste or stagnant water, or any channel or receptacle of foul water or other offensive or injurious matter, whether the same be within any private enclosure or otherwise, shall appear to the Municipal Council to be likely to prove injurious to the health of the inhabitants or offensive to the neighbourhood, the Municipal Council may by written notice require the owner of the same to cleanse, fill up, drain off or remove the same, or to take such measures as shall, in their opinion, be necessary to abate or remove the nuisance.

136. Whoever, except with the written permission of the Municipal Council, and in the way, if any, enjoined in such permission, stores or uses night-soil or other manure or substance emitting an offensive smell, shall be punished with fine which may extend to twenty-five rupees.

137. (1) Whoever tethers cattle or other animals, or causes or suffers them to be tethered by any member of his family or household, in any public street or place so as to obstruct or endanger the public traffic therein, or to cause a nuisance, or who causes or suffers such animals to stray about without a keeper, shall be punished with fine which may extend to twenty-five rupees.

(2) Whoever keeps any swine so as to be a nuisance shall be punished with fine which may extend to ten rupees.

138. (1) It shall be lawful for the Municipal Council to direct by public notice that every furnace employed, or to be employed, in any works or buildings used for the purpose of any trade or manufacture whatsoever within the limits of the municipality, whether a steam-engine be or be not used or employed therein, shall in all cases be constructed, supplemented or altered so as to consume or burn, or reduce as far as may be practicable, the smoke arising from such furnace.

(2) If any person shall after such direction use, or permit to be used, any such furnace not so constructed, supplemented, or altered, or shall so negligently use, or permit to be used, any such furnace as that the smoke arising therefrom shall not be effectually consumed or burnt as far as may be practicable, every person so offending, being the owner or occupier of the said works or buildings or, being an agent or other person employed by such owner or occupier for managing the same, shall be punished with fine which may extend to fifty rupees, and upon any subsequent conviction to five hundred rupees.

Provided that nothing in this section shall be held to apply to locomotive engines used for the purpose of traffic upon any railway or for the repair of roads.

(7) Regulation of Markets, Sale of Food, etc.

139. (1) It shall be lawful for the Municipal Council to direct that no place shall be used as a market for the sale of animals, meat, fish, fruit or vegetables intended for human food, or as a slaughter-house, excepting the public markets or slaughter-houses constructed or opened by the Municipal Council, or such other markets or slaughter-houses as may have been licensed in writing by the Municipal Council, who may, at their discretion, from time to time grant, suspend, withhold or withdraw such licenses, either generally or in individual instances.

(2) No person shall in any municipality in which by-laws are in force prescribing the conditions on and subject to which, and the circumstances in which, licenses for shops for the sale of such commodities may be granted, refused, suspended or withdrawn, use without a license from the Municipal Council granted in accordance with by-laws made under clause (b) of sub-section (1) of section 48 any place as a shop for the sale of animals, meat, or fish, intended for human food, except in a municipal or licensed market.

(3) Whoever contrary to such direction or without the license required as aforesaid, or otherwise than in accordance with the conditions on or subject to which such license was granted, sells or exposes for sale any such animals or commodities, or uses or permits the use of a place as a shop for the sale thereof, or uses any place as a slaughter-house, shall be punished with fine which may extend to twenty-five rupees.

(4) Upon a conviction being obtained in respect of any place which has, without or during the suspension or after the withdrawal of a license, been used or permitted to be used as a slaughter-house or shop for such sale as aforesaid, the Magistrate shall, on the application of the Municipal Council, but not otherwise, order such place to be closed, and thereupon appoint persons, or take other steps, to prevent such place being so used: and every person who so uses or permits the use of the place after it has been so ordered to be closed, shall be punished with a fine which may extend to five rupees for each day during which he continues so to use, or permits such use of, the place after it has been so ordered to be closed.

(5) Nothing contained in this section shall apply to the use of any hotel or eating house for the sale of food served for consumption on the premises.

140. (1) The Municipal Council may from time to time open or close any public market or slaughter-house. They may also either take stallage or other rents or fees for the use by any person of any such market or slaughter-house, or from time to time sell by public auction or otherwise the privilege of occupying any stall or space in, or of otherwise using, any such market or slaughter-house.

Opening, closing, and letting of markets and slaughter-houses.

(2) Any person who, without the permission or license of the Municipal Council shall sell or expose for sale any article in the said markets, or use the said slaughter-houses, shall be punished with fine which may extend to twenty-five rupees.

141. It shall be lawful for the Municipal Council, with the sanction of the Deputy Commissioner, to establish slaughter-houses, or places for the disposal of carcasses of animals, beyond the limits of the municipality, and all provisions of this Regulation and of by-laws in force thereunder relating to such places within municipal limits, shall have full force therein, as if such places were within the municipal limits.

Slaughter-houses, etc., beyond municipal limits.

142. (1) The president, vice-president or any councillor or officer authorised by the Municipal Council in this behalf—

Search for and inspection of unwholesome articles.

(a) may at all reasonable times enter into any place for the purpose of inspecting, and may inspect, any animals, carcasses, meat, poultry, game, flesh, fish, fruit, vegetables, corn, bread, flour, milk, ghee, butter or other articles intended for human food or drink or for medicine, whether exposed or hawked about for sale, or deposited in, or brought to, any place for the purpose of sale, or of preparation for sale, or may enter into and inspect any place used as a slaughter-house, and may examine anything which may be therein; and

(b) in case any such animals, carcasses, or other articles before mentioned appear to be diseased or unsound or unwholesome or unfit for human food or drink or medicine, may seize the same.

Any article which is of a perishable nature may, under the orders of the president, vice-president or chairman of the managing committee or of a committee appointed under section 29 to exercise all or any of the powers vested in the Municipal Council under this sub-chapter, if in his opinion it is diseased, unsound, unwholesome or unfit for food, drink and medicine, forthwith be destroyed.

Every animal and every article which is not of a perishable nature, if seized as aforesaid, shall be taken before a Magistrate.

If it appear to the Magistrate upon sufficient evidence that any such article is diseased or unsound or unwholesome or unfit for human food, drink or medicine, the owner or person in whose possession it was found, not being merely bailee or carrier thereof, shall, if in such case the provisions of section 273 of the Indian Penal Code do not apply, be punished with fine which may extend to one hundred rupees, and the Magistrate shall cause such article to be destroyed or to be so disposed of as to prevent its being exposed for sale or used for food or drink or medicine.

(2) In every municipality to which the Government may by notification have declared this sub-section to apply, whether as regards food or drink of all kinds or of any specified kind,

Adulterated articles for food or drink.

if any article to which this sub-section is applicable as aforesaid, is intended for food or drink, and is in any place mentioned in sub-section (1), the president, vice-president or officer authorised as aforesaid, in case such article appears not to be what it is represented to be, may seize the same, and if it appears to a Magistrate upon sufficient evidence that such article is

not what it is represented to be, such Magistrate may order the same to be destroyed or to be so disposed of as to prevent its being exposed for sale or use for food or drink, and the owner thereof or the person in whose possession the same was found, not being merely carrier or bailee thereof, shall, if in such case the provisions of section 273 of the Indian Penal Code do not apply, be punished with fine which may extend to one hundred rupees.

EXPLANATION.—If such article having been exposed or stored in, or brought to any place mentioned in sub-section (1) for sale as ghee, contains any substance not exclusively derived from milk, it shall be deemed to be, for the purposes of this sub-section, an article which is not what it is represented to be.

Protection to persons acting in good faith. Provided that when any article of food or drink referred to in this sub-section appears to the Magistrate not to be what it is represented to be, solely by reason of the fact that there has been added to it some substance not injurious to health, no offence shall be deemed to have been committed by the owner of the article or the person in whose possession the same is found, if such owner or person proves to the satisfaction of the Magistrate—

(a) that such substance has been added to the article of food or drink, because the same is required for the production or preparation thereof, as an article of commerce, in a state fit for carriage or consumption, and not fraudulently to increase the bulk, weight or measure of the food or of drink or conceal the inferior quality thereof, or

(b) that in the process of production, preparation or conveyance of such article of food or drink, the extraneous substance has unavoidably become intermixed therewith, or

(c) that, by a label distinctly and legibly written or printed on or with the said article of food or drink or by other means of public description, he has given sufficient notice that such substance has been so added, or

(d) that—

(i) the said article was purchased by him with a written warranty that it was of a certain nature, substance and quality,

(ii) he had no reason to believe that it was not of such nature, substance and quality as aforesaid, and

(iii) it was not exposed, hawked about, or brought for sale by him otherwise than as an article of the nature, substance and quality specified in the written warranty, and was in the same state in which he purchased it.

(3) In all prosecutions under this section the Magistrate shall refuse to issue a summons for the attendance of any person accused of an offence against its provisions unless the summons is applied for within a reasonable time from the alleged date of the offence of which such person is accused.

Application for summons to be refused if not applied for within reasonable time. 143. The president, vice-president, or any councillor, or officer authorised by the Municipal Council in this behalf, may at all reasonable times enter into any place used for the sale of articles used for human food or drink or for medicine, and inspect the weights and measures in use; and if the person in charge be found in possession of any false or defective weights or measures, or of weights or measures by the use of which the public may be defrauded, he shall be punished with fine which may extend to two hundred and fifty rupees.

(8) *Prevention of Dangerous Diseases.*

Powers which may at any time be conferred. 144. (1) The Government may at any time confer by notification on any Municipal Council designated therein, all or any of the powers specified in sub-section (2), and such Municipal Council shall, subject to all such limitations, restrictions and conditions, if any, as the Government in the same or in any subsequent notification may prescribe in such behalf, exercise within the municipality every power so conferred on them, for such period as may be specified in this behalf in any such notification, or if no period is so specified, then until such power is withdrawn.

(2) The powers, all or any of which may be conferred under the preceding sub-section, are:—

(a) power by orders, which may be either of special or general application, to direct that every medical practitioner, who knows or may have reason to believe that any person whom he has visited in his professional capacity in any dwelling not being a hospital, or that the manager of any factory or educational institution, or every head of a household, who has reason to believe that any person who resides in any dwelling under the management of any such manager or head of a household, is suffering from any illness reasonably be supposed to be a dangerous disease, shall give information of the same at the least practicable delay to such person as may be designated by the Municipal Council in this behalf;

(d) power to direct or cause the removal, on a certificate signed by any duly qualified medical practitioner authorised by the Municipal Council in this behalf, of any person who is without proper lodging or accommodation, or who is lodged in a room or set of apartments occupied by more than one family, and who is suffering from a dangerous disease, to any hospital or place at which persons suffering from the said disease are received for medical treatment;

(e) power to require by written notice the owner or occupier of any building, or part of a building, or a person owning or in charge of any article therein, to cleanse or disinfect such building or part thereof or article, either at his own expense, or in case of poverty, or for other cause which the Municipal Council in the circumstances of the case consider reasonable, at the expense of the Municipal Council;

(f) power to provide the means, and to prescribe places, for disinfecting or washing bedding or other articles which have been exposed to infection from any dangerous disease, and to direct the destruction thereof;

(g) power—

(i) to provide and maintain suitable conveyances for the free carriage of persons suffering from any dangerous disease and,

(ii) when such provision is made, to prohibit the conveyance of such persons in all or any public conveyances, and

(iii) to direct that any conveyances that may at any time be used for conveying any such person shall be immediately disinfected;

(h) power to prohibit—

(i) any person suffering from any dangerous disease from wilfully exposing himself, without proper precautions against spreading the said disease, in any street or in any school or factory, or in any inn, dharmasala, theatre, market or other place of public resort; or

(ii) any person in charge of any person so suffering from so exposing such sufferer;

(i) power to prohibit any person from removing to another place, or transferring to another person, except for the purpose of disinfection, any article which the person prohibited knows, or has reason to believe, has been exposed to infection of any kind whatsoever from any dangerous disease;

(j) power to prohibit the letting of or the providing of accommodation in any hotel, inn, dharmasala, chattram or musafirkhana in which a person has, or in which there is reason to believe that a person has, been suffering from a dangerous disease, unless and until the person desiring so to let or provide accommodation shall have had the building, or part thereof, and any article therein, likely to retain infection, disinfected to the satisfaction of the Municipal Council or of such officer as the Municipal Council appoint in this behalf;

(k) power, with the previous permission in each case of a Magistrate exercising not less than second class powers, to destroy any insanitary huts or sheds in which there is reason to believe that persons have been suffering from dangerous disease.

(3) The Municipal Council may, in their discretion, give compensation to any person who sustains substantial loss by the destruction of any property under this section, but except as allowed by the Municipal Council, no claim for compensation shall lie for any loss or damage caused by any exercise of the powers specified therein.

(4) Any person who in a municipality disobeys any order which is for the time being in force therein, and which has been passed by the Municipal Council in exercise of any power conferred on such Municipal Council under this section, or obstructs any officer of the Municipal Council or other person acting under the authority of the Municipal Council in carrying out executively any such order, shall be punished with fine which may extend to two hundred rupees.

Penalties for disobedience to an order passed in exercise of such powers.

Duties of Municipal Council on threatened or actual outbreak of dangerous disease.

gating or suppressing such outbreak

ened or visited with an outbreak of any dangerous disease, the Municipal Council shall take all such measures as may be deemed necessary for the purpose of preventing

145. (1) In the event of the municipality or any part thereof being at any time

(2) In such event as aforesaid the Government may, by special notification, declaring that such municipality is threatened or visited with an outbreak of a dangerous disease, confer on the Municipal Council all or any of the additional powers specified in the following sub-section, and such Municipal Council shall, subject to such limitations, restrictions and conditions, if any, as the Government in the same or in any subsequent notification may prescribe, exercise every such power so conferred on them until the same is withdrawn by means of a like notification.

(3) The powers, all or any of which may be conferred under the preceding sub-section, are—

(a) power to order, subject to the conditions,

(i) that the permission of a Magistrate exercising not less than second class powers shall be in each case first obtained, and

(ii) that accommodation for all persons to whom the order refers is available, or shall be provided, elsewhere,

the evacuation of an infected building used as a dwelling, or of any part thereof, or of any building so used adjacent to such building, by the person or persons residing, whether habitually or temporarily, therein;

(b) power to direct the examination by a medical officer of persons and, if necessary, the disinfection of the clothing, bedding or other suspicious articles belonging to persons, either arriving from places outside the municipality, or residing in any infected building or building adjacent to any infected building, and to direct that any such person shall give his address and present himself daily for medical examination at such time and places as may be prescribed, for a period not exceeding ten days;

(c) power to prohibit either generally, or by special order in any individual case, assemblages consisting of any number of persons exceeding fifty, in any place whether public or private, or in any circumstances, or for any purpose, if in the opinion, recorded in writing, of the Civil Surgeon, or other senior Medical Officer of the District or other medical officer appointed by the Government in this behalf, such assemblages in such place, in such circumstances or for such purpose, would be likely to become a means of spreading the disease or of rendering it more virulent.

(4) The Municipal Council may, in their discretion, give compensation to any person who sustains substantial loss by the destruction of any property under this section; but except as allowed by the Municipal Council, no claim for compensation shall lie for any loss or damage caused by any exercise of the powers specified therein.

(5) If, in any municipality in which such declaration under sub-section (2) as aforesaid is for the time being in force, any person—

Penal clauses.

(a) knowingly disobeys any order which for the time being is in force in such municipality and which has been passed by the Municipal Council in exercise of any power conferred on them under section 144 or under this section, or

(b) obstructs any officer of the Municipal Council or other person acting under the authority of the Municipal Council in carrying out executively any such order,

such person shall be punished with fine which may extend to one thousand rupees.

146. (1) The Government may at any time

Withdrawal and modification of powers and orders.

(a) withdraw any power conferred under section 144 or under section 145;

(b) cancel or modify any limitation, restriction or condition prescribed in respect of any such power; or

(c) cancel any order passed by a Municipal Council in exercise of any such power.

(2) Every order passed by a Municipal Council in exercise of any such power as aforesaid shall, on the withdrawal of such power, cease to be in force in the municipality.

147. If in any municipality any infectious disease amongst horses, dogs, cattle, sheep or goats breaks out, or if the introduction of any such disease appears to be likely, the Municipal Council shall take all such measures as they deem necessary for the purpose of preventing, meeting, mitigating or suppressing the disease or the outbreak or introduction thereof.

Duties of Municipal Council in respect of diseases among horses, dogs, cattle, sheep or goats.

148. (1) Whenever the Municipal Council consider the interior of a building is so overcrowded as to be or to be likely to become, dangerous or prejudicial to the health of the inhabitants of that or of any neighbouring building, the Municipal Council may cause proceedings to be taken before a Magistrate of the first class for the purpose of obtaining an order to prevent such overcrowding.

Proceedings to abate the overcrowding of the interiors of buildings.

(2) Such Magistrate may, on the production of a certificate by a medical officer stating his opinion that the overcrowding complained of is likely to cause disease or risk of disease, and after such further enquiry, if any, as may appear to such Magistrate necessary, require the owner of the building within a reasonable time, not being more than six weeks or less than ten days, to abate the number of lodgers, tenants or other inmates of the said building to such extent as he shall deem necessary to prescribe, or may pass such other order as he shall deem just and proper.

(3) If the said building shall have been sublet the landlord of the lodgers, tenants or other actual inmates of the same shall for the purpose of this sub-section be deemed to be the owner of the building.

(4) It shall be incumbent on any owner to whom a requisition is issued under sub-section (2), forthwith to give to so many of the lodgers, tenants or other actual inmates of the said building as may be necessary to fill the conditions prescribed thereby, written notice to vacate the said building within the period specified in such requisition, and any such lodgers, tenants or inmates receiving such notice shall be bound to comply therewith.

(5) Any owner who after the date specified in any requisition issued under sub-section (2) permits the overcrowding of any building in contravention of such requisition, and any person who omits to vacate any such building in accordance with notice given to him under sub-section (4), shall be punished with fine which may extend to ten rupees for each day subsequent to the date specified in such requisition during which such overcrowding, or such omission to vacate, continues.

149. (1) If the Government is of opinion that risk of disease has arisen or is likely to arise, either to any occupier in, or to any inhabitants in the neighbourhood of, any area by reason of any of the following defects, namely—

Special powers which may be conferred by Government in respect of overcrowded areas notified by Government.

- (a) the manner in which either buildings, or blocks of buildings, already existing or projected therein, are, or are likely to become, crowded together, or
 - (b) the impracticability of cleansing any such buildings, or blocks of buildings, already existing or projected, or
 - (c) the want of drainage or scavenging, or the difficulty of arranging therein for the drainage or scavenging of any such buildings or blocks or area as aforesaid; or
 - (d) the narrowness, closeness, bad arrangement or bad condition of the streets or buildings or groups of buildings;
- the Government may by notification confer on the Municipal Council, to which such area is subject, all or any of the powers specified in sub-section (2), and may, if it deem necessary, at any time make rules prescribing any limitations, restrictions, modifications, conditions or regulations, subject to which the Municipal Council shall exercise within that area all powers so conferred, unless and until those powers are withdrawn by a subsequent notification of Government.

(2) The powers, all or any of which may be conferred on a Municipal Council under sub-section (1), are as follows:—

- (a) power, when any building or block, already existing or in course of erection, by reason of any defect specified in sub-section (1), has given or is in the opinion of the Municipal Council likely to give rise to such risk as aforesaid, to require by a written notice, to be fixed upon some conspicuous part of such building or block, and addressed as the Municipal Council deem fit either to the owners thereof or to the owners of the land on which such building or block is erected or is in course of erection, that the persons so addressed shall, within a reasonable time as shall be specified in the notice, either pull down or remove the said building or block, or execute such works or take such action in connection therewith as the Municipal Council deem necessary to prevent all such risk of disease;
- (b) power by Municipal or other agency, to pull down or remove the said building or block, or to execute such works or take such action, if the persons addressed in the said notice neglect so to do within the time specified therein;
- (c) power, subject to a right of appeal to the Deputy Commissioner, whose decision shall be conclusive, to prohibit by written notice addressed to the owner and occupier of any such site or space, and by general notice published in the manner provided in sub-section (3) of section 154, the erection of any building or of any building exceeding such dimensions as may be specified,

- (i) on the site of any building which has, in whole or in part, in exercise of the power specified in clause (a), been pulled down, or
 - (ii) on any space not occupied by buildings, whether such space is private property or not, and whether it is enclosed or not,
- if the Municipal Council consider that, in order to prevent such risk as aforesaid such site or space should not be built upon, and either

- (a) to acquire such site or space, or
- (b) to prescribe such conditions as may be deemed necessary as to the use which the owner or occupier may make or permit to be made thereof.

Provided that in every case compensation, the amount of which shall, in case of dispute, be ascertained and determined in the manner provided in section 160, shall be paid to any person whose rights are affected by such prohibition.

(3) When, in pursuance of any notice under sub-section (2), any building has been pulled down, the Municipal Council shall, unless it has been erected contrary to any provision of this Regulation or of any by-law in force thereunder, pay to such owner or occupier as may have sustained damage thereby reasonable compensation, the amount of which shall, in case of dispute, be ascertained or determined in the manner provided in section 160.

(4) In making any rules under sub-section (1) the Government may prescribe a fine not exceeding five hundred rupees for every breach, and a further fine not exceeding twenty rupees a day for every continuing breach; of any order made or conditions imposed by the Municipal Council in exercise of the powers conferred upon them under this section or in pursuance of such rules.

150. (1) If the Municipal Council be of opinion that any place used for the disposal of the dead is in such a state as to be, or to be likely to become, injurious to health, they may submit their opinion with the reasons therefor to Government, and the Government thereupon, after such further enquiry, if any, as it shall deem fit to cause to be made, may by notification direct that such place shall cease to be so used from such date as may be specified in that behalf in the said notification.

(2) A copy of the said notification together with a translation thereof in Kanarese shall be published in the Official Gazette, and shall be posted up at the Municipal Office, and in one or more conspicuous spots on or near the place to which the same relates.

(3) Any person who buries or otherwise disposes of any corpse in any such place, after the date specified in the said notification for closure of the same, shall be punished with fine which may extend to one hundred rupees.

(9) *Nuisances from certain trades and occupations.*

gulation, on any person or to any person to whom it is by name addressed, shall, in all cases not otherwise specially provided for therein, be effected by a municipal officer or registered servant or other person authorised by the Municipal Council in this behalf,

(a) by giving or tendering the notice or bill to the person to whom it is addressed; or

(b) if such person is not found, by leaving the notice or bill at his last known place of abode with, or by giving or tendering the notice or bill to, some adult male member or servant of his family; or

(c) if such person does not reside within the municipal limits, and his address elsewhere is known to the president or other person directing the issue of the notice or bill, then by forwarding the notice or bill to such person by registered post, under cover bearing the said address; or

(d) if none of the means aforesaid be available, then by causing the bill or notice to be affixed on some conspicuous part of the building or land, if any, to which the bill or notice relates.

(2) When any notice or bill under this Regulation is required or permitted by or under

Service of notices, etc., on owners and occupiers of buildings and lands.

this Regulation to be served upon an owner or occupier of any building or land, it shall not be necessary to name the owner or occupier therein, and the service thereof, in cases not otherwise specially provided for in this Regulation shall be effected either—

(a) by giving or tendering the notice or bill to the owners or occupiers, or if there be more owners or occupiers than one, to any one of them; or

(b) if no such owner or occupier be found, then by giving or tendering the notice or bill to some male adult member or servant of the family of any such owner or occupier as aforesaid; or

(c) if none of the means aforesaid be available, then by causing the notice or bill to be fixed on some conspicuous part of the building or land to which the same relates.

(3) Every notice which this Regulation requires or empowers a Municipal Council to give or to serve either as a public notice, or generally, or by provisions which do not expressly require notice to be given to individuals therein specified, shall be deemed to have been sufficiently given or served if a copy thereof is put up in such conspicuous part of the municipal office during such period, and in such other public buildings and places, or is published in such local papers or in such other manner, as the Municipal Council in by-laws in this behalf prescribe.

Public and general notices how to be published.

Defective form not to invalidate notice or bill. (4) No notice or bill shall be invalid for defect of form.

(5) When any notice under this chapter requires any act to be done for which no time is fixed by this Regulation, the notice shall fix a reasonable time for doing the same.

Execution of acts required to be done by any notice.

(6) In the event of non-compliance with the terms of the notice it shall be lawful for the Municipal Council to take such action or such steps as may be necessary for the completion of the act thereby required to be done, and all the expenses therein incurred by the Municipal Council shall be paid by the person or persons upon whom the notice was served, and shall be recoverable in the manner provided in section 160.

155. Whoever disobeys or fails to comply with any lawful direction given by any written notice issued by a Municipal Council under any power conferred by this chapter, or fails to comply with the conditions subject to which any permission was given to him by the Municipal Council under any power so conferred, shall, if the disobedience or failure is not an offence punishable under any other section, be punished with fine which may extend to fifty rupees, and with further fine which may extend to five rupees for every day on which the said disobedience or failure continues after the date of the first conviction:

Punishment for disobedience to orders and notices not punishable under any other section.

Provided that when the notice fixes a time within which a certain act is to be done, and no time is specified in this Regulation, it shall rest with the Magistrate to determine whether the time so fixed was a reasonable time within the meaning of this Regulation.

156. (1) Whenever, under the provisions of this Regulation, any work is required to be executed by the owner or occupier of any building or land, and default is made in the execution of such work, the Municipal Council, whether any penalty is or is not provided for such default, may cause such work to be executed; and the expenses thereby incurred shall, unless otherwise expressly provided in this Regulation, be paid to them by the person by whom such work ought to have been executed, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII either in one sum or by instalments as to the Municipal Council may seem fit.

Municipal Council in default of owner or occupier may execute works and recover expenses.

Provided that

(a) Whenever any drainage scheme or water-works scheme has been commenced by any Municipal Council, it shall be lawful for the Municipal Council, without prejudice to their powers under sub-section (1) or section 101 or any other provision of this Regulation, to make a special agreement with the owner of any building or land as to the manner in which the drainage or water-connection thereof shall be carried out, and the pecuniary or other assistance, if any, which the Municipal Council shall render, and any payment agreed upon by the owner shall be recovered in accordance with the terms of such agreement, or in default, in the manner described in sub-sections (2) and (3).

Agreement for construction of drainage and water connections.

Provided also that

(b) when an order has been passed under sub-section (3) of section 91, sub-section (2) or (6) of section 99, 101, 106 or 107, or when an agreement has been made under section 102, or when an order has been made under section 103, the Municipal Council may without prejudice to any other provision of this Regulation, if they think fit, declare any expenses incurred as to be improvement expenses. Improvement expenses shall be levied in such instalments as the Municipal Council may determine, at the rate of six per cent. per annum, and shall be recoverable in the same manner as sub-sections (2) and (3).

Improvement expenses.

then or any time thereafter, occupies the building or land under such owner; and in default of payment thereof by such occupier on demand, the same may be levied from such occupier, and every amount so leviable shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII; every such occupier shall be entitled to deduct from the rent payable by him to his landlord so much as has been so paid by or recovered from such occupier in respect of any such expenses.

(3) No occupier of any building or land shall be liable to pay more money in respect of any expenses charged by this Regulation on the owner than the amount of rent due. If the occupier is liable for more than the amount of rent which is due from such occupier for the building or land in respect of which such expenses are payable at the time of the demand made upon him, or which, at any time after such demand and notice not to pay the same to his landlord, has accrued and become payable by such occupier, unless he neglect or refuse, upon application made to him for that purpose by the Municipal Council, truly to disclose the amount of his rent, and the name and the address of the person to whom such rent is payable; but the burden of proof that the sum demanded of any such occupier is greater than the rent which was due by him at the time of such demand or which has since accrued, shall be upon such occupier:

Provided that nothing herein contained shall be taken to affect any special contract made between any such occupier and the owner respecting the payment of the expense of any such works as aforesaid.

157. Whenever default is made by the owner of any building or land in the execution of any work required to be executed by him, the occupier of such building or land, may, with the approval of the Municipal Council, cause such work to be executed, and the expense thereof shall be paid to him by the owner, or the amount may be deducted out of the rent from time to time becoming due from him to such owner.

158. If the occupier of any building or land prevent the owner thereof from carrying into effect, in respect of such building or land, any of the provisions of this Regulation, after notice of his intention so to carry them into effect has been given by the owner to such occupier, any Magistrate upon proof thereof, and upon application of the owner, may make an order in writing requiring such occupier to permit the owner to execute all such works, with respect to such building or land, as may be necessary for carrying into effect the provisions of this Regulation, and may also, if he thinks fit, order the occupier to pay to the owner the costs relating to such application or order; and if, after the expiration of eight days from the date of the order, such occupier continue to refuse to permit such owner to execute such work, such occupier shall for every day during which he so continues to refuse be punished with fine which may extend to fifty rupees; and every such owner, during the continuance of such refusal, shall be discharged from any penalties to which he might otherwise have become liable by reason of his default in executing such works.

159. It shall be lawful for the president or vice-president, or any councillor or officer authorised by the Municipal Council for such purposes, to enter for the purposes of this Regulation, between sunrise and sunset, into and upon any building or land, as well for the purpose of making any survey or inspection they may be entitled to make as for the purpose of executing any work authorised by this Regulation to be executed by them.

Provided that, except when herein otherwise provided, no building or land which may be occupied at the time shall be entered unless with the consent of the occupier thereof, without twenty-four hours' written notice thereof having been given to the said occupier.

paid, that, in the case of buildings used as human dwellings, due regard shall be paid to religious customs of the occupiers.

arises with respect to any compensation, damages, costs or expenses which are by this Regulation, directed to be paid, the amount, and if necessary the apportionment of the same, shall be ascertained and determined by a Panchayat of five persons. Two by the Municipal Council, two by the party to receive compensation, and one member, shall be selected by the members already

(3) In the event of the Panchayat not giving a decision within one month from the date of the selection of the presiding member, or of the appointment by the District Court of such members as may be necessary to constitute the Panchayat, the matter shall, on application by either party, be determined by the District Court which shall, in cases in which the compensation is claimed in respect of land, follow as far as may be the procedure provided by the Land Acquisition Regulation, 1894, for proceedings in matters referred for the determination of the Court.

Provided that

- (a) no application to the Deputy Commissioner for a reference shall be necessary, and
- (b) the Courts shall have full power to give and apportion the costs of all proceedings in any manner it thinks fit.

CHAPTER X—PROSECUTIONS, SUITS AND POWERS OF POLICE.

161. (1) The Municipal Council may direct any prosecution for any public nuisance whatever, and may order proceedings to be taken for the recovery of any penalties, and for the punishment of any persons offending against the provisions of this Regulation, or of any by-law thereunder, and may order the expenses of such prosecutions or other proceedings to be paid out of the municipal fund.

Provided that no prosecution for an offence under this Regulation shall be instituted except within six months next after the commission of such offence.

(2) Any prosecution under this Regulation or under any by-laws thereunder may, save as therein otherwise provided, be instituted before any Magistrate, and every fine or penalty imposed under or by virtue of this Regulation or any by-law thereunder, and also all claims to compensation or other expenses for the recovery of which no special provision is otherwise made in this Regulation, may be recovered on application to such Magistrate, by the distress and sale of any movable property within the limits of his jurisdiction belonging to the person from whom the money is claimable.

162. No distress levied by virtue of this Regulation shall be deemed unlawful, nor shall any party making the same be deemed a trespasser, on account of any defect or want of form in any summons, conviction or warrant of distress, or other proceeding relating thereto, nor shall such party be deemed a trespasser *ab initio* on account of any irregularity afterwards committed by him; but all persons aggrieved by such irregularity may recover full satisfaction for the special damage in any Court of competent jurisdiction.

163. If through any act, neglect or default, on account whereof any person shall have incurred any penalty imposed by or under this Regulation, any damage to the property of the Municipal Council shall have been committed by such person, he shall be liable to make good such damage as well as to pay such penalty, and the amount of damage shall, in case of dispute, be determined by the Magistrate by whom the person incurring such penalty is convicted, and on non-payment of such damage on demand the same shall be levied by distress, and such Magistrate shall issue his warrant accordingly.

164. In lieu of proceeding by distress and sale, or in case of failure to realise by so proceeding the whole or any part of any amount recoverable under the provisions of Chapter VIII, or of any compensation, expenses, charges or damages awarded under this Regulation, it shall be lawful for the Municipal Council to sue in any Court of competent jurisdiction the person liable to pay the same, as also any other person who may have in any other way caused, or may appear likely to cause, any injury to any property, rights or privileges of the Municipal Council.

165. (1) The Municipal Council may compound or compromise in respect of any suit instituted by or against them, or in respect of any claim or demand arising out of any contract entered into by them under this Regulation, for such sum of money or other compensation as they shall deem sufficient.

Provided that, if any sanction in the making of any contract is required by this Regulation, the like previous sanction shall be obtained for compounding or compromising any claim or demand arising out of such contract.

(2) The Municipal Council may make compensation out of the municipal fund to any person sustaining any damage by reason of the exercise of any of the powers vested in them, their officers, and servants under this Regulation.

166. For the purpose of the recovery of any amount due on account of rent from any person to a Municipal Council in respect of any land vested in such Municipal Council, the Municipal Council shall be deemed to be superior holders, and every such person an inferior holder, of such land, within the meaning of sections 97 and 98 of the Mysore Land Revenue Code, 1888, and the Municipal Council, as superior holders, shall be entitled, for the recovery of every such amount, to all the assistance to which under the said sections superior holders are entitled for the recovery of rent or land revenue payable to them by inferior holders.

167. No suit shall be commenced against any Municipal Council, or against any officer or servant of a Municipal Council, or any person acting under the orders of a Municipal Council, for anything done, or purporting to have been done, in pursuance of this Regulation, without giving to such Municipal Council, officer, servant or person one month's previous notice in writing of the intended suit and of the cause thereof, nor after six months from the date of the act complained of ;

and in the case of any such suit for damages, if tender of sufficient amends shall have been made before the action was brought, the plaintiff shall not recover more than the amount so tendered, and shall pay all costs incurred by the defendant after such tender.

168. (1) Any Police officer may arrest any person committing in his view any offence against any of the provisions of this Regulation, or of any by-law thereunder, if the name and address of such person be unknown to him, and if he decline to give his name and address, or if the Police officer have reason to doubt the accuracy of such name and address if given, and such person may be detained at the station-house until his name and address shall be correctly ascertained.

Provided that no person arrested shall be detained without the order of a Magistrate longer than shall be necessary for bringing him before a Magistrate, or than twenty-four hours at the utmost.

(2) It shall also be the duty of all Police officers to give immediate information to the Municipal Council of the commission of any offence against the provisions of this Regulation, or of any by-law thereunder, and to assist all municipal officers and servants in the exercise of their lawful authority.

CHAPTER XI—MUNICIPAL ACCOUNTS.

169. (1) Every Municipal Council shall have prepared and laid before them, at their periodical general meetings, complete accounts of the receipts and expenditure of the Municipal Council, since the 1st day of July last preceding, and at a general meeting which shall, if possible, be held on such day between the 1st February and the 1st April as may be fixed in this behalf by the rules of the Municipal Council, a complete account of the actual and expected receipts and expenditure for the financial year ending on the 30th June next following, together with a budget estimate of the income and expenditure of the Municipal Council for the financial year to commence on the 1st July next following.

(2) The Municipal Council shall thereupon decide upon the appropriations, and the ways and means contained in the budget of the year to commence on the 1st July next following. The budget as passed by the Municipal Council shall be sent to the Deputy Commissioner, who shall submit the same to Government with his remarks, if any ; and it shall be competent to the Government to sanction the budget with such modifications if any as it deems fit. The budget so sanctioned may be varied or altered from time to time, as circumstances may render desirable, at a special general meeting called for the purpose, and subject to the sanction of Government obtained as aforesaid. No expenditure shall be incurred unless provided for in a budget so sanctioned or varied or altered.

(3) The Municipal Council shall, at the general meeting in July, or after audit of the past year's accounts, if such audit has not before that general meeting taken place, pass the accounts of the past year.

170. (1) The municipal accounts shall from time to time, and once in every year at the least, be audited by such agency as may be prescribed in the rules of the Municipal Council, or if the Government so direct, by a Government auditor.

(2) The auditor or auditors shall, for the purposes of their office, have access to all the accounts and other records of the Municipal Council.

(3) The Municipal Council shall pay from the municipal fund such charges for the audit as may be agreed upon, or if the auditor is a Government auditor, then such charges as may be prescribed by the Government.

246

171. The Municipal Council shall, as soon as the annual accounts have been finally passed by them, transmit to the Government, or any officer duly authorised by it, in this behalf, a copy thereof, or an account in such form as the Government may prescribe, and shall furnish such details and vouchers relating to the same as the Government or such officer may from time to time direct.

Transmission of accounts to Government.

172. The quarterly and annual accounts of receipts and expenditure, and the budget when sanctioned, shall be open to public inspection, and shall be published in such manner as the Municipal Council may prescribe in this behalf.

Publication of accounts.

CHAPTER XII—CONTROL.

Deputy Commissioner's powers of inspection and supervision.

173. (1) The Deputy Commissioner shall have power—

- (a) to enter on and inspect, or cause to be entered on and inspected, any immovable property occupied by any Municipal Council, or any work in progress under them or under their direction;
- (b) to call for any extract from the proceedings of any Municipal Council or of any committee, or for any book or document in the possession of or under the control of a Municipal Council, and any return, statement, account, or report which he may think fit to require such Municipal Council to furnish;
- (c) to require a Municipal Council to take into their consideration any objection which appears to him to exist to the doing of anything which is about to be done or is being done by such Municipal Council, or any information which he is able to furnish and which appears to him to necessitate the doing of a certain thing by the Municipal Council, and to make a written reply to him within a reasonable time stating their reasons for not desisting from doing, or for not doing, such thing.

(2) All or any of the powers given to the Deputy Commissioner by this section may be delegated by him to the Assistant Commissioner in charge of a taluk in so far as concerns any Municipal Council other than a City Municipal Council in such taluk.

174. (1) If, in the opinion of the Deputy Commissioner, the execution of any order or resolution of a Municipal Council, or the doing of anything which is about to be done or is being done by or on behalf of a Municipal Council, is causing or is likely to cause injury or annoyance to the public, or to lead to a breach of the peace, or is unlawful, he may, by order in writing under his signature, suspend the execution or prohibit the doing thereof.

SCHEDULES.

THE MYSORE MUNICIPAL REGULATION.

NO. VII OF 1906.

PASSED ON THE 16TH DAY OF OCTOBER 1906

A Regulation for the better management of Municipal affairs in Mysore.

WHEREAS it is expedient to make better provision for the management of municipal affairs in cities and towns in Mysore: His Highness the Maharaja is pleased to enact as follows:—

CHAPTER I.—PRELIMINARY.

Short title:

1. (1). This Regulation may be cited as the Mysore Municipal Regulation, 1906.

Local extent:

(2) It extends to the whole of Mysore.

Commencement:

(3) It shall come into force on the first day of January 1907.

2. The Bangalore Municipal Regulations of 1871 and Regulations III of 1888, I of 1890, VII of 1899 and VIII of 1900 are hereby repealed.

Provided that—

(a) the said repeal shall not affect the validity or invalidity of anything already done under any of the said enactments;

Saving clause.

(b) all municipalities constituted, municipal commissioners appointed or elected, committees established, limits defined, appointments, rules, orders and by-laws made, notifications and notices issued, taxes and rates imposed, contracts entered into, and suits and other proceedings instituted, under the said Regulations or under any enactments thereby repealed, shall, so far as may be, be deemed to have been respectively constituted, appointed, elected, established, defined, made, issued, imposed, entered into and instituted under this Regulation; and

(c) any enactment in force in Mysore, or document referring to any such repealed enactment, shall, so far as may be, be construed to refer to this Regulation or to the corresponding portion thereof.

3. In this Regulation and in the schedules, unless there be something repugnant in the subject or context—

Interpretation section.

(1) "City Municipal Council" shall mean

(a), either the City Municipal Council of Bangalore or Mysore, as the case may be, or

(b) one which has been declared under sub-section (1) of section 181 a City Municipal Council,

and which has not ceased, under sub-section (2) of section 181, to be a City Municipal Council.

(2) "Councillor" shall mean any person legally a member of a Municipal Council constituted under this Regulation.

(3) "Judge" shall mean District Judge, Judge of a Court of Small Causes, Subordinate Judge, or Munsiff.

(4) "Municipality" shall mean any local area which is at present a municipality under the enactments repealed by section 2 of this Regulation, and any local area which may hereafter be constituted a municipality under section 4; if such municipality has not ceased to exist under the provisions of the said section.

(5) "Land" shall include land which is built upon or covered with water.

(6) "Building" shall include any hut, shed, or other enclosure, whether used as a human dwelling or otherwise, and shall include also walls, verandahs, fixed platforms, plinths, door-steps, and the like.

(7) "Owner" shall include the person for the time being receiving the rent of lands and buildings, or either of them, whether on his own account, or as agent or trustee for any other person or for any society, or for any religious or charitable purposes, or who would so receive the rent if such land or building were let to a tenant : Provided that no person receiving the rent of any land or building as agent or trustee for another person, shall be liable to do anything by this Regulation required to be done by the owner of such land or building which may involve expenditure on the part of such owner, unless he have funds of, or due to, the owner sufficient to pay for the same ; nor shall he be subject to any penalty for omitting to do such act, if he can prove that the default was occasioned by reason of his not having funds of, or due to, the owner sufficient to defray the expense of doing the act required.

(8) "Salaried servant of Government" shall not include a retired servant of Government in receipt of a pension, or a person in receipt of a salary from Government who is not a full-time servant of Government.

(9) "Official year" shall mean the year commencing on the first day of July.

(10) "Annual letting value" shall mean the annual rent for which any building or land, exclusive of furniture or machinery contained or situated therein or thereon, might reasonably be expected to let from year to year.

(11) "Street" shall mean any road, footway, square, court, alley or passage, accessible whether permanently or temporarily to the public, whether a thoroughfare or not ; and shall include every vacant space, notwithstanding that it may be private property, and partly or wholly obstructed by any gate, post, chain or other barrier, if houses, shops or other buildings abut thereon, and if it is used by any persons as a means of access to or from any public place or thoroughfare, whether such persons be occupiers of such buildings or not, but shall not include any part of such space which the occupier of any such building has a right at all hours to prevent all other persons from using as aforesaid.

(12) "Public street" shall mean any street—

(a) over which the public have a right of way, or

(b) heretofore levelled, paved, metalled, channelled, sewered or repaired, out of municipal or other public funds, or

(c) which under the provisions of section 90 is declared by the Municipal Council to be, or under any other provisions of this Regulation becomes, a public street.

(13) "Tax" shall include any toll, rate, cess, fee or other impost leviable under this Regulation.

(14) "Nuisance" shall include any act, omission, place or thing which causes or is likely to cause injury, danger, annoyance or offence to the sense of sight, smelling or hearing, or which is or may be dangerous to life or injurious to health or property.

(15) "Dangerous disease" shall mean cholera, plague, small-pox, and any endemic, epidemic, or infectious disease by which the life of man is endangered.

(16) "Vehicle" shall include bicycles, tricycles and automotor cars, and every wheeled conveyance which is used or capable of being used on a public street.

(17) "Public securities" shall mean—

(a) securities of the Government of India,

(b) securities of the Government of Mysore,

(c) debentures or other securities for money issued by or on behalf of any local authority in exercise of powers conferred by a law in force in Mysore, or

(d) a security expressly authorised by any order which the Government makes in this behalf.

CHAPTER II—CONSTITUTION OF MUNICIPAL COUNCILS.

(1) *Municipalities.*

4. (1) Subject to the provisions of sections 6, 7 and 8, the Government may from time to time, by notification in the Official Gazette, declare any local area to be a municipality, and may from time to time, by a like notification, extend, contract or otherwise alter the limits of any municipality, or declare that any local area shall, from a date to be specified in the notification, cease to be a municipality.

Delimitation of municipalities.

Limits to be specified in notification.

(2) Every such notification constituting a new municipality, or altering the limits of an existing municipality, shall clearly set forth the local limits of the area to be included in or excluded from such municipality, as the case may be.

Erection and maintenance of boundary marks.

(3) It shall be the duty of the Municipal Council in every municipality already existing and of every Municipal Council newly constituted under this Regulation, and of every Municipal Council whose local limits are altered as aforesaid, to cause, at their own cost, to be erected or set up, if and when so required by the Deputy Commissioner, and thereafter to maintain, at their own cost, substantial boundary marks of such description and in such positions as shall be approved by the Deputy Commissioner, defining the limits or the altered limits of the municipality subject to their authority, as set forth in the notification.

Property and rights of Municipal Council which has ceased to exist to vest in Government.

(4) When any local area ceases to be a municipality, the Municipal Council constituted therein shall cease to exist, and the property and rights vested in any such Municipal Council shall, subject to all charges and liabilities affecting the same, vest in the Government, and the proceeds thereof, if any, shall be expended under the orders of the Government for the benefit of the local area in which such Municipal Council had jurisdiction.

Municipalities to be periodical or permanent.

5. Municipalities constituted under section 4 may be either periodical or permanent.

6. Any local area in which a periodical fair is held or which is visited periodically by pilgrims, together with any neighbouring local area to which the people attending such fair or the pilgrims resort whilst such fair or pilgrimage lasts, may be declared a periodical municipality at and throughout certain specified recurring seasons.

What local areas may be declared to be permanent municipalities.

7. (1) Any local area which comprises:—

(a) a city, town or station or two or more neighbouring cities, towns and stations, with or without any village, suburb, or land adjoining thereto, or:

(b) a village or suburb or two or more neighbouring villages and suburbs, may be declared a permanent municipality:

Provided that, except for exceptional reasons, which shall be clearly set forth in the proclamation under section 8 and in the notification issued under section 4, it shall not be lawful—

(i) to include any city, town, station or suburb in a permanent municipality with any other city, town, station or suburb from which it is separated by an extent of more than one mile of land unoccupied by houses; or

(ii) to constitute any municipality in any area of which the population is less than two thousand.

(2) When two or more places bearing different names or formed into one municipality, the name of the municipality shall be determined by the Government.

Naming of municipalities comprising two or more places.

8. (1) Not less than two months before the publication of any notification declaring any local area a permanent municipality, or altering the limits of any such municipality, or declaring that any local area shall cease to be a municipality, the Government shall cause to be published in the Official Gazette, in English and Kanarese, and to be posted up in conspicuous spots in the said local area in Kanarese, a proclamation announcing that it is proposed to constitute

Permanent municipalities.

such local area a municipality, or to alter the limits of the municipality in a certain manner, or to declare that such local area shall cease to be a municipality, as the case may be, and requiring all persons who entertain any objection to the said proposal to submit the same, with the reasons therefor, in writing to the Deputy Commissioner within two months from the date of the said proclamation, and whenever it is proposed to add to or exclude from a municipality any inhabited area, it shall be the duty of the Municipal Council also to cause a copy of such proclamation to be posted up in conspicuous places in such area.

(2) The Deputy Commissioner shall, with all reasonable despatch, forward every objection so submitted to Government.

(3) No such notification as aforesaid shall be issued by the Government unless the objections, if any, so submitted are, in its opinion, insufficient or invalid.

(2) *Municipal Councils.*

9. In every municipality there shall be a Municipal Council, and every such Municipal Council shall be a body corporate by the name of "The Municipal Council of—", and shall have perpetual succession and a common seal, and may sue and be sued in their corporate name.

Constitution and incorporation of Municipal Councils.

Municipal Councils to consist of elected and nominated councillors.

10. (1) Except as is hereinafter otherwise provided, every such Municipal Council shall consist of—

- (a) elected councillors;
- (b) nominated councillors, if any, that is to say, such persons as from time to time—
 - (i) are by name appointed in this behalf, or
 - (ii) are executing the functions of any office from time to time notified in this behalf, by the Government.

Provided that the number of elected councillors shall be not less than one-third of the whole number, inclusive of the president, and that not more than one-half of the nominated councillors shall be salaried servants of Government.

In specified proportions.

(2) Any vacancies due to failure to elect the full number of elected councillors which under this section might be elected, may, notwithstanding anything in this Regulation contained, be filled up by nomination by the Government.

Government may determine the number of councillors; fix proportion of elected and nominated councillors; and make rules for regulating elections.

11. The Government shall from time to time, generally or specially for each Municipal Council—

- (a) determine the number of councillors;
- (b) fix, subject to the provisions of the last preceding section, the proportion of the councillors, if any, who shall be nominated;
- (c) make rules consistent with this Regulation, for—
 - (i) fixing the dates and the time and manner of holding elections, general or casual, of councillors to be elected;
 - (ii) prescribing the number to be elected by the rate-payers, or by sections of the inhabitants, or by public bodies or associations, if any, and the qualifications of candidates and of voters other than as hereinafter provided;
 - (iii) preparing and revising the lists of voters from time to time, fixing the date after which no application for enrolment in any such list under preparation or revision shall be received, declaring the manner in which the right to vote of any undivided family, or any company or firm, or any other association or body of individuals, or any trustees of any building or land, being two or more in number, entered in such list, may be recorded and exercised, and prescribing the restrictions, if any, on the number of votes which a voter may give;
 - (iv) determining the manner in which and the authority by whom any objection to such lists in regard to the names entered therein or omitted therefrom may be heard and decided, and to what authority the appeals as to such entries and omissions shall lie;
 - (v) prescribing the date, subject to the provisions of sub-section (1) of section 13 for the publication of the Municipal Election Roll;
 - (vi) regulating generally such elections.

12. Subject to the provisions of section 13 and to the disqualifications mentioned in section 15 and sub-sections (3) and (6) of section 22 as regards candidates, and in section 21 as regards voters,

Proviso as to admission of certain qualification.

(a) every Graduate of any University, and

(b) every Advocate of the Chief Court,

who, for a period of not less than six months next preceding the date on which by the said rules a list of voters is required to be prepared or revised in a municipality for election purposes, has been resident in that municipality, and,

(c) every person who, for the like period, has been paying taxes, other than octroi or toll, imposed in that municipality, of an amount not less than such minimum as shall for the time being be fixed for that municipality by the Government,

shall be qualified to be a candidate, and to be entered in the list of voters for the said municipality.

13. (1) When, in accordance with rules framed under sub-clauses (iii) and (iv) of clause

Operation of lists.

(c) of section 11, a list of voters has been prepared or, upon a general revision, completed, a copy thereof signed by such person as may be designated in this behalf in the rules aforesaid, shall be the Municipal Election Roll. A new Election Roll shall be published in each year on such date as may be prescribed by the Rules, and shall continue in operation for a period of twelve months from that day.

Provided that if a new Election Roll is not published in any year before the date prescribed, the Roll then in operation shall continue in operation until the new Roll is published.

(2) At every election of councillors every person enrolled in the Municipal Election Roll

Right to vote to depend on entry in roll.

as for the time being in operation under sub-section (1), shall be deemed to be entitled to vote, and every person not so enrolled shall be deemed to be not entitled to vote.

14. (1) (a) Nothing in the four sections last preceding shall apply to any permanent

Constitution of Municipal Council, in exceptional cases.

municipality to which, owing to the smallness of such municipality, or to the backward state or indifference of its inhabitants, or for other such exceptional reason, the Government shall, in a notification setting forth such reasons and published in the Official Gazette, at any time declare the provisions of the said sections to be unsuitable.

(b) In any such municipality the Municipal Council shall consist either entirely of nominated councillors, or partly of nominated and partly of elected councillors, in such proportions, and appointed or elected by such persons, in such manner, and subject to such conditions, as the Government in the notification published under clause (a), or in any subsequent notification published as aforesaid, shall think fit to prescribe.

(c) It shall be competent to the Government at any time to alter or rescind any notification issued by it under this section; and in the event of any notification under clause (a) being rescinded, the Municipal Council affected thereby shall, from a date to be fixed in this behalf by the Government, be constituted in accordance with the four sections last preceding.

(2) The powers and duties conferred and imposed by this Regulation on Municipal

Periodical Municipal Councils.

Councils shall, in a periodical municipality, be respectively exercised and discharged by a neighbouring Municipal Council nominated in this behalf by Government, or by a Municipal Council specially constituted for the time being and consisting of such councillors nominated in such manner as the Government directs.

(3) If in any periodical municipality, any tax has been or shall have been imposed, or

Taxes, rules and by-laws in periodical municipalities.

any rule or by-law has been or shall have been made, under the provisions of this Regulation, such tax, unless and until it has been modified, suspended or abolished, shall be leviable, and such rule or by-law, unless and until it has been altered or rescinded, shall have effect, in such municipality throughout each recurring season during which the municipality is, by virtue of a declaration under section 6, a periodical municipality.

(3) *Municipal Councillors.*

General disqualifications for becoming a councillor.

15. (1) No person may be a councillor,—

(a) who,

(i) having been sentenced by a Criminal Court to imprisonment or whipping for an offence punishable with imprisonment for a term exceeding six months, or to transportation, such sentence not having been subsequently reversed or quashed, or

(ii) having been dismissed from Government service, such dismissal having been notified as debarring him from re-employment, or

(iii) being a legal practitioner whose sannad has been withdrawn by the Chief Court, or

(iv) having been removed from office under section 16,

has not, by an order which the Government is hereby empowered to make, if it shall think fit, in this behalf, been relieved from disqualification arising on account of such sentence or dismissal, or withdrawal of sannad or removal from office, or

(b) who has been declared an insolvent, or

(c) who is less than twenty-one years of age, or who is of the female sex, or

(d) who is a Judge;

and no person,

(e) who is a subordinate officer or servant of a Municipal Council, or

(f) who, save as hereinafter provided, has directly or indirectly, by himself or his partner, any share or interest in any work done by order of a Municipal Council, or in any contract or employment with, or under, or by, or on behalf of a Municipal Council,

may be a member of such Municipal Council.

Provided that—

a person shall not be deemed to have incurred such disqualification or to have any share or interest in any such work or in any such contract or employment, by reason only of his—

(i) having any share or interest in any lease, sale or purchase of any immovable property or in any agreement for the same,

(ii) having a share in any joint-stock company which shall contract with, or be employed by, or on behalf of, the Municipal Council, or

(iii) having a share or interest in any newspaper in which any advertisement relating to the affairs of the Municipal Council may be inserted, or

(iv) holding a debenture or being otherwise interested in any loan raised by or on behalf of the Municipal Council, or

(v) being professionally engaged on behalf of the Municipal Council as a legal practitioner, or

(vi) having a share or interest in the occasional sale of any article in which he regularly trades, to the Municipal Council, to a value not exceeding, in any one official year, such amount as the Municipal Council, with the sanction of Government, may fix in this behalf, or

(vii) being a party to any agreement made with the Municipal Council under the provisions of section 71 or of proviso (a) to sub-section (1) of section 156.

Disabilities from continuing a councillor.
1or.

(2) If any councillor during the term for which he has been elected or appointed—

(a) becomes disqualified under sub-section (1), or

(b) acts as a councillor in any matter—

(i) in which he has directly or indirectly, by himself or his partner, any such share or interest as is described in clauses (i), (ii), (iii), (vi) and (vii) of the proviso to sub-section (1); or

(ii) in which he is professionally interested on behalf of a client, principal or other person, or

(c) departs beyond the limits of Mysore with the declared or known intention of absenting himself continuously for a period exceeding six months, or

(d) by becoming a salaried servant of Government, causes the number of nominated councillors who are salaried servants of Government to exceed the proportion prescribed in the proviso of sub-section (1) of section 10, or

(e) not being a president or vice-president or a salaried servant of Government, fails, without leave from the Municipal Council on that behalf, to attend any meeting of the Municipal Council for a period of four months, provided that there shall have been not less than three such meetings within such period, he shall be disabled from continuing to be a councillor, and his office shall become vacant.

(3) If any question or dispute arises whether a vacancy has occurred under this section, the orders of the Government shall be final for the purpose of deciding such question or dispute.

Power of Government to decide whether vacancy has occurred.

16. The Government, if it thinks fit, on the recommendation of the Municipal Council, may remove any councillor elected or appointed under this Regulation, if such councillor has been guilty of misconduct in the discharge of his duties, or of any disgraceful conduct, or has become incapable of performing his duties as a councillor.

17. Councillors nominated or elected at a general election under this Regulation shall, save as provided in the next following section, or unless they become in the meantime disabled, or are removed from office under section 16, or section 179, hold office for a term of three years, extensible by order of the Government to a term not exceeding in the aggregate four years, if on any occasion the Government shall think fit, for reasons which shall be notified together with the order in the Official Gazette, so to extend the same.

18. In the event of the death, resignation, disqualification, disability or removal of a councillor previous to the expiry of his term of office, the vacancy shall be filled up, as soon as it conveniently may be, by the election or appointment, as the case may be, of a person thereto, who shall hold office so long only as the councillor in whose place he is elected or appointed would have held it if the vacancy had not occurred.

19. A person who has already been elected or appointed a councillor on one or more occasions shall, if otherwise duly qualified, be eligible at any time for re-election or re-appointment.

20. The names of all councillors finally elected to any Municipal Council as well as the names of the nominated councillors, if any, appointed thereto, shall be published, as soon as conveniently may be, in the Official Gazette.

(4) Municipal Elections.

21. No person who is less than twenty-one years of age shall be entitled to vote at any municipal election.

22. (1) If the validity of any election of a councillor is brought in question by any person qualified either to be elected or to vote at the election to which such question refers, such person may, at any time within ten days after the date of the declaration of the result of the election, apply to the District Judge of the district within which the election has been or should have been held.

(2) The District Judge or such other Judge as may be appointed by the Government in this behalf may, after such inquiry as he deems necessary, and subject to the provisions of sub-section (3), pass an order confirming or amending the declared result of the election, or setting the election aside. For the purposes of the said inquiry the said Judge may summon and enforce the attendance of witnesses, and compel them to give evidence as if he were a Civil Court, and he may also direct by whom the whole or any part of the costs of any such inquiry shall be paid, and such costs shall be recoverable as if they had been awarded in a suit under the Code of Civil Procedure. The decision or order shall be conclusive. If he sets aside an election, a date shall forthwith be fixed and the necessary steps taken for holding a fresh one.

(3) (a) The Judge, if satisfied that a candidate has, within the meaning of sub-section (4), committed any corrupt practice for the purpose of the election, shall declare the candidate disqualified both for the purpose of that election and of such fresh election as may be held under sub-section (2), and shall set aside the election of such candidate if he has been elected.

(b) If in any case to which clause (a) does not apply, the validity of an election is in dispute between two or more candidates, the Judge shall, after a scrutiny and computation of the votes recorded in favor of each such candidate, declare the candidate who is found to have the greatest number of valid votes in his favor, to have been duly elected.

Provided that for the purpose of such computation no vote shall be reckoned as valid if the Judge finds that any corrupt practice was committed by any person, known or unknown, in giving or obtaining it.

(4) A person shall be deemed to have committed a corrupt practice within the meaning of the last preceding sub-section,

What is a corrupt practice.

(i) who with a view to inducing any voter to give or to refrain from giving a vote in favor of any candidate, offers or gives any money or valuable consideration,

or holds out any promise of individual profit, or holds out any threat of injury, to any person, or,

- (ii) who gives, procures, or abets the giving of a vote in the name of a voter who is not the person giving such vote.

And a corrupt practice shall be deemed to have been committed by a candidate, if it has been committed with his knowledge and consent, or by a person who is acting under the general or special authority of such candidate with reference to the election.

Candidate when deemed to have committed corrupt practice.

EXPLANATION.—A “promise of individual profit” includes a promise for the benefit of the person himself, or of any one in whom he is interested. It does not include a promise to vote for or against any particular municipal measure.

Promise of individual profit.

ular municipal measure.

(5) If the validity of the election is brought in question only on the ground of an error by the officer or officers charged with carrying out the rules made under clause (c) of section 11, or of an irregularity or informality not corruptly caused, the Judge shall not set aside the election.

Mere irregularities and informalities not to invalidate election.

(6) If the Judge sets aside an election under clause (a) of sub-section (3), he may, if he thinks fit, declare any person by whom any corrupt practice has been committed within the meaning of this section, to be disqualified from being a candidate in that or any other municipality for a term of years not exceeding seven, and the Judge's decision shall be conclusive: provided, however, that such person may, by an order which the Government is hereby empowered to make, if it shall think fit, in that behalf, be at any time relieved from such disqualification.

Disqualification of candidate for corrupt practice.

Presidents and Vice-Presidents.

23. (1) For every Municipal Council there shall be a president and, if and whenever Government so directs, one or more than one vice-president. Where there are more vice-presidents than one, the Government may direct which of them is the senior for the purpose of this Regulation.

Every Municipal Council to have a president and, if Government so directs, one or more vice-presidents.

(2) The president and the vice-president or vice-presidents shall be selected from among the councillors; and for this purpose may be either—

Presidents and vice-presidents how to be selected.

(a) appointed by the Government by name; or

(b) appointed by the Government ex-officio, that is to say, as executing the functions of any office which the Government from time to time notifies in this behalf; or

(c) if the Government so directs, elected by the Municipal Council.

(3) When an office has been notified under clause (b) of sub-section (2), the person from time to time executing the functions of that office shall be and shall continue to be president or vice-president as the case may be, unless and until such notification is altered or rescinded by the Government.

Effect of notification of ex-officio president or vice-president.

(4) Except in the case of an ex-officio president or vice-president, every president or vice-president who, for a period exceeding three months, shall absent himself from the municipality in such manner as to be unable to perform his duties as such president or vice-president shall cease to be president or vice-president unless leave so to absent himself has been granted—

Consequences of absence of president or vice-president without leave.

(a) by the Government in the case of a president or vice-president appointed under clause (a) of sub-section (2);

(b) by the Municipal Council, in the case of an elected president or vice-president.

(5) Leave under the last preceding sub-section shall not be granted for a period exceeding six months, and whenever leave is granted to a president or vice-president under that sub-section a councillor shall be appointed or elected, as the case may be, to perform all the duties and exercise all the powers of a president or vice-president during the period for which such leave is granted.

Limit to grant of leave, and arrangements pending absence of president or vice-president.

(6) Every president and every vice-president shall be removable from his office as such president or vice-president by the Government for misconduct, or neglect of or incapacity to perform his duty, and the term of office of every president, and of every vice-president,

Liability of president and vice-president to removal, and term of office.

shall cease on the expiry of his term of office as councillor, unless the term for which he shall have been appointed president or vice-president expires sooner.

(7) In the event of the death, resignation or removal from office of a president or vice-president other than an ex-officio president or vice-president, or of his becoming incapable of acting in such office or having ceased to be a councillor under sub-section (2) of section 15, previous to the expiry of his term of office as president or vice-president, the vacancy shall be filled up by the appointment or election, as the case may be, of some other councillor thereto.

Functions of presidents.

24. (1) It shall be the duty of the president of a Municipal Council to—

(a) preside, unless prevented by reasonable cause, at all meetings of the Municipal Council, and, subject to the provisions of the rules for the time being in force under clause (a) of section 46, to regulate the conduct of business at such meetings;

(b) watch over the financial and executive administration of the Municipal Council, and, subject to the rules of the Municipal Council at the time being in force, to perform such executive functions as may be performed by or on behalf of the Municipal Council over which he presides;

(c) exercise supervision and control over the acts and proceedings of all officers and servants of the Municipal Council in matters of executive administration and in matters concerning the accounts and records of the Municipal Council; and, subject to the rules of the Municipal Council at the time being in force, to dispose of all questions relating to the service of the said officers and servants, and their pay, privileges and allowances;

(d) furnish to the Deputy Commissioner, or to such other officer as the Deputy Commissioner shall from time to time nominate in this behalf, a copy of every resolution passed at any meeting of the Municipal Council and any extract from the minutes of the proceedings of the Municipal Council or of any committee or other document or thing which the Deputy Commissioner from time to time calls for under section 173.

(2) When there is an equality of votes of the councillors present for and against any proposition under consideration, the president shall have a second or casting vote.

President in what cases to have a casting vote.

25. (1) It shall be the duty of a vice-president of a Municipal Council to exercise such of the powers and perform such of the duties of the president as the president from time to time deposes to him.

Functions of vice-presidents.

(2) It shall be the duty of the vice-president, or, if there are more vice-presidents than one, of the senior vice-president present,—

(a) in the absence of the president and unless prevented by reasonable cause, to preside at the meetings of the Municipal Council, and he shall when so presiding exercise the same authority as is vested in the president under clause (a) of sub-section (1) of section 24; and

(b) pending the succession, appointment, or election of a president, or during the absence of a president on leave, to exercise the powers and perform the duties of the president.

CHAPTER III.—CONDUCT OF BUSINESS.

Municipal Meetings.

Provisions in regard to meetings of a Municipal Council.

26. The following provisions shall be observed with respect to the meetings of a Municipal Council:—

(1) Except in the case of periodical Municipal Councils, there shall be held an ordinary general meeting in each month for the disposal of general business. In the case of every periodical Municipal Council there shall be such and so many ordinary general meetings, as the president thereof shall from time to time determine. It shall be the duty of the president to fix the dates for all ordinary general meetings.

Ordinary general meetings.

(2) The president may, whenever he thinks fit, and shall, upon the written request of not less than one-third of the councillors, call a special general meeting.

Special general meetings.

(3) Seven clear days' notice of an ordinary general meeting, and three clear days' notice of a special general meeting, specifying the time and place at which such meeting is to be held and the business to be transacted thereat, shall be circulated to the councillors, and posted up at the municipal office or some other public building in the municipality. The said notice shall include any motion or proposition which a councillor shall have given written notice, not less than ten days previous to the meeting, of his intention to bring forward thereat, and, in the case of a

Notice to be given of meetings.

special general meeting, any motion or proposition mentioned in any written request made for such meeting.

(4) Every meeting of a Municipal Council shall, except for reasons to be specified in the notice convening the meeting, be held in the building used as a municipal office by such Municipal Council.

Municipal meetings to be held at Municipal office.

(5) Every meeting shall, if there be no president or vice-president present, be presided over by such one of the councillors present as may be chosen by the meeting to be chairman for the occasion, and such chairman shall exercise thereat the powers vested in the president by clause (a) of sub-section (1) of section 24.

Every meeting how presided over in the absence of the president and vice-president.

(6) Every meeting shall be open to the public unless the presiding authority deems any inquiry or deliberation pending before the Municipal Council such as should be held in private, and provided that the said authority may at any time cause any person to be removed who interrupts the proceedings.

Meeting must ordinarily be open to the public.

(7) If, in the case of a City Municipal Council less than one-third, and in the case of any other Municipal Council less than one-half, of the whole number of councillors be present at a meeting at any time from the beginning to the end thereof, the presiding authority shall adjourn the meeting to such hour on the following or some other future day as he may reasonably fix, and a notice of such adjournment shall be fixed up in the municipal office, and the business which would have been brought before the original meeting, had there been a quorum thereat, shall be brought before the adjourned meeting and may be disposed of at such meeting or at any subsequent adjournment thereof whether there be a quorum present or not.

Number of councillors required to form a quorum.

(8) Except with the permission of the presiding authority, which permission shall not be given in the case of a motion or proposition to modify or cancel any resolution within three months after the passing thereof, no business shall be transacted and no proposition shall be discussed at any general meeting unless it has been mentioned in the notice convening such meeting, or, in the case of a special general meeting, in the written request for such meeting. The order in which any business that may be transacted or any proposition that may be discussed at any meeting in accordance with this sub-section, shall be brought forward at such meeting, shall be determined by the presiding authority, who in case it is proposed by any member to give priority to any particular item of such business, or to any particular proposition, shall put the proposal to the meeting and be guided by the majority of votes given for or against the proposal.

What business to be transacted at meetings, and order of business how to be settled.

(9) In the case of every City Municipal Council there shall be kept in English, and, if the Municipal Council so resolve, in Kanarese also, and in the case of every other Municipal Council there shall be kept in Kanarese, and if the Municipal Council so resolve in English, either in lieu of or in addition to Kanarese, minutes of the names of the councillors and of the Government officers, if any, present under the provisions of sub-section (14), and of the proceedings at each general meeting, in a book to be provided for this purpose, which shall be signed, as soon as practicable, by the presiding authority of such meeting, and shall at all reasonable times be open to inspection by any inhabitant of the municipality.

Minutes of proceedings to be kept.

(10) All questions shall be decided by a majority of votes of the councillors present and voting, the presiding authority having a second or casting vote in all cases of equality of votes. Votes shall be taken and results recorded in such manner as may be prescribed by rules in that behalf for the time being in force under clause (a) of section 46.

All questions must be decided by a majority of votes.

(11) Any general meeting may, with the consent of a majority of the councillors present, be adjourned from time to time; but no business shall be transacted at any adjourned meeting other than that left undisposed of at the meeting from which the adjournment took place.

Adjournments of meetings.

(12) No resolution of a Municipal Council shall be modified or cancelled within three months after the passing thereof, except by a resolution supported by not less than one-half of the whole number of councillors, and passed at a general meeting whereof notice shall have been given, fulfilling the requirements of sub-section (3) and setting forth fully the resolution which it is proposed to modify or cancel at such meeting, and the motion or proposition for the modification or cancellation of such resolution.

Modification and cancellation of resolutions.

(13) Except for reasons which the presiding authority deems emergent, no business relating to any work which is being executed for the Municipal Council by a Government Executive Engineer, or to any educational matter, shall be transacted at any meeting of a Municipal Council unless, at least fifteen days previous to

Notice of business to be transacted must in certain cases be given to the Government Executive Engineer or Educational Inspector.

such meeting, a letter has been addressed to the said Executive Engineer or to the Educational Inspector of the district, informing him of the intention to transact such business thereat, and of the motions or propositions to be brought forward concerning such business.

(14) (a) The Executive Engineer, Educational Inspector and the Civil Surgeon in a district when charged with any of the duties of a health officer therein, if not members of a Municipal Council within the district, shall have the right of being present at any meeting of such Municipal Council, and, with the consent of the Municipal Council, each of them may take part at such meeting in the discussion or consideration of any question, on which, in virtue of the duties of his office, he considers his opinion or the information which he can supply will be useful to such Municipal Council.

Provided that the said officers shall not, unless they are members of the Municipal Council, be entitled to vote upon any such question :

(b) If it shall appear to a Municipal Council that the presence of the Executive Engineer, Educational Inspector, or Civil Surgeon of or in the district, is desirable for the purpose aforesaid at any future meeting of such Municipal Council, it shall be competent to such Municipal Council, by letter addressed to such officer not less than fifteen days previous to the intended meeting, to require his presence, thereat; and the said officer, unless prevented by sickness, or other reasonable cause, shall be bound to attend such meeting.

Provided that such officer on receipt of such letter may, if unable to be present himself, instruct a Deputy or Assistant or other competent subordinate as to his views, and may send him to the meeting as his representative, instead of appearing thereat in person.

EXPLANATION.—The terms “Executive Engineer,” “Educational Inspector” and “Civil Surgeon” in sub-sections (13) and (14) of this section include the principal Engineering, Educational and Medical officer, respectively, in or for the district.

(2) Committees.

27. (1) For every Municipal Council there shall be a committee called the managing committee, consisting of such number of councillors not exceeding nine or less than three as may have been elected for a period not exceeding one year; in accordance with rules under clause (a) of section 46.

Managing committees.

(2) The managing committee shall, subject,

(i) to any limitations prescribed by the Municipal Council specially in this behalf and generally by rules made under clause (a) of section 46, and

(ii) to the provisions of Chapter XIII, exercise all the powers of the Municipal Council.

Provided that no managing committee shall exercise—

(a) any powers in connection with any school or educational institution in respect of which a committee is appointed under section 28, or

(b) any powers with which any committee appointed under section 29 is vested.

28. The Municipal Council may appoint, subject to such limitations as are prescribed by the rules for the time being in force under section 46 and subject also to the proviso contained in section 58, a committee consisting of such councillors as they think fit, for managing all or any primary or other schools vested in or maintained by the Municipal Council or for conducting the business of the Municipal Council in respect of any educational institutions aided by the Municipal Council.

School committees.

29. Subject to the limitations prescribed by the rules aforesaid, the Municipal Council may appoint, for a period not exceeding one year, any such committee or such or so many committees consisting of such councillors as they think fit for any purpose or respectively for any of the purposes, other than those specified in section 28, for which a managing committee may, under section 27, exercise the powers of a Municipal Council, and may invest each committee so appointed with such of the said powers as may be necessary or expedient for the fulfilment of the purpose for which it is appointed.

Other executive committees.

30. The Municipal Council may from time to time appoint such or so many other committees consisting of such councillors as they think fit, and may refer to such committees for enquiry and report, or for opinion, such special subjects relating to the purposes of this Regulation as the Municipal Council shall think fit, and may at any time discontinue, or alter the constitution of, any such committee. The Municipal Council may direct that the report of any such committee shall be made to the managing committee, instead of to the Municipal Council.

Consultative committees.

31. Notwithstanding anything contained in this Regulation, it shall be lawful for the Municipal Council from time to time, by a resolution supported by not less than one-half of the whole number of councillors, to appoint, as members of any committee under section 28, 29 or 30, any persons of either sex, who are not councillors, but who may in the opinion of such Municipal Council possess special qualifications for serving on such committee; provided that the number of persons so appointed on any committee shall not exceed one-third of the total number of the members of such committee.

All the provisions of this Regulation relating to the duties, powers, liabilities, disqualifications and disabilities of councillors shall, save as regards the disqualification on the ground of sex, be applicable so far as may be to such persons.

32. A vacancy occurring in a managing committee shall, as soon as possible, and a vacancy occurring in any other committee may, be filled up by the election of a member from among the general body of councillors, subject to the same provisions as those under which the member whose place is to be filled up was elected. A councillor shall be eligible at any time for re-election as a member of any such committee notwithstanding that he has previously been a member of that committee.

33. (1) The president or a vice-president, if appointed a member of any committee, shall be ex-officio chairman thereof.

(2) The Municipal Council may appoint a chairman for every committee of which there is no ex-officio chairman.

(3) Every committee, of which there is an ex-officio chairman or a chairman appointed by the Municipal Council, shall, at each meeting which such chairman does not attend as chairman, appoint from its members a chairman for such meeting.

(4) Every committee, of which there is no ex-officio chairman or chairman appointed by the Municipal Council, shall appoint from time to time its own chairman from among its own members.

34. (1) The provisions of sub-sections (4), (9), (10) and (14) of section 26 shall be complied with in all proceedings of committees as if meetings of committees were included in all references to meetings of a Municipal Council contained in those provisions, and as if for the words "Municipal Council" where they occur in the proviso to clause (a) of sub-section (14) of section 26, there were substituted the word "committee."

(2) Committees may meet and adjourn as they think proper, but the chairman of the committee may, whenever he thinks fit, and shall, upon the written request of the president of the Municipal Council or of not less than two members of a committee, call a special meeting of such committee.

(3) No business shall be transacted at any committee meeting unless more than one-half of the members of the committee be present thereat.

35. (1) Notwithstanding anything contained in the preceding section, the chairman of the committee, whenever it appears to him unnecessary to convene a meeting, may, instead of so doing, circulate a written proposition of his own, or of any other member of the committee, or of any executive officer of the Municipal Council, for the observation and votes of the members of the committee.

(2) Previous to circulating any such proposition as aforesaid, the chairman may, if he thinks fit, and, if the business to which it relates is of the nature described in sub-section (13) of section 26, shall, obtain thereupon the remarks, if any, which any Government officer, not a councillor, whose presence the Municipal Council would be entitled to require under the provisions of clause (b) of sub-section (14) of section 26, desires to record.

(3) The decision on any proposition so circulated shall be in accordance with the majority of votes of the members of the committee who vote upon it, unless a special meeting is convened to consider the said proposition.

(4) Every decision arrived at by the committee under this section shall be recorded in the minute-book kept under sub-section (9) of section 26.

(5) Notwithstanding anything in this Regulation contained, the Government may by Procedure by circular when applica- notification authorize the adoption by any Municipal Council ble to other municipal business, of any specified in such notification not being a City Municipal Council, of the procedure prescribed by this section, for the disposal of any business, whenever the president of such Municipal Council may deem it unnecessary to convene a general meeting for the purpose of such business.

36. (1) Every committee shall conform to any instructions that may from time to time be given to them by the Municipal Council; the Municipal Council may, at any time, call for any extract from any proceedings of any committee, and for any return, statement, or account or report concerning or connected with any matter with which any committee has been authorized or directed to deal, and every such requisition shall, without unreasonable delay, be complied with by the committee so called upon.

(2) Every order passed by a managing committee or by a committee appointed under section 28 or 29, other than orders under sub-section (3) of section 65, shall be subject to such revision, and open to such appeal, as may be required or allowed in respect thereof by any rules of the Municipal Council for the time being in force under section 46.

(3) *Delegation of powers to individuals.*

37. Any powers or duties or executive functions which may be exercised or performed by or on behalf of the Municipal Council may be delegated, in accordance with rules to be made by the Municipal Council in this behalf, to the president or to the vice-president, or to the chairman of the managing, school, or other committee, or to one or more stipendiary or honorary officers, but without prejudice to any powers that may have been conferred on a Chief Officer of a City Municipal Council under Chapter XIII or on any committee by or under section 27, 28 or 29; and each person who exercises any power or performs any duty or function so delegated, may be paid all expenses necessarily incurred by him therein.

(4) *Validity of Proceedings.*

38. (1) No disqualification of, or defect in the election or appointment of, any person acting as councillor, or as the president or presiding authority of a general meeting or as chairman of a committee appointed under this Regulation, shall be deemed to vitiate any act or proceeding of the Municipal Council or of any such committee, as the case may be, in which such person has taken part, whenever, the majority of persons, parties to such act or proceeding, were entitled to act.

(2) Until the contrary is proved, every meeting of the Municipal Council or of a committee appointed under this Regulation, in respect of the proceedings whereof a minute has been made and signed in accordance with this Regulation, shall be deemed to have been duly convened and held, and all the members of the meeting shall be deemed to have been duly qualified; and where the proceedings are the proceedings of a committee, such committee shall be deemed to have been duly constituted and to have had the power to deal with the matters referred to in the minute.

(3) During any vacancy in a Municipal Council or committee the continuing councillors or members may act as if no vacancy had occurred.

Vacancy not to affect Municipal Council's proceedings.

(5) *Joint transactions with other Bodies.*

39. A Municipal Council may from time to time—
(a) join with any other Municipal Council or with any District Board, or with more than one such Municipal Council or Board,

(i) in appointing out of their respective bodies a joint committee for any purpose in which they are jointly interested, and in appointing a chairman of such committee; and

(ii) in delegating to any such committee power to frame terms binding on each such body as to the construction and future maintenance of any joint work, and any power which might be exercised by either or any of such bodies; and

(iii) in framing and modifying rules for regulating the proceedings of any such committee relating to the purpose for which the committee is appointed; and

(b) enter, subject to the sanction of the Government, into an agreement with a Municipal Council, regarding the levy of octroi duty, whereby the octroi duties respectively leviable by the bodies so contracting,

may be levied together instead of separately within the limits of the area subject to the control of the said bodies.

If any difference of opinion arises between local bodies acting under this section, the decision thereupon of the Government, or of such officer as it appoints in this behalf, shall be final.

(6) *Contracts.*

40. (1) Every Municipal Council shall be competent, subject to the restrictions contained in sub-section (2), to lease, sell or otherwise transfer any movable or immovable property which may, for the purposes of this Regulation, have become vested in or been acquired by them, and, so far as is not inconsistent with the provisions and purposes of this Regulation, to enter into and perform all such contracts as they may consider necessary or expedient in order to carry into effect the said provisions and purposes.

(2) In the case of every lease of immovable property for a term exceeding seven years, and of every sale or other transfer of any such property, the previous sanction of the Government is required.

(3) In the case—

(a) of a lease for a period exceeding one year, or of a sale or other transfer, or contract for the purchase of any immovable property,

(b) of every contract which will involve expenditure not covered by a budget grant,

(c) of every contract the performance of which cannot be completed within the official year current at the date of the contract,

the sanction of the Municipal Council by a resolution passed at a general meeting is required.

(4) In the case of a contract for the purchase of movable property, or for the sale of any movable property belonging to a Municipal Council, if the expenditure which the purchase would involve, or the value of the property to be sold as estimated in the Municipal accounts, exceeds

(a) in the case of a City Municipal Council, Rs. 500,

(b) in the case of any other Municipal Council, Rs. 100,

the sanction of the Municipal Council is required.

(5) In the case of every contract not otherwise provided for in the preceding sub-sections of this section, the sanction of the managing committee, or of such other committee, or of such individual as under the provisions of this Regulation or of the rules for the time being in force thereunder, is empowered in this behalf, is required.

(6) Every contract entered into by or on behalf of a Municipal Council, other than a contract to which sub-section (5) applies, shall be in writing, and shall be signed by the president or vice-president and two other councillors, and shall be sealed with the common seal of the Municipal Council. Every contract to which sub-section (5) applies shall be executed by the chairman of the managing committee, or by the chairman of such other committee, or by such other individual, as is empowered in that behalf, in such manner and form as, according to the law for the time being in force, would bind such chairman or individual if such contract were executed by him on his own behalf.

(7) No contract shall be binding on a Municipal Council in any case referred to in this section, unless all such requirements as are specified in sub-section (2), (3), (4) or (5) in respect of such case are fulfilled, and unless it is executed in accordance with the provisions of sub-section (6) applicable thereto.

(7) *Compulsory acquisition of land.*

41. When there is any hindrance to the permanent or temporary acquisition, upon payment, of any land or building required for the purposes of this Regulation, the Government may, after obtaining possession of the same for Government under the Mysore Land Acquisition Regulation, 1894, or other existing law, vest such land or building in the Municipal Council on their paying the compensation awarded, and on their repaying to Government all costs incurred by Government on account of the acquisition.

(8) *Liabilities of councillors, officers and servants.*

42. Every councillor shall be personally liable for the misapplication of any fund to which he shall have been a party, or which shall have happened through, or been facilitated by, gross neglect of his duty.

as a councillor, and may be sued for recovery of the moneys so misapplied as if such moneys had been the property of Government.

Provided that no councillor shall be personally liable in respect of any contract or agreement made, or for any expense incurred, by, or on behalf of, the Municipal Council; the funds at the disposal of each Municipal Council shall be liable for, and be charged with, all costs in respect of any such contract or agreement and all such expenses.

43. (1) Any person who has, directly or indirectly, by himself or his partner, any share or interest in any contract with, by, or on behalf of, a Municipal Council, or in any employment with, under, by, or on behalf of, a Municipal Council, other than as a municipal officer or servant, shall be disqualified for being an officer or servant of such Municipal Council.

(2) Any municipal officer or servant who shall acquire, directly or indirectly, by himself or his partner, any share or interest in any such contract or employment as aforesaid, shall cease to be a municipal officer or servant, and his office shall become vacant.

(3) Nothing in this section shall apply to any such share or interest in any contract or employment with, under, by, or on behalf of, a Municipal Council as, under clauses (ii) and (iv) of the proviso to sub-section (1) of section 15, it is permissible for a person to have without his being thereby disqualified for being a councillor.

44. (a) Any councillor who knowingly acquires, directly or indirectly, any share or interest in any contract or employment with, under, by, or on behalf of, a Municipal Council of which he is a member, not being a share or interest such as, under section 15, it is permissible for a person to have, without being thereby disqualified for being a councillor, and,

(b) any municipal officer or servant who knowingly acquires, directly or indirectly, any share or interest in any contract, or except in so far as concerns his own employment as municipal officer or servant, in any employment with, under, by, or on behalf of, a Municipal Council of which he is an officer or servant, not being a share or interest such as under clauses (ii) and (iv) of the proviso to sub-section (1) of Section 15, it is permissible for a person to have without being thereby disqualified for being a councillor,

shall be liable, on conviction before a criminal court, to a fine which may extend to five hundred rupees.

45. (a) Every person holding the post of councillor or of an officer or servant of a Municipal Council, and every person authorised by the Municipal Council to collect or recover on behalf of the Municipal Council any tax, who

(i) accepts or obtains, or agrees to accept, or attempts to obtain, for himself or for any other person, any gratification whatever, other than legal remuneration, as a reward for doing, or forbearing to do, any official act, or for showing, or forbearing to show, in the exercise of his official functions, favour or disfavour to any person, or for rendering, or attempting to render, any service or disservice to any person, with the Municipal Council or with any public servant, or with any municipal committee, officer or servant, as such, or with Government, or

(ii) does any act for which, or omits to do any act for the omission of which, if he were a public servant within the meaning of the Indian Penal Code, he would be liable to punishment, or to an enhanced punishment, under that Code; and

(b) every person who

(i) falsely pretends that he holds such post or is so authorised as aforesaid, and in such assumed character, does or attempts to do any act under colour of the character so assumed, or

(ii) does any such act, or is guilty of any such omission, to or in relation to any person holding such post or authorised as aforesaid with such intention or knowledge or in such circumstances as would, if the person holding such post or authorised as aforesaid were a public servant within the meaning of the Indian Penal Code, render the person so doing that act or so omitting as aforesaid, liable to punishment or enhanced punishment under that Code,

shall, if no punishment is, in such behalf, provided elsewhere in this Regulation, be liable to the punishment to which for the like offence he would, if every person holding such post or authorised as aforesaid were a public servant within the meaning of the Indian Penal Code, be liable under that Code.

CHAPTER IV.—RULES AND BY-LAWS.

46. Every Municipal Council shall, as soon as conveniently may be after the constitution thereof, make and may from time to time alter or rescind rules, but not so as to render them inconsistent with this Regulation,

Municipal Councils to make rules: (a) regulating the conduct of their business and the delegation of any of their powers or duties and, subject to the provisions of section 27, the appointment and constitution of committees;

Regulating the conduct of business ;

granting leave to municipal servants ; (g) subject to the provisions of the Mysore Service Regulations and to the special orders of Government, if any, regulating the period of service of all officers and servants, and determining the conditions under which such officers and servants, or any of them, shall receive pensions, gratuities, or compassionate allowances on retirement, or on their becoming disabled through the execution of their duty, and the amount of such pensions, gratuities, or compassionate allowances ; and prescribing the conditions under which any gratuities, or compassionate allowances may be paid to the surviving relations of any such officers or servants whose death has been caused through the execution of their duty ;

(h) authorising the payment of contributions, at such rates and subject to such conditions as may be prescribed in such rules, to any pension or provident fund which may be established by the Municipal Council or with the approval of the Municipal Council by the said officers and servants ;

(i) prescribing, subject to the provisions of Chapter VII, the taxes to be levied in the municipality for municipal purposes, the grounds on which exemptions are to be recognised, the conditions on which and the extent to which remissions may be granted, and the system on which refunds are to be allowed and paid, in respect of such taxes, and the limits of the charges or payments to be fixed in lieu of any tax under section 71, and the fees to be charged for licenses or permissions granted under section 70, and the times at which and the mode in which the same shall be levied or recovered or shall be payable, and prescribing the fees for notices demanding payments due on account of any tax, and for the execution of warrants of distress, and the rates to be charged for maintaining any livestock distrained, and designating the persons authorised to receive payment of any sums so leviable ;

(j) prescribing the conditions subject to which sums due on account of any tax or of costs in recovering any tax may be written off as irrecoverable, and the conditions subject to which the whole or any part of any fee chargeable for distress may be remitted by the managing committee.

Provided that—

(a) No rule made, or alteration or rescission of a rule made, under this section shall have effect unless and until it has been approved by the Government.

Approval required to rules.

(b) If an officer serving or having served under a Municipal Council has been or is transferred from or to the service of the Government, or is partly employed by the Government and partly by a Municipal Council, the Municipal Council shall contribute to his pension and leave allowances to the extent required by the rules in force for the time being, made by the Government in this behalf.

(c) The Municipal Council shall not, unless with the assent of Government, dispense with the services of any such officer transferred from the service of Government to the service of the Municipal Council or employed partly by Government and partly by the Municipal Council, or finally dismiss from the service of the Municipal Council any officer transferred from the service of the Municipal Council to the service of Government.

47. Subject to the requirements of clause (a) of the proviso to section 46, every Municipal Council may, except as otherwise provided in clause (b) of the proviso to section 74, at any time for any sufficient reason, suspend, reduce or abolish any existing tax by suspending, altering or rescinding, any rule prescribing such tax under the provisions of clause (i) and of clause (a) of the proviso to section 46.

48. (1) Every Municipal Council may from time to time, with the previous sanction of the Government, make, alter or rescind by-laws, but not so as to render them inconsistent with this Regulation—

(a) for the regulation and inspection of markets and slaughter-houses and all places used by or for animals which are for sale or hire, or the produce of which is sold, and for the proper and cleanly conduct of business therein; and for fixing the rents and other charges to be levied for the use of any of them which belong to the Municipal Council;

(b) prescribing the conditions on or subject to which, and the circumstances in which, and the areas or localities in respect of which, licenses may be granted, refused, suspended or withdrawn for the use of any place not belonging to the Municipal Council:—

(w) generally for the regulation of all matters relating to municipal administration.

Fine may be imposed for infringement of by-laws.

And every Municipal Council may, with the like sanction, prescribe a fine not exceeding five hundred rupees for the infringement of any such by-law.

(2) Every Municipal Council shall, before making any by-law under this section, publish in such manner as shall in their opinion be sufficient, for the information of the persons likely to be affected thereby, a draft of the proposed by-law, together with a notice specifying a date on or after which the draft will be taken into consideration, and shall, before making the by-law, receive and consider any objection or suggestion with respect to the draft which may be made in writing by any person before the date so specified.

(3) When any by-law made by a Municipal Council is submitted to the Government for sanction, a copy of the notice published as aforesaid and of every objection or suggestion so made, shall be submitted for the information of the Government along with the said by-law.

49. The rules and by-laws for the time being in force shall be kept open for public inspection at the municipal office at all reasonable times, and printed copies thereof and of this Regulation in Kanarese and in the case of City Municipalities in English as well as in Kanarese, shall be kept on sale at cost price.

CHAPTER V.—MUNICIPAL PROPERTY AND FUND.

50. (1) Every Municipal Council may acquire and hold property both movable and immovable, whether within or without the limits of the municipality.

(2) All property of the nature hereinafter in this section specified, and not being specially reserved by the Government, shall be vested in and belong to the Municipal Council and shall, together with all other property, of what nature or kind soever, not being specially reserved by the Government, which may become vested in the Municipal Council, be under their direction, management and control, and shall be held and applied by them as trustees, subject to the provisions and for the purposes of this Regulation; that is to say—

(a) All public town-walls, gates, markets, slaughter-houses, manure and night-soil depots, and public buildings of every description.

(b) All public streams, tanks, reservoirs, cisterns, wells, springs, aqueducts, conduits, tunnels, pipes, pumps and other water-works, and all bridges, buildings, engines, works, materials and things connected therewith or appertaining thereto, and also any adjacent land (not being private property) appertaining to any public tank or well.

(c) All public sewers and drains, and all sewers, drains, tunnels, culverts, gutters and water-courses in, alongside, or under any street, and all works, materials and things appertaining thereto, as also all dust, dirt, dung, ashes, refuse, animal matter, or filth, or rubbish of any kind collected by the Municipal Council from the streets, houses, privies, sewers, cess-pools, or elsewhere.

(d) All public lamps, lamp-posts and apparatus connected therewith, or appertaining thereto.

(e) All lands transferred to them by the Government, or by gift or otherwise, for local public purposes.

(f) All public streets and the pavements, stones and other materials thereof, and also all trees, erections, materials, implements and things provided for such streets.

(3) It shall be competent to the Government from time to time, by notification, to resume any property vested or vesting in the Municipal Council under this section on such terms as the Government may determine.

51. All moneys received by or on behalf of the Municipal Council by virtue of this or any other Regulation; all taxes, tolls and other imposts, fines, fees, penalties paid to or levied by them under this Regulation; all proceeds of land or other property sold by the Municipal Council, and all rents accruing from their land or property; as also all interest, profits and other moneys accruing by gifts or transfers from the Government or private individuals or otherwise, shall constitute the Municipal Fund, and shall be held and dealt with in a similar manner to the property mentioned in the last preceding section:

Provided that—

(a) Nothing in this section, or in the last preceding section, shall in any way affect any obligations accepted by or imposed upon any Municipal Council by any declarations of trust executed by or on behalf of such Municipal Council, or by any scheme settled by order of Government for the administration of any trust:

(b) A Municipal Council may, subject to the condition that reasonable provision shall be made for the performance of all obligations imposed or that may be imposed on them by sections 54, 55, or by or under section 61, or Chapter XII, credit to a separate heading in the municipal accounts any portion of the municipal fund received by them specially for, or devoted by them to, the purposes of schools or dispensaries or of water-works or fire-brigades, or other such purposes as the Government in this behalf approves, and, provided that there shall be credited to such special heading such sums only as expressly relate to the object for which the fund designated by such heading was created, the Municipal Council may apply the sums so credited exclusively to the respective objects to which they are so credited.

52. All property vested in the Municipal Council under this Regulation, and all funds received by them in accordance with the provisions of this Regulation, and all sums accruing to them under the provisions of any law for the time being in force, shall be applied, subject to the provisions and for the purposes of this Regulation, within the limits of the municipality:

Provided always that it shall be lawful for the Municipal Council, with the sanction of the Government or any officer duly authorised by Government in this behalf,—

(a) to incur expenditure beyond the said limits,—

(i) in the acquisition of land, or

(ii) in the construction, maintenance or repair of works,

for the purpose of obtaining a supply of water required for the inhabitants of the municipality, or of establishing slaughter-houses or places for the disposal of night-soil or of sewage or of carcases of animals beyond the said limits, or for drainage-works, or for any other purpose calculated to promote the health, safety or convenience of the inhabitants of the said municipality; or

(b) to make a contribution towards expenditure incurred by any other Municipal Council, or in any area subject to the authority of a local board or incurred out of any public funds for measures affecting the health, instruction, or convenience of the public and calculated to benefit the residents within the limits of the contributing Municipal Council; or

(c) to create scholarships tenable outside the limits of the municipality.

Provided further that nothing in this section, or in any other provision of this Regulation, shall be deemed to make it unlawful for a Municipal Council, when with such sanction as aforesaid they have constructed works beyond the limits of the said municipality for the supply of water or for drainage as aforesaid—

(a) to supply, or extend to, or for the benefit of, any person or buildings or lands in any place, whether such place is or is not within the limits of the said municipality, any quantity of water not required for the purpose of this Regulation within the said municipality, or the advantages afforded by the system of such drainage-works, on such terms and conditions, with regard to payment and to the continuance of such supply or advantages, as shall be settled by agreement between the Municipal Council and such person or the occupier or owner of such buildings or lands, or

(b) to incur any expenditure, on such terms with regard to payment as may be settled as aforesaid, for the construction, maintenance, repair or alteration of any connection pipes, or other works necessary for the purpose of such supply or for the extension of such advantages.

53. (1) It shall be lawful for the Municipal Council to deposit at interest with the Government Savings Bank, or with the sanction of the Government in any other bank in or outside of Mysore, any surplus funds in their hands which may not be required for current charges, and, with the like sanction to invest such funds in public securities in the name of the Municipal Council, and from time to time to dispose of such securities as may be necessary.

(2) All surplus funds over and above what may be required for current expenses shall, unless deposited or invested as provided for in sub-section (1), be deposited in the local Government Treasury, or such other place of security as may be sanctioned by Government.

CHAPTER VI.—OBLIGATORY AND DISCRETIONAL FUNCTIONS OF MUNICIPAL COUNCILS.

- (vi) a special sanitary cess upon private latrines, premises or compounds cleansed by municipal agency, after notice given as hereinafter required;
- (vii) a general sanitary cess for the construction or maintenance, or both construction and maintenance, of public latrines, and for the removal and disposal of refuse;
- (viii) a water-rate or water-rates for water supplied by the Municipal Council, which may be imposed in the form of a rate assessed on buildings and lands, or in any other form, including that of charges for such supply, fixed in such mode or modes as shall be best adapted to the varying circumstances of any class of cases or of any individual case.

Provided that the total net proceeds of the rate, with the estimated income from payments for water-supply from the works under special contracts, shall not exceed the amount required for the annual maintenance of the water-supply works and for the repayment with interest of the capital outlay thereon in such number of years as may be fixed by Government;

- (ix) a lighting tax, not exceeding in amount one-third of the rate leviable under clause (i);
- (x) a tax on arts, professions, trades and callings, and on offices and appointments, at rates not exceeding those specified in Schedule III;
- (xi) any other tax to the nature and object of which the approval of the Government shall have been obtained prior to the selection contemplated in sub-clause (i) of clause (a) of section 60.

Provided that

(a) no tax imposed as aforesaid, other than a special sanitary cess or a water-rate, shall, without the express consent of Government, be leviable in respect of any building or part of any building, or of any vehicle, animal or other property, belonging to Government and used solely for public purposes, and not used or intended to be used for purposes of profit, or in respect of any building or part of a building ordinarily used as a place of public worship or used for charitable but not residential purposes, or set apart for the occupation of His Highness the Maharaja, or in respect of any vehicle, animal or other property belonging to His Highness the Maharaja; and no toll shall be leviable for the passage of troops or the conveyance of Government stores or of any other Government property or property of His Highness the Maharaja, or for the passage of Military or Police Officers on duty, or the passage or conveyance of any person or property in their custody;

(b) no special sanitary cess shall be leviable in respect of any private latrines, premises, or compounds, unless and until the Municipal Council have

- (i) made provision for the cleansing thereof by manual labour, or for conducting or receiving the sewage thereof into municipal sewers, and
- (ii) issued either severally to the persons to be charged, or generally to the inhabitants of the municipality or part of the municipality to be charged with such cess, one month's notice of the intention of the Municipal Council to perform such cleansing and to levy such cess;

(c) the Municipal Council, in lieu of imposing separately any two or more of the taxes described in clauses (i), (vii), (viii), and (ix), may impose a consolidated tax assessed as a rate on buildings or lands, or both, situated within the municipality.

Procedure of Municipal Council preliminary to imposing tax.

60. Every Municipal Council before imposing a tax shall observe the following preliminary procedure:—

- (a) they shall, by resolution passed at a general meeting,
 - (i) select for the purpose one or more of the taxes specified in section 59;
 - (ii) prepare rules for the purposes of clause (i) of section 46 prescribing the tax or taxes selected;
 and shall by such resolution and in such rules specify,
 - (iii) the class or classes of persons or of property, or of both, which the Municipal Council desire to make liable, and any exemptions which they desire to make;
 - (iv) the amount for which, or the rate at which, it is desired to make such classes liable;
 - (v) all other matters which the Government may so require to be specified.

(b) When such resolution has been passed, the Municipal Council shall publish the form of rules so prepared with a notice in the form of Schedule IV prefixed thereto.

(c) Any inhabitant of the municipality objecting to the imposition of the said tax or to the amount or rate proposed, or to the class of persons or property to be made liable thereto, or to any exemptions proposed, may, within one month from the publication of the said notice, send his objection in writing to the Municipal Council; and the Municipal Council shall take all such objections into consideration, or shall authorise a committee to consider the same and report thereon, and, unless they decide to abandon or to modify the proposed tax in accordance with such objections, shall submit the same with their opinion thereon, together with the notice and rules aforesaid, to the Government.

61. The Government may either refuse to sanction the rules submitted, or may return them to the Municipal Council for further consideration, or if no objection, or no objection which is in its opinion sufficient, was made to the proposed tax within one month from the publication of the said notice, may sanction the said rules either—

(a) without modification, or

(b) subject

(i) to such modifications not involving an increase of the amount to be imposed, or

(ii) to such conditions as to the application within the municipality to any purpose or purposes of this Regulation specified in such conditions, of the whole or any part of the proceeds of such tax, as it deems fit.

62. All rules sanctioned under section 61 with all modifications subject to which the sanction is given, shall be published by the Municipal Council in the municipality for which they are prescribed, together with a notice reciting the sanction and the date and serial number thereof, and the tax as prescribed by the rules so published shall, from a date which shall be specified in such notice and which shall not be less than one month from the publication of such notice, be imposed accordingly, and the proceeds thereof shall be applied by the Municipal Council in accordance with all conditions, if any, subject to which under section 61 the sanction was given:

Provided that

(a) a tax leviable by the year

(i) shall not come into force except on one of the following dates, *viz.*, the first day of July—the first day of October—the first day of January—the first day of April—in the official year in which such notice is published, and

(ii) if it comes into force on any day other than the first of July it shall be leviable by the quarter, till the first day of July then next ensuing;

(b) on or before the day on which a notice is issued under this section, the Municipal Council shall publish such further detailed rules as may be required, and as may have been approved by the Government under clause (a) of the proviso to section 46, prescribing the mode of levying and recovering the tax therein specified, and the dates on which it or the instalments, if any, thereof, shall be payable;

(c) if the levy of a tax, or of a special portion of a tax, has been sanctioned for a fixed period only, the levy shall cease at the conclusion of that period, except so far as regards unpaid arrears which may have become due during that period.

(2)—*Assessment of and liability to rates.*

63. (1) When a rate on buildings or lands or both is imposed, the Municipal Council shall cause an assessment list of all buildings, or lands, or buildings and lands in the municipality to be prepared, containing

(a) the name of the street or division in which the property is situated;

(b) the designation of the property, either by name or by number, sufficient for identification;

(c) the names of the owner and occupier, if known;

(d) the annual letting value or other valuation on which the property is assessed; and

(e) the amount of the tax assessed thereon.

(2) For the purpose of making such assessment on property as aforesaid, the Municipal Council may from time to time appoint any person or persons, whether councillors or not, and whether remunerated or not; and any person or persons so appointed may for such purpose make an inspection of any such property.

(3) On the requisition of the Municipal Council or of such person, the owner or occupier of any such building or land shall, within such reasonable period as shall be specified in the requisition, be bound to furnish a true return to the best of his knowledge or belief and subscribed with his signature—

- (a) as to the name and place of abode of the owner or occupier or of both;
- (b) as to the dimensions of such building or land and the annual letting value or other valuation thereof.

64. When the assessment-list has been completed the Municipal Council shall give public notice thereof, and of the place where the list or a copy thereof may be inspected; and every person claiming to be either owner or occupier of property included in the list, and any agent of such person, shall be at liberty to inspect the list and to make extracts therefrom without charge.

65. (1) The Municipal Council shall, at the time of the publication of such assessment-list, give public notice of a time, not less than one month thereafter, when they will proceed to revise the valuation and assessment; and, in all cases in which any property is for the first time assessed or the assessment is increased, they shall also give notice thereof to the owner or occupier of the property, if known.

(2) All objections to the valuation and assessment shall be made to the Municipal Council before the time fixed in the notice, by application in writing, stating the grounds on which the valuation and assessment are disputed, and all applications so made shall be registered in a book to be kept by the Municipal Council for the purpose.

(3) The managing committee, or any committee or committees to which the Municipal Council delegate the powers and functions of the managing committee in this behalf, or any officer of Government to whom, with the permission of the Government, the Municipal Council delegate, and they are hereby empowered so to delegate, the powers and functions of the managing committee in this behalf, shall, after allowing the applicant an opportunity of being heard in person or by agent,

- (a) investigate and dispose of the objections,
- (b) cause the result thereof to be noted in the book kept under sub-section (2), and
- (c) cause any amendment necessary in accordance with such result to be made in the assessment-list.

(4) When all objections made under this section have been disposed of, and all amendments required by sub-section (3) have been made in the assessment-list, the said list shall be authenticated by the signatures of the Chairman and at least one other member of the managing committee or, if the Municipal Council have delegated the powers and functions of the managing committee in this behalf to any other committee or to an officer of Government, by the signatures of not less than two members of such committee or of the officer aforesaid, and the person or persons so authenticating the list shall certify that no valid objection has been made to the valuation and assessment contained in the list except in the cases in which amendments have been made therein.

(5) The list so authenticated shall be deposited in the municipal office, and shall there be open for inspection during office hours to all owners and occupiers of property specified therein, or to the agents of such persons, and a notice that it is so open shall be forthwith published.

(6) Subject—

- (a) to such alterations as may thereafter be made therein, under the provisions of the next following section, and
 - (b) to the result of any appeal made under section 86,
- the entries in the list so authenticated and deposited shall be accepted as conclusive evidence—
- (i) for the purposes of all municipal taxes, of the annual letting value or other valuation of all buildings and lands to which such entries respectively refer, and
 - (ii) for the purposes of any tax imposed on buildings or lands, of the amount of each such tax leviable thereon throughout the official year to which such list relates.

66. (1) The Municipal Council may at any time alter the said list by inserting the name of any person whose name ought to have been inserted, or by inserting any property which ought to have been inserted, or by altering the valuation of or assessment on any property which has been erroneously valued or assessed through fraud, accident or mistake, after giving notice to any person interested in the alteration, of a time, not less than one month from the date of service of such notice, at which the alteration is to be made.

Amendment of assessment-list. (2) Every objection made by any persons interested in any such alteration, before the time fixed in the notice, and in the manner provided by sub-section (2) of the last preceding section, shall be dealt with in all respects as if it were an application under the said section.

Objections how dealt with. (3) Every alteration made under this section shall, subject to the result of an appeal under section 86, have the same effect as if it had been made on the earliest day in the current official year in which the circumstances justifying the alteration existed.

Effect of amendment. (4) It shall not be necessary to prepare a new assessment-list every year. Subject to the condition that every part of the assessment-list shall be completely revised not less than once in every four years, the Municipal Council may adopt the valuation and assessment contained in the list for any year, with such alterations as may be deemed necessary, for the year immediately following.

New assessment-list need not be prepared every year. (5) But the provisions of sections 64, 65 and 66 shall be applicable every year as if a new assessment-list had been completed at the commencement of the official year.

68. Every tax imposed in the form of a rate on buildings or lands or on both shall be leviable primarily from the actual occupier of the property upon which the said taxes are assessed, if he is the owner of the buildings or lands, or holds them on a building or other lease from the Government or from the Municipal Council, or on a building lease from any person. Otherwise the said tax shall be primarily leviable as follows, namely:

Tax from whom primarily leviable. (a) if the property is let, from the lessor;

(b) if the property is sublet, from the superior lessor;

(c) if the property is unlet, from the person in whom the right to let the same vests:

Provided that on failure to recover any sum due on account of such tax from the person primarily liable, such portion of the sum may be recovered from the occupier of any part of the buildings or lands in respect of which it is due, as bears to the whole amount due the same ratio, which the rent annually payable by such occupier bears to the aggregate amount of rent so payable in respect of the whole of the said buildings or lands, or to the aggregate amount of the letting value thereof, if any, stated in the authenticated assessment-list, whichever of those two amounts is the greater.

Recovery from occupiers. (6) Provided further, that for any sum paid by, or recovered from, any occupier who is not primarily liable under this section, he shall be entitled to credit in account with the person primarily liable for the payment of that sum.

Remission of tax in case of vacancies when obligatory; (7) When any building or land assessed to a rate, or in respect of which a special sanitary cess is payable, has remained vacant and unproductive of rent throughout the year, or the period in respect of which any instalment is payable, the Municipal Council shall remit or refund not less than one-half of the amount of such rate or cess or instalment, as the case may be:

When discretionary. (8) Provided that no such remission shall be granted unless notice in writing of the fact of the building or land being vacant and unproductive of rent has been given to the Municipal Council, and that no remission or refund shall take effect for any period previous to the day of the delivery of such notice.

(9) When any such building or land as aforesaid—

(a) has been vacant and unproductive of rent for any period of not less than sixty consecutive days, or

(b) consists of separate tenements one or more of which has or have been vacant and unproductive of rent for any such period as aforesaid, or

(c) is wholly or in great part demolished or destroyed by fire or otherwise deprived of value, the Municipal Council may remit or refund such portion, if any, of the rate or cess or instalment as they may think equitable.

Burden of proof on claimant.

(3) The burden of proving the facts entitling any person to claim relief under this section shall be upon him.

Explanatory clause.

(4) For the purposes of this section a building or land shall be deemed to be productive of rent if let to a tenant who has a continuing right of occupation thereof, whether it is actually occupied by such tenant or not.

(3) *Power to charge Fees.*

70. (1) When any license is granted by the Municipal Council under this Regulation, or when permission is given by them for making any temporary erection or for putting up any projection, or for the temporary occupation of any public street or other land vested in the Municipal Council, the Municipal Council may charge a fee for such license or permission.

Municipal Council may charge fees for certain licenses.

Market and other fees.

(2) The Municipal Council may also charge such fees as may be fixed by by-laws under clause (a) of sub-section (1) of section 48 for the use of any such places mentioned in that sub-section, as belong to the Municipal Council.

(4) *Special Provisions relating to certain Taxes.*

71. (1) The Municipal Council may, instead of imposing a water-rate, or in individual cases, of levying a rate imposed in respect of the supply of water belonging to the Municipal Council to, or for use in connection with, any private lands or buildings,

Fixed charges and agreements for payment in lieu of taxes for water supplied.

(a) fix, at rates not exceeding such as shall be specified in the rules in force under section 46, charges for such supply according to the quantity used, as ascertained by measurement,

(b) arrange with any person, on his application, to supply on payment, periodical or otherwise, water belonging to the Municipal Council in such quantities or for such purposes, whether domestic, ornamental, or irrigational, or for trade, manufacture or otherwise, on such terms and subject to such conditions as they shall fix by agreement with such person.

Provided that—

(a) the meters, connection pipes and all other works necessary for and incidental to such supplies, and all future repairs, extensions and alterations of such works shall be under the control of the Municipal Council, and the expense thereof shall, so far as is not inconsistent with the rules or by-laws of the Municipal Council, be defrayed by the persons liable in respect of such supplies, and

(b) all such supplies of water shall be, and shall be deemed to have been granted, subject to all such conditions as to the limit or stoppage thereof, and as to the prevention of waste or misuse, as are prescribed in the by-laws for the time being in force under section 48.

(2) When the Municipal Council have made provision for the cleansing of any factory, hotel, club or group of buildings or lands used for any one purpose and under one management, they may, instead of levying in respect thereof any special sanitary cess imposed under this chapter, fix a special rate, and the dates and other conditions for periodical payments thereof, which shall be determined either,

Power to fix a special rate in lieu of special sanitary cess.

(i) in accordance with the rules for the time being in force under section 46, or

(ii) by written agreement with the person who would have been otherwise liable for the cess, provided that, in fixing the amount, proper regard be had to the probable cost to the Municipal Council of the service to be rendered.

(3) When the Municipal Council have imposed a tax on vehicles or animals kept for use within the municipality, they may compound with the keeper of any livery-stable or of horses or vehicles kept for sale and hire, for the payment of a lump sum, for any period not exceeding one year at a time, in lieu of any amount which such keeper would otherwise have been liable to pay on account of the tax imposed as aforesaid.

Power to compound tax on vehicles or animals.

(4) Every sum claimed by the Municipal Council as due under sub-section (1) as a charge fixed by agreement or otherwise on account of water-supply, or as expenses to be defrayed such as are referred to in that sub-section, or as a special rate under sub-section (2) or as a lump sum payable under sub-section (3), shall for the purposes of Chapter VIII be deemed to be, and shall be recoverable in the same manner as, an amount claimed on account of any tax recoverable under the said chapter.

Recovery of sums claimed under this section.

72. Nothing contained in section 71 shall affect the right or powers of the Municipal Council to contract with any person to supply for use beyond the limits of the municipality, at such rates and on such conditions as the Municipal Council may think fit, any quantity of water belonging to the Municipal Council but not required for the purposes of this Regulation.

73. If it shall at any time appear to the Government, on complaint made or otherwise that any tax, leviable by a Municipal Council, is unfair in its incidence, or that the levy thereof, or of any part thereof, is obnoxious to the interests of the general public, the Government may require the said Municipal Council, within such period as it shall fix in this behalf, to take measures for removing any objection which appears to it to exist to the said tax, and if, within the period so fixed, such requirements shall not be carried into effect to the satisfaction of the Government, it may, by notification in the Official Gazette, suspend the levy of such tax, or of such part thereof, until such time as the objection thereto shall be removed.

The Government may at any time, by a like notification, rescind any such suspension.

74. Whenever it appears to the Government that the balance of the municipal fund of any Municipal Council is insufficient for meeting the expenditure incurred under section 175 or under section 176 or for the performance of any duties in respect of which they shall have been declared under section 178 to have committed default, the Government may by notification require the Municipal Council to impose, within the municipality, any such tax specified in the notification as may be imposed under section 59 if no such tax is at the time imposed therein, or to enhance any existing tax in such manner or to such extent as the Government consider fit, and the Municipal Council shall forthwith proceed to impose or enhance in accordance with the requisition such tax under the provisions of this chapter, as if a resolution of the Municipal Council had been passed for the purpose under section 60:

Provided that—

(a) the Government shall take into consideration any objection which the Municipal Council or any inhabitant of the municipality may make against the imposition or enhancement of such tax,

(b) it shall not be lawful for the Municipal Council to abandon or modify or to abolish such tax when imposed, and

(c) the Government may at any time cancel or modify any requisition made by it under this sub-section, and the levy of the tax or the enhancement, except as to arrears theretofore accrued due, shall thereupon cease or be modified accordingly.

(5) Octroi and Tolls.

75. Every Municipal Council when submitting for sanction a proposal for the imposition of octroi, shall submit therewith for sanction a draft of by-laws for the purposes of clause (k) of sub-section (1) of section 48, after observing the requirements of sub-sections (2) and (3) of that section.

76. (1) Every person bringing into, or receiving from beyond, the octroi limits of a municipality any article on which octroi is payable shall, when required by an officer authorised in this behalf by the Municipal Council, and so far as may be necessary for ascertaining the amount of tax chargeable,

(a) permit that officer to inspect examine and weigh and otherwise deal with the article; and

(b) communicate to that officer any information, and exhibit to him by any bill, invoice or document of a like nature, which he may possess relating to the article.

(2) If any person bringing into, or receiving from beyond, the octroi limits of a municipality in which octroi is leviable, any conveyance or package, shall refuse on the demand of an officer authorised by the Municipal Council in this behalf, to permit the officer to inspect the contents of the conveyance or package for the purpose of ascertaining whether it contains any articles in respect of which octroi is payable, the officer may cause the conveyance or package to be taken without unnecessary delay before a Magistrate or such officer of the Municipal Council as the Government appoints in this behalf by name or office, who shall cause the inspection to be made in his presence.

77. (1) Every officer demanding octroi by the authority of the Municipal Council shall tender to every person introducing or receiving any article on which the tax is claimed, a bill specifying the article taxable, the amount claimed, and the rate at which the tax is calculated.

(2) If goods passing into a Municipality are liable to the payment of octroi, then every person who, with the intention to defraud the Municipal Council, causes or abets the introduction of, or himself introduces or attempts to introduce within the octroi limits of the said municipality, any such goods upon which payment of the octroi due on such introduction has neither been made nor tendered, shall be punishable with fine which may extend to ten times the value of such octroi or to fifty rupees, whichever may be greater.

78. Every Municipal Council imposing any toll under this Regulation shall cause to be kept at each place where such toll is to be collected a table in Kanarese, showing the amounts leviable in all cases provided for in the rules, including the terms, if any, on which the liability to pay such tolls may be compounded by periodical payments, and it shall be the duty of every person authorised to demand payment of a toll, to show such table, on the request of any person on whom such demand is made.

79. (1) In the case of non-payment on demand of any octroi or of any toll leviable by a Municipal Council, the person appointed to collect such octroi or toll may seize any article on which the octroi is chargeable or any vehicle or animal on which the toll is chargeable, or any part of its burden, which is of sufficient value to satisfy the demand, and may detain the same. He shall thereupon give the person in possession of the vehicle, animal, or article seized a list of the property together with a written notice in the form of Schedule VII, that the said property will be sold as shall be specified in such notice.

(2) When any article seized is subject to speedy and natural decay, or when the expense of keeping it together with the amount of the octroi or toll chargeable is likely to exceed its value, the person seizing such article may inform the person in whose possession it was that it will be sold at once, and shall sell it or cause it to be sold accordingly unless the amount of octroi or toll demanded be forthwith paid.

(3) If at any time before the sale has begun, the person whose property has been so seized tenders at the municipal office the amount of all expenses incurred, and of the octroi or toll payable, the Municipal Council shall forthwith release the property seized.

(4) If no such tender is made, the property may be sold, and the proceeds of such sale shall be applied in payment of such octroi or toll and the expenses incidental to the seizure, detention and sale.

(5) The surplus, if any, of the sale proceeds shall be credited to the municipal fund, and may, on application made to the Municipal Council in writing within six months next after the sale, be paid to the person in whose possession the property was when seized, and, if no such application is made, shall be the property of the Municipal Council.

80. The Municipal Council, if they think fit, instead of requiring payment of octroi, due from any mercantile firm or public body, to be made at the time when the articles in respect of which it is leviable are introduced within the octroi limits of the municipality, may at any time direct that an account current shall be kept on behalf of the Municipal Council of the octroi so due from any such firm or body as the Municipal Council specify in this behalf. Every such account shall be settled at intervals not exceeding one month, and such firm or public body shall make such deposit or furnish such security as the Municipal Council or any committee or officer authorised by them in this behalf, shall consider sufficient to cover the amount which may at any time be due from such firm or body in respect of such dues. Every amount so due at the expiry of any such interval shall, for the purposes of Chapter VIII, be deemed to be, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under the said chapter.

81. When any agreement such as is referred to in clause (b) of section 39 has been entered into, such one of the bodies entering into the agreement as by the terms thereof shall be specified in this behalf, shall have the same power to establish such octroi limits and octroi stations as that body may deem necessary, for the entire area in which the octroi is to be collected, and shall have the same power of collecting octroi on animals or goods or both brought within the limits so established, and the provisions of this Regulation relating to octroi shall apply in the same way, as

if the limits so established were wholly comprised within the area subject to the control of the body by which they are so established, and the collections made and the costs thereby incurred shall, subject to the provisions of section 39, be divided between the funds respectively subject to the control of the bodies so entering into the agreement, in such proportions as shall have been determined in the said agreement.

CHAPTER VIII.—RECOVERY OF MUNICIPAL CLAIMS.

Presentation of bill for taxes.

82. (1) When any amount—

(a) which, by or under any provisions of this Regulation, is declared to be recoverable in the manner provided by this chapter, or

(b) which, not being leviable under sub-section (1) of section 79, or payable on demand on account of an octroi or a toll, is claimable as an amount or instalment on account of any other tax which now is imposed or hereafter may be imposed in any municipality,

shall have become due, the Municipal Council shall, with the least practicable delay, cause to be presented to the person liable for the payment thereof, a bill for the sum claimed as due.

Contents of bill.

(2) Every such bill shall specify—

(a) the period for which, and

(b) the property, occupation or thing in respect of which, the sum is claimed, and shall also give notice of—

(i) the liability incurred in default of payment, and of

(ii) the time within which an appeal may be preferred as hereinafter provided against such claim.

(3) If the sum for which any bill has been presented as aforesaid is not paid into the municipal office, or to a person authorised by any rule in that behalf to receive such payments, within fifteen days from the presentation thereof, the Municipal Council may cause to be served upon the person liable for the payment of the said sum a notice of demand in the form of Schedule V, or to the like effect.

83. (1) If the person liable for the payment of the said sum does not, within fifteen days from the service of such notice of demand, either—

(a) pay the sum demanded in the notice, or

(b) show cause to the satisfaction of the Municipal Council, or of such officer as the Municipal Council by rule may appoint in this behalf, or in a City Municipal Council of the Chief Officer, if any, why he should not pay the same, or

(c) prefer an appeal in accordance with the provisions of section 86 against the demand, such sum with all costs of the recovery may be levied under a warrant caused to be issued by the Municipal Council in the form of Schedule VI or to the like effect, by distress and sale of the movable property of the defaulter.

(2) Every warrant issued under this section shall be signed by the president of the Municipal Council causing the same to be issued, or in the case of a City Municipal Council by the chairman of the managing committee, or by an officer to whom the Municipal Council have delegated their powers under section 37 or by the Chief Officer, if any.

(3) It shall be lawful for any municipal officer to whom a warrant issued under sub-section (2) is addressed, if the warrant contains a special order authorising him in this behalf, but not otherwise, to break open, at any time between sunrise and sunset, any outer or inner door or window of a building, in order to make the distress directed in the warrant, if he has reasonable grounds for believing that such building contains property which is liable to seizure under the warrant, and if after notifying his authority and purpose and duly demanding admittance, he cannot otherwise obtain admittance. Provided that such officer shall not enter or break open the door of any apartment appropriated for women, until he has given three hours' notice of his intention, and has given such women an opportunity to remove.

(4) It shall also be lawful for such officer to distrain, wherever it may be found, any movable property of the person therein named as defaulter, subject to the following conditions, exceptions and exemptions, namely:—

(a) The following property shall not be distrained:—

(i) the necessary wearing apparel and bedding of the defaulter, his wife and children,

(ii) the tools of artizans,

(iii) when the defaulter is an agriculturist, his implements of husbandry, seed grain, and such cattle as may be necessary to enable the defaulter to earn his livelihood."

(b) The distress shall not be excessive, that is to say, the property distrained shall be as nearly as possible proportionate in value to the amount recoverable under the warrant, and if any articles have been distrained which, in the opinion of a person authorised by or under sub-section (2) to sign a warrant, should not have been so distrained, they shall forthwith be returned.

(c) The officer shall on seizing the property forthwith make an inventory thereof, and shall before removing the same give to the person in possession thereof at the time of seizure, a written notice in the form of Schedule VII that the said property will be sold as shall be specified in such notice.

84. (1) When the property seized is subject to speedy and natural decay, or when the expense of keeping it in custody together with the amount to be levied is likely to exceed its value, the president or chairman or officer by whom the warrant was signed, shall at once give notice to the person in whose possession the property was when seized, to the effect that it will be sold at once, and shall sell it accordingly unless the amount named in the warrant be forthwith paid.

(2) If not sold at once under sub-section (1), the property seized or a sufficient portion thereof may, unless the warrant is suspended by the person who signed it, or the sum due by the defaulter together with all costs incidental to the notice, warrant, and distress, and detention of the property, is paid, be, on the expiry of the time specified in the notice served by the officer executing the warrant, sold by public auction under the orders of the Municipal Council, and the proceeds, or such part thereof as shall be requisite, shall be applied in discharge of the sum due and of all such incidental costs as aforesaid.

(3) The surplus, if any, shall be forthwith credited to the municipal fund, notice of such credit being given at the same time to the person from whose possession the property was taken, but if the same be claimed by written application to the Municipal Council within one year from the date of the notice, a refund thereof shall be made to such person. Any sum not claimed within one year from the date of such notice shall be the property of the Municipal Council.

Fees and costs chargeable.

85. Fees for—

(a) every notice issued under sub-section (3) of section 82,

(b) every distress made, and

(c) the costs of maintaining any livestock seized under this section,

shall be chargeable at the rates respectively specified in such behalf in the rules of the Municipal Council, and shall be included in the costs of recovery to be levied under section 84.

86. Appeals against any notice of demand issued under sub-section (3) of section 82, may be made to any Magistrate or Bench of Magistrates by whom, under the directions of the Government or of the District Magistrate, such class of cases is to be tried.

But no such appeal shall be heard and determined unless—

(a) the appeal is brought within fifteen days next after service of the notice of demand complained of; and

(b) an application in writing, stating the grounds on which the claim of the Municipal Council is disputed, has been made to the Municipal Council as follows, that is to say:

(i) in the case of a rate on buildings or lands, within the time fixed in the notice given under section 65 or 66 of the assessment or alteration thereof, according to which the bill is prepared,

(ii) in the case of any other claim for which a bill has been presented under sub-section (1) of section 82, within fifteen days next after the presentation of such bill; and

(c) the amount claimed from the appellant has been deposited by him in the municipal office.

87. All sums due on account of any tax imposed in the form of a rate on lands or buildings, or on both, mentioned in section 68, shall, subject to prior payment of land revenue, if any, due to Government thereupon, be a first charge upon the building or land, in respect of which such tax is leviable,

and upon the movable property, if any, found within or upon such building or land, and belonging to the person liable for such tax or taxes.

Provided that no arrears of any such tax shall be recovered from any occupier who is not the owner, if it has been due for more than one year or for a period during which such occupier was not in occupation.

88. The Government may at any time by notification suspend the operation of sections 83 and 84 in any municipality, in which there is not a City Municipal Council, and from such date as shall be fixed in this behalf in the notification, every amount due on account of any tax theretofore recoverable under the said sections, shall be recoverable on application to a Magistrate, in the manner provided in sub-section (2) of section 161 for the recovery of such fines as are therein referred to, and not otherwise.

89. For all sums paid on account of any tax under this Regulation, a receipt stating the amount, and the tax on account of which it has been paid, shall be tendered by the person receiving the same.

Receipts to be given for all payments.

CHAPTER IX—MUNICIPAL POWERS AND OFFENCES.

(1) Powers in respect of Streets.

90. (1) It shall be lawful for the Municipal Council to lay out and make new public streets, and to construct tunnels and other works subsidiary to the same, and to widen, open, enlarge, or otherwise improve any such streets, and to turn, divert, discontinue, or stop up any such streets, and, subject to the provisions of sub-section (2) of section 40, to sell any such land, theretofore used or acquired by the Municipal Council for the purposes of such streets, as may not be required for any public street or for any other purposes of this Regulation.

Power regarding streets, etc.

(2) In laying out or making, or in turning, diverting, widening, opening, enlarging, or otherwise improving any public street, in addition to the land required for the carriage-way and foot-ways and drains thereof, the Municipal Council may purchase the land necessary for the houses and buildings to form the said street, and, subject to the provision contained in sub-section (2) of section 40, may sell and dispose of the same in perpetuity or on lease for a term of years, with such stipulations as to the class and description of houses or buildings to be erected thereon as they may think fit.

(3) When the Municipal Council consider that in any street, not being a public street, or in any part of such street, within the municipality, it is necessary for the public health, convenience or safety that any work should be done for the levelling, paving, metalling, flagging, channelling, draining, lighting or cleaning thereof, the Municipal Council may by written notice require the respective owners of the lands or buildings fronting, adjoining or abutting upon such street or part thereof, to carry out such work in a manner and within a time to be specified in such notice.

Power to require repair of streets,

(4) After such work has been carried out by such owners or, as provided in section 156, by the Municipal Council at the expense of such owners, the street or part thereof in which such work has been done shall on the joint requisition of a majority of the said owners, be declared by a public notice, put up therein by the Municipal Council, to be a public street.

and to declare such streets public.

(5) A Municipal Council may, at any time, by notice fixed up in any street or part of a street not maintainable by the Municipal Council, give intimation of their intention to declare the same a public street, and unless within one month next after such notice has been so put up, the owner or the majority of several owners of such street or such part of a street lodges or lodge objections thereto at the municipal office, the Municipal Council may, by notice in writing put up in such street, or such part, declare the same to be a public street.

Power to declare any street a public street subject to objections by the owners.

91. (1) Every person intending to lay out or make any new street, shall give notice in writing thereof to the Municipal Council, and shall furnish plans and sections showing the intended level, means of drainage, direction, and width of such street, if required by the Municipal Council to do so, and the level, means of drainage, direction, and width of every such street shall be fixed or approved by the Municipal Council.

New streets.

(2) Before passing orders under sub-section (1), the Municipal Council may either issue, (a) a provisional order directing that, for a period therein specified, which shall not be longer than one month from the date of such order, the intended work shall not be proceeded with, or

Power of Municipal Council to pass orders.

b) a demand for further particulars.

(3) If

(a) within one month from the receipt of the notice given under sub-section (1) the Municipal Council have neither

Right to proceed in certain cases.

(i) passed orders and served notice thereof either fixing or disapproving the proposals submitted under sub-section (1) with regard to level, means of drainage, direction and width of the street, nor

(ii) under sub-section (2), issued any provisional order or demand for further particulars, or if

(b) the Municipal Council, having issued such demand for, and having received, in accordance with the demand and with the by-laws in force in this behalf, such further particulars, have issued no further orders within one month from the receipt of such particulars, then the street may be laid out and made, in such manner as may have been specified in the notice, and as is not inconsistent with any provision of this Regulation or of any by-law for the time being in force thereunder.

(4) Whoever lays out, makes or builds upon any such street, either without giving the notice required by sub-section (1), or, except in accordance with the provisions of sub-section (3), without awaiting, or otherwise than in accordance with, the instructions issued by the Municipal Council, or in any manner contrary to the provisions of this Regulation or of any by-law in force thereunder, shall be punished with fine which may extend to two hundred rupees, and the Municipal Council may cause any street so laid out or made to be altered, and any building erected in such street contrary to their directions to be altered, or removed, and the expense thereby incurred shall be paid to them by the offender, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

(2) *Powers to regulate buildings, etc.*

92. (1) If any part of a building projects beyond the regular line of a public street either as existing or as determined upon for the future, or beyond the front of the building on either side thereof, the Municipal Council may,—

(a) if the projecting part thereof is a verandah, step or some other structure external to the main building, then at any time, or

(b) if the projecting part is not such external structure as aforesaid, then, whenever the greater portion of such building or whenever any material portion of such projecting part has been taken down or burned down or has fallen down,

require by written notice either that the part, or some portion of the part, projecting beyond the said regular line or beyond the said front of the adjoining building on either side thereof, shall be removed, or that such building when being rebuilt shall be set back to or towards the said regular line or the front of such building. And the portion of land added to the street by such setting back or removal shall thenceforth be deemed part of the public street and be vested in the Municipal Council.

(2) If any land, not vested in the Municipal Council, whether open or enclosed, lies within the regular line of a public street, and is not occupied by a building other than a platform, verandah, step or other such external structure, the Municipal Council, after giving the owner of the land not less than fifteen clear days' written notice of their intention, or if the land is vested in Government, then with the permission in writing of the Deputy Commissioner, may take possession of the said land with its enclosing wall, hedge or fence, if any, and, if necessary, clear the same; and the land so acquired shall thenceforward be deemed a part of the public street, and be vested in the Municipal Council.

(3) Compensation, the amount of which shall in case of dispute be ascertained and determined in the manner provided in section 160, shall be paid by the Municipal Council to the owner of any land added to a street under sub-section (1) or acquired under sub-section (2), for the value of the said land, and to the owner of any building for any loss, damage or expense incurred by such owner in consequence of any action taken by the Municipal Council under either of the said sub-sections, provided that no such compensation shall be payable in cases to which section 119 applies.

93. The Municipal Council may, upon such terms as they think fit, allow any building to be set forward for improving the line of any public street in which such building is situated.

94. (1) The external roofs and walls of buildings erected or renewed after the coming into force of this Regulation shall not be made of grass, wood, cloth, canvas, leaves, mats or other inflammable materials, except with the written consent of the Municipal Council, which may be given either specially in individual cases, or generally in respect of any area specified therein.

292

(2) The Municipal Council may at any time, by written notice, require the owner of any building which has an external roof or wall made of such material as aforesaid, to remove such roof or wall within such reasonable time as shall be specified in the notice, whether such roof or wall was or was not made before the time at which this Regulation came into force, and whether it was made with or without the consent of the Municipal Council.

Penalty. (3) Whoever without such consent as is required by sub-section (1) makes, or causes to be made, or in disobedience to the requirements of a notice given under sub-section (2) suffers to remain, any roof or wall of such material as aforesaid, shall be punished with a fine which may extend to twenty-five rupees, and with a further fine which may extend to ten rupees for every day on which the offence is continued after the date of the first conviction.

Level of buildings. 95. No building shall hereafter be built upon a lower level than will allow of the drainage thereof being led into some public sewer or drain either then existing or projected by the Municipal Council, or into some stream or river, or some cesspool, or other suitable place which may be approved of by the Municipal Council.

Notice of new buildings. 96. (1) Before beginning to erect any building, or to alter externally or add to any existing building, or to reconstruct any projecting portion of a building in respect of which the Municipal Council is empowered by section 92 to enforce a removal or set-back, the person intending so to build, alter, or add shall give to the Municipal Council notice thereof in writing, and shall furnish to them, at the same time, if required by a by-law or by a special order to do so, a plan showing the levels at which the foundation and lowest floor of such building are proposed to be laid, by reference to some level known to the Municipal Council, and all information they may require regarding the limits, design, ventilation and materials of the proposed building, and the intended situation and construction of the drains, sewers, privies, water-closets and cesspools, if any, to be used in connection therewith, and the location of the building with reference to any existing or projected streets.

Power of Municipal Council to pass orders. (2) The Municipal Council may issue such orders not inconsistent with this Regulation as they think proper with reference to the work proposed in such notice, and may either give permission to erect or alter or add to the building according to the plan and information furnished, or may impose in writing such conditions as to level, drainage, sanitation or ventilation, or with reference to the location of the building in relation to any street existing or projected, or, where the Municipal Council have been specially empowered by Government in this behalf, such conditions as to design or materials or to the dimensions or the cubical contents of the rooms, as they think proper.

Or to suspend the work or to require further particulars. (3) Before issuing any orders under sub-section (2), the Municipal Council may, within one month from the receipt of such notice, either issue,

(a) a provisional order directing that for a period, which shall not be longer than three months from the date of such order, the intended work shall not be proceeded with, or

(b) may demand further particulars.

Right to proceed in certain cases. (4) A building proposed in a notice given under sub-section (1) may be proceeded with in such manner, as may have been specified in such notice, as is not inconsistent with any provision of this Regulation or of any by-law for the time being in force thereunder in the following cases, that is to say:—

(a) in case the Municipal Council, within one month from the receipt of the notice given under sub-section (1), have neither

(i) passed orders under sub-section (2) and served notice thereof in respect of the intended work ;

nor

(ii) issued under sub-section (3) any provisional order or any demand for further particulars :

(b) in case the Municipal Council having issued such demand for, and having received in accordance with the by-laws in force in this behalf, such further particulars, have issued no further orders within one month from the receipt of such particulars.

Provided that no person, who becomes entitled under this sub-section to proceed with any intended work of which notice is required by sub-section (1), shall commence such work after the expiry of the period of one year from the date on which he first becomes entitled so to proceed therewith.

(5) Whoever begins or makes any building or alteration or addition without giving the notice required by sub-section (1), or without furnishing the plan or affording the information above prescribed, or except as provided in sub-section (4); without awaiting, or in any manner contrary to, such legal orders of the Municipal Council as may be issued under this section, or in any other respect contrary to the provisions of this Regulation or of any by-law in force thereunder, shall be punished with fine which may extend to two hundred rupees, and the Municipal Council may—

(a) direct that the building, alteration, or addition be stopped, and

(b) by written notice, require such building, alteration or addition to be altered or demolished, as they may deem necessary.

(6) The Municipal Council or any officer deputed by them may at any time inspect the erection of any building without giving notice of their or his intention to do so, and at any time during the erection of a building or the execution of any such work as aforesaid, or at any time not later than one month after being informed in writing by the person responsible for giving a notice under sub-section (1) that the erection of the building, or the execution of any such work as aforesaid has been completed, may by written notice specify any matter in respect of which the erection of such building, or the execution of such work, may be in contravention of any provision of this Regulation or of any by-law made under this Regulation at the time in force, and require the person erecting or executing, or who has erected or executed, such building or work, or, if the person who has erected or executed such building or work is not at the time of notice the owner thereof, then the owner of such building or work, to cause anything done contrary to any such provision or by-law to be amended, or to do anything which by any such provision or by-law he may be required to do but which has been omitted.

EXPLANATION.—The expression “to erect a building” throughout this chapter includes

- (a) any material alteration, enlargement or re-construction of any building,
- (b) the conversion into a place for human habitation of any building not originally constructed for human habitation,
- (c) the conversion into more than one place for human habitation of a building originally constructed as one such place,
- (d) the conversion of two or more places of human habitation into a greater number of such places,
- (e) such alterations of the internal arrangements of a building as affect its drainage, ventilation or other sanitary arrangements, or its security or stability, and
- (f) the addition of any rooms, buildings or other structures to any building.

And a building so altered, enlarged, reconstructed, converted, or added to, shall, for the purpose of this chapter, be deemed to be a new building.

97. It shall not be lawful for any person to erect any hut or shed or range or block of huts or sheds, or to add any hut or shed to any range or block of huts or sheds already existing when this Regulation comes into operation, without giving previous notice to the Municipal Council; and the Municipal Council may require such huts or sheds to be built so that they may stand in regular lines, with a free passage or way in front of and between every two lines of such width as the Municipal Council may think proper for ventilation and to facilitate scavenging, and at such a level as will admit of sufficient drainage; and may require such huts to be provided with such number of privies and such means of drainage as to them may seem necessary. If any hut or shed or range or block be built without giving such notice to the Municipal Council, or otherwise than as required by the Municipal Council, the Municipal Council may give written notice to the owner or builder thereof or to the owner or occupier of the land on which the same is erected or is being erected, requiring him within such reasonable time as shall be specified in the notice to take down and remove the same, or to make such alterations therein or additions thereto as having regard to sanitary considerations the Municipal Council may think fit.

98. (1) Whenever the Municipal Council are of opinion that any huts or sheds, whether used as dwellings or stables or for any other purposes, and whether existing at the time when this Regulation comes into operation or subsequently erected, are by reason

- (a) of insufficient ventilation or of the manner in which such huts or sheds are crowded together, or
- (b) of the want of a plinth or of a sufficient plinth or of sufficient drainage, or
- (c) of the impracticability of scavenging,

attended with risk of disease to the inhabitants or the neighbourhood, they shall cause a notice to be affixed to some conspicuous part of each such hut or shed, requiring the owner or occupier thereof, or the owner of the land on which such hut or shed is built, within such reasonable time as may be fixed by the Municipal Council for that purpose, to take down and remove such hut or shed, or to execute such operations as the Municipal Council may deem necessary for the avoidance of such risk.

(2) In case any such owner or occupier shall refuse or neglect to take down and remove such huts or sheds, or to execute such operations within the time appointed, the Municipal Council may cause the said huts or sheds to be taken down, or such operations to be performed in respect of such huts or sheds as they may deem necessary to prevent such risk.

(3) If such huts or sheds be pulled down by the Municipal Council, the Municipal Council shall cause the materials of each hut or shed to be sold separately, if such sale can be effected, and the proceeds, after deducting all expenses, shall be paid to the owner of the hut or shed, or if the owner be unknown or the title disputed, shall be held in deposit by the Municipal Council until the person interested therein shall obtain the order of a competent Court for the payment of the same.

Provided always that in case any huts or sheds, existing at the time when the land on which they are situate first became part of a municipality, should be pulled down under this section by order of the Municipal Council or in pursuance of their notice, compensation shall further be made to the owner or owners thereof, and the amount thereof, in case of dispute, shall be ascertained and determined in the manner provided in section 160.

(3) *Powers connected with Drainage, etc.*

Municipal control over drains, etc. 99. (1) All sewers, drains, privies, water-closets, house-gullies and cesspools within the municipality shall be under the survey and control of the Municipal Council.

(2) All covered sewers and drains, and all cesspools, whether public or private, shall be provided by the Municipal Council or other persons to whom they severally belong, with proper traps, or other coverings or means of ventilation; and the Municipal Council may by written notice call upon the owner of any such covered sewers, drains, or cesspools to make provision accordingly.

100. (1) In order to carry out any drainage scheme, it shall be lawful for a Municipal Council to carry any drain, sewer, conduit, tunnel, culvert, pipe or water-course through, across or under any street, or any place laid out as or intended for a street, or under any cellar or vault which may be under any street, and, after giving reasonable notice in writing to the owner or occupier, into, through or under any land whatsoever within the municipality.

(2) The Municipal Council, or any officer appointed by them for such purpose, may enter upon and construct any new drain in the place of an existing drain in any land wherein any drain vested in the Municipal Council has been already constructed, or may repair or alter any drain vested in the Municipal Council.

(3) In the exercise of any power under this section no unnecessary damage shall be done, and compensation, which shall, in case of dispute, be ascertained and determined in the manner provided in section 160, shall be paid by the Municipal Council to any person who sustains damage by the exercise of such power.

101. (1) If any building or land be at any time undrained, or not drained to the satisfaction of the Municipal Council, the Municipal Council may by written notice call upon the owner to construct or lay from such building or land a drain or pipe of such size and materials, at such level, and with such fall as they think necessary for the drainage of such building or land into—

(a) some drain or sewer, if there be a suitable drain or sewer within fifty feet of any part of such building or land, or

(b) a covered cesspool to be provided by such owner.

(2) It shall not be lawful newly to erect any building, or to re-build any building, or to occupy any building newly erected or re-built, unless and until—

(a) a drain be constructed, of such size, materials and description, at such level, and with such fall, as shall appear to the Municipal Council to be necessary for the effectual drainage of such building;

(b) there have been provided for and set up in such building and in the land appurtenant thereto, all such appliances and fittings as may appear to the Municipal Council to

be necessary for the purposes of gathering and receiving the drainage from, and conveying the same off, the said building and the said land and of effectually flushing the drain of the said building and every fixture connected therewith.

(3) The drain to be constructed as aforesaid shall empty into a municipal drain, or into some place legally set apart for the discharge of drainage, situated at a distance not exceeding fifty feet from such building; but if there is no such drain or place within that distance, then such drain shall empty into such cesspool as the Municipal Council direct.

102. The owner or occupier of any building or land within the municipality shall be entitled to cause his drains to empty into the sewers of the Municipal Council, provided that he first obtains the written permission of the Municipal Council, and that he complies with such conditions as the Municipal Council prescribe as to the mode in which and the superintendence under which the communications are to be made between drains not vested in the Municipal Council and drains which are so vested.

Power of owners and occupiers of buildings or lands to drain into municipal drains.

Right to carry drain through land or into drain belonging to other persons how and on what conditions to be authorised by Municipal Council.

103. (1) If the owner or occupier of any building or land proves to the satisfaction of the Municipal Council that he cannot connect the same with any municipal drain otherwise than by means of a drain to be constructed through land, or to be connected with a drain, belonging to or occupied by or in the use of some other person, the Municipal Council, after giving to such other person a reasonable opportunity of stating any objection to such application, may, if no objection is raised or if any objection which is raised is in their opinion insufficient, by an order in writing authorise the owner or occupier first mentioned to carry his drain into, through or under the said land, or into the said drain as the case may be, in such manner and on such conditions as to the payment of rent or compensation, and as to the respective responsibilities of the parties for maintaining, repairing, flushing, cleaning and emptying the said drains, as may appear to them to be adequate and equitable.

(2) Every such order shall be a complete authority to the person in whose favor it is made, or to any agent or other person employed by him for this purpose, after giving or tendering to the owner or occupier of the said land or drain the compensation or rent, if any, specified in the said order, and otherwise fulfilling as far as possible the conditions of the said order, and after giving to the said owner or occupier reasonable notice in writing, to enter upon the land specified in the said order with assistants and workmen at any time between sunrise and sunset, and, subject to all the provisions of this Regulation, to do all such work as may be necessary—

Written order of Municipal Council authority for execution of necessary work.

(a) for the construction or connection of the drain, as may be authorised by the said order, or

(b) for discharging any responsibility attaching to him under the terms of the order as to maintaining, repairing, flushing, cleaning or emptying the said drain or any part thereof.

104. In executing any work under section 103, as little damage as possible shall be done, and the owner or occupier of the buildings or lands for the benefit of which the work is done, shall

Work how to be carried out.

(a) cause the work to be executed with the least practicable delay;

(b) fill in, reinstate and make good at his own cost and with the least practicable delay the ground or any portion of any building or other construction opened, broken up or removed for the purpose of executing the said work; and

(c) pay compensation to any person who sustains damage by the execution of the said work.

105. If the owner of any land into, through or under which a drain has been carried under section 103 whilst such land was unbuilt upon, shall at any subsequent time desire to erect a building thereon, the Municipal Council may, if they sanction the erection of such building, by written notice require the owner or occupier of the building or land for the benefit of which such drain was constructed to close, remove or divert the same, and to fill in, reinstate and make good the land in such manner as they may deem to be necessary, in order to admit of the construction or safe enjoyment of the proposed building; and may also, by written notice, require the person desiring to erect the building to make such alterations in the location of the building with reference to the drain, or in the details of the construction of the building, and on such terms, as the Municipal Council may deem to be necessary for the maintenance of the drainage connection.

Rights of owner of land through which drain is carried, in regard to subsequent building thereon.

106. (1) In case the Municipal Council shall be of opinion that any privy, or cesspool, or additional privies, or cesspools, should be provided in or on any building or land, or, in any municipality in which a water-closet system has been introduced, that water-closets should be substituted for the existing privies in or on any building or land, or that additional water-closets should be provided therein or thereon, the Municipal Council may by written notice call upon the owner of such building or land to provide such privies, cesspools or water-closets as the Municipal Council may deem proper.

(2) The Municipal Council may by written notice require any person or persons employing workmen or labourers exceeding twenty in number, or owning or managing any market, school or theatre or other place of public resort, to provide such latrines and urinals as the Municipal Council may direct, and to cause the same to be kept in proper order, and to be daily cleaned.

(3) The Municipal Council may by written notice require the owner or occupier of any land upon which there is a privy, to have such privy shut out, by a sufficient roof and a wall or fence, from the view of persons passing by or resident in the neighbourhood, or to alter as they may direct any privy door or trap door which opens on to any street, and which they deem to be a nuisance.

107. (1) All sewers, drains, privies, water-closets, house-gullies and cesspools within the municipality shall, unless constructed at the cost of the Municipal Council, be altered, repaired, and kept in proper order at the cost and charges of the owners of the land and buildings to which the same belong, or for the use of which they are constructed or continued, and the Municipal Council may by written notice require such owner to alter, repair, and put the same in good order in such manner as they think fit.

(2) The Municipal Council may by written notice demolish or close any privy or cesspool, whether constructed before or after the coming into operation of this Regulation, which in the opinion of the Municipal Council is a nuisance, or is so constructed as to be inaccessible for the purpose of scavenging or incapable of being properly cleaned or kept in good order.

108. When any building or land within the municipality has a drain communicating with any cesspool or sewer, the Municipal Council, if they consider that such drain, though it may be sufficient for the drainage of such building or land, and though it may be otherwise unobjectionable, is not adapted to the general sewerage of the municipality, may close such drain, and such cesspool or sewer, whether it is or is not on land vested in the Municipal Council, on providing a drain or drains equally effectual for the drainage of such building or land, and the Municipal Council may do any work necessary for the purpose.

Power in respect of sewers, etc., unauthorisedly constructed, re-built or unstopped.

109. The Municipal Council may by written notice require that any sewer, drain, privy, water-closet, house-gully or cesspool on any land within municipal limits, constructed, re-built or unstopped—

(a) after such land became part of a municipality, and

(b) either without the consent or contrary to the orders, directions or general regulations or by-laws of the Municipal Council, or contrary to the provisions of any enactment in force at the time when it was so constructed, rebuilt or unstopped,

shall be demolished, amended or altered, as they may deem fit, by the person by whom it was so constructed, re-built or unstopped, and every person so constructing, re-building or unstopping any such sewer, drain, privy, water-closet, house-gully or cesspool, whether he does or does not receive such notice, or does or does not comply therewith, shall, in addition to any penalty to which he may be liable on account of such non-compliance, be punished with fine which may extend to twenty-five rupees.

110. (1) Whoever, without the written consent of the Municipal Council first obtained, makes or causes to be made any drain into or out from any of the sewers or drains vested in the Municipal Council, shall be punished with fine which may extend to twenty-five rupees, and the Municipal Council may by written notice require such person to demolish, alter, re-make or otherwise deal with such drain as they may think fit.

Encroachment on municipal drains, etc.

(2) No building shall be newly erected or re-built over any sewer, drain, culvert or gutter vested in the Municipal Council without the written consent of the Municipal Council, and the Municipal Council may by written notice require the person who may have erected or re-built such building to pull down or otherwise deal with the same as they may think fit.

111. (1) The Municipal Council or any officer appointed by them for such purposes may, subject to the restrictions of this Regulation, inspect any sewer, drain, privy, water-closet, house-gully or cesspool, and for that purpose, at any time between sunrise and sunset, may enter upon any lands or buildings with assistants and workmen, and cause the ground to be opened where he or they may think fit, doing as little damage as may be.

(2) The expense of such inspection, and of causing the ground to be closed and made good as before, shall be borne by the Municipal Council unless the sewer, drain, privy, water-closet, house-gully or cesspool is found to be in bad order or condition, or was constructed in contravention of the provisions of any enactment, or of any by-laws of the Municipal Council in force at the time, in which case such expenses shall be paid by the owner of such sewer, drain, privy, water-closet, house-gully or cesspool, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

112. (1) The Municipal Council may, if they think fit, cause any work of the nature to which this sub-chapter applies, to be executed by municipal or other agency under their own orders, without first of all giving the person by whom the same would otherwise have to be executed the option of doing the same.

(2) The expenses of any work so done shall be paid by the person aforesaid, unless the Municipal Council shall, by a general or special order or resolution, sanction, as they are hereby empowered to sanction, the execution of such work at the charge of the municipal fund.

(3) Any pipes, fittings, receptacles, or other appliances for or connected with the drainage of private buildings or lands shall, if supplied, constructed or erected at the expense of the Municipal Council, be deemed to be municipal property, unless the Municipal Council shall have transferred their interest therein to the owner of such buildings or lands.

(4) *Powers regarding external structures, etc.*

113. (1) The Municipal Council may give written permission to the owners or occupiers of buildings in public streets to put up open verandahs, balconies, or rooms, to project from any upper storey thereof, at such height from the surface of the street as the Municipal Council may fix by by-laws from time to time, and to an extent not exceeding four feet beyond the line of the plinth or basement wall, and may prescribe the extent to which, and the conditions under which roofs, eaves, weather-boards, shop-boards and the like may be allowed to project over such streets.

(2) Any such owner or occupier putting up any such projections as aforesaid without such permission or in contravention of such orders, shall be punished with fine which may extend to twenty-five rupees, and if any such owner or occupier fails to remove any such projection as aforesaid in respect of which he has been convicted under this section, he shall be punished with further fine which may extend to five rupees for each day on which such failure or neglect continues.

(3) The Municipal Council may by written notice require the owner or occupier of any building to remove or alter any projection, encroachment or obstruction which, whether erected before or after the site of such building became part of a municipality, shall have been erected or placed against or in front of such building, and which

(a) overhangs or juts into, or in any way projects or encroaches upon, any public street, so as to be an obstruction to safe and convenient passage along such street, or which

(b) projects and encroaches into or upon any uncovered aqueduct, drain or sewer in such street, so as to obstruct or interfere with such aqueduct, drain or sewer, or the proper working thereof:

Provided always that the Municipal Council shall, if such projection, encroachment or obstruction shall have been made in any place before the date on which such place became part of a municipality, or after such date with the written permission of the Municipal Council, make reasonable compensation to every person who suffers damage by such removal or alteration; and if any dispute shall arise touching the amount of such compensation, the same shall be ascertained and determined in the manner provided in section 160.

114. The Municipal Council may by written notice require the owner of every building in any street to put up and keep in good condition proper troughs and pipes for catching and carrying the water from

the roof and other parts of such building, and for discharging the same, in such manner as they may think fit, so that it shall not fall upon the persons passing along the street.

115. The Municipal Council may erect or fix to the outside of any building, brackets for lamps to be lighted with oil or gas, or, subject to the provisions of the law in force relating to electricity, for lamps to be lighted with electricity or otherwise, or subject to the provisions of the law in force relating to telegraphs, for telegraph wires or telephonic wires, or for the conduct of electricity for locomotive purposes, or such pipes as they may deem necessary for the proper ventilation of sewers and water-works, and such brackets and pipes shall be erected so as not to occasion any inconvenience or nuisance to the said building or any others in the neighbourhood.

116. (1) The Municipal Council may from time to time cause to be put up or painted on a conspicuous part of any building at or near each end, corner, or entrance to every street, the name by which such street is to be known and may from time to time fix a number in a conspicuous place on the outer side of any building, or at the entrance of the enclosure thereof fronting the street.

(2) Any person who destroys, pulls down or defaces any such name or number, or puts any name or number different from that put up by the Municipal Council, and any owner or occupier of any building who shall not at his own expense keep such number in good order after it has been put up thereon, shall be punished with fine which may extend to twenty-five rupees.

117. Any person

(a) who, without the consent of the owner or occupier, affixes any posting bill, placard or other paper or means of advertisement against or upon any building, wall, board, fence or pale, or

(b) who, without such consent as aforesaid writes upon, soils, defaces or marks any such building, wall, board, fence or pale with chalk or paint or in any other way whatsoever,

shall be punished with fine which may extend to twenty rupees.

118. The Municipal Council may by written notice require the owner or occupier of any land so to trim or prune the hedges thereof bordering any public street that the said hedges may not exceed the height of four feet from the level of the street, and width of four feet, and to cut down, lop or trim all trees or shrubs which in any way overhang, endanger, or obstruct, or which they deem likely to overhang, endanger, or obstruct any public street or to cause damage thereto, or which so overhang any public tank, well, or other provision for water-supply as to pollute or be likely to pollute the water thereof.

(5) Powers for promotion of Public Health, Safety and Convenience.

119. (1) If any building, or anything affixed thereon, be deemed by the Municipal Council to be in a ruinous state or likely to fall, or in any other way dangerous to any inhabitant of such building, or of any neighbouring building, or to any occupier thereof, or to passengers, the Municipal Council shall immediately, if it appears to them to be necessary, cause a proper hoard or fence to be put up for the protection of passengers; all expenses incurred by the Municipal Council under this sub-section shall be paid by the owner or occupier of such building, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

(2) The Municipal Council shall also cause notice in writing to be given to the owner or occupier, requiring such owner or occupier forthwith to take down, secure, or repair such building or thing affixed thereon, as the case shall require, and if such owner or occupier do not begin to repair, take down, or secure such building or thing within three days after the service of such notice, and complete such work with due diligence, the Municipal Council shall cause all or so much of such building or thing, as they shall think necessary, to be taken down, repaired, or otherwise secured.

Provided always that if the danger be not of hourly imminence, it shall be at the discretion of the Municipal Council, instead of themselves causing a hoard or fence to be put up, to issue in the first instance a notice in writing to the owner or occupier to put up a proper hoard or fence, and in the event of the owner or occupier failing to put up within two days from the service of such notice a hoard or fence which the Municipal Council consider sufficient in the circumstances of the case, the Municipal Council shall at once cause such hoard or fence to be put up and thereafter proceed as provided in sub-sections (1) and (2).

120. (1) The Municipal Council may at any time by written notice require that the owner of, or any person who has the control over, any well, stream, channel, tank or other source of water-supply, shall, whether it is private property or not,

(a) keep and maintain any such source of water-supply, other than a stream, in good repair, or

(b) within a reasonable time to be specified in the notice, cleanse any such source of water-supply from silt, refuse and decaying vegetation, or

(c) in such manner as the Municipal Council prescribe, protect any such source of water-supply from pollution by surface drainage, or

(d) within twenty-four hours of such notice, repair, protect or enclose in such manner as the Municipal Council approve, any such source of water-supply other than a stream in its natural flow, if for want of sufficient repair, protection or inclosure, such source of water-supply is in the opinion of the Municipal Council dangerous to the health or safety of the public or of any persons having occasion to use or to pass or approach the same, or shall

(e) desist from using and from permitting others to use for drinking purposes any such source of water supply which, not being a stream in its natural flow, is proved to the satisfaction of the Municipal Council to be unfit for drinking; or

(f) if notwithstanding any such notice under clause (e) such use continues and cannot in the opinion of the Municipal Council be otherwise prevented, close, either temporarily or permanently, or fill up or enclose or fence in such manner as the Municipal Council consider sufficient to prevent such use, such source of water-supply as aforesaid; or

(g) drain off or otherwise remove from any such source of water-supply, or from any land or premises or receptacle or reservoir attached or adjacent thereto, any stagnant water which the Municipal Council consider is injurious to health or offensive to the neighbourhood.

(2) If the owner or person having control as aforesaid fails or neglects to comply with any such requisition within the time required by or under the provisions of sub-section (1), the Municipal Council may, and if in their opinion immediate action is necessary to protect the health or safety of any person shall, at once proceed to execute the work required by such notice, and all the expenses incurred therein by the Municipal Council shall be paid by the owner of, or person having control over, such water-supply, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

Provided that in the case of any well or private stream or of any private channel, tank or other source of water-supply, the water of which is used by the public or by any section of the public as of right, the expenses incurred by the Municipal Council or necessarily incurred by such owner or person having such control, may, if the Municipal Council so direct, be paid from the municipal fund.

121. (1) Whoever displaces, takes up, or makes any alteration in the pavement, gutter, flags, or other materials, of any public street, or the fences, walls, or posts thereof, or any municipal lamp, lamp-post, bracket, water-post, hydrant, or other such municipal property therein, without the written consent of the Municipal Council or other lawful authority, shall be punished with fine which may extend to one hundred rupees.

(2) Any person who, having displaced, taken up or made alteration in any such pavement, gutter, flags, or other materials, or in the fences, walls, posts, municipal lamps, lamp-posts, brackets, water-posts, hydrants, or other municipal property of any public street, shall fail to replace or restore the same to the satisfaction of the Municipal Council after notice to do so, shall be punished with fine which may extend to fifty rupees, and shall pay any expense which may be incurred in restoring the street, and such expense shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

122. (1) Whoever in any place after it has become a municipality shall have built or set up, or shall build or set up, any wall or any fence, rail, post, stall, verandah, platform, plinth, step, or any projecting structure or thing, or other encroachment or obstruction, in any public street, or shall deposit or cause to be placed or deposited any box, bale, package or merchandise, or any other thing in such street, or in or over or upon, any open drain, gutter, sewer, or aqueduct in such street, shall be punished with fine which may extend to twenty-five rupees.

(2) The Municipal Council shall have power to remove any such obstruction or encroachment, and shall have the like power to remove any unauthorised obstruction or encroachment.

of the like nature in any open space not being private property, whether such space is vested in the Municipal Council or not, provided that if the space be vested in Government the permission of the Deputy Commissioner shall have first been obtained, and the expense of such removal shall be paid by the person who has caused the said obstruction or encroachment, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

(3) Whoever, not being duly authorised in that behalf, removes earth, sand or other material from, or makes any encroachment in or upon, any open space which is not private property, shall be punished with fine which may extend to fifty rupees, and in the case of an encroachment, with further fine which may extend to ten rupees for every day on which the encroachment continues after the date of first conviction for such offence.

(4) Nothing contained in this section shall prevent the Municipal Council from allowing any temporary occupation of or erections in any public street on occasions of festivals and ceremonies, or the piling of fuel in by-streets and spaces for not more than four days, and in such manner as not to inconvenience the public or any individual.

(5) Nothing contained in this section shall apply to any projection duly authorised under sub-section (1) of section 113, or in any case where permission has been given under sub-section (4) of this section.

123. (1) Every person intending to build or take down any building, or to alter or repair the outward part of any building, in such a position or in such circumstances as that the work is likely to cause or may cause obstruction, danger or inconvenience in any street, shall before beginning such work,

(a) first obtain a license in writing from the Municipal Council so to do, and

(b) cause sufficient hoards or fences to be put up in order to separate the building where such works are being carried on from the street, and shall maintain such hoard or fence standing and in good condition to the satisfaction of the Municipal Council during such time as the public safety or convenience requires, and shall cause the same to be sufficiently lighted during the night, and shall remove the same when directed by the Municipal Council.

(2) Whoever contravenes any of the provisions of this section shall be punished with fine which may extend to fifty rupees, and with further fine which may extend to ten rupees, for every day or night, as the case may be, on which such contravention continues, after the date of the first conviction.

124. (1) The Municipal Council shall, during the construction or repair of any of the streets, sewers, drains or other premises vested in them, take proper precaution for guarding against accident, by shoring up and protecting the adjoining buildings, and shall cause such bars, chains, or posts to be fixed across or in any of the streets to prevent the passage of carriages, carts, or other vehicles, or of cattle or horses, while such works are carried on, as to them shall seem proper; and the Municipal Council shall cause any sewer or drain or other works in streets, during the construction or repair thereof, to be lighted with a sufficient light and guarded during the night.

(2) Whoever takes down, alters or removes any of the said bars, chains or posts, or removes or extinguishes any such light, without the authority or consent of the Municipal Council, shall be punished with fine which may extend to fifty rupees.

125. (1) No person shall, without the written permission of the Municipal Council or otherwise than in accordance with such conditions as may therein be prescribed, make a hole in any street, or erect or deposit thereon any timber, stone, brick, earth or other material that has been, or is intended to be, used for building; and such permission shall be terminable at the discretion of the Municipal Council; and when such permission is granted to any person, he shall, at his own expense, cause such materials or such hole to be sufficiently fenced and enclosed until the materials are removed, or the hole is filled up or otherwise made secure, to the satisfaction of the Municipal Council, and shall cause the same to be sufficiently lighted during the night.

(2) Whoever contravenes any of the provisions of sub-section (1) shall be punished with fine which may extend to twenty-five rupees, and with further fine which may extend to ten rupees for every day or night, as the case may be, on which such contravention continues, after the date of the first conviction.

126. If in the opinion of the Municipal Council the working of any quarry, or the removal of stone, earth or other material from the soil in any place, is dangerous to persons residing in or having legal access to the neighbourhood thereof, or creates or is likely to create a nuisance, the Municipal

Council may, by written notice, require the owner of the said quarry or place, or the person responsible for such working or removal, not to continue or permit the working of such quarry or the removing of such material, or to take such order with such quarry or place as the Municipal Council shall direct for the purpose of preventing danger or of abating the nuisance arising or likely to arise therefrom.

Provided that if such quarry or place is vested in Government, or if such working thereof or removal therefrom as aforesaid is being carried on by or on behalf of Government, or any person acting with the permission or under the authority of Government or of any officer of Government acting as such, the Municipal Council shall not take such action unless and until the Deputy Commissioner has consented to their so doing.

Provided further that the Municipal Council shall immediately cause a proper hoard or fence to be put up for the protection of passengers near such quarry or place, if in any case referred to in this section it appears to them to be necessary in order to prevent imminent danger, and any expense incurred by the Municipal Council in taking action under this section shall be paid by such owner or other person as aforesaid, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

(6) *Powers for the Prevention of Nuisances.*

127. (1) Whoever deposits, or causes or suffers any member of his family or household to deposit, any dust, dirt, dung, ashes, garden, kitchen or stable refuse, or filth of any kind, or any animal matter, or any broken glass or earthen-ware or other rubbish, or any other thing that is or may be a nuisance, in any street or in any arch under a street, or in any drain beside a street or on any open space or on the bank of any river, water-course or nullah, except at such places, in such manner, and at such hours as shall be fixed by the Municipal Council, and whoever commits, or suffers any member of his family to commit, nuisance in any such place as aforesaid, shall be punished with fine which may extend to twenty-five rupees.

(2) Whoever throws or puts, or causes or suffers any member of his family or household to throw or put, any of the matter above described, or, except with the permission of the Municipal Council, any night-soil into any sewer, drain, culvert, tunnel, gutter or water-course, and whoever commits nuisance, or suffers any member of his family to commit nuisance, in any such drain, culvert, tunnel or water-course, or in such close proximity thereto as to pollute the same, shall be punished with fine which may extend to twenty-five rupees.

128. Whoever causes or allows the water of any sink or sewer, or any other liquid or other matter which is or which is likely to become offensive, from any building or land under his control, to run, drain, or be thrown or put upon any street or open space, or to soak through any external wall, or causes or allows any offensive matter from any sewer or privy, to run, drain or be thrown into a surface drain in any street, without the permission in writing of the Municipal Council, or who fails to comply with any condition prescribed in such permission, shall be punished with fine which may extend to twenty-five rupees.

129. Whoever, being the owner or occupier of any building or land, keeps or allows to be kept for more than twenty-four hours, or otherwise than in some proper receptacle, any dirt, dung, bones, ashes, night-soil, filth or any noxious or offensive matter, in or upon such building or land, or suffers such receptacle to be in a filthy or noxious state, or neglects to employ proper means to remove the filth from, and to cleanse and purify, such receptacle, or keeps or allows to be kept in or upon such building or land any animal in such a way as to cause a nuisance, shall be punished with fine which may extend to twenty-five rupees, and with further fine which may extend to five rupees, for every day on which such offence is continued, after the date of the first conviction.

130. (1) The Municipal Council may from time to time fix the hours within which only it shall be lawful to remove any night-soil or other such offensive matter.

(2) Whoever,

- (a) when the Municipal Council have fixed such hours, and given public notice thereof by beat of drum, removes, or causes to be removed, along any street any such offensive matter at any time except within the hours so fixed, or
- (b) at any time, whether such hours have been fixed by the Municipal Council or not,
- (i) uses for any such purpose any cart, carriage, receptacle or vessel not having a covering proper for preventing the escape of the contents thereof and of the stench therefrom, or

- (ii) wilfully or negligently slops or spills any such offensive matter in the removal thereof, or
- (iii) does not carefully sweep and clean every place in which any such offensive matter has been slopped or spilled, or
- (iv) places or sets down in any public place any vessel containing such offensive matter, or
- (v) drives or takes or causes to be driven or taken any cart, carriage, receptacle or vessel used for any such purpose as aforesaid, through any street or by any route, other than such as shall from time to time be appointed for that purpose by the Municipal Council by public notice,

shall be punished with fine which may extend to twenty-five rupees.

131. (1) Whoever, being the owner or occupier of any building or land, whether tenantable or otherwise, suffers the same to be in a filthy and unwholesome state, or in the opinion of the Municipal Council a nuisance to persons residing in the neighbourhood, or overgrown with prickly-pear or rank and noisome vegetation, and who shall not, within a reasonable time after notice in writing by the Municipal Council to cleanse, clear or otherwise put the same in a proper state, have complied with the requisition contained in such notice, shall be punished with fine which may extend to twenty-five rupees, and with further fine which may extend to five rupees for every day on which the failure to comply with the said notice is continued, after the date of the first conviction.

(2) Should the state of the building be such as in the judgment of the Municipal Council to render it unfit for human habitation, they may further by written notice prohibit the using thereof for that purpose until it is so rendered fit.

(3) If any building, by reason of dilapidation, neglect, abandonment, disuse or disputed ownership, or of its remaining untenanted and thereby

(a) becoming a resort of idle and disorderly persons, or of persons who have no ostensible means of subsistence, or who cannot give a satisfactory account of themselves, or

(b) coming into use for any insanitary or immoral purpose, or

(c) affording a shelter to snakes, rats or other dangerous or offensive animals,

is open to the objection that it is a nuisance, or so unwholesome or unsightly as to be a source of discomfort, inconvenience or annoyance to the neighbourhood or to persons passing by such building, the Municipal Council, if they consider such objection cannot under any other provision of this Regulation be otherwise removed, may, if there is any person known or resident within the municipality who claims to be the owner of such building, by written notice directed to such person, require such person, or in any other case by written notice fixed on the door or any other conspicuous part of the building, require all persons claiming to be interested in such building, within a period which shall be specified in the notice and shall not be less than seven days from the date of such notice, to cause such building to be taken down and the materials thereof to be removed; and in the event of non-compliance with such requirement, the Municipal Council, on the expiration of the period specified as aforesaid, may forthwith cause the building to be taken down and the materials to be removed, and may sell such materials and apply the proceeds to defray any expenses incurred by them in so doing, and all such expenses not thereby defrayed shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

132. It shall be lawful for the president, vice-president, or any councillor or officer authorised by the Municipal Council in this behalf, at any time between sunrise and sunset, on giving such notice as hereinafter provided, to enter into and inspect all buildings and lands, and by written notice to direct all or any part thereof to be forthwith internally and externally limewashed or otherwise cleansed for sanitary reasons.

133. (1) The Municipal Council may set apart sufficient public places for the purpose of being used as bathing places, and may also provide or set apart a sufficient number of convenient tanks or runs of water for the inhabitants to bathe in; and may also set apart tanks or reservoirs or runs of water for washing animals or clothes, and for all purposes connected with the health, cleanliness and comfort of the inhabitants, and may prohibit the use, for any purpose mentioned in this section of any or all other public places within the municipality.

(2) Copies of all orders passed and notices issued by the Municipal Council and for the time being in force under this section, shall be kept at the municipal office and shall be open for inspection by the public at all reasonable times.

134. (a) Whoever, in disobedience of any order of the Municipal Council under section 133, or of any by-law, bathes in any stream, pool, tank, reservoir, well, cistern, conduit or aqueduct belonging to the Municipal Council, or washes, or causes to be washed, therein any animal or any thing whatever, or throws, puts or casts or causes to enter therein any animal or any thing, or causes or suffers to run, drain or be brought thereinto any thing that is, or may become, a nuisance, or does anything whatsoever whereby any water therein shall be in any degree fouled or corrupted, and

(b) whoever, without permission of the Municipal Council, steeps in any tank, stream, or ditch within, or on the boundary of, the municipality any animal, vegetable or mineral matter likely to render the water of such tank, stream or ditch offensive or a nuisance, shall be punished with fine which may extend to fifty rupees.

135. When any pool, ditch, tank, pond, well, hole, or any waste or stagnant water, or any channel or receptacle of foul water or other offensive or injurious matter, whether the same be within any private enclosure or otherwise, shall appear to the Municipal Council to be likely to prove injurious to the health of the inhabitants or offensive to the neighbourhood, the Municipal Council may by written notice require the owner of the same to cleanse, fill up, drain off or remove the same, or to take such measures as shall, in their opinion, be necessary to abate or remove the nuisance.

136. Whoever, except with the written permission of the Municipal Council, and in the way, if any, enjoined in such permission, stores or uses night-soil or other manure or substance emitting an offensive smell, shall be punished with fine which may extend to twenty-five rupees.

137. (1) Whoever tethers cattle or other animals, or causes or suffers them to be tethered by any member of his family or household, in any public street or place so as to obstruct or endanger the public traffic therein, or to cause a nuisance, or who causes or suffers such animals to stray about without a keeper, shall be punished with fine which may extend to twenty-five rupees.

(2) Whoever keeps any swine so as to be a nuisance shall be punished with fine which may extend to ten rupees.

138. (1) It shall be lawful for the Municipal Council to direct by public notice that every furnace employed, or to be employed, in any works or buildings used for the purpose of any trade or manufacture whatsoever within the limits of the municipality, whether a steam-engine be or be not used or employed therein, shall in all cases be constructed, supplemented or altered so as to consume or burn, or reduce as far as may be practicable, the smoke arising from such furnace.

(2) If any person shall after such direction use, or permit to be used, any such furnace not so constructed, supplemented, or altered, or shall so negligently use, or permit to be used, any such furnace as that the smoke arising therefrom shall not be effectually consumed or burnt as far as may be practicable, every person so offending, being the owner or occupier of the said works or buildings or, being an agent or other person employed by such owner or occupier for managing the same, shall be punished with fine which may extend to fifty rupees, and upon any subsequent conviction to five hundred rupees.

Provided that nothing in this section shall be held to apply to locomotive engines used for the purpose of traffic upon any railway or for the repair of roads.

(7) Regulation of Markets, Sale of Food, etc.

139. (1) It shall be lawful for the Municipal Council to direct that no place shall be used as a market for the sale of animals, meat, fish, fruit or vegetables intended for human food, or as a slaughter-house, excepting the public markets or slaughter-houses constructed or opened by the Municipal Council, or such other markets or slaughter-houses as may have been licensed in writing by the Municipal Council, who may, at their discretion, from time to time grant, suspend, withhold or withdraw such licenses, either generally or in individual instances.

(2) No person shall in any municipality in which by-laws are in force prescribing the conditions on and subject to which, and the circumstances in which, licenses for shops for the sale of such commodities may be granted, refused, suspended or withdrawn, use without a license from the Municipal Council granted in accordance with by-laws made under clause (b) of sub-section (1) of section 48 any place as a shop for the sale of animals, meat, or fish, intended for human food, except in a municipal or licensed market.

(3) Whoever contrary to such direction or without the license required as aforesaid, or otherwise than in accordance with the conditions on or subject to which such license was granted, sells or exposes for sale any such animals or commodities, or uses or permits the use of a place as a shop for the sale thereof, or uses any place as a slaughter-house, shall be punished with fine which may extend to twenty-five rupees.

(4) Upon a conviction being obtained in respect of any place which has, without or during the suspension or after the withdrawal of a license, been used or permitted to be used as a slaughter-house or shop for such sale as aforesaid, the Magistrate shall, on the application of the Municipal Council, but not otherwise, order such place to be closed, and thereupon appoint persons, or take other steps, to prevent such place being so used: and every person who so uses or permits the use of the place after it has been so ordered to be closed, shall be punished with a fine which may extend to five rupees for each day during which he continues so to use, or permits such use of, the place after it has been so ordered to be closed.

(5) Nothing contained in this section shall apply to the use of any hotel or eating house for the sale of food served for consumption on the premises.

140. (1) The Municipal Council may from time to time open or close any public market or slaughter-house. They may also either take stallage or other rents or fees for the use by any person of any such market or slaughter-house, or from time to time sell by public auction or otherwise the privilege of occupying any stall or space in, or of otherwise using, any such market or slaughter-house.

Opening, closing, and letting of markets and slaughter-houses.

(2) Any person who, without the permission or license of the Municipal Council shall sell or expose for sale any article in the said markets, or use the said slaughter-houses, shall be punished with fine which may extend to twenty-five rupees.

141. It shall be lawful for the Municipal Council, with the sanction of the Deputy Commissioner, to establish slaughter-houses, or places for the disposal of carcasses of animals, beyond the limits of the municipality, and all provisions of this Regulation and of by-laws in force thereunder relating to such places within municipal limits, shall have full force therein, as if such places were within the municipal limits.

Slaughter-houses, etc., beyond municipal limits.

Search for and inspection of unwholesome articles.

142. (1) The president, vice-president or any councillor or officer authorised by the Municipal Council in this behalf—

(a) may at all reasonable times enter into any place for the purpose of inspecting, and may inspect, any animals, carcasses, meat, poultry, game, flesh, fish, fruit, vegetables, corn, bread, flour, milk, ghee, butter or other articles intended for human food or drink or for medicine, whether exposed or hawked about for sale, or deposited in, or brought to, any place for the purpose of sale, or of preparation for sale; or may enter into and inspect any place used as a slaughter-house, and may examine anything which may be therein; and

(b) in case any such animals, carcasses, or other articles before mentioned appear to be diseased or unsound or unwholesome or unfit for human food or drink or medicine, may seize the same.

Any article which is of a perishable nature may, under the orders of the president, vice-president or chairman of the managing committee or of a committee appointed under section 29 to exercise all or any of the powers vested in the Municipal Council under this sub-chapter, if in his opinion it is diseased, unsound, unwholesome or unfit for food, drink and medicine, forthwith be destroyed.

Every animal and every article which is not of a perishable nature, if seized as aforesaid, shall be taken before a Magistrate.

If it appear to the Magistrate upon sufficient evidence that any such article is diseased or unsound or unwholesome or unfit for human food, drink or medicine, the owner or person in whose possession it was found, not being merely bailee or carrier thereof, shall, if in such case the provisions of section 273 of the Indian Penal Code do not apply, be punished with fine which may extend to one hundred rupees, and the Magistrate shall cause such article to be destroyed or to be so disposed of as to prevent its being exposed for sale or used for food or drink or medicine.

(2) In every municipality to which the Government may by notification have declared this sub-section to apply, whether as regards food or drink of all kinds or of any specified kind,

Adulterated articles for food or drink.

if any article to which this sub-section is applicable as aforesaid, is intended for food or drink, and is in any place mentioned in sub-section (1), the president, vice-president or officer authorised as aforesaid, in case such article appears not to be what it is represented to be, may seize the same, and if it appears to a Magistrate upon sufficient evidence that such article is

not what it is represented to be, such Magistrate may order the same to be destroyed or to be so disposed of as to prevent its being exposed for sale or use for food or drink, and the owner thereof or the person in whose possession the same was found, not being merely carrier or bailee thereof, shall, if in such case the provisions of section 273 of the Indian Penal Code do not apply, be punished with fine which may extend to one hundred rupees.

EXPLANATION.—If such article having been exposed or stored in, or brought to any place mentioned in sub-section (1) for sale as ghee, contains any substance not exclusively derived from milk, it shall be deemed to be, for the purposes of this sub-section, an article which is not what it is represented to be.

Provided that when any article of food or drink referred to in this sub-section appears to the Magistrate not to be what it is represented to be, solely by reason of the fact that there has been added to it, some substance not injurious to health, no offence shall be deemed

to have been committed by the owner of the article or the person in whose possession the same is found, if such owner or person proves to the satisfaction of the Magistrate—

(a) that such substance has been added to the article of food or drink, because the same is required for the production or preparation thereof, as an article of commerce, in a state fit for carriage or consumption, and not fraudulently to increase the bulk, weight or measure of the food or of drink or conceal the inferior quality thereof, or

(b) that in the process of production, preparation or conveyance of such article of food or drink, the extraneous substance has unavoidably become intermixed therewith, or

(c) that, by a label distinctly and legibly written or printed on or with the said article of food or drink or by other means of public description, he has given sufficient notice that such substance has been so added, or

such person shall be punished with fine which may extend to one thousand rupees.

Withdrawal and modification of powers and orders.

146. (1) The Government may at any time

(a) withdraw any power conferred under section 144 or under section 145;

(b) cancel or modify any limitation, restriction or condition prescribed in respect of any such power; or

(c) cancel any order passed by a Municipal Council in exercise of any such power.

(2) Every order passed by a Municipal Council in exercise of any such power as aforesaid shall, on the withdrawal of such power, cease to be in force in the municipality.

147. If in any municipality any infectious disease amongst horses, dogs, cattle, sheep or goats breaks out, or if the introduction of any such disease appears to be likely, the Municipal Council shall take all such measures as they deem necessary for the purpose of preventing, meeting, mitigating or suppressing the disease or the outbreak or introduction thereof.

Duties of Municipal Council in respect of diseases among horses, dogs, cattle, sheep or goats.

148. (1) Whenever the Municipal Council consider the interior of a building is so overcrowded as to be or to be likely to become, dangerous or prejudicial to the health of the inhabitants of that or of any neighbouring building, the Municipal Council may cause proceedings to be taken before a Magistrate of the first class for the purpose of obtaining an order to prevent such overcrowding.

Proceedings to abate the overcrowding of the interiors of buildings.

(2) Such Magistrate may, on the production of a certificate by a medical officer stating his opinion that the overcrowding complained of is likely to cause disease or risk of disease, and after such further enquiry, if any, as may appear to such Magistrate necessary, require the owner of the building within a reasonable time, not being more than six weeks or less than ten days, to abate the number of lodgers, tenants or other inmates of the said building to such extent as he shall deem necessary to prescribe, or may pass such other order as he shall deem just and proper.

(3) If the said building shall have been sublet the landlord of the lodgers, tenants or other actual inmates of the same shall for the purpose of this sub-section be deemed to be the owner of the building.

(4) It shall be incumbent on any owner to whom a requisition is issued under sub-section (2), forthwith to give to so many of the lodgers, tenants or other actual inmates of the said building as may be necessary to fill the conditions prescribed thereby, written notice to vacate the said building within the period specified in such requisition, and any such lodgers, tenants or inmates receiving such notice shall be bound to comply therewith.

(5) Any owner who after the date specified in any requisition issued under sub-section (2) permits the overcrowding of any building in contravention of such requisition, and any person who omits to vacate any such building in accordance with notice given to him under sub-section (4), shall be punished with fine which may extend to ten rupees for each day subsequent to the date specified in such requisition during which such overcrowding, or such omission to vacate, continues.

149. (1) If the Government is of opinion that risk of disease has arisen or is likely to arise, either to any occupier in, or to any inhabitants in the neighbourhood of, any area by reason of any of the following defects, namely—

Special powers which may be conferred by Government in respect of overcrowded areas notified by Government.

- (a) the manner in which either buildings, or blocks of buildings, already existing or projected therein, are, or are likely to become, crowded together, or
 - (b) the impracticability of cleansing any such buildings, or blocks of buildings, already existing or projected, or
 - (c) the want of drainage or scavenging, or the difficulty of arranging therein for the drainage or scavenging of any such buildings or blocks or area as aforesaid; or
 - (d) the narrowness, closeness, bad arrangement or bad condition of the streets or buildings or groups of buildings;
- the Government may by notification confer on the Municipal Council, to which such area is subject, all or any of the powers specified in sub-section (2), and may, if it deem necessary, at any time make rules prescribing any limitations, restrictions, modifications, conditions or regulations, subject to which the Municipal Council shall exercise within that area all powers so conferred, unless and until those powers are withdrawn by a subsequent notification of Government.

(2) The powers, all or any of which may be conferred on a Municipal Council under sub-section (1), are as follows:—

- (a) power, when any building or block, already existing or in course of erection, by reason of any defect specified in sub-section (1), has given or is in the opinion of the Municipal Council likely to give rise to such risk as aforesaid, to require by a written notice, to be fixed upon some conspicuous part of such building or block, and addressed as the Municipal Council deem fit either to the owners thereof or to the owners of the land on which such building or block is erected or is in course of erection, that the persons so addressed shall, within a reasonable time as shall be specified in the notice, either pull down or remove the said building or block, or execute such works or take such action in connection therewith as the Municipal Council deem necessary to prevent all such risk of disease;
- (b) power by Municipal or other agency, to pull down or remove the said building or block, or to execute such works or take such action, if the persons addressed in the said notice neglect so to do within the time specified therein;
- (c) power, subject to right of appeal to the Deputy Commissioner, whose decision shall be conclusive, to prohibit by written notice addressed to the owner and occupier of any such site or space, and by general notice published in the manner provided in sub-section (3) of section 154, the erection of any building or of any building exceeding such dimensions as may be specified,

(i) on the site of any building which has, in whole or in part, in exercise of the power specified in clause (a), been pulled down, or

(ii) on any space not occupied by buildings, whether such space is private property or not, and whether it is enclosed or not,

if the Municipal Council consider that, in order to prevent such risk as aforesaid such site or space should not be built upon, and either

(a) to acquire such site or space, or

(b) to prescribe such conditions as may be deemed necessary as to the use which the owner or occupier may make or permit to be made thereof.

Provided that in every case compensation, the amount of which shall, in case of dispute, be ascertained and determined in the manner provided in section 160, shall be paid to any person whose rights are affected by such prohibition.

(3) When, in pursuance of any notice under sub-section (2), any building has been pulled down, the Municipal Council shall, unless it has been erected contrary to any provision of this Regulation or of any by-law in force thereunder, pay to such owner or occupier as may have sustained damage thereby reasonable compensation, the amount of which shall, in case of dispute, be ascertained or determined in the manner provided in section 160.

(4) In making any rules under sub-section (1) the Government may prescribe a fine not exceeding five hundred rupees for every breach, and a further fine not exceeding twenty rupees a day for every continuing breach, of any order made or conditions imposed by the Municipal Council in exercise of the powers conferred upon them under this section or in pursuance of such rules.

150. (1) If the Municipal Council be of opinion that any place used for the disposal of the dead is in such a state as to be, or to be likely to become, injurious to health, they may submit their opinion with the reasons therefor to Government, and the Government thereupon, after such further enquiry, if any, as it shall deem fit to cause to be made, may by notification direct that such place shall cease to be so used from such date as may be specified in that behalf in the said notification.

(2) A copy of the said notification together with a translation thereof in Kanarese shall be published in the Official Gazette, and shall be posted up at the Municipal Office and in one or more conspicuous spots on or near the place to which the same relates.

(3) Any person who buries or otherwise disposes of any corpse in any such place, after the date specified in the said notification for closure of the same, shall be punished with fine which may extend to one hundred rupees.

(9) Nuisances from certain trades and occupations.

(3) Every notice which this Regulation requires or empowers a Municipal Council to give or to serve either as a public notice, or generally, or by provisions which do not expressly require notice to be given to individuals therein specified, shall be deemed to have been sufficiently given or served if a copy thereof is put up in such conspicuous part of the municipal office during such period, and in such other public buildings and places, or is published in such local papers or in such other manner, as the Municipal Council in by-laws in this behalf prescribe.

Public and general notices how to be published.

(4) No notice or bill shall be invalid for defect of form.

Execution of acts required to be done by any notice.

(5) When any notice under this chapter requires any act to be done for which no time is fixed by this Regulation, the notice shall fix a reasonable time for doing the same.

(6) In the event of non-compliance with the terms of the notice it shall be lawful for the Municipal Council to take such action or such steps as may be necessary for the completion of the act thereby required to be done, and all the expenses therein incurred by the Municipal Council shall be paid by the person or persons upon whom the notice was served, and shall be recoverable in the manner provided in section 160.

155. Whoever disobeys or fails to comply with any lawful direction given by any written notice issued by a Municipal Council under any power conferred by this chapter, or fails to comply with the conditions subject to which any permission was given to him by the Municipal Council under any power so conferred, shall, if the disobedience or failure is not an offence punishable under any other section, be punished with fine which may extend to fifty rupees, and with further fine which may extend to five rupees for every day on which the said disobedience or failure continues after the date of the first conviction:

Punishment for disobedience to orders and notices not punishable under any other section.

Provided that when the notice fixes a time within which a certain act is to be done, and no time is specified in this Regulation, it shall rest with the Magistrate to determine whether the time so fixed was a reasonable time within the meaning of this Regulation.

156. (1) Whenever, under the provisions of this Regulation, any work is required to be executed by the owner or occupier of any building or land, and default is made in the execution of such work, the Municipal Council, whether any penalty is or is not provided for such default, may cause such work to be executed; and the expenses thereby incurred shall, unless otherwise expressly provided in this Regulation, be paid to them by the person by whom such work ought to have been executed, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII either in one sum or by instalments as to the Municipal Council may seem fit.

Municipal Council in default of owner or occupier may execute works and recover expenses.

Provided that

(a) Whenever any drainage scheme or water-works scheme has been commenced by any Municipal Council, it shall be lawful for the Municipal Council, without prejudice to their powers under sub-section (1) or section 101 or any other provision of this Regulation, to make a special agreement with the owner of any building or land as to the manner in which the drainage or water-connection thereof shall be carried out, and the pecuniary or other assistance, if any, which the Municipal Council shall render, and any payment agreed upon by the owner shall be recovered in accordance with the terms of such agreement, or in default, in the manner described in sub-sections (2) and (3).

Agreement for construction of drainage and water connections.

Provided also that

(b) when an order has been passed under sub-section (3) of section 90, sub-section (1) of section 91, sub-section (2) or (6) of section 96 or under section 99, 101, 106 or 107, or when permission has been given under section 102, or when an agreement has been made under proviso (a) of this sub-section, the Municipal Council may without prejudice to any other powers under this Regulation, if they think fit, declare any expenses incurred as aforesaid by the Municipal Council to be improvement expenses. Improvement expenses shall be a charge upon the premises or land, and shall be levied in such instalments as the Municipal Council decide, including interest at the rate of six per cent. per annum, and shall be recoverable in the manner described in sub-sections (2) and (3).

Improvement expenses.

(2) If the defaulter be the owner of the building or land, the Municipal Council may, by way of additional remedy, whether a suit or proceeding has been brought or taken against such owner or not, require, subject to the provisions of sub-section (3), the payment of all or any part of the expenses payable by the owner for the time being, from the person who

then or any time thereafter, occupies the building or land under such owner; and in default of payment thereof by such occupier on demand, the same may be levied from such occupier, and every amount so leviable shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII; every such occupier shall be entitled to deduct from the rent payable by him to his landlord so much as has been so paid by or recovered from such occupier in respect of any such expenses.

(3) No occupier of any building or land shall be liable to pay more money in respect of any expenses charged by this Regulation on the owner than the amount of rent due. Occupiers not to be liable for more than the amount of rent due. thereof, than the amount of rent which is due from such occupier for the building or land in respect of which such expenses are payable at the time of the demand made upon him, or which, at any time after such demand and notice not to pay the same to his landlord, has accrued and become payable by such occupier, unless he neglect or refuse, upon application made to him for that purpose by the Municipal Council, truly to disclose the amount of his rent, and the name and the address of the person to whom such rent is payable; but the burden of proof that the sum demanded of any such occupier is greater than the rent which was due by him at the time of such demand or which has since accrued, shall be upon such occupier:

Provided that nothing herein contained shall be taken to affect any special contract made between any such occupier and the owner respecting the payment of the expense of any such works as aforesaid.

157. Whenever default is made by the owner of any building or land in the execution of any work required to be executed by him, the occupier of such building or land, may, with the approval of the Municipal Council, cause such work to be executed, and the expense thereof shall be paid to him by the owner, or the amount may be deducted out of the rent from time to time becoming due from him to such owner. Occupier, in default of owner, may execute works and deduct expenses from his rent.

158. If the occupier of any building or land prevent the owner thereof from carrying into effect, in respect of such building or land, any of the provisions of this Regulation, after notice of his intention so to carry them into effect has been given by the owner to such occupier, any Magistrate upon proof thereof, and upon application of the owner, may make an order in writing requiring such occupier to permit the owner to execute all such works, with respect to such building or land, as may be necessary for carrying into effect the provisions of this Regulation, and may also, if he thinks fit, order the occupier to pay to the owner the costs relating to such application or order; and if, after the expiration of eight days from the date of the order, such occupier continue to refuse to permit such owner to execute such work, such occupier shall for every day during which he so continues to refuse be punished with fine which may extend to fifty rupees; and every such owner, during the continuance of such refusal, shall be discharged from any penalties to which he might otherwise have become liable by reason of his default in executing such works. Proceedings if any occupier opposes the execution of the Regulation.

159. It shall be lawful for the president or vice-president, or any councillor or officer authorised by the Municipal Council for such purposes, to enter for the purposes of this Regulation, between sunrise and sunset, into and upon any building or land, as well for the purpose of making any survey or inspection they may be entitled to make as for the purpose of executing any work authorised by this Regulation to be executed by them. Entry for purposes of the Regulation.

Provided that, except when herein otherwise provided, no building or land which may be occupied at the time shall be entered unless with the consent of the occupier thereof, without twenty-four hours' written notice thereof having been given to the said occupier.

Provided also that, in the case of buildings used as human dwellings, due regard shall be paid to the social and religious customs of the occupiers.

160. (1) If a dispute arises with respect to any compensation, damages, costs or expenses which are by this Regulation, directed to be paid, the amount, and if necessary the apportionment of the same, shall be ascertained and determined by a Panchayat of five persons of whom two shall be appointed by the Municipal Council, two by the party to receive compensation, and one, who shall be presiding member, shall be selected by the members already appointed as above. Arbitration in cases of compensation, etc.

(2) If either party, or both parties, fail to appoint members, or if the members fail to select a presiding member within one month from the date of either party receiving written notice from the other of claim to such compensation, damages, costs or expenses, such members as may be necessary to constitute the Panchayat shall be appointed, at the instance of either party, by the District Judge.

(3) In the event of the Panchayat not giving a decision within one month from the date of the selection of the presiding member, or of the appointment by the District Court of such members as may be necessary to constitute the Panchayat, the matter shall, on application by either party, be determined by the District Court which shall, in cases in which the compensation is claimed in respect of land, follow as far as may be the procedure provided by the Land Acquisition Regulation, 1894, for proceedings in matters referred for the determination of the Court.

Provided that

- (a) no application to the Deputy Commissioner for a reference shall be necessary, and
- (b) the Courts shall have full power to give and apportion the costs of all proceedings in any manner it thinks fit.

CHAPTER X—PROSECUTIONS, SUITS AND POWERS OF POLICE.

161. (1) The Municipal Council may direct any prosecution for any public nuisance whatever, and may order proceedings to be taken for the recovery of any penalties, and for the punishment of any persons offending against the provisions of this Regulation, or of any by-law thereunder, and may order the expenses of such prosecutions or other proceedings to be paid out of the municipal fund.

Provided that no prosecution for an offence under this Regulation shall be instituted except within six months next after the commission of such offence.

(2) Any prosecution under this Regulation or under any by-laws thereunder may, save as therein otherwise provided, be instituted before any Magistrate, and every fine or penalty imposed under or by virtue of this Regulation or any by-law thereunder, and also all claims to compensation or other expenses for the recovery of which no special provision is otherwise made in this Regulation, may be recovered on application to such Magistrate, by the distress and sale of any movable property within the limits of his jurisdiction belonging to the person from whom the money is claimable.

162. No distress levied by virtue of this Regulation shall be deemed unlawful, nor shall any party making the same be deemed a trespasser, on account of any defect or want of form in any summons, conviction or warrant of distress, or other proceeding relating thereto, nor shall such party be deemed a trespasser *ab initio* on account of any irregularity afterwards committed by him; but all persons aggrieved by such irregularity may recover full satisfaction for the special damage in any Court of competent jurisdiction.

163. If through any act, neglect or default, on account whereof any person shall have incurred any penalty imposed by or under this Regulation, any damage to the property of the Municipal Council shall have been committed by such person, he shall be liable to make good such damage as well as to pay such penalty, and the amount of damage shall, in case of dispute, be determined by the Magistrate by whom the person incurring such penalty is convicted, and on non-payment of such damage on demand the same shall be levied by distress, and such Magistrate shall issue his warrant accordingly.

164. In lieu of proceeding by distress and sale, or in case of failure to realise by so proceeding the whole or any part of any amount recoverable under the provisions of Chapter VIII, or of any compensation, expenses, charges or damages awarded under this Regulation, it shall be lawful for the Municipal Council to sue in any Court of competent jurisdiction the person liable to pay the same, as also any other person who may have in any other way caused, or may appear likely to cause, any injury to any property, rights or privileges of the Municipal Council.

165. (1) The Municipal Council may compound or compromise in respect of any suit instituted by or against them, or in respect of any claim or demand arising out of any contract entered into by them under this Regulation, for such sum of money or other compensation as they shall deem sufficient.

Provided that, if any sanction in the making of any contract is required by this Regulation, the like previous sanction shall be obtained for compounding or compromising any claim or demand arising out of such contract.

(2) The Municipal Council may make compensation out of the municipal fund to any person sustaining any damage by reason of the exercise of any of the powers vested in them, their officers, and servants under this Regulation.

166. For the purpose of the recovery of any amount due on account of rent from any person to a Municipal Council in respect of any land vested in such Municipal Council, the Municipal Council shall be deemed to be superior holders, and every such person an inferior holder, of such land, within the meaning of sections 97 and 98 of the Mysore Land Revenue Code, 1888, and the Municipal Council, as superior holders, shall be entitled, for the recovery of every such amount, to all the assistance to which under the said sections superior holders are entitled for the recovery of rent or land revenue payable to them by inferior holders.

167. No suit shall be commenced against any Municipal Council, or against any officer or servant of a Municipal Council, or any person acting under the orders of a Municipal Council, for anything done, or purporting to have been done, in pursuance of this Regulation, without giving to such Municipal Council, officer, servant or person one month's previous notice in writing of the intended suit and of the cause thereof, nor after six months from the date of the act complained of;

and in the case of any such suit for damages, if tender of sufficient amends shall have been made before the action was brought, the plaintiff shall not recover more than the amount so tendered, and shall pay all costs incurred by the defendant after such tender.

168. (1) Any Police officer may arrest any person committing in his view any offence against any of the provisions of this Regulation, or of any by-law thereunder, if the name and address of such person be unknown to him, and if he decline to give his name and address, or if the Police officer have reason to doubt the accuracy of such name and address if given, and such person may be detained at the station-house until his name and address shall be correctly ascertained.

Provided that no person arrested shall be detained without the order of a Magistrate longer than shall be necessary for bringing him before a Magistrate, or than twenty-four hours at the utmost.

(2) It shall also be the duty of all Police officers to give immediate information to the Municipal Council of the commission of any offence against the provisions of this Regulation, or of any by-law thereunder, and to assist all municipal officers and servants in the exercise of their lawful authority.

CHAPTER XI—MUNICIPAL ACCOUNTS.

169. (1) Every Municipal Council shall have prepared and laid before them, at their periodical general meetings, complete accounts of the receipts and expenditure of the Municipal Council, since the 1st day of July last preceding, and at a general meeting which shall, if possible, be held on such day between the 1st February and the 1st April as may be fixed in this behalf by the rules of the Municipal Council, a complete account of the actual and expected receipts and expenditure for the financial year ending on the 30th June next following, together with a budget estimate of the income and expenditure of the Municipal Council for the financial year to commence on the 1st July next following.

(2) The Municipal Council shall thereupon decide upon the appropriations, and the ways and means contained in the budget of the year to commence on the 1st July next following. The budget as passed by the Municipal Council shall be sent to the Deputy Commissioner, who shall submit the same to Government with his remarks, if any; and it shall be competent to the Government to sanction the budget with such modifications if any as it deems fit. The budget so sanctioned may be varied or altered from time to time, as circumstances may render desirable, at a special general meeting called for the purpose, and subject to the sanction of Government obtained as aforesaid. No expenditure shall be incurred unless provided for in a budget so sanctioned or varied or altered.

(3) The Municipal Council shall, at the general meeting in July, or after audit of the past year's accounts, if such audit has not before that general meeting taken place, pass the accounts of the past year.

170. (1) The municipal accounts shall from time to time, and once in every year at the least, be audited by such agency as may be prescribed in the rules of the Municipal Council, or if the Government so direct, by a Government auditor.

(2) The auditor or auditors shall, for the purposes of their office, have access to all the accounts and other records of the Municipal Council.

(3) The Municipal Council shall pay from the municipal fund such charges for the audit as may be agreed upon, or if the auditor is a Government auditor, then such charges as may be prescribed by the Government.

171. The Municipal Council shall, as soon as the annual accounts have been finally passed by them, transmit to the Government, or any officer duly authorised by it, in this behalf, a copy thereof, or an account in such form as the Government may prescribe, and shall furnish such details and vouchers relating to the same as the Government or such officer may from time to time direct.

Transmission of accounts to Government.

172. The quarterly and annual accounts of receipts and expenditure, and the budget when sanctioned, shall be open to public inspection, and shall be published in such manner as the Municipal Council may prescribe in this behalf.

Publication of accounts.

CHAPTER XII—CONTROL.

Deputy Commissioner's powers of inspection and supervision.

173. (1) The Deputy Commissioner shall have power—

- (a) to enter on and inspect, or cause to be entered on and inspected, any immovable property occupied by any Municipal Council, or any work in progress under them or under their direction;
- (b) to call for any extract from the proceedings of any Municipal Council or of any committee, or for any book or document in the possession of or under the control of a Municipal Council, and any return, statement, account, or report which he may think fit to require such Municipal Council to furnish;
- (c) to require a Municipal Council to take into their consideration any objection which appears to him to exist to the doing of anything which is about to be done or is being done by such Municipal Council, or any information which he is able to furnish and which appears to him to necessitate the doing of a certain thing by the Municipal Council, and to make a written reply to him within a reasonable time stating their reasons for not desisting from doing, or for not doing, such thing.

(2) All or any of the powers given to the Deputy Commissioner by this section may be delegated by him to the Assistant Commissioner in charge of a taluk in so far as concerns any Municipal Council other than a City Municipal Council in such taluk.

174. (1) If, in the opinion of the Deputy Commissioner, the execution of any order or resolution of a Municipal Council, or the doing of anything which is about to be done or is being done by or on behalf of a Municipal Council, is causing or is likely to cause injury or annoyance to the public, or to lead to a breach of the peace, or is unlawful, he may, by order in writing under his signature, suspend the execution or prohibit the doing thereof.

Deputy Commissioner's power of suspending execution of orders, etc., of Municipal Councils.

(2) When a Deputy Commissioner makes any order under this section, he shall forthwith forward to the Government and to the Municipal Council affected thereby a copy of the order, with a statement of the reasons for making it; and it shall be in the discretion of the Government to rescind the order, or to direct that it continue in force with or without modification, permanently or for such period as it thinks fit.

175. (1) In cases of emergency, the Deputy Commissioner may provide for the execution of any work, or the doing of any act, which a Municipal Council are empowered to execute or do, and the immediate execution or doing of which is, in his opinion, necessary for the health or safety of the public, and may direct that the expense of executing the work or doing the act, with a reasonable remuneration to the person appointed to execute or do it, shall be forthwith paid by the Municipal Council.

Extraordinary powers of Deputy Commissioner in cases of emergency.

(2) If the expense and remuneration are not so paid, the Deputy Commissioner may make an order directing any person, who for the time being has custody of any moneys on behalf of the Municipal Council, to pay such expense and remuneration from such moneys as he may have in his hands or may from time to time receive, and such person shall be bound to obey such order.

(3) The provisions of sub-section (2) of Section 174 shall apply, so far as may be, to any order made under this section.

Special provision in regard to works executed by Government.

176. (1) Notwithstanding anything contained in this Regulation, it shall be lawful for the Government at any time—

- (a) to construct any work or works of a permanent nature which, in the opinion of Government, is or are necessary or desirable for the health, safety or conveni-

ence of the inhabitants, whether within any municipality or without it wholly or in part;

- (b) to retain the management and maintenance of any such work or to entrust the same, in whole or in part, to the Municipal Council, or to resume the same from the Municipal Council;
- (c) to recover the capital cost of any such work and of its management and maintenance, together with interest thereon at such rate as the Government may fix, from the municipal fund or from the proceeds of any tax or taxes imposed under this Regulation;
- (d) to prescribe, by notification in the Official Gazette, rules having the force of law, for the proper management and maintenance of any such work and for the regulation of all matters and things connected therewith, and to affix a penalty not exceeding five hundred rupees for the infringement of any such rules.

(2) It shall be the duty of any person who for the time being has custody of any moneys on behalf of the Municipal Council to pay, from such moneys as he may have in his hands or may from time to time receive, all amounts directed by Government to be paid by the Municipal Council under clause (c) of the preceding sub-section.

(3) The provisions of this section shall be deemed to apply with retrospective effect in respect of the works heretofore carried out at the expense of Government for the water-supply of the cities of Bangalore and Mysore.

177. (1) If in the opinion of the Government the number of persons who are employed

by a Municipal Council as officers or servants or whom a Municipal Council propose to employ, or the remuneration assigned by the Municipal Council to those persons, or to any

particular person, is excessive, the Municipal Council shall, on the requirement of the Government, reduce the number of the said persons or the remuneration of the said person or persons.

Government may require any City Municipal Council to appoint a Chief Officer, Health Officer, or an Engineer.

(2) It shall be lawful for the Government—

- (i) to require, if in its opinion at any time such an appointment is necessary, the appointment of a Chief Officer, or of a Health Officer, or of an Engineer, or any one or more of such appointments, to be made by any City Municipal Council;
- (ii) to make in its discretion an order vetoing the appointment, or continuance in any such office, of any person selected therefor or appointed thereto by any such Municipal Council, and the tenure of such office by any such person shall cease and determine on and from the date on which such order is communicated to the Municipal Council;
- (iii) to require that any person appointed to be a Chief Officer shall be invested by any such Municipal Council with all or any of the powers which can under this Regulation or under any rules in force at the time be lawfully delegated to him, in addition to such powers as are conferred on him by section 183;
- (iv) to require that all or any of the powers referred to in section 144 or in section 145 (if the conditions under which that section comes into operation exist), shall be delegated by any such Municipal Council, whether there be a Chief Officer or not, to the president, vice-president or any such councillor as the Government may deem fit.

(3) Any requisition issued to the Municipal Council under clause (i), (iii) or (iv) of sub-section (2) above shall be complied with within such time as the Government may in each case prescribe in that behalf.

178. (1) When the Government is informed, on complaint made or otherwise, that a

Power of Government to provide for performance of duties, in default of Municipal Council.

Municipal Council have made default in performing any duty imposed on them by or under this Regulation, or by or under any enactment for the time being in force, the Government, if satisfied after due inquiry that the Municipal Council have been guilty of the alleged default, may fix a period for the performance of that duty.

(2) If that duty is not performed within the period so fixed, the Government may appoint some person to perform it, and may direct that the expense of performing it, with a reasonable remuneration to the person appointed to perform it, shall be forthwith paid by the Municipal Council.

(3) If the expense and remuneration are not so paid, the Government may make an order directing any person, who for the time being has custody of any moneys on behalf of the Municipal Council, to pay such expense and remuneration from such moneys as he may

have in his hands or may from time to time receive, and such person shall be bound to obey such order.

179. (1) If, in the opinion of the Government, any Municipal Council are not competent to perform, or persistently make default in the performance of, the duties imposed on them by or under this Regulation, or otherwise by law, or exceed or abuse their powers, the Government may, by an order published, with the reasons for making it, in the Official Gazette, declare the Municipal Council to be incompetent or in default, or to have exceeded or abused their powers, as the case may be, and supersede them for a period to be specified in the order.

Consequences of exercise of such power. (2) When the Municipal Council are so superseded, the following consequences shall ensue:—

(a) all Councillors of the Municipal Council shall, as from the date of the order, vacate their offices as such councillors;

(b) all powers and duties of the Municipal Council shall, during the period of supersession, be exercised and performed by such person or persons as the Government from time to time appoints in that behalf;

(c) all property vested in the Municipal Council shall, during the period of supersession, vest in the Government.

(3) If, after enquiry made, the Government so directs, the period of supersession with all the consequences aforesaid shall from time to time be continued by an order published as aforesaid until such date as may be fixed by the Government for the re-establishment of the Municipal Council.

(4) The Municipal Council shall be re-established by the election or appointment of new Councillors under the provisions of this Regulation applicable thereto,

(a) if no direction has been made under sub-section (3), then on the expiration of the period specified in the order of supersession under sub-section (1), and

(b) if a direction has been made under sub-section (3), then on such date as is fixed under that sub-section for the re-establishment of the Municipal Council.

180. In all matters connected with this Regulation, the Government and each Deputy Commissioner shall, respectively, have and exercise the same authority and control over the Deputy Commissioners and their subordinates, as it or he has and exercises over them in the general and revenue administration.

CHAPTER XIII—SPECIAL PROVISIONS FOR CITY MUNICIPAL COUNCILS.

Notification No. Fl. 3124—S. R. 166-05-4, dated 31st October—3rd November 1906.

In exercise of the powers conferred by Section 29 of the Mysore Excise Regulation, V of 1901, and of all other powers enabling them in this behalf, the Government of His Highness the Maharaja of Mysore hereby make the following amendment in the Arrack Rules published under Notification No. 11387—Ex. Fl. 3-01, dated the 8th January 1902, as amended by Notification No. Fl. 541A—S. R. 6-02, dated the 27th July 1904:—

1. In Appendix D, "License for retail sale of arrack" in condition 4, line 2, between the words "of" and "arrack," add the word "molasses," and in line 3 between the words "of" and "arrack" insert the words "Jaggory arrack of the strength of 20° under-proof and molasses," and in condition 34 in the last line between the words "than" and "arrack" add the word "molasses."

2. The following shall be the form of the License for retail sale exclusively of Jaggory arrack:—

APPENDIX D. 1.

LICENSE FOR RETAIL SALE OF JAGGORY ARRACK.

Retail Jaggory Arrack License to Independent Separate Shop or Group of Shops.

Register No.

Name of License-holder

Names of Vendors and Shopmen

Locality

I, ... Deputy Commissioner, ... District, do hereby grant a license for the Retail Vend of Jaggory Arrack manufactured in the Mysore State, to at in the on the following conditions:—

1. The amount for which the privilege has been purchased shall, if it exceeds Rs. 12 per annum, be payable into the local Taluk Treasury in equal monthly instalments commencing from July 190 . But where it does not exceed Rs. 12 per annum, it shall be paid in not more than three equal quarterly instalments. Each instalment shall be regarded as the rent for the month or quarter in respect of which it is payable. The licensee is not required to make any additional payment on account of local cess. Each month's or quarter's rent shall be payable on or before the 20th of the same month, or before the end of the quarter for which the instalment is due. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, suspend, or declare by record in writing that the license is forfeited, and proceed to re-sell or otherwise dispose of the shop or group of shops as soon after the last day of the month or quarter as may be possible with effect from the date of issue of license to the new purchaser or from the date of other disposal. The officer who has power to suspend license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

NOTE.—The licensee of a Jatra shop shall pay the rent thereof in full before the Jatra begins.

2. The deposit made by the licensee shall be taken as security for the due performance of the conditions of the license and if not forfeited, credited or otherwise disposed of, shall be credited in payment of the instalments due in the last two months of the period of the lease. Provided, however, that where the shop or group of shops is re-sold or otherwise disposed of, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the re-sale or other disposal of the shop or group of shops. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

3. Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

4. The privilege conferred by the license extends only to the sale of Jaggory arrack ordinarily of the strength of 20° under-proof and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of Jaggory arrack of 30° under-proof. In places where there are no shops for the vend of foreign liquors or where the foreign liquor shopkeepers do not undertake to sell double-distilled or rectified country spirits and special liquors such as Brandy, Whisky, Gin, etc., of such strength as may be fixed by the Excise Commissioner, manufactured at the Government Central Distillery, Bangalore, the holder of Jaggory arrack shop license of approved character may, with the sanction of the Excise Commissioner, be permitted to sell the same in duly corked sealed bottles not to be drunk on the premises, at such prices, as may be fixed by the Excise Commissioner.

5. The lease shall not be transferable by sale, gift or otherwise or be sub-rented except with the permission of the Excise Commissioner, nor if the Deputy Commissioner so orders may any agent be appointed for the management of any privilege without his previous approval. All engagements entered into by the Agent shall be deposited with the Deputy Commissioner within one month from the date of execution.

6. The resignation of shop or group of shops will be summarily rejected by the Deputy Commissioner.

7. The manufacturers of arrack or double-distilled or rectified country spirits or other special liquors as well as the licensees of arrack Bonded Depôts are prohibited from holding any interest in the retail vend of the abovementioned spirits or from employing any person who has such interest.

8. The sale or transport of Jaggory arrack by persons suffering from leprosy or any contagious disease and the employment of such persons in the shop are prohibited.

9. The license-holder shall purchase from the Bonded Depôts established Jaggory arrack in duly corked sealed bottles at Rs. 1-6-6, and also special liquors referred to above, at such prices as may be fixed by the manufacturers.

10. The licensee shall sell to the public Jaggory arrack of 20° under-proof at Rs. 1-3-10 per reputed quart bottle and at proportionate rates for lower strengths.

11. The licensee of every shop in the Cities of Bangalore and Mysore shall pay a registration fee under the Municipal Regulations at the rate of Rs. (180) one hundred and eighty per annum in advance for the period of the license for his shop, and he shall pay a surcharge of (4) four annas per gallon on all arrack sold by him in excess of 55 gallons a month in each such shop.

12. The above rates to be charged for Jaggory arrack, double distilled or rectified country spirits or other special liquors by the manufacturers and the above fees are in addition to excise duty, which shall be prepaid at the prescribed rate of Rs. 4-12-0 (including local cess) per gallon of 20° under-proof and proportionately for higher or lower strengths, before the removal of the liquor from a Bonded Depôt established under the sanction of Government.

13. The licensee shall pay the above duty and price into a Taluk Treasury or to a special shroff, if any, appointed on this behalf at the cost of Government, and located at the Taluk Cutcherry to receive such duty and price daily including Sundays and holidays or to such other officer as may be appointed by the Deputy Commissioner, and shall obtain a receipt in the prescribed printed form. On production of such receipt, and an indent for the supply of the liquor covered by the receipt, the Bonded Depôt-keeper shall issue the quantity of liquor equal to the amount of duty and price shown in the said receipt which will be forwarded to the Excise Commissioner's office under the endorsement of the Bonded Depôt-keeper aforesaid, as to the date and hour when the liquor was issued. The Depôt-keeper aforesaid shall issue a pass in the prescribed form for the transport of liquor from the Bonded Depôt. He shall also issue sample bottles with the consignments in such manner as may be ordered by the Excise Commissioner.

14. The licensee shall be bound to take over any liquor which may remain as stock in hand belonging to the out-going licensee on 1st July 190 , in the shop, paying him such compensation for the same as may be fixed by the Excise Commissioner.

15. The licensee shall possess or use on any licensed premises only such standard measure as may, from time to time, be prescribed by the Excise Commissioner. The officers authorized to inspect licensed shops are empowered to enter and examine the premises, to test the measures in use and the liquor under sale and to call for and check the accounts kept in the shops.

16. The licensee shall be bound by the provisions of the Excise Laws and Rules in force and by any additional rules which may, from time to time, be prescribed under the Excise Laws, and if so required, deliver up his license for amendment or issue of a fresh one.

17. The Deputy Commissioner may, whenever he thinks fit, direct shops to be closed, or permit transfer of shops from one place to another, provided the distance is not more than 200 yards, or direct new shops to be opened with the previous sanction of the Excise Commissioner.

18. Persons who purchase group of shops may, with the special permission of the Excise Commissioner, who is at liberty to refuse it, and under a license by a competent authority open a depôt and remove thereto liquor purchased from the Bonded Depôt and issue therefrom the requisite supply to their shops.

19. The licensee of shop or group of shops shall not, during the term of the license, have any interest in the exclusive privilege of vending molasses arrack or toddy within five miles from it, nor permit any person having interest in the exclusive privilege of vending molasses arrack or toddy within the said area, to hold any share or interest in his exclusive privilege of selling Jaggory arrack; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any arrack farm in any districts of the Madras or Bombay Presidency under the British Government or any other Foreign State or Territory, or Civil and Military Station, Bangalore.

20. An Inspection note book with the pages numbered consecutively for inspecting officers to enter their remarks shall be maintained and be handed over to the Excise Inspector in charge of the Range or any officer authorized by him to receive it on a receipt being given therefor.
21. If the licensee shall be convicted on prosecution before a Magistrate of any offence against the Excise Regulation, or Opium Act or other law for the time being in force, which in the Deputy Commissioner's opinion renders him unfit to hold the license, it shall be lawful for the Deputy Commissioner to declare his license forfeited and sell or otherwise dispose of the privilege at the risk of the licensee.
22. All sums payable by the licensee may be deducted from the amount of his deposit or recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue.
23. The license-holder or vendor or vendors shall not sell nor give any Jaggory arrack exceeding one reputed quart to any individual to convey out of any licensed shops or premises without a valid permit.
24. The shop-keepers shall not sell or give any Jaggory arrack to any European non-commissioned officer, private soldier, or to any European or Eurasian camp follower, or to any member of the families of any of the aforesaid persons, without the permission in writing of the Commanding Officer or of some person duly authorized by him in that behalf; nor to any European sailor, nor to any sepoy, member of the Police force or Excise staff or servant of a Railway Company, whilst on duty; nor to any European vagrant under escort of Police; nor to any child under 14 years of age; nor to any insane person for consumption on the premises; nor shall they sell any Jaggory arrack on credit.
25. They (license-holder or vendor or vendors) shall not receive any article whatsoever in barter or pledge. Payment for Jaggory arrack shall be received by them in ready money only, and they shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. They shall have no pecuniary dealings with any Excise Officer.
26. The Jaggory arrack kept in his shop, offered for sale and sold, shall be unadulterated and undiluted; and it shall be of the same quality and strength as issued from the Bonded Depot. It will be sold in corked sealed bottles as received from the Bonded Depot.
27. No consignments of Jaggory arrack received at the shop, and which have been transported through British Territory, shall be opened before they have been verified by authorized officers.
28. No water or other beverage, or liquor other than Jaggory arrack of any quantity whatever shall be kept or sold in the shop in which Jaggory arrack is sold, or on the person or in possession of the license-holder or vendor or any of his employees in the shop. No ingredients noxious to health shall be added to it either to increase its intoxicating power or for any other purpose. All officers authorized to inspect shops and depots are empowered to detain any liquor found unfit for consumption or use and the Excise Commissioner, all Deputy Commissioners, Deputy Excise Commissioner and Excise Assistant Commissioners are authorized to destroy such.
29. No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in the shop, and gaming, disorderly conduct, etc., therein shall be prevented, and information of their resort shall be given to the Magistrate or Police Officer. No person shall be harboured during night in any shop.
30. The license-holder shall fix in a conspicuous place outside of his shop a board on which shall be legibly printed in local vernacular his name and the number of his license and the articles he is licensed to deal in and the current rate of sale; the license must be hung up in a conspicuous place within.
31. True account of receipts and issues of liquor shall be maintained from day to day in ink in the prescribed form. The accounts and permits shall be in printed books which may be obtained from local Excise Officers on payment of cost price. Permits for liquor received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved and delivered to the local Excise Officer immediately after the close of the lease. They shall be produced when asked for by the Deputy Commissioner or any Officer appointed by him or by an Excise Officer not below the rank of Excise Assistant Inspector. The licensee shall be bound to furnish such returns and information as may, from time to time, be required by the Deputy Commissioner or Excise Officer not below the rank of Excise Assistant Inspector.
32. The amount of fees payable for the shops under Condition 11 above, shall, in the Towns of Bangalore and Mysore, be paid to the Officers appointed by the President, Municipal Commission, to receive the same.

331

33. The following stock or such stock as the Excise Divisional Officer, may consider sufficient to meet local requirements shall always remain on hand and not be trencched upon:—

	Jaggory arrack	Remarks
I. At all District Head-quarters ...	2 Gallons	
II. At all Taluk and Depot Kasbas ...	1 Gallon	
III. Village shops within five miles from Depot ...	$\frac{1}{2}$ Gallon	
IV. Village shops more than five miles distant from Depot ...		Stock equal to one day's sale for every ten miles from Depot and not less than the stock fixed for shops within five miles of the Depot.

The shop shall be kept open during the authorized hours unless its temporary or permanent closure is authorized by the Deputy Commissioner.

34. The shop shall be closed by *9 P.M. and not be opened before sunrise except on special permit in cases of festivals, etc. The Deputy Commissioner or Assistant Commissioner in charge of the taluk may direct that all shops for the sale of Jaggory arrack on or adjacent to the line of march shall be closed whilst a detachment of European or Native soldiers is passing or encamped in the vicinity. The Government reserves the power to terminate the lease on public grounds on giving the licensee fifteen days' notice and awarding a reasonable compensation to the licensee. The licensee will have no claim to compensation or remission on account of any arrangements which may be made by Government in regard to Country Beer or other description of liquor than Jaggory arrack.

35. The sales should be conducted in a suitable building which shall have only one door, and no windows shall be allowed to the rear or ends of the building. The bar where the liquor is sold shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be allowed to or be kept open for customers.

36. The right is reserved to the Deputy Commissioner to grant occasional licenses for the sale of liquor on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

37. If it comes to the licensee's knowledge that any person employed by him in the carriage or sale of Jaggory arrack, commits any breach of the Excise Laws or of the engagements entered into by him, it shall be his duty to report the matter to the Deputy Commissioner, and comply with the directions of the Deputy Commissioner respecting the continued employment of such person.

38. No person who has been convicted of a heinous offence under the Indian Penal Code shall be employed in the carriage or sale of liquor without the Deputy Commissioner's previous permission.

39. In case of any breach of the above conditions either by the licensee or, with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shop, or to carry on the business of his shop with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 50, for every such breach or for such neglect, or, at the option of the Deputy Commissioner, to declare the money deposited with him forfeited and to cancel the license and re-sell the shop or to otherwise dispose of it at the risk of the licensee, or to place the shop under the management of Government; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business with due care and attention and by opening his shop on 1st July 190 , shall be made good by him. When a shop is cancelled, the rent for the whole period of the shop shall become due at once. All such amounts of penalties and losses shall be recovered in the same manner as if they were arrears or land revenue.

40. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding para, shall not be held to prevent the prosecution of the licensee or his agents or employees for any offence punishable under the Excise Laws or other law for the time being in force.

Note.—For continuing breaches of a license, continuing fines may be imposed.

41. This license shall continue in force till the 190 , and no longer.

No. J. 1315—Pol. 47-05-4, dated 16th November 1906.

In exercise of the power vested in them by Rule 68 of Part II of the "Rules for the organization and regulation of the Village and Regular Police in Mysore," published with the Notification of the Government of India, Foreign Department, No. 230 J., dated the 16th October 1872, the Government of His Highness the Maharaja of Mysore are pleased to make the following addition to Rule 31A of the Village Police Rules:—

"(3) The word "choultry" in this rule means the village chavadi, and includes any other building such as a temple, school-house, or the pyal of a house, hitherto used for night-watch, and also any such building or place as the Amildar of the Taluk may by beat of drum in the village, notify to be the village choultry, for the purpose of this rule."

By Order,

K. S. CHANDRASEKHARA AIYAR,

Secy. to Govt., Gen. & Rev. Depts.

No. J. 1257—Legis. 17 of 1904-05, dated 13th November 1906.

The accompanying Draft of a Regulation to consolidate and amend the law relating to village offices in Mysore, together with a statement of objects and reasons therefor, is published for general information.

2. The Draft Regulation will be taken up for consideration at the end of three months from the date of its publication in the Gazette; and all suggestions and criticisms received within that period will be duly considered.

K. S. CHANDRASEKHARA AIYAR,
Secy. to Govt., Gen. & Rev. Depts.

DRAFT OF A REGULATION TO CONSOLIDATE AND AMEND THE LAW RELATING TO VILLAGE OFFICES IN MYSORE.

Whereas it is expedient to consolidate and amend the law relating to village offices in Mysore; His Highness the Maharaja is pleased to enact as follows:—

Preamble.

Short title, extent and commencement. 1. (1) This Regulation may be called the Mysore Village Offices Regulation, 190

(2) It extends to the whole of Mysore, and

(3) It shall come into force with effect from the expiry of one month from the date of its first publication in the official Gazette.

Definitions.

2. In this Regulation, unless there is something repugnant in the subject or context,—

“Village” means any local area now recognised as a village or hereafter declared by Government to be a village.

“Village Office” means every office to which emoluments have been attached and which is held for the performance of duties connected with the administration or collection of the revenue, or with the maintenance of order or with the settlement of boundaries, or other matters of civil administration pertaining to a village, whether the services originally appertaining to the office continue or have ceased to be performed or demanded, and by whatsoever designation the office may be locally known:

Provisions.

Provided as follows:—

(1) The Government may, by notification in the official Gazette, exclude any village office or offices from the operation of all or any of the provisions of this Regulation, and may in like manner amend or cancel such notification.

(2) The Government shall have power to decide, in case of doubt, whether any office falls under the definition of village office.

“Village Officer” means an officer holding a village office or appointed to perform or performing the duties of a village officer.

“Emoluments” means and includes

(i) lands;

(ii) assignments of revenue payable in respect of lands;

(iii) fees in money or agricultural produce;

(iv) money-salaries and all other kinds of remuneration, granted or continued in respect of, or annexed to, any village office by the State.

“District Deputy Commissioner” means the chief local officer in charge of the revenue administration of a district.

“Deputy Commissioner” includes an Assistant Commissioner in charge of a division who, for the time being, is authorized to exercise the powers of a Deputy Commissioner.

3. The emoluments of village offices, whether such offices be or be not hereditary, shall not be liable to be transferred or encumbered in any manner whatsoever, and it shall not be lawful for any Court to attach or sell such emoluments or any portion thereof.

Emoluments of village offices inalienable, and not liable to attachment.

4. (1) The Government may, with reference to rules made in this behalf under section 16, group or amalgamate any two or more villages or portions thereof so as to form a single new village, or divide any village into two or more villages; and, thereupon, all village offices in the villages, portions of villages or village grouped, amalgamated or divided as aforesaid, shall cease to exist, and new offices shall be created for the new village or villages.

(2) In choosing persons to fill such new offices, the Deputy Commissioner shall select the persons whom he may consider the best qualified from among the families of the last holders of the offices which have ceased to exist.

(3) The Government may also direct that the number of village offices attached to a village shall be reduced, and, thereupon, the Deputy Commissioner shall dispense with the services of the officers no longer required and shall retain those whom he may consider to be best qualified to discharge the duties of the remaining offices.

5. (1) The Deputy Commissioner may, of his own motion or on complaint and after enquiry, fine, suspend, dismiss or remove any holder of a village office whether in an unalienated or alienated village, for misconduct or for neglect of duty or incapacity or for non-residence in the village or for any other sufficient cause.

(2) An Amildar or Deputy Amildar may, of his own motion or on complaint and after enquiry, fine any holder of a village office in an unalienated village for any of the causes specified in sub-section (1) and in such amount as the Government may, by general or special order, prescribe.

(3) The proprietor of an alienated village may, of his own motion or on complaint and after enquiry, suspend, dismiss or remove any holder of a village office in his village, except the patel, shanbhog, and the village watchman, for any of the causes specified in sub-section (1).

(4) The officer or person taking proceedings against a village officer under any of the preceding sub-sections of this section shall make a record of his reasons for so doing in writing and furnish a copy of the same to such village officer.

6. When a vacancy occurs in the office of patel, shanbhog, nirganti, toti or talari of an unalienated village, the Deputy Commissioner shall fill up the vacancy in accordance with the provisions of the following sub-sections:—

(1) No person shall be eligible for appointment who—

- (a) is not of the male sex;
- (b) has not attained the age of majority;
- (c) is not physically and mentally capable of discharging the duties of the office;
- (d) has not qualified according to the educational test, if any, prescribed for the office in question by rules made under section 21;
- (e) has been convicted by a Criminal Court of any offence which, in the opinion of the Deputy Commissioner, disqualifies him for holding the office;
- (f) by reason of his bad character or antecedents is, in the opinion of the Deputy Commissioner, disqualified for holding the office.

(2) The succession shall be regulated by the ordinary provisions of the Hindu Law: provided that it shall devolve on a single heir, and that, where there are more persons than one who would under the ordinary provisions of the said law be entitled to succeed to the last holder of the office, the preference shall, subject to the provisions of this section, lie with the eldest member of the eldest branch of such persons.

(3) When the next heir is not qualified under sub-section (1), the Deputy Commissioner shall appoint the person next in order of succession (according to seniority of age in the senior branch) who is so qualified, and, in the absence of any such person in the line of succession, may appoint any person duly qualified under sub-section (1).

(4) Where an office has become vacant by the dismissal or suspension of the last holder, the Deputy Commissioner may direct that, until the death or return to duty of such last holder, the duties of the office shall be performed by some person duly qualified under sub-section

(1) who is not an undivided member of the family of the dismissed or suspended officer; provided that, when the officer who has been dismissed dies, or if the officer who has been suspended dies while under suspension, the vacancy caused by such death shall be filled up in accordance with the provisions of sub-sections (2) and (3).

- (5) When the person who would otherwise be entitled to succeed to an office is a minor, the Deputy Commissioner shall register the minor as the heir of the last holder and appoint some other person qualified under sub-section (1) to discharge the duties of the office until the person registered as heir, on attaining majority or within three years thereafter, is qualified under sub-section (1) to discharge the duties of the office himself, when he shall be appointed thereto. If the person registered as heir under this sub-section dies, or if he remains disqualified under sub-section (1) for three years after attaining majority, the Deputy Commissioner shall fill up the vacancy as provided in sub-sections (2) and (3).

Procedure to be adopted when heir is a minor.

(6) If a vacancy is caused by the resignation, dismissal, removal or suspension of the holder of an office and the Deputy Commissioner does not give the direction referred to in sub-section (4) he shall fill up the vacancy in accordance with the provisions of this section as if it had been caused by the death of the said holder; provided that, upon the expiry of the period of suspension of an officer who has been suspended, or if, for any reason, an officer who has been dismissed, removed or suspended, is permitted to resume the office from which he has been dismissed, removed or suspended, the person appointed to fill the vacancy caused by the said suspension, dismissal or removal shall cease to hold the office.

Method of filling up vacancy caused by resignation, dismissal, removal or suspension.

(7) When a vacancy occurs in the office of patel, shanbhog, nirganti, toti, or talari of an alienated village, the proprietor of such village shall fill up the vacancy in accordance with the provisions of the following sub-sections:—

Rules to be observed in making appointments to the offices of patel, shanbhog, etc., in alienated villages.

General qualifications requisite in all cases.

(1) No person shall be eligible for appointment who—

- (a) is not of the male sex;
- (b) has not attained the age of majority;
- (c) is not physically and mentally capable of discharging the duties of the office.

(2) The succession shall be regulated by the ordinary provisions of the Hindu Law: provided that it shall devolve on a single heir, and that, where there are more persons than one who would, under the ordinary provisions of the said law be entitled to succeed to the last holder of the office, the preference shall, subject to the provisions of this section, lie with the eldest member of the eldest branch of such persons.

Rule of devolution of succession.

(3) Where the next heir is not qualified under sub-section (1), the proprietor shall appoint the person next in order of succession according to seniority of age in the senior branch who is so qualified, and, in the absence of any such person in the line of succession, may appoint any person duly qualified under sub-section (1).

In certain cases person other than direct heir may be appointed.

(4) When the person who would otherwise be entitled to succeed to an office is a minor, the proprietor shall register the minor as the heir of the last holder and appoint some other person qualified under sub-section (1) to discharge the duties of the office, until the person registered as heir is qualified under sub-section (1) to discharge the duties of the office himself, when he shall be appointed thereto. If the person registered as heir under this sub-section dies, or if, on attaining majority, he proves to be disqualified under clause (c) of sub-section (1), the proprietor shall fill up the vacancy as provided in sub-sections (2) and (3).

Procedure to be adopted where heir is a minor.

Succession in the case of offices other than patel, shanbhog, etc.

8. The succession to village offices in unalienated and alienated villages other than those of patel, shanbhog, nirganti, toti and talari, shall devolve in accordance with the law or custom applicable thereto at the date on which this Regulation comes into force; or, in the absence of any such law or custom, in accordance with the provisions of sub-section (2) of section 6 and sub-section (2) of section 7 so far as applicable.

9. (1) Any person may sue before the Deputy Commissioner for any village office or for recovery of the emoluments of any such office, on the ground that he is entitled under sub-section (2) or (3) of section 6; or sub-section (2) or (3) of section 7, or section 8 of this Regulation, as the case may be, to hold such office and enjoy such emoluments; or being a minor, may sue before the Deputy Commissioner to be registered as heir of the last holder of any such office.

Provided as follows:—

No suit for declaratory decree.

(i) No suit shall be entertained for a mere declaratory decree.

(ii) When one of the facts in issue in a suit is whether the emoluments of the office consist of land or of an assignment of revenue payable in respect of land, the Deputy Commissioner shall decide the claim on the assumption that only the said assignment constitutes the emoluments; but such decision shall not bar the right of the claimant to institute a suit in a Civil Court for recovery of the land itself.

Procedure in case of dispute as to nature of emoluments.

(2) If, at any time before the completion of the trial of a suit preferred under this section for any office or for the recovery of the emoluments of any office, it appears to the Deputy Commissioner that the claimant is not eligible for appointment under sub-section (1) of section 6 or sub-section (1) of section 7 of this Regulation, as the case may be, he shall pass an order rejecting the plaint.

10. (1) No suit preferred before a Deputy Commissioner under the last preceding section shall be entertained which is not preferred within three years from the date of the cause of action arising, whether such date be before or after the commencement of this Regulation.

Provided that, in the case of a person who, by reason of minority, was disqualified for holding office, the right to sue for such office or for the recovery of the emoluments thereof shall accrue from the date of his attaining majority.

(2) No application for the execution of a decree or order passed under this Regulation shall be entertained, if made after the expiration of one year from the date of such decree or order.

(3) Decrees or orders passed previous to the commencement of this Regulation in regard to claims to village offices or the emoluments annexed thereto, may be executed under the provisions of this Regulation; provided that no application for the execution of any such decree or order shall be entertained if made either after the expiration of three years from the date of such decree or order or after the expiration of one year from the commencement of this Regulation.

(4) In cases in which the decree or order sought to be executed was appealed against, the periods of limitation prescribed in sub-sections (2) and (3) shall commence from the termination of the appeal.

11. The District Deputy Commissioner may transfer to his own file any suit on the file of any Assistant Commissioner in charge of a division in the district, or transfer any suit from the file of one such Assistant Commissioner to that of another or to the file of an Assistant Commissioner not in charge of a division, for disposal.

12. (1) The trial of suits under this Regulation shall be regulated by rules made by Government under section 21 and by the following provisions:—

(i) A date shall be fixed for the hearing of the suit and the same shall be notified to the parties, who shall be entitled to be heard in person or by agent;

(ii) The parties shall be entitled to produce witnesses and to demand that any person whose evidence they require shall be summoned as a witness or that any person shall be summoned to produce a document, and the officer trying the suit shall comply with such demand, unless, for reasons to be recorded, he considers it unnecessary to do so;

(iii) The officer trying the suit shall record in his own hand a memorandum containing the material averments of the parties, the material portions of the evidence, his decision and the reasons therefor.

(2) Every person to whom a summons is issued under this section shall be legally bound to obey the same.

13. Decrees and orders passed in suits under this Regulation may provide for payment of costs according to such scale and subject to such rules as may be prescribed by Government under section 21, and shall be executed in accordance with rules to be made under the said section.

14. (1) If, before or during the hearing of a suit under this Regulation or of an appeal against a decree or order passed in a suit under this Regulation, or if, in the execution of any such decree, any question of law or usage having the force of law, or of the construction of a document which construction may affect the merits, suit or appeal or executing the decree entertains reasonable doubt on such question, he may, either of his own motion or on the application of any of the parties, draw up a statement of the facts of the case and the point on which doubt is entertained and refer such statement for the decision of the Chief Controlling Revenue authority and shall stay further proceedings until the said decision is communicated to him.

(2) If the officer making the reference to the Chief Controlling Revenue authority is not the District Deputy Commissioner, the reference shall be made through the District Deputy Commissioner.

(3) The Chief Controlling Revenue authority shall, if any of the parties so request, hear him or his agent and shall decide the point referred and transmit a copy of its judgment to the officer by whom the reference was made, and the said officer shall, on receipt thereof, proceed to dispose of the case in conformity with the decision of the Chief Controlling Revenue authority, and the correctness of the decision of the Chief Controlling Revenue authority shall not be contested in any appeal made under this Regulation.

15. All suits brought and appeals made previous to the commencement of this Regulation shall, after the commencement thereof be heard and disposed of as if they had been preferred under this Regulation.

16. No Civil Court shall have authority to take into consideration or decide any claim to succeed to, or to the possession of, any village office, or any question as to the rate or amount of the emoluments of any village office, or except as provided in proviso (ii) to sub-section (1) of section 9, any claim to recover the emoluments of any such office.

Provided that, if, in any suit instituted under this Regulation, the defendant has pleaded before the Deputy Commissioner that a Revenue Court has no jurisdiction to entertain the suit, on the ground that no emoluments, as defined in this Regulation, appertain to the office in respect of which the suit is brought, and if, on appeal preferred from the decree in such suit, the appellate authority has decided adversely to such plea, the defendant may, within six months from the date of the appellate decree, institute a suit in a Civil Court to set aside such appellate decree on the said ground and on that ground only.

17. (1) From every order passed by a Deputy Commissioner under section 4 or 5, and from every decree or order passed by a Deputy Commissioner in a suit preferred under section 9, an appeal shall lie, within one month, to the District Deputy Commissioner, or, if the said order or decree was passed by the District Deputy Commissioner, an appeal shall lie, within three months, to the Chief Controlling Revenue authority. The decision, on appeal, of the District Deputy Commissioner or the Chief Controlling Revenue authority, as the case may be, shall be final.

Provided that, in respect of the offices of patel and shanbhog, a second appeal shall lie, within three months, to the Chief Controlling Revenue authority, against the decision on appeal of the District Deputy Commissioner in suits preferred under section 9 and in cases of dismissal of a village officer under section 5.

(2) From every order passed by an Amildar or Deputy Amildar under sub-section (2) of section 5 and from every order passed by a proprietor under sub-section (3) of section 5, an appeal shall lie within one month, to the Deputy Commissioner, whose decision shall be final.

18. If the officer to whom an appeal is presented under this Regulation in the capacity of District Deputy Commissioner or Deputy Commissioner happens to be the officer who passed the decision which is appealed against in another capacity, he shall report the fact to the Chief Controlling Revenue authority or to the District Deputy Commissioner, as the case may be, and the appeal shall be disposed of by the Chief Controlling authority or District Deputy Commissioner, and the order passed on appeal shall be final.

19. The provisions of sections 5 and 12 of the Indian Limitation Act, 1877, so far as they relate to suits, appeals and applications shall, *mutatis mutandis*, apply to suits, appeals or applications for the execution of decrees or orders, instituted, preferred or made under this Regulation.

20. The Government may declare that the powers of punishing village officers which are vested in the Deputy Commissioner by this Regulation shall be exercised in any specified local area by the Superintendent or Assistant Superintendent of Police in respect of all, or any of, the village watchmen or Police officers in that local area. From every order fining, suspending, dismissing or removing a village watchman or Police officer passed by a Superintendent or Assistant Superintendent of Police by virtue of a declaration made under this section, an appeal shall lie, within one month, to the District Deputy Commissioner, whose decision shall be final.

Government may make rules on certain subjects.

21. (1) The Government may, by notification in the official Gazette, make rules, not inconsistent with this Regulation, in regard to the following matters :—

- (i) the division, grouping and amalgamation of villages ;
- (ii) the holding of enquiries under sections 4 and 5, and the hearing of appeals under section 17 ;
- (iii) the educational qualifications, if any, required of the holders of village offices ;
- (iv) the procedure to be followed in disposing of suits and appeals from decrees or orders passed in suits and the registers to be maintained in connection therewith ;
- (v) the execution of decrees and orders passed in suits and the taxation of costs ;
- (vi) the emoluments to be assigned to the holders of village offices, and the method of assessment and payment thereof ;
- (vii) the duties of holders of village offices, and the descriptions and forms of the accounts and registers to be kept by them ;
- (viii) the custody, production and transfer of the accounts and other records kept by holders of village offices ;
- (ix) any other matters calculated to enhance the efficiency of the village service, or connected with the carrying out of the purposes of this Regulation.

Until such rules are made, existing rules to be in force.

(2) Until rules are made by Government in respect of any of the matters referred to in the preceding sub-section, the rules if any in force with regard thereto immediately previous to the commencement of this Regulation shall, so far as they are consistent with this Regulation, be deemed to be in operation and to have been made under the preceding sub-section.

Statement of Objects and Reasons.

The necessity for replacing the existing scattered and disjointed body of rules and orders with regard to Village Offices in Mysore by a systematic

*Issued, under the authority of the Government of India, which the Chief Commissioner's Notifications No. 219, dated the 27th October 1874, and No. 123, dated the 1st August 1878.

scheme of legislation has engaged the consideration of Government for some time past. Of these rules and orders a few, such as the Rules* for the remuneration of patels and shanbhogs and minor village servants have the force of law ; others are orders passed by Government in appeals from the decisions of Revenue Officers in regular suits ; and a large number are merely administrative orders passed on the miscellaneous side and as such liable to be disregarded by subordinate officers in regular suits. The course of decisions, too, especially in the matter of succession to Village Offices, has not been by any means always uniform or certain ; with the result—which conflicting decisions induce—of encouraging litigation. Lastly, the success of the Revenue administration depends to a great extent upon the efficiency of the village service ; and the introduction of a law to regulate the latter and place it upon a proper basis follows naturally on the introduction of the Land Revenue Code, which has governed the former for the last fifteen years.

Such then is the occasion for the accompanying Draft Regulation, which, it may be observed, follows to a large extent (but with important variations) the lines of the Madras Hereditary Village Offices Act, III of 1895, the provisions of the latter being found, on careful examination, to be much better adapted to local requirements than are those of the Bombay Hereditary Offices Act, III of 1874.

It now remains to describe briefly the main provisions of the proposed Regulation.

Section 2 deals with definitions.

Under the definition of "village" here given, it will be possible to declare two or more villages ordinarily so called to be a single village for the purposes of the Regulation.

The characteristics of a "Village Office" as here defined are :—

- (i) the assignment of "emoluments" (a term defined comprehensively, in the same section) ; and (ii) the annexing to the office of duties connected with some branch of the civil administration pertaining to a village, whether these duties are actually demanded or not.

The provisos give power to Government, on the one hand, to exclude any office from the operation of the Regulation, and, on the other, to decide whether a particular office falls under the definition or not.

The distinction drawn between "Deputy Commissioner" (a term applicable in certain cases to a Divisional Assistant Commissioner) and "District Deputy Commissioner" (denoting the Chief Revenue Officer of the District) is a convenient one, and has been taken from the Madras General Clauses Act, 1891.

Section 3 embodies the existing law with respect to the inalienability of emoluments and their non-liability to attachment and sale by Courts.

Section 4 empowers Government to group, amalgamate or divide villages, and to reduce the number of offices, in a village, as may be necessary.

Section 5 deals with the powers of Deputy Commissioners, Amildars and Inamdars to punish village officers for reasons to be recorded in writing. In consonance with the existing practice, the powers of the Deputy Commissioner to punish officers in alienated villages have been assimilated to those with respect to officers in Government villages. In Madras the latter powers are subject to restriction.

Sections 6 and 7 declare the rules to be observed in making appointments to the five main Village Offices of patel, shanbhog, nirganti, toti and talari. It is merely necessary to note that these rules will, among other things, do away with the right of females in certain circumstances to be registered as the holders of Village Offices, but not of course, so as to interfere with claims to succession being traced *through* females, and that the rule of devolution of succession to a single heir as laid down will exclude the performance of duties by rotation: the latter being a system attended with many difficulties, not satisfactory on the one hand to the parties concerned; and not conducive on the other to the efficiency of business, besides leading to faction, litigation, and intrigue and to a relaxation of the sense of responsibility. It may also be remarked that, under *section 7*, the confirmation of the Deputy Commissioner will not in future be necessary, as at present, for appointments of patels and shanbhogs made by proprietors of Inam villages.

Section 8 deals with succession in the case of other Village Offices than the five specified, where such exist and are recognized. But, as a matter of fact, it may be observed that the connection of Government with such other offices comprised in the ancient *barabaluti* system has practically ceased.

Sections 9 to 15 and 17 to 19 embody the usual provisions about suits, procedure, appeals, limitation, and similar matters.

Section 16 bars the jurisdiction of Civil Courts in regard to claims for the succession of Village Offices in respect of emoluments.

Section 20 will probably become unnecessary on the passing of the Police Regulation now before Government.

Section 21 enumerates the matters in regard to which Government may frame rules; and declares that, till rules as so made, the existing rules shall continue in force.

16. The Government, if it thinks fit, on the recommendation of the Municipal Council, may remove any councillor elected or appointed under this Regulation, if such councillor has been guilty of misconduct in the discharge of his duties, or of any disgraceful conduct, or has become incapable of performing his duties as a councillor.

Liability to removal from office.

17. Councillors nominated or elected at a general election under this Regulation shall, save as provided in the next following section, or unless they become in the meantime disabled, or are removed from office under section 16, or section 179, hold office for a term of three years, extensible by order of the Government to a term not exceeding in the aggregate four years, if on any occasion the Government shall think fit, for reasons which shall be notified together with the order in the Official Gazette, so to extend the same.

Term of office.

18. In the event of the death, resignation, disqualification, disability or removal of a councillor previous to the expiry of his term of office, the vacancy shall be filled up, as soon as it conveniently may be, by the election or appointment, as the case may be, of a person thereto, who shall hold office so long only as the councillor in whose place he is elected or appointed would have held it if the vacancy had not occurred.

Casual vacancies how to be filled up.

19. A person who has already been elected or appointed a councillor on one or more occasions shall, if otherwise duly qualified, be eligible at any time for re-election or re-appointment.

Re-eligibility of councillors.

shall cease on the expiry of his term of office as councillor, unless the term for which he shall have been appointed president or vice-president expires sooner.

(7) In the event of the death, resignation or removal from office of a president or vice-president other than an ex-officio president or vice-president, or of his becoming incapable of acting in such office or having ceased to be a councillor under sub-section (2) of section 15, previous to the expiry of his term of office as president or vice-president, the vacancy shall be filled up by the appointment or election, as the case may be, of some other councillor thereto.

Functions of presidents.

24. (1) It shall be the duty of the president of a Municipal Council to—

(a) preside, unless prevented by reasonable cause, at all meetings of the Municipal Council, and, subject to the provisions of the rules for the time being in force under clause of section 46, to regulate the conduct of business at such meetings;

(b) watch over the financial and executive administration of the Municipal Council, and, subject to the rules of the Municipal Council at the time being in force, execute functions as may be performed by or on behalf of the Municipal Council when he presides;

(c) exercise supervision and control over the acts and proceedings, servants of the Municipal Council in matters of executive administration and concerning the accounts and records of the Municipal Council; and, subject to the rules of the Municipal Council at the time being in force, to dispose of all questions relating to the said officers and servants, and their pay, privileges and allowances;

(d) furnish to the Deputy Commissioner, or to such other officer as the Deputy Commissioner shall from time to time nominate in this behalf, a copy of every resolution passed at any meeting of the Municipal Council and any extract from the minutes of the Municipal Council or of any committee or other document or thing which the Deputy Commissioner from time to time calls for under section 173.

(2) When there is an equality of votes of the councillors present for a proposition under consideration, the president shall have a second or casting vote.

President in what cases to have a casting vote.

25. (1) It shall be the duty of a vice-president of a Municipal Council to exercise the powers and perform such of the duties of the president as the president from time to time deposes to him.

Functions of vice-presidents.

(2) It shall be the duty of the vice-president, or, if there are more vice-presidents, one, of the senior vice-president present,—

(a) in the absence of the president and unless prevented by reasonable cause, to preside at the meetings of the Municipal Council, and he shall when so presiding exercise the same authority as is vested in the president under clause (a) of sub-section (1) of section 24; and

(b) pending the succession, appointment, or election of a president, or during the absence of a president on leave, to exercise the powers and perform the duties of the president.

CHAPTER III.—CONDUCT OF BUSINESS.

Municipal Meetings.

Provisions in regard to meetings of a Municipal Council.

26. The following provisions shall be observed with respect to the meetings of a Municipal Council:—

(1) Except in the case of periodical Municipal Councils, there shall be held an ordinary general meeting in each month for the disposal of general business. In the case of every periodical Municipal Council there shall be such and so many ordinary general meetings, as the president thereof shall from time to time determine. It shall be the duty of the president to fix the dates for all ordinary general meetings.

(2) The president may, whenever he thinks fit, and shall, upon the written request of not less than one-third of the councillors, call a special general meeting.

Special general meetings.

(3) Seven clear days' notice of an ordinary general meeting, and three clear days' notice of a special general meeting, specifying the time and place at which such meeting is to be held and the business to be transacted thereat, shall be circulated to the councillors, and posted up at the municipal office or some other public building in the municipality. The said notice shall include an intimation or proposition which a councillor shall have given written notice, not less than ten days previous to the meeting, of his intention to bring forward thereat, and, in the case of a

Notice to be given of meetings.

special general meeting, any motion or proposition mentioned in any written request made for such meeting.

(4) Every meeting of a Municipal Council shall, except for reasons to be specified in the notice convening the meeting, be held in the building used as a municipal office by such Municipal Council.

(5) Every meeting shall, if there be no president or vice-president present, be presided over by such one of the councillors present as may be chosen by the meeting to be chairman for the occasion, and such chairman shall exercise thereat the powers vested in the president by clause (a) of sub-section (1) of section 24.

(6) Every meeting shall be open to the public unless the presiding authority deems must ordinarily be open to any inquiry or deliberation pending before the Municipal Council such as should be held in private, and provided that authority may at any time cause any person to be removed who interrupts the pro-

the case of a City Municipal Council less than one-third, and in the case of any other Municipal Council less than one-half, of the whole number of councillors be present at a meeting at any time following or some other future day as he may reasonably fix, and a notice shall be fixed up in the municipal office, and the business which would be disposed of at such meeting or at any subsequent thereof whether there be a quorum present or not.

with the permission of the presiding authority, which permission shall not be given in the case of a motion or proposition to modify or cancel any resolution within three months after the passing thereof, no business shall be transacted and no proposition shall be brought forward at any general meeting unless it has been mentioned in the notice convening, or, in the case of a special general meeting, in the written request for such meeting, shall be determined by the presiding authority, who in case it is proposed to give priority to any particular item of such business, or to any particular proposal, shall put the proposal to the meeting and be guided by the majority of votes for or against the proposal.

(9) In the case of every City Municipal Council there shall be kept in English, and, if the Municipal Council so resolve, in Kanarese also, and in the case of every other Municipal Council there shall be kept in Kanarese, and if the Municipal Council so resolve in English, either in lieu of or in addition to Kanarese, minutes of the names of the councillors and of the Government officers, if any, present under the provisions of sub-section (14), and of the proceedings at each general meeting, in a book to be provided for this purpose, which shall be signed, as soon as practicable by the presiding authority of such meeting, and shall at all reasonable times be open to inspection by any inhabitant of the municipality.

(10) All questions shall be decided by a majority of votes of the councillors present and voting, the presiding authority having a second or casting vote in all cases of equality of votes. Votes shall be taken and results recorded in such manner as may be prescribed by rules in that behalf for the time being in force under clause (a) of section 46.

(11) Any general meeting may, with the consent of a majority of the councillors present, be adjourned from time to time; but no business shall be transacted at any adjourned meeting other than that left undisposed of at the meeting from which the adjournment took place.

(12) No resolution of a Municipal Council shall be modified or cancelled within three months after the passing thereof, except by a resolution supported by not less than one-third of the whole number of councillors, and passed at a general meeting whereof notice shall have been given, fulfilling the requirements of sub-section (3) and setting forth fully the resolution which it is proposed to modify or cancel at such meeting, and the motion or proposition for the modification or cancellation of such resolution.

(13) Except for reasons which the presiding authority deems emergent, no business relating to any work which is being executed for the Municipal Council by a Government Executive Engineer, or to any educational matter, shall be transacted at any meeting of a Municipal Council unless, at least fifteen days previous to

such meeting, a letter has been addressed to the said Executive Engineer or to the Educational Inspector of the district, informing him of the intention to transact such business thereat, and of the motions or propositions to be brought forward concerning such business.

(14) (a) The Executive Engineer, Educational Inspector and the Civil Surgeon in a district when charged with any of the duties of a health officer therein, if not members of a Municipal Council within the district, shall have the right of being present at any meeting of such Municipal Council, and, with the consent of the Municipal Council, each of them may take part at such meeting in the discussion or consideration of any question, on which, in virtue of the duties of his office, he considers his opinion or the information which he can supply will be useful to such Municipal Council.

Provided that the said officers shall not, unless they are members of the Municipal Council, be entitled to vote upon any such question;

(b) If it shall appear to a Municipal Council that the presence of the Executive Engineer, Educational Inspector, or Civil Surgeon of or in the district, is desirable for the purpose aforesaid at any future meeting of such Municipal Council, it shall be competent to such Municipal Council, by letter addressed to such officer not less than fifteen days previous to the intended meeting, to require his presence, thereat; and the said officer, unless prevented by sickness, or other reasonable cause, shall be bound to attend such meeting.

Provided that such officer on receipt of such letter may, if unable to be present himself, instruct a Deputy or Assistant or other competent subordinate as to his views, and may send him to the meeting as his representative, instead of appearing thereat in person.

EXPLANATION.—The terms "Executive Engineer," "Educational Inspector" and "Civil Surgeon" in sub-sections (13) and (14) of this section include the principal Engineering, Educational and Medical officer, respectively, in or for the district.

(2) Committees.

27. (1) For every Municipal Council there shall be a committee called the managing committee, consisting of such number of councillors not exceeding nine or less than three as may have been elected for a period not exceeding one year, in accordance with rules under clause (a) of section 46.

Managing committees.

(2) The managing committee shall, subject,

(i) to any limitations prescribed by the Municipal Council specially in this behalf and generally by rules made under clause (a) of section 46, and

(ii) to the provisions of Chapter XIII, exercise all the powers of the Municipal Council.

Provided that no managing committee shall exercise—

(a) any powers in connection with any school or educational institution in respect of which a committee is appointed under section 28, or

(b) any powers with which any committee appointed under section 29 is vested.

28. The Municipal Council may appoint, subject to such limitations as are prescribed by the rules for the time being in force under section 46 and subject also to the proviso contained in section 58, a committee consisting of such councillors as they think fit, for managing all or any primary or other schools vested in or maintained by the Municipal Council or for conducting the business of the Municipal Council in respect of any educational institutions aided by the Municipal Council.

School committees.

29. Subject to the limitations prescribed by the rules aforesaid, the Municipal Council may appoint, for a period not exceeding one year, any such committee or such or so many committees consisting of such councillors as they think fit for any purpose or respectively for any of the purposes, other than those specified in section 28, for which a managing committee may, under section 27, exercise the powers of a Municipal Council, and may invest each committee so appointed with such of the said powers as may be necessary or expedient for the fulfilment of the purpose for which it is appointed.

Other executive committees.

30. The Municipal Council may from time to time appoint such or so many other committees consisting of such councillors as they think fit, and may refer to such committees for enquiry and report, or for opinion, such special subjects relating to the purposes of this Regulation as the Municipal Council shall think fit, and may at any time discontinue, or alter the constitution of, any such committee. The Municipal Council may direct that the report of any such committee shall be made to the managing committee, instead of to the Municipal Council.

Consultative committees.

31. Notwithstanding anything contained in this Regulation, it shall be lawful for the Municipal Council from time to time, by a resolution supported by not less than one-half of the whole number of councillors, to appoint, as members of any committee under section 28, 29 or 30, any persons of either sex, who are not councillors, but who may in the opinion of such Municipal Council possess special qualifications for serving on such committee; provided that the number of persons so appointed on any committee shall not exceed one-third of the total number of the members of such committee.

All the provisions of this Regulation relating to the duties, powers, liabilities, disqualifications and disabilities of councillors shall, save as regards the disqualification on the ground of sex, be applicable so far as may be to such persons.

32. A vacancy occurring in a managing committee shall, as soon as possible, and a vacancy occurring in any other committee may, be filled up by the election of a member from among the general body of councillors, subject to the same provisions as those under which the member whose place is to be filled up was elected. A councillor shall be eligible at any time for re-election as a member of any such committee notwithstanding that he has previously been a member of that committee.

33. (1) The president or a vice-president, if appointed a member of any committee, shall be ex-officio chairman thereof.

(2) The Municipal Council may appoint a chairman for every committee of which there is no ex-officio chairman.

(3) Every committee, of which there is an ex-officio chairman or a chairman appointed by the Municipal Council, shall, at each meeting which such chairman does not attend as chairman, appoint from its members a chairman for such meeting.

(4) Every committee, of which there is no ex-officio chairman or chairman appointed by the Municipal Council, shall appoint from time to time its own chairman from among its own members.

34. (1) The provisions of sub-sections (4), (9), (10) and (14) of section 26 shall be complied with in all proceedings of committees as if meetings of committees were included in all references to meetings of a Municipal Council contained in those provisions, and as if for the words "Municipal Council" where they occur in the proviso to clause (a) of sub-section (14) of section 26, there were substituted the word "committee."

(2) Committees may meet and adjourn as they think proper, but the chairman of the committee may, whenever he thinks fit, and shall, upon the written request of the president of the Municipal Council or of not less than two members of a committee, call a special meeting of such committee.

(3) No business shall be transacted at any committee meeting unless more than one-half of the members of the committee be present thereat.

35. (1) Notwithstanding anything contained in the preceding section, the chairman of the committee, whenever it appears to him unnecessary to convene a meeting, may, instead of so doing, circulate a written proposition of his own, or of any other member of the committee, or of any executive officer of the Municipal Council, for the observation and votes of the members of the committee.

(2) Previous to circulating any such proposition as aforesaid, the chairman may, if he thinks fit, and, if the business to which it relates is of the nature described in sub-section (13) of section 26, shall, obtain thereupon the remarks, if any, which any Government officer, not a councillor, whose presence the Municipal Council would be entitled to require under the provisions of clause (b) of sub-section (14) of section 26, desires to record.

(3) The decision on any proposition so circulated shall be in accordance with the majority of votes of the members of the committee who vote upon it, unless a special meeting is convened to consider the said proposition.

and how to be recorded.

(4) Every decision arrived at by the committee under this section shall be recorded in the minute-book kept under sub-section (9) of section 26.

(5) Notwithstanding anything in this Regulation contained, the Government may by notification authorize the adoption by any Municipal Council specified in such notification not being a City Municipal Council, of the procedure prescribed by this section, for the disposal of any business, whenever the president of such Municipal Council may deem it unnecessary to convene a general meeting for the purpose of such business.

36. (1) Every committee shall conform to any instructions that may from time to time be given to them by the Municipal Council; the Municipal Council may, at any time, call for any extract from any proceedings of any committee, and for any return, statement or account or report concerning or connected with any matter with which any committee has been authorized or directed to deal, and every such requisition shall, without unreasonable delay, be complied with by the committee so called upon.

(2) Every order passed by a managing committee or by a committee appointed under section 28 or 29, other than orders under sub-section (3) of section 65, shall be subject to such revision, and open to such appeal, as may be required or allowed in respect thereof by any rules of the Municipal Council for the time being in force under section 46.

(3) *Delegation of powers to individuals.*

37. Any powers or duties or executive functions which may be exercised or performed by or on behalf of the Municipal Council may be delegated, in accordance with rules to be made by the Municipal Council in this behalf, to the president or to the vice-president, or to the chairman of the managing, school or other committee, or to one or more stipendiary or honorary officers, but without prejudice to any powers that may have been conferred on a Chief Officer of a City Municipal Council under Chapter XIII or on any committee by or under section 27, 28 or 29; and each person, who exercises any power or performs any duty or function so delegated, may be paid all expenses necessarily incurred by him therein.

(4) *Validity of Proceedings.*

38. (1) No disqualification of, or defect in the election or appointment of, any person acting as councillor, or as the president or presiding authority of a general meeting or as chairman of a committee appointed under this Regulation, shall be deemed to vitiate any act or proceeding of the Municipal Council or of any such committee, as the case may be, in which such person has taken part, whenever, the majority of persons, parties to such act or proceeding, were entitled to act.

(2) Until the contrary is proved, every meeting of the Municipal Council or of a committee appointed under this Regulation, in respect of the proceedings whereof a minute has been made and signed in accordance with this Regulation, shall be deemed to have been duly convened and held, and all the members of the meeting shall be deemed to have been duly qualified; and where the proceedings are the proceedings of a committee, such committee shall be deemed to have been duly constituted and to have had the power to deal with the matters referred to in the minute.

(3) During any vacancy in a Municipal Council or committee the continuing councillors or members may act as if no vacancy had occurred.

(5) *Joint transactions with other Bodies.*

39. A Municipal Council may from time to time—

(a) join with any other Municipal Council or with any District Board, or with more than one such Municipal Council or Board,

(i) in appointing out of their respective bodies a joint committee for any purpose in which they are jointly interested, and in appointing a chairman of such committee; and

(ii) in delegating to any such committee power to frame terms of agreement with any body as to the construction and future maintenance of any work, or to exercise any power which might be exercised by either or any of them;

(iii) in framing and modifying rules for regulating the proceedings of any committee relating to the purpose for which the committee is appointed.

(b) enter, subject to the sanction of the Government,

Municipal Council, regarding octroi duties respectively.

may be levied together instead of separately within the limits of the area subject to the control of the said bodies.

If any difference of opinion arises between local bodies acting under this section, the decision thereupon of the Government, or of such officer as it appoints in this behalf, shall be final.

(6) *Contracts.*

40. (1) Every Municipal Council shall be competent, subject to the restrictions contained in sub-section (2), to lease, sell or otherwise transfer any movable or immovable property which may, for the purposes of this Regulation, have become vested in or been acquired by them, and, so far as is not inconsistent with the provisions and purposes of this Regulation, to enter into and perform all such contracts as they may consider necessary or expedient in order to carry into effect the said provisions and purposes.

(2) In the case of every lease of immovable property for a term exceeding seven years, and of every sale or other transfer of any such property, the previous sanction of the Government is required.

(3) In the case—

(a) of a lease for a period exceeding one year, or of a sale or other transfer, or contract for the purchase of any immovable property,

(b) of every contract which will involve expenditure not covered by a budget grant,

(c) of every contract the performance of which cannot be completed within the official year current at the date of the contract,

the sanction of the Municipal Council by a resolution passed at a general meeting is required.

(4) In the case of a contract for the purchase of movable property, or for the sale of any movable property belonging to a Municipal Council, if the expenditure which the purchase would involve, or the value of the property to be sold as estimated in the Municipal accounts, exceeds

(a) in the case of a City Municipal Council, Rs. 500,

(b) in the case of any other Municipal Council, Rs. 100,

the sanction of the Municipal Council is required.

(5) In the case of every contract not otherwise provided for in the preceding sub-sections of this section, the sanction of the managing committee, or of such other committee, or of such individual as under the provisions of this Regulation or of the rules for the time being in force thereunder, is empowered in this behalf, is required.

(6) Every contract entered into by or on behalf of a Municipal Council, other than a contract to which sub-section (5) applies, shall be in writing, and shall be signed by the president or vice-president and two other councillors, and shall be sealed with the common seal of the Municipal Council. Every contract to which sub-section (5) applies shall be executed by the chairman of the managing committee, or by the chairman of such other committee, or by such other individual, as is empowered in that behalf, in such manner and form as, according to the law for the time being in force, would bind such chairman or individual if such contract were executed by him on his own behalf.

(7) No contract shall be binding on a Municipal Council in any case referred to in this section, unless all such requirements as are specified in sub-section (2), (3), (4) or (5) in respect of such case are fulfilled, and it is executed in accordance with the provisions of sub-section (6) applicable thereto.

(7) *Compulsory acquisition of land.*

When there is any hindrance to the permanent or temporary acquisition, upon payment, of any land or building required for the purposes of this Regulation, the Government may, after obtaining possession of such land or building in the Municipal Council on their paying the same and on their repaying to Government all costs incurred by Government in the acquisition.

Liabilities of councillors, officers and servants.

Every councillor, officer or servant who is personally liable for the misapplication of any fund to which he has been a party, or which shall have happened through, or been facilitated by, gross neglect of his duty

as a councillor, and may be sued for recovery of the moneys so misapplied as if such moneys had been the property of Government.

Provided that no councillor shall be personally liable in respect of any contract or agreement made, or for any expense incurred, by, or on behalf of, the Municipal Council; the funds at the disposal of each Municipal Council shall be liable for, and be charged with, all costs in respect of any such contract or agreement and all such expenses.

43. (1) Any person who has, directly or indirectly, by himself or his partner, any share or interest in any contract with, by, or on behalf of, a Municipal Council, or in any employment with, under, by, or on behalf of, a Municipal Council, other than as a municipal officer or servant, shall be disqualified for being an officer or servant of such Municipal Council.

(2) Any municipal officer or servant who shall acquire, directly or indirectly, by himself or his partner, any share or interest in any such contract or employment as aforesaid, shall cease to be a municipal officer or servant, and his office shall become vacant.

(3) Nothing in this section shall apply to any such share or interest in any contract or employment with, under, by, or on behalf of, a Municipal Council as, under clauses (ii) and (iv) of the proviso to sub-section (1) of section 15, it is permissible for a person to have without his being thereby disqualified for being a councillor.

44. (a) Any councillor who knowingly acquires, directly or indirectly, any share or interest in any contract or employment with, under, by, or on behalf of, a Municipal Council of which he is a member, not being a share or interest such as, under section 15, it is permissible for a person to have, without being thereby disqualified for being a councillor, and,

(b) any municipal officer or servant who knowingly acquires, directly or indirectly, any share or interest in any contract, or except in so far as concerns his own employment as municipal officer or servant, in any employment with, under, by, or on behalf of, a Municipal Council of which he is an officer or servant, not being a share or interest such as under clauses (ii) and (iv) of the proviso to sub-section (1) of Section 15, it is permissible for a person to have without being thereby disqualified for being a councillor,

shall be liable, on conviction before a criminal court, to a fine which may extend to five hundred rupees.

45. (a) Every person holding the post of councillor or of an officer or servant of a Municipal Council, and every person authorised by the Municipal Council to collect or recover on behalf of the Municipal Council any tax, who

(i) accepts or obtains, or agrees to accept, or attempts to obtain, for himself or for any other person, any gratification whatever, other than legal remuneration, as a reward for doing, or forbearing to do, any official act, or for showing, or forbearing to show, in the exercise of his official functions, favour or disfavour to any person, or for rendering, or attempting to render, any service or disservice to any person, with the Municipal Council or with any public servant, or with any municipal committee, officer or servant, as such, or with Government, or

(ii) does any act for which, or omits to do any act for the omission of which, if he were a public servant within the meaning of the Indian Penal Code, he would be liable to punishment, or to an enhanced punishment, under that Code; and

(b) every person who

(i) falsely pretends that he holds such post or is so authorised as aforesaid, and in such assumed character, does or attempts to do any act under colour of the character so assumed, or

(ii) does any such act, or is guilty of any such omission, to or in relation to any person holding such post or authorised as aforesaid with such intention or knowledge or in such circumstances as would, if the person holding such post or authorised as aforesaid were a public servant within the meaning of the Indian Penal Code, render the person so doing that act or so omitting as aforesaid, liable to punishment or enhanced punishment under that Code,

shall, if no punishment is, in such behalf, provided elsewhere in this Regulation, be liable to the punishment to which for the like offence he would, if every person holding such post or authorised as aforesaid were a public servant within the meaning of the Indian Penal Code, be liable under that Code.

CHAPTER IV.—RULES AND BY-LAWS.

46. Every Municipal Council shall, as soon as conveniently may be after the constitution thereof, make and may from time to time alter or rescind rules, but not so as to render them inconsistent with this Regulation,
- Municipal Councils to make rules:
- (a) regulating the conduct of their business and the delegation of any of their powers or duties and, subject to the provisions of section 27, the appointment and constitution of committees ;
- Regulating, fixing the functions of the president and the establishment ;
- (b) determining,

- for general guidance of municipal servants ;
- (c) generally for the guidance of their officers and servants in all matters relating to the municipal administration ;
- (d) fixing the amount and nature of the security to be furnished by any officer or servant from whom it may be deemed expedient to require security ;
- fixing the amount of the security to be furnished ;
- (e) subject to the provisions of section 184, determining the mode and conditions of appointing, punishing or dismissing any officer or servant, and delegating to officers designated in the rules the power to appoint, fine, reduce, suspend or dismiss any officer or servant ;
- determining mode of appointing, etc., municipal servants ; delegating power to appoint, etc. ;
- (f) regulating the grant of leave to officers or servants, and fixing the remuneration to be paid to the persons, if any, appointed to act for them whilst on leave ;
- granting leave to municipal servants ;
- (g) subject to the provisions of the Mysore Service Regulations and to the special orders of Government, if any, regulating the period of service of all officers and servants, and determining the conditions under which such officers and servants, or any of them, shall receive pensions, gratuities, or compassionate allowances on retirement, or on their becoming disabled through the execution of their duty, and the amount of such pensions, gratuities, or compassionate allowances ; and prescribing the conditions under which any gratuities, or compassionate allowances may be paid to the surviving relations of any such officers or servants whose death has been caused through the execution of their duty ;
- fixing pensions, etc.
- (h) authorising the payment of contributions, at such rates and subject to such conditions as may be prescribed in such rules, to any pension or provident fund which may be established by the Municipal Council or with the approval of the Municipal Council by the said officers and servants ;
- contributing to provident funds ;
- (i) prescribing, subject to the provisions of Chapter VII, the taxes to be levied in the municipality for municipal purposes, the grounds on which exemptions are to be recognised, the conditions on which and the extent to which remissions may be granted, and the system on which refunds are to be allowed and paid, in respect of such taxes, and the limits of the charges or payments to be fixed in lieu of any tax under section 71, and the fees to be charged for licenses or permissions granted under section 70, and the times at which and the mode in which the same shall be levied or recovered or shall be payable, and prescribing the fees for notices demanding payments due on account of any tax, and for the execution of warrants of distress, and the rates to be charged for maintaining any livestock distrained, and designating the persons authorised to receive payment of any sums so leviable ;
- prescribing the taxes, etc., to be levied for municipal purposes.
- (j) prescribing the conditions subject to which sums due on account of any tax or of costs in recovering any tax may be written off as irrecoverable, and the conditions subject to which the whole or any part of any fee chargeable for distress may be remitted by the managing committee.
- for writing off amounts due and remitting fees.

Provided that—

- (a) No rule made, or alteration or rescission of a rule made, under this section shall have effect unless and until it has been approved by the Government.
- Approval required to rules.

(b) If an officer serving or having served under a Municipal Council has been or is transferred from or to the service of the Government, or is partly employed by the Government and partly by a Municipal Council, the Municipal Council shall contribute to his pension and leave allowances to the extent required by the rules in force for the time being, made by the Government in this behalf.

(c) The Municipal Council shall not, unless with the assent of Government, dispense with the services of any such officer transferred from the service of Government to the service of the Municipal Council, or employed partly by Government and partly by the Municipal Council, or finally dismiss from the service of the Municipal Council any officer transferred from the service of the Municipal Council to the service of Government.

47. Subject to the requirements of clause (a) of the proviso to section 46, every Municipal Council may, except as otherwise provided in clause (b) of the proviso to section 74, at any time for any sufficient reason, suspend, reduce or abolish any existing tax by suspending, altering or rescinding, any rule prescribing such tax under the provisions of clause (i) and of clause (a) of the proviso to section 46.

48. (1) Every Municipal Council may from time to time, with the previous sanction of the Government, make, alter or rescind by-laws, but not so as to render them inconsistent with this Regulation—

(a) for the regulation and inspection of markets and slaughter-houses and all places used by or for animals which are for sale or hire, or the produce of which is sold, and for the proper and cleanly conduct of business therein; and for fixing the rents and other charges to be levied for the use of any of them which belong to the Municipal Council;

(b) prescribing the conditions on or subject to which, and the circumstances in which, and the areas or localities in respect of which, licenses may be granted, refused, suspended or withdrawn for the use of any place not belonging to the Municipal Council:—

(i) as a slaughter-house,

(ii) as a market or shop for the sale of animals intended for human food, or of meat, or of fish, or as a market for the sale of fruit or vegetables,

(iii) for any of the purposes mentioned in section 151, and providing for the inspection and regulation of the conduct of business in any place used as aforesaid, so as to secure cleanliness therein or to minimise any injurious, offensive or dangerous effect arising or likely to arise therefrom;

(c) providing for the inspection of hotels, bakeries, sweetmeat shops and other places for the sale of articles intended for human food or drink other than those mentioned in clause (b), and for securing the cleanliness of such places and the wholesomeness of the articles prepared, kept or sold therein;

(d) prohibiting the stalling or herding of horses, camels, cattle, donkeys, sheep or goats, otherwise than in accordance with such regulations prescribed in such by-laws in regard to the number thereof, and the places to be used for the purpose, as may be necessary to prevent danger to the public health;

(e) (i) for the inspection of milch-cattle; and prescribing and regulating the construction, dimensions, ventilation, lighting, cleansing, drainage and water-supply of dairies and cattle-sheds in the occupation of persons following the trade of dairymen or milk-sellers;

(ii) for securing the cleanliness of milk stores, milk shops and vessels used by milk-sellers or buttermen for milk or butter;

(f) for the inspection of weights and measures under section 143;

(g) for the registration of births, deaths and marriages, and the taking of a census within the municipality and for enforcing the supply of such information as may be necessary to make such registration or census effective;

(h) regulating the disposal of the dead and the maintenance of all places for the disposal of the dead in good order and in a sanitary condition, due regard being had to the religious feelings of the community or section of the community entitled to the use of such places for the disposal of the dead;

for enforcing information as to epidemics;

(i) for enforcing the supply of information as to any cases of dangerous disease, and carrying out the provisions of sections 144, 145 and 147;

(j) for enforcing the supply of such information by inhabitants of the municipality as may be necessary to ascertain their respective liabilities to municipal taxation;

any tax imposed therein;

(k) fixing octroi limits and stations; providing for the exhibition of tables of octroi; regulating, subject to any general or special orders which the Government may make in this behalf, the system under octroi by-laws;

which refunds are to be made on account thereof when the animals or goods on which the octroi has been paid, or articles manufactured wholly or in part from such animals or goods, are again exported, and the custody or storage of animals or goods declared not to be intended for use or consumption within the municipality; and prescribing a period of limitation after which no claim for refund of octroi shall be entertained, and the minimum amount for which any claim to refund may be made;

(l) for conserving and preventing injury to sources and means of water-supply and appliances for the distribution of water whether within or without the limits of the municipality; and regulating all matters and things connected with the supply and use of water and the turning on or turning off and preventing the waste of water, and the construction, maintenance and control of municipal water-works and of pipes and fittings in connection therewith, whether the property of the Municipal Council or not;

regulating public baths, &c.;

(m) regulating the use of public bathing and washing places within municipal limits;

for conservancy;

(n) regulating sanitation and conservancy;

for the disposal of carcasses;

(o) regulating the disposal of carcasses of dead animals;

(p) regulating the conditions on which permission may be given for the temporary occupation of, or the erection of temporary structures on, public streets or for projections over public streets, and regulating the structure and dimensions of plinths, walls, foundations, roofs and chimneys of new buildings, for the purpose of securing stability and the prevention of fires, and for purposes of health;

(q) for preventing the erection of buildings without adequate provision being made for the laying out and location of streets;

(r) for ensuring the adequate ventilation of buildings by the provision and maintenance of sufficient open space either internal or external and of doors and windows and other means for securing a free circulation of air;

(s) in a City Municipality, prescribing the qualifications of surveyors or persons by whom plans required under section 96 are to be prepared, or of plumbers; for licensing persons to be surveyors or plumbers, and fixing the fees chargeable for such licenses; and for modifying the provisions of, or revoking, such licenses; and prohibiting any alterations or repairs or fittings to water or drainage pipes or house-connections being carried out or made, except by such persons;

(t) regulating, in any other particular not specifically provided for in this Regulation, the construction, maintenance and control of drains, sewers, ventilation shafts, receptacles for dung and manure, cess-pools, water-closets, privies, latrines, urinals, and drainage or sewerage works of every description, whether the property of the Municipal Council or not;

(u) determining the information and plans to be required by the Municipal Council under sections 91 and 96;

(v) prohibiting the transit of any vehicles of such form, construction, weight or size, or laden with such machinery or other unwieldy objects as may be deemed likely to cause injury to the roadway, or to any construction thereon, or risk or obstruction to other vehicles or to pedestrians, along or over any street, except under such conditions as to time, mode of traction or locomotion, use of appliances, protection of the roadway, number of lights and assistants, and other general provisions may be prescribed, either generally in such by-laws, or in special licenses to be granted in each case upon such terms as to time of application and payment of fees there-
for as may be prescribed in such by-laws;

such law relating only to any particular street or portion of a street, unless and until notices of such prohibition shall have been

posted up by the Municipal Council in conspicuous places at or near both ends of such street or portion of a street;

regulating municipal administration.

(w) generally for the regulation of all matters relating to municipal administration.

Fine may be imposed for infringement of by-laws.

And every Municipal Council may, with the like sanction, prescribe a fine not exceeding five hundred rupees for the infringement of any such by-law.

(2) Every Municipal Council shall, before making any by-law under this section, publish in such manner as shall in their opinion be sufficient, for the information of the persons likely to be affected thereby, a draft of the proposed by-law, together with a notice specifying a date on or after which the draft will be taken into consideration, and shall, before making the by-law, receive and consider any objection or suggestion with respect to the draft which may be made in writing by any person before the date so specified.

(3) When any by-law made by a Municipal Council is submitted to the Government for sanction, a copy of the notice published as aforesaid and of every objection or suggestion so made, shall be submitted for the information of the Government along with the said by-law.

49. The rules and by-laws for the time being in force shall be kept open for public inspection at the municipal office at all reasonable times, and printed copies thereof and of this Regulation in Kanarese and in the case of City Municipalities in English as well as in Kanarese, shall be kept on sale at cost price.

CHAPTER V.—MUNICIPAL PROPERTY AND FUND.

50. (1) Every Municipal Council may acquire and hold property both movable and immovable, whether within or without the limits of the municipality.

(2) All property of the nature hereinafter in this section specified, and not being specially reserved by the Government, shall be vested in and belong to the Municipal Council and shall, together with all other property, of what nature or kind soever, not being specially reserved by the Government, which may become vested in the Municipal Council, be under their direction, management and control, and shall be held and applied by them as trustees, subject to the provisions and for the purposes of this Regulation; that is to say—

(a) All public town-walls, gates, markets, slaughter-houses, manure and night-soil depots, and public buildings of every description.

(b) All public streams, tanks, reservoirs, cisterns, wells, springs, aqueducts, conduits, tunnels, pipes, pumps and other water-works, and all bridges, buildings, engines, works, materials and things connected therewith or appertaining thereto, and also any adjacent land (not being private property) appertaining to any public tank or well.

(c) All public sewers and drains, and all sewers, drains, tunnels, culverts, gutters and water-courses in, alongside, or under any street, and all works, materials and things appertaining thereto, as also all dust, dirt, dung, ashes, refuse, animal matter or filth, or rubbish of any kind collected by the Municipal Council from the streets, houses, privies, sewers, cess-pools, or elsewhere.

(d) All public lamps, lamp-posts and apparatus connected therewith, or appertaining thereto.

(e) All lands transferred to them by the Government, or by gift or otherwise, for local public purposes.

(f) All public streets and the pavements, stones and other materials thereof, and also all trees, erections, materials, implements and things provided for such streets.

(3) It shall be competent to the Government from time to time, by notification, to resume any property vested or vesting in the Municipal Council under this section on such terms as the Government may determine.

51. All moneys received by or on behalf of the Municipal Council by virtue of this or any other Regulation; all taxes, tolls and other imposts, fines, fees, penalties paid to or levied by them under this Regulation; all proceeds of land or other property sold by the Municipal Council, and all rents accruing from their land or property; as also all interest, profits and other moneys accruing by gifts or transfers from the Government or private individuals or otherwise shall constitute the Municipal Fund, and shall be held and dealt with in a similar manner to the property mentioned in the last preceding section:

Provided that—

(a) Nothing in this section, or in the last preceding section, shall in any way affect any obligations accepted by or imposed upon any Municipal Council by any declarations of trust executed by or on behalf of such Municipal Council, or by any scheme settled by order of Government for the administration of any trust:

(b) A Municipal Council may, subject to the condition that reasonable provision shall be made for the performance of all obligations imposed or that may be imposed on them by sections 54, 55, or by or under section 61, or Chapter XII, credit to a separate heading in the municipal accounts any portion of the municipal fund received by them specially for, or devoted by them to, the purposes of schools or dispensaries or of water-works or fire-brigades, or other such purposes as the Government in this behalf approves, and, provided that there shall be credited to such special heading such sums only as expressly relate to the object for which the fund designated by such heading was created, the Municipal Council may apply the sums so credited exclusively to the respective objects to which they are so credited.

52. All property vested in the Municipal Council under this Regulation, and all funds received by them in accordance with the provisions of this Regulation, and all sums accruing to them under the provisions of any law for the time being in force, shall be applied, subject to the provisions and for the purposes of this Regulation, within the limits of the municipality:

Provided always that it shall be lawful for the Municipal Council, with the sanction of the Government or any officer duly authorised by Government in this behalf,—

(a) to incur expenditure beyond the said limits,—

(i) in the acquisition of land, or

(ii) in the construction, maintenance or repair of works,

for the purpose of obtaining a supply of water required for the inhabitants of the municipality, or of establishing slaughter-houses or places for the disposal of night-soil or of sewage or of carcasses of animals beyond the said limits; or for drainage-works, or for any other purpose calculated to promote the health, safety or convenience of the inhabitants of the said municipality; or

(b) to make a contribution towards expenditure incurred by any other Municipal Council, or in any area subject to the authority of a local board or incurred out of any public funds for measures affecting the health, instruction, or convenience of the public and calculated to benefit the residents within the limits of the contributing Municipal Council; or

(c) to create scholarships tenable outside the limits of the municipality.

Provided further that nothing in this section, or in any other provision of this Regulation, shall be deemed to make it unlawful for a Municipal Council, when with such sanction as aforesaid they have constructed works beyond the limits of the said municipality for the supply of water or for drainage as aforesaid—

(a) to supply, or extend to, or for the benefit of, any person or buildings or lands in any place, whether such place is or is not within the limits of the said municipality, any quantity of water not required for the purpose of this Regulation within the said municipality, or the advantages afforded by the system of such drainage-works, on such terms and conditions, with regard to payment and to the continuance of such supply or advantages, as shall be settled by agreement between the Municipal Council and such person or the occupier or owner of such buildings or lands, or

(b) to incur any expenditure, on such terms with regard to payment as may be settled as aforesaid, for the construction, maintenance, repair or alteration of any connection pipes, or other works necessary for the purpose of such supply or for the extension of such advantages.

53. (1) It shall be lawful for the Municipal Council to deposit at interest with the Government Savings Bank, or with the sanction of the Government in any other bank in or outside of Mysore, any surplus funds in their hands which may not be required for current charges, and, with the like sanction to invest such funds in public securities in the name of the Municipal Council, and from time to time dispose of such securities as may be necessary.

(2) All surplus funds over and above what may be required for current expenses shall, unless deposited or invested as provided for in sub-section (1), be deposited in the local Government Treasury, or such other place of security as may be sanctioned by Government.

CHAPTER VI.—OBLIGATORY AND DISCRETIONAL FUNCTIONS OF MUNICIPAL COUNCILS.

54. It shall be the duty of every Municipal Council to make reasonable provision for the following matters within the municipality under their authority, namely:—

Duties of Municipal Councils,

- (a) lighting public streets, places and buildings;
- (b) watering public streets and places;
- (c) cleansing public streets, places and sewers, and all spaces not being private property, which are open to the enjoyment of the public, whether such spaces are vested in the Municipal Council or not; removing noxious vegetation; and abating all public nuisances;
- (d) extinguishing fires, and protecting life and property when fires occur;
- (e) regulating or abating offensive or dangerous trades or practices;
- (f) removing obstructions and projections in public streets or places, and in spaces not being private property, which are open to the enjoyment of the public, whether such spaces are vested in the Municipal Council or belong to Government;
- (g) securing or removing dangerous buildings or places, and reclaiming unhealthy localities;
- (h) acquiring and maintaining, changing and regulating places for the disposal of the dead;
- (i) constructing, altering and maintaining public streets, culverts, municipal boundary marks, markets, slaughter-houses, latrines, privies, urinals, drains, sewers, drainage-works, sewerage works, baths, washing places, drinking fountains, tanks, wells, dams, and the like;
- (j) obtaining a supply or an additional supply of water, proper and sufficient for preventing danger to the health of the inhabitants from the insufficiency or unwholesomeness of the existing supply, when such supply or additional supply can be obtained at a reasonable cost;
- (k) naming streets and numbering houses;
- (l) registering births and deaths;
- (m) public vaccination;
- (n) suitable accommodation for any calves, cows, or buffaloes required within the municipality for the supply of animal lymph;
- (o) establishing and maintaining public hospitals and dispensaries, and providing public medical relief;
- (p) establishing and maintaining primary schools;
- (q) housing and maintaining destitute orphans and destitute cripples;
- (r) printing such annual reports on the municipal administration of the municipality as the Government by general or special orders require the Municipal Council to submit;
- (s) paying the salary and the contingent expenditure on account of such police or guards as may be required by the Municipal Council for the purposes of this Regulation or for the protection of any municipal property, and providing such accommodation as may be required by Government, under the law in force relating to Police.

55. Subject to such reasonable provision as is mentioned in section 54, every Municipal Council shall make reasonable provision for the following special matters, namely:

Special duties.

- (a) providing special medical aid and accommodation for the sick in time of dangerous disease; and taking such measures as may be required to prevent the outbreak or to suppress and prevent the recurrence of the disease;
- (b) giving relief and establishing and maintaining relief works in time of famine or scarcity to or for destitute persons within the limits of the municipality.

Discretionary powers of expenditure of Municipal Council.

56. Municipal Councils may, at their discretion, provide out of the said property and fund, either wholly or partly, for

- (a) laying out, whether in areas previously built upon or not, new public streets, and acquiring the land for that purpose, including the land requisite for the construction of buildings or curtilages thereof, to abut on such streets;
- (b) constructing, establishing, or maintaining public parks, gardens, libraries, museums, lunatic asylums, halls, offices, dharmasalas, rest-houses and other public buildings;
- (c) furthering educational objects other than those set forth in sub-clause (p) of section 54;

- (d) planting and maintaining roadside and other trees ;
- (e) taking a census ; and granting rewards for information which may tend to secure the correct registration of vital statistics ;
- (f) making a survey ;
- (g) arrangements for the destruction or the detention and preservation of such dogs within the municipality as may be dealt with under the law in force relating to Police ;
- (h) securing or assisting to secure suitable places for the carrying on of the offensive trades mentioned in section 151 ;
- (i) supplying, constructing and maintaining receptacles, fittings, pipes and other appliances whatsoever, on or for the use of private premises, for receiving and conducting the sewage thereof into sewers under the control of the Municipal Council ;
- (j) establishing and maintaining a farm or factory for the disposal of sewage ;
- (k) any other measure not specified in sections 54 and 55, likely to promote the public safety, health, convenience, or education ; and
- (l) with the previous concurrence, in the case of City Municipal Councils of the Government, or, in other cases, of the Deputy Commissioner, any public reception, ceremony, entertainment, or exhibition within the Municipality.

57. When a Municipal Council have entered into any arrangement, or made any promise, purporting to be binding permanently or for a term of years. *Arrangements purporting to be binding permanently or for a term of years.* promise, purporting to bind themselves or their successors for a term of years or for an unlimited period, to continue to any educational or charitable institution a yearly contribution from the municipal property or fund, it shall be lawful for the Municipal Council or their successors, with the sanction of the Government, to cancel such arrangement or promise, or to discontinue or to diminish such yearly contribution, provided that they shall have given at least twelve months' notice of their intention so to do to the manager or managers of such institution.

58. The management, control and administration of every public institution exclusively maintained out of municipal property and funds shall vest in the Municipal Council by which it is maintained : *Management of public institutions maintained by Municipal Councils to vest in them.*

Provided that the extent of the independent authority of any Municipal Council in respect of public education, and their relations with the Government Educational Department, shall from time to time be prescribed by the Government.

CHAPTER VII—MUNICIPAL TAXATION.

(1) *Imposition of taxes.*

Taxes which may be imposed.

59. Any Municipal Council—

- (a) after observing the preliminary procedure required by section 60, and
- (b) with the sanction of the Government, and subject to such modifications or conditions as under section 61 the Government in according such sanction deems fit, may impose, for the purposes of this Regulation, any one or more of the following taxes : that is to say,
 - (i) a rate on buildings, on lands, or both, situate within the municipality, not exceeding in any case,
 - (1) six per centum on the annual letting value in City Municipalities, and, in other Municipalities, eight annas for every hundred rupees or portion of hundred rupees of the market value up to Rs. 2,000, with four annas for every hundred rupees or portion of hundred rupees for the balance of such value in excess of Rs. 2,000; and
 - (2) in respect of lands not occupied by buildings and not appurtenant to any building or attached thereto for use therewith as a garden or pleasure ground or for the pasturage of animals kept for private use, two annas for every eighty square yards ;
 - (ii) a tax on all or any vehicles, boats, or animals used for riding, draught or burden, kept for use within the said municipality, at rates not exceeding in any case those specified in Schedule I ;
 - (iii) a toll on vehicles and animals used as aforesaid, entering the said municipality, but not liable to taxation under the clause last preceding, at rates not exceeding in any case those specified in Schedule II ;

- (iv) an octroi on animals or goods, or both, brought within the octroi limits for consumption or use therein;
- (v) a tax on dogs kept within the said municipality, not exceeding one rupee in any one case;
- (vi) a special sanitary cess upon private latrines, premises or compounds cleansed by municipal agency, after notice given as hereinafter required;
- (vii) a general sanitary cess for the construction or maintenance, or both construction and maintenance, of public latrines, and for the removal and disposal of refuse;
- (viii) a water-rate or water-rates for water supplied by the Municipal Council, which may be imposed in the form of a rate assessed on buildings and lands, or in any other form, including that of charges for such supply, fixed in such mode or modes as shall be best adapted to the varying circumstances of any class of cases or of any individual case.

Provided that the total net proceeds of the rate, with the estimated income from payments for water-supply from the works under special contracts, shall not exceed the amount required for the annual maintenance of the water-supply works and for the repayment with interest of the capital outlay thereon in such number of years as may be fixed by Government;

- (ix) a lighting tax, not exceeding in amount one-third of the rate leviable under clause (i);
- (x) a tax on arts, professions, trades and callings, and on offices and appointments, at rates not exceeding those specified in Schedule III;
- (xi) any other tax to the nature and object of which the approval of the Government shall have been obtained prior to the selection contemplated in sub-clause (i) of clause (a) of section 60.

Provided that

(a) no tax imposed as aforesaid, other than a special sanitary cess or a water-rate, shall, without the express consent of Government, be leviable in respect of any building or part of any building, or of any vehicle, animal or other property, belonging to Government and used solely for public purposes, and not used or intended to be used for purposes of profit, or in respect of any building or part of a building ordinarily used as a place of public worship or used for charitable but not residential purposes, or set apart for the occupation of His Highness the Maharaja, or in respect of any vehicle, animal or other property belonging to His Highness the Maharaja; and no toll shall be leviable for the passage of troops or the conveyance of Government stores or of any other Government property or property of His Highness the Maharaja, or for the passage of Military or Police Officers on duty, or the passage or conveyance of any person or property in their custody;

(b) no special sanitary cess shall be leviable in respect of any private latrines, premises, or compounds, unless and until the Municipal Council have

- (i) made provision for the cleansing thereof by manual labour, or for conducting or receiving the sewage thereof into municipal sewers, and
- (ii) issued either severally to the persons to be charged, or generally to the inhabitants of the municipality or part of the municipality to be charged with such cess, one month's notice of the intention of the Municipal Council to perform such cleansing and to levy such cess;

(c) the Municipal Council, in lieu of imposing separately any two or more of the taxes described in clauses (i), (vii), (viii), and (ix), may impose a consolidated tax assessed as a rate on buildings or lands, or both, situated within the municipality.

Procedure of Municipal Council preliminary to imposing tax.

60. Every Municipal Council before imposing a tax shall observe the following preliminary procedure:—

- (a) they shall, by resolution passed at a general meeting,
 - (i) select for the purpose one or more of the taxes specified in section 59;
 - (ii) prepare rules for the purposes of clause (i) of section 46 prescribing the tax or taxes selected;
 and shall by such resolution and in such rules specify,
 - (iii) the class or classes of persons or of property, or of both, which the Municipal Council desire to make liable, and any exemptions which they desire to make;
 - (iv) the amount for which, or the rate at which, it is desired to make such classes liable;
 - (v) all other matters which the Government may so require to be specified.

(b) When such resolution has been passed, the Municipal Council shall publish the form of rules so prepared with a notice in the form of Schedule IV prefixed thereto.

(c) Any inhabitant of the municipality objecting to the imposition of the said tax or to the amount or rate proposed, or to the class of persons or property to be made liable thereto, or to any exemptions proposed, may, within one month from the publication of the said notice, send his objection in writing to the Municipal Council; and the Municipal Council shall take all such objections into consideration, or shall authorise a committee to consider the same and report thereon, and, unless they decide to abandon or to modify the proposed tax in accordance with such objections, shall submit the same with their opinion thereon, together with the notice and rules aforesaid, to the Government.

61. The Government may either refuse to sanction the rules submitted, or may return them to the Municipal Council for further consideration, or if no objection, or no objection which is in its opinion sufficient, was made to the proposed tax within one month from the publication of the said notice, may sanction the said rules either—

(a) without modification, or

(b) subject

(i) to such modifications not involving an increase of the amount to be imposed, or

(ii) to such conditions as to the application within the municipality to any purpose or purposes of this Regulation specified in such conditions, of the whole or any part of the proceeds of such tax, as it deems fit.

62. All rules sanctioned under section 61 with all modifications subject to which the sanction is given, shall be published by the Municipal Council in the municipality for which they are prescribed, together with a notice reciting the sanction and the date and serial number thereof, and the tax as prescribed by the rules so published shall, from a date which shall be specified in such notice and which shall not be less than one month from the publication of such notice, be imposed accordingly, and the proceeds thereof shall be applied by the Municipal Council in accordance with all conditions, if any, subject to which under section 61 the sanction was given :

Provided that

(a) a tax leviable by the year

(i) shall not come into force except on one of the following dates, *viz.*, the first day of July—the first day of October—the first day of January—the first day of April—in the official year in which such notice is published, and

(ii) if it comes into force on any day other than the first of July it shall be leviable by the quarter, till the first day of July then next ensuing ;

(b) on or before the day on which a notice is issued under this section, the Municipal Council shall publish such further detailed rules as may be required, and as may have been approved by the Government under clause (a) of the proviso to section 46, prescribing the mode of levying and recovering the tax therein specified, and the dates on which it or the instalments, if any, thereof, shall be payable ;

(c) if the levy of a tax, or of a special portion of a tax, has been sanctioned for a fixed period only, the levy shall cease at the conclusion of that period, except so far as regards unpaid arrears which may have become due during that period.

(2)—*Assessment of and liability to rates.*

63. (1) When a rate on buildings or lands or both is imposed, the Municipal Council shall cause an assessment list of all buildings, or lands, or buildings and lands in the municipality to be prepared, containing

(a) the name of the street or division in which the property is situated ;

(b) the designation of the property, either by name or by number, sufficient for identification ;

(c) the names of the owner and occupier, if known ;

(d) the annual letting value or other valuation on which the property is assessed ; and

(e) the amount of the tax assessed thereon.

(2) For the purpose of making such assessment on property as aforesaid, the Municipal Council may from time to time appoint any person or persons, whether councillors or not, and whether remunerated or not ; and any person or persons so appointed may for such purpose make an inspection of any such property.

(3) On the requisition of the Municipal Council or of such person, the owner or occupier of any such building or land shall, within such reasonable period as shall be specified in the requisition, be bound to furnish a true return to the best of his knowledge or belief and subscribed with his signature—

(a) as to the name and place of abode of the owner or occupier or of both;

(b) as to the dimensions of such building or land and the annual letting value or other valuation thereof.

64. When the assessment-list has been completed the Municipal Council shall give public notice thereof, and of the place where the list or a copy thereof may be inspected; and every person claiming to be either owner or occupier of property included in the list, and any agent of such person, shall be at liberty to inspect the list and to make extracts therefrom without charge.

65. (1) The Municipal Council shall, at the time of the publication of such assessment-list, give public notice of a time, not less than one month thereafter, when they will proceed to revise the valuation and assessment; and, in all cases in which any property is for the first time assessed or the assessment is increased, they shall also give notice thereof to the owner or occupier of the property, if known.

(2) All objections to the valuation and assessment shall be made to the Municipal Council before the time fixed in the notice, by application in writing, stating the grounds on which the valuation and assessment are disputed, and all applications so made shall be registered in a book to be kept by the Municipal Council for the purpose.

(3) The managing committee, or any committee or committees to which the Municipal Council delegate the powers and functions of the managing committee in this behalf, or any officer of Government to whom, with the permission of the Government, the Municipal Council delegate, and they are hereby empowered so to delegate, the powers and functions of the managing committee in this behalf, shall, after allowing the applicant an opportunity of being heard in person or by agent,

(a) investigate and dispose of the objections,

(b) cause the result thereof to be noted in the book kept under sub-section (2), and

(c) cause any amendment necessary in accordance with such result to be made in the assessment-list.

(4) When all objections made under this section have been disposed of, and all amendments required by sub-section (3) have been made in the assessment-list, the said list shall be authenticated by the signatures of the Chairman and at least one other member of the managing committee or, if the Municipal Council have delegated the powers and functions of the managing committee in this behalf to any other committee or to an officer of Government, by the signatures of not less than two members of such committee or of the officer aforesaid, and the person or persons so authenticating the list shall certify that no valid objection has been made to the valuation and assessment contained in the list except in the cases in which amendments have been made therein.

(5) The list so authenticated shall be deposited in the municipal office, and shall there be open for inspection during office hours to all owners and occupiers of property specified therein, or to the agents of such persons, and a notice that it is so open shall be forthwith published.

(6) Subject—

(a) to such alterations as may thereafter be made therein, under the provisions of the next following section, and

(b) to the result of any appeal made under section 86, the entries in the list so authenticated and deposited shall be accepted as conclusive evidence—

(i) for the purposes of all municipal taxes, of the annual letting value or other valuation of all buildings and lands to which such entries respectively refer, and

(ii) for the purposes of any tax imposed on buildings or lands, of the amount of each such tax leviable thereon throughout the official year to which such list relates.

66. (1) The Municipal Council may at any time alter the said list by inserting the name of any person whose name ought to have been inserted, or by inserting any property, which ought to have been inserted, or by altering the valuation of or assessment on any property which has been erroneously valued or assessed through fraud, accident or mistake, after giving notice to any person interested in the alteration, of a time, not less than one month from the date of service of such notice, at which the alteration is to be made.

Amendment of assessment-list.

(2) Every objection made by any persons interested in any such alteration, before the time fixed in the notice, and in the manner provided by sub-section (2) of the last preceding section, shall be dealt with in all respects as if it were an application under the said section.

Objections how dealt with.

(3) Every alteration made under this section shall, subject to the result of an appeal under section 86, have the same effect as if it had been made on the earliest day in the current official year in which the circumstances justifying the alteration existed.

Effect of amendment.

67. (1) It shall not be necessary to prepare a new assessment-list every year. Subject to the condition that every part of the assessment-list shall be completely revised not less than once in every four years, the Municipal Council may adopt the valuation and assessment contained in the list for any year, with such alterations as may be deemed necessary, for the year immediately following.

New assessment-list need not be prepared every year.

(2) But the provisions of sections 64, 65 and 66 shall be applicable every year as if a new assessment-list had been completed at the commencement of the official year.

68. Every tax imposed in the form of a rate on buildings or lands or on both shall be leviable primarily from the actual occupier of the property upon which the said taxes are assessed, if he is the owner of the buildings or lands, or holds them on a building or other lease from the Government or from the Municipal Council, or on a building lease from any person. Otherwise the said tax shall be primarily leviable as follows, namely:

Tax from whom primarily leviable.

(a) if the property is let, from the lessor;

(b) if the property is sublet, from the superior lessor;

(c) if the property is unlet, from the person in whom the right to let the same vests:

Provided that on failure to recover any sum due on account of such tax from the person primarily liable, such portion of the sum may be recovered from the occupier of any part of the buildings or lands in respect of which it is due, as bears to the whole amount due the same ratio, which the rent annually payable by such occupier bears to the aggregate amount of rent so payable in respect of the whole of the said buildings or lands, or to the aggregate amount of the letting value thereof, if any, stated in the authenticated assessment-list, whichever of those two amounts is the greater.

Recovery from occupiers.

Provided further, that for any sum paid by, or recovered from, any occupier who is not primarily liable under this section, he shall be entitled to credit in account with the person primarily liable for the payment of that sum.

Remedy of occupier in such case.

69. (1) When any building or land assessed to a rate, or in respect of which a special sanitary cess is payable, has remained vacant and unproductive of rent throughout the year, or the period in respect of which any instalment is payable, the Municipal Council shall remit or refund not less than one-half of the amount of such rate or cess or instalment, as the case may be:

Remission of tax in case of vacancies: when obligatory;

Provided that no such remission shall be granted unless notice in writing of the fact of the building or land being vacant and unproductive of rent has been given to the Municipal Council, and that no remission or refund shall take effect for any period previous to the day of the delivery of such notice.

When discretionary.

(2) When any such building or land as aforesaid—

(a) has been vacant and unproductive of rent for any period of not less than sixty consecutive days, or

(b) consists of separate tenements one or more of which has or have been vacant and unproductive of rent for any such period as aforesaid, or

(c) is wholly or in great part demolished or destroyed by fire or otherwise deprived of value, the Municipal Council may remit or refund such portion, if any, of the rate or cess or instalment as they may think equitable.

Burden of proof on claimant.

(3) The burden of proving the facts entitling any person to claim relief under this section shall be upon him.

Explanatory clause.

(4) For the purposes of this section a building or land shall be deemed to be productive of rent if let to a tenant who has a continuing right of occupation thereof, whether it is actually occupied by such tenant or not.

(3) *Power to charge Fees.*

Municipal Council may charge fees for certain licenses.

70. (1) When any license is granted by the Municipal Council under this Regulation, or when permission is given by them for making any temporary erection or for putting up any projection, or for the temporary occupation of any public street or other land vested in the Municipal Council, the Municipal Council may charge a fee for such license or permission.

Market and other fees.

(2) The Municipal Council may also charge such fees as may be fixed by by-laws under clause (a) of sub-section (1) of section 48 for the use of any such places mentioned in that sub-section, as belong to the Municipal Council.

(4) *Special Provisions relating to certain Taxes.*

Fixed charges and agreements for payment in lieu of taxes for water supplied.

71. (1) The Municipal Council may, instead of imposing a water-rate, or in individual cases, of levying a rate imposed in respect of the supply of water belonging to the Municipal Council to, or for use in connection with, any private lands or buildings,

(a) fix, at rates not exceeding such as shall be specified in the rules in force under section 46, charges for such supply according to the quantity used, as ascertained by measurement,

(b) arrange with any person, on his application, to supply on payment, periodical or otherwise, water belonging to the Municipal Council in such quantities or for such purposes, whether domestic, ornamental, or irrigational, or for trade, manufacture or otherwise, on such terms and subject to such conditions as they shall fix by agreement with such person.

Provided that—

(a) the meters, connection pipes and all other works necessary for and incidental to such supplies, and all future repairs, extensions and alterations of such works shall be under the control of the Municipal Council, and the expense thereof shall, so far as is not inconsistent with the rules or by-laws of the Municipal Council, be defrayed by the persons liable in respect of such supplies, and

(b) all such supplies of water shall be, and shall be deemed to have been granted, subject to all such conditions as to the limit or stoppage thereof, and as to the prevention of waste or misuse, as are prescribed in the by-laws for the time being in force under section 48.

Power to fix a special rate in lieu of special sanitary cess.

(2) When the Municipal Council have made provision for the cleansing of any factory, hotel, club or group of buildings or lands used for any one purpose and under one management, they may, instead of levying in respect thereof any special sanitary cess imposed under this chapter, fix a special rate, and the dates and other conditions for periodical payments thereof, which shall be determined either,

(i) in accordance with the rules for the time being in force under section 46, or

(ii) by written agreement with the person who would have been otherwise liable for the cess, provided that, in fixing the amount, proper regard be had to the probable cost to the Municipal Council of the service to be rendered.

Power to compound tax on vehicles or animals.

(3) When the Municipal Council have imposed a tax on vehicles or animals kept for use within the municipality, they may compound with the keeper of any livery-stable or of horses or vehicles kept for sale and hire, for the payment of a lump sum, for any period not exceeding one year at a time, in lieu of any amount which such keeper would otherwise have been liable to pay on account of the tax imposed as aforesaid.

Recovery of sums claimed under this section.

(4) Every sum claimed by the Municipal Council as due under sub-section (1) for any charge fixed by agreement or otherwise on account of the supply, or as expenses to be defrayed such as are mentioned in that sub-section, or as a special rate under sub-section (2), or as a lump sum payable under sub-section (3), shall for the purposes of this section be deemed to be, and shall be recoverable in the same manner as, an amount of any tax recoverable under the said chapter.

72. Nothing contained in section 71 shall affect the right or powers of the Municipal Council to contract with any person to supply for use beyond the limits of the municipality, at such rates and on such conditions as the Municipal Council may think fit, any quantity of water belonging to the Municipal Council but not required for the purposes of this Regulation.

73. If it shall at any time appear to the Government, on complaint made or otherwise that any tax, leviable by a Municipal Council, is unfair in its incidence, or that the levy thereof, or of any part thereof, is obnoxious to the interests of the general public, the Government may require the said Municipal Council, within such period as it shall fix in this behalf, to take measures for removing any objection which appears to it to exist to the said tax, and if, within the period so fixed, such requirements shall not be carried into effect to the satisfaction of the Government, it may, by notification in the Official Gazette, suspend the levy of such tax, or of such part thereof, until such time as the objection thereto shall be removed.

The Government may at any time, by a like notification, rescind any such suspension.

74. Whenever it appears to the Government that the balance of the municipal fund of any Municipal Council is insufficient for meeting the expenditure incurred under section 175 or under section 176 or for the performance of any duties in respect of which they shall have been declared under section 178 to have committed default, the Government may by notification require the Municipal Council to impose, within the municipality, any such tax specified in the notification as may be imposed under section 59 if no such tax is at the time imposed therein, or to enhance any existing tax in such manner or to such extent as the Government consider fit, and the Municipal Council shall forthwith proceed to impose or enhance in accordance with the requisition such tax under the provisions of this chapter, as if a resolution of the Municipal Council had been passed for the purpose under section 60:

Provided that—

(a) the Government shall take into consideration any objection which the Municipal Council or any inhabitant of the municipality may make against the imposition or enhancement of such tax,

(b) it shall not be lawful for the Municipal Council to abandon or modify or to abolish such tax when imposed, and

(c) the Government may at any time cancel or modify any requisition made by it under this sub-section, and the levy of the tax or the enhancement, except as to arrears theretofore accrued due, shall thereupon cease or be modified accordingly.

(5) Octroi and Tolls.

75. Every Municipal Council when submitting for sanction a proposal for the imposition of octroi, shall submit therewith for sanction a draft of by-laws for the purposes of clause (k) of sub-section (1) of section 48, after observing the requirements of sub-sections (2) and (3) of that section.

76. (1) Every person bringing into, or receiving from beyond, the octroi limits of a municipality any article on which octroi is payable shall, when required by an officer authorised in this behalf by the Municipal Council, and so far as may be necessary for ascertaining the amount of tax chargeable,

(a) permit that officer to inspect examine and weigh and otherwise deal with the article; and

(b) communicate to that officer any information, and exhibit to him by any bill, invoice or document of a like nature, which he may possess relating to the article.

(2) If any person bringing into, or receiving from beyond, the octroi limits of a municipality in which octroi is leviable, any conveyance or package, shall refuse on the demand of an officer authorised by the Municipal Council in this behalf, to permit the officer to inspect the contents of the conveyance for the purpose of ascertaining whether it contains any articles in respect of which octroi is payable, the officer may cause the conveyance or package to be taken without delay before a Magistrate or such officer of the Municipal Council as the Government may direct in this behalf by name or office, who shall cause the inspection to be

77. (1) Every officer demanding octroi by the authority of the Municipal Council shall tender to every person introducing or receiving any article on which the tax is claimed, a bill specifying the article taxable, the amount claimed, and the rate at which the tax is calculated.

(2) If goods passing into a Municipality are liable to the payment of octroi, then every person who, with the intention to defraud the Municipal Council, causes or abets the introduction of, or himself introduces or attempts to introduce within the octroi limits of the said municipality, any such goods upon which payment of the octroi due on such introduction has neither been made nor tendered, shall be punishable with fine which may extend to ten times the value of such octroi or to fifty rupees, whichever may be greater.

78. Every Municipal Council imposing any toll under this Regulation shall cause to be kept at each place where such toll is to be collected a table in Kanarese, showing the amounts leviable in all cases provided for in the rules, including the terms, if any, on which the liability to pay such tolls may be compounded by periodical payments, and it shall be the duty of every person authorised to demand payment of a toll, to show such table, on the request of any person on whom such demand is made.

79. (1) In the case of non-payment on demand of any octroi or of any toll leviable by a Municipal Council, the person appointed to collect such octroi or toll may seize any article on which the octroi is chargeable or any vehicle or animal on which the toll is chargeable, or any part of its burden, which is of sufficient value to satisfy the demand, and may detain the same. He shall thereupon give the person in possession of the vehicle, animal, or article seized a list of the property together with a written notice in the form of Schedule VII, that the said property will be sold as shall be specified in such notice.

(2) When any article seized is subject to speedy and natural decay, or when the expense of keeping it together with the amount of the octroi or toll chargeable is likely to exceed its value, the person seizing such article may inform the person in whose possession it was that it will be sold at once, and shall sell it or cause it to be sold accordingly unless the amount of octroi or toll demanded be forthwith paid.

(3) If at any time before the sale has begun, the person whose property has been so seized tenders at the municipal office the amount of all expenses incurred, and of the octroi or toll payable, the Municipal Council shall forthwith release the property seized.

(4) If no such tender is made, the property may be sold, and the proceeds of such sale shall be applied in payment of such octroi or toll and the expenses incidental to the seizure, detention and sale.

(5) The surplus, if any, of the sale proceeds shall be credited to the municipal fund, and may, on application made to the Municipal Council in writing within six months next after the sale, be paid to the person in whose possession the property was when seized, and, if no such application is made, shall be the property of the Municipal Council.

80. The Municipal Council, if they think fit, instead of requiring payment of octroi, due from any mercantile firm or public body, to be made at the time when the articles in respect of which it is leviable are introduced within the octroi limits of the municipality, may at any time direct that an account current shall be kept on behalf of the Municipal Council of the octroi so due from any such firm or body as the Municipal Council specify in this behalf. Every such account shall be settled at intervals not exceeding one month, and such firm or public body shall make such deposit or furnish such security as the Municipal Council or any committee or officer authorised by them in this behalf, shall consider sufficient to cover the amount which may at any time be due from such firm or body in respect of such dues. Every amount so due at the expiry of any such interval shall, for the purposes of Chapter VIII, be deemed to be, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under the said chapter.

81. When any agreement such as is referred to in clause (b) of section 39 has been entered into, such one of the bodies entering into the agreement as by the terms thereof shall be specified in this behalf, shall have the same power to establish such octroi limits and octroi stations as that body may deem necessary, for the entire area in which the octroi is to be collected, and shall have the same power of collecting octroi on animals or goods or both brought within the limits so established, and the provisions of this Regulation relating to octroi shall apply in the same way, as

if the limits so established were wholly comprised within the area subject to the control of the body by which they are so established, and the collections made and the costs thereby incurred shall, subject to the provisions of section 39, be divided between the funds respectively subject to the control of the bodies so entering into the agreement, in such proportions as shall have been determined in the said agreement.

CHAPTER VIII.—RECOVERY OF MUNICIPAL CLAIMS.

Presentation of bill for taxes.

82. (1) When any amount—

(a) which, by or under any provisions of this Regulation, is declared to be recoverable in the manner provided by this chapter, or

(b) which, not being leviable under sub-section (1) of section 79, or payable on demand on account of an octroi or a toll, is claimable as an amount or instalment on account of any other tax which now is imposed or hereafter may be imposed in any municipality,

shall have become due, the Municipal Council shall, with the least practicable delay, cause to be presented to the person liable for the payment thereof, a bill for the sum claimed as due.

Contents of bill.

(2) Every such bill shall specify—

(a) the period for which, and

(b) the property, occupation or thing in respect of which, the sum is claimed, and shall also give notice of—

(i) the liability incurred in default of payment, and of

(ii) the time within which an appeal may be preferred as hereinafter provided against such claim.

(3) If the sum for which any bill has been presented as aforesaid is not paid into the municipal office, or to a person authorised by any rule in that behalf to receive such payments, within fifteen days from the presentation thereof, the Municipal Council may cause to be served upon the person liable for the payment of the said sum a notice of demand in the form of Schedule V, or to the like effect.

83. (1) If the person liable for the payment of the said sum does not, within fifteen days from the service of such notice of demand, either—

In what cases warrant may issue.

(a) pay the sum demanded in the notice, or

(b) show cause to the satisfaction of the Municipal Council, or of such officer as the Municipal Council by rule may appoint in this behalf, or in a City Municipal Council of the Chief Officer, if any, why he should not pay the same, or

(c) prefer an appeal in accordance with the provisions of section 86 against the demand, such sum with all costs of the recovery may be levied under a warrant caused to be issued by the Municipal Council in the form of Schedule VI or to the like effect, by distress and sale of the movable property of the defaulter.

(2) Every warrant issued under this section shall be signed by the president of the

Warrant by whom to be signed.

Municipal Council causing the same to be issued, or in the case of a City Municipal Council by the chairman of the managing committee, or by an officer to whom the Municipal Council have delegated their powers under section 37 or by the Chief Officer, if any.

(3) It shall be lawful for any municipal officer to whom a warrant issued under sub-

Power of entry under special order.

section (2) is addressed, if the warrant contains a special order authorising him in this behalf, but not otherwise,

to break open, at any time between sunrise and sunset, any outer or inner door or window of a building, in order to make the distress directed in the warrant, if he has reasonable grounds for believing that such building contains property which is liable to seizure under the warrant, and if after notifying his authority and purpose and duly demanding admittance, he cannot otherwise obtain admittance. Provided that such officer shall not enter or break open the door of any apartment appropriated for women, until he has given three hours' notice of his intention, and has given such women an opportunity to remove.

(4) It shall also be lawful for such officer to distrain, wherever it may be found, any

Warrant how to be executed.

movable property of the person therein named as defaulter, subject to the following conditions, exceptions and exemptions, namely:—

(a) The following property shall not be distrained:—

(i) the necessary wearing apparel and bedding of the defaulter, his wife and children,

(ii) the tools of artisans,

(iii) when the defaulter is an agriculturist, his implements of husbandry, seed grain, and such cattle as may be necessary to enable the defaulter to earn his livelihood.

(b) The distress shall not be excessive, that is to say, the property distrained shall be as nearly as possible proportionate in value to the amount recoverable under the warrant, and if any articles have been distrained which, in the opinion of a person authorised by or under sub-section (2) to sign a warrant, should not have been so distrained, they shall forthwith be returned.

(c) The officer shall on seizing the property forthwith make an inventory thereof, and shall before removing the same give to the person in possession thereof at the time of seizure, a written notice in the form of Schedule VII that the said property will be sold as shall be specified in such notice.

84. (1) When the property seized is subject to speedy and natural decay, or when the expense of keeping it in custody together with the amount to be levied is likely to exceed its value, the president or chairman or officer by whom the warrant was signed, shall at once give notice to the person in whose possession the property was when seized, to the effect that it will be sold at once, and shall sell it accordingly unless the amount named in the warrant be forthwith paid.

(2) If not sold at once under sub-section (1), the property seized or a sufficient portion thereof may, unless the warrant is suspended by the person who signed it, or the sum due by the defaulter together with all costs incidental to the notice, warrant, and distress and detention of the property, is paid, be, on the expiry of the time specified in the notice served by the officer executing the warrant, sold by public auction under the orders of the Municipal Council, and the proceeds, or such part thereof as shall be requisite, shall be applied in discharge of the sum due and of all such incidental costs as aforesaid.

(3) The surplus, if any, shall be forthwith credited to the municipal fund, notice of such credit being given at the same time to the person from whose possession the property was taken, but if the same be claimed by written application to the Municipal Council within one year from the date of the notice, a refund thereof shall be made to such person. Any sum not claimed within one year from the date of such notice shall be the property of the Municipal Council.

Fees and costs chargeable.

85. Fees for—

- (a) every notice issued under sub-section (3) of section 82,
- (b) every distress made, and
- (c) the costs of maintaining any livestock seized under this section,

shall be chargeable at the rates respectively specified in such behalf in the rules of the Municipal Council, and shall be included in the costs of recovery to be levied under section 84.

86. Appeals against any notice of demand issued under sub-section (3) of section 82, may be made to any Magistrate or Bench of Magistrates by whom, under the directions of the Government or of the District Magistrate, such class of cases is to be tried.

Appeals to Magistrates.

But no such appeal shall be heard and determined unless—

(a) the appeal is brought within fifteen days next after service of the notice of demand complained of; and

(b) an application in writing, stating the grounds on which the claim of the Municipal Council is disputed, has been made to the Municipal Council as follows, that is to say:

- (i) in the case of a rate on buildings or lands, within the time fixed in the notice given under section 65 or 66 of the assessment or alteration thereof, according to which the bill is prepared,
- (ii) in the case of any other claim for which a bill has been presented under sub-section (1) of section 82, within fifteen days next after the presentation of such bill; and

(c) the amount claimed from the appellant has been deposited by him in the municipal office.

87. All sums due on account of any tax imposed in the form of a rate on lands or buildings, or on both, mentioned in section 68, shall, subject to prior payment of land revenue, if any, due to Government thereupon, be a first charge upon the building or land, in respect of which such tax is leviable,

Liability of land, buildings, etc., for rates.

and upon the movable property, if any, found within or upon such building or land, and belonging to the person liable for such tax or taxes.

Provided that no arrears of any such tax shall be recovered from any occupier who is not the owner, if it has been due for more than one year or for a period during which such occupier was not in occupation.

88. The Government may at any time by notification suspend the operation of sections 83 and 84 in any municipality, in which there is not a City Municipal Council, and from such date as shall be fixed in this behalf in the notification, every amount due on account of any tax theretofore recoverable under the said sections, shall be recoverable on application to a Magistrate, in the manner provided in sub-section (2) of section 161 for the recovery of such fines as are therein referred to, and not otherwise.

89. For all sums paid on account of any tax under this Regulation, a receipt stating the amount, and the tax on account of which it has been paid, shall be tendered by the person receiving the same.

Receipts to be given for all payments.

CHAPTER IX—MUNICIPAL POWERS AND OFFENCES.

(1) *Powers in respect of Streets.*

90. (1) It shall be lawful for the Municipal Council to lay out and make new public streets, and to construct tunnels and other works subsidiary to the same, and to widen, open, enlarge, or otherwise improve any such streets, and to turn, divert, discontinue, or stop up any such streets, and, subject to the provisions of sub-section (2) of section 40, to sell any such land, theretofore used or acquired by the Municipal Council for the purposes of such streets, as may not be required for any public street or for any other purposes of this Regulation.

Power regarding streets, etc.

(2) In laying out or making, or in turning, diverting, widening, opening, enlarging, or otherwise improving any public street, in addition to the land required for the carriage-way and foot-ways and drains thereof, the Municipal Council may purchase the land necessary for the houses and buildings to form the said street, and, subject to the provision contained in sub-section (2) of section 40, may sell and dispose of the same in perpetuity or on lease for a term of years, with such stipulations as to the class and description of houses or buildings to be erected thereon as they may think fit.

(3) When the Municipal Council consider that in any street, not being a public street, or in any part of such street, within the municipality, it is necessary for the public health, convenience or safety that any work should be done for the levelling, paving, metalling, flagging, channelling, draining, lighting or cleaning thereof, the Municipal Council may by written notice require the respective owners of the lands or buildings fronting, adjoining or abutting upon such street or part thereof, to carry out such work in a manner and within a time to be specified in such notice.

Power to require repair of streets,

(4) After such work has been carried out by such owners or, as provided in section 156, by the Municipal Council at the expense of such owners, the street or part thereof in which such work has been done shall on the joint requisition of a majority of the said owners, be declared by a public notice, put up therein by the Municipal Council, to be a public street.

and to declare such streets public.

(5) A Municipal Council may, at any time, by notice fixed up in any street or part of a street not maintainable by the Municipal Council, give intimation of their intention to declare the same a public street, and unless within one month next after such notice has been so put up, the owner or the majority of several owners of such street or such part of a street lodges or lodge objections thereto at the municipal office, the Municipal Council may, by notice in writing put up in such street, or such part, declare the same to be a public street.

Power to declare any street a public street subject to objections by the owners.

91. (1) Every person intending to lay out or make any new street, shall give notice in writing thereof to the Municipal Council, and shall furnish plans and sections showing the intended level, means of drainage, direction, and width of such street, if required by the Municipal Council to do so, and the level, means of drainage, direction, and width of every such street shall be fixed or approved by the Municipal Council.

New streets.

(2) Before passing orders under sub-section (1), the Municipal Council may either issue, (a) a provisional order directing that, for a period therein specified, which shall not be longer than one month from the date of such order, the intended work shall not be proceeded with, or

Power of Municipal Council to pass orders.

(b) a demand for further particulars.

(3) If

(a) within one month from the receipt of the notice given under sub-section (1) the Municipal Council have neither

Right to proceed in certain cases.

(i) passed orders and served notice thereof either fixing or disapproving the proposals submitted under sub-section (1) with regard to level, means of drainage, direction and width of the street, nor

(ii) under sub-section (2), issued any provisional order or demand for further particulars, or if

(b) the Municipal Council, having issued such demand for, and having received, in accordance with the demand and with the by-laws in force in this behalf, such further particulars, have issued no further orders within one month from the receipt of such particulars, then the street may be laid out and made in such manner as may have been specified in the notice, and as is not inconsistent with any provision of this Regulation or of any by-law for the time being in force thereunder.

(4) Whoever lays out, makes or builds upon any such street, either without giving the notice required by sub-section (1), or, except in accordance with the provisions of sub-section (3), without awaiting, or otherwise than in accordance with, the instructions issued by the Municipal Council, or in any manner contrary to the provisions of this Regulation or of any by-law in force thereunder, shall be punished with fine which may extend to two hundred rupees, and the Municipal Council may cause any street so laid out or made to be altered, and any building erected in such street contrary to their directions to be altered, or removed, and the expense thereby incurred shall be paid to them by the offender, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

(2) *Powers to regulate buildings, etc.*

92. (1) If any part of a building projects beyond the regular line of a public street either as existing or as determined upon for the future, or beyond the front of the building on either side thereof, the Municipal Council may,—

(a) if the projecting part thereof is a verandah, step or some other structure external to the main building, then at any time, or

(b) if the projecting part is not such external structure as aforesaid, then, whenever the greater portion of such building or whenever any material portion of such projecting part has been taken down or burned down or has fallen down,

require by written notice either that the part, or some portion of the part, projecting beyond the said regular line or beyond the said front of the adjoining building on either side thereof, shall be removed, or that such building when being rebuilt shall be set back to or towards the said regular line or the front of such building. And the portion of land added to the street by such setting back or removal shall thenceforth be deemed part of the public street and be vested in the Municipal Council.

(2) If any land, not vested in the Municipal Council, whether open or enclosed, lies within the regular line of a public street, and is not occupied by a building other than a platform, verandah, step or other such external structure, the Municipal Council, after giving the owner of the land not less than fifteen clear days' written notice of their intention, or if the land is vested in Government, then with the permission in writing of the Deputy Commissioner, may take possession of the said land with its enclosing wall, hedge or fence, if any, and, if necessary, clear the same; and the land so acquired shall thenceforward be deemed a part of the public street, and be vested in the Municipal Council.

(3) Compensation, the amount of which shall in case of dispute be ascertained and determined in the manner provided in section 160, shall be paid by the Municipal Council to the owner of any land added to a street under sub-section (1) or acquired under sub-section (2), for the value of the said land, and to the owner of any building for any loss, damage or expense incurred by such owner in consequence of any action taken by the Municipal Council under either of the said sub-sections, provided that no such compensation shall be payable in cases to which section 119 applies.

93. The Municipal Council may, upon such terms as they think fit, allow any building to be set forward for improving the line of any public street in which such building is situated.

94. (1) The external roofs and walls of buildings erected or renewed after the coming into force of this Regulation shall not be made of grass, wood, cloth, canvas, leaves, mats or other inflammable materials, except with the written consent of the Municipal Council, which may be given either specially in individual cases, or generally in respect of any area specified therein.

(2) The Municipal Council may at any time, by written notice, require the owner of any building which has an external roof or wall made of any such material as aforesaid, to remove such roof or wall within such reasonable time as shall be specified in the notice, whether such roof or wall was or was not made before the time at which this Regulation came into force, and whether it was made with or without the consent of the Municipal Council.

(3) Whoever without such consent as is required by sub-section (1) makes, or causes to be made, or in disobedience to the requirements of a notice given under sub-section (2) suffers to remain, any roof or wall of such material as aforesaid, shall be punished with a fine which may extend to twenty-five rupees, and with a further fine which may extend to ten rupees for every day on which the offence is continued after the date of the first conviction.

95. No building shall hereafter be built upon a lower level than will allow of the drainage thereof being led into some public sewer or drain either then existing or projected by the Municipal Council, or into some stream or river, or some cesspool, or other suitable place which may be approved of by the Municipal Council.

96. (1) Before beginning to erect any building, or to alter externally or add to any existing building, or to reconstruct any projecting portion of a building in respect of which the Municipal Council is empowered by section 92 to enforce a removal or set-back, the person intending so to build, alter, or add shall give to the Municipal Council notice thereof in writing, and shall furnish to them, at the same time, if required by a by-law or by a special order to do so, a plan showing the levels at which the foundation and lowest floor of such building are proposed to be laid, by reference to some level known to the Municipal Council, and all information they may require regarding the limits, design, ventilation and materials of the proposed building, and the intended situation and construction of the drains, sewers, privies, water-closets and cesspools, if any, to be used in connection therewith, and the location of the building with reference to any existing or projected streets.

(2) The Municipal Council may issue such orders not inconsistent with this Regulation as they think proper with reference to the work proposed in such notice, and may either give permission to erect or alter or add to the building according to the plan and information furnished, or may impose in writing such conditions as to level, drainage, sanitation or ventilation, or with reference to the location of the building in relation to any street existing or projected, or, where the Municipal Council have been specially empowered by Government in this behalf, such conditions as to design or materials or to the dimensions or the cubical contents of the rooms, as they think proper.

(3) Before issuing any orders under sub-section (2), the Municipal Council may, within one month from the receipt of such notice, either

(a) a provisional order directing that for a period, which shall not be longer than three months from the date of such order, the intended work shall not be proceeded with, or

(b) may demand further particulars.

(4) A building proposed in a notice given under sub-section (1) may be proceeded with in such manner, as may have been specified in such notice, as is not inconsistent with any provision of this Regulation or of any by-law for the time being in force thereunder in the following cases, that is to say:—

(a) in case the Municipal Council, within one month from the receipt of the notice given under sub-section (1), have neither

(i) passed orders under sub-section (2) and served notice thereof in respect of the intended work ;

nor

(ii) issued under sub-section (3) any provisional order or any demand for further particulars :

(b) in case the Municipal Council having issued such demand for, and having received in accordance with the by-laws in force in this behalf, such further particulars, have issued no further orders within one month from the receipt of such particulars.

Provided that no person, who becomes entitled under this sub-section to proceed with any intended work of which notice is required by sub-section (1), shall commence such work after the expiry of the period of one year from the date on which he first becomes entitled so to proceed therewith.

(5) Whoever begins or makes any building or alteration or addition without giving the notice required by sub-section (1), or without furnishing the plan or affording the information above prescribed, or except as provided in sub-section (4), without awaiting, or in any manner contrary to, such legal orders of the Municipal Council as may be issued under this section, or in any other respect contrary to the provisions of this Regulation or of any by-law in force thereunder, shall be punished with fine which may extend to two hundred rupees, and the Municipal Council may—

(a) direct that the building, alteration, or addition be stopped, and

(b) by written notice, require such building, alteration or addition to be altered or demolished, as they may deem necessary.

(6) The Municipal Council or any officer deputed by them may at any time inspect the erection of any building without giving notice of their or his intention to do so, and at any time during the erection of a building or the execution of any such work as aforesaid, or at any time not later than one month after being informed in writing by the person responsible for giving a notice under sub-section (1) that the erection of the building, or the execution of any such work as aforesaid has been completed, may by written notice specify any matter in respect of which the erection of such building, or the execution of such work, may be in contravention of any provision of this Regulation or of any by-law made under this Regulation at the time in force, and require the person erecting or executing, or who has erected or executed, such building or work, or, if the person who has erected or executed such building or work is not at the time of notice the owner thereof, then the owner of such building or work, to cause anything done contrary to any such provision or by-law to be amended, or to do anything which by any such provision or by-law he may be required to do but which has been omitted.

EXPLANATION.—The expression “to erect a building” throughout this chapter includes

(a) any material alteration, enlargement or re-construction of any building,

(b) the conversion into a place for human habitation of any building not originally constructed for human habitation,

(c) the conversion into more than one place for human habitation of a building originally constructed as one such place,

(d) the conversion of two or more places of human habitation into a greater number of such places,

(e) such alterations of the internal arrangements of a building as affect its drainage, ventilation or other sanitary arrangements, or its security or stability, and

(f) the addition of any rooms, buildings or other structures to any building.

And a building so altered, enlarged, reconstructed, converted, or added to, shall, for the purpose of this chapter, be deemed to be a new building.

97. It shall not be lawful for any person to erect any hut or shed or range or block of huts or sheds, or to add any hut or shed to any range or block of huts or sheds already existing when this Regulation comes into operation, without giving previous notice to the Municipal Council; and the Municipal Council may require such huts or sheds to be built so that they may stand in regular lines, with a free passage or way in front of and between every two lines of such width as the Municipal Council may think proper for ventilation and to facilitate scavenging, and at such a level as will admit of sufficient drainage, and may require such huts to be provided with such number of privies and such means of drainage as to them may seem necessary. If any hut or shed or range or block be built without giving such notice to the Municipal Council, or otherwise than as required by the Municipal Council, the Municipal Council may give written notice to the owner or builder thereof or to the owner or occupier of the land on which the same is erected or is being erected, requiring him within such reasonable time as shall be specified in the notice to take down and remove the same, or to make such alterations therein or additions thereto as having regard to sanitary considerations the Municipal Council may think fit.

Regulation of huts.

98. (1) Whenever the Municipal Council are of opinion that any huts or sheds whether used as dwellings or stables or for any other purposes, and whether existing at the time when this Regulation comes into operation or subsequently erected, are by reason

Improvement of huts.

(a) of insufficient ventilation or of the manner in which such huts or sheds are crowded together, or

(b) of the want of a plinth or of a sufficient plinth or of sufficient drainage, or

(c) of the impracticability of scavenging,

attended with risk of disease to the inhabitants or the neighbourhood, they shall cause a notice to be affixed to some conspicuous part of each such hut or shed, requiring the owner or occupier thereof, or the owner of the land on which such hut or shed is built, within such reasonable time as may be fixed by the Municipal Council for that purpose, to take down and remove such hut or shed, or to execute such operations as the Municipal Council may deem necessary for the avoidance of such risk.

(2) In case any such owner or occupier shall refuse or neglect to take down and remove such huts or sheds, or to execute such operations within the time appointed, the Municipal Council may cause the said huts or sheds to be taken down, or such operations to be performed in respect of such huts or sheds as they may deem necessary to prevent such risk.

(3) If such huts or sheds be pulled down by the Municipal Council, the Municipal Council shall cause the materials of each hut or shed to be sold separately, if such sale can be effected, and the proceeds, after deducting all expenses, shall be paid to the owner of the hut or shed, or if the owner be unknown or the title disputed, shall be held in deposit by the Municipal Council until the person interested therein shall obtain the order of a competent Court for the payment of the same.

Provided always that in case any huts or sheds, existing at the time when the land on which they are situate first became part of a municipality, should be pulled down under this section by order of the Municipal Council or in pursuance of their notice, compensation shall further be made to the owner or owners thereof, and the amount thereof, in case of dispute, shall be ascertained and determined in the manner provided in section 160.

(3) Powers connected with Drainage, etc.

Municipal control over drains, etc. 99. (1) All sewers, drains, privies, water-closets, house-gullies and cesspools within the municipality shall be under the survey and control of the Municipal Council.

(2) All covered sewers and drains, and all cesspools, whether public or private, shall be provided by the Municipal Council or other persons to whom they severally belong, with proper traps, or other coverings or means of ventilation, and the Municipal Council may by written notice call upon the owner of any such covered sewers, drains, or cesspools to make provision accordingly.

100. (1) In order to carry out any drainage scheme, it shall be lawful for a Municipal Council to carry any drain, sewer, conduit, tunnel, culvert, pipe or water-course through, across or under any street, or any place laid out as or intended for a street, or under any cellar or vault which may be under any street, and, after giving reasonable notice in writing to the owner or occupier, into, through or under any land whatsoever within the municipality.

(2) The Municipal Council, or any officer appointed by them for such purpose, may enter upon and construct any new drain in the place of an existing drain in any land wherein any drain vested in the Municipal Council has been already constructed, or may repair or alter any drain vested in the Municipal Council.

(3) In the exercise of any power under this section no unnecessary damage shall be done, and compensation, which shall, in case of dispute, be ascertained and determined in the manner provided in section 160, shall be paid by the Municipal Council to any person who sustains damage by the exercise of such power.

101. (1) If any building or land be at any time undrained, or not drained to the satisfaction of the Municipal Council, the Municipal Council may by written notice call upon the owner to construct or lay from such building or land a drain or pipe of such size and materials, at such level, and with such fall as they think necessary for the drainage of such building or land into—

(a) some drain or sewer, if there be a suitable drain or sewer within fifty feet of any part of such building or land, or

(b) a covered cesspool to be provided by such owner.

(2) It shall not be lawful newly to erect any building, or to re-build any building, or to occupy any building newly erected or re-built, unless and until—

New buildings not to be erected without drains. (a) a drain be constructed, of such size, materials and description, at such level, and with such fall, as shall appear to the Municipal Council to be necessary for the effectual drainage of such building;

(b) there have been provided for and set up in such building and in the land appurtenant thereto, all such appliances and fittings as may appear to the Municipal Council to

be necessary for the purposes of gathering and receiving the drainage from, and conveying the same off, the said building and the said land and of effectually flushing the drain of the said building and every fixture connected therewith.

(3) The drain to be constructed as aforesaid shall empty into a municipal drain, or into some place legally set apart for the discharge of drainage, situated at a distance not exceeding fifty feet from such building; but if there is no such drain or place within that distance, then such drain shall empty into such cesspool as the Municipal Council direct.

102. The owner or occupier of any building or land within the municipality shall be entitled to cause his drains to empty into the sewers of the Municipal Council, provided that he first obtains the written permission of the Municipal Council, and that he complies with such conditions as the Municipal Council prescribe as to the mode in which and the superintendence under which the communications are to be made between drains not vested in the Municipal Council and drains which are so vested.

Power of owners and occupiers of buildings or lands to drain into municipal drains.

103. (1) If the owner or occupier of any building or land proves to the satisfaction of the Municipal Council that he cannot connect the same with any municipal drain otherwise than by means of a drain to be constructed through land, or to be connected with a drain, belonging to or occupied by or in the use of some other person, the Municipal Council, after giving to such other person a reasonable opportunity of stating any objection to such application, may, if no objection is raised or if any objection which is raised is in their opinion insufficient, by an order in writing authorise the owner or occupier first mentioned to carry his drain into, through or under the said land, or into the said drain as the case may be, in such manner and on such conditions as to the payment of rent or compensation, and as to the respective responsibilities of the parties for maintaining, repairing, flushing, cleaning and emptying the said drains, as may appear to them to be adequate and equitable.

Right to carry drain through land or into drain belonging to other persons how and on what conditions to be authorised by Municipal Council.

(2) Every such order shall be a complete authority to the person in whose favor it is made, or to any agent or other person employed by him for this purpose, after giving or tendering to the owner or occupier of the said land or drain the compensation or rent, if any, specified in the said order, and otherwise fulfilling as far as possible the conditions of the said order, and after giving to the said owner or occupier reasonable notice in writing, to enter upon the land specified in the said order with assistants and workmen at any time between sunrise and sunset, and, subject to all the provisions of this Regulation, to do all such work as may be necessary—

Written order of Municipal Council authority for execution of necessary work.

(a) for the construction or connection of the drain, as may be authorised by the said order, or

(b) for discharging any responsibility attaching to him under the terms of the order as to maintaining, repairing, flushing, cleaning or emptying the said drain or any part thereof.

104. In executing any work under section 103, as little damage as possible shall be done, and the owner or occupier of the buildings or lands for the benefit of which the work is done, shall

Work how to be carried out.

(a) cause the work to be executed with the least practicable delay;

(b) fill in, reinstate and make good at his own cost and with the least practicable delay the ground or any portion of any building or other construction opened, broken up or removed for the purpose of executing the said work; and

(c) pay compensation to any person who sustains damage by the execution of the said work.

105. If the owner of any land into, through or under which a drain has been carried under section 103 whilst such land was unbuilt upon, shall at any subsequent time desire to erect a building thereon, the Municipal Council may, if they sanction the erection of such building, by written notice require the owner or occupier of the building or land for the benefit of which such drain was constructed to close, remove or divert the same, and to fill in, reinstate and make good the land in such manner as they may deem to be necessary, in order to admit of the construction or safe enjoyment of the proposed building; and may also, by written notice, require the person desiring to erect the building to make such alterations in the location of the building with reference to the drain, or in the details of the construction of the building, and on such terms, as the Municipal Council may deem to be necessary for the maintenance of the drainage connection.

Rights of owner of land through which drain is carried, in regard to subsequent building thereon.

106. (1) In case the Municipal Council shall be of opinion that any privy, or cesspool, or additional privies, or cesspools, should be provided in or on any building or land, or, in any municipality in which a water-closet system has been introduced, that water-closets should be substituted for the existing privies in or on any building or land, or that additional water-closets should be provided therein or thereon, the Municipal Council may by written notice call upon the owner of such building or land to provide such privies, cesspools or water-closets as the Municipal Council may deem proper.

(2) The Municipal Council may by written notice require any person or persons employing workmen or labourers exceeding twenty in number, or owning or managing any market, school or theatre or other place of public resort, to provide such latrines and urinals as the Municipal Council may direct, and to cause the same to be kept in proper order, and to be daily cleaned.

(3) The Municipal Council may by written notice require the owner or occupier of any land upon which there is a privy, to have such privy shut out, by a sufficient roof and a wall or fence, from the view of persons passing by or resident in the neighbourhood, or to alter as they may direct any privy door or trap door which opens on to any street, and which they deem to be a nuisance.

107. (1) All sewers, drains, privies, water-closets, house-gullies and cesspools within the municipality shall, unless constructed at the cost of the Municipal Council, be altered, repaired, and kept in proper order at the cost and charges of the owners of the land and buildings to which the same belong, or for the use of which they are constructed or continued; and the Municipal Council may by written notice require such owner to alter, repair, and put the same in good order in such manner as they think fit.

(2) The Municipal Council may by written notice demolish or close any privy or cesspool, whether constructed before or after the coming into operation of this Regulation, which in the opinion of the Municipal Council is a nuisance, or is so constructed as to be inaccessible for the purpose of scavenging or incapable of being properly cleaned or kept in good order.

108. When any building or land within the municipality has a drain communicating with any cesspool or sewer, the Municipal Council, if they consider that such drain, though it may be sufficient for the drainage of such building or land, and though it may be otherwise unobjectionable, is not adapted to the general sewerage of the municipality, may close such drain, and such cesspool or sewer, whether it is or is not on land vested in the Municipal Council, on providing a drain or drains equally effectual for the drainage of such building or land, and the Municipal Council may do any work necessary for the purpose.

Power in respect of sewers, etc., unauthorisedly constructed, re-built or unstopped.

109. The Municipal Council may by written notice require that any sewer, drain, privy, water-closet, house-gully or cesspool on any land within municipal limits, constructed, re-built or unstopped—

(a) after such land became part of a municipality, and

(b) either without the consent or contrary to the orders, directions or general regulations or by-laws of the Municipal Council, or contrary to the provisions of any enactment in force at the time when it was so constructed, rebuilt or unstopped,

shall be demolished, amended or altered, as they may deem fit, by the person by whom it was so constructed, re-built or unstopped, and every person so constructing, re-building or unstopping any such sewer, drain, privy, water-closet, house-gully or cesspool, whether he does or does not receive such notice, or does or does not comply therewith, shall, in addition to any penalty to which he may be liable on account of such non-compliance, be punished with fine which may extend to twenty-five rupees.

110. (1) Whoever, without the written consent of the Municipal Council first obtained, makes or causes to be made any drain into or out from any of the sewers or drains vested in the Municipal Council, shall be punished with fine which may extend to twenty-five rupees, and the Municipal Council may by written notice require such person to demolish, alter, re-make or otherwise deal with such drain as they may think fit.

(2) No building shall be newly erected or re-built over any sewer, drain, culvert or gutter vested in the Municipal Council without the written consent of the Municipal Council, and the Municipal Council may by written notice require the person who may have erected or re-built such building to pull down or otherwise deal with the same as they may think fit.

111. (1) The Municipal Council or any officer appointed by them for such purposes may, subject to the restrictions of this Regulation, inspect any sewer, drain, privy, water-closet, house-gully or cesspool, and for that purpose, at any time between sunrise and sunset, may enter upon any lands or buildings with assistants and workmen, and cause the ground to be opened where he or they may think fit, doing as little damage as may be.

(2) The expense of such inspection, and of causing the ground to be closed and made good as before, shall be borne by the Municipal Council unless the sewer, drain, privy, water-closet, house-gully or cesspool is found to be in bad order or condition, or was constructed in contravention of the provisions of any enactment, or of any by-laws of the Municipal Council in force at the time, in which case such expenses shall be paid by the owner of such sewer, drain, privy, water-closet, house-gully or cesspool, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

112. (1) The Municipal Council may, if they think fit, cause any work of the nature to which this sub-chapter applies, to be executed by municipal or other agency under their own orders, without first of all giving the person by whom the same would otherwise have to be executed the option of doing the same.

(2) The expenses of any work so done shall be paid by the person aforesaid, unless the Municipal Council shall, by a general or special order or resolution, sanction, as they are hereby empowered to sanction, the execution of such work at the charge of the municipal fund.

(3) Any pipes, fittings, receptacles, or other appliances for or connected with the drainage of private buildings or lands shall, if supplied, constructed or erected at the expense of the Municipal Council, be deemed to be municipal property, unless the Municipal Council shall have transferred their interest therein to the owner of such buildings or lands.

(4) *Powers regarding external structures, etc.*

113. (1) The Municipal Council may give written permission to the owners or occupiers of buildings in public streets to put up open verandahs, balconies, or rooms, to project from any upper storey thereof, at such height from the surface of the street as the Municipal Council may fix by by-laws from time to time, and to an extent not exceeding four feet beyond the line of the plinth or basement wall, and may prescribe the extent to which, and the conditions under which roofs, eaves, weather-boards, shop-boards and the like may be allowed to project over such streets.

(2) Any such owner or occupier putting up any such projections as aforesaid without such permission or in contravention of such orders, shall be punished with fine which may extend to twenty-five rupees, and if any such owner or occupier fails to remove any such projection as aforesaid in respect of which he has been convicted under this section, he shall be punished with further fine which may extend to five rupees for each day on which such failure or neglect continues.

(3) The Municipal Council may by written notice require the owner or occupier of any building to remove or alter any projection, encroachment or obstruction which, whether erected before or after the site of such building became part of a municipality, shall have been erected or placed against or in front of such building, and which

(a) overhangs or juts into, or in any way projects or encroaches upon, any public street, so as to be an obstruction to safe and convenient passage along such street, or which

(b) projects and encroaches into or upon any uncovered aqueduct, drain or sewer in such street, so as to obstruct or interfere with such aqueduct, drain or sewer, or the proper working thereof:

Provided always that the Municipal Council shall, if such projection, encroachment or obstruction shall have been made in any place before the date on which such place became part of a municipality, or after such date with the written permission of the Municipal Council, make reasonable compensation to every person who suffers damage by such removal or alteration; and if any dispute shall arise touching the amount of such compensation, the same shall be ascertained and determined in the manner provided in section 160.

114. The Municipal Council may by written notice require the owner of every building in any street to put up and keep in good condition proper troughs and pipes for catching and carrying the water from

the roof and other parts of such building, and for discharging the same, in such manner as they may think fit, so that it shall not fall upon the persons passing along the street.

115. The Municipal Council may erect or fix to the outside of any building, brackets for lamps to be lighted with oil or gas, or, subject to the provisions of the law in force relating to electricity, for lamps to be lighted with electricity or otherwise, or subject to the provisions of the law in force relating to telegraphs, for telegraph wires or telephonic wires, or for the conduct of electricity for locomotive purposes, or such pipes as they may deem necessary for the proper ventilation of sewers and water-works, and such brackets and pipes shall be erected so as not to occasion any inconvenience or nuisance to the said building or any others in the neighbourhood.

116. (1) The Municipal Council may from time to time cause to be put up or painted on a conspicuous part of any building at or near each end, corner, or entrance to every street, the name by which such street is to be known and may from time to time fix a number in a conspicuous place on the outer side of any building, or at the entrance of the enclosure thereof fronting the street.

(2) Any person who destroys, pulls down or defaces any such name or number, or puts any name or number different from that put up by the Municipal Council, and any owner or occupier of any building who shall not at his own expense keep such number in good order after it has been put up thereon, shall be punished with fine which may extend to twenty-five rupees.

117. Any person

(a) who, without the consent of the owner or occupier, affixes any posting bill, placard or other paper or means of advertisement against or upon any building, wall, board, fence or pale, or

(b) who, without such consent as aforesaid writes upon, soils, defaces or marks any such building, wall, board, fence or pale with chalk or paint or in any other way whatsoever,

shall be punished with fine which may extend to twenty rupees.

118. The Municipal Council may by written notice require the owner or occupier of any land so to trim or prune the hedges thereof bordering any public street that the said hedges may not exceed the height of four feet from the level of the street, and width of four feet, and to cut down, lop or trim all trees or shrubs which in any way overhang, endanger, or obstruct, or which they deem likely to overhang, endanger, or obstruct any public street or to cause damage thereto, or which so overhang any public tank, well, or other provision for water-supply as to pollute or be likely to pollute the water thereof.

(5) *Powers for promotion of Public Health, Safety and Convenience.*

119. (1) If any building, or anything affixed thereon, be deemed by the Municipal Council to be in a ruinous state or likely to fall, or in any other way dangerous to any inhabitant of such building, or of any neighbouring building, or to any occupier thereof, or to passengers, the Municipal Council shall immediately, if it appears to them to be necessary, cause a proper hoard or fence to be put up for the protection of passengers; all expenses incurred by the Municipal Council under this sub-section shall be paid by the owner or occupier of such building, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

(2) The Municipal Council shall also cause notice in writing to be given to the owner or occupier, requiring such owner or occupier forthwith to take down, secure, or repair such building or thing affixed thereon, as the case shall require, and if such owner or occupier do not begin to repair, take down, or secure such building or thing within three days after the service of such notice, and complete such work with due diligence, the Municipal Council shall cause all or so much of such building or thing, as they shall think necessary, to be taken down, repaired, or otherwise secured.

Provided always that if the danger be not of hourly imminence, it shall be at the discretion of the Municipal Council, instead of themselves causing a hoard or fence to be put up, to issue in the first instance a notice in writing to the owner or occupier to put up a proper hoard or fence, and in the event of the owner or occupier failing to put up within two days from the service of such notice a hoard or fence which the Municipal Council consider sufficient in the circumstances of the case, the Municipal Council shall at once cause such hoard or fence to be put up and thereafter proceed as provided in sub-sections (1) and (2).

120. (1) The Municipal Council may at any time by written notice require that the owner of, or any person who has the control over, any well, stream, channel, tank or other source of water-supply, shall, whether it is private property or not,

(a) keep and maintain any such source of water-supply, other than a stream, in good repair, or

(b) within a reasonable time to be specified in the notice, cleanse any such source of water-supply from silt, refuse and decaying vegetation, or

(c) in such manner as the Municipal Council prescribe, protect any such source of water-supply from pollution by surface drainage, or

(d) within twenty-four hours of such notice, repair, protect or enclose in such manner as the Municipal Council approve, any such source of water-supply other than a stream in its natural flow, if for want of sufficient repair, protection or inclosure, such source of water-supply is in the opinion of the Municipal Council dangerous to the health or safety of the public or of any persons having occasion to use or to pass or approach the same, or shall

(e) desist from using and from permitting others to use for drinking purposes any such source of water supply which, not being a stream in its natural flow, is proved to the satisfaction of the Municipal Council to be unfit for drinking; or

(f) if notwithstanding any such notice under clause (e) such use continues and cannot in the opinion of the Municipal Council be otherwise prevented, close, either temporarily or permanently, or fill up or enclose or fence in such manner as the Municipal Council consider sufficient to prevent such use, such source of water-supply as aforesaid; or

(g) drain off or otherwise remove from any such source of water-supply, or from any land or premises or receptacle or reservoir attached or adjacent thereto, any stagnant water which the Municipal Council consider is injurious to health or offensive to the neighbourhood.

(2) If the owner or person having control as aforesaid fails or neglects to comply with any such requisition within the time required by or under the provisions of sub-section (1), the Municipal Council may, and if in their opinion immediate action is necessary to protect the health or safety of any person shall, at once proceed to execute the work required by such notice, and all the expenses incurred therein by the Municipal Council shall be paid by the owner of, or person having control over, such water-supply, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

Provided that in the case of any well or private stream or of any private channel, tank or other source of water-supply, the water of which is used by the public or by any section of the public as of right, the expenses incurred by the Municipal Council or necessarily incurred by such owner or person having such control, may, if the Municipal Council so direct, be paid from the municipal fund.

121. (1) Whoever displaces, takes up, or makes any alteration in the pavement, gutter, flags, or other materials, of any public street, or the fences, walls, or posts thereof, or any municipal lamp, lamp-post, bracket, water-post, hydrant, or other such municipal property therein, without the written consent of the Municipal Council or other lawful authority, shall be punished with fine which may extend to one hundred rupees.

(2) Any person who, having displaced, taken up or made alteration in any such pavement, gutter, flags, or other materials, or in the fences, walls, posts, municipal lamps, lamp-posts, brackets, water-posts, hydrants, or other municipal property of any public street, shall fail to replace or restore the same to the satisfaction of the Municipal Council after notice to do so, shall be punished with fine which may extend to fifty rupees, and shall pay any expense which may be incurred in restoring the street, and such expense shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

122. (1) Whoever in any place after it has become a municipality shall have built or set up, or shall build or set up, any wall or any fence, rail, post, stall, verandah, platform, plinth, step, or any projecting structure or thing, or other encroachment or obstruction, in any public street, or shall deposit or cause to be placed or deposited any box, bale, package or merchandise, or any other thing in such street, or in or over or upon, any open drain, gutter, sewer, or aqueduct in such street, shall be punished with fine which may extend to twenty-five rupees.

(2) The Municipal Council shall have power to remove any such obstruction or encroachment, and shall have the like power to remove any unauthorised obstruction or encroachment

of the like nature in any open space not being private property, whether such space is vested in the Municipal Council or not, provided that if the space be vested in Government the permission of the Deputy Commissioner shall have first been obtained, and the expense of such removal shall be paid by the person who has caused the said obstruction or encroachment, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

(3) Whoever, not being duly authorised in that behalf, removes earth, sand or other material from, or makes any encroachment in or upon, any open space which is not private property, shall be punished with fine which may extend to fifty rupees, and in the case of an encroachment, with further fine which may extend to ten rupees for every day on which the encroachment continues after the date of first conviction for such offence.

(4) Nothing contained in this section shall prevent the Municipal Council from allowing any temporary occupation of or erections in any public street on occasions of festivals and ceremonies, or the piling of fuel in by-streets and spaces for not more than four days, and in such manner as not to inconvenience the public or any individual.

(5) Nothing contained in this section shall apply to any projection duly authorised under sub-section (1) of section 113, or in any case where permission has been given under sub-section (4) of this section.

123. (1) Every person intending to build or take down any building, or to alter or repair the outward part of any building, in such a position or in such circumstances as that the work is likely to cause or may cause obstruction, danger or inconvenience in any street, shall before beginning such work,

(a) first obtain a license in writing from the Municipal Council so to do, and

(b) cause sufficient hoards or fences to be put up in order to separate the building where such works are being carried on from the street, and shall maintain such hoard or fence standing and in good condition to the satisfaction of the Municipal Council during such time as the public safety or convenience requires, and shall cause the same to be sufficiently lighted during the night, and shall remove the same when directed by the Municipal Council.

(2) Whoever contravenes any of the provisions of this section shall be punished with fine which may extend to fifty rupees, and with further fine which may extend to ten rupees, for every day or night, as the case may be, on which such contravention continues, after the date of the first conviction.

124. (1) The Municipal Council shall, during the construction or repair of any of the streets, sewers, drains or other premises vested in them, take proper precaution for guarding against accident, by shoring up and protecting the adjoining buildings, and shall cause such bars, chains, or posts to be fixed across or in any of the streets to prevent the passage of carriages, carts, or other vehicles, or of cattle or horses, while such works are carried on, as to them shall seem proper; and the Municipal Council shall cause any sewer or drain or other works in streets, during the construction or repair thereof, to be lighted with a sufficient light and guarded during the night.

(2) Whoever takes down, alters or removes any of the said bars, chains or posts, or removes or extinguishes any such light, without the authority or consent of the Municipal Council, shall be punished with fine which may extend to fifty rupees.

125. (1) No person shall, without the written permission of the Municipal Council or otherwise than in accordance with such conditions as may therein be prescribed, make a hole in any street, or erect or deposit thereon any timber, stone, brick, earth or other material that has been, or is intended to be, used for building; and such permission shall be terminable at the discretion of the Municipal Council; and when such permission is granted to any person, he shall, at his own expense, cause such materials or such hole to be sufficiently fenced and enclosed until the materials are removed, or the hole is filled up or otherwise made secure, to the satisfaction of the Municipal Council, and shall cause the same to be sufficiently lighted during the night.

(2) Whoever contravenes any of the provisions of sub-section (1) shall be punished with fine which may extend to twenty-five rupees, and with further fine which may extend to ten rupees for every day or night, as the case may be, on which such contravention continues, after the date of the first conviction.

126. If in the opinion of the Municipal Council the working of any quarry, or the removal of stone, earth or other material from the soil in any place, is dangerous to persons residing in or having legal access to the neighbourhood thereof, or creates or is likely to create a nuisance, the Municipal

Council may, by written notice, require the owner of the said quarry or place, or the person responsible for such working or removal, not to continue or permit the working of such quarry or the removing of such material, or to take such order with such quarry or place as the Municipal Council shall direct for the purpose of preventing danger or of abating the nuisance arising or likely to arise therefrom.

Provided that if such quarry or place is vested in Government, or if such working thereof or removal therefrom as aforesaid is being carried on by or on behalf of Government, or any person acting with the permission or under the authority of Government or of any officer of Government acting as such, the Municipal Council shall not take such action unless and until the Deputy Commissioner has consented to their so doing.

Provided further that the Municipal Council shall immediately cause a proper hoard or fence to be put up for the protection of passengers near such quarry or place, if in any case referred to in this section it appears to them to be necessary in order to prevent imminent danger, and any expense incurred by the Municipal Council in taking action under this section shall be paid by such owner or other person as aforesaid, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

(6) *Powers for the Prevention of Nuisances.*

127. (1) Whoever deposits, or causes or suffers any member of his family or household to deposit, any dust, dirt, dung, ashes, garden, kitchen or stable refuse, or filth of any kind, or any animal matter, or any broken glass or earthen-ware or other rubbish, or any other thing that is or may be a nuisance, in any street or in any arch under a street, or in any drain beside a street or on any open space or on the bank of any river, water-course or nullah, except at such places, in such manner, and at such hours as shall be fixed by the Municipal Council, and whoever commits, or suffers any member of his family to commit, nuisance in any such place as aforesaid, shall be punished with fine which may extend to twenty-five rupees.

(2) Whoever throws or puts, or causes or suffers any member of his family or household to throw or put, any of the matter above described, or, except with the permission of the Municipal Council, any night-soil into any sewer, drain, culvert, tunnel, gutter or water-course, and whoever commits nuisance, or suffers any member of his family to commit nuisance, in any such drain, culvert, tunnel or water-course, or in such close proximity thereto as to pollute the same, shall be punished with fine which may extend to twenty-five rupees.

128. Whoever causes or allows the water of any sink or sewer, or any other liquid or other matter which is or which is likely to become offensive, from any building or land under his control, to run, drain, or be thrown or put upon any street or open space, or to soak through any external wall, or causes or allows any offensive matter from any sewer or privy to run, drain or be thrown into a surface drain in any street, without the permission in writing of the Municipal Council, or who fails to comply with any condition prescribed in such permission, shall be punished with fine which may extend to twenty-five rupees.

129. Whoever, being the owner or occupier of any building or land, keeps or allows to be kept for more than twenty-four hours, or otherwise than in some proper receptacle, any dirt, dung, bones, ashes, night-soil, filth or any noxious or offensive matter, in or upon such building or land, or suffers such receptacle to be in a filthy or noxious state, or neglects to employ proper means to remove the filth from, and to cleanse and purify, such receptacle, or keeps or allows to be kept in or upon such building or land any animal in such a way as to cause a nuisance, shall be punished with fine which may extend to twenty-five rupees, and with further fine which may extend to five rupees, for every day on which such offence is continued, after the date of the first conviction.

130. (1) The Municipal Council may from time to time fix the hours within which only it shall be lawful to remove any night-soil or other such offensive matter.

(2) Whoever,

- (a) when the Municipal Council have fixed such hours, and given public notice thereof by beat of drum, removes, or causes to be removed, along any street any such offensive matter at any time except within the hours so fixed, or
- (b) at any time, whether such hours have been fixed by the Municipal Council or not,
 - (i) uses for any such purpose any cart, carriage, receptacle or vessel not having a covering proper for preventing the escape of the contents thereof and of the stench therefrom, or

- (ii) wilfully or negligently slops or spills any such offensive matter in the removal thereof, or
- (iii) does not carefully sweep and clean every place in which any such offensive matter has been slopped or spilled, or
- (iv) places or sets down in any public place any vessel containing such offensive matter, or
- (v) drives or takes or causes to be driven or taken any cart, carriage, receptacle or vessel used for any such purpose as aforesaid, through any street or by any route, other than such as shall from time to time be appointed for that purpose by the Municipal Council by public notice,

shall be punished with fine which may extend to twenty-five rupees.

131. (1) Whoever, being the owner or occupier of any building or land, whether tenantable or otherwise, suffers the same to be in a filthy and unwholesome state, or in the opinion of the Municipal Council a nuisance to persons residing in the neighbourhood, or overgrown with prickly-pear or rank and noisome vegetation, and who shall not, within a reasonable time after notice in writing by the Municipal Council to cleanse, clear or otherwise put the same in a proper state, have complied with the requisition contained in such notice, shall be punished with fine which may extend to twenty-five rupees, and with further fine which may extend to five rupees for every day on which the failure to comply with the said notice is continued, after the date of the first conviction.

(2) Should the state of the building be such as in the judgment of the Municipal Council to render it unfit for human habitation, they may further by written notice prohibit the using thereof for that purpose until it is so rendered fit.

(3) If any building, by reason of dilapidation, neglect, abandonment, disuse or disputed ownership, or of its remaining untenanted and thereby

(a) becoming a resort of idle and disorderly persons, or of persons who have no ostensible means of subsistence, or who cannot give a satisfactory account of themselves, or

(b) coming into use for any insanitary or immoral purpose, or

(c) affording a shelter to snakes, rats or other dangerous or offensive animals,

is open to the objection that it is a nuisance, or so unwholesome or unsightly as to be a source of discomfort, inconvenience or annoyance to the neighbourhood or to persons passing by such building, the Municipal Council, if they consider such objection cannot under any other provision of this Regulation be otherwise removed, may, if there is any person known or resident within the municipality who claims to be the owner of such building, by written notice directed to such person, require such person, or in any other case by written notice fixed on the door or any other conspicuous part of the building, require all persons claiming to be interested in such building, within a period which shall be specified in the notice and shall not be less than seven days from the date of such notice, to cause such building to be taken down and the materials thereof to be removed; and in the event of non-compliance with such requirement, the Municipal Council, on the expiration of the period specified as aforesaid, may forthwith cause the building to be taken down and the materials to be removed, and may sell such materials and apply the proceeds to defray any expenses incurred by them in so doing, and all such expenses not thereby defrayed shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII.

132. It shall be lawful for the president, vice-president, or any councillor or officer authorised by the Municipal Council in this behalf, at any time between sunrise and sunset, on giving such notice as hereinafter provided, to enter into and inspect all buildings and lands, and by written notice to direct all or any part thereof to be forthwith internally and externally limewashed or otherwise cleansed for sanitary reasons.

133. (1) The Municipal Council may set apart sufficient public places for the purpose of being used as bathing places, and may also provide or set apart a sufficient number of convenient tanks or runs of water for the inhabitants to bathe in; and may also set apart tanks or reservoirs or runs of water for washing animals or clothes, and for all purposes connected with the health, cleanliness and comfort of the inhabitants, and may prohibit the use, for any purpose mentioned in this section of any or all other public places within the municipality.

(2) Copies of all orders passed and notices issued by the Municipal Council and for the time being in force under this section, shall be kept at the municipal office and shall be open for inspection by the public at all reasonable times.

134. (a) Whoever, in disobedience of any order of the Municipal Council under section 133, or of any by-law, bathes in any stream, pool, tank, reservoir, well, cistern, conduit or aqueduct belonging to the Municipal Council, or washes, or causes to be washed, therein any animal or any thing, whatever, or throws, puts or casts or causes to enter therein any animal or any thing, or suffers to run, drain or be brought thereinto any thing that is, or may become, a nuisance, or does anything whatsoever whereby any water therein shall be in any degree fouled or corrupted, and

(b) whoever, without permission of the Municipal Council, steeps in any tank, stream, or ditch within, or on the boundary of, the municipality any animal, vegetable or mineral matter likely to render the water of such tank, stream or ditch offensive or a nuisance, shall be punished with fine which may extend to fifty rupees.

135. When any pool, ditch, tank, pond, well, hole, or any waste or stagnant water, or any channel or receptacle of foul water or other offensive or injurious matter, whether the same be within any private enclosure or otherwise, shall appear to the Municipal Council to be likely to prove injurious to the health of the inhabitants or offensive to the neighbourhood, the Municipal Council may by written notice require the owner of the same to cleanse, fill up, drain off or remove the same, or to take such measures as shall, in their opinion, be necessary to abate or remove the nuisance.

136. Whoever, except with the written permission of the Municipal Council, and in the way, if any, enjoined in such permission, stores or uses night-soil or other manure or substance emitting an offensive smell, shall be punished with fine which may extend to twenty-five rupees.

137. (1) Whoever tethers cattle or other animals, or causes or suffers them to be tethered by any member of his family or household, in any public street or place so as to obstruct or endanger the public traffic therein, or to cause a nuisance, or who causes or suffers such animals to stray about without a keeper, shall be punished with fine which may extend to twenty-five rupees.

(2) Whoever keeps any swine so as to be a nuisance shall be punished with fine which may extend to ten rupees.

138. (1) It shall be lawful for the Municipal Council to direct by public notice that every furnace employed, or to be employed, in any works or buildings used for the purpose of any trade or manufacture whatsoever within the limits of the municipality, whether a steam-engine be or be not used or employed therein, shall in all cases be constructed, supplemented or altered so as to consume or burn, or reduce as far as may be practicable, the smoke arising from such furnace.

(2) If any person shall after such direction use, or permit to be used, any such furnace not so constructed, supplemented, or altered, or shall so negligently use, or permit to be used, any such furnace as that the smoke arising therefrom shall not be effectually consumed or burnt as far as may be practicable, every person so offending, being the owner or occupier of the said works or buildings or, being an agent or other person employed by such owner or occupier for managing the same, shall be punished with fine which may extend to fifty rupees, and upon any subsequent conviction to five hundred rupees.

Provided that nothing in this section shall be held to apply to locomotive engines used for the purpose of traffic upon any railway or for the repair of roads.

(7) Regulation of Markets, Sale of Food, etc.

139. (1) It shall be lawful for the Municipal Council to direct that no place shall be used as a market for the sale of animals, meat, fish, fruit or vegetables intended for human food, or as a slaughter-house, excepting the public markets or slaughter-houses constructed or opened by the Municipal Council, or such other markets or slaughter-houses as may have been licensed in writing by the Municipal Council, who may, at their discretion, from time to time grant, suspend, withhold or withdraw such licenses, either generally or in individual instances.

(2) No person shall in any municipality in which by-laws are in force prescribing the conditions on and subject to which, and the circumstances in which, licenses for shops for the sale of such commodities may be granted, refused, suspended or withdrawn, use without a license from the Municipal Council granted in accordance with by-laws made under clause (b) of sub-section (1) of section 48 any place as a shop for the sale of animals, meat, or fish, intended for human food, except in a municipal or licensed market.

(3) Whoever contrary to such direction or without the license required as aforesaid, or otherwise than in accordance with the conditions on or subject to which such license was granted, sells or exposes for sale any such animals or commodities, or uses or permits the use of a place as a shop for the sale thereof, or uses any place as a slaughter-house, shall be punished with fine which may extend to twenty-five rupees.

(4) Upon a conviction being obtained in respect of any place which has, without or during the suspension or after the withdrawal of a license, been used or permitted to be used as a slaughter-house or shop for such sale as aforesaid, the Magistrate shall, on the application of the Municipal Council, but not otherwise, order such place to be closed, and thereupon appoint persons, or take other steps, to prevent such place being so used; and every person who so uses or permits the use of the place after it has been so ordered to be closed, shall be punished with a fine which may extend to five rupees for each day during which he continues so to use, or permits such use of, the place after it has been so ordered to be closed.

(5) Nothing contained in this section shall apply to the use of any hotel or eating house for the sale of food served for consumption on the premises.

140. (1) The Municipal Council may from time to time open or close any public market or slaughter-house. They may also either take stallage or other rents or fees for the use by any person of any such market or slaughter-house, or from time to time sell by public auction or otherwise the privilege of occupying any stall or space in, or of otherwise using, any such market or slaughter-house.

Opening, closing, and letting of markets and slaughter-houses.

(2) Any person who, without the permission or license of the Municipal Council shall sell or expose for sale any article in the said markets, or use the said slaughter-houses, shall be punished with fine which may extend to twenty-five rupees.

141. It shall be lawful for the Municipal Council, with the sanction of the Deputy Commissioner, to establish slaughter-houses, or places for the disposal of carcasses of animals, beyond the limits of the municipality, and all provisions of this Regulation and of by-laws in force thereunder relating to such places within municipal limits, shall have full force therein, as if such places were within the municipal limits.

Slaughter-houses, etc., beyond municipal limits.

Search for and inspection of unwholesome articles.

142. (1) The president, vice-president or any councillor or officer authorised by the Municipal Council in this behalf—

(a) may at all reasonable times enter into any place for the purpose of inspecting, and may inspect, any animals, carcasses, meat, poultry, game, flesh, fish, fruit, vegetables, corn, bread, flour, milk, ghee, butter or other articles intended for human food or drink or for medicine, whether exposed or hawked about for sale, or deposited in, or brought to, any place for the purpose of sale, or of preparation for sale, or may enter into and inspect any place used as a slaughter-house, and may examine anything which may be therein; and

(b) in case any such animals, carcasses, or other articles before mentioned appear to be diseased or unsound or unwholesome or unfit for human food or drink or medicine, may seize the same.

Any article which is of a perishable nature may, under the orders of the president, vice-president or chairman of the managing committee or of a committee appointed under section 29 to exercise all or any of the powers vested in the Municipal Council under this sub-chapter, if in his opinion it is diseased, unsound, unwholesome or unfit for food, drink and medicine, forthwith be destroyed.

Every animal and every article which is not of a perishable nature, if seized as aforesaid, shall be taken before a Magistrate.

If it appear to the Magistrate upon sufficient evidence that any such article is diseased or unsound or unwholesome or unfit for human food, drink or medicine, the owner or person in whose possession it was found, not being merely bailee or carrier thereof, shall, if in such case the provisions of section 273 of the Indian Penal Code do not apply, be punished with fine which may extend to one hundred rupees, and the Magistrate shall cause such article to be destroyed or to be so disposed of as to prevent its being exposed for sale or used for food or drink or medicine.

(2) In every municipality to which the Government may by notification have declared this sub-section to apply, whether as regards food or drink of all kinds or of any specified kind,

Adulterated articles for food or drink.

if any article to which this sub-section is applicable as aforesaid, is intended for food or drink, and is in any place mentioned in sub-section (1), the president, vice-president or officer authorised as aforesaid, in case such article appears not to be what it is represented to be, may seize the same, and if it appears to a Magistrate upon sufficient evidence that such article is

not what it is represented to be, such Magistrate may order the same to be destroyed or to be so disposed of as to prevent its being exposed for sale or use for food or drink, and the owner thereof or the person in whose possession the same was found, not being merely carrier or bailee thereof, shall, if in such case the provisions of section 273 of the Indian Penal Code do not apply, be punished with fine which may extend to one hundred rupees.

EXPLANATION.—If such article having been exposed or stored in, or brought to any place mentioned in sub-section (1) for sale as ghee, contains any substance not exclusively derived from milk, it shall be deemed to be, for the purposes of this sub-section, an article which is not what it is represented to be.

Provided that when any article of food or drink referred to in this sub-section appears to the Magistrate not to be what it is represented to be, solely by reason of the fact that there has been added to it some substance not injurious to health, no offence shall be deemed to have been committed by the owner of the article or the person in whose possession the same is found, if such owner or person proves to the satisfaction of the Magistrate—

Protection to persons acting in good faith.

(a) that such substance has been added to the article of food or drink, because the same is required for the production or preparation thereof, as an article of commerce, in a state fit for carriage or consumption, and not fraudulently to increase the bulk, weight or measure of the food or of drink or conceal the inferior quality thereof, or

(b) that in the process of production, preparation or conveyance of such article of food or drink, the extraneous substance has unavoidably become intermixed therewith, or

(c) that, by a label distinctly and legibly written or printed on or with the said article of food or drink or by other means of public description, he has given sufficient notice that such substance has been so added, or

(d) that—

(i) the said article was purchased by him with a written warranty that it was of a certain nature, substance and quality,

(ii) he had no reason to believe that it was not of such nature, substance and quality as aforesaid, and

(iii) it was not exposed, hawked about, or brought for sale by him otherwise than as an article of the nature, substance and quality specified in the written warranty, and was in the same state in which he purchased it.

(3) In all prosecutions under this section the Magistrate shall refuse to issue a summons for the attendance of any person accused of an offence against its provisions unless the summons is applied for within a reasonable time from the alleged date of the offence of which such person is accused.

Application for summons to be refused if not applied for within reasonable time.

143. The president, vice-president, or any councillor, or officer authorised by the Municipal Council in this behalf, may at all reasonable times enter into any place used for the sale of articles used for human food or drink or for medicine, and inspect the weights and measures in use; and if the person in charge be found in possession of any false or defective weights or measures, or of weights or measures by the use of which the public may be defrauded, he shall be punished with fine which may extend to two hundred and fifty rupees.

False weights and measures.

(8) *Prevention of Dangerous Diseases.*

144. (1) The Government may at any time confer by notification on any Municipal Council designated therein, all or any of the powers specified in sub-section (2), and such Municipal Council shall, subject to all such limitations, restrictions and conditions, if any, as the Government in the same or in any subsequent notification may prescribe in such behalf, exercise within the municipality every power so conferred on them, for such period as may be specified in this behalf in any such notification, or if no period is so specified, then until such power is withdrawn.

Powers which may at any time be conferred.

(2) The powers, all or any of which may be conferred under the preceding sub-section, are:—

(a) power by orders, which may be either of special or general application, to direct that every medical practitioner, who knows or may have reason to believe that any person whom he has visited in his professional capacity in any dwelling not being a hospital, or that every manager of any factory or educational institution, or every head of a household, who knows or has reason to believe that any person who resides in any dwelling under the management or control of any such manager or head of a household, is suffering from any illness which may reasonably be supposed to be a dangerous disease, shall give information of the same with the least practicable delay to such person as may be designated by the Municipal Council in that behalf;

(b) power to direct or authorise the inspection, without notice, or with such notice as to the person directed or authorised to inspect appears reasonable, if any place in which any dangerous disease is reported or suspected to exist, and the taking of measures to prevent the spread of the disease beyond such place;

(c) power to prohibit the removal of water for the purpose of drinking from any well, tank or other place, which may appear to the Municipal Council, on the advice of the medical officer, likely to engender or cause the spread of any dangerous disease;

(d) power to direct or cause the removal, on a certificate signed by any duly qualified medical practitioner authorised by the Municipal Council in this behalf, of any person who is without proper lodging or accommodation, or who is lodged in a room or set of apartments occupied by more than one family, and who is suffering from a dangerous disease, to any hospital or place at which persons suffering from the said disease are received for medical treatment;

(e) power to require by written notice the owner or occupier of any building, or part of a building, or a person owning or in charge of any article therein, to cleanse or disinfect such building or part thereof or article, either at his own expense, or in case of poverty, or for other cause which the Municipal Council in the circumstances of the case consider reasonable, at the expense of the Municipal Council;

(f) power to provide the means, and to prescribe places, for disinfecting or washing bedding or other articles which have been exposed to infection from any dangerous disease, and to direct the destruction thereof;

(g) power—

(i) to provide and maintain suitable conveyances for the free carriage of persons suffering from any dangerous disease and,

(ii) when such provision is made, to prohibit the conveyance of such persons in all or any public conveyances, and

(iii) to direct that any conveyances that may at any time be used for conveying any such person shall be immediately disinfected;

(h) power to prohibit—

(i) any person suffering from any dangerous disease from wilfully exposing himself, without proper precautions against spreading the said disease, in any street or in any school or factory, or in any inn, dharmasala, theatre, market or other place of public resort: or

(ii) any person in charge of any person so suffering from so exposing such sufferer;

(i) power to prohibit any person from removing to another place, or transferring to another person, except for the purpose of disinfection, any article which the person prohibited knows, or has reason to believe, has been exposed to infection of any kind whatsoever from any dangerous disease;

(j) power to prohibit the letting of or the providing of accommodation in any hotel, inn, dharmasala, chattram or musafirkhana in which a person has, or in which there is reason to believe that a person has, been suffering from a dangerous disease, unless and until the person desiring so to let or provide accommodation shall have had the building, or part thereof, and any article therein likely to retain infection, disinfected to the satisfaction of the Municipal Council or of such officer as the Municipal Council appoint in this behalf;

(k) power, with the previous permission in each case of a Magistrate exercising not less than second class powers, to destroy any insanitary huts or sheds in which there is reason to believe that persons have been suffering from dangerous disease.

(3) The Municipal Council may, in their discretion, give compensation to any person who sustains substantial loss by the destruction of any property under this section, but except as allowed by the Municipal Council, no claim for compensation shall lie for any loss or damage caused by any exercise of the powers specified therein.

(4) Any person who in a municipality disobeys any order which is for the time being in force therein, and which has been passed by the Municipal Council in exercise of any power conferred on such Municipal Council under this section, or obstructs any officer of the Municipal Council or other person acting under the authority of the Municipal Council in carrying out executively any such order, shall be punished with fine which may extend to two hundred rupees.

145. (1) In the event of the municipality or any part thereof being at any time threatened or visited with an outbreak of any dangerous disease, the Municipal Council shall take all such measures as they deem necessary for the purpose of preventing, meeting, mitigating or suppressing such outbreak.

Duties of Municipal Council on threatened or actual outbreak of dangerous disease.

Penalties for disobedience to an order passed in exercise of such powers.

(2) In such event as aforesaid the Government may, by special notification, declaring that such municipality is threatened or visited with an outbreak of a dangerous disease, confer on the Municipal Council all or any of the additional powers specified in the following sub-section, and such Municipal Council shall, subject to such limitations, restrictions and conditions, if any, as the Government in the same or in any subsequent notification may prescribe, exercise every such power so conferred on them until the same is withdrawn by means of a like notification.

(3) The powers, all or any of which may be conferred under the preceding sub-section, are—

(a) power to order, subject to the conditions,

(i) that the permission of a Magistrate exercising not less than second class powers shall be in each case first obtained, and

(ii) that accommodation for all persons to whom the order refers is available, or shall be provided, elsewhere,

the evacuation of an infected building used as a dwelling, or of any part thereof, or of any building so used adjacent to such building, by the person or persons residing, whether habitually or temporarily, therein;

(b) power to direct the examination by a medical officer of persons and, if necessary, the disinfection of the clothing, bedding or other suspicious articles belonging to persons, either arriving from places outside the municipality, or residing in any infected building or building adjacent to any infected building, and to direct that any such person shall give his address and present himself daily for medical examination at such time and places as may be prescribed, for a period not exceeding ten days;

(c) power to prohibit either generally, or by special order in any individual case, assemblages consisting of any number of persons exceeding fifty, in any place whether public or private, or in any circumstances, or for any purpose, if in the opinion, recorded in writing, of the Civil Surgeon, or other senior Medical Officer of the District or other medical officer appointed by the Government in this behalf, such assemblages in such place, in such circumstances or for such purpose, would be likely to become a means of spreading the disease or of rendering it more virulent.

(4) The Municipal Council may, in their discretion, give compensation to any person who sustains substantial loss by the destruction of any property under this section; but except as allowed by the Municipal Council, no claim for compensation shall lie for any loss or damage caused by any exercise of the powers specified therein.

(5) If, in any municipality in which such declaration under sub-section (2) as aforesaid is for the time being in force, any person—

Penal clauses.

(a) knowingly disobeys any order which for the time being is in force in such municipality and which has been passed by the Municipal Council in exercise of any power conferred on them under section 144 or under this section, or

(b) obstructs any officer of the Municipal Council or other person acting under the authority of the Municipal Council in carrying out executively any such order,

such person shall be punished with fine which may extend to one thousand rupees.

146. (1) The Government may at any time

Withdrawal and modification of powers and orders.

(a) withdraw any power conferred under section 144 or under section 145;

(b) cancel or modify any limitation, restriction or condition prescribed in respect of any such power; or

(c) cancel any order passed by a Municipal Council in exercise of any such power.

(2) Every order passed by a Municipal Council in exercise of any such power as aforesaid shall, on the withdrawal of such power, cease to be in force in the municipality.

147. If in any municipality any infectious disease amongst horses, dogs, cattle, sheep or goats breaks out, or if the introduction of any such disease appears to be likely, the Municipal Council shall take all such measures as they deem necessary for the purpose of preventing, meeting, mitigating or suppressing the disease or the outbreak or introduction thereof.

Duties of Municipal Council in respect of diseases among horses, dogs, cattle, sheep or goats.

148. (1) Whenever the Municipal Council consider the interior of a building is so overcrowded as to be or to be likely to become, dangerous or prejudicial to the health of the inhabitants of that or of any neighbouring building, the Municipal Council may cause proceedings to be taken before a Magistrate of the first class for the purpose of obtaining an order to prevent such overcrowding.

Proceedings to abate the overcrowding of the interiors of buildings.

(2) Such Magistrate may, on the production of a certificate by a medical officer stating his opinion that the overcrowding complained of is likely to cause disease or risk of disease, and after such further enquiry, if any, as may appear to such Magistrate necessary, require the owner of the building within a reasonable time, not being more than six weeks or less than ten days, to abate the number of lodgers, tenants or other inmates of the said building to such extent as he shall deem necessary to prescribe, or may pass such other order as he shall deem just and proper.

(3) If the said building shall have been sublet the landlord of the lodgers, tenants or other actual inmates of the same shall for the purpose of this sub-section be deemed to be the owner of the building.

(4) It shall be incumbent on any owner to whom a requisition is issued under sub-section (2), forthwith to give to so many of the lodgers, tenants or other actual inmates of the said building as may be necessary to fill the conditions prescribed thereby, written notice to vacate the said building within the period specified in such requisition, and any such lodgers, tenants or inmates receiving such notice shall be bound to comply therewith.

(5) Any owner who after the date specified in any requisition issued under sub-section (2) permits the overcrowding of any building in contravention of such requisition, and any person who omits to vacate any such building in accordance with notice given to him under sub-section (4), shall be punished with fine which may extend to ten rupees for each day subsequent to the date specified in such requisition during which such overcrowding, or such omission to vacate, continues.

149. (1) If the Government is of opinion that risk of disease has arisen or is likely to arise, either to any occupier in, or to any inhabitants in the neighbourhood of, any area by reason of any of the following defects, namely—

Special powers which may be conferred by Government in respect of overcrowded areas notified by Government.

- (a) the manner in which either buildings, or blocks of buildings, already existing or projected therein, are, or are likely to become, crowded together, or
- (b) the impracticability of cleansing any such buildings, or blocks of buildings, already existing or projected, or
- (c) the want of drainage or scavenging, or the difficulty of arranging therein for the drainage or scavenging of any such buildings or blocks or area as aforesaid; or
- (d) the narrowness, closeness, bad arrangement or bad condition of the streets or buildings or groups of buildings; the Government may by notification confer on the Municipal Council, to which such area is subject, all or any of the powers specified in sub-section (2), and may, if it deem necessary, at any time make rules prescribing any limitations, restrictions, modifications, conditions or regulations, subject to which the Municipal Council shall exercise within that area all powers so conferred, unless and until those powers are withdrawn by a subsequent notification of Government.

(2) The powers, all or any of which may be conferred on a Municipal Council under sub-section (1), are as follows:—

- (a) power, when any building or block, already existing or in course of erection, by reason of any defect specified in sub-section (1), has given or is in the opinion of the Municipal Council likely to give rise to such risk as aforesaid, to require by a written notice, to be fixed upon some conspicuous part of such building or block, and addressed as the Municipal Council deem fit either to the owners thereof or to the owners of the land on which such building or block is erected or is in course of erection, that the persons so addressed shall, within a reasonable time as shall be specified in the notice, either pull down or remove the said building or block, or execute such works or take such action in connection therewith as the Municipal Council deem necessary to prevent all such risk of disease;
- (b) power by Municipal or other agency, to pull down or remove the said building or block, or to execute such works or take such action, if the persons addressed in the said notice neglect so to do within the time specified therein;
- (c) power, subject to a right of appeal to the Deputy Commissioner, whose decision shall be conclusive, to prohibit by written notice addressed to the owner and occupier of any such site or space, and by general notice published in the manner provided in sub-section (3) of section 154, the erection of any building or of any building exceeding such dimensions as may be specified,

- (i) on the site of any building, which has, in whole or in part, in exercise of the power specified in clause (a), been pulled down, or
 - (ii) on any space not occupied by buildings, whether such space is private property or not, and whether it is enclosed or not,
- if the Municipal Council consider that, in order to prevent such risk as aforesaid such site or space should not be built upon, and either
- (a) to acquire such site or space, or
 - (b) to prescribe such conditions as may be deemed necessary as to the use which the owner or occupier may make or permit to be made thereof.

Provided that in every case compensation, the amount of which shall, in case of dispute, be ascertained and determined in the manner provided in section 160, shall be paid to any person whose rights are affected by such prohibition.

(3) When, in pursuance of any notice under sub-section (2), any building has been pulled down, the Municipal Council shall, unless it has been erected contrary to any provision of this Regulation or of any by-law in force thereunder, pay to such owner or occupier as may have sustained damage thereby reasonable compensation, the amount of which shall, in case of dispute, be ascertained or determined in the manner provided in section 160.

(4) In making any rules under sub-section (1) the Government may prescribe a fine not exceeding five hundred rupees for every breach, and a further fine not exceeding twenty rupees a day for every continuing breach, of any order made or conditions imposed by the Municipal Council in exercise of the powers conferred upon them under this section or in pursuance of such rules.

150. (1) If the Municipal Council be of opinion that any place used for the disposal of the dead is in such a state as to be, or to be likely to become, injurious to health, they may submit their opinion with the reasons therefor to Government, and the Government thereupon, after such further enquiry, if any, as it shall deem fit to cause to be made, may by notification direct that such place shall cease to be so used from such date as may be specified in that behalf in the said notification.

(2) A copy of the said notification together with a translation thereof in Kanarese shall be published in the Official Gazette, and shall be posted up at the Municipal Office and in one or more conspicuous spots on or near the place to which the same relates.

(3) Any person who buries or otherwise disposes of any corpse in any such place, after the date specified in the said notification for closure of the same, shall be punished with fine which may extend to one hundred rupees.

(9) *Nuisances from certain trades and occupations.*

Regulation of certain trades.

151. If it be shown to the satisfaction of the Municipal Council that any building or place used or intended by any person to be used,

- (a) for boiling or storing offal, blood, bones or rags;
- (b) for salting, curing and storing fish;
- (c) for storing hides, horns or skins;
- (d) for tanning;
- (e) for the manufacture of leather or leather goods;
- (f) for dyeing;
- (g) for melting tallow or sulphur;
- (h) for washing or drying wool or hair;
- (i) as a brick, pottery or lime kiln;
- (j) for soap-making;
- (k) for oil-boiling;
- (l) as a manufactory of sago;
- (m) as a distillery;
- (n) for storing hay, straw, fodder, wood, coal or other combustible material;
- (o) as a manufactory or place of business of any other kind, from which offensive or unwholesome smells arise, or which may involve risk of fire,

is, or is likely by reason of such use and of its situation to become, a nuisance to the neighbourhood, or is so used or is so situated as to be likely to be dangerous to life, health or property, the Municipal Council may by written notice require the owner or occupier—

- (i) at once to discontinue the use of, or at once to desist from carrying out, or allowing to be carried out, the intention so to use, such place, or

- (ii) to use it in such manner, or after such structural alterations, as the Municipal Council in such notice prescribe, so that it may not become or may be no longer, a nuisance or dangerous.

152. (1) Whoever, after notice has been given under section 151, uses any place or permits it to be used in such a manner as to be a nuisance to the neighbourhood or dangerous to life, health, or property, shall be punished with fine which may extend to two hundred rupees, and with further fine which may extend to forty rupees for every day on which such use or permission of use is continued after the date of the first conviction.

Liability to penalty after notice.

(2) Upon a conviction being obtained under this section the Magistrate shall, on the application of the Municipal Council, but not otherwise, order such place to be closed, and thereupon appoint persons, or take other steps to prevent such place being used for any purpose mentioned in section 151.

(3) Whoever uses without a license, or during the suspension or after the withdrawal of a license, any place for any purpose mentioned in section 151 in any municipality in which by-laws are for the time being in force prescribing the conditions on and subject to which, the circumstances in which, and the areas and localities in respect of which, licenses for such use may be granted, refused, suspended and withdrawn, shall be punished with fine which may extend to fifty rupees and with further fine which may extend to ten rupees for every day on which such use is continued after the date of first conviction.

Penalty for unlicensed places in a municipality in which by-laws under section 48 (b) (iii) are in force.

153. In any municipality to which, on the application of the Municipal Council, the Government may by notification have declared this section to apply, any Magistrate of the first class, on receiving information that a house within the limits of such municipality is used as a brothel, may summon the owner or occupier of such house and on being satisfied that the house is so used, may order the owner or occupier to discontinue such use of it, and, if such owner or occupier shall fail to comply with such order within five days, may impose upon him a fine not exceeding twenty-five rupees for every day thereafter that the house shall be so used.

Brothels.

Provided that action under this section shall be taken only

- (a) with the sanction or by the order of the District Magistrate, or
- (b) on the complaint of three or more inhabitants of the municipality residing in the vicinity of the house to which the complaint refers.

(10) *Service of Notices, and Penalties on non-compliance therewith.*

154. (1) The service of every notice, and the presentation of every bill under this Regulation, on any person or to any person to whom it is by name addressed, shall, in all cases not otherwise specially provided for therein, be effected by a municipal officer or registered servant or other person authorised by the Municipal Council in this behalf,

Service of notices, etc., addressed to individuals.

- (a) by giving or tendering the notice or bill to the person to whom it is addressed; or
- (b) if such person is not found, by leaving the notice or bill at his last known place of abode with, or by giving or tendering the notice or bill to, some adult male member or servant of his family; or
- (c) if such person does not reside within the municipal limits, and his address elsewhere is known to the president or other person directing the issue of the notice or bill, then by forwarding the notice or bill to such person by registered post, under cover bearing the said address; or
- (d) if none of the means aforesaid be available, then by causing the bill or notice to be affixed on some conspicuous part of the building or land, if any, to which the bill or notice relates.

(2) When any notice or bill under this Regulation is required or permitted by or under this Regulation to be served upon an owner or occupier of any building or land, it shall not be necessary to name the owner or occupier therein, and the service thereof, in cases not otherwise specially provided for in this Regulation shall be effected either—

Service of notices, etc., on owners and occupiers of buildings and lands.

- (a) by giving or tendering the notice or bill to the owners or occupiers, or if there be more owners or occupiers than one, to any one of them; or
- (b) if no such owner or occupier be found, then by giving or tendering the notice or bill to some male adult member or servant of the family of any such owner or occupier as aforesaid; or
- (c) if none of the means aforesaid be available, then by causing the notice or bill to be fixed on some conspicuous part of the building or land to which the same relates.

(3) Every notice which this Regulation requires or empowers a Municipal Council to give or to serve either as a public notice, or generally, or by provisions which do not expressly require notice to be given to individuals therein specified, shall be deemed to have been sufficiently given or served if a copy thereof is put up in such conspicuous part of the municipal office during such period, and in such other public buildings and places, or is published in such local papers or in such other manner, as the Municipal Council in by-laws in this behalf prescribe.

Public and general notices how to be published.
28800 A

Defective form not to invalidate notice or bill.

(4) No notice or bill shall be invalid for defect of form.

(5) When any notice under this chapter requires any act to be done for which no time is fixed by this Regulation, the notice shall fix a reasonable time for doing the same.

Execution of acts required to be done by any notice.

(6) In the event of non-compliance with the terms of the notice it shall be lawful for the Municipal Council to take such action or such steps as may be necessary for the completion of the act thereby required to be done, and all the expenses therein incurred by the Municipal Council shall be paid by the person or persons upon whom the notice was served, and shall be recoverable in the manner provided in section 160.

155. Whoever disobeys or fails to comply with any lawful direction given by any written notice issued by a Municipal Council under any power conferred by this chapter, or fails to comply with the conditions subject to which any permission was given to him by the Municipal Council under any power so conferred, shall, if the disobedience or failure is not an offence punishable under any other section, be punished with fine which may extend to fifty rupees, and with further fine which may extend to five rupees for every day on which the said disobedience or failure continues after the date of the first conviction:

Punishment for disobedience to orders and notices not punishable under any other section.

Provided that when the notice fixes a time within which a certain act is to be done, and no time is specified in this Regulation, it shall rest with the Magistrate to determine whether the time so fixed was a reasonable time within the meaning of this Regulation.

156. (1) Whenever, under the provisions of this Regulation, any work is required to be executed by the owner or occupier of any building or land, and default is made in the execution of such work, the Municipal Council, whether any penalty is or is not provided for such default, may cause such work to be executed; and the expenses thereby incurred shall, unless otherwise expressly provided in this Regulation, be paid to them by the person by whom such work ought to have been executed, and shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII either in one sum or by instalments as to the Municipal Council may seem fit.

Municipal Council in default of owner or occupier may execute works and recover expenses.

Provided that

(a) Whenever any drainage scheme or water-works scheme has been commenced by any Municipal Council, it shall be lawful for the Municipal Council, without prejudice to their powers under sub-section (1) or section 101 or any other provision of this Regulation, to make a special agreement with the owner of any building or land as to the manner in which the drainage or water-connection thereof shall be carried out, and the pecuniary or other assistance, if any, which the Municipal Council shall render, and any payment agreed upon by the owner shall be recovered in accordance with the terms of such agreement, or in default, in the manner described in sub-sections (2) and (3).

Agreement for construction of drainage and water connections.

Provided also that

(b) when an order has been passed under sub-section (3) of section 90, sub-section (1) of section 91, sub-section (2) or (6) of section 96 or under section 99, 101, 106 or 107, or when permission has been given under section 102, or when an agreement has been made under proviso (a) of this sub-section, the Municipal Council may without prejudice to any other powers under this Regulation, if they think fit, declare any expenses incurred as aforesaid by the Municipal Council to be improvement expenses. Improvement expenses shall be a charge upon the premises or land, and shall be levied in such instalments as the Municipal Council decide, including interest at the rate of six per cent. per annum, and shall be recoverable in the manner described in sub-sections (2) and (3).

Improvement expenses.

(2) If the defaulter be the owner of the building or land, the Municipal Council may, by way of additional remedy, whether a suit or proceeding has been brought or taken against such owner or not, require, subject to the provisions of sub-section (3), the payment of all or any part of the expenses payable by the owner for the time being, from the person who

Power to levy charges on occupier, who may deduct the same from his rent.

then or any time thereafter, occupies the building or land under such owner; and in default of payment thereof by such occupier on demand, the same may be levied from such occupier, and every amount so leviable shall be recoverable in the same manner as an amount claimed on account of any tax recoverable under Chapter VIII; every such occupier shall be entitled to deduct from the rent payable by him to his landlord so much as has been so paid by or recovered from such occupier in respect of any such expenses.

(3) No occupier of any building or land shall be liable to pay more money in respect of any expenses charged by this Regulation on the owner than the amount of rent due. Occupiers not to be liable for more than the amount of rent due. thereof, than the amount of rent which is due from such occupier for the building or land in respect of which such expenses are payable at the time of the demand made upon him, or which, at any time after such demand and notice not to pay the same to his landlord, has accrued and become payable by such occupier, unless he neglect or refuse, upon application made to him for that purpose by the Municipal Council, truly to disclose the amount of his rent, and the name and the address of the person to whom such rent is payable; but the burden of proof that the sum demanded of any such occupier is greater than the rent which was due by him at the time of such demand or which has since accrued, shall be upon such occupier:

Provided that nothing herein contained shall be taken to affect any special contract made between any such occupier and the owner respecting the payment of the expense of any such works as aforesaid.

157. Whenever default is made by the owner of any building or land in the execution of any work required to be executed by him, the occupier of such building or land, may, with the approval of the Municipal Council, cause such work to be executed, and the expense thereof shall be paid to him by the owner, or the amount may be deducted out of the rent from time to time becoming due from him to such owner. Occupier, in default of owner, may execute works and deduct expenses from his rent.

158. If the occupier of any building or land prevent the owner thereof from carrying into effect, in respect of such building or land, any of the provisions of this Regulation, after notice of his intention so to carry them into effect has been given by the owner to such occupier, any Magistrate upon proof thereof, and upon application of the owner, may make an order in writing requiring such occupier to permit the owner to execute all such works, with respect to such building or land, as may be necessary for carrying into effect the provisions of this Regulation, and may also, if he thinks fit, order the occupier to pay to the owner the costs relating to such application or order; and if, after the expiration of eight days from the date of the order, such occupier continue to refuse to permit such owner to execute such work, such occupier shall for every day during which he so continues to refuse be punished with fine which may extend to fifty rupees; and every such owner, during the continuance of such refusal, shall be discharged from any penalties to which he might otherwise have become liable by reason of his default in executing such works. Proceedings if any occupier opposes the execution of the Regulation.

159. It shall be lawful for the president or vice-president, or any councillor or officer authorised by the Municipal Council for such purposes, to enter for the purposes of this Regulation, between sunrise and sunset, into and upon any building or land, as well for the purpose of making any survey or inspection they may be entitled to make as for the purpose of executing any work authorised by this Regulation to be executed by them. Entry for purposes of the Regulation.

Provided that, except when herein otherwise provided, no building or land which may be occupied at the time shall be entered unless with the consent of the occupier thereof, without twenty-four hours' written notice thereof having been given to the said occupier.

Provided also that, in the case of buildings used as human dwellings, due regard shall be paid to the social and religious customs of the occupiers.

160. (1) If a dispute arises with respect to any compensation, damages, costs or expenses which are by this Regulation, directed to be paid, the amount, and if necessary the apportionment of the same, shall be ascertained and determined by a Panchayat of five persons of whom two shall be appointed by the Municipal Council, two by the party to receive compensation, and one, who shall be presiding member, shall be selected by the members already appointed as above. Arbitration in cases of compensation, etc.

(2) If either party, or both parties, fail to appoint members, or if the members fail to select a presiding member within one month from the date of either party receiving written notice from the other of claim to such compensation, damages, costs or expenses, such members as may be necessary to constitute the Panchayat shall be appointed, at the instance of either party, by the District Judge.

(3) In the event of the Panchayat not giving a decision within one month from the date of the selection of the presiding member, or of the appointment by the District Court of such members as may be necessary to constitute the Panchayat, the matter shall, on application by either party, be determined by the District Court which shall, in cases in which the compensation is claimed in respect of land, follow as far as may be the procedure provided by the Land Acquisition Regulation, 1894, for proceedings in matters referred for the determination of the Court.

Provided that

- (a) no application to the Deputy Commissioner for a reference shall be necessary, and
- (b) the Courts shall have full power to give and apportion the costs of all proceedings in any manner it thinks fit.

CHAPTER X—PROSECUTIONS, SUITS AND POWERS OF POLICE.

161. (1) The Municipal Council may direct any prosecution for any public nuisance whatever, and may order proceedings to be taken for the recovery of any penalties, and for the punishment of any persons offending against the provisions of this Regulation, or of any by-law thereunder, and may order the expenses of such prosecutions or other proceedings to be paid out of the municipal fund.

Municipal Council may prosecute.

Provided that no prosecution for an offence under this Regulation shall be instituted except within six months next after the commission of such offence.

(2) Any prosecution under this Regulation or under any by-laws thereunder may, save as therein otherwise provided, be instituted before any Magistrate, and every fine or penalty imposed under or by virtue of this Regulation or any by-law thereunder, and also all claims to compensation or other expenses for the recovery of which no special provision is otherwise made in this Regulation, may be recovered on application to such Magistrate, by the distress and sale of any movable property within the limits of his jurisdiction belonging to the person from whom the money is claimable.

Jurisdiction of Magistrate.

162. No distress levied by virtue of this Regulation shall be deemed unlawful, nor shall any party making the same be deemed a trespasser, on account of any defect or want of form in any summons, conviction or warrant of distress, or other proceeding relating thereto, nor shall such party be deemed a trespasser *ab initio* on account of any irregularity afterwards committed by him; but all persons aggrieved by such irregularity may recover full satisfaction for the special damage in any Court of competent jurisdiction.

Distress lawful though defective in form.

163. If through any act, neglect or default, on account whereof any person shall have incurred any penalty imposed by or under this Regulation, any damage to the property of the Municipal Council shall have been committed by such person, he shall be liable to make good such damage as well as to pay such penalty, and the amount of damage shall, in case of dispute, be determined by the Magistrate by whom the person incurring such penalty is convicted, and on non-payment of such damage on demand the same shall be levied by distress, and such Magistrate shall issue his warrant accordingly.

Damage to municipal property how made good.

164. In lieu of proceeding by distress and sale, or in case of failure to realise by so proceeding the whole or any part of any amount recoverable under the provisions of Chapter VIII, or of any compensation, expenses, charges or damages awarded under this Regulation, it shall be lawful for the Municipal Council to sue in any Court of competent jurisdiction the person liable to pay the same, as also any other person who may have in any other way caused, or may appear likely to cause, any injury to any property, rights or privileges of the Municipal Council.

Alternative procedure by suit.

165. (1) The Municipal Council may compound or compromise in respect of any suit instituted by or against them, or in respect of any claim or demand arising out of any contract entered into by them under this Regulation, for such sum of money or other compensation as they shall deem sufficient.

Power of compromise.

Provided that, if any sanction in the making of any contract is required by this Regulation, the like previous sanction shall be obtained for compounding or compromising any claim or demand arising out of such contract.

(2) The Municipal Council may make compensation out of the municipal fund to any person sustaining any damage by reason of the exercise of any of the powers vested in them, their officers, and servants under this Regulation.

166. For the purpose of the recovery of any amount due on account of rent from any person to a Municipal Council in respect of any land vested in such Municipal Council, the Municipal Council shall be deemed to be superior holders, and every such person an inferior holder, of such land, within the meaning of sections 97 and 98 of the Mysore Land Revenue Code, 1888, and the Municipal Council, as superior holders, shall be entitled, for the recovery of every such amount, to all the assistance to which under the said sections superior holders are entitled for the recovery of rent or land revenue payable to them by inferior holders.

167. No suit shall be commenced against any Municipal Council, or against any officer or servant of a Municipal Council, or any person acting under the orders of a Municipal Council, for anything done, or purporting to have been done, in pursuance of this Regulation, without giving to such Municipal Council, officer, servant or person one month's previous notice in writing of the intended suit and of the cause thereof, nor after six months from the date of the act complained of;

and in the case of any such suit for damages, if tender of sufficient amends shall have been made before the action was brought, the plaintiff shall not recover more than the amount so tendered, and shall pay all costs incurred by the defendant after such tender.

168. (1) Any Police officer may arrest any person committing in his view any offence against any of the provisions of this Regulation, or of any by-law thereunder, if the name and address of such person be unknown to him, and if he decline to give his name and address, or if the Police officer have reason to doubt the accuracy of such name and address if given, and such person may be detained at the station-house until his name and address shall be correctly ascertained.

Provided that no person arrested shall be detained without the order of a Magistrate longer than shall be necessary for bringing him before a Magistrate, or than twenty-four hours at the utmost.

(2) It shall also be the duty of all Police officers to give immediate information to the Municipal Council of the commission of any offence against the provisions of this Regulation, or of any by-law thereunder, and to assist all municipal officers and servants in the exercise of their lawful authority.

CHAPTER XI—MUNICIPAL ACCOUNTS.

169. (1) Every Municipal Council shall have prepared and laid before them, at their periodical general meetings, complete accounts of the receipts and expenditure of the Municipal Council, since the 1st day of July last preceding, and at a general meeting which shall, if possible, be held on such day between the 1st February and the 1st April as may be fixed in this behalf by the rules of the Municipal Council, a complete account of the actual and expected receipts and expenditure for the financial year ending on the 30th June next following, together with a budget estimate of the income and expenditure of the Municipal Council for the financial year to commence on the 1st July next following.

(2) The Municipal Council shall thereupon decide upon the appropriations, and the ways and means contained in the budget of the year to commence on the 1st July next following. The budget as passed by the Municipal Council shall be sent to the Deputy Commissioner, who shall submit the same to Government with his remarks, if any; and it shall be competent to the Government to sanction the budget with such modifications if any as it deems fit. The budget so sanctioned may be varied or altered from time to time, as circumstances may render desirable, at a special general meeting called for the purpose, and subject to the sanction of Government obtained as aforesaid. No expenditure shall be incurred unless provided for in a budget so sanctioned or varied or altered.

(3) The Municipal Council shall, at the general meeting in July, or after audit of the past year's accounts, if such audit has not before that general meeting taken place, pass the accounts of the past year.

170. (1) The municipal accounts shall from time to time, and once in every year at the least, be audited by such agency as may be prescribed in the rules of the Municipal Council, or if the Government so direct, by a Government auditor.

(2) The auditor or auditors shall, for the purposes of their office, have access to all the accounts and other records of the Municipal Council.

(3) The Municipal Council shall pay from the municipal fund such charges for the audit as may be agreed upon, or if the auditor is a Government auditor, then such charges as may be prescribed by the Government.

171. The Municipal Council shall, as soon as the annual accounts have been finally passed by them, transmit to the Government, or any officer duly authorised by it, in this behalf, a copy thereof, or an account in such form as the Government may prescribe, and shall furnish such details and vouchers relating to the same as the Government or such officer may from time to time direct.

Transmission of accounts to Government.

172. The quarterly and annual accounts of receipts and expenditure, and the budget when sanctioned, shall be open to public inspection, and shall be published in such manner as the Municipal Council may prescribe in this behalf.

Publication of accounts.

CHAPTER XII—CONTROL.

Deputy Commissioner's powers of inspection and supervision.

173. (1) The Deputy Commissioner shall have power—

- (a) to enter on and inspect, or cause to be entered on and inspected, any immovable property occupied by any Municipal Council, or any work in progress under them or under their direction;
- (b) to call for any extract from the proceedings of any Municipal Council or of any committee, or for any book or document in the possession of or under the control of a Municipal Council, and any return, statement, account, or report which he may think fit to require such Municipal Council to furnish;
- (c) to require a Municipal Council to take into their consideration any objection which appears to him to exist to the doing of anything which is about to be done or is being done by such Municipal Council, or any information which he is able to furnish and which appears to him to necessitate the doing of a certain thing by the Municipal Council, and to make a written reply to him within a reasonable time stating their reasons for not desisting from doing, or for not doing, such thing.

(2) All or any of the powers given to the Deputy Commissioner by this section may be delegated by him to the Assistant Commissioner in charge of a taluk in so far as concerns any Municipal Council other than a City Municipal Council in such taluk.

174. (1) If, in the opinion of the Deputy Commissioner, the execution of any order or resolution of a Municipal Council, or the doing of anything which is about to be done or is being done by or on behalf of a Municipal Council, is causing or is likely to cause injury or annoyance to the public, or to lead to a breach of the peace, or is unlawful, he may, by order in writing under his signature, suspend the execution or prohibit the doing thereof.

Deputy Commissioner's power of suspending execution of orders, etc., of Municipal Councils.

(2) When a Deputy Commissioner makes any order under this section, he shall forthwith forward to the Government and to the Municipal Council affected thereby a copy of the order, with a statement of the reasons for making it; and it shall be in the discretion of the Government to rescind the order, or to direct that it continue in force with or without modification, permanently or for such period as it thinks fit.

Deputy Commissioner's order to be reported to Government who may confirm or modify it.

175. (1) In cases of emergency, the Deputy Commissioner may provide for the execution of any work, or the doing of any act, which a Municipal Council are empowered to execute or do, and the immediate execution or doing of which is, in his opinion, necessary for the health or safety of the public, and may direct that the expense of executing the work or doing the act, with a reasonable remuneration to the person appointed to execute or do it, shall be forthwith paid by the Municipal Council.

Extraordinary powers of Deputy Commissioner in cases of emergency.

(2) If the expense and remuneration are not so paid, the Deputy Commissioner may make an order directing any person, who for the time being has custody of any moneys on behalf of the Municipal Council, to pay such expense and remuneration from such moneys as he may have in his hands or may from time to time receive, and such person shall be bound to obey such order.

(3) The provisions of sub-section (2) of Section 174 shall apply, so far as may be, to any order made under this section.

Special provision in regard to works executed by Government.

176. (1) Notwithstanding anything contained in this Regulation, it shall be lawful for the Government at any time—

- (a) to construct any work or works of a permanent nature which, in the opinion of Government, is or are necessary or desirable for the health, safety or conveni-

ence of the inhabitants, whether within any municipality or without it wholly or in part;

- (b) to retain the management and maintenance of any such work or to entrust the same, in whole or in part, to the Municipal Council, or to resume the same from the Municipal Council;
- (c) to recover the capital cost of any such work and of its management and maintenance, together with interest thereon at such rate as the Government may fix, from the municipal fund or from the proceeds of any tax or taxes imposed under this Regulation;
- (d) to prescribe, by notification in the Official Gazette, rules having the force of law, for the proper management and maintenance of any such work and for the regulation of all matters and things connected therewith, and to affix a penalty not exceeding five hundred rupees for the infringement of any such rules.

(2) It shall be the duty of any person who for the time being has custody of any moneys on behalf of the Municipal Council to pay, from such moneys as he may have in his hands or may from time to time receive, all amounts directed by Government to be paid by the Municipal Council under clause (c) of the preceding sub-section.

(3) The provisions of this section shall be deemed to apply with retrospective effect in respect of the works heretofore carried out at the expense of Government for the water-supply of the cities of Bangalore and Mysore.

177. (1) If in the opinion of the Government the number of persons who are employed by a Municipal Council as officers or servants or whom a Municipal Council propose to employ, or the remuneration assigned by the Municipal Council to those persons, or to any particular person, is excessive, the Municipal Council shall, on the requirement of the Government, reduce the number of the said persons or the remuneration of the said person or persons.

Power of Government to prevent extravagance in the employment of establishment.

(2) It shall be lawful for the Government—

- (i) to require, if in its opinion at any time such an appointment is necessary, the appointment of a Chief Officer, or of a Health Officer, or of an Engineer, or any one or more of such appointments, to be made by any City Municipal Council;
- (ii) to make in its discretion an order vetoing the appointment, or continuance in any such office, of any person selected therefor or appointed thereto by any such Municipal Council, and the tenure of such office by any such person shall cease and determine on and from the date on which such order is communicated to the Municipal Council;
- (iii) to require that any person appointed to be a Chief Officer shall be invested by any such Municipal Council with all or any of the powers which can under this Regulation or under any rules in force at the time be lawfully delegated to him, in addition to such powers as are conferred on him by section 183;
- (iv) to require that all or any of the powers referred to in section 144 or in section 145 (if the conditions under which that section comes into operation exist), shall be delegated by any such Municipal Council, whether there be a Chief Officer or not, to the president, vice-president or any such councillor as the Government may deem fit.

(3) Any requisition issued to the Municipal Council under clause (i), (iii) or (iv) of sub-section (2) above shall be complied with within such time as the Government may in each case prescribe in that behalf.

178. (1) When the Government is informed, on complaint made or otherwise, that a Municipal Council have made default in performing any duty imposed on them by or under this Regulation, or by or under any enactment for the time being in force, the Government, if satisfied after due inquiry that the Municipal Council have been guilty of the alleged default, may fix a period for the performance of that duty.

Power of Government to provide for performance of duties, in default of Municipal Council.

(2) If that duty is not performed within the period so fixed, the Government may appoint some person to perform it, and may direct that the expense of performing it, with a reasonable remuneration to the person appointed to perform it, shall be forthwith paid by the Municipal Council.

(3) If the expense and remuneration are not so paid, the Government may make an order directing any person, who for the time being has custody of any moneys on behalf of the Municipal Council, to pay such expense and remuneration from such moneys as he may

have in his hands or may from time to time receive, and such person shall be bound to obey such order.

179. (1) If, in the opinion of the Government, any Municipal Council are not competent to perform, or persistently make default in the performance of, the duties imposed on them by or under this Regulation, or otherwise by law, or exceed or abuse their powers, the Government may, by an order published, with the reasons for making it, in the Official Gazette, declare the Municipal Council to be incompetent or in default, or to have exceeded or abused their powers, as the case may be, and supersede them for a period to be specified in the order.

Power of Government to supersede Municipal Council in case of incompetency, default, or abuse of powers.

(2) When the Municipal Council are so superseded, the following consequences shall ensue:—

Consequences of exercise of such power.

(a) all Councillors of the Municipal Council shall, as from the date of the order, vacate their offices as such councillors;

(b) all powers and duties of the Municipal Council shall, during the period of supersession, be exercised and performed by such person or persons as the Government from time to time appoints in that behalf;

(c) all property vested in the Municipal Council shall, during the period of supersession, vest in the Government.

(3) If, after enquiry made, the Government so directs, the period of supersession with all the consequences aforesaid shall from time to time be continued by an order published as aforesaid until such date as may be fixed by the Government for the re-establishment of the Municipal Council.

Power after enquiry to continue period of supersession.

(4) The Municipal Council shall be re-established by the election or appointment of new Councillors under the provisions of this Regulation applicable thereto,

(a) if no direction has been made under sub-section (3), then on the expiration of the period specified in the order of supersession under sub-section (1), and

(b) if a direction has been made under sub-section (3), then on such date as is fixed under that sub-section for the re-establishment of the Municipal Council.

180. In all matters connected with this Regulation, the Government and each Deputy Commissioner shall, respectively, have and exercise the same authority and control over the Deputy Commissioners and their subordinates, as it or he has and exercises over them in the general and revenue administration.

Powers of Government and of the Deputy Commissioners over subordinates.

STATEMENT OF OBJECTS AND REASONS.

There are at present two different enactments in force in the State on the subject of police administration; namely, Act V of 1861 in force in the Bangalore City, and the Regular and Village Police Rules of 1872 in force in the rest of Mysore. The desirability of having one uniform system of administration throughout the State was recognized in 1886; and a Draft Regulation was prepared repealing Act V of 1861 in the Bangalore City, and extending the Police Rules thereto with suitable modifications. In 1889, however, it was decided to frame a Regulation adopting Act V of 1861 in preference to the Rules, any necessary portions of the latter being, at the same time, retained as Rules framed under the Regulation; but the criticisms elicited tended to show that this Draft contained a number of imperfections and would require much revision before it could be passed. Under these circumstances it was dropped in 1897, and a fresh Draft Regulation was prepared on the basis of the Bombay District Police Act, IV of 1890, which, with such modifications and additions as the circumstances of Mysore rendered necessary, seemed to be an improvement upon the Draft of 1889. The result is the present measure, which deals with the Regular Police alone, (the Village Police being reserved to form the subject of a separate enactment), and also embodies in the proper places the provisions of the Gambling Act, III of 1867, the extension of which to the whole of Mysore has been repeatedly suggested from various quarters.

2. This Draft Regulation has since been further revised to bring it into greater conformity with the existing system of police administration in Mysore, under which the Inspector-General exercises a general control in all matters relating to Police throughout the State, and the Deputy Commissioner is the head of the District Police in subordination to the Inspector-General, and the Amildar or Deputy Amildar is the head of the Taluk or Sub-Taluk Police in subordination to the Deputy Commissioner, (Cf. ss. 13, 14, 15, 17, etc.). At the same time, provision has been made in section 81 for the delegation by the Deputy Commissioner of any of his powers or functions to the District or Assistant Superintendent, and for the withdrawal of the same when necessary.

3. The more important of the other alterations and additions are as follows:—

Section 3, re power to make bye-laws, is based on Madras Act III of 1888, ss. 78 and 79

Section 4, clause (b), definition of "District Superintendent," has been taken from Act VIII of 1895;

clause (b), definition of "Taluk" and "Sub-Taluk" is new;

Section 5, re constitution of police force, has been adapted from section 2 of Act V of 1861, in lieu of section 4 of the Bombay Act, which contemplates a separate police force for each district;

Section 15 declares the Inspector-General's power to distribute the allotted police force throughout the several districts to meet local requirements; while section 16, taken from Rule 27 of the Regular Police Rules, will empower the Deputy Commissioner to make any necessary distribution of the police force within his own district.

Section 22. The explanation of "inhabitant" has been borrowed from Act VIII of 1895;

Section 26. The matters in regard to which the Inspector-General may call for reports and statements have been more fully enumerated;

Section 27, 31 and 32. The word "Inspector" has been substituted for the words "Assistant Superintendent."

Section 47, clauses (3) and (4), re power to deal with assemblies violating rule or order, have been taken from Act VIII of 1895;

Sections 56 and 57 provide for reports regarding unclaimed property being made direct to the Magistrate, as under the existing Police Rules, instead of through the village police; as in the Bombay Act, and for such property being dealt with by the Magistracy in all cases, irrespective of value.

Section 62, re penalty for neglect or refusal to serve as a special police officer, is taken from section 19 of Act V of 1861; this is consequent on the omission from section 18, clause (1), of the words "and willing" on the ground that it should be incumbent on every citizen to serve as a special police officer on emergent occasions irrespective of personal inclination.

Section 85, clause (b), re tender of amends, has been taken from Act V of 1861, section 42.

The provision made in section 81 of the Bombay Act, to enable persons to apply to Government, and on failure thereof, to file suits in the District Court, for the reversal or alteration of unlawful, oppressive or unreasonable rules or orders, seems unusual, and is unsuited to local circumstances in Mysore, and has therefore not been adopted.

12th September 1901.

*Report dated the 15th March 1905 of the Committee appointed by the order of Government,
No J. 565-577—Legis. 11-1, dated the 29th August 1904,
for the revision of the Draft Police Regulation.*

The matters referred for the consideration of the Committee were —

- (1) careful revision of the draft Police Regulation prepared in 1902,
- (2) proper definition of the relative positions of the Superintendent of Police, the Deputy Commissioner as head of the District Police, and the Inspector-General of Police as head of the Police Department,
- (3) suggestions for improving the organization and training of the Police force, the detection and investigation of crime by subordinate officers of Police, the direction and supervision by superior officers of such detection and investigation, the existing arrangements for the report of crime by village officers, and the co-operation of the Village Police in the prevention, detection and investigation of crime.

Later, in their Order No. J. 799-808—Police 65-2, dated the 23rd September 1904, the Government referred, for the consideration of the Committee, a letter addressed by the Inspector-General of Police in which new questions of principle and policy were raised as to whether the Superintendent of Police or the Deputy Commissioner should be the head of the District Police and whether the Amildar or the Inspector should be the head of the Taluk Police.

2. We met in Committee and transacted business on the 12th and 13th September 1904 and by adjournment on the 26th and 27th idem and on the 16th, 17th and 18th January 1905. We have carefully gone through the draft Regulation, and in revising it, we have given due consideration to our experience of local conditions and to the opinions received from the Deputy Commissioners of Districts and the Members of the Nagar Sabha, Shimoga, and the Lawyers Library and Association, Mysore City, and we have referred to the various Acts and Rules in force in Mysore and in the British Territories, having a bearing on the provisions made in the draft Regulation. We have also given our best consideration to various measures for the improvement of existing arrangements in regard to enlistment, investigation, report of crime, night-wach, encouragement to patels, totis and talawars, etc.

3. Out of the 83 sections in the draft Regulation, two namely, 53 and 54, were omitted as superfluous and a new section, defining the general powers of the Inspector-General of Police, has been added. Two of the sections, namely 8 and 45, have been transposed to other places. The consecutive numbering of sections has thus undergone a change. Amendments have been made in 50 sections, of which those relating to the marginally noted 28 sections are material, nine of these having been re-drafted in whole or in part. We note below the material amendments proposed leaving out corrections of a merely clerical nature.

Old printed numbers—

Sections 2, 4, 6, 9, 10, 11, 12, 13, 14, 15,
16, 17, 18, 21, 23, 26, 29, 34, 36, 43, 52,
56, 63, 68, 77, 78, 79, 82.

material, nine of these having been re-drafted in whole or in part. We note below the material amendments proposed leaving out corrections of a merely clerical nature.

4. Instead of repealing the Regular Police Rules in whole, we have provided that Section 40 *et seq* under which the diaries, registers, returns, etc., now in use are maintained and submitted, should remain in force in so far as they are not inconsistent with this Regulation or rules framed thereunder.

Chapter I.—Section 2.

Repeal of Enactments.

5. We have altered the definition of "District" by removing words which applied to the charge of an Assistant Commissioner and contemplated an Assistant Commissioner in charge of taluks being appointed to perform all or any of the functions of a Deputy Commissioner under this Regulation; and we have provided that the expression should include a portion of a district placed under the charge of a District Superintendent for the purposes of this Regulation.

Section 4.

Definitions.

6. We have revised this section so as to limit its application, following the general arrangement of the Chapter, to the appointment of the Inspector-General; and we have inserted a new section after Section 11 defining the functions and powers of the Inspector General.

Chapter II.—Section 6.

Appointment and authority of Inspector-General.

Section 8.

Inspector-General to have Magisterial powers.

7. We have removed this section from here and inserted it after the new Section 12 defining the general powers of the Inspector-General.

Section 9—8.

Appointment of Inspector

8. We have re-drafted this section by adopting the wording of the corresponding provision in Act V of 1861.

9. We have deemed it desirable to expressly couple with the Deputy Commissioner, the District Superintendent who, in virtue of his own office, exercises the power of nominating dafadars and constables.

Section 10—9.

Appointment of Police officers below the grade of Inspectors.

10. We have provided a form in Schedule B for the certificates to be granted to Inspectors by the Inspector-General; and we have altered the form of certificate to be granted to other officers so as to show that their appointment is to the Police Force of Mysore and not to that of any particular district.

Section 11—10.
Certificates of appointment.

Section 12—11. (2)(b).
Temporary suspension of powers, etc., of Police officers.

11. We have re-drafted this sub-section by adopting the wording of the corresponding provision in Act V of 1861.

12. We have here provided that the Inspector-General shall be the head of the Police Department and the adviser of Government in all matters connected with the Police: he will exercise general control over the Police Force and over crime, more particularly organized and professional crime, and subject to the approval of Government he may make rules and orders under the provisions of Sections 24 and 25 of this Regulation.

Section 12.
General powers of the Inspector-General.

13. We have deemed it expedient to retain the provision in this section for the Deputy Commissioner being the head of the District Police, but have revised the section by striking off the details of matters which he shall regulate, such as arms, drill, etc., and providing, consistent with his powers of general control and direction, that he shall regulate all matters connected with the efficient discharge of their duties by the Police Force of his district.

Section 13—14.
General powers of Deputy Commissioners.

14. We have deemed it expedient that the District Superintendent should continue to be the Assistant to the Deputy Commissioner and not be made the head of the District Police himself, but we have made an important addition to the existing provision in this sub-section permitting his exercising all or any of the powers of the Deputy Commissioner under the Regulation subject to the rules which the Government may make and to the general control of the Deputy Commissioner. We have provided that without prejudice to the powers and responsibility of the Deputy Commissioner, the District Superintendent shall have direct control over all ordinary matters connected with—

Section 14—15 (1).
Powers of District Superintendent.

- (a) arms, accoutrements, clothing;
- (b) drill, exercise,
- (c) observation and surveillance of gangs, known depredators, suspects; collection and communication of intelligence and information; identification of persons by finger prints or otherwise,
- (d) distribution of duties and beats,
- (e) education of men and officers in laws, orders, and modes of police procedure; and
- (f) all other ordinary matters of a routine nature; and that the District Superintendent may likewise correspond direct with the Inspector-General in such ordinary matters save those relating to observation and surveillance of gangs, collection and communication of intelligence and information, distribution of duties and beats and the education of men and officers. The District Superintendents do, at present, dispose of various matters without reference to the Deputy Commissioners and they likewise address letters to the Inspector-General but in the name of the Deputy Commissioners.

15. We have deemed it expedient that the Amildar should continue to have Police powers and be responsible for the prevention and detection of crime and maintenance of order in his taluk only; but we have, partially adopting the recommendation of the Inspector-General of Police, proposed to divest the Amildar of the

Section 14—15 (2).
Powers of Amildar and Deputy Amildar.

direct charge of the Taluk Police as its head and to make the Inspector the head of the Taluk Police subject to the general control and direction of the Amildar. We have accordingly re-drafted this sub-section.

Section 15—16.
Inspector-General and Deputy Commissioner may make necessary distribution of Police Force.

16. We have re-drafted this section so as to allow the Deputy Commissioner to take needful action in cases of urgency subject to the approval of the Inspector-General.

17. We are of opinion that a Magistrate of the 3rd Class should also have the power of receiving and complying with applications from the Police under this section, and we have accordingly re-drafted this sub-section adapting the wording of the corresponding section

Section 16—17.
Appointment of Special Police Officers.

in Act V of 1861. We would in this connection recommend that District Superintendents and Assistant Superintendents be invested with Magisterial powers as contemplated in Section 14 of the Criminal Procedure Code for the purposes referred to therein.

18. We are of opinion that the Deputy Commissioner should be able to act in this matter subject to the approval of the Inspector-General instead of with the approval of the Inspector-General, and that the Inspector-General should also be in a position to receive and dispose of applications for additional police, and we have accordingly revised this sub-section.

Section 17—18 (1).
Employment of additional police at request of private parties.

Section 19—18 (1).
Employment of additional Police near large works.

19. We are of opinion that in cases falling under this section, as in those referred to above, both the Inspector-General and the Deputy Commissioner should be able to take the initiative and we have accordingly revised this sub-section.

Section 21—22.
Compensation for injury caused by unlawful assembly.

20. To make the idea sought to be conveyed in sub-section (2) clear, we have prefixed a para to this section providing for the injured party moving the Deputy Commissioner with an application for recovery of compensation. We have noted the difference between the Bombay Act IV of 1890 and the Government of India Act V of 1861 in regard to the cases and circumstances in which such applications might be made and upon due consideration we have deemed it expedient that the speedy and summary remedy provided in this section should be made available not only in the cases referred to in Act V of 1861, of injury arising from a riot or unlawful assembly within an area notified by Government as being in a disturbed or dangerous state, but also in cases in which the need for such notification is obviated by the disturbance or agitation subsiding soon after the attainment of the object of the unlawful assembly.

Section 23—24.
Framing of rules for administration of Police.

Section 26—27.
Procedure to be observed in awarding punishment.

Section 27—28 (1).
Departmental punishment for insubordination.

21. We have provided by the addition of a clause after clause (g) that the Inspector-General may also make rules under this section prescribing the books and registers to be maintained and the returns to be submitted by the several Police officers.

22. We have proposed the addition of a para to this section in view to limit appeals, in the case of constables, to the Inspector-General.

23. We are of opinion that the confinement referred to in this section should be detention in the station-house or any room vacant in the lines, and we recommend that this may be explained in a rule.

24. We have amended this section so as to include in the prohibition not only purchase or sale of land but also the acquisition of interest in land by hypothecation or mortgage (which in many cases precedes the acquisition of the full rights of a purchaser), and money transactions between Police officers.

25. We have revised this section so as to make the language clearer and proposed to insert it at the beginning of the Chapter as Section 35 instead of at the end of the Chapter.

26. We are of opinion that the mode of publication as provided in the draft of this sub-section is not quite suitable in all the different cases mentioned in sub-section (1), and have accordingly specified five different modes of publication applicable to the different circumstances and left it to the discretion of the District Magistrate to determine the mode or modes in which any rule made by him should be published.

27. We are of opinion that these two sections should be made applicable to the whole State, and we would remove the existing provision to extend them to any town or village by a special notification of Government, inasmuch as gambling has spread to the remote villages of the State.

28. We have deemed it expedient, in the case of persons found gaming or present for the purpose of gaming, to provide liability to both fine and imprisonment and have amended sub-section (2) of Section 63 accordingly.

29. We are of opinion that in addition to the District Superintendent, local Taluk Officers to wit, the Amildar or Inspector, should have the power to regulate assemblies, etc., subject to any rule or order which may be legally made by any Magistrate or other authority duly empowered, and have accordingly amended this section.

30. We are of opinion that while searches resulting in discovery and detention of any suspicious article are reported to a Magistrate as provided in the section, infructuous searches should be reported in the station-house diary, and we recommend that this may be provided for in a rule.

31. We have amended this section by providing for submission of report by the Police to a Magistrate having local jurisdiction instead of to "such Magistrate as the Magistrate of the district shall, from time to time, appoint," and for the Magistrate following the procedure laid down in the Criminal Procedure Code in respect of property falling under Section 523, Criminal Procedure Code; and we have struck off the next two sections which by the above amendment are rendered superfluous.

Section 29—30.
Police officer not to engage in trade, etc.

Chapter IV.—Section 45—35.
Power of Government to make orders in matters under Section 144 of the Criminal Procedure Code.

Section 34—36 (2).
Manner of publication of rules made by District Magistrate regarding use of streets, etc.

Section 36—38.
District Magistrate, etc., may authorize Police officer to enter common gaming-house.

Section 63—62.
Penalty for opening, etc., common gaming house and for being found gaming in it.

Section 43—45.
Police to regulate assemblies, etc., in public streets.

Chapter V.—Section 46—47 (3).
Power to search suspected persons in streets.

Section 52—53.
Duty of Police with regard to unclaimed property.

32. We have re-drafted clause (b) of this section adopting the form of the rule as given in the Madras City Police Act, Section 71 (5), and with it we have combined a provision against rash or negligent driving. We would explain the word 'vehicle' used in this clause as including perambulators, jinrickshaws, bicycles, tricycles, motor-cars, etc.

Chapter VI.—Section 56—55.
Punishment for certain street offences and nuisances.
(b) Disregarding the rule of the road.

33. We are of opinion that the acts mentioned in this clause, namely, driving, riding, etc., on a foot-way should themselves be made penal without proof of obstruction, danger, alarm or annoyance, and have accordingly amended this clause.

Do (g).
Obstructing foot-way.

34. We are of opinion that the expression "except in some place set apart for the purpose by order of the District Magistrate, etc.," should apply to the first two of the acts specified in this clause, namely, slaughtering any animal or cleaning a carcass or hide, and not to the others, and we have accordingly broken up the clause into two parts so that each set of acts may have its proper qualifying clause.

Section 56—55 (j).
Doing offensive acts on or near public streets.

Do (k).
Throwing dirt into a street, etc.

Regulation.

36. We have added a proviso to this clause that imprisonment in default of payment of any fine which may be awarded under this section shall not exceed eight days notwithstanding anything contained in Section 67 of the Indian Penal Code. We do not deem it expedient to allow a longer term of imprisonment as an alternative punishment in such cases.

Do. last clause.
Punishment of certain street offences and nuisances.

Section 68—67.
Penalty for setting birds and animals to fight in public street or place.

38. We approve of the principle recognized in this section that rewards earned by the Police should be credited to Government in the first instance and paid subsequently from funds granted for the purpose under the special or general orders of Government, and we desire that this should be made applicable not only to forfeitures, etc., payable by law to Police officers but also to sums which Magistrates or other Officers of Government or others may grant, and further to rewards which may be granted not merely for services as informers but also for apprehension of offenders, detection of cases, etc.

Chapter VII.—Section 77—76.
Disposal of rewards, etc., payable to Police officers.

39. We have struck off the 2nd and 3rd sub-sections which require Municipalities to provide accommodation for the Police employed for their service, as the Municipalities in the State have all been relieved of Police charges and there is no separate Police force for any Municipality.

Section 78—77.
No Municipal or other rates to be payable by Government on police buildings.

40. The aim of this sub-section seems to be to provide rules similar to those prescribed in the Criminal Tribes Act, but we have deemed it sufficient to recognize and embody in the rules the existing practice in regard to the registration, surveillance and control of gangs of men with traditional criminal tendency like the Korchars and the taking of finger impressions from suspects, known depredators, etc.

Section 79-78.
Power of Government to make rules (2) surveillance, etc., of criminal gangs.

41. In regard to the maximum of imprisonment awardable as substantive punishment, we have substituted one month for seven days as otherwise there would be no adequate alternative punishment under Section 65, Indian Penal Code, for failure to pay fine. We have, further, struck off the proviso to this sub-section under which a heavier punishment was awardable in the case of a breach of a rule under sub-section (2), inasmuch as sub-section (2) has been amended as above and the maximum of imprisonment raised from seven days to one month.

Do. (4).
Penalty for breach of rules.

Section 82—81 (3).
Suits or prosecutions in respect of acts done under color of duty not to be entertained if not instituted within six months.

Do. Sub-sections 4 and 5.
Two months' notice of suit to be given.

44. We are disposed to allow the injured party the additional remedy of a suit to recoup the loss sustained by him by the malicious act of a Magistrate or Police officer, and have accordingly struck off the proviso.

Do. Proviso.
No suit to lie where there has been criminal prosecution for the same act.

42. We have deemed it expedient to allow one year, instead of six months and amended this sub-section accordingly.

43. We have struck off these two sub-sections as section 424, Civil Procedure Code, contains provision in this behalf.

45. We shall next refer briefly to matters relating to organization, investigation, etc., discussed in Committee.

Badlis.

46. We are of opinion that the present system of taking incompetent badlis or substitutes is baneful to the service.

47. To make the constabulary service more popular, we recommend that rules or orders may be issued for a liberal treatment of applications for leave under the Service Regulations.

Leave.

Transfers.

48. To secure the same end, we recommend careful and considerate action in the matter of transfers.

49. To further secure the same end, we recommend that a system of granting good conduct allowances to constables may be introduced.

Good conduct allowances.

50. To secure competent and trained men to fill up vacancies among constables, we recommend that a system of employing and training probationers may be introduced.

Probationary Constables.

51. To secure proper recruits we recommend that the Amildars should be required jointly with the Inspectors, to assist the District Superintendents in enlisting proper men and to certify to the good character and eligibility in other respects of the men. They should be required to afford the same help in securing eligible recruits of good character for other districts than their own.

Selection of recruits.

52. We recommend that the recruits so selected may be trained in the District Head-quarter schools under the personal supervision of the District Superintendent.

Training.

53. We are of opinion that in the Mofussil Taluks the Jamadars and Dafadars who generally have received the required training and have passed from the Bangalore Training School should be held responsible for the drill and discipline of their subordinates and may be fined if the men are not up to the mark.

Drill in Mofussil Taluks.

54. We agree with the Inspector-General of Police that the designations of Dafadar and Jamadar in the grade of subordinate officers in the ordinary District Police may be replaced by those of head-constable and Sub-Inspector.

Designation of subordinate Police officers.

55. We agree with the Inspector-General of Police that bored out Snider or Martini should be supplied in lieu of muzzle loaders.

Arms.

56. We are of opinion that Inspectors should take up personally a large proportion of the investigation work, that Jamadars should do the same but in a sphere different from that of the Inspector, that Dafadars should not do any investigation unless they are passed men and are specially authorized in this behalf by the District Officers, and that the District Superintendents should personally investigate all important heinous cases as far as possible.

Investigation by superior officers.

We are further of opinion that the Amildars need not be required to take up actual investigation unless specially directed to do so by the Deputy Commissioner in any particular case, but that they should be made to understand distinctly that they should visit the scene of all heinous crimes of a serious nature forthwith, supervise the investigation by subordinate police officers and afford all possible help in the detection of such cases.

57. We are of opinion that the proposal of the Inspector-General to revise and re-model investigation centres so as to give each Inspector or Jamadar (or Sub-Inspector) a separate investigation circle, may be approved, each centre maintaining a complete set of registers and the Inspector keeping personally a crime register for the whole taluk.

Investigation centres.

58. We are of opinion that the supervision of detection and investigation should devolve on Amildars, District Superintendents and Deputy Commissioners, that no Amildar should be permitted to absent himself from the scene of investigation in heinous cases unless his presence is dispensed with by the District Superintendent or Deputy Commissioner, and that the Amildars need not be required to make detailed inspection of stations.

Supervision by superior officers.

59. We are of opinion that patels should send their reports simultaneously to both the Inspector and the Amildar, that the Amildar should, after making a note of it, forward each report received by him, as received, to the District Superintendent with an endorsement of the date and hour of receipt, and that the District Superintendent should separately file these reports in the District Police Office, these precautions being considered necessary to ensure due notice being taken by the Taluk Police of the reports made to them by village officers and prevent such reports being tampered with. We are of opinion that to facilitate the despatch of reports the patels may be furnished with a supply of printed covers.

Patel's Report.

60. We are of opinion that the night watch system has been working well and should be enforced throughout the State in a manner calculated not to make it unpopular, that to prevent serious and avoidable hardship to any person by a rigorous enforcement of the rules published in the Notification of the 30th April 1879, the Deputy Commissioner may be allowed to exempt any person who, on account of any domestic conditions or other cause, may not be able to perform the duty, and that the Deputy Commissioner and the Jamabandi Officers may be required to make a special enquiry into the working of the system on the occasion of their Jamabandi tours and furnish the result for being embodied in the annual District Police Report. We are further of opinion that steps should be taken to see that each village, Government or Inam, has its own chavadi and that it is duly repaired and limewashed, the maintenance of chavadis in a good and sanitary condition being a *sine qua non* to the due enforcement of the night watch system.

Night Watch System.

61. We are of opinion that the Totis who work hard in connection with the night watch and other police duties should be given some special remuneration, say from four to six rupees a year in the Police Department.

Remuneration of Totis.

62. We are of opinion that in the case of the Ghat Ukkads on roads on which traffic is heavy and dacoities have been frequent, a system of annual rewards to such talawars as have by their vigilance prevented the occurrence of crime, may be instituted.

Ukkad Watchers.

63. We are of opinion that the patels should be encouraged in the performance of their police functions by the grant of certificates or rewards and that the instructions conveyed by Sir James Gordon in para 3 of Government Proceedings, dated the 3rd May 1873, may be more generally carried out than at present. We would further recommend that the sannads granted to patels may not be withdrawn on the demise of the holders.

Encouragement to Patels.

64. We are of opinion that the District Superintendents should encourage the officers of the Regular Police to become personally acquainted with the village officials especially the totis and talawars, and to treat the latter with consideration.

Intercourse between the officers of the Regular Police and the Village Police.

65. We are of opinion that without interfering with the separate grading of police officers there might, with advantage, be occasional interchange of officers between the Police and the Revenue Departments, and we would recommend that the graded police officers be recruited occasionally by taking men from among the Amildars, passed civilians and suitable Revenue Assistant Commissioners without prejudice to their reverting to the general service afterwards.

Recruitment of officers in the Superintendents' grade.

PART III.

Legislative Measures and Rules thereunder.

No. J. 1257—Legis. 17 of 1904-05, dated 13th November 1906.

The accompanying Draft of a Regulation to consolidate and amend the law relating to village offices in Mysore, together with a statement of objects and reasons therefor, is published for general information.

2. The Draft Regulation will be taken up for consideration at the end of three months from the date of its publication in the Gazette; and all suggestions and criticisms received within that period will be duly considered.

K. S. CHANDRASEKHARA AIYAR,
Secy. to Govt., Gen. & Rev. Depts.

DRAFT OF A REGULATION TO CONSOLIDATE AND AMEND THE LAW RELATING TO VILLAGE OFFICES IN MYSORE.

Whereas it is expedient to consolidate and amend the law relating to village offices in Mysore; His Highness the Maharaja is pleased to enact as follows:—

Preamble.

Short title, extent and commencement.

1. (1) This Regulation may be called the Mysore Village Offices Regulation, 190

(2) It extends to the whole of Mysore, and

(3) It shall come into force with effect from the expiry of one month from the date of its first publication in the official Gazette.

Definitions.

2. In this Regulation, unless there is something repugnant in the subject or context,—

“Village” means any local area now recognised as a village or hereafter declared by Government to be a village.

“Village Office” means every office to which emoluments have been attached and which is held for the performance of duties connected with the administration or collection of the revenue, or with the maintenance of order or with the settlement of boundaries, or other matters of civil administration pertaining to a village, whether the services originally appertaining to the office continue or have ceased to be performed or demanded, and by whatsoever designation the office may be locally known:

Provisos.

Provided as follows :—

(1) The Government may, by notification in the official Gazette, exclude any village office or offices from the operation of all or any of the provisions of this Regulation, and may in like manner amend or cancel such notification.

(2) The Government shall have power to decide, in case of doubt, whether any office falls under the definition of village office.

“Village Officer” means an officer holding a village office or appointed to perform or performing the duties of a village officer.

“Emoluments” means and includes

“Emoluments.”

- (i) lands ;
- (ii) assignments of revenue payable in respect of lands ;
- (iii) fees in money or agricultural produce ;
- (iv) money-salaries and all other kinds of remuneration, granted or continued in respect of, or annexed to, any village office by the State.

“District Deputy Commissioner” means the chief local officer in charge of the revenue administration of a district.

“Deputy Commissioner” includes an Assistant Commissioner in charge of a division who, for the time being, is authorized to exercise the powers of a Deputy Commissioner.

3. The emoluments of village offices, whether such offices be or be not hereditary, shall not be liable to be transferred or encumbered in any manner whatsoever, and it shall not be lawful for any Court to attach or sell such emoluments or any portion thereof.

Emoluments of village offices inalienable, and not liable to attachment.

4. (1) The Government may, with reference to rules made in this behalf under section 16, group or amalgamate any two or more villages or portions thereof so as to form a single new village, or divide any village into two or more villages ; and, thereupon, all village offices in the villages, portions of villages or village grouped, amalgamated or divided as aforesaid, shall cease to exist, and new offices shall be created for the new village or villages.

Villages may be grouped, amalgamated or divided.

(2) In choosing persons to fill such new offices, the Deputy Commissioner shall select the persons whom he may consider the best qualified from among the families of the last holders of the offices which have ceased to exist.

(3) The Government may also direct that the number of village offices attached to a village shall be reduced, and, thereupon, the Deputy Commissioner shall dispense with the services of the officers no longer required and shall retain those whom he may consider to be best qualified to discharge the duties of the remaining offices.

Reduction of village offices.

5. (1) The Deputy Commissioner may, of his own motion or on complaint and after enquiry, fine, suspend, dismiss or remove any holder of a village office whether in an unalienated or alienated village, for misconduct or for neglect of duty or incapacity or for non-residence in the village or for any other sufficient cause.

Power to punish village officers.

(2) An Amildar or Deputy Amildar may, of his own motion or on complaint and after enquiry, fine any holder of a village office in an unalienated village for any of the causes specified in sub-section (1) and in such amount as the Government may, by general or special order, prescribe.

(3) The proprietor of an alienated village may, of his own motion or on complaint and after enquiry, suspend, dismiss or remove any holder of a village office in his village, except the patel, shanbhog, and the village watchman, for any of the causes specified in sub-section (1).

(4) The officer or person taking proceedings against a village officer under any of the preceding sub-sections of this section shall make a record of his reasons for so doing in writing and furnish a copy of the same to such village officer.

6. When a vacancy occurs in the office of patel, shanbhog, nirganti, toti or talari of an unalienated village, the Deputy Commissioner shall fill up the vacancy in accordance with the provisions of the following sub-sections :—

Rules to be observed in making appointments to the offices of patel, shanbhog, etc., in unalienated villages.

General qualifications requisite in all cases. (1) No person shall be eligible for appointment who—

- (a) is not of the male sex ;
- (b) has not attained the age of majority ;

(c) is not physically and mentally capable of discharging the duties of the office:

(d) has not qualified according to the educational test, if any, prescribed for the office in question by rules made under section 21;

(e) has been convicted by a Criminal Court of any offence which, in the opinion of the Deputy Commissioner, disqualifies him for holding the office;

(f) by reason of his bad character or antecedents is, in the opinion of the Deputy Commissioner, disqualified for holding the office.

(2) The succession shall be regulated by the ordinary provisions of the Hindu Law:

Rule of devolution of succession. provided that it shall devolve on a single heir, and that, where there are more persons than one who would under the ordinary provisions of the said law be entitled to succeed to the last holder of the office, the preference shall, subject to the provisions of this section, lie with the eldest member of the eldest branch of such persons.

(3) When the next heir is not qualified under sub-section (1), the Deputy Commissioner

In certain cases person other than direct heir may be appointed.

shall appoint the person next in order of succession (according to seniority of age in the senior branch) who is so qualified, and, in the absence of any such person in the line of succession, may appoint any person duly qualified under sub-section (1).

(4) Where an office has become vacant by the dismissal or suspension of the last holder

Temporary disqualification of heir in certain cases.

the Deputy Commissioner may direct that, until the death or return to duty of such last holder, the duties of the office shall be performed by some person duly qualified under sub-section (1) who is not an undivided member of the family of the dismissed or suspended officer; provided that, when the officer who has been dismissed dies, or if the officer who has been suspended dies while under suspension, the vacancy caused by such death shall be filled up in accordance with the provisions of sub-sections (2) and (3).

(5) When the person who would otherwise be entitled to succeed to an office is a minor,

Procedure to be adopted when heir is a minor.

the Deputy Commissioner shall register the minor as the heir of the last holder and appoint some other person qualified under sub-section (1) to discharge the duties of the office until the person registered as heir, on attaining majority or within three years thereafter, is qualified under sub-section (1) to discharge the duties of the office himself, when he shall be appointed thereto. If the person registered as heir under this sub-section dies, or if he remains disqualified under sub-section (1) for three years after attaining majority, the Deputy Commissioner shall fill up the vacancy as provided in sub-sections (2) and (3).

(6) If a vacancy is caused by the resignation, dismissal, removal or suspension of the

Method of filling up vacancy caused by resignation, dismissal, removal or suspension.

holder of an office and the Deputy Commissioner does not give the direction referred to in sub-section (4) he shall fill up the vacancy in accordance with the provisions of this section as if it had been caused by the death of the said holder; provided that, upon the expiry of the period of suspension of an officer who has been suspended, or if, for any reason, an officer who has been dismissed, removed or suspended, is permitted to resume the office from which he has been dismissed, removed or suspended, the person appointed to fill the vacancy caused by the said suspension, dismissal or removal shall cease to hold the office.

(7) When a vacancy occurs in the office of patel, shanbhog, nirganti, toti, or talari of

Rules to be observed in making appointments to the offices of patel, shanbhog, etc., in alienated villages.

an alienated village, the proprietor of such village shall fill up the vacancy in accordance with the provisions of the following sub-sections:—

General qualifications requisite in all cases.

(1) No person shall be eligible for appointment who—

(a) is not of the male sex;

(b) has not attained the age of majority;

(c) is not physically and mentally capable of discharging the duties of the office.

(2) The succession shall be regulated by the ordinary provisions of the Hindu Law:

Rule of devolution of succession.

provided that it shall devolve on a single heir, and that, where there are more persons than one who would, under the ordinary provisions of the said law be entitled to succeed to the last holder of the office, the preference shall, subject to the provisions of this section, lie with the eldest member of the eldest branch of such persons.

(3) Where the next heir is not qualified under sub-section (1), the proprietor shall

In certain cases person other than direct heir may be appointed.

appoint the person next in order of succession according to seniority of age in the senior branch who is so qualified, and, in the absence of any such person in the line of succession, may appoint any person duly qualified under sub-section (1).

(4) When the person who would otherwise be entitled to succeed to an office is a minor, the proprietor shall register the minor as the heir of the last holder and appoint some other person qualified under sub-section (1) to discharge the duties of the office, until the person registered as heir is qualified under sub-section (1) to discharge the duties of the office himself, when he shall be appointed thereto. If the person registered as heir under this sub-section dies, or if, on attaining majority, he proves to be disqualified under clause (c) of sub-section (1), the proprietor shall fill up the vacancy as provided in sub-sections (2) and (3).

8. The succession to village offices in unalienated and alienated villages other than those of patel, shanbhog, nirganti, toti and talari, shall devolve in accordance with the law or custom applicable thereto at the date on which this Regulation comes into force; or, in the absence of any such law or custom, in accordance with the provisions of sub-section (2) of section 6 and sub-section (2) of section 7 so far as applicable.

9. (1) Any person may sue before the Deputy Commissioner for any village office or for recovery of the emoluments of any such office, on the ground that he is entitled under sub-section (2) or (3) of section 6, or sub-section (2) or (3) of section 7, or section 8 of this Regulation, as the case may be, to hold such office and enjoy such emoluments; or being a minor, may sue before the Deputy Commissioner to be registered as heir of the last holder of any such office.

Provided as follows:—

No suit for declaratory decree.

(i) No suit shall be entertained for a mere declaratory decree.

(ii) When one of the facts in issue in a suit is whether the emoluments of the office consist of land or of an assignment of revenue payable in respect of land, the Deputy Commissioner shall decide the claim on the assumption that only the said assignment constitutes the emoluments; but such decision shall not bar the right of the claimant to institute a suit in a Civil Court for recovery of the land itself.

Procedure in case of dispute as to nature of emoluments.

(2) If, at any time before the completion of the trial of a suit preferred under this section for any office or for the recovery of the emoluments of any office, it appears to the Deputy Commissioner that the claimant is not eligible for appointment under sub-section (1) of section 6 or sub-section (1) of section 7 of this Regulation, as the case may be, he shall pass an order rejecting the plaintiff.

Rejection of plaintiff when claimant is ineligible for appointment.

10. (1) No suit preferred before a Deputy Commissioner under the last preceding section shall be entertained which is not preferred within three years from the date of the cause of action arising, whether such date be before or after the commencement of this Regulation.

Limitation of time within which suits may be brought.

Provided that, in the case of a person who, by reason of minority, was disqualified for holding office, the right to sue for such office or for the recovery of the emoluments thereof shall accrue from the date of his attaining majority.

Limitation in case of minority.

(2) No application for the execution of a decree or order passed under this Regulation shall be entertained, if made after the expiration of one year from the date of such decree or order.

Limitation of time within which execution of decree or order may be applied for.

(3) Decrees or orders passed previous to the commencement of this Regulation in regard to claims to village offices or the emoluments annexed thereto, may be executed under the provisions of this Regulation; provided that no application for the execution of any such decree or order shall be entertained if made either after the expiration of three years from the date of such decree or order or after the expiration of one year from the commencement of this Regulation.

Execution of decrees and orders passed previous to commencement of this Regulation.

(4) In cases in which the decree or order sought to be executed was appealed against, the periods of limitation prescribed in sub-sections (2) and (3) shall commence from the termination of the appeal.

Limitation when appeal preferred.

11. The District Deputy Commissioner may transfer to his own file any suit on the file of any Assistant Commissioner in charge of a division in the district, or transfer any suit from the file of one such Assistant Commissioner to that of another or to the file of an Assistant Commissioner not in charge of a division, for disposal.

Power of District Deputy Commissioner in regard to transfers of suits.

12. (1) The trial of suits under this Regulation shall be regulated by rules made by Government under section 21 and by the following provisions:—

Procedure to be observed in trying suits.

(i) A date shall be fixed for the hearing of the suit and the same shall be notified to the parties, who shall be entitled to be heard in person or by agent;

Date of hearing to be fixed and parties to be heard.

(ii) The parties shall be entitled to produce witnesses and to demand that any person whose evidence they require shall be summoned as a witness or that any person shall be summoned to produce a document, and the officer trying the suit shall comply with such demand; unless, for reasons to be recorded, he considers it unnecessary to do so;

(iii) The officer trying the suit shall record in his own hand a memorandum containing the material averments of the parties, the material portions of the evidence, his decision and the reasons therefor.

(2) Every person to whom a summons is issued under this section shall be legally bound to obey the same.

13. Decrees and orders passed in suits under this Regulation may provide for payment of costs according to such scale and subject to such rules as may be prescribed by Government under section 21, and shall be executed in accordance with rules to be made under the said section.

14. (1) If, before or during the hearing of a suit under this Regulation or of an appeal against a decree or order passed in a suit under this Regulation, or if, in the execution of any such decree, any question of law or usage having the force of law, or of the construction of a document which construction may affect the merits, arises, and the officer trying the suit or appeal or executing the decree entertains reasonable doubt on such question, he may, either of his own motion or on the application of any of the parties, draw up a statement of the facts of the case and the point on which doubt is entertained and refer such statement for the decision of the Chief Controlling Revenue authority and shall stay further proceedings until the said decision is communicated to him.

(2) If the officer making the reference to the Chief Controlling Revenue authority is not the District Deputy Commissioner, the reference shall be made through the District Deputy Commissioner.

(3) The Chief Controlling Revenue authority shall, if any of the parties so request, hear him or his agent and shall decide the point referred and transmit a copy of its judgment to the officer by whom the reference was made, and the said officer shall, on receipt thereof, proceed to dispose of the case in conformity with the decision of the Chief Controlling Revenue authority, and the correctness of the decision of the Chief Controlling Revenue authority shall not be contested in any appeal made under this Regulation.

15. All suits brought and appeals made previous to the commencement of this Regulation shall, after the commencement thereof be heard and disposed of as if they had been preferred under this Regulation.

16. No Civil Court shall have authority to take into consideration or decide any claim to succeed to, or to the possession of, any village office, or any question as to the rate or amount of the emoluments of any village office, or except as provided in proviso (ii) to sub-section (1) of section 9, any claim to recover the emoluments of any such office.

Provided that, if, in any suit instituted under this Regulation, the defendant has pleaded before the Deputy Commissioner that a Revenue Court has no jurisdiction to entertain the suit, on the ground that no emoluments, as defined in this Regulation, appertain to the office in respect of which the suit is brought, and if, on appeal preferred from the decree in such suit, the appellate authority has decided adversely to such plea, the defendant may, within six months from the date of the appellate decree, institute a suit in a Civil Court to set aside such appellate decree on the said ground and on that ground only.

17. (1) From every order passed by a Deputy Commissioner under section 4 or 5, and from every decree or order passed by a Deputy Commissioner in a suit preferred under section 9, an appeal shall lie, within one month, to the District Deputy Commissioner, or, if the said order or decree was passed by the District Deputy Commissioner, an appeal shall lie, within three months, to the Chief Controlling Revenue authority. The decision, on appeal, of the District Deputy Commissioner or the Chief Controlling Revenue authority, as the case may be, shall be final.

Provided that, in respect of the offices of patel and shanbhog, a second appeal shall lie, within three months, to the Chief Controlling Revenue authority, against the decision on appeal of the District Deputy Commissioner in suits preferred under section 9 and in cases of dismissal of a village officer under section 5.

(2) From every order passed by an Amildar or Deputy Amildar under sub-section (2) of section 5 and from every order passed by a proprietor under sub-section (3) of section 5, an appeal shall lie within one month, to the Deputy Commissioner, whose decision shall be final.

Appeal against order of Amildar or Deputy Amildar or proprietor.

18. If the officer to whom an appeal is presented under this Regulation in the capacity of District Deputy Commissioner or Deputy Commissioner happens to be the officer who passed the decision which is appealed against in another capacity, he shall report the fact to the Chief Controlling Revenue authority or to the District Deputy Commissioner, as the case may be, and the appeal shall be disposed of by the Chief Controlling authority or District Deputy Commissioner, and the order passed on appeal shall be final.

Disposal of appeal by officer who passed original order.

19. The provisions of sections 5 and 12 of the Indian Limitation Act, 1877, so far as they relate to suits, appeals and applications shall, *mutatis mutandis*, apply to suits, appeals or applications for the execution of decrees or orders, instituted, preferred or made under this Regulation.

Certain sections of the Limitation Act apply.

20. The Government may declare that the powers of punishing village officers which are vested in the Deputy Commissioner by this Regulation shall be exercised in any specified local area by the Superintendent or Assistant Superintendent of Police in respect of all, or any of, the village watchmen or Police officers in that local area. From every order fining, suspending, dismissing or removing a village watchman or Police officer passed by a Superintendent or Assistant Superintendent of Police by virtue of a declaration made under this section, an appeal shall lie, within one month, to the District Deputy Commissioner, whose decision shall be final.

Power of Government to place village watchman under Police authorities.

Government may make rules on certain subjects.

21. (1) The Government may, by notification in the official Gazette, make rules, not inconsistent with this Regulation, in regard to the following matters:—

- (i) the division, grouping and amalgamation of villages ;
- (ii) the holding of enquiries under sections 4 and 5, and the hearing of appeals under section 17 ;
- (iii) the educational qualifications, if any, required of the holders of village offices ;
- (iv) the procedure to be followed in disposing of suits and appeals from decrees or orders passed in suits and the registers to be maintained in connection therewith ;
- (v) the execution of decrees and orders passed in suits and the taxation of costs ;
- (vi) the emoluments to be assigned to the holders of village offices, and the method of assessment and payment thereof ;
- (vii) the duties of holders of village offices, and the descriptions and forms of the accounts and registers to be kept by them ;
- (viii) the custody, production and transfer of the accounts and other records kept by holders of village offices ;
- (ix) any other matters calculated to enhance the efficiency of the village service, or connected with the carrying out of the purposes of this Regulation.

(2) Until rules are made by Government in respect of any of the matters referred to in the preceding sub-section, the rules if any in force with regard thereto immediately previous to the commencement of this Regulation shall, so far as they are consistent with this Regulation, be deemed to be in operation and to have been made under the preceding sub-section.

Until such rules are made, existing rules to be in force.

Statement of Objects and Reasons.

The necessity for replacing the existing scattered and disjointed body of rules and orders with regard to Village Offices in Mysore by a systematic scheme of legislation has engaged the consideration of Government for some time past. Of these rules and orders a few, such as the Rules* for the remuneration of patels and shanbhogs and minor village servants have the force of law; others are orders passed by Government in appeals from the decisions of Revenue Officers in regular suits; and a large number are merely administrative orders passed on the miscellaneous side and as such liable to be disregarded by subordinate officers in regular suits. The course of decisions, too, especially in the matter of succession to Village Offices, has not been by any means always uniform or certain; with the result—which conflicting decisions induce—of encouraging litigation. Lastly, the success of the Revenue administration depends to a great extent upon the efficiency of the village service; and the introduction of a law to regulate the latter and place it upon a proper basis follows naturally on the introduction of the Land Revenue Code, which has governed the former for the last fifteen years.

*Issued, under the authority of the Government of India, which the Chief Commissioner's Notifications No. 219, dated the 27th October 1874, and No. 123, dated the 1st August 1878.

Such then is the occasion for the accompanying Draft Regulation, which, it may be observed, follows to a large extent (but with important variations) the lines of the Madras Hereditary Village Offices Act, III of 1895, the provisions of the latter being found, on careful examination, to be much better adapted to local requirements than are those of the Bombay Hereditary Offices Act, III of 1874.

It now remains to describe briefly the main provisions of the proposed Regulation.

Section 2 deals with definitions.

Under the definition of "village" here given, it will be possible to declare two or more villages ordinarily so called to be a single village for the purposes of the Regulation.

The characteristics of a "Village Office" as here defined are :—

- (i) the assignment of "emoluments" (a term defined comprehensively in the same section); and (ii) the annexing to the office of duties connected with some branch of the civil administration pertaining to a village, whether these duties are actually demanded or not.

The provisos give power to Government, on the one hand, to exclude any office from the operation of the Regulation, and, on the other, to decide whether a particular office falls under the definition or not.

The distinction drawn between "Deputy Commissioner" (a term applicable in certain cases to a Divisional Assistant Commissioner) and "District Deputy Commissioner" (denoting the Chief Revenue Officer of the District) is a convenient one, and has been taken from the Madras General Clauses Act, 1891.

Section 3 embodies the existing law with respect to the inalienability of emoluments and their non-liability to attachment and sale by Courts.

Section 4 empowers Government to group, amalgamate or divide villages, and to reduce the number of offices, in a village, as may be necessary.

Section 5 deals with the powers of Deputy Commissioners, Amildars and Inamdars to punish village officers for reasons to be recorded in writing. In consonance with the existing practice, the powers of the Deputy Commissioner to punish officers in alienated villages have been assimilated to those with respect to officers in Government villages. In Madras the latter powers are subject to restriction.

Sections 6 and 7 declare the rules to be observed in making appointments to the five main Village Offices of patel, shanbhog, nirganti, toti and talari. It is merely necessary to note that these rules will, among other things, do away with the right of females in certain circumstances to be registered as the holders of Village Offices, but not of course, so as to interfere with claims to succession being traced *through* females, and that the rule of devolution of succession to a single heir as laid down will exclude the performance of duties by rotation: the latter being a system attended with many difficulties, not satisfactory on the one hand to the parties concerned; and not conducive on the other to the efficiency of business, besides leading to faction, litigation, and intrigue and to a relaxation of the sense of responsibility. It may also be remarked that, under section 7, the confirmation of the Deputy Commissioner will not, in future be necessary, as at present, for appointments of patels and shanbhogs made by proprietors of Inam villages.

Section 8 deals with succession in the case of other Village Offices than the five specified, where such exist and are recognized. But, as a matter of fact, it may be observed that the connection of Government with such other offices comprised in the ancient *borabalu* system has practically ceased.

Sections 9 to 15 and 17 to 19 embody the usual provisions about suits, procedure, appeals, limitation, and similar matters.

Section 16 bars the jurisdiction of Civil Courts in regard to claims for the succession of Village Offices in respect of emoluments.

Section 20 will probably become unnecessary on the passing of the Police Regulation now before Government.

Section 21 enumerates the matters in regard to which Government may frame rules; and declares that, till rules as so made, the existing rules shall continue in force.

PART III.

Legislative Measures and Rules thereunder.

No. R. 5854—L. R. 173-06-2, dated 10th December 1906.

In exercise of the powers conferred by the Mysore Land Revenue Code, 1888, the Government of His Highness the Maharaja are pleased to make the following amendments in the rules under the said Code, issued with Notification No. 264—R. 122, dated the 10th July 1901 :—

1. Clause (b) of Rule 47 shall be omitted, clause (c) being changed to clause (b); and in the last mentioned clause, the words "of land of the nature described in the last clause or" shall be omitted.

2. In Rule 48 for the words and letters "clauses (b) and (c)," the word and letter "clause (b)." shall be substituted.

3. The following Rule shall be inserted between Rules 49 and 50 :—

"49A. The occupancy of land near a Railway Station, and within half a mile thereof or such other distance from it as may from time to time be fixed by Government, may be given out for agricultural purposes at the discretion of Deputy Commissioners, subject to the condition that the land shall be liable to resumption without payment of compensation when it is required for public purposes; but such land shall only be given out for building purposes with the previous sanction of Government and subject to their orders in each case."

No. J. 1598—Cts. 75-06-2, dated 11th December 1906.

In supersession of Notification No. J. 418—C. 35-4, dated the 7th August 1905, His Highness the Maharaja of Mysore is pleased to issue the following orders for the guidance of all Criminal Courts and Police Officers in the Mysore State :—

- (1) The Courts of the State shall not, except where specially authorized by Government to do so, exercise jurisdiction over a Native Officer or soldier of the Indian Army who, while not on leave, commits any kind of offence within the State. If for any special reason it is considered

desirable in any such case that the offender should be tried by a State Court, the case must be reported to Government for orders. Further if in any such case the circumstances are not such as to allow of immediate arrest by the Indian Military Authorities, the offender may be arrested by State Authority if the law of Mysore permits of such arrest, but he should be handed over forthwith to the nearest Indian Military Authority.

- (2) The Courts of the State are not debarred from exercising jurisdiction in the case of a Native Officer or soldier of the Indian Army who, while on leave within the State,
- (a) commits within the State an offence of any kind against the law of the State, or,
 - (b) is arrested for an offence committed by him in the State on some previous occasion, whether he was or was not on leave on such occasion; provided that, when the offence with which such Officer or soldier is charged is one which was committed by him while he was previously on duty, and for which he has already been tried and either acquitted or punished by the British Authorities, the Courts of the State shall not again try him for the same offence.

By Order,

8. Market well supplied.
9. Standing dry crops such as togari, ballar, Bengal-gram, castor, coriander, mentya, etc., are reported to be fair in Chamrajnagar, Yedatore, Gundlupet, Malvalli and Krishnarajpete; good in Mysore, Hunsur and Heggaddevankote; and withering in Mandya, Nanjangud and Nagamangala for want of water. Standing paddy and sugar-cane crops are reported to be good in Chamrajnagar and Hunsur. Paddy in parts of Mysore, Seringapatam, Hunsur, Yedatore and Heggaddevankote; paddy, ballar, togari, kulthi and sugar-cane in parts of T. Narsipur; ragi, haraka and togari in parts of Malvalli and paddy and sugar-cane in parts of Krishnarajpete are being harvested. Bengal-gram, castor and ballar crops are reported to have been attacked by "battunari" insects in parts of Chamrajnagar.

10. Prospects of the season not bad. Insufficiency of rainfall has been felt all over the district. Food stocks are reported to be sufficient for the present.

11. Public health good

12. Cattle healthy. Water and fodder generally available.

HASSAN.

8. Market fairly well supplied. Prices high.
9. Paddy, sugar-cane, etc., are being harvested in all parts, and land is being ploughed. Sugar-cane in Hassan, Belur, Arsikere, Hole-Narsipur, Channarayapatna and Alur is in fairly good condition. Ballar, togari, etc., have suffered for want of rain. No damage is reported to have been done to crops by insects, etc. The following is the estimated outturn of crops:—
- | | | | | |
|---------------|-----|----------------------|-----|---------------|
| Hassan | ... | Harvested crops | ... | 4 to 8 annas. |
| Manjarabad | ... | Paddy | ... | 8 to 10 " |
| Arsikere | ... | Ballar, togari, etc. | ... | 4 to 6 " |
| Hole-Narsipur | ... | Do | ... | 6 to 10 " |
| Arkalgud | ... | Do | ... | 4 to 8 " |
10. Prospects of the season fair. Rainfall has been generally insufficient. Food stocks are sufficient for the present.
11. Public health generally good. Small-pox is reported to be prevalent in Hole-Narsipur town and parts of Channarayapatna Taluk.
12. Cattle generally healthy. Fodder and water available generally, except near Kittankere of the Arsikere Taluk, where difficulty is felt for water and fodder.

SHIMOGA.

8. Market fairly well supplied, but prices are high.
9. Standing crops, *viz.*, kulthi and Bengal gram in Channagiri; castor in Sorab and sugar-cane in Sagar, are in good condition. Sugar-cane in Sorab and Kumsi, and great millet, cow-gram, pigeon-pea, castor, cotton and Bengal gram in Honnali are withering. Paddy in Shimoga, Sorab, Sagar and Kumsi; ragi in Shimoga, Channagiri, Honnali, Sorab and Kumsi; kulthi in Shimoga and Honnali, cholum in Chaunagiri and Honnali; and Italian millet, little millet, and little panicle in Honnali have been harvested. Paddy in Channagiri, Nagar and Tirthahalli, and kulthi in Sorab and Kumsi are being harvested. Sugar-cane is being milled in Shimoga and Shikarpur. Arecanut is being gathered in Sorab, Sagar and Tirthahalli. Chillies have been gathered in Sorab. The following is the estimated outturn of the crops:—
- | | | | | |
|---------------------|-----|-----|-----|----------------|
| Sugar-cane in Sagar | ... | ... | ... | 12 annas. |
| Paddy in Nagar | ... | ... | ... | 8 to 12 annas. |
10. Food stocks are reported to be sufficient for the present.
11. Public health generally good.
12. Insufficiency of water is felt in Shimoga, Shikarpur, Sorab and Kumsi, and insufficiency of fodder in Honnali, Shikarpur and Kumsi. The supply of fodder is becoming short in Sorab.

KADUR.

8. Market fairly supplied.
9. Standing crops, *viz.*, sugar-cane, coriander and Bengal gram in Chikmagalur; coffee, arecanut and sugar-cane in Koppa; coffee and cardamom in Mudgere; cholum, ballar and Bengal gram in Kadur and Bengal gram, ballar, sugar-cane and togari in Tarikere are in fairly good condition. Paddy and kulthi in Chikmagalur; coffee, arecanut, paddy and cardamom in Koppa; ragi, paddy, coffee and cardamom in Mudgere; paddy, coriander, sugar-cane, ragi, kulthi and togari in Kadur; ragi, kulthi, togari and coriander in Tarikere; paddy and arecanut in Sringeri, and paddy, arecanut and coffee in Yedahalli are being harvested. The probable outturn is as follows:—
- | | | | | |
|-------------|-----|--------------------------------|-----|--------------|
| Kadur | ... | Paddy, ragi and other dry crop | ... | 4 to 6 annas |
| Mudgere | ... | Paddy and ragi | ... | 8 annas. |
| | | Coffee and cardamom | ... | 12 " |
| Chikmagalur | ... | Paddy and kulthi | ... | 8 " |
| Yedahalli | ... | Harvested crops | ... | 8 " |
| Sringeri | ... | Arecanut | ... | 10 " |
| | | Paddy | ... | 12 " |
| Tarikere | ... | Standing crop | ... | 8 " |
10. Prospects of the season fair. Food stocks are available and sufficient for the present.
11. Public health generally good.
12. Cattle generally healthy. Water and fodder generally available.

CHITALDRUG.

8. Market well supplied.
9. Harvest of paddy still continues in parts of Davangere, Challakere and Molakalmuru. The yield is estimated from 2 to 4 annas. Dry crops such as ragi, navane, cholum, togari, sajje, cotton and kulthi are being harvested in Challakere, Hiriur, Davangere, Jagalur and Molakalmuru. The yield is estimated to be from 2 to 6 annas whereas that in the Holalkere Taluk is estimated to be 8 annas.
10. Prospects of the season have not improved. Food stocks are available.
11. Public health good.
12. Cattle healthy. Fodder is procurable in limited quantities.

Appeal No. 108 of 1904-05.

Appellant

Venkatasubbaiya

Versus

Respondents

1. Subbaiya

2. Chennappa.

Subject.

Appeal against the order of the Deputy Commissioner of the Tumkur District, confirming the sale held for arrears of revenue of lands Survey Nos. 49, 41 and 170 of Lakkenahalli village in the Gubbi Taluk.

The facts of the case are briefly these :—

Survey No. 49 (wet) measuring eight acres and thirty guntas and assessed at Rs. 40, of Lakkenahalli village, though included in the atchkāt of Lakkenahalli tank is dependent for its irrigation on the Konanakallu tank. But the tank, breached and its bed was given out for temporary cultivation. Thus the only source of irrigation for Survey No. 49 failed and the appellant nevertheless offered to take it up for cultivation in the state in which it then was and he was accordingly put in possession of it in the year Playa (1901-02) and the kadayam therefor was also recovered from him. In the next year, he contended that he was not liable to pay the wet rate of assessment on the ground that there was no means of irrigating his land and prayed either for a remission of assessment or for permission to utilize the water of the Lakkenahalli tank. But neither of these alternatives were allowed. Meanwhile the kadayam on this land for 1902-03 having fallen into arrears, a demand notice was duly served on the party. The appellant having failed to pay up the arrears, the lands in his khate including the number in question were, after the observance of all the prescribed formalities, put up to auction and at the sale held by the Amildar there were no bids forthcoming for Survey No. 49 which was bought in by Government, while the remaining numbers fetched small prices. When the records came up before the Deputy Commissioner, he, after personal inspection of the land, ordered the confirmation of the sale and also directed that as the petitioner had unauthorizedly taken Government tank water for cultivating his land (No. 49) which he had purchased in the condition in which it then was, he saw no reason to allow any remission and accordingly directed the recovery of the full assessment from the appellant. Hence the present appeal praying for the cancellation of the sale of Survey No. 49 and for the remission of half assessment on the said land.

Decision.

Though situated under a breached tank, the land in question was deliberately applied for and obtained by the appellant on the usual terms, that is, subject to the payment of full assessment. He paid full assessment accordingly for the first year. His default in the next year led to the adoption of the coercive measures of which he now complains. The Deputy Commissioner rightly held that the appellant had no valid grievance since the terms of the grant did not entitle him to any concession or relief and since moreover he had used the water of some other Government tank for the irrigation of his land. Government see no reason to interfere.

The appeal is rejected.

Memo No. R. 7500—R. M. 476-04-8, dated Bangalore, 18th December 1905.

Copy of the above is forwarded to the Deputy Commissioner of the Tumkur District, together with the records received with his letter No. 377, dated the 9th October 1905.

Appeal No. 109 of 1904-05.

Appellant—Kapinipati Nanjundaiya *alias* Srikantaiya, kayamguttadar of Ponnathpur,
(represented by his agent L. C. Shama Rao).

Subject.

Appeal against the Inam Superintendent's order treating the village of Ponnathpur in the Alur Sub-Taluk, Hassan District, as a jodi village, and directing the imposition of excess quit-rent.

The facts of the case appear sufficiently from the following :—

Decision.

This is an appeal from an order of the Inam Superintendent treating the village of Ponnathpur as a jodi village, and directing the levy of an enhanced quit-rent on it.

2. On 8th August last, Government passed the following *ad interim* order remitting the case to the Inam Superintendent with certain observations, and calling for a further expression of his views:—

“This case relates to the annual payment due to Government from the holder of the village of Ponnathpur. The old kayamgutta was Rs. 805-6-1. At the Inam Settlement, it was raised by Rs. 40-4-4 which figure has now been further increased by Rs. 443-8-11, the village being dealt with as a jodi and not a kayamgutta village. Hence this appeal.

“The Inam enquiry disclosed the fact that the land was long being treated in the accounts and enjoyed as a kayamgutta village, and that Captain Chalmers, the Division Superintendent, was in error in referring to it as a jodi village in the concluding part of the order dated 29th January 1838.

“In his order dated 8th August 1876, the Chief Commissioner observed ‘the list of kayamgutta grants received with the above has been compared with the accounts in the Chief Commissioner’s office and found to be correct. The villages may be exempted from enquiry at the time of the Survey Settlement.’ The list referred to include the village in question (Ponnathpur).

“Admittedly, Captain Chalmers could not, and did not, convert the tenure from kayamgutta to jodi and yet the Inam Commissioner in his Order dated 12th June 1879, observed as follows:—‘The Brahmins resigned the kayamgutta tenure, and such tenure was apparently not continued by Captain Chalmers even if he had the power to do so, and he twice alludes to it in his orders as a jodi village. I am of opinion that this village should be struck off the list of kayamgutta villages.’

“In a subsequent order dated 19th December 1879, recorded under the first one in the Inam Settlement Register, Colonel Cole said ‘No. 1 in column 10 has attended. The confirmation on half quit-rent is to stand good, but as a kayamgutta village on the rules recently sanctioned.’ The recent Rules he referred to were probably the Chief Commissioner’s Order No. 1871-33—Rev. 331, dated the 8th August 1879, and paras 3 and 4 of his letter to the Government of India therein adverted to. It is however doubtful whether this village could be said to have come under the disability mentioned therein after it had been recognized and enjoyed as kayamgutta for a considerable period and after such tenure had been unequivocally admitted by the Chief Commissioner’s order of 8th August 1876.

“The relinquishment by the bulk of the holders or rather the transfer by them to the only remaining holder whom the appellant represents, could not be taken to have altered or extinguished the tenure as will be seen from the papers produced by the appellant and also quoted in the Inam Settlement Register. Nor could Captain Chalmers’ obvious misdescription have had any such effect. And yet Colonel Cole seems to have held that the kayamgutta tenure had ceased to exist by reason of the said transaction and misdescription.

“In the title-deed and the final Quit-rent Register, this village has been shown as kayamgutta and in the Inam Commissioner’s endorsement dated 8th April 1880, the holder of the village has been called kayamguttadar.

“With reference to the Inam Superintendent’s endorsement dated 1st November 1904, it may be observed that under the revised order of Colonel Cole, dated 19th December 1879, the village was settled as kayamgutta and not as jodi. In these circumstances, the case seems to require further elucidation. The above observations will accordingly be communicated to the Superintendent of Inams with a request that he will be good enough to favor Government with his opinion as to the soundness or otherwise of the appellant’s contention that the amount fixed at the Inam Settlement is not liable to enhancement at the orders of Government, dated 17th February 1904. It is also a question whether the imposition of a small quit-rent at the Inam Settlement could be taken to have the effect of estopping the appellant from asserting that the tenure on which he holds the village is neither jodi nor doubtful kayamgutta, but undoubted and acknowledged kayamgutta.”

3. The Inam Superintendent in his reply states as follows:—

“If Colonel Cole was wrong in holding that the kayamgutta tenure had ceased to exist, the imposition of the quit-rent at the Inam Settlement will have to be cancelled.

“Colonel Cole accepted the views of his Assistant as recorded in the register, but seems to have attached no weight to the Chief Commissioner’s order of 8th August 1876. Documentary evidence regarding the village being conferred on kayamgutta is somewhat deficient, but the village had been treated and recognized as kayamgutta and, but for the interpretation incorrectly put upon Captain Chalmers’ power to convert the tenure, would have been treated as such.

“I think the original Inam Settlement, including the imposition of quit-rent, may be set aside and the village recorded as kayamgutta.”

4. It is clear that this has long been a kayamgutta village and that it should have treated as such at the Inam Settlement. The quit-rent first imposed on it was not objected to probably owing to its smallness. That quit-rent having been recently considerably raised, objection has now been taken to the manner in which the village has been dealt with by the Inam Department.

5. In concurrence with Colonel Grant, Government direct that the Inam Settlement including the imposition of quit-rent be set aside and the village recorded as kayamgutta.

Memo No. R. 7651—R. M. 535-04-8, dated Bangalore, 22nd December 1905.

Copy of the above is forwarded to the Superintendent of Inam Settlements in Mysore with reference to his letter No. 49, dated the 27th September 1905.

Appeal No. 37 of 1905-06.

Appellant

Vs.

Respondent.

Kare Bangaloora of Halu Bhavipalya,
Magadi Taluk.

Subject.

Appeal against the order of the Deputy Commissioner of the Bangalore District, directing the levy of an assessment of annas eight on the appellant for the year 1903-04, and his eviction from the subsequent year, from a vacant site No. 18 of Halu Bhavipalya village in the Magadi Taluk, alleged to be encroached upon by him but claimed as his private property.

The facts of the case appear sufficiently from the following:—

Decision.

These proceedings relate to a vacant building site which has been in the appellant's possession for some time past. In 1902, objection was, for the first time, taken to his enjoyment of it on the ground that he had no documentary evidence in proof of his title. The Assistant Commissioner ordered the usual site tax to be levied from him in addition to a fine of annas eight. The appellant was thereupon given a patta on the strength of which as well as of his antecedent title he continued to be in possession until the following year, when the Deputy Commissioner cancelled the patta and ordered the man's eviction. In appeal it is contended that this order is erroneous and unsustainable.

2. Government hold that the appeal is entitled to succeed. The appellant being in possession, it is for the party impugning his title to show that the site is not his property but that of Government. On this point there is absolutely no evidence. Under the law (Section 36 of the Revenue Regulation) what is not the property of individuals is the property of Government. This does not mean that the "*onus probandi*" lies on the individual actually in possession in assertion of his own right. It has not been shown that the site in question is not private property and that the appellant's possession is wrongful.

3. The appeal is allowed and the order directing the appellant's eviction set aside.

Memo No. R. 7695—R. M. 636-04-4, dated Bangalore, 23rd December 1905.

Copy of the above is forwarded to the Deputy Commissioner of the Bangalore District, together with the records received with his letter No. 250, dated the 11th September 1905.

Appeal No. 38 of 1905-06.

Appellant

Vs.

Respondent

J. Muniappa Setti of Kasba Mulbagal.

Venkatarayappa, Shanbhog of
Kavitanahalli village,
Mulbagal Taluk.

Subject.

Appeal against the order of the Deputy Commissioner of the Kolar District, affirming the order of the Assistant Commissioner, cancelling the alienation, by mortgage, of a portion of a certain service Inam land attached to the shanbhogi office of Kavitanahalli village in the Mulbagal Taluk, on the ground that such alienation was invalid as per rules; and directing that the mortgagee, who is the appellant, should be dispossessed of the said land.

The facts of the case appear sufficiently from the following:—

Decision.

This case relates to a service Inam land which, at the potgi settlement was fully assessed to revenue. The respondent is the shanbhog of the village. One-half of the land was in his possession and the other half in that of his hissedar Ramanna. The whole number stood registered in the respondent's name. He objected to his potgi being held responsible for the assessment due on the portion not in his enjoyment. At the inquiry it transpired that Ramanna had mortgaged his half to the appellant. In the result the Deputy Commissioner passed the order appealed from.

2. Though fully assessed and partly in the enjoyment of a hissedar, the land in question is nevertheless a shanbhogi Inam land which, under the Rules, is inalienable. The Deputy Commissioner therefore rightly refused to recognize the mortgage relied upon by the appellant. Government see no reason to interfere.

3. The appeal fails and is accordingly rejected.

Memo No. R. 7706—R. M. 119-05-4, dated Bangalore, 23rd December 1905.

Copy of the above is forwarded to the Deputy Commissioner of the Kolar District, together with the records received with his letter No. 2460—182, dated the 19th September 1905.

THE MYSORE INDUSTRIAL AND AGRICULTURAL EXHIBITION, 1906.

RULES AND REGULATIONS.

1. The Exhibition will be held at Mysore in _____ on a date to be fixed hereafter and notified, and will continue for _____ days.
2. Intending exhibitors should fill up the Form A (copies of which can be had from the Amildars) and send it to the Secretary so as to reach him not later than the 30th November 1905; a copy should at the same time, be delivered to the Amildar of the Taluk in which the exhibitor resides.
3. The articles intended for Exhibition may be brought personally by the exhibitor or his agent, to Mysore and handed over to the Secretary at the Exhibition Store room not later than 5th January 1906, with duplicate forms (Form B) duly filled up.
4. The Secretary will give back one list duly signed with the registered number of the exhibitor.
5. Exhibitors may, at their discretion, deliver the exhibits to the Amildar of the Taluk in which they are, or to the President of the District Committee, with the duplicate lists mentioned above. Or they may send exhibits by Railway "Parcel" or "Goods."
6. Articles of indigenous art or manufacture as well as natural, mineral, or agricultural products of the Mysore Province, will be accepted for the Exhibition.
- Implements or machines of foreign manufacture likely to promote or develop local industries, in the opinion of the Exhibition Committee, will also be accepted, but will not be entitled to any prizes.
7. Explosives, or any substances noxious or dangerous, will not be accepted.
8. Exhibitors should refer to the printed list of groups and sections into which it is intended to divide the exhibits. This list is not, however, exhaustive and articles not mentioned in the above list will also be accepted.
9. Exhibitors should mention in their application whether they intend to practically illustrate the process of their manufacture, and if so, what special facilities or accommodation for the display of such machines or contrivances, are necessary and with all other particulars.
10. Such facilities will be supplied by the Committee if *there be* sufficient demand, on such term as may be agreed upon.
11. The Secretary will inform the applicants whether they are registered as exhibitors and their registered number.
12. Each registered exhibitor will be allowed a space ten feet by ten feet *free of cost*, but any additional covered space can be obtained on special application, and on such terms as may be agreed upon.
13. Exhibitors may obtain on such special terms as may be agreed upon, open space for the Exhibition or practical demonstration of any machinery, etc. They will be allowed to construct at their own expense the necessary structures, according to plans approved of by the Exhibition Committee.
14. Exhibitors who send their exhibits by Railway direct, must affix a label on the top of each package containing the name and number of the exhibitor and addressed to the "Secretary, Exhibition Committee, Mysore."
15. Inside each package, there should be a list, in duplicate, containing the following particulars as mentioned on a label to be attached to each exhibit:—
 1. Section and group.
 2. Name and description of the article.
 3. Price.
 4. The place of production or manufacture.
 5. Name of exhibitor or manufacturer.
 6. Whether the article is for sale or not.
16. On the receipt of the packages, the lists in them will be compared with the list previously sent as per para two of these Rules and a receipt sent or given to the exhibitor for the articles found in good condition or safe.
17. Every facility will be afforded to the exhibitors or their agents in connection with the transport, display, sale and care of their exhibits.
18. Exhibitors should bear all expenses incidental to the transport, delivery and taking away of goods exhibited after the Exhibition is over. Packages sent "Unpaid" will not be received.

19. Exhibitors requiring any *special* arrangement or construction in the *Pandal* such as stands, cases, tables and shelves, etc., etc., have themselves to arrange for these things and *at their own cost*, and in accordance with plans approved of by the Exhibition Officers.

20. Exhibitors of live-stock should write to the Secretary at least fifteen days before the arrival of the live-stock, what arrangements they would wish to be made for the feeding, etc., of the animals. Such arrangements will be made at the cost of the applicants except straw which will be supplied *free of cost* for a week from 29th January to 5th February 1906, during which the live-stock will be in Mysore. The Deputy Commissioner will be careful in sending or selecting only such animals as are worth exhibiting. Watering conveniences will be provided by the Exhibition Committee *free of cost*. Dangerous and diseased animals will not be admitted.

21. Such assistants, servants, or other attendants as are necessary for the exhibitor at his stall for service, will be allowed *free* on permits or passes issued by the *Secretary*. Such persons will have to obey the orders of the Exhibition authorities and their staff in the performance of their duties.

22. Every reasonable precaution will be taken to guard the Exhibition premises and secure the safety of the exhibits. The Exhibition authorities will not, however, hold themselves liable for any damage or loss, however caused.

23. Valuable exhibits such as jewelry, gold and silver plate—must be sent in charge of an attendant.

24. Articles intended for sale may be sold during the Exhibition and arrangements will be made for registering the names of purchasers and receiving money from them. Such sold articles, save perishable articles, cannot be removed from the Exhibition grounds without the special written permission of the Secretary during the Exhibition.

25. Within ten days from the date of the close of the Exhibition, exhibitors must remove their articles, failing which the articles will be removed and stored at the risk and expense of the owners and handed over to them on payment of all such charges and expenses incidental to removal and storage.

26. The Exhibition authorities reserve to themselves, the right to remove the exhibits of any person who does not conform to these Regulations.

27. Articles exhibited cannot be copied, photographed, drawn or reproduced in any manner without the special permission of the exhibitor or Exhibition Committee. General photographs can, however, be taken with the permission of the Committee.

28. Gentlemen desirous of sending exhibits for the Loan section, should write to the Secretary to say so, giving all the necessary particulars about their exhibits. The Secretary will then inform them of the acceptance of their offer and make the necessary arrangements with them in regard to the Exhibition of such articles.

29. All persons who become exhibitors, shall, by doing so, be held to signify their assent to and acceptance of the above Rules and such as may hereafter be passed by the Committee whose decision will be final.

All communications to be addressed to the Secretary, Exhibition Committee, Mysore.

A. ANANDA RAO,
Secretary.

C. MADIAH,
President.

POLICE ARRANGEMENTS FOR THE ROYAL VISIT.

5th February 1906.

ARRIVAL.

Their Royal Highnesses the Prince and Princess of Wales will arrive at the City Station at 8-30 A.M. The general public will not be admitted on the platform of the Railway Station. Admittance to the station will be by ticket only, which should be procured from the 1st Assistant Resident.

Ticket-holders will approach the Railway Station by the underbridge, and will have to show their tickets to a Chief Constable of the City Police, who will be posted at the cross roads near the Silledar Lines.

The route of the procession will be by the north of the Dharmambudi Tank, past the Silledar Lines and the Race Course and on to the Residency by the main entrance, crossing Avenue Road at the Ookad. The roads from the City will be closed to wheeled traffic at (i) the cross roads in Avenue Road near the Jail, (ii) at the cross roads near the Silledar Lines and (iii) on the north and south bunds of the Dharmambudi Tank, from 7-30 a.m. till the Royal Procession has passed. Carriages from the City side will be parked near the Jail, and on the Annayamma Temple Road near the Silledar Lines. The Race Course Road from below the Grand Stand will also be closed to wheeled traffic (except ticket-holders) from 7-30 A.M.

Arrangements have been made to admit those who wish to see the procession on to the Race Course. Carriages will be parked in the paddocks on the north of Race Course Road, and the route from the Grand Stand to the Residency will be closed to wheeled traffic from 8-15 A.M.

UNVEILING THE QUEEN'S STATUE.

At 4-30 P.M., Their Royal Highnesses will proceed to the Victoria Statue via Cubbon Road and Ice House Road: wheeled traffic on the west end of Cubbon Road, Ice House Road, and Sydney Road will be closed at 3-30 P.M. Wheeled traffic from the City side will be stopped (i) at the cross roads near the New Revenue Survey Office, and (ii) at the Ookad at the cross roads on the Sampangi Tank Road near the Museum, at 3-30 P.M.

After that hour all carriages approaching from the High Ground should drive round by Infantry and Cunningham Roads and thence across the Maidan to St. Mark's Church. Carriages from other parts of the station are to drive straight to St. Mark's Church via South Parade and St. Mark's Road. Carriages coming from the City side will have to take the Avenue Road to the High Ground, and then round by Infantry and Cunningham Roads, across the Maidan to St. Mark's Church; or take the road along the Sampangi Tank bund, and past the United Service Club, to St. Mark's Church. Up to 3-30 P.M., carriages from the City side will be allowed to drive up to the Government Offices in the Cubbon Park, near which they will be parked.

These will be the only approaches allowed for carriages after 3-30 P.M.

Occupants will alight at the north-west gate of St. Mark's Church and walk across to the enclosures, holders of pink tickets to the right, and blue, yellow and green tickets to the left enclosures. Nobody without a ticket will be allowed to cross the road near the Police Station, or be allowed in any of the enclosures.

Foot traffic will be allowed up to 4-15 P.M., on the line of route or Sydney Road but after that hour the roads must be kept clear.

All private carriages will be parked in St. Mark's Church compound, hackney carriages in Band Promenade Road and the Bowring Institute compound.

The general public are requested to make their own arrangements for finding their carriages after the departure of the Royal Party.

After the ceremony Their Royal Highnesses and Suite will drive to the Lal-Bagh, the route being—through Cubbon Park, past the Sheshadri Memorial Hall and Survey Office to the Yelhanka Gate, then through the City and Fort, and Mavahalli village. The general public will not be admitted to the Lal-Bagh this day.

The route of the return drive will be—by the Mission Road, past the Cenotaph, Maternity Hospital and Survey Office, and on to the Residency by the Cubbon Park entrance.

The above two routes throughout their entire length will be closed to wheeled traffic, and access to them will be blocked at all cross roads and lanes from 4 p.m. to the time when the Royal procession returns to the Residency.

BANQUET AND RECEPTION.

At 8 P. M. there will be a Banquet followed by a Reception at the Residency. Guests will enter the Residency by the main gate, and are particularly requested to bring their invitation cards with them.

6th February 1906.

MORNING DRIVE.

At 8 A.M. His Royal Highness will ride from the Residency to the Parade Ground, where he will present the Carabiniers with a new standard.

Her Royal Highness the Princess of Wales will drive to the Parade Ground.

After the presentation ceremony Their Royal Highnesses will drive to the Station Hospital.

The route taken will be Cubbon Road, East Parade, Trinity Road, past the Carabinier Sergeants' Mess to the Station Hospital, the return drive being round the Barracks down Trinity Road and South Parade, through the Cubbon Park, past the Mysore Government Offices and in at the Cubbon Park entrance of the Residency.

All wheeled traffic on this route will be stopped from 7-30 A.M. till after Their Royal Highnesses' carriages have passed. Carriages may be allowed to park on the Maidan bordering the Ride and on the grass on the north side of Cubbon Road, but no carriage will be allowed to stand on the side of the route.

GARDEN PARTY.

At 4-30 P.M. there will be a Garden Party at the Residency. Guests are particularly requested to bring their invitation cards with them.

Entrance to the Residency grounds will be by the main gate only.

7th February 1906.

Their Royal Highnesses will leave from the City Station at 10-30 A.M., the departure being private.

The public will not be admitted on the platform. The route from the Residency to the Station will be closed from 10 A.M. until after Their Royal Highnesses have passed.

N. B.—The general public are requested to assist the Police to enable them to carry out these arrangements satisfactorily.

GOVT. OF H. H. THE MAHARAJA OF MYSORE, GENL. AND REV. SECRETARIAT,
Dated Bangalore, 5th January 1906.

By Order,
B. K. VENKATA VARADA IYENGAR,
Secy. to Govt., Gen. & Rev. Dept.

BEFORE THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.

Appeal No. 9 of 1905-06.

Appellant
Boregowda, son of Boregowda of
Sambunahalli village, French Rocks Sub-Taluk

Versus

Respondent
Marigowda, son of
Chikkegowda.

Subject.

Appeal against the order of the Deputy Commissioner of the Mysore District, directing the registry of the pateli baraward of Sambunahalli village in the French Rocks Sub-Taluk, in the name of the respondent.

The facts of the case appear sufficiently from the following :—

Decision.

One Chennegowda and Boregowda were brothers. The pateli of the village in question appears to have originally stood in their joint names while the duties thereof were being performed by one Chikkegowda, the son of the former. Chennegowda was the first to die. Chikkegowda and Boregowda next died about the same time, that is, in the year 1877-78. The respondent Marigowda, the son of Chikkegowda, has since been in sole possession and enjoyment of the office. Appellant Boregowda is the son of the joint barawardar Boregowda. He was a minor when his father died. But he preferred no claim to the office for some fourteen years after the attainment by him of his majority. Neither he nor his father was thus ever in possession. In 1902, the respondent applied that, as he was a sickly person, the office might be transferred to a son of his named Bora. This led to an enquiry in the course of which the appellant for the first time set up a title of his own on the ground of his father having once been a joint barawardar. The Deputy Commissioner declined to recognise this title, nor did he consider a transfer from the respondent to his son really called for. The office has thus been formally registered in the name of the respondent who, as already observed, has held it continuously and without interruption for nearly thirty years past. The appellant is only a hissedar, being a member of the younger branch of the family. He cannot successfully claim possession either jointly with the respondent or to his exclusion. The village moreover is too small for two patels. Nor, again, do the circumstances of the case warrant an arrangement involving retatory performance of the duties of the office by both the parties. For these reasons, Government have no hesitation in holding that the Deputy Commissioner has arrived at a correct decision and that there are no grounds for any interference therewith.

The appeal fails and is accordingly rejected.

No. R. 9081—R. M. 749-04-4, dated 3rd January 1906.

Copy of the above is forwarded to the Deputy Commissioner of the Mysore District, together with the records received with his letter No. 37, dated the 12th July 1905.

Appeal No. 35 of 1905-06.

Appellant
Lakshmegowda

Versus

Respondent
Huthegowda.

Subject.

Claim to the pateli office (Municipal Section) of Kasaba Nagamangala.

The facts of the case appear sufficiently from the following decision :—

Decision.

The parties appear to belong to the same family, the respondent being the grandson of the first and the appellant, the grandson of the second, sons of a common ancestor by name Mudde Gowda. The appellant's grandfather Kempe Gowda held the office of patel of Nagamangala from 1867 to 1874, when on his death he was succeeded by one of his sons, Lakshmana, with the consent of his other son Mudda. On Lakshmana's demise in 1884 his son, the present appellant, was appointed to the office in 1884. Owing to the appellant's minority his uncle, the above named Mudda, was first appointed his gumasta, and on the latter's death and shortly after the gumastaship was conferred on the respondent who, both then and on several subsequent occasions, the last being in 1893, agreed to hold the office on behalf of the appellant and to surrender the same to him on his attaining majority. The appellant having recently ceased to be a minor claimed possession of the office from the respondent. The latter, however, resisted the claim on the ground that being a descendant of the elder branch of the family, he could not be superseded in favor of the appellant who belonged to the junior branch of it. He further contended that in any case, the village being a large one, he should be left in undisturbed possession of a portion of the pateli duties appertaining thereto, namely the Municipal and cattle-pound sections thereof. The Sub-Division Officer rejected the respondent's contention and directed that the pateli should revert *in toto* to the appellant who was the barawardar while the respondent was only his gumasta. In appeal, the Deputy Commissioner while recognizing the appellant's title, held that the village was too big a charge for a single individual and that therefore the respondent's alternative contention should be allowed. Hence this appeal.

2. Government are of opinion that the order made by the Deputy Commissioner is erroneous and unsustainable. It is now unnecessary to go into the question why in the remote past, the office came to be held by the members of the younger branch in preference to those of the

elder. Suffice it to say that there is absolutely no justification for the reversal of an arrangement which has, existed without interruption for some forty years past. The respondent's change of front cannot be countenanced. Admittedly he got in as the appellant's gumasta on the distinct understanding that he would vacate as soon as the appellant ceased to be under a disability. So recently as 1893, he deposed in unequivocal language that he was prepared to abide by the terms of his original appointment. That being so, his present attitude is most unreasonable. To all intents and purposes the village is a single charge. The respondent is bound to give it up to the appellant on whose behalf he has held it for some years. Whether administrative necessities demand the making of a separate arrangement for the more satisfactory performance of the Municipal portion of the pateli duties is a question which has to be dealt with independently of the present litigation which merely involves the transfer of the office from the gumasta to his principal. The Deputy Commissioner has laid some stress on the fact of the respondent's long possession, but he has evidently overlooked the circumstance that that possession was permissive and not hostile. Government see no reason why the appellant who is no longer under a disqualification should be kept out of the whole or any portion of his rights at the instance, and for the benefit of the respondent.

3. For the above reasons, the Deputy Commissioner's order is set aside and that of the Sub-Division Officer restored.

No. R. 9012—R. M. 811-04-4, dated 30th December 1905.

Copy of the above is forwarded to the Deputy Commissioner, Mysore District, together with the records received with his letter No. 262, dated the 31st August 1905.

Appeal No. 136 of 1904-05.

Appellant. Anneppa.

Subject.

Appeal against the order of the Deputy Commissioner of the Mysore District, affirming that of the Assistant Commissioner (Jamabandi Officer) directing the levy of full assessment from the appellant for the period he has been cultivating magi No. 205 of Badanavalu village in the Nanjangud Taluk claimed by him as his Inam land but included into the tank bed and classed as kharab at the time of the settlement.

Decision.

The facts of the case are very simple. Magi No. 205 was a wet land which, along with certain dry lands, was at the Inam Settlement confirmed on a consolidated quit-rent of Rs. 13 to one Subhadra Bayi and Yamana Bayi whom the appellant Anneppa now represents. At the Survey Settlement which took place in 1900, this land (wet portion of the inam) was treated as kharab and included in the bed of the Narsambudhi tank to the whole of which was given a single survey number namely 376. The appellant was evidently not a consenting party to this inclusion notwithstanding which he continued to cultivate and enjoy the land until 1902-03 when, on a report made to him by the Taluk authorities, the Jamabandi Officer directed the levy of full temporary assessment from the occupant pending final orders on the question of his right to hold the land free of assessment in spite of its situation with reference to the tank. The Deputy Commissioner, to whom an appeal was preferred, declined to interfere on the ground that the appellant ought not to have cultivated the land without previous permission in that behalf. Hence this appeal. It may be noted that the enforced levy continues regardless of the appellant's protest.

2. There can be no doubt that the title recognized by the Inam Settlement continues in force and that the mere inclusion of the land in the tank bed at the subsequent Survey Settlement does not convert an authorized and rightful possession into an unauthorized and wrongful one. If in the interests of the tank, any interference with vested private rights is deemed desirable, the proper course for Government to adopt is to buy up those rights in the manner prescribed by law so long as no such acquisition is made the appellant is entitled to enjoy the land by payment of quit rent with such khalsat for the excess, if any, as might be imposed under standing orders. He can neither be summarily dispossessed nor prevented from cultivating the land, nor compelled to pay any assessment over and above the quit-rent and khalsat due under the title deed and Khalsat Rules. He has thus a valid grievance.

3. The orders of the Assistant Commissioner and Deputy Commissioner will therefore be reversed and the appellant's possession under the title deed directed to be left undisturbed until he is bought out and evicted in accordance with law. The assessment which he was under no legal obligation to pay and which nevertheless was recovered from him, by way apparently of fine, should be refunded to him.

No. R. 8952-3—R. M. 423-04-7, dated 30th December 1905.

Copies of the above are forwarded to (1) the Survey Commissioner in Mysore, with reference to his letter No. 45, dated the 3rd October 1905, and (2) to the Deputy Commissioner, Mysore District, together with the records received with his letter No. 1003, dated the 8th May 1905.

POLICE ARRANGEMENTS FOR THE ROYAL VISIT.

5th February 1906.

ARRIVAL.

Their Royal Highnesses the Prince and Princess of Wales will arrive at the City Station at 8-30 A.M. The general public will not be admitted on the platform of the Railway Station. Admittance to the station will be by ticket only, which should be procured from the 1st Assistant Resident.

Ticket-holders will approach the Railway Station by the underbridge, and will have to show their tickets to a Chief Constable of the City Police, who will be posted at the cross roads near the Silledar Lines.

The route of the procession will be by the north of the Dharmambudi Tank, past the Silledar Lines and the Race Course and on to the Residency by the main entrance, crossing Avenue Road at the Ookad. The roads from the City will be closed to wheeled traffic at (i) the cross roads in Avenue Road near the Jail, (ii) at the cross roads near the Silledar Lines and (iii) on the north and south bunds of the Dharmambudi Tank, from 7-30 a.m. till the Royal Procession has passed. Carriages from the City side will be parked near the Jail, and on the Annyamma Temple Road near the Silledar Lines. The Race Course Road from below the Grand Stand will also be closed to wheeled traffic (except ticket-holders) from 7-30 A.M.

Arrangements have been made to admit those who wish to see the procession on to the Race Course. Carriages will be parked in the paddocks on the north of Race Course Road, and the route from the Grand Stand to the Residency will be closed to wheeled traffic from 8-15 A.M.

UNVEILING THE QUEEN'S STATUE.

At 4-30 P.M., Their Royal Highnesses will proceed to the Victoria Statue *via* Cubbon Road and Ice House Road: wheeled traffic on the west end of Cubbon Road, Ice House Road, and Sydney Road will be closed at 3-30 P.M. Wheeled traffic from the City side will be stopped (i) at the cross roads near the New Revenue Survey Office, and (ii) at the Ookad at the cross roads on the Sampangi Tank Road near the Museum, at 3-30 P.M.

After that hour all carriages approaching from the High Ground should drive round by Infantry and Cunningham Roads and thence across the Maidan to St. Mark's Church. Carriages from other parts of the station are to drive straight to St. Mark's Church *via* South Parade and St. Mark's Road. Carriages coming from the City side will have to take the Avenue Road to the High Ground, and then round by Infantry and Cunningham Roads across the Maidan to St. Mark's Church; or take the road along the Sampangi Tank bund, and past the United Sevice Club, to St. Mark's Church. Up to 3-30 P.M., carriages from the City side will be allowed to drive up to the Government Offices in the Cubbon Park, near which they will be parked.

These will be the only approaches allowed for carriages after 3-30 P.M.

Occupants will alight at the north-west gate of St. Mark's Church and walk across to the enclosures, holders of pink tickets to the right, and blue, yellow and green tickets to the left enclosures. Nobody without a ticket will be allowed to cross the road near the Police Station, or be allowed in any of the enclosures.

Foot traffic will be allowed up to 4-15 P.M., on the line of route or Sydney Road but after that hour the roads must be kept clear.

All *private* carriages will be parked in St. Mark's Church compound, hackney carriages in Band Promenade Road and the Bowring Institute compound.

The general public are requested to make their own arrangements for finding their carriages after the departure of the Royal Party.

After the ceremony Their Royal Highnesses and Suite will drive to the Lal-Bagh, the route being—through Cubbon Park, past the Sheshadri Memorial Hall and Survey Office to the Yelhanka Gate, then through the City and Fort, and Mavahalli village. The general public will not be admitted to the Lal-Bagh this day.

The route of the return drive will be—by the Mission Road, past the Cenotaph, Maternity Hospital and Survey Office, and on to the Residency by the Cubbon Park entrance.

The above two routes throughout their entire length will be closed to wheeled traffic, and access to them will be blocked at all cross roads and lanes from 4 p.m. to the time when the Royal procession returns to the Residency.

BANQUET AND RECEPTION.

At 8 P. M. there will be a Banquet followed by a Reception at the Residency. Guests will enter the Residency by the main gate, and are particularly requested to bring their invitation cards with them.

6th February 1906.

MORNING DRIVE.

At 8 A.M. His Royal Highness will ride from the Residency to the Parade Ground, where he will present the Carabiniers with a new standard.

Her Royal Highness the Princess of Wales will drive to the Parade Ground.

After the presentation ceremony Their Royal Highnesses will drive to the Station Hospital.

The route taken will be Cubbon Road, East Parade, Trinity Road, past the Carabinier Sergeants' Mess to the Station Hospital, the return drive being round the Barracks down Trinity Road and South Parade, through the Cubbon Park, past the Mysore Government Offices and in at the Cubbon Park entrance of the Residency.

All wheeled traffic on this route will be stopped from 7-30 A.M. till after Their Royal Highnesses' carriages have passed. Carriages may be allowed to park on the Maidan bordering the Ride and on the grass on the north side of Cubbon Road, but no carriage will be allowed to stand on the side of the route.

GARDEN PARTY.

At 4-30 P.M. there will be a Garden Party at the Residency. Guests are particularly requested to bring their invitation cards with them.

Entrance to the Residency grounds will be by the main gate only.

7th February 1906.

Their Royal Highnesses will leave from the City Station at 10-30 A.M., the departure being

The public will not be admitted on the platform. The route from the Residency to the Station will be closed from 10 A.M. until after Their Royal Highnesses have passed.

N. B.—The general public are requested to assist the Police to enable them to carry out these arrangements satisfactorily.

SHIMOGA.

8. Market well supplied, prices high.

9. Paddy in parts of Shikarpur and Sorab, ragi and cholum in Shikarpur and castor in Sorab are being harvested. Sugar-cane is being milled in Shimoga, Shikarpur and Sorab. Arecanut is being gathered in Sorab, Sagar and Tirthahalli. The land is being prepared for a fresh crop in Shimoga and Tirthahalli. Standing crops, viz., Bengal gram in Shimoga and sugar-cane in Sagar are in good condition. The standing dry crops in Honnali and sugar-cane in Kumsi are withering. The following is the probable outturn of crops:—

Nagar Paddy	...	...	...	8 to 12 annas.
Kumsi do	...	...	...	4 do
Ragi and kulthi	...	...	...	12 do
Shikarpur Sugar-cane	...	...	...	8 do

10. Food stocks are reported to be sufficient for the present.

11. Public health good.

12. Insufficiency of water is felt in Shimoga, Shikarpur, Sorab and Kumsi, and insufficiency of fodder in Honnali, Shikarpur and Kumsi.

KADUR.

8. Market fairly supplied.

9. Land is being ploughed in parts of Mudgere and Yedahalli. Standing crops are in fairly good condition, coffee in Mudgere, Paddy, ragi and cardamom in parts of Mudgere, coffee and arecanut in Koppa, paddy in parts of Koppa, paddy, togari, kulthi and coffee in Tarikere, paddy and kulthi in Chikmagalur, ragi, kulthi, coriander, paddy and sugar-cane in Kadur, paddy, arecanut sugar-cane, coffee and cardamom in Yedahalli, and arecanut in parts of Sringeri are being harvested. The probable outturn is as follows:—

Tarikere	...	Standing crops	...	8 annas.
Yedahalli	...	Crops under harvest	...	8 "
Sringeri	...	Paddy and arecanut	...	12 "
Chikmagalur	...	Paddy and kulthi	...	8 "
Mudgere	...	Paddy and ragi	...	8 "
		Coffee and cardamom	...	12 "

Kadur	...	Coriander, kulthi, ragi, paddy, togari and cholum	...	6 "
-------	-----	---	-----	-----

10. Prospects of the season fair. Food stocks are available and sufficient for the present.

11. Public health generally good.

12. Cattle generally healthy. Water and fodder generally available.

CHITALDRUG.

8. Market well supplied.

9. Ragi, navane, sajji and paddy in Challakere, kulthi, togari in Hiriya, kulthi, hallar and togari in Holalkere, and cholum and navane in Harihar are being harvested. The yield is estimated as follows:—

Challakere	...	Harvest crops except paddy	...	4 annas.
		Paddy	...	2 to 4 do
Hiriya	...	Harvested crops	...	2 to 4 do
Holalkere	...	do	...	8 do
Harihar	...	do	...	2 to 6 do

10. Prospects of the season fair. Food stocks available.

11. Public health good.

12. Cattle healthy. Fodder is procurable in limited quantities.

BEFORE THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.

Review Application No. 5 of 1905-06.

Petitioner.—S. Shatagopa Iyengar, retired Head-quarter Inspector of Police, Bangalore.

Subject.

Prayer for the removal of the direction contained in Government Order No. 1606—P. F. 19-99, dated the 22nd February 1902, that the restoration to the petitioner of the Dharmadaya Inam land, Survey No. 84 of the Kogile village in the Bangalore Taluk, is subject to the condition that the deficient number of trees (111) on the Bangalore-Madras road is made good within the next six months.

Decision.

This is an application for a review of the Order of Government No. 1606-7—P. F. 19-99, dated the 22nd February 1902. The petitioner objects to the direction therein contained that the restoration of the Inam land in question to him is subject to "the condition that the deficient number of trees (111) is made good within the next six months." His contention is that under the terms of the Commissioner's Notification, dated 22nd July 1846, and of the order of 6th September 1865 granting the Inam, his obligation does not extend to a larger number of trees than 400. Government hold that this contention is entitled to prevail. The Notification of 1846 entitled the petitioner's father to an Inam of 12 pagodas for every 200 trees planted by him. He had planted 533 trees but the Deputy Superintendent recommended the grant to him of land assessed at only twenty-four pagodas "for 533 (trees) minus 133." This was sanctioned by the Chief Commissioner. The question is, not how many trees the grantee had actually planted but how many he was bound to plant and maintain. The latter was 400 and this number did, as a matter of fact, exist at the time of the Inam Settlement. The demand for an additional 111 trees so as to make up the 533, which existed at the time of the grant, was not justified by the Rules and could not consequently be properly enforced. This circumstance was lost sight of by Government when they authorized the restoration of the resumed Inam subject to the condition complained of. That condition is now removed and the order made absolute. The Deputy Commissioner's report shows that as many as 588 mature trees and thirty-seven plants are at present maintained by the petitioner. The petitioner's object then is clear that he is simply anxious that an additional obligation not in accordance with the terms of the grant should not attach to him and his descendants permanently for all time to come.

2. The grant was made up of eight kandis of land situate at Dyavasandra and four kandis at Kogile. The petitioner continues entitled to the whole of this extent. Under the Rules of 1874, some excess found in the lands of both villages was removed from his holding and otherwise disposed of. On the strength, however, of the subsequent Rules of 1891 as explained in Proceedings Nos. 2872-81—Cir. 28 and 16246-55—R. F. 295-92, dated the 19th May 1892 and 24th March 1893 respectively, certain other land was allotted to the petitioner under Proceedings No. 5130-2—R. F. 295-9, dated the 3rd December 1895, in lieu of the excess taken away from him in the Dyavasandra village. A similar treatment is now asked for by the petitioner and recommended by the Deputy Commissioner, in regard to the excess (Survey No. 82) in the village of Kogile. If under the Rules of 1891 and the explanatory orders of 1892 and 1893 the petitioner is entitled either to the grant of fresh land or to any other suitable relief, the Deputy Commissioner should submit definite proposals for the orders of Government in the Revenue Department.

Memo No. R. 9450—R. M. 455-04-5, dated 11th January 1906.

Copy of the above is forwarded to the Deputy Commissioner of the Bangalore District, together with the records received with his letter No. S. 251, dated the 11th September 1905, for needful reference and resubmission with the report called for.

Appeal No. 32 of 1905-06.

Appellant
Sreenivasiengar

Vs.

Respondent
1. Lingegowda (dead)
2. Ameer Sab.

Subject.

Appeal against the Mysore Deputy Commissioner's order cancelling the sale for arrears of revenue of Survey No. 71 of Lakshampur village, Akkihebbal hobli of the Krishnarajpete Taluk.

The facts of the case appear sufficiently from the following:—

Decision.

The land in question stood registered in the name of one Lingegowda. A default in the payment of its assessment having occurred, a notice of demand was issued on the 10th of March 1903. The Khatedar was reported to be dead. The notice was served on the person said to be in possession, namely the 2nd respondent Ameer Sab, who, however, repudiated his liability on the ground that he had sold off the occupancy to one Chowrabi. But the latter's tenant and

representative, Gaffur Saib, declined to meet the demand on the ground that the land was still in the enjoyment of 2nd respondent Ameer Sab. The endorsement made to this effect bears *inter alia* the attestation of "Khatedar Linga." As the arrear remained undischarged, the land was forfeited and ordered to be sold. The sale took place on the 21st November 1903, with the result that the appellant became the purchaser. The sale was duly confirmed on the 25th April 1904 and possession given to the appellant on the 26th August 1904. In the meantime, *i. e.*, several months subsequent to the date of the sale, the patel received the arrears from the 2nd respondent in two instalments on the 13th March 1904 and 12th April 1904, respectively. On the representation of the 2nd respondent made on the 5th August 1904, the Deputy Commissioner set aside the sale on the 12th December 1904. Hence this appeal.

2. Government are clearly of opinion that there were no sufficient grounds to justify the cancelment of the sale. The Deputy Commissioner's order is based on certain irregularities which were either non-existent or immaterial. There can be no doubt that though not entitled to a notice, the 2nd respondent did receive one long before the date of forfeiture and sale. He then contested his liability by alleging a sale in favor of a third party. His subsequent action was a complete reputation of that contention. His explanation that he declined to pay under the impression that the demand related to some other land which he had conveyed to Chowrabi, cannot be accepted as satisfactory and must be rejected as an afterthought. Having been given an opportunity of satisfying the demand and deliberately and under a false pretext failed to avail himself of it, it was not afterwards opened to him to turn round and assert that he was entitled to have the sale cancelled inasmuch as the patel had received the arrear from him shortly before the date of confirmation of the sale. The patel knew that the sale had been held in November 1903. The receipt of payment by him from the 2nd respondent partly in March and partly in April following, was a wholly unauthorized proceeding which could not be relied upon as helping the 2nd respondent's case in any way. The objections taken to the sale were none of them worth serious consideration. The khist payable in February 1903 fell into arrears and the notice was issued in March 1903. The non-mention of the year after the month of default was too trifling an omission to merit any serious notice. The same remark applies to the omission of the date of service and the enjoyer's name in the patel's endorsement under the notice. The person "Khatedar Lingegowda" whose attestation appears under Gaffur Saheb's statement was presumably the deceased defaulting occupant's son and namesake. The genuineness of the statement is not disputed, and an unimportant and inadvertent misdescription of one of the attesting witnesses does not in any way affect the validity of the proceedings connected with the sale, when the 2nd respondent was not entitled to a notice of demand, much less was he entitled to have the sale proclamation served on him. The land being situate in a bechirakh village and the first sale having proved infructuous for want of bidders, the second sale impugned by the 2nd respondent was held in a populated village only a furlong or two from the first mentioned village. This surely was not so grave an irregularity as to warrant the cancelment of the sale. It is not seriously contended that there was a paucity of bidders in consequence of this change of *venue*. No importance deserves to be attached to the objection that the record makes no mention of the hours of the commencement and close of the sale. These observations dispose of nearly all the points urged in support of the Deputy Commissioner's order. There remains to be dealt with the single argument that the price realised at the sale was inadequate. This *per se* does not justify any interference with a sale held in accordance with law and long since confirmed and given effect to. In short, the sale was a perfectly valid transaction and the 2nd respondent has himself to thank for the loss of a land in which he seems to have had some interest which he could easily have protected if he had been so minded. His conduct disentitles him to any treatment of the kind shown to him by the Deputy Commissioner on grounds both insufficient and inadmissible.

3. Under these circumstances, the Deputy Commissioner's order will be reversed, and that of the Assistant Commissioner reaffirmed and restored.

Memo No. R. 9559—R. M. 766-04-4, dated Bangalore, the 13th January 1906.

Copy of the above is forwarded to the Deputy Commissioner of the Mysore District, together with the records received with his letter No. 337, dated the 19th September 1905.

Appeal No. 41 of 1905-06.

Appellant

vs.

Respondent

Tirumalachar, (son of Alasingrachar)
of Kaggere village, Kunigal Taluk.

Narayana Rao.

Subject.

Appeal against the order of the Deputy Commissioner of the Tumkur District, cancelling the sale held for the arrears of revenue of Survey No. 3—2 of Nademavinapura Anehanta, Kunigal Taluk.

The facts of the case appear sufficiently from the following :—

Decision.

The land in question stood registered in the name of one Alasingrachar. A default having occurred in the payment of the assessment due thereon the land was forfeited and brought

to sale after due notice to the defaulting occupant. Before the date of sale, however, the Taluk authorities ascertained, with reference to previous correspondence, that the respondent was interested in the continuance of the occupancy. They accordingly sent him a copy of the order of forfeiture and of the notification of sale. Before these could be returned, however, a sale was held with the result that the defaulter's son, the appellant, became the purchaser. Within a few days after the sale and long before action could be taken in regard to its confirmation, the respondent appeared before the Amildar and paid up the full amount of the arrears due. The Amildar was of opinion that the sale had been brought about by a fraud on the part of the defaulter and his son, and that the respondent had a valid grievance. The Deputy Commissioner accepted this opinion and refused to confirm the sale. Hence this appeal.

2. Admittedly the respondent had paid the kadayam of certain previous years. He had also, in May 1904, applied to have his name entered in the register maintained for the purpose under Rule 40 of the Rules under the Land Revenue Code (*vide* application produced before Government by the respondent). That application though duly stamped with the Court-fee of one rupee, was returned on the ground that it had not been accompanied by a fee of one rupee in cash. Whether this was correct or not, it is clear that the Taluk authorities knew that the respondent had an interest in the land and had paid its assessment in previous years. It was for this reason that they sent him certain processes. Having done so, they should have waited until the return of those processes, duly served. The sale was a suspicious transaction. It was not confirmed and given effect to. The appellant has no valid complaint. Government see no reason to interfere with the Deputy Commissioner's order appealed from.

3. Under these circumstances, Government direct that the appeal be rejected.

Memo No. R. 9482—R. M. 111-05-6, dated Bangalore, 12th January 1906.

Copy of the above is forwarded to the Deputy Commissioner of the Tumkur District, together with the records received with his letter No. 376, dated the 9th October 1905.

Respondent

Neelakantaiya (is dead) son
Yellappaiya.

Gali Hanumantaiya.

Subject.

Claim in respect of vacant Government land No. 149 of Kasba Kolar.

The facts of the case appear sufficiently from the following:—

Decision.

A piece of land belonging to the appellant was acquired in 1895 by payment of compensation and added on to the bed of the Kolar Amanikere tank. In 1903, the respondent applied for a portion of it on the ground that it was not actually within the water-spread of the tank. This allegation was on inspection ascertained to be a fact. There was thus nothing to prevent the land being duly assessed and granted for cultivation. In exercise of the discretion vested in him by Rule 41 of the Land Revenue Rules, the Deputy Commissioner granted the occupancy to the Respondent on payment of a price fixed by him. The appellant subsequently asked that the land be given to himself in preference to the respondent. This the Deputy Commissioner declined to do. Hence this appeal. Government are not prepared to hold that the Deputy Commissioner exercised his discretion so unjudiciously and arbitrarily as to call for their interference. The grant has already been given effect to. The appellant has no claim properly called. The Deputy Commissioner might have given him the first refusal or ordered a public sale, but he was not bound to do so. Government are not satisfied that sufficient grounds exist for the cancellation of a grant formally made and duly effectuated.

The appeal fails and is accordingly rejected.

Memo No. R. 9385—R. M. 232-05-2, dated Bangalore, 11th January 1906.

Copy of the above is forwarded to the Deputy Commissioner of the Kolar District, together with the records received with his letter No. 525-42, dated the 21st July 1905, to the address of the Revenue Commissioner.

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

(1) Letter No. 283, dated the 11th September 1905, from the District Magistrate of Hassan, to the Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Department:—

"1. I have the honor to state that on the night of the 3rd April 1905, Mr. A. R. Park of Batchanhalla estate, President of the Mysore Game and Fish Preservation Association in Manjarabad Taluk of this district, furnished information to the Hanbal Police Station that some persons were illegally fishing at the junction of the Waddanhalla stream near Handigoanahalli estate of the same taluk. Constable Dasi of the Hanbal Police Station at once proceeded to the spot and seized a creel, a woman's cloth and some fish and brought the same to the Police Station along with the accused persons, Krishna Gowda and four others. On the following day Police dafadar Shek Davood, who had by that time returned to the Police Station, went to the Waddanhalla stream, saw that two dams had been constructed across in the stream in the water of which he found some powdered root of "*Arakalberu*" presumed to be a poisonous substance which he secured and drew up a Mahazar regarding these particulars. The said dafadar after completing the investigation of the case lodged a formal complaint against the abovenamed accused persons before the Amildar and 2nd Class Magistrate of Manjarabad Taluk, charging them for contravention of Rule 4 of the Rules framed under the Mysore Game and Fish Preservation Regulation, II of 1901, being an offence punishable under Section 8 of the said Regulation.

2. The Amildar-Magistrate after examining the witnesses for the prosecution and after record of the statements of the accused 1 to 4, acquitted all of them under Section 245, Criminal Procedure Code, being of opinion that the acts of the accused did not constitute any contravention of the Rules framed under the Regulation.

3. It is apparent from the statements of the accused persons 1 to 3 that they admitted that on the night of the 3rd April 1905 they went to the Waddanhalla stream for the purpose of fishing, that the woman's cloth and the creel found in the river and seized by the Police belonged to the 3rd accused Subbegowda, that they had tied the woman's cloth across the stream and had fixed the creel in the river and that there were some ten or twelve fish in the creel. In the face of the prosecution evidence and such admissions of the accused 1 to 3, the Amildar-Magistrate concluded (1) that the action of the accused did not constitute any offence since the stream flowed from west to east joining the Hemavati River which ultimately joins the river Cauvery, (2) that the offence was not committed during the "close season;" (3) that fishing was not prohibited in the said Waddanhalla stream; and (4) that the flaked root called "*Arakalberu*" was not proved by any evidence of the prosecution to be a poisonous substance or that it was put into the water of the halla by the accused persons.

4. I may here point out that the basis of the prosecution was not that the accused persons were fishing during "close season" but that they were fishing by prohibited or illegal means. Hence the Amildar-Magistrate's findings on the 1st, 2nd and 3rd points were quite irrelevant to the case.

5. Although the Amildar-Magistrate held that the flakes of the root called "*Arakalberu*" were not proved by the prosecution to be poisonous substance to constitute a contravention of Rule 4, still he entirely overlooked the provision contained in the same Rule 4 framed under the Regulation, forbidding the capture or destruction of fish in any stream by "the setting of fixed engines," in which expression the construction of dams across the stream, tying of the woman's cloth across the stream, and fixing the creel against it so as to present its mouth to the current of the stream and thus to catch fish in it, must be presumed to be included. If so, whether such means of fishing be employed during "close season" or not, is quite immaterial and would equally amount to a contravention of Rule 4 punishable under Section 8 of the Regulation. The prosecution evidence and the admissions of the accused 1 to 3 clearly proved such contravention against them and the purport of the Police dafadar's written complaint presented to the Magistrate and his sworn statement thereon clearly included such contravention of Rule 4 which was particularly quoted by him in the written complaint.

6. From the foregoing it is apparent that the Amildar-Magistrate's finding that the accused persons had not committed any contravention of Rule 4 punishable under Section 8 of the Regulation, resulting in his order of acquittal of the accused persons under Section 245, Criminal Procedure Code, and return of the creel and the cloth to the 3rd accused, was illegal and arose out of a mistake or evasion of law.

7. Accordingly I made a reference to the Chief Court on the above facts under provision of Section 439, Criminal Procedure Code, submitting the entire records of the Case No. 98 of 1904-05 on the file of the Amildar and 2nd Class Magistrate of Manjarabad Taluk for orders, whereupon the Chief Judge in Criminal Revision Case No. 10 of 1905-06 on the file of the Chief Court of Mysore, passed the following order:—"The attention of the District Magistrate is drawn to the provisions of Sections 439 (5) and 417, Criminal Procedure Code. The remedy sought should be by way of appeal by Government, not by way of review."

8. I may point out that owing to the forested and very intersected nature of the mainad tracts of Manjarabad Taluk and as the villages in those parts are few and far between, the chances of detection of such illegal fishing by the villagers are very few, as the difficulty

of watching such extensive areas of intersected and unfrequented country is very great. And when a *prima facie* case had been made out against the accused persons both by the evidence of the prosecution witnesses and the admissions of the accused persons themselves, the effect of an acquittal of the accused persons by the Magistrate is calculated not only to embolden them to recklessly commit similar offences in future and thus defy the authority of law itself, but also to have no deterrent effect against other persons similarly disposed to commit such offences.

9. Hence it appears obvious to me that there has been a clear miscarriage of justice by an improper acquittal in this case which is one of sufficient importance calculated to affect subsequent prosecution in cases of this nature, as may be seen from a copy of the letter of the Honorary Secretary of the Mysore Game and Fish Preservation Association herewith forwarded.

10. In accordance with instructions conveyed in Government Proceedings No. J. 3354-63—C. 162-2, dated 22nd May 1905, calling attention to para 2 of the previous Government Proceedings No. Camp 2391-400, dated the 25th January 1888, I made a reference to the Government Advocate at Bangalore to favor me with his opinion as to the fitness of moving Government to sanction an appeal against the order of acquittal being preferred in this case to the Chief Court of Mysore under provision of Section 417, Criminal Procedure Code.

11. I herein enclose a copy of letter No. 46, dated 9th September 1905, this day received in reply from the Government Advocate, from which it may be seen that he is of opinion that the case is a fit one for appeal.

12. I therefore request that you will be so good as to obtain sanction of Government to instruct the Government Advocate to prefer an appeal to the Chief Court of Mysore under provision of Section 417, Criminal Procedure Code, against the order of acquittal of the accused persons under Section 245, Criminal Procedure Code, passed by the Amildar and 2nd Class Magistrate of Manjarabad Taluk.

13. The entire records of Criminal Case No. 98 of 1904-05 on the file of the Amildar and 2nd Class Magistrate of Manjarabad Taluk, together with a certified copy of his judgment, dated 31st May 1905, referred to in the concluding paragraph of the Government Advocate's letter No. 46, dated the 9th instant, are also herewith submitted for favor of forwardal to the Government Advocate, should Government accord sanction to preferring the appeal to the Chief Court of Mysore."

(2) Government Proceedings No. J. 988-9—C. 91-2, dated the 30th September 1905, instructing the Government Advocate to prefer an appeal to the Chief Court against the order of acquittal of the accused persons, passed by the Amildar-Magistrate of the Manjarabad Taluk in the said case.

(3) Correspondence ending with letter No. 120, dated the 12th December 1905, from the Government Advocate in Mysore, stating that the Chief Court in Criminal Appeal No. 90 of 1905-06, set aside the order of acquittal of three of the four accused persons and sentenced them to pay a fine of Rs. 2 each.

(4) The Judgment passed by the Chief Court in the above appeal:—

Thursday, the 23rd day of November 1905.

Respondents (accused 1, 2 and 3)

The Government of Mysore
by Mr. S. Narayana Rao,
Government Advocate.

1. Krishna Gowda.
2. Vasanta.
3. Subbe Gowda.

Appeal against the order of acquittal passed by the Amildar-Magistrate of Manjarabad Taluk in Criminal Case No. 98 of 1904-05.

This appeal coming on for hearing on Wednesday the 22nd day of November 1905, the Court pronounced the following—

Order.

* There is no proof that the accused placed the powder of the plant in water or that it is poisonous or otherwise deleterious. But the accused admit having fixed a basket for catching fish against the stream and lain watching near the place throughout the night. This comes under the prohibition against the setting of fixed engines for the capture or destruction of fish contained in Rule 4 (Notification 9007—Legis. 56, dated the 11th December 1901). We find the three accused persons, Krishna Gowda, Vasantha and Subbe Gowda, guilty under this provision and sentence them each to a fine of Rs. 2 under Section 8 of the Game and Fish Preservation Regulation.

No. J. 1882-91—Cts. 91-05-7, dated Bangalore, 9th January 1906.

ORDER THEREON.—Circulated among the Deputy Commissioners with a request that early and wide publicity be given to the judgment by circulars addressed to all patels and by *tom-tom* in the villages, as there is ground to believe that the mode of catching fish in the manner referred to in the judgment is practised generally by villagers and professional fishermen.

The same arrangements as regards traffic will be made as on the 31st January 1906. The route will be the same as the one taken to reach the camp.

All traffic will be closed on the route from **7 a.m.** till Their Royal Highnesses reach Government House.

CHURCH SERVICE.

At **6 p.m.** Their Royal Highnesses will attend Divine Service at the Mysore Church.

The route will be by the western gate along Church Road, and the return route will be along the Nazarbad and the Residency Roads. All traffic will be closed along the route from **5-30 p.m.** until Their Royal Highnesses return to Government House.

PRIVATE DEPARTURE.

No traffic will be allowed along the route from Government House to the Railway Station, after **9-30 p.m.**

The route to the Railway Station will be as follows:—

Leave the Government House by the west gate, drive along the Church Road, past the Church and the Yellandur Jahgirdar's House, enter the Curzon Park keeping the clock-tower to the right, join the Albert Road, turn to the north near the Memorial Fountain, proceed along the Sayaji Rao Road, turn into the Prince of Wales Road and drive to the Railway Station.

Inspector-General of Police in Mysore.

POLICE ARRANGEMENTS FOR THE ROYAL VISIT.

5th February 1906.

ARRIVAL.

Their Royal Highnesses the Prince and Princess of Wales will arrive at the City Station at 8-30 A.M. The general public will not be admitted on the platform of the Railway Station. Admittance to the station will be by ticket only, which should be procured from the 1st Assistant Resident.

Ticket-holders will approach the Railway Station by the underbridge, and will have to show their tickets to a Chief Constable of the City Police, who will be posted at the cross roads near the Silledar Lines.

The route of the procession will be by the north of the Dharmambudi Tank, past the Silledar Lines and the Race Course and on to the Residency by the main entrance, crossing Avenue Road at the Ookad. The roads from the City will be closed to wheeled traffic at (i) the cross roads in Avenue Road near the Jail, (ii) at the cross roads near the Silledar Lines and (iii) on the north and south bunds of the Dharmambudi Tank, from 7-30 a.m. till the Royal Procession has passed. Carriages from the City side will be parked near the Jail, and on the Annyamma Temple Road near the Silledar Lines. The Race Course Road from below the Grand Stand will also be closed to wheeled traffic (except ticket-holders) from 7-30 A.M.

Arrangements have been made to admit those who wish to see the procession on to the Race Course. Carriages will be parked in the paddocks on the north of Race Course Road, and the route from the Grand Stand to the Residency will be closed to wheeled traffic from 8-15 A.M.

UNVEILING THE QUEEN'S STATUE.

At 4-30 P.M., Their Royal Highnesses will proceed to the Victoria Statue via Cubbon Road and Ice House Road: wheeled traffic on the west end of Cubbon Road, Ice House Road, and Sydney Road will be closed at 3-30 P.M. Wheeled traffic from the City side will be stopped (i) at the cross roads near the New Revenue Survey Office, and (ii) at the Ookad at the cross roads on the Sampangi Tank Road near the Museum, at 3-30 P.M.

After that hour all carriages approaching from the High Ground should drive round by Infantry and Cunningham Roads and thence across the Maidan to St. Mark's Church. Carriages from other parts of the station are to drive straight to St. Mark's Church via South Parade and St. Mark's Road. Carriages coming from the City side will have to take the Avenue Road to the High Ground, and then round by Infantry and Cunningham Roads across the Maidan to St. Mark's Church; or take the road along the Sampangi Tank bund, and past the United Service Club, to St. Mark's Church. Up to 3-30 P.M., carriages from the City side will be allowed to drive up to the Government Offices in the Cubbon Park, near which they will be parked.

These will be the only approaches allowed for carriages after 3-30 P.M.

Occupants will alight at the north-west gate of St. Mark's Church and walk across to the enclosures, holders of pink tickets to the right, and blue, yellow and green tickets to the left enclosures. Nobody without a ticket will be allowed to cross the road near the Police Station, or be allowed in any of the enclosures.

Foot traffic will be allowed up to 4-15 P.M., on the line of route or Sydney Road but after that hour the roads must be kept clear.

All private carriages will be parked in St. Mark's Church compound, hackney carriages in Band Promenade Road and the Bowring Institute compound.

The general public are requested to make their own arrangements for finding their carriages after the departure of the Royal Party.

After the ceremony Their Royal Highnesses and Suite will drive to the Lal-Bagh, the route being—through Cubbon Park, past the Sheshadri Memorial Hall and Survey Office to the Yelhanka Gate, then through the City and Fort, and Mavahalli village. The general public will not be admitted to the Lal-Bagh this day.

The route of the return drive will be—by the Mission Road, past the Cenotaph, Maternity Hospital and Survey Office, and on to the Residency by the Cubbon Park entrance.

The above two routes throughout their entire length will be closed to wheeled traffic, and access to them will be blocked at all cross roads and lanes from 4 p.m. to the time when the Royal procession returns to the Residency.

BANQUET AND RECEPTION.

At 8 P. M. there will be a Banquet followed by a Reception at the Residency. Guests will enter the Residency by the main gate, and are particularly requested to bring their invitation cards with them.

459
6th February 1906.

MORNING DRIVE.

At 8 A.M. His Royal Highness will ride from the Residency to the Parade Ground, where he will present the Carabiniers with a new standard.

Her Royal Highness the Princess of Wales will drive to the Parade Ground.

After the presentation ceremony Their Royal Highnesses will drive to the Station Hospital.

The route taken will be Cubbon Road, East Parade, Trinity Road, past the Carabinier Sergeants' Mess to the Station Hospital, the return drive being round the Barracks down Trinity Road and South Parade, through the Cubbon Park, past the Mysore Government Offices and in at the Cubbon Park entrance of the Residency.

All wheeled traffic on this route will be stopped from 7-30 A.M. till after Their Royal Highnesses' carriages have passed. Carriages may be allowed to park on the Maidan bordering the Ride and on the grass on the north side of Cubbon Road, but no carriage will be allowed to stand on the side of the route.

GARDEN PARTY.

At 4-30 P.M. there will be a Garden Party at the Residency. Guests are particularly requested to bring their invitation cards with them.

Entrance to the Residency grounds will be by the main gate only.

7th February 1906.

Their Royal Highnesses will leave from the City Station at 10-30 A.M., the departure being private.

The public will not be admitted on the platform. The route from the Residency to the Station will be closed from 10 A.M. until after Their Royal Highnesses have passed.

N. B.—The general public are requested to assist the Police to enable them to carry out these arrangements satisfactorily.

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

(1) Letter No. 283, dated the 11th September 1905, from the District Magistrate of Hassan, to the Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Department:—

"1. I have the honor to state that on the night of the 3rd April 1905, Mr. A. R. Park of Batchanhalla estate, President of the Mysore Game and Fish Preservation Association in Manjarabad Taluk of this district, furnished information to the Hanbal Police Station that some persons were illegally fishing at the junction of the Waddanhalla stream near Handigoanahalli estate of the same taluk. Constable Dasi of the Hanbal Police Station at once proceeded to the spot and seized a creel, a woman's cloth and some fish and brought the same to the Police Station along with the accused persons, Krishna Gowda and four others. On the following day Police dafadar Shek Davood, who had by that time returned to the Police Station, went to the Waddanhalla stream, saw that two dams had been constructed across in the stream in the water of which he found some powdered root of "*Arakalberu*" presumed to be a poisonous substance which he secured and drew up a Mahazar regarding these particulars. The said dafadar after completing the investigation of the case lodged a formal complaint against the abovenamed accused persons before the Amildar and 2nd Class Magistrate of Manjarabad Taluk, charging them for contravention of Rule 4 of the Rules framed under the Mysore Game and Fish Preservation Regulation, II of 1901, being an offence punishable under Section 8 of the said Regulation.

2. The Amildar-Magistrate after examining the witnesses for the prosecution and after record of the statements of the accused 1 to 4, acquitted all of them under Section 245, Criminal Procedure Code, being of opinion that the acts of the accused did not constitute any contravention of the Rules framed under the Regulation.

3. It is apparent from the statements of the accused persons 1 to 3 that they admitted that on the night of the 3rd April 1905 they went to the Waddanhalla stream for the purpose of fishing, that the woman's cloth and the creel found in the river and seized by the Police belonged to the 3rd accused Subbegowda, that they had tied the woman's cloth across the stream and had fixed the creel in the river and that there were some ten or twelve fish in the creel. In the face of the prosecution evidence and such admissions of the accused 1 to 3, the Amildar-Magistrate concluded (1) that the action of the accused did not constitute any offence since the stream flowed from west to east joining the Hemavati River which ultimately joins the river Cauvery, (2) that the offence was not committed during the "close season;" (3) that fishing was not prohibited in the said Waddanhalla stream; and (4) that the flaked root called "*Arakalberu*" was not proved by any evidence of the prosecution to be a poisonous substance or that it was put into the water of the halla by the accused persons.

4. I may here point out that the basis of the prosecution was not that the accused persons were fishing during "close season" but that they were fishing by prohibited or illegal means. Hence the Amildar-Magistrate's findings on the 1st, 2nd and 3rd points were quite irrelevant to the case.

5. Although the Amildar-Magistrate held that the flakes of the root called "*Arakalberu*" were not proved by the prosecution to be poisonous substance to constitute a contravention of Rule 4, still he entirely overlooked the provision contained in the same Rule 4 framed under the Regulation, forbidding the capture or destruction of fish in any stream by "the setting of fixed engines," in which expression the construction of dams across the stream, tying of the woman's cloth across the stream, and fixing the creel against it so as to present its mouth to the current of the stream and thus to catch fish in it, must be presumed to be included. If so, whether such means of fishing be employed during "close season" or not, is quite immaterial and would equally amount to a contravention of Rule 4 punishable under Section 8 of the Regulation. The prosecution evidence and the admissions of the accused 1 to 3 clearly proved such contravention against them and the purport of the Police dafadar's written complaint presented to the Magistrate and his sworn statement thereon clearly included such contravention of Rule 4 which was particularly quoted by him in the written complaint.

6. From the foregoing it is apparent that the Amildar-Magistrate's finding that the accused persons had not committed any contravention of Rule 4 punishable under Section 8 of the Regulation, resulting in his order of acquittal of the accused persons under Section 245, Criminal Procedure Code, and return of the creel and the cloth to the 3rd accused, was illegal and arose out of a mistake or evasion of law.

7. Accordingly I made a reference to the Chief Court on the above facts under provision of Section 439, Criminal Procedure Code, submitting the entire records of the Case No. 98 of 1904-05 on the file of the Amildar and 2nd Class Magistrate of Manjarabad Taluk for orders, whereupon the Chief Judge in Criminal Revision Case No. 10 of 1905-06 on the file of the Chief Court of Mysore, passed the following order:—"The attention of the District Magistrate is drawn to the provisions of Sections 439 (5) and 417, Criminal Procedure Code. The remedy sought should be by way of appeal by Government, not by way of review."

8. I may point out that owing to the forested and very intersected nature of the malnad tracts of Manjarabad Taluk and as the villages in those parts are few and far between, the chances of detection of such illegal fishing by the villagers are very few, as the difficulty

of watching such extensive areas of intersected and unfrequented country is very great. And when a *prima facie* case had been made out against the accused persons both by the evidence of the prosecution witnesses and the admissions of the accused persons themselves, the effect of an acquittal of the accused persons by the Magistrate is calculated not only to embolden them to recklessly commit similar offences in future and thus defy the authority of law itself, but also to have no deterrent effect against other persons similarly disposed to commit such offences.

9. Hence it appears obvious to me that there has been a clear miscarriage of justice by an improper acquittal in this case which is one of sufficient importance calculated to affect subsequent prosecution in cases of this nature, as may be seen from a copy of the letter of the Honorary Secretary of the Mysore Game and Fish Preservation Association herewith forwarded.

10. In accordance with instructions conveyed in Government Proceedings No. J. 3354-63—C. 162-2, dated 22nd May 1905, calling attention to para 2 of the previous Government Proceedings No. Camp 2391-400, dated the 25th January 1888, I made a reference to the Government Advocate at Bangalore to favor me with his opinion as to the fitness of moving Government to sanction an appeal against the order of acquittal being preferred in this case to the Chief Court of Mysore under provision of Section 417, Criminal Procedure Code.

11. I herein enclose a copy of letter No. 46, dated 9th September 1905, this day received in reply from the Government Advocate, from which it may be seen that he is of opinion that the case is a fit one for appeal.

12. I therefore request that you will be so good as to obtain sanction of Government to instruct the Government Advocate to prefer an appeal to the Chief Court of Mysore under provision of Section 417, Criminal Procedure Code, against the order of acquittal of the accused persons under Section 245, Criminal Procedure Code, passed by the Amildar and 2nd Class Magistrate of Manjarabad Taluk.

13. The entire records of Criminal Case No. 98 of 1904-05 on the file of the Amildar and 2nd Class Magistrate of Manjarabad Taluk, together with a certified copy of his judgment, dated 31st May 1905, referred to in the concluding paragraph of the Government Advocate's letter No. 46, dated the 9th instant, are also herewith submitted for favor of forwardal to the Government Advocate, should Government accord sanction to preferring the appeal to the Chief Court of Mysore."

(2) Government Proceedings No. J. 988-9—C. 91-2, dated the 30th September 1905, instructing the Government Advocate to prefer an appeal to the Chief Court against the order of acquittal of the accused persons, passed by the Amildar-Magistrate of the Manjarabad Taluk in the said case.

(3) Correspondence ending with letter No. 120, dated the 12th December 1905, from the Government Advocate in Mysore, stating that the Chief Court in Criminal Appeal No. 90 of 1905-06, set aside the order of acquittal of three of the four accused persons and sentenced them to pay a fine of Rs. 2 each.

(4) The Judgment passed by the Chief Court in the above appeal:—

Thursday, the 23rd day of November 1905.

PRESENT.

Mr. Justice A. Rangasami Iyengar, Judge, and

Mr. Justice H. V. Nanjundayya, Judge.

Criminal Appeal No. 90 of 1905-06.

Appellant

Vs.

Respondents (accused 1, 2 and 3)

The Government of Mysore
by Mr. S. Narayana Rao,
Government Advocate.

1. Krishne Gowda.
2. Vasanta.
3. Subbe Gowda.

Appeal against the order of acquittal passed by the Amildar-Magistrate of Manjarabad Taluk in Criminal Case No. 98 of 1904-05.

This appeal coming on for hearing on Wednesday the 22nd day of November 1905, the Court pronounced the following—

Order.

* There is no proof that the accused placed the powder of the plant in water or that it is poisonous or otherwise deleterious. But the accused admit having fixed a basket for catching fish against the stream and lain watching near the place throughout the night. This comes under the prohibition against the setting of fixed engines for the capture or destruction of fish contained in Rule 4 (Notification 9007—Legis. 56, dated the 11th December 1901). We find the three accused persons, Krishne Gowda, Vasantha and Subbe Gowda, guilty under this provision and sentence them each to a fine of Rs. 2 under Section 8 of the Game and Fish Preservation Regulation.

No. J. 1882-91—Cts. 91-05-7, dated Bangalore, 9th January 1906.

ORDER THEREON.—Circulated among the Deputy Commissioners with a request that early and wide publicity be given to the judgment by circulars addressed to all patels and by *tom-tom* in the villages, as there is ground to believe that the mode of catching fish in the manner referred to in the judgment is practised generally by villagers and professional fishermen.

 The prices of the corresponding fortnight of last year were omitted to be shown in this statement owing to the closing of mardies on account of plague.
 Prices of food grains have risen partly to the absence of rain and partly by the exportation of food stuff to neighbouring towns.

8. Market well supplied.

9. The recent rains have enabled the raiyats to plough their lands. In Krishnarajpete sugar-cane is being sown in lands under channels. Standing dry crop are fair in Chamrajnagar, Malvalli, Mandya and Krishnarajpete; and good in Heggaddevankote, Hunsur and Naga-mangala. Paddy and sugar-cane under channels are also reported to be good. Togari, paddy, ballar, castor, Bengal gram and sugar-cane in parts of Chamrajnagar, paddy in parts of Seringapatam, paddy, kulthi, ballar and togari in parts of Hunsur, paddy and Bengal gram in parts of Malvalli and sugar-cane and ballar in parts of Krishnarajpete are being harvested. The probable outturn of crops is as follows:—

Hunsur	...	Paddy	...	8 annas.
		Kulthi less than	...	4 "
		Ballar	...	8 "
		Togari	...	12 "
Gundlupet	...	Bengal gram and togari	...	8 "
T.-Narsipur	...	Bengal gram, mulberry and sugar-cane.	...	4 to 12 annas.
Krishnarajpete	...	Ragi and paddy	...	8 to 12 "
		Togari	...	10 to 12 "
		Kulthi	...	6 to 8 "

10. Prospects of the season fair. Food stocks sufficient for the present.

11. Public health good. Small-pox still prevails in parts of Heggaddevankote.

12. Cattle healthy. Water and fodder are generally available except in parts of Heggaddevankote where water is getting scanty.

HASSAN.

8. Market fairly well supplied.

9. Sugar-cane, togari, etc., are being harvested in all parts and land is being ploughed. Vaisakhi paddy is sown in parts of Manjarabad. Sugar-cane, kadale, etc., in Hassan, Belur, Arsikere, Hole-Narsipur and Alur; kadale in Channarayapatna and Arkalgud are in a fairly good condition.

The following is the estimated outturn of crops:—

Hassan	...	Harvested crops	...	4 to 12 annas.
Manjarabad	...	Paddy and ragi	...	8 to 10 "
Arsikere	...	Kadale	...	2 to 4 "
Hole-Narsipur	...	Avare, togari, etc.	...	3 to 10 "

10. Fair. Food stocks sufficient for the present.

11. Generally good. Small-pox is reported to be prevalent in parts of Hassan, Channarayapatna and Arkalgud Taluks.

12. Cattle generally healthy. Fodder and water available generally except in parts of Arsikere where some difficulty is felt for want of fodder and water.

SHIMOGA.

8. Market is well supplied, but prices are high.

9. Paddy in the Shimoga Taluk including the Kumsi Sub-Taluk, and Channagiri, Shikarpur, Sorab, Sagar, Nagar and Tirthahalli Taluks. Ragi in the Shimoga, Channagiri, Honnali and Sorab Taluks, and in the Kumsi Sub-Taluk. Horse-gram in Shimoga, Channagiri and Honnali and in Kumsi; great-millet in Channagiri and Honnali; cow-gram, black-gram, green-gram, little-millet, little-panicle and italian millet in Honnali Taluk, and arecanut in the Sorab Taluk have been harvested. Sugar-cane is being milled in the Shimoga and Sorab Taluks. Arecanut is being gathered in Sagar and Tirthahalli; Bengal gram is ripe for harvest in Shimoga. The land is being ploughed and prepared for a fresh crop in Shimoga and Tirthahalli; the recent rains having facilitated it.

Standing crops, *viz.*, sugar-cane, cotton, Bengal-gram, great-millet and castor are in good condition.

10. Food stocks are reported to be sufficient for the present.

11. Public health good.

12. Insufficiency of water is being felt in Shimoga, Shikarpur and Sorab Taluks; and insufficiency of fodder is being felt in Honnali and Shikarpur Taluks and Kumsi Sub-Taluk.

KADUR.

8. Market fairly supplied.

9. Land is being ploughed in parts of Mudgere and Yedahalli. The standing crops are in fairly good condition. Paddy, kulthi and coriander in Chikmagalur, sugar-cane and Bengal gram in Kadur; coffee and arecanut in Mudgere; coffee, arecanut and sugar-cane in Koppa; and sugar-cane in Yedahalli, are being harvested. The probable outturn is as follows:—

Mudgere	Ragi and paddy	...	8 annas.
	Coffee and cardamom	...	12 "
Tarikere	Standing crop	...	8 "
Yedahalli	Paddy	...	8 "
Sringeri	Arecanut	...	10 "
	Paddy	...	12 "
Kadur	Paddy, ragi and kulthi	...	2 to 12
Chikmagalur	Paddy, kulthi and coriander	...	4 annas in the maidan.

10. Prospects fair. Food stocks are reported to be available and sufficient for the present.

11. Public health generally good.

12. Cattle generally healthy. Water and fodder generally available.

CHITALDRUG.

8. Market well supplied.

9. The standing crops such as sugar-cane, cotton, Bengal gram and paddy in Davangere, sugar-cane, Bengal gram, paddy and wheat in Molakalmuru, cholum (white), Bengal gram, wheat and cotton in Jagalur and kulthi, castor, chillies, Bengal gram, cholum (white) and paddy in Hosdurga are reported to be in fairly good condition. Ragi, navane, save and sajje in Challakere and togari, Bengal gram, ballar and paddy in Hiriur are under harvest. The following is the estimated outturn:—

Challakere	...	...	...	4 annas.
Hiriur	...	Paddy and other crop	...	2 to 4 annas.

10. Prospects of the season fair. Food stocks available.

11. Public health good.

12. Cattle healthy. Fodder is procurable in limited quantities.

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

(1) Letter No. 283, dated the 11th September 1905, from the District Magistrate of Hassan, to the Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Department:—

"1. I have the honor to state that on the night of the 3rd April 1905, Mr. A. R. Park of Batchanhalla estate, President of the Mysore Game and Fish Preservation Association in Manjarabad Taluk of this district, furnished information to the Hanbal Police Station that some persons were illegally fishing at the junction of the Waddanhalla stream near Handigoanahalli estate of the same taluk. Constable Dasi of the Hanbal Police Station at once proceeded to the spot and seized a creel, a woman's cloth and some fish and brought the same to the Police Station along with the accused persons, Krishne Gowda and four others. On the following day Police dafadar Shek Davood, who had by that time returned to the Police Station, went to the Waddanhalla stream, saw that two dams had been constructed across in the stream in the water of which he found some powdered root of "*Arakalberu*" presumed to be a poisonous substance which he secured and drew up a Mahazar regarding these particulars. The said dafadar after completing the investigation of the case lodged a formal complaint against the abovenamed accused persons before the Amildar and 2nd Class Magistrate of Manjarabad Taluk, charging them for contravention of Rule 4 of the Rules framed under the Mysore Game and Fish Preservation Regulation, II of 1901, being an offence punishable under Section 8 of the said Regulation.

2. The Amildar-Magistrate after examining the witnesses for the prosecution and after record of the statements of the accused 1 to 4, acquitted all of them under Section 245, Criminal Procedure Code, being of opinion that the acts of the accused did not constitute any contravention of the Rules framed under the Regulation.

3. It is apparent from the statements of the accused persons 1 to 3 that they admitted that on the night of the 3rd April 1905 they went to the Waddanhalla stream for the purpose of fishing, that the woman's cloth and the creel found in the river and seized by the Police belonged to the 3rd accused Subbegowda, that they had tied the woman's cloth across the stream and had fixed the creel in the river and that there were some ten or twelve fish in the creel. In the face of the prosecution evidence and such admissions of the accused 1 to 3, the Amildar-Magistrate concluded (1) that the action of the accused did not constitute any offence since the stream flowed from west to east joining the Hemavati River which ultimately joins the river Cauvery, (2) that the offence was not committed during the "close season;" (3) that fishing was not prohibited in the said Waddanhalla stream; and (4) that the flaked root called "*Arakalberu*" was not proved by any evidence of the prosecution to be a poisonous substance or that it was put into the water of the halla by the accused persons.

4. I may here point out that the basis of the prosecution was not that the accused persons were fishing during "close season" but that they were fishing by prohibited or illegal means. Hence the Amildar-Magistrate's findings on the 1st, 2nd and 3rd points were quite irrelevant to the case.

5. Although the Amildar-Magistrate held that the flakes of the root called "*Arakalberu*" were not proved by the prosecution to be poisonous substance to constitute a contravention of Rule 4, still he entirely overlooked the provision contained in the same Rule 4 framed under the Regulation, forbidding the capture or destruction of fish in any stream by "the setting of fixed engines," in which expression the construction of dams across the stream, tying of the woman's cloth across the stream, and fixing the creel against it so as to present its mouth to the current of the stream and thus to catch fish in it, must be presumed to be included. If so, whether such means of fishing be employed during "close season" or not, is quite immaterial and would equally amount to a contravention of Rule 4 punishable under Section 8 of the Regulation. The prosecution evidence and the admissions of the accused 1 to 3 clearly proved such contravention against them and the purport of the Police dafadar's written complaint presented to the Magistrate and his sworn statement thereon clearly included such contravention of Rule 4 which was particularly quoted by him in the written complaint.

6. From the foregoing it is apparent that the Amildar-Magistrate's finding that the accused persons had not committed any contravention of Rule 4 punishable under Section 8 of the Regulation, resulting in his order of acquittal of the accused persons under Section 245, Criminal Procedure Code, and return of the creel and the cloth to the 3rd accused, was illegal and arose out of a mistake or evasion of law.

7. Accordingly I made a reference to the Chief Court on the above facts under provision of Section 439, Criminal Procedure Code, submitting the entire records of the Case No 98 of 1904-05 on the file of the Amildar and 2nd Class Magistrate of Manjarabad Taluk for orders, whereupon the Chief Judge in Criminal Revision Case No. 10 of 1905-06 on the file of the Chief Court of Mysore, passed the following order:—"The attention of the District Magistrate is drawn to the provisions of Sections 439 (5) and 417, Criminal Procedure Code. The remedy sought should be by way of appeal by Government, not by way of review."

8. I may point out that owing to the forested and very intersected nature of the malnad tracts of Manjarabad Taluk and as the villages in those parts are few and far between, the chances of detection of such illegal fishing by the villagers are very few, as the difficulty

of watching such extensive areas of intersected and unfrequented country is very great. And when a *prima facie* case had been made out against the accused persons both by the evidence of the prosecution witnesses and the admissions of the accused persons themselves, the effect of an acquittal of the accused persons by the Magistrate is calculated not only to embolden them to recklessly commit similar offences in future and thus defy the authority of law itself, but also to have no deterrent effect against other persons similarly disposed to commit such offences.

9. Hence it appears obvious to me that there has been a clear miscarriage of justice by an improper acquittal in this case which is one of sufficient importance calculated to affect subsequent prosecution in cases of this nature, as may be seen from a copy of the letter of the Honorary Secretary of the Mysore Game and Fish Preservation Association herewith forwarded.

10. In accordance with instructions conveyed in Government Proceedings No. J. 3354-63—C. 162-2, dated 22nd May 1905, calling attention to para 2 of the previous Government Proceedings No. Camp 2391-400, dated the 25th January 1888, I made a reference to the Government Advocate at Bangalore to favor me with his opinion as to the fitness of moving Government to sanction an appeal against the order of acquittal being preferred in this case to the Chief Court of Mysore under provision of Section 417, Criminal Procedure Code.

11. I herein enclose a copy of letter No. 46, dated 9th September 1905, this day received in reply from the Government Advocate, from which it may be seen that he is of opinion that the case is a fit one for appeal.

12. I therefore request that you will be so good as to obtain sanction of Government to instruct the Government Advocate to prefer an appeal to the Chief Court of Mysore under provision of Section 417, Criminal Procedure Code, against the order of acquittal of the accused persons under Section 245, Criminal Procedure Code, passed by the Amildar and 2nd Class Magistrate of Manjarabad Taluk.

13. The entire records of Criminal Case No. 98 of 1904-05 on the file of the Amildar and 2nd Class Magistrate of Manjarabad Taluk, together with a certified copy of his judgment, dated 31st May 1905, referred to in the concluding paragraph of the Government Advocate's letter No. 46, dated the 9th instant, are also herewith submitted for favor of forwardal to the Government Advocate, should Government accord sanction to preferring the appeal to the Chief Court of Mysore."

(2) Government Proceedings No. J. 988-9—C. 91-2, dated the 30th September 1905, instructing the Government Advocate to prefer an appeal to the Chief Court against the order of acquittal of the accused persons, passed by the Amildar-Magistrate of the Manjarabad Taluk in the said case.

(3) Correspondence ending with letter No. 120, dated the 12th December 1905, from the Government Advocate in Mysore, stating that the Chief Court in Criminal Appeal No. 90 of 1905-06, set aside the order of acquittal of three of the four accused persons and sentenced them to pay a fine of Rs. 2 each.

(4) The Judgment passed by the Chief Court in the above appeal:—

Thursday, the 23rd day of November 1905.

PRESENT.

Mr. Justice A. Rangasami Iyengar, Judge, and

Mr. Justice H. V. Nanjundayya, Judge.

Criminal Appeal No. 90 of 1905-06.

Appellant

Vs.

Respondents (accused 1, 2 and 3)

The Government of Mysore
by Mr. S. Narayana Rao,
Government Advocate.

1. Krishne Gowda.
2. Vasanta.
3. Subbe Gowda.

Appeal against the order of acquittal passed by the Amildar-Magistrate of Manjarabad Taluk in Criminal Case No. 98 of 1904-05.

This appeal coming on for hearing on Wednesday the 22nd day of November 1905, the Court pronounced the following—

Order.

* There is no proof that the accused placed the powder of the plant in water or that it is poisonous or otherwise deleterious. But the accused admit having fixed a basket for catching fish against the stream and lain watching near the place throughout the night. This comes under the prohibition against the setting of fixed engines for the capture or destruction of fish contained in Rule 4 (Notification 9007—Legis. 56, dated the 11th December 1901). We find the three accused persons, Krishne Gowda, Vasantha and Subbe Gowda, guilty under this provision and sentence them each to a fine of Rs. 2 under Section 8 of the Game and Fish Preservation Regulation.

No. J. 1882-91—Cts. 91-05-7, dated Bangalore, 9th January 1906.

ORDER THEREON.—Circulated among the Deputy Commissioners with a request that early and wide publicity be given to the judgment by circulars addressed to all patels and by *tom-tom* in the villages, as there is ground to believe that the mode of catching fish in the manner referred to in the judgment is practised generally by villagers and professional fishermen.

BANGALORE CITY AND TALUKS.

8. Market well supplied.
9. In Bangalore sugar-cane has been harvested over an area of 5 acres. In Hoskote Vaisakhi paddy is still being sown in some parts, and the estimated outturn of ragi, ballar and kulthi is reported to be 8 annas in some parts and 2 to 6 in others. In Doddballapur first sown ragi crop is reported to vary from 10 to 12 annas, and the later sown from 6 to 8 annas, and the wet and sugar-cane crops from 5 to 6 annas and 6 to 8 annas, respectively. In Nelamangala ragi is being threshed out. In Kankanhalli sugar-cane has been harvested and being milled, and the dry crops are reported to yield an eight anna produce. In Magadi and Channapatna ragi is being threshed out. In Anekal sugar-cane has been harvested over an area of 4 acres and it is being milled in some parts. The standing crops of paddy and sugar-cane are reported to be in good condition. In Devanhalli sugar-cane is still being milled in some parts. In Closepet ragi and other crops are being harvested.
10. Prospects of the season moderate.
11. Public health generally good except in Devanhalli where fever is reported to prevail in some parts.
12. Cattle healthy. Water and fodder available.

KOLAR.

8. Market well supplied, but prices of food grains continue to be high.
9. Sugar-cane is being sown in Sidlaghatta, Bagepalli, Goribidnur and Srinivasapur, cholum in Bagepalli; and ragi, kulthi and paddy throughout the district are being harvested. Sugar-cane is being milled in almost all the taluks.
10. Prospects of the season moderate. Food stocks available.
11. Public health generally good.
12. Cattle healthy. Water and fodder are available. Fodder and pasture are becoming scanty in the northern part of Bagepalli Taluk.

TUMKUR.

8. Market well supplied.
9. Paddy in Tumkur, Maddagiri and Kunigal; Bengal gram in Chiknayakanhalli and Sira; sugar-cane in Maddagiri, Sira, Gubbi, Kunigal, Koratagere and Turuvekere; kulthi in Pavagada and Kunigal and castor in Pavagada, are being harvested. Paddy in Maddagiri, Pavagada, Koratagere and Turuvekere; and sugar-cane in Kunigal are being sown. Standing crops are reported to be in fair condition except in some parts of Turuvekere. In parts of

Koratagere, Kunigal and Turuvekere insects are damaging Bengal gram crop. The following is the estimated outturn of crops:—

Tumkur	...	Paddy	...	4 to 12 annas.
Maddagiri	...	Ragi	...	4 "
		Paddy	...	4 "
		Sugar-cane	...	8 "
Sira	..	Do	..	6 to 12 "
		Bengal gram	..	4 to 8 "
Gubbi	..	Ragi, ballar, togari and kulthi	...	4 to 6 "
Pavagada	...	Kulthi and castor	...	3 "
		Kulthi	...	4 "
Kunigal	...	Paddy	...	8 "
		Sugar-cane	...	12 "
Koratagere	...	Do	...	12 "
Turuvekere	...	Sugar-cane	..	4 to 8 "

10. Prospects of the season fair. Food stocks sufficient for the present.

11. Public health generally good except that small-pox prevails in parts of Tiptur.

12. Cattle healthy in parts of Sira, date leaves are used as fodder. In parts of Chiknayakanhalli, Sira, Gubbi, Tiptur and Pavagada water is drawn from wells for cattle to drink.

MYSORE.

8. Market well supplied.

9. Standing crops are reported to be fair in Chamrajnagar, Seringapatam, Malvalli and Krishnarajpete; and good in Hunsur and Nanjangud and Nagamangala. Lands under tanks in Krishnarajpete are being sown with sugar-cane. Togari, ballar and Bengal gram in parts of Chamrajnagar, togari and ballar in parts of Hunsur, paddy in parts of Malvalli and ballar and sugar-cane in parts of Krishnarajpete are being harvested. The probable outturn of crops during the week is as follows:—

Hunsur	...	Paddy	...	8 annas.
		Kulthi less than	...	4 "
		Ballar	...	8 "
		Togari	...	12 "
Gundlupet		Bengal gram and togari	...	8 "

		Paddy	...	12 "
		Togari	...	10 to 12 "
		Kulthi	...	6 to 8 "
Seringapatam	...	Paddy	...	12 "

10. Prospects of the season fair. Food stocks sufficient for the present.

11. Public health good.

12. Cattle healthy. Water and fodder are generally available except in parts of Nagamangala and Mandya, where water is getting scanty.

HASSAN.

8. Market fairly well supplied.

9. Land is being ploughed and Vaisakhi paddy sown for forming nurseries in parts of Manjarabad. Standing crops are reported to be in fairly good condition.

The following is the estimated outturn of crops:—

Hassan	...	Harvested crops	...	4 to 8 annas.
Arsikere	...	Bengal gram	...	4 "
Hole-Narsipur	...	Standing crops	...	8 to 10 "

10. Prospects fair. Food stocks sufficient for the present.

11. Public health generally good. Small-pox is reported to be prevalent in parts of Hassan, Manjarabad, Belur, Channarayapatna and Arkalgud Taluks.

12. Cattle generally healthy. Fodder and water available generally but in parts of Arsikere and Channarayapatna some difficulty is felt for want of fodder. Foot and mouth disease for cattle is reported from Bikkod hobli of Belur Taluk.

SHIMOGA.

8. Market well supplied.

9. Owing to the recent fall of rain raiyats have begun to plough lands in Shimoga, Sagar, Tirthahalli and Kumsi. Harvesting operations are nearly over. Sugar-cane is being harvested in the Sagar Taluk, and it is being milled elsewhere. Arecanut is being gathered in the Malnad Taluks. Sugar-cane is being planted in Kumsi; and Vaisakhi crops are coming up in Sagar. Of the standing crops, Bengal gram in Shimoga is in good condition and ripe for harvest. Sugar-cane is withering in Kumsi.

10. Food stocks are reported to be sufficient for the present.

11. Public health good.

12. Fodder is available in moderate quantity, but insufficiency of water is felt in Shimoga, Shikarpur, Sorab and Kumsi.

KADUR.

8. Market fairly supplied.

9. Ploughing is carried on in some parts of Mudgere and Yedahalli. The standing crops are in fairly good condition. Coffee, arecanut and sugar-cane in Koppa; coffee, cardamom and arecanut in Mudgere; ballar and Bengal gram in Tarikere; sugar-cane and garlic in Chikmagalur; kulthi and Bengal gram in Kadur; arecanut, cardamom and coffee in Yedahalli are being harvested. The probable outturn is as follows:—

Tarikere	... Standing crops	... 8 annas.
Kadur	... Paddy, ragi, kulthi and coriander	... 2 to 12
Chikmagalur	... Paddy, kulthi and coriander	... 4 annas in the maidan, and 8 annas in other parts.
Mudgere	... Paddy and ragi	... 8 annas
	... Coffee and cardamom	... 12 „

10. Prospects fair. Food stocks are available and sufficient for the present.

11. Public health generally good.

12. Cattle generally healthy, but foot and mouth disease are reported to prevail in parts of Kadur. Water and fodder generally available.

CHITALDRUG.

8. Market well supplied.

9. The standing crops such as sugar-cane, Bengal gram, cotton, castor, cholum (white) and wheat in Chitaldrug, Davangere and Molakalmuru, Bengal gram, cholum (white) and cotton in Holalkere, cholum (white), Bengal gram, paddy, castor and chillies in Hosdurga are reported to be in a fairly good condition. Castor, cotton and cholum (white) in Challakere and Bengal gram, cholum (white), cotton and wheat in Jagalur are reported to be fading. Paddy, wheat, navane and tobacco were sown in Molakalmuru. Togari in Molakalmuru, togari, cholum (white) and sugar-cane in Davangere were harvested. The following is estimated outturn:—

Hosdurga	..	... 8 to 10 annas.
Hiriyur	...	... 2 to 4 annas.

10. Prospects fair. Food stocks available.

11. Public health good.

12. Cattle healthy except in parts of Challakere and Holalkere where they are suffering from foot disease. Fodder is procurable in limited quantities.

Appeal No. 34 of 1905-06.

Appellants

A. Bhima Rao and other raiyats
of Holalvadi, Nanjangud Taluk

Versus

Respondent

K. Narasimhaiya, shop-keeper, Mysore
City.

Subject.

Claim respecting the occupation of Government waste or vacant land Survey No. 1 of Holalvadi village in the Nanjangud Taluk.

The facts of the case appear sufficiently from the following :—

Decision.

Survey No. 1 is a kharab or unassessed waste, being part of the bed of an old abandoned tank. It adjoins the village site. From the commencement, it was being used for such communal purposes as the storage of manure, etc. A small quantity of water sometimes stands on the low lying portion of it and it has been long used by the cattle of the village. Some years back, the applications of certain persons for the grant of the land for cultivation, seem to have been rejected after duly considering the objection taken to the same by the raiyats of the village (*vide* Amildar's report dated the 25th October 1901). In August 1900, a similar application made by one Muddappa was rejected by the Deputy Commissioner. In reporting upon that petition, the Amildar expressed the opinion that the land should not be given out for cultivation. Subsequently, there were several petitions from several individuals asking that portions of the land be given to them for building and kindred purposes. The Amildar, with the concurrence of the villagers, was in favor of the grant and submitted a recommendation accordingly. During the pendency of the correspondence on the subject, the respondent asked that the whole number be given to him for garden cultivation, for the small upset price of Rs. 20 per acre in consideration of the loss he had sustained in connection with certain other lands which in previous years he had purchased for large sums at revenue sales. The villagers objected to the grant thus applied for. The Amildar and the Assistant Commissioner nevertheless recommended the grant. They knew at the time that the villagers would be subjected to serious discomfort and inconvenience if the land were given away to an outsider for cultivation. They also knew of the existence of the previous darkhasts. In the face of this and of their belief that if put up to competition the land would realise a much higher price than the nominal price offered for it by the respondent, they chose to consider that the objection taken by the villagers should be over-ruled, and that the respondent's application should be favorably dealt with. The Deputy Commissioner in reliance upon their opinion wrote to the Revenue Commissioner recommending the grant. The Revenue Commissioner thought that the price offered was too low. He further seemed to think that the villager's objection based upon the absence of gomal was not wholly without force. Under the circumstances represented to him, however, he saw no reason to withhold the sanction applied for which accordingly he conveyed on 22nd May 1905. This sanction was passed on to the Amildar for needful action on 7th June 1905. The Amildar accepted the price from the respondent on the 16th idem, and on the same date issued to him a saguvali chit pending the assessment being fixed in due course by the Survey Department. This was done in spite of the pendency of two petitions from one Bhima Rao, dated 21st and 25th April 1905, in which he had referred to the several previous darkhasts both from himself and from other individuals and not only protested against the grant to the respondent then under contemplation but also offered to take the land himself on the same terms as those offered by the respondent. He even asked that the land be sold by auction if it could not be given to him for an upset price. The local authorities had evidently made up their minds that the respondent should be given the land on favorable terms to the prejudice of the villagers and the exclusion of the prior darkhastdars. In this they were solely influenced by their estimate of the loss which the respondent had sustained in connection with certain other sales. The one had nothing whatever to do with the other and yet the respondent was shown a concession to which he was not reasonably entitled. As soon as the villagers became conversant of what was going on, they hastened to the Deputy Commissioner with a protest on which that officer passed the following order on the date of the saguvali chit itself. "As there appears to be something in this objection, the order already issued (*i. e.*, the order intimating the Revenue Commissioner's sanction) will be held in abeyance if not given effect to, pending inspection of the land, one day next week." This order does not appear to have been formally communicated to the respondent. The Deputy Commissioner inspected the land a few days after, *i. e.*, on the 29th June, and on the next day he passed an order as follows:—"I inspected this land yesterday and find that I was misled regarding it, as it is really required for village purposes, storage of manure, and extending the village at any future time, and that it should not have been given out for cultivation. As however orders have already been received from the Revenue Commissioner on the subject on my recommendation, I am unable to move further in the matter and the only course left is for the petitioners to apply to the Revenue Commissioner to revise his order." The Revenue Commissioner, who was thereupon appealed to, informed the petitioners (appellants) that "as the sanction for the

grant of the land for cultivation purposes was accorded from his office, they (petitioners) should appeal to Government." Hence the present appeal, immediately on the institution of which, i. e., on the 5th August 1905, Government passed an order that further proceedings should be stayed and that if the respondent had been put in possession he should be directed not to interfere with the land pending the disposal of the appeal.

2. It is abundantly clear from the Deputy Commissioner's orders quoted above and from his report, that he was misled into making a serious mistake which he is anxious to see rectified. The land according to him is fit for building purposes. That was also the opinion of an Amildar who had reported upon the antecedent darkhasts to which reference has already been made and which were ignored in dealing with the respondent's darkhast. The village is a large one and appears to stand in real, and urgent need of extension. By its situation, the land in question is admirably suited for the location of such extension. The respondent's contention that another land equally eligible is readily available for the purpose, is clearly untenable as will be seen from an order passed by the Amildar on the 25th December 1900, rejecting one Narasanna's darkhast for the land (No. 164 measuring only one acre and twenty-three guntas) on the ground that there was a temple on it, and that moreover a fair was being held on it every year. It is unsatisfactory that on a ground manifestly inadmissible, the local authorities thought it proper to ignore all previous correspondence and to prefer an outsider like the respondent to both the villagers generally and the previous applicants in particular. The needs of the village failed to receive from them the consideration to which they were undoubtedly entitled. Though not ear-marked and formally set apart for communal purposes, it is obvious that no assessment was fixed on the land which, being then a kharab, was for a long time being used by the villagers for the common benefit, such as storage of manure and straw, cattle-stand, cattle-pond, etc. The higher portion is suitable for building purposes and the lower for collection of water for cattle. The correspondence shows that the latter was intended to be excluded and reserved, but even this was not done. This is not an occupied waste, and its disposal ought not to have been ordered as a routine matter and without proper enquiry. The grant is liable to be set aside on sufficient cause shown. Government are satisfied that this is a case in which authorities below did not evince a judicious discretion and that their interference is imperatively called for and should not be refused. The Deputy Commissioner himself is of that opinion and Government have no hesitation in agreeing with him. The cancelment of the grant made to the respondent so as to render possible the reservation of the land for communal purposes, is the only order which the Government consider proper under the circumstances. There were several applicants of whom the respondent was the last. A grant to the latter for an upset price much below the market value, was a proceeding for which there was no justification. A public sale was a more correct proceeding. And even this was extremely undesirable in view of the fact that a reservation was necessary in the interests of the village.

3. The respondent poses as a seriously aggrieved party in that he asserts that he has *bona fide* spent such a considerable sum as Rs. 1,500 on improvements. This assertion is wholly without foundation. He knew that his application was being strenuously opposed by prior applicants as well as by the villagers. On the date of the Amildar's permit itself, the Deputy Commissioner placed on record his opinion that there was something in the objection and that the matter should be further investigated. The respondent could not have been unaware of this though a formal intimation of it was somehow not sent to him. Within a fortnight of the grant, the Deputy Commissioner inspected the land and expressed his opinion against the propriety of the grant. Government decline to believe that the respondent remained in ignorance even of this. The Deputy Commissioner's report shows that up to that date, no improvements of any kind had been carried out by the respondent. Between that date and the date of the interdiction issued by Government, some little work seem to have been done by the respondent, not in good faith but in order to make out a grievance for himself. The mahazar prepared at the Sheristadar's inspection of 20th August 1905 clearly shows that beyond hurriedly getting some pits dug and plantain plants put in, at a cost of about Rs. 100, the respondent had done nothing whatever to the land by way of improvement or preparation, and that even this small cost had only been incurred by him within the preceding twenty days. The matter was *pendentelite* and the respondent at his own risk endeavoured to manufacture a claim for himself in the hope of being thus enabled to successfully resist the case made against him. There was no *bona fide* improvement and consequently no compensation is claimable.

4. For the foregoing reasons the grant relied upon by the respondent is cancelled, thus setting free the land for appropriation for non-agricultural purposes in the manner suggested by the Deputy Commissioner.

Appeal No. 39 of 1905-06.

Appellant

Versus

Respondent

Kenchegowda, son of Boregowda of Desahalli village, Mandya Taluk

Narasaiya, shanbhog

Subject.

Appeal against the order of the Deputy Commissioner of the Mysore District, rejecting the claim of the appellant to Survey No. 74 of Desahalli village in the Mandya Taluk held to belong to Government and confirming the darkhast sale thereof to the respondent.

The facts of the case appear sufficiently from the following :—

Decision.

Land No. 74 was an assessed waste. Its total extent is one acre and thirty guntas, of which thirty guntas were dealt with as kharab owing to the existence of a disused katte on the land. It would appear that one Nanjundaiya applied for the land at the time of the Survey Settlement but that the Settlement officer ordered that the katte should be inspected after the ensuing rains before granting the land for cultivation. Nanjundaiya repeated his application in 1888 but the then Amildar rejected it on the grounds that the katte still retained a small quantity of water, that the unarable portion exceeded the arable portion and that it was fit for a sandal plantation. This reservation was not, however, made under authority nor was entered in the village accounts. In November 1900, the respondent presented a darkhast for the land. As directed by the Amildar, the land was inspected and reported upon by the shekdar who after consulting the villagers, gave it as his opinion that the katte was quite out of order and scarcely retained any water for the use of men or cattle and that there was no objection to the land being granted for cultivation. The Amildar thereupon ordered the sale of the land in due course. After publicity given in the manner prescribed by law, a sale was held on 13th January 1901 at which the respondent became the purchaser. A large number of persons were present at the sale which, however, owing to the existence of pits on the land and the costly nature of the work to be done to render the land fit for cultivation, did not attract a higher bid than Rs. 2-4-0 offered by the respondent. After making a personal inspection and satisfying himself that the sale was above-board, the Amildar confirmed the sale and issued a saguvali chit on the 10th May 1901. Several months afterwards, *i.e.*, in January 1902, the appellant complained to the then Sub-Division Officer Mr. Venkat Rao, that the sale was a fraudulent transaction, that in holding it the Amildar's previous order of 1888 had been wilfully ignored, and that the katte standing on the land was his own property having been originally constructed by one of his ancestors. He further alleged that the price realized was wholly inadequate. Mr. Venkat Rao in calling for a report directed the suspension of cultivation pending orders on the appellant's protest. The Amildar in reporting upon the case expressed the opinion that the sale having been regularly held and duly given effect to, there were no grounds for any interference with it. He also stated that the appellant had made out no title either to the land or to the katte on it, and that his (appellant's) cupidity had been excited by the costly improvements which the purchaser had effected after he had obtained possession in pursuance of the sale. Mr. Venkat Rao thereupon, *i.e.*, on 16th May 1902, declined to interfere. He did not however communicate this order to the appellant who consequently again petitioned him on the subject in June following. The matter was once again referred by him to the Amildar for inspection and report. About that time there was a change of Amildars, and the new Amildar after seeing the land and holding an enquiry, reported *inter alia* that the appellant had failed to substantiate his title, that the patel's denial of all knowledge of the sale was untrustworthy, that considering the initial cost involved, the price realized could not be said to be too low, but that the sale must be pronounced irregular since the extent mentioned in the several papers concerned was one acre only while including the katte the area of the number was one acre and thirty guntas. He seemed to think, judging from the difference in area, that the katte had been excluded without the formality of a phode or sub-division. On 19th November 1902, the Sub-Division Officer (Mr. Dorasami Iyer) cancelled the grant, thus superseding the orders of his predecessor. He was of opinion that the katte was useful to the public and that the sale was brought about by a fraud practised by the respondent, who as a shanbhog could not have been unaware of the proceedings of 1888 but who nevertheless suppressed the same so as to enable his darkhast to succeed. The respondent appealed on 19th December 1902, and the then Deputy Commissioner Mr. Ramanujaiengar in calling for record directed that the Sub-Division Officer's order should be held in abeyance pending the disposal of the appeal. The record was received in January 1903 but the appeal was not heard until 24th July 1905 on which date Mr. Sparkes held that the land had been properly sold and that Mr. Dorasami Iyer's order could not be sustained. Hence this appeal.

2. Government agree with the Amildars who dealt with the case and with Mr. Sparkes in holding that the appellant has not established his title to the katte in question. The katte is a neglected pond much silted up and quite out of repair. It is evident that it is of no use whatever to the villagers or their cattle. The land was not classed as kharab at the Survey Settlement, but on the contrary it was dealt with as an assessed waste with a deduction under kharab on account of the existence of a katte on it. The direction that the land should be inspected after the rains before granting it for cultivation shows that there was no intention to

refuse the grant unless the katte filled so as to be useful to the public and overflowed so as to render the land unfit for cultivation. The Amildar's order of 1888 was one of questionable propriety. That the katte then contained a small quantity of water, was not a sufficient justification for the reservation of the land, nor the fact that a good bit of the land was unarable, nor that the land was an eligible one for a sandal plantation. The Amildar exceeded his powers in directing on his own responsibility the reservation of a land which had been duly assessed to revenue by the Survey Department. That being so, there was nothing to prevent the darkhast of 1900 being entertained, investigated, and disposed of on its own merits and irrespective of what had transpired in 1888. Local inspection both by the shekdar and by the Amildar coupled with the statement of a large body of the villagers, left no room for doubt that the katte was not only not private property but was also practically useless, and that the land was one which should be disposed of under the darkhast rules. The record connected with the sale as well as the subsequent correspondence further shows that the land was far from attractive in the condition in which it stood at the time of sale, that the bid obtained was a fair one, that there was no secrecy or fraud and that there was absolutely no reason why the formal confirmation of the sale should be withheld. The difference in area was made too much of in the Amildar's report of 1902. There was no need for any sub-division. The exclusion instead of the inclusion of the phut kharaab in the papers was an unimportant error which in no way effected the sale or the proceedings connected with it. Government have no hesitation in holding that the sale was rightly confirmed and given effect to by the Amildar in 1901 and that it should not have been set aside by the Sub-Division Officer in 1902.

* * * * *

The case however is a very simple one and there can be but one conclusion, *viz.*, that the appellant has no valid grievance and that the Deputy Commissioner's order must be affirmed.

3. The appeal thus fails and must be rejected.

Appellants

1. Karegowda
2. Chennegowda.

Versus

Respondent

Maregowda.

Subject.

Claim to the pateli office of Jodi Handalagere village in the Kunigal Taluk.

The facts of the case appear sufficiently from the following :—

Decision.

The appellant's father Timmegowda and the respondent and one Chennegowda are the sons of one Karegowda who held the pateli in dispute until his death which took place some time before the year 1877. No successor having been formally appointed to the deceased, Timmegowda and the respondent divided the work between themselves and continued to perform the same until 1901 when the former died. Since then the respondent alone has been in sole possession of the office. He possesses in his own right a substantial share in the village besides paying a large amount of kandayam. Another individual who owns half the village is agreeable to his appointment, and so too his brother Chennegowda. The appellants on the other hand seem to be less respectable and efficient. Under these circumstances, the Deputy Commissioner has conferred the vacancy on the respondent who as already observed was in joint possession for some twenty-five years and in sole possession for two or three years. The family has not been deprived of the office which has only been given to the second son on the ground *inter alia* of his being in every way more competent and acceptable than the sons of the first son. Government consider that the arrangement made by the Deputy Commissioner is unexceptionable and ought not to be interfered with.

2. The appeal fails and is accordingly dismissed.

*Appeal No. 45 of 1904-05.**Appellants**Respondent**Versus*

1. Lingegowda, son of Gude Lingegowda of Chikmalur village.
2. Aji Singalachar of Dodmalur village, Channapatna Taluk.

Mr. Setlur, Advocate, Bombay
High Court and Agent of the
Inamdar of Kudlur village,
Channapatna Taluk.

Subject.

Appeal against the order of the Deputy Commissioner of the Bangalore District, declining to permit the appellants to continue to cultivate certain lands of Chikmalur village in the Channapatna Taluk, on the ground that the said lands had been treated as kharab at the time of the Survey Settlement and included into the tank bed of the adjoining Inam village of Kudlur in the said taluk.

The facts of the case appear sufficiently from the following :—

Decision.

This is a very simple case. The appellants owned certain lands in the Sirkar village of Chikmalur. At the Survey Settlement these and certain other lands were found to be within the level line of the tank of the neighbouring Inam village of Kudlur. They were thereupon classed as kharab and included in the tank bed. The appellants nevertheless continued to cultivate their lands. For so doing they were found fault with and fined. This was in 1894-95. They have since been persistently complaining against this treatment. There was a difference of opinion as to whether the lands were really within the water spread of the tank. Several inspections were made and in the result both the Revenue and Public Works officers were of opinion that though not altogether outside the water line there was nothing to prevent the lands being permitted to be cultivated as usual when no water was standing thereon. The Deputy Commissioner did not however see his way to grant the appellants any relief. Hence this appeal.

2. There can be no doubt that the lands in question are situate in a Sirkar village, and that the appellants held the same for several decades before the Survey Settlement. That being so the summary eviction of the appellants is a proceeding for which there can be no justification. Nor can they be interdicted from enjoying the lands in such manner as they might find possible so long as the right of occupancy remains unacquired from them either by private negotiation or in accordance with law.

3. Under these circumstances Government direct that the lands be allowed to remain in the appellants' undisturbed possession to be enjoyed by them as best they can and on payment of such assessment as may be fixed by the Survey Department, until duly acquired from them for inclusion in the tank bed.

*Appeal No. 43 of 1905-06.**Appellant**Versus**Respondent*

Komaraiya

Nagappa.

Subject.

Appeal against the order of the Deputy Commissioner of the Hassan District, dismissing the appellant's suit filed to establish his claim to the registry of the shanbhogi baraward in his name, of either of the two circles of Jakkanahalli and Agile in the Hassan Taluk.

The facts of the case appear sufficiently from the following :—

Decision.

The plaintiff (appellant) and the father of the defendant (respondent) were brothers, being the sons of one Subraya who was the registered shanbhog of Agile and certain villages until his death which took place in the year 1847. The defendant's father being the eldest son of the deceased was appointed as his successor in 1848. In consequence however of his incapacity, the office was as a matter of fact held by the appellant until the former's death which

occured in 1872. Even subsequently the appellant continued to be in possession both at the Potigi Settlement of 1882 and for twelve years afterwards. During all this time the register nominally stood in the name of the defendant's father. At the settlement above referred to, the villages in question were formed into two circles called Agile and Jakkanahalli. The appellant was doing the duties of both until 1894, when it was decided that he should hold only one namely Jakkanahalli, and surrender the other (Agile) to the respondent. The register of both was nevertheless made out in the name of the respondent alone, and the appellant was referred to a regular suit. The present suit has accordingly been instituted. It must be noted that the appellant has another or younger brother by name Seshagiraiya. Both the Assistant Commissioner and the Deputy Commissioner have dismissed the suit on the ground that Seshagiraiya is as much entitled to a share as the appellant and that the villages cannot be re-distributed so as to form three circles in place of the two constituted at the Potigi Settlement. The Deputy Commissioner differing from the Assistant Commissioner has further held that the suit is governed by the six years rule and is consequently barred by limitation. Hence this appeal.

2. The respondent's contention was that the shanbhogi in dispute was his father's self acquisition, having been reacquired by him in 1848, that is, some years after the previous officiator's dismissal in 1826. This he failed to substantiate and the authorities below have correctly found with reference to the documentary evidence on record that the shanbhogi is an ancestral and hereditary office. As already observed, the appellant was in possession of all the villages from 1872 to 1894 and he continues to this day in the enjoyment of such of them as are included in one of the two circles which for administrative convenience were constituted at the settlement of 1882. His case is then clearly distinguishable from that of the third brother Seshagiraiya whose possible claims should not have been imported into this suit and relied upon as an argument against the admissibility of the appellant's claim. Of the three brothers, the eldest was the nominal barawarddar, the second was for several decades the real officiator and the third has apparently never had anything to do either with the office or with the duties appertaining to it. That being so, there is nothing to prevent one of the two circles being adjudged by name as well as in reality to the appellant and the other being allowed to remain in the name and possession of the respondent. No question of division or re-distribution really arises in this case.

3. Having allotted one of the circles to the appellant and the other to the respondent the register should have as a matter of course followed that arrangement instead of the appellant being relegated to a regular suit in 1894. That was a needless technicality and does not prejudicially affect the claims of the appellant who continues to be in the enjoyment of the circle (Jakkanahalli) then assigned to him. All that the appellant wants is an official recognition of his status as the shanbhog of the said circle. Both the circles cannot be held by a single individual. Hence the disposal of one of them in favor of the respondent and of the other in that of the appellant. To enable the registry being made out accordingly there was really no need for a formal suit; such being the view that Government entertain of the case, it is clear that the refusal of the appellant's prayer on the ground of limitation cannot be supported.

4. Neither the existence of a third brother nor the question of limitation thus stands in the way of the appellant being registered as the shanbhog of the circle of which he is in charge.

5. For the above reasons the appeal is allowed and the relief asked for by the appellant granted.

Claim to the shanbhogi office of Hebbari and other villages in the Chintamani Taluk.

The facts of the case appear sufficiently from the following :—

Decision.

This is an appeal from an order of the Deputy Commissioner declining to recognize the appellant's claim to the office of shanbhog of Hebbari and certain other villages in the Chintamani Taluk. The appellant is the son of one Venkatachellaiya who was removed from the office in 1891 on a charge of embezzlement. Considering the enormity of the offence the order of dismissal contained a direction that the family should for ever be debarred from holding the office and that a competent person unconnected with it should be appointed to succeed. In pursuance of that order, the respondent was first appointed on probation and then confirmed.

2. In 1899, the case came up before Government on an appeal from one Timmarayappa who endeavoured to oust the respondent on the grounds, firstly that he had himself a preferential claim as the descendant of one Shamanna who had been removed in 1854 before the appointment of Venkatachellaiya and secondly that the respondent being the son-in-law of Venkatachellaiya and as such closely connected with his family, his appointment was opposed to the orders of 1891 and could not be supported. Government held that the respondent should be allowed to hold the office during his life time and that Timmarayappa's claim should be taken into consideration on the occurrence of a vacancy.

3. Subsequently, the respondent was for sometime improperly getting the duties of the office performed for him by his brother-in-law the present appellant. When this was brought to notice, the Deputy Commissioner in concurrence with the Assistant Commissioner in charge of the taluk directed that the unauthorized and irregular arrangement should immediately cease, and that if the respondent did not himself enter upon the duties of the office within a month the question of his displacement by Timmarayappa should receive attention. The appellant urged his own claim independently of his relationship to the respondent, but this was disallowed. He now contends that his father's dismissal and the forfeiture of the family hak were ordered on insufficient grounds and that the question should now be fully gone into and the Deputy Commissioner's order of 1891 set aside. Government decline to accede to this contention which is as unreasonable as it is belated. The record shows that the appellant's father helped himself to a large sum of Government money, that he was nevertheless very leniently dealt with in consequence of his old age, and that for years afterwards no action was taken either by him or by any member of his family to have the order then passed, cancelled. The respondent ought not to have been suffered to officiate by proxy, and to that proxy being none other than the son of the dismissed shanbhog himself, there were most serious objections. The conduct of the respondent was highly reprehensible. If tolerated, it would practically nullify the punishment awarded to the erring shanbhog and his family in 1891. The respondent seems to favor the cause of his brother-in-law the appellant. This is not as it should be, and it can under no circumstances justify the restoration to the latter of an office which so far back as 1891, he was by a distinct order passed in strict accordance with rules debarred from succeeding to. Government have no hesitation in holding that the Deputy Commissioner's order appealed from is correct and that there are no grounds for interference with it.

4. The appeal fails and is accordingly rejected.

Application for review of Government Order No. 1315—P. F. 152-03, dated the 20th April 1904, confirming the sale held for arrears of revenue of lands Survey Nos. 37 and 38 of Attikodagi village in the Koppa Taluk.

Order.

The petitioner was the purchaser of a portion of the lands in question from the 2nd counter-petitioner. Though thus interested in the continuance of the occupancy, he failed either to obtain a transfer of the khate in his name or to get his name entered in the special register maintained for the purpose nor did he take steps to see that the assessment did not fall into arrears. Though not entitled to a notice, it is evident from the record that he had ample notice of the sale proceedings from first to last, of which however he wilfully failed to take advantage. His subsequent assertion that he had been misled into the belief, that what was being forfeited and sold was some other land of the khatedar in which he possessed no interest, was clearly an afterthought and must be rejected as wholly incredible. He would not meet the demand though he had an abundant opportunity of doing so. On the contrary he wished it to be satisfied either by his vendor the 2nd counter-petitioner or by his mortgagee the 4th counter-petitioner. No such payment having been made, the lands were sold in strict accordance with law. The petitioner is not entitled to have that sale set aside. That being so, Government see no reason to reconsider the order sought to be reviewed. This application is therefore rejected.

Appeal against the order of the Deputy Commissioner of the Kolar District, directing the grant of Survey No. 28 (kharab) of Kolar kasba to the respondent in lieu of some other lands of his submerged by the raising of the weir of Kolar Amanikere, the appellants contending that it should be reserved for public use.

The facts of the case appear sufficiently from the following:—

Decision.

Certain lands belonging to the respondent were resumed from him and included in the bed of the Kolar Amani tank. Instead of compensation the respondent asked for and obtained in exchange a small bit of kharab land so far back as July 1901. This land was duly assessed by the Survey Department in February 1902. The respondent has since been in possession. Some three and a half years after the grant of the land to him, the appellants objected to the grant on the ground that there was a pond on the land which was useful not only to the travelling public but also to themselves. The Deputy Commissioner (Mr. Puttanna Chetty) declined to interfere with the grant which had been made by his predecessor (Mr. Carr) in 1901. Hence this appeal.

2. The so called pond or well is a mere pit on account of the existence of which this small piece of land was shown as kharab or unassessed waste in the Survey records. It is evident from the correspondence with the Survey Department that the lands in the occupancy of the appellants are not entitled to be irrigated from the water of the pond. That being so, it is not clear how the appellants could be said to have any valid grievance. Nor does there appear to exist much force in the allegation that the cultivation of the land would prejudicially affect the travelling public. All possible objections were fully considered by Mr. Carr before he granted the land to the respondent and got the Survey Department to fix an assessment on it. No interference with the grant thus made and given to, is at this distance of time either called for or justifiable. In reporting upon the case Mr. Puttanna Chetty favors a resumption of the land from the respondent and the payment to him of compensation for the lands acquired from him and included in the water spread of the tank. Government are unable to agree with him either as to the necessity or as to the desirability, of reopening a question decided by Mr. Carr more than four years ago and of upsetting an arrangement which has since been in force. Neither public interests nor private, warrant any action of the kind suggested.

3. For the foregoing reasons Government hold that this appeal is not entitled to succeed and must accordingly be dismissed.

Claim to the pateli office of Damarajanapalya, a Dakle village of Navilakurki in the Koratagere Sub-Taluk.

The facts of the case appear sufficiently from the following decision:—

Decision.

The respondent has long been the Hakdar Patel of the village of Damarajanapalya, having obtained the office in succession to his father so far back as the year 1873. The appellant is the patel of Navilakurki. At the Survey Settlement the former seems to have been treated as a Dakhala village and the latter as the Asli village. This did not, however, affect the parties each of whom continued until 1903 in the undisturbed possession of his own village. In that year, however, on the strength of the decision passed by Government in Appeal No. 22 of 1901-02, the Deputy Amildar compelled the respondent to surrender charge of his village to the appellant. The Deputy Commissioner interfered and set aside the Deputy Amildar's order on the ground that it had been passed under a misapprehension. The appellant now contests the correctness of the Deputy Commissioner's order. Admittedly he has no right to the office in dispute. All that he contends is that the Potgi Rules and standing orders entitle him to the charge of both the villages.

2. The decision relied upon by the Deputy Amildar does not apply. That was a case between two persons neither of whom was the representative of the original hakdar. Both were the nominees of the Deputy Commissioner, and Government held that the arrangement made by that officer was a clumsy one which could not be upheld. There was no question of hak and no body was deprived of any hak. The present case is thus clearly distinguishable from that one. For a case of this kind there is ample provision in para 2 of the Proceedings of Government No. 10267-75—R. 1055, dated the 3rd January 1894. There is nothing in the Potgi Rules in support of the appellant's contention that the respondent's hak has extinguished by the treatment of his village as a Dakhala village by the Survey Department. The case of patels differs materially from that of shanbhogs, the former being governed by the Proceedings of 3rd January 1894 above referred to and the latter by the principles laid down in Proceedings No. 11829-37—Pet. F. 35-94, dated the 24th January 1905. It is evident that the appellant has no right to oust the respondent and that consequently he has no valid grievance. It is true that both are small villages but this *per se* is no reason why one of the hakdars should be compelled to part with his hak in favour of the other. To both being appointed patels of both the villages with power to officiate by rotation, the appellant does not agree, and no other arrangement satisfactory to both the parties is feasible than the continuance of the one which has existed from time immemorial.

3. The Deputy Commissioner's order is upheld and this appeal is dismissed.

DISTRICT REPORTS.

8. Markets how supplied.
9. Progress of agricultural operations, state of standing crops, prospects and probable outturn of harvests, serious damage done to crops by insects or other natural calamities.
10. Prospects of season; tracts in which the rainfall has been insufficient, areas affected by scarcity number of people under relief, and state of food stocks.
11. Public health.
12. Remarks as to the condition of agricultural stock, failure of pasturage, of fodder, etc.

BANGALORE CIVIL AND MILITARY STATION.

	<i>Normal.</i>	<i>Current.</i>
Prices of food grains—Rice	... 10 to 11.	6½ to 7
Ragi	... 25 to 30	16 to 17

Agricultural operation—Preparing and thrashing floors.

Outturn of ragi is from five to six annas.

Cattle are in good condition.

Water and fodder sufficient.

BANGALORE CITY AND TALUKS.

8. Market well supplied.
9. In Bangalore sugar-cane has been sown over an area of 10 acres and 12 guntas and harvested on an area of 3 acres and 35 guntas. In Hoskote standing crops are in good condition. Vaisakhi paddy was sown during the week over an area of 10 acres. The estimated outturn of ragi, etc., is about 8 annas except in parts where it ranges from 2 to 6 annas. In Doddballapur about 70 acres of crops were harvested. In Nelamangala sugar-cane has been harvested over an area of 10 acres. Sugar-cane planting is going on in Kankanhalli, and sugar-cane is being milled in Channapatna. In Anekal standing crops are in good condition, and sugar-cane is being milled. Sugar-cane planting and paddy sowing are also carried on. In Devanhalli sugar-cane is still being milled.
10. Prospects of the season moderate. Water is failing in small tanks here and there.
11. Public health generally good.
12. Cattle healthy. Water and fodder are available.

KOLAR.

8. Market well supplied, but prices of food grains continue to be high.
9. Sugar-cane is being sown in Sidlaghatta, Goribidnur and Srinivasapur, and cholum in Bagepalli. Ragi, kulthi and paddy are being harvested throughout the district. Sugar-cane is being milled in almost all the taluks.
10. Prospects of the season moderate. Food stocks available.
11. Public health generally good.
12. Cattle healthy. Water and fodder available. Fodder and pasture are becoming scanty in the northern part of Bagepalli.

The following is the estimated outturn of crops :—

Hassan	...	...	Kadale, etc.	4 to 8 annas.
Arsikere	...	...	Kadale	4 "
Hole-Narsipur	...	...	Kadale, sugar-cane, etc.	8 to 10 "

10. Prospects fair. Food stocks sufficient for the present.

11. Public health generally good except for small-pox prevailing in parts of Hassan, Manjarabad, Belur, Channarayapatna and Arkalgud.

12. Cattle generally healthy. Fodder and water generally available except in Kanakatte hobli in Arsikere, where some difficulty is felt for want of fodder. Foot and mouth disease are reported to prevail among cattle in the Belur Taluk.

SHIMOGA.

8. Market well supplied, but prices are high.
9. Kadale in the Honnali Taluk is being harvested. Sugar-cane is being milled in Shimoga, Sagar, Sorab and Kumsi, and it is being planted in Kumsi. Standing crops, viz., sugar-cane and kadale in Shimoga; cholum, kadale, castor and cotton in Honnali; black and green grams, kadale and ballar in Sorab; and sugar-cane in Sagar are in good condition.
10. Food stocks are reported to be sufficient.
11. Public health good.
12. Fodder is available in moderate quantities. Water is insufficient in Shimoga, Shikarpur and Kumsi.

KADUR.

8. Market fairly supplied.
 9. Ploughing is carried on in parts of Mudgere and Yedahalli. Standing crops are in fairly good condition. Coffee and arecanut in parts of Mudgere; sugar-cane, coffee and arecanut in parts of Koppa; kadale in parts of Tarikere; sugar-cane and garlic in parts of Chikmagalur; and sugar-cane in parts of Yedahalli and Kadur are being harvested. The harvest of paddy, arecanut, coffee and cardamom in Yedahalli is nearly complete. In Koppa coffee and arecanut to the extent of 15½ annas and sugar-cane to the extent of 12 annas have been harvested. The probable outturn of crops is as follows:—
- | | | |
|-------------|---|---|
| Tarikere | ... Standing crops | ... 8 annas. |

| Chikmagalur | ... Paddy, kulthi and coriander (harvested) | ... 4 annas in the maidan and 8 annas in other parts. |
10. Prospects of the season fair. Food stocks are available and sufficient for the present.
 11. Public health generally good.
 12. Cattle generally healthy, but foot and mouth disease are reported to prevail in parts of Koppa and Kadur. Water and fodder generally available.

CHITALDRUG.

8. Market well supplied.
 9. Standing crops are reported to be in fairly good condition. Castor, cholum (white), kadale and cotton in Challakere, and cholum (white), kadale, wheat and cotton in Jagalur are reported to be fading. The estimated outturn of harvested crops is as follows:—
- | | | |
|-------------|--|--------------|
| Chitaldrug | .. Kadale | ... 4 annas. |
| Holalkere | .. Togari, avare, cholum (white) and kulthi. | 8 " |

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA
OF MYSORE.

Appeal No. 138 of 1904-05.

Appellants
1. Nanjundaiya
2. N. Srikantaiya

Versus

Respondent
Venkatappa, minor by
guardian Gopamma.

Subject.

Claim to the shanbhogi office of Vederpura and other villages in the Tumkur Taluk.
The facts of the case appear sufficiently from the following :—

Decision.

This is a shanbhogi case. One Ramaiya had four sons named Naranappa, Venkatappa, Krishnappa and Sivaramaiya. He was the hereditary shanbhog of certain villages, seventeen in number. On his death he was succeeded by one of his sons Venkatappa. Eight of the villages were held by Venkatappa and the other nine by one Lingannaiya apparently unconnected with the family. The latter is said to have obtained the nine villages last mentioned in consideration of certain services long rendered by his father to the hakdar's family and on the express understanding that he should not alienate the same. There is some dispute as to whether this is a fact or whether Lingannaiya's connection is traceable to some other origin than a transfer to him by Ramaiya's family. However that may be, it is clear that Lingannaiya, though like every other holder of a hereditary office, incompetent to alienate the shanbhogi of the nine villages in question; was the officially recognized occupant of the latter in his own right and not in a subordinate capacity. For the purpose of this case, it may therefore be taken as established beyond all doubt that of the seventeen villages in dispute, eight belonged to Venkatappa and nine to Lingannaiya. Each of these persons was in the enjoyment of his villages until the year 1862 when Lingannaiya was dismissed on a charge of misappropriation. His sons Nanjappaiya, Puttanna and Timmappa were expressly debarred from succeeding to the office on the ground that they had been privy to the offence aforesaid. In addition to the eight villages which he held in his own right, Venkatappa was appointed to act for the vacancy caused by the removal of Lingannaiya. Venkatappa held all the seventeen villages until his death which occurred in 1871. His minor son Venkatramaiya was next appointed to succeed to his own villages while his brother Naranappa's son Divakeraiya was appointed shanbhog of the remaining, or Lingannaiya's nine villages. Shortly afterwards, i. e., in 1874 Lingannaiya's son Puttanna's son Kapanipataiya and one Krishnappa, a daughter's son of Lingannaiya, claimed the last mentioned nine villages on the ground that they were in no way affected by the order of exclusion passed in 1862. In reply the Deputy Commissioner and the Division Commissioner informed them that there was then no vacancy, that the one which had existed in 1871, had been filled up previous to their application, and that if they renewed their request on the occurrence of a vacancy their claim would be considered by the Deputy Commissioner. Divakeraiya held nine villages in his own account and eight on that of the minor Venkatramaiya for some time, and then died. A gumasta was subsequently put in charge of all the seventeen villages pending further arrangements. Kapanipataiya pressed his claim in 1880. The Deputy Commissioner gave him all the seventeen villages under the impression that his claim related to the entire firka. In so doing, he lost sight of the fact that eight of the villages belonged to Venkatramaiya who could not be prejudicially affected by the demise of his gumasta Divakeraiya. Venkatramaiya protested as soon as he heard of the Deputy Commissioner's order. He further contended that he had attained his majority and was entitled to be inducted into possession of his eight villages. But neither Kapanipataiya nor Venkatramaiya was given possession pending the Survey Settlement which was then near at hand. In the meantime, Divakeraiya's son Naranappa also preferred a claim. In the course of an enquiry held in 1882 Kapanipataiya and Venkatramaiya admitted that they were entitled to only nine and eight villages, respectively. In 1886, the Deputy Commissioner rightly rejected Divakeraiya's son Naranappa's claim. He gave all the seventeen villages to Venkatramaiya on the ground that at the Survey Settlement they had been formed into a single circle to the splitting up of which he (Venkatramaiya) was not agreeable. He had some doubt as to whether a vacancy had occurred of the kind contemplated by the order of 1874, but he held that in any event he could not afford any relief to Kapanipataiya in the face of Venkatramaiya's objection to the subdivision of the consolidated charge duly constituted by the Survey Department. Kapanipataiya died shortly after the rejection of his claim, i. e., about twelve years ago. In 1898, his uncle Timmappa's son Srikantaiya, the 2nd appellant, reasserted the claim but was referred to the order already passed in 1886. In 1903-04, Venkatramaiya died and the question arose as to who should be appointed his successor. The claimants were Venkatramaiya's minor son, the respondent, and Kapanipataiya's brother and cousin, the 1st and 2nd appellants. The Deputy Commissioner in reliance upon the orders of 1886, preferred the former to the latter. Hence this appeal. It must be noted here that the charge being an unwieldy one, the Survey Department with the sanction

of Government divided it in 1902 into three circles as particularized in the margin. The appellant contend that the difficulty which confronted the Deputy Commissioner in 1886 has thus since disappeared and that in fairness to them they should be given the share to which they are legitimately entitled.

2. From the above statement of facts, it is abundantly clear that the appellants possess a hereditary right, that that right was not forfeited by the order of 1862, and that there is nothing to prevent the present claim being allowed. Howsoever acquired, Lingannaiya's family had an indefeasible *hak* subject only to the superfluous condition that the office was unalienable. This *hak* finds mention in several old accounts the genuineness of which is unquestionable. The order of 1862 limited the disqualification to the sons of Lingannaiya who had actively assisted him in the discharge of the duties of shanbhog and in the perpetration of the fraud brought home to him. There is in it no indication that a permanent and perpetual bar was intended. This derives support both from the arrangement under which Venkatappa was only appointed to act and from the order of 1874 which reserved Lingannaiya's grandson's claim for consideration on a vacancy occurring. That claim was not only considered but also admitted by the subsequent order of 1880; in giving immediate effect to which no difficulty should have arisen but for the Deputy Commissioner's misapprehension that the claim involved all the seventeen villages instead of only nine. Another circumstance in favor of the appellants is the admission made by Venkatramaiya in 1882. If the villages had not all been clubbed together and constituted a single circle to the division of which into two charges, Venkatramaiya unreasonably objected in 1886, each of the contending parties, namely, Kapanipataiya and Venkatramaiya would have been given the villages to which he was entitled by right of hereditary succession. It is evident from the order of 1874 that the next vacancy at which Kapanipataiya's claim was promised to be considered was similar to the one which had existed in 1871 but which had been filled up, that is, a vacancy occasioned by the death or removal of the holder and not by the extinction of his family. So long as there was a single circle, Kapanipataiya could not again urge his claim; and he died before the charge was, as observed above, divided into three circles under authority. This division took place in 1900 and the then holder Venkatramaiya died in 1903-04. The appellants thereupon lost no time in again coming forward with their claim. They could not do so earlier as in that case they would have been met by the objection either that there was no vacancy or that the charge was indivisible. The present application is quite in time and is justly deserving of favorable treatment. As between the appellants themselves the first as the brother of Kapanipataiya who had long urged his claim and even secured a recognition of it in 1880, is entitled to priority over the 2nd whose father died some thirty years ago and who never before 1898 made any endeavour to assert and substantiate his title.

3. The ancestors of the parties had, roughly speaking, an equal share in the villages forming the subject of the controversy. The net *petgi* attached to circle (a) is Rs. 63-2-0, to (b) Rs. 73-8-0 and to (c) Rs. 17-10-0. Circle (b) is thus about equal to circles (a) and (c) together, and must be adjudged to the first appellant unless the respondent prefers to keep it for himself and surrender (a) and (c) to the 1st appellant.

The Deputy Commissioner's order will be modified accordingly.

No. R. 10382—R. M. 553-04-9, dated Bangalore, 3rd February 1906.

Copy of the above is forwarded to the Deputy Commissioner of the Tumkur District, together with the records received with his docket No. 442, dated the 7th November 1905.
